Provides that a unit of local government may serve a citation to discover assets by registered or certified mail, return receipt requested, to the judgment debtor's address on record with the Secretary of State, with exceptions, and that service of a citation to discover assets in this manner is effective upon mailing of the citation to discover assets. Provides that a judgment creditor which is a unit of local government may immobilize a vehicle of the judgment debtor for the purpose of facilitating enforcement of and satisfying, in whole or in part, the judgment. Provides that immobilization may not occur until the judgment debtor has had the opportunity to appear and contest the immobilization at the citation hearing, or the judgment debtor has failed to appear at the citation hearing. Provides that if a unit of local government immobilizes a vehicle, it shall affix a notice of immobilization to the vehicle at the time the restraint device is attached to the vehicle. Provides that the notice shall provide information regarding the procedure to have the device removed. Provides that the judgment debtor shall, within 24 hours of the immobilization, follow the procedures listed on the notice to pay the applicable costs. Provides that if the judgment debtor fails to respond within 24 hours of the immobilization, the unit of local government may tow and impound the vehicle. Provides that the vehicle shall be eligible for auction or public sale if, within 21 days after the vehicle is towed and impounded, the judgment debtor fails to pay all applicable costs.

730 ILCS 5/5-5-4 from Ch. 38, par. 1005-5-4
735 ILCS 5/2-702

Replaces everything after the enacting clause. Amends the Criminal Identification Act. Provides that if a petitioner has been granted a certificate of innocence under the Code of Civil Procedure, the court that grants the certificate of innocence shall also enter an order expunging the conviction for which the petitioner has been determined to be innocent, notwithstanding the presence of additional felony charges or criminal convictions present on the petitioner's record. Provides that provision of the Unified Code of Corrections concerning a conviction or sentence that has been set aside on direct review or on collateral attack in which the court determines by clear and convincing evidence that the defendant was factually innocent of the charge does not prevent the court from entering the expungement order for a petitioner who has been granted a certificate of innocence under the Code of Civil Procedure. Provides that the court shall execute the expungement according to the process established in the Code of Civil Procedure. Provides that the procedures established in the expungement statute do not govern or control this provision. Provides that the effect of the order shall be to restore the person to the status he or she occupied prior to the arrest, plea, or conviction for which he or she was determined to be innocent. Provides that no person as to whom the order has been entered shall be held thereafter, under any provision of any law, to be guilty of perjury or otherwise giving a false statement due to his or her failure to recite or acknowledge the arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever. Amends the Code of Civil Procedure. Provides that upon entry of the certificate of innocence, the court shall enter an order requiring the arresting agency, the Department of State Police, and any other agency as ordered by the court to expunge the records of arrest and conviction for the offense that the petitioner was found to be innocent, within 60 days of the date of service. The order shall also order that the records of the clerk of the circuit court regarding the arrest and conviction for the offense be impounded until further order of the court upon good cause shown or as otherwise provided, and the name of the defendant obliterated

from the official index requested to be kept by the circuit court clerk under the Clerks of Courts Act in connection with the arrest and conviction for the offense but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Provides that if one is pardoned by the Governor based on the grounds of innocence for the crime for which he or she was imprisoned, the individual must file for an expungement as provided in the expungement statute. Amends the Unified Code of Corrections to make a conforming change.

Amends the Illinois Notary Public Act. Provides that if the Secretary of State implements an electronic application system for the appointment of notaries public, then each applicant for appointment as a notary public shall use that system to apply for appointment as a notary public. Authorizes persons making an electronic application for appointment as a notary public to sign and verify electronically the oath that is required of all notaries public. Repeals a provision that would have terminated, as of July 1, 2013, the requirement that a notary public officially sign, at the time of a notarial act, every notary certificate and affix the rubber stamp seal clearly and legibly using black ink, so that it is capable of photographic reproduction. Provides that identification documents are documents that are valid at the time of the notarial act, issued by a state agency, federal government agency, or consulate, and bearing the photographic image of the individual's face and signature of the individual (now, the definition of that term is scheduled to be repealed on July 1, 2013). Effective June 30, 2013.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of an accused made as a result of a custodial interrogation at a police station or other place of detention shall be presumed to be inadmissible as evidence against the accused in any criminal or juvenile court proceeding in which the accused is charged with the commission of an offense that is a homicide or a Class 1 felony or a Class X felony (rather than a homicide offense or a DUI offense in which the DUI was the proximate cause of death) unless: (1) an electronic recording is made of the custodial interrogation; and (2) the recording is substantially accurate and not intentionally altered. Allows the admissibility of a statement given at a time when the interrogators are unaware that the offense could be charged as a homicide or as a Class 1 felony or Class X felony.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill. Further amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unless the court has granted a pretrial motion to suppress the contents of an electronically

recorded custodial interrogation, an electronic recording made of an accused for any offense may be admissible as evidence against the accused in any criminal proceeding for a homicide offense or aggravated DUI where driving under the influence was the proximate cause of death of another person or a Class 1 felony or Class X felony.

SENATE COMMITTEE AMENDMENT NO. 2

Provides that requirement to record custodial interrogations in Class 1 or Class X felony cases depends on the capacity of the existing and available recording system and other necessary accommodations.

New Act

Creates the Illinois Mental Health First Aid Training Act. Provides that the Department of Human Services shall establish and administer the Illinois Mental Health First Aid training program so that certified trainers can provide Illinois residents, professionals, and members of the public with training on how to identify and assist someone who is believed to be developing or has developed a mental health disorder or an alcohol or substance abuse disorder or who is believed to be experiencing a mental health or substance abuse crisis. Provides that subject to appropriations made to, or with the use of appropriations directed by, the Department of Human Services and other State agencies, the Department and other State agencies shall support training grants for Illinois Mental Health First Aid training. Provides that these training grants may support hardship subsidies for Illinois Mental Health First Aid training fees. Provides that the Illinois Mental Health First Aid training program shall be designed to train individuals to accomplish certain objectives including (i) building mental health, alcohol abuse, and substance abuse literacy designed to help the public identify, understand, and respond to the signs of mental illness, alcohol abuse, and substance abuse and (ii) knowing how to prevent a mental health disorder or an alcohol or substance abuse disorder from deteriorating into a more serious condition which may lead to more costly interventions and treatments. Contains provisions concerning the distribution of training grants and other matters. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that the Department of Human Services shall administer (rather than establish and administer) the Illinois Mental Health First Aid training program. In the definition of "certified trainers", changes "National Authorities of Mental Health First Aid USA" to "National Authorities of Mental Health First Aid". Amends the Code of Criminal Procedure of 1963. In provision on obtaining a search warrant by oral testimony, deletes use of telephone, fax, or other appropriate means to communicate sworn testimony supporting a search warrant request on a terrorism or terrorism-related offense to a judge when the circumstances make it reasonable to dispense with a sworn affidavit. Replaces the deleted provision with a general provision applicable to any offense allowing a search warrant request to be made by electronic means that has a simultaneous video and audio transmission between the requestor and a judge. The judge may issue a search warrant based upon sworn testimony communicated in the transmission. Deletes provision that made search warrant upon oral testimony subsection inoperative on January 1, 2005 and the savings clause for admissibility of evidence obtained by a search warrant issued under the subsection prior to it becoming inoperative.

SENATE COMMITTEE AMENDMENT NO. 1

New Act

Creates the Smoke-Free Campus Act. Sets forth the General Assembly's findings. Provides that beginning on July 1, 2014, smoking is prohibited on each campus of a State-supported institution of higher education. Provides that on or before December 31, 2013, each State-supported institution of higher education shall establish a community task force for the purpose of coordinating with community and campus leaders for the implementation of the Act. Provides that the governing board of each State-supported institution of higher education shall implement the Act and shall promulgate all policies and regulations necessary for this purpose, including, but not limited to, disciplinary action, fines, and an appeals process. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Provides that the prohibition against smoking on each campus of a State-supported institution of higher education shall not apply to any instance in which an individual is traveling through or parked on a campus in a vehicle that is not owned by a State-supported institution of higher education.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, with the following changes. Excludes property covered under the Smoke Free Illinois Act from the definition of "campus". Makes a change to the definition of "smoke" or "smoking" with

respect to products approved or certified by the United States Food and Drug Administration. Makes changes to dates. Removes the exception to the smoking prohibition for individuals parked on campus. Requires the creation and posting of a smoke-free campus map. Deletes language that provides that any State-supported institution of higher education may regulate smoking in public places, but that regulation must be no less restrictive than this Act. Adds language that provides that in case of conflict with provisions of the Smoke Free Illinois Act, the provisions of the Smoke Free Illinois Act shall control. Effective immediately.

Provides that notwithstanding any other provision of law, a party to a custody action who is residing in the United States under an H-4 or L-2 visa shall be allowed to permanently return to his or her country of origin with the minor child or children and commence child custody proceedings in his or her country of origin.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces the amendatory provisions with new language providing that if a party to a custody action is residing in the United States under a B-2, F-2, H-4, J-2, or L-2 visa and has been granted temporary or permanent custody of the child, there is a rebuttable presumption in favor of allowing immediate and permanent removal of the child to that party's country of origin unless the party opposing removal shows a present serious endangerment to the child if removal is allowed.

New Act

Creates the Freedom From Location Surveillance Act. Provides that a law enforcement agency shall not obtain current or future location information pertaining to a person or his or her effects without first obtaining a court order based on probable cause to believe that the person whose location information is sought has committed, is committing, or is about to commit a crime or the effect is evidence of a crime, or if the location information is authorized under an arrest warrant issued under the Code of Criminal Procedure of 1963 to aid in the apprehension or the arrest of the person named in the arrest warrant. An order issued under a finding of probable cause must be limited to a period of 60 days, renewable by the judge upon a showing of good cause for subsequent periods of 60 days. Provides exemptions. Provides that if the court finds by a preponderance of the evidence that a law enforcement agency obtained current or future location information pertaining to a person or his or her effects in violation of the Act, then the information shall be presumed to be inadmissible in any judicial or administrative proceeding. Provides that the State may overcome this presumption by proving the applicability of a judicially recognized exception to the exclusionary rule of the Fourth Amendment to the United States Constitution or Article I, Section 6 of the Illinois Constitution, or by a preponderance of the evidence that the law enforcement officer was acting in good faith and reasonably believed that one or more of the exceptions existed at the time the location information was obtained. 305 ILCS 5/12-4.39

Amends the Medical Assistance Article of the Illinois Public Aid Code. Removes language requiring the Department of Healthcare and Family Services to (i) limit adult dental services to emergencies; and (ii) beginning July 1, 2013, ensure certain conditions are recognized as emergencies. Provides that (i) the Department shall limit the ALL KIDS school-based dental program; (ii) school-based dental providers must provide children receiving an oral health score

of 2 or 3 (indicating the need for restorative or urgent follow-up care) with the diagnosed follow-up care by providing the care themselves at the school or at the provider's local clinic, or the children must be referred by the provider's case manager to a dental provider who is willing to accept each child into the provider's practice to perform required follow-up care and provide a dental home; (iii) the Department may limit dental coverage for children to 2 cleanings and 2 fluoride treatments per year regardless of where the services are performed and shall require prior approval for any requests exceeding this limit; and (iv) beginning July 1, 2014, the Department shall require all adults to pay a $20 encounter fee to the provider at the time of services. In a provision concerning a dental clinic grant program administered by the Department, adds dental school clinics to the list of dental entities that may apply for grant money. Provides that grant money must be used to support projects that develop dental services or training (rather than only dental services) to meet the dental health care needs of the Department's dental program clients. In addition to other specified expenses, provides that grant moneys must be used for those services provided as part of the educational process at State dental schools. Effective immediately.

Requires the Department of Healthcare and Family Services to promulgate rules to increase by $10 for State fiscal year 2015 the total monthly personal needs allowance for persons who are inpatients in a facility licensed under the ID/DD Community Care Act for which payments are made under the Medical Assistance Article throughout a month and who are determined to be eligible for medical assistance. Provides that for State fiscal years 2016 and beyond, in any calendar year in which there is a cost-of-living increase in federal Supplemental Security Income benefits or Social Security benefits, the Department shall promulgate rules to increase the total monthly personal needs allowance by an amount that is at least equal to the increase in federal Supplemental Security Income benefits or Social Security benefits. Provides that the Department shall not be prohibited from increasing, by rule, for State fiscal years 2016 and beyond, the personal needs allowance by an amount that is greater than the cost-of-living increase in federal Supplemental Security Income benefits or Social Security benefits for that calendar year; and that at no time shall the personal needs allowance for eligible persons be reduced below the rates calculated for State fiscal year 2015. Authorizes the Department to make similar increases, by rule, for persons who reside in a facility licensed under the Community-Integrated Living Arrangements Licensure and Certification Act, who are determined to be eligible for medical assistance, and who are enrolled in the Illinois Home and Community Based Services Medicaid Waiver program for adults with developmental disabilities. New Act

Creates the Handgun Dealer Licensing Act. Provides for the regulation of handgun dealers through licensure by the Department of Financial and Professional Regulation. Provides that no person may sell or otherwise transfer, expose for sale or transfer, or have in his or her possession with the intent to sell or transfer any concealable firearm without being licensed under the Act. Provides, however, that the prohibition does not apply to a person who makes occasional sales, exchanges, or purchases of concealable firearms for the enhancement of a personal collection or as a hobby, or who sells all or part of his or her personal collection of firearms. Sets forth provisions concerning application, fees, duration of licensure, license retention requirements, submissions to the Department, penalties, revocation, and suspension. Amends provisions of the Illinois Marriage and Dissolution of Marriage Act concerning maintenance. Adds language providing that the court shall first determine whether a maintenance award is appropriate, using factors already in the statute. Provides that, if a court determines that a maintenance award is appropriate, the court shall order maintenance either: in accordance with guidelines involving the income of the parties and the length of the marriage; or after the court's consideration of relevant factors already in the statute. Provides that, in a case involving the issue of maintenance, the court shall make specific findings of fact stating the reasoning for awarding or not awarding maintenance, including references to factors already in the statute,

and, if the court deviates from otherwise applicable guidelines, stating the amount of maintenance (if determinable) or duration that would have been required under the guidelines and the reasoning for any variance from the guidelines. Defines "gross income", for purposes of calculating maintenance obligations, as "all income from all sources", as that phase is used in calculating net income for purposes of calculating child support. Provides that, unless the parties otherwise agree, the court may not order unallocated maintenance and child support in a dissolution judgment or a post-dissolution order, but the court may order unallocated maintenance and child support in a pre-dissolution temporary order. Adds headings to existing subsections. In provisions of the Act concerning the determination of child support, provides that obligations pursuant to a court order for maintenance in the pending proceeding actually paid or payable to the same party to whom child support is to be payable shall be deducted from net income.

Requires applications under the Act to submit the proposed subsurface location of any horizontal wellbore, the names and addresses of all owners of the surface under which a horizontal wellbore is planned, the names and addresses of all owners of the surface within 500 feet of an imaginary line on the surface directly over the subsurface trajectory of any horizontal wellbore, and the names and addresses of all owners of right to the subsurface through which a vertical or horizontal wellbore is planned. Adds notice requirements. Provides that when any change is made from the planned course of a horizontal wellbore and the change involves drilling on, under, or through real property that was not identified on the original permit application or for which notice was not given or consent not obtained and shown, the change shall be considered a significant deviation from the terms of the original application and permit approval shall not proceed until notice has been given and consent has been obtained and shown to the Department of Natural Resources' satisfaction.
