210 ILCS 50/3.40

Amends the Emergency Medical Services (EMS) Systems Act. Provides that when the Director of Public Health or the Director's designee does not stay an immediate suspension order, the Director or the Director's designee shall identify whether the suspension shall immediately apply to statewide participation. Effective immediately.

## SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that when an immediate suspension order is not stayed, the Director or the Director's designee within the Department of Public Health (instead of the Director or Director's designee) shall identify if that suspension shall immediately apply to statewide participation only in situations when a licensee has been charged with a crime while performing the licensee's official duties as an EMR, EMD, EMT, EMT-I, A-EMT, Paramedic, ECRN, TNS, PHRN, LI, PHPA, or PHAPRN and the licensee's continuation to practice poses the possibility of imminent harm to the public based off factual evidence provided to the Department (instead of only in situations when a licensee's continuation to practice poses the possibility of imminent harm to the public based off factual evidence provided to the Department). Creates the Family Recovery Plans Implementation Task Force Act. Provides that it is the General Assembly's intent to require a coordinated, public health, and service-integrated response by various agencies within the State's health and child welfare systems to address the substance use treatment needs of infants born with prenatal substance exposure, as well as the treatment needs of their caregivers and families, by requiring the development, provision, and monitoring of family recovery plans. Creates the Family Recovery Plans Implementation Task Force within the Department of Human Services. Sets forth the duties of the Task Force, including reviewing models of family recovery plans that have been implemented in other states; and reviewing and developing recommendations to replace punitive policies with notification policies for health care professionals reporting a positive toxicology screen of a newborn. Contains provisions concerning Task Force membership, meetings, reporting requirements, and other matters. Amends the Abused and Neglected Child Reporting Act. Requires the Department of Children and Family Services to develop a standardized CAPTA notification form that is separate and distinct from the form for written confirmation reports of child abuse or neglect. Provides that a CAPTA notification shall not be treated as a report of suspected child abuse or neglect, shall not be recorded in the State Central Registry, and shall not be discoverable or admissible as evidence in any juvenile court or adoption proceeding unless the named party waives, in writing, his or her right to confidentiality. Amends the Juvenile Court Act of 1987. Removes newborn infants whose blood, urine, or meconium contains any amount of a controlled substance from the list of children presumed neglected or abused under the Act. Makes corresponding changes to a provision listing the types of evidence that constitute prima facie evidence of neglect and to relevant provisions under the Adoption Act. Effective immediately, except that some parts take effect January 1, 2025.

New Act

Creates the Pesticide Application on Rights-of-Way Notification Act. Provides that, at least 24 hours before applying a pesticide to a public right-of-way that is located within the corporate boundaries of a municipality, a certified applicator employed or contracted with by the State or a unit of local government to apply the pesticide shall provide notice of the application to all residents whose residences are located within 200 feet of the public right-of-way to be treated. Provides for the adoption of rules by the Department of Agriculture. Defines terms.

#### SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires that the State or the unit of local government in which the application of a pesticide to a public right of way is to be made to provide notice of the application to residents within 200 feet (rather than the certified applicator to provide notice of the application to residents within 200 feet). #### SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Removes a provision making parents monetarily liable for the cost of care and training provided by the Department of Children and Family Services for children placed with the Department under a voluntary placement agreement. Instead provides that the Department shall adopt rules no later than January 1, 2026 regarding referral of Title IV-E foster care maintenance cases to the Department of Healthcare and Family Services for child support enforcement services under Title IV-D of the Social Security Act. Provides that it is the policy of the State that in order to preserve the financial security of a child's parent seeking reunification, the Department will not refer cases for child support enforcement services or seek an assignment of rights of child support regarding any child prior to the permanency goal of return home being ruled out by the court in accordance with the Juvenile Court Act of 1987. Permits the Department to refer cases for child support enforcement services, consistent with rules, after the permanency goal of return home has been ruled out by the court in accordance with the Juvenile Court Act of 1987. Requires the Department to adopt rules by January 1, 2026 establishing additional policies or criteria to consider to ensure compliance with this Section and federal law regarding referral for child support enforcement or assignment of rights of child support for children where a return home goal has been ruled out in accordance with the Juvenile Court Act of 1987. In a provision concerning liability for parents or guardians who make false written declarations to the Department concerning their income or ability to pay for their children's Department-sponsored care and training, provides that such parents and guardians will be liable to Department to the extent liability is consistent with the standards and rules set forth in the amendatory Act. Provides that it is unreasonable for a third party to refuse to honor a statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution, if the only reason for the refusal is any of the following: (1) the power of attorney is not on a form the third party receiving such power prescribes regardless of any form the terms of any account agreement between the account holder and third party requires; (2) there has been a lapse of time since the execution of the power of attorney; (3) on the face of the statutory short form power of attorney, there is a lapse of time between the date of acknowledgment of the signature of the principal and the date of the acceptance by the agent; (4) the document provided does not bear an original signature, original witness, or original notarization but is accompanied by an attorney-certified copy; or (5) the document appoints an entity as the agent.

**SENATE COMMITTEE AMENDMENT NO. 2**

Provides that it is unreasonable for a third party to refuse to honor an Illinois statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution, if the only reason for the refusal is any of the following: (1) the power of attorney is not on a form required by the terms of any account agreement between the account holder and third party; (2) there has been a lapse of time since the execution of the power of attorney; (3) on the face of the statutory short form power of attorney, there is a lapse of time between the date of acknowledgment of the signature of the principal and the date of the acceptance by the agent; (4) the document provided does not bear an original signature, original witness, or original notarization but is accompanied by a properly executed Agent's Certification and Acceptance of Authority, Successor Agent's Certification and Acceptance of Authority, or Co-Agent's Certification and Acceptance of Authority bearing the original signature of the named agent; or (5) the document appoints an entity as the agent. Nothing in this Section shall be interpreted as prohibiting or limiting a third party from requiring the named agent to furnish a properly executed Agent's Certification and Acceptance of Authority, Successor Agent's Certification and Acceptance of Authority, or Co-Agent's Certification and Acceptance of Authority. Provides multiple reasons for which it shall be deemed reasonable cause for a third party to refuse to honor a power of attorney for property.

Provides that the registration process shall be available to all Adult Use Dispensing Organization Social Equity Licenses within 30 days of the issuance of the Adult Use Dispensing Organization Social Equity License. Amends the Cannabis Regulation and Tax Act. Defines "Adult Use Dispensing Organization Social Equity License". In the findings provisions of the Social Equity in the Cannabis Industry Article of the Act, provides that the General Assembly also finds and recognizes that the dispensaries established under the Compassionate Use of Medical Cannabis Program Act enacted in 2014 have inadvertently placed those dispensaries with an Adult Use Dispensing Organization Social Equity License at a competitive disadvantage. Provides that this competitive imbalance stems primarily from the established dispensaries' existing market presence and their capacity to sell cannabis to a well-established medical patient base at lower prices, a benefit derived from the exemption of certain taxes applicable to medical cannabis sales.

Provides that the Illinois Labor Relations Board shall determine whether refusing to bargain collectively in good faith with a labor organization that is the exclusive representative of public employees in an appropriate unit, including, but not limited to, the discussing of grievances with the exclusive representative, was of a serious enough nature that it undermined or significantly impacted the collective bargaining process such that other traditional remedies may not remedy the violation if the Board is unable to order a make-whole remedy. 105 ILCS 302/1

Amends the College and Career Success for All Students Act. Makes a technical change in a Section concerning the short title.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

RACIAL IMPACT NOTE (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

FISCAL NOTE (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the

board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance.

Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.
