## FOREWORD

The Digest is published by the Legislative Reference Bureau. It is prepared for print through the computer services of the Legislative Information System and is printed by the Legislative Printing Unit.

The format of the Digest includes synopses of bills and resolutions pending in the House of Representatives and the Senate and indices by statute reference, subject matter, and sponsor.

The Digest is published periodically during the time the General Assembly is in Session. It is available by subscription through the Legislative Reference Bureau for \$55.00 per calendar year.

A synopsis contained in the Digest does not purport to be an analysis of the bill described. It is intended to give only sufficient information concerning the subject matter so that the reader may determine whether he or she is interested in examining the bill to determine its full content and effect.

Amends the Highway Advertising Control Act of 1971. Defines "sign" as any outdoor sign, display, device, notice, figure painting, drawing, message, placard, poster, billboard, or other thing, which is operated or owned by a person or entity where any person or entity is paying or earning remuneration directly or indirectly for (i) the existence or placement of the outdoor sign or (ii) the placement of the message on the outdoor sign (rather than any outdoor sign which is designated, intended, or used to advertise or inform, and of which any part of the existing or intended advertising or informative content) is capable of being visible from any place on the main-traveled way of any portion of any Interstate or primary highway and which is within 660 feet of the nearest edge of the right-of-way of such highway. Provides that for purposes of the definition of "erect", attaching a vinyl substrate medium to a sign structure or wall surface shall constitute normal maintenance or repair of a sign or sign structure. Defines "remuneration". Removes the definitions of "on premise sign", "off premise sign", and "real estate sign". Removes language providing that registration must be made of each sign and shall be accompanied by a registration fee of \$5. Removes provisions concerning directional and other official signs, real estate signs, on premise signs, off premise signs, and signs affixed by public utilities. Makes corresponding changes. Effective immediately.

**SENATE FLOOR AMENDMENT NO. 1**

Adds reference to:  
225 ILCS 440/6.04 rep.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "sign" means any outdoor sign, display, device, notice, figure painting, drawing, message, placard, poster, billboard, or other thing, which is designed (rather than designated), intended, or used to advertise or inform, and of which any part of the existing or intended advertising or informative contents is or will be visible from any place on the main-traveled way of a controlled portion (rather than any portion) of an Interstate or primary highway and which is adjacent to and within 660 feet (rather than within 660 feet) of the nearest edge of the right-of-way of such highway, and where the sign is operated or owned by a person or entity earning remuneration directly or indirectly for (i) the existence or placement of the outdoor sign or (ii) the placement of the message on the outdoor sign. Provides that the definition of "erect" does not include the attachment of a vinyl substrate to a sign that was permitted or registered to display, in another medium, advertising or other information and that does not cause a substantial change or

modification that would terminate nonconforming rights. Provides that the Department of Transportation shall accord lawful status to the registered sign at issue in the decision of the Illinois Appellate Court captioned as Image Media Advertising, Inc., v. Illinois Department of Transportation, No. 1-20-0830. Provides that the Department shall also allow for the continued usage of that sign by the owner of the building or its authorized agent without requiring a new permit or registration. Makes other changes. Effective immediately.

#### SENATE FLOOR AMENDMENT NO. 2

Provides that the Department of Transportation shall accord lawful status to a previously permitted or registered sign that was a painted display on a wall or wall surface (but not a separate wall structure) of a building and that lost its lawful status because a court of competent jurisdiction through a final and non-appealable order determined that the attachment of a vinyl substrate to the wall or wall surface constituted the erection of a new sign and not normal maintenance. Provides that the Department shall also allow for the continued usage of that sign by the owner of the building or its authorized agent without requiring a new permit or registration.

#### HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

225 ILCS 440/14.2 new

Provides that the definition of "erect" does not include the attachment of a vinyl substrate to a sign that was permitted or registered to display, in another medium, advertising or other information and such attachment does not cause a substantial change or modification that would terminate nonconforming rights. Provides that the changes to the definition of "erect" are intended to be retroactive and apply to any permitted or registered sign in operation on or after January 1, 1999, and in operation as of the effective date of the amendatory Act that attached a vinyl substrate to a sign that was permitted or registered to display, in another medium, advertising or other information. Further amends the Highway Advertising Control Act of 1971. Provides that a previously registered sign that was a painted display on a wall or wall surface (but not a separate wall structure) of a building and that lost its lawful status because an Illinois court of competent jurisdiction determined through a final and non-appealable order that the attachment of a vinyl substrate to the wall or wall surface constituted the erection of a new sign and not normal maintenance and repair is validated as a lawful registered sign under the Act, including all rights regarding size, spacing, illumination, and alienability. Provides that the Department of Transportation must accord lawful status to the registered sign and must allow for the continued operation of that sign by the owner of the sign or its successor in interest without requiring a new registration or permit.

70 ILCS 1816/15

Replaces everything after the enacting clause. Amends the Illinois Waterway Ports Commission Act. Provides that each chairperson of the Seneca Regional Port District, the Ottawa Port District, the Illinois Valley Regional Port District, the Heart of Illinois Regional Port District, and the Havana Port District shall appoint a member to the Illinois Waterway Ports Commission (rather than a board member from each of those districts shall be appointed by the chairperson of those district boards to the Commission). Provides that one of the Commission's duties is to coordinate and synchronize common efforts and initiatives within the areas over which it has jurisdiction under this Act (removing language providing that this duty is in order to enhance the reporting and benefits of statistical data). Allows the Commission to acquire, purchase, install, lease, construct, own, hold, maintain, equip, use, control, or operate specified port-related facilities required or incidental to the construction, outfitting, dry docking, or repair of ships or vessels, or water, air, or rail terminals, or roadways or approaches to the facilities or other necessary port-related structures or facilities. Prohibits the Commission from exercising control over the operation of port districts established by any other law of the State, except by voluntary agreement between the port district and the Commission. Allows the Commission to enhance the reporting and benefits of statistical data as it relates to its duties or powers. Effective immediately.

## SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

50 ILCS 50/1

Adds reference to:

55 ILCS 5/3-5010

from Ch. 34, par. 3-5010

55 ILCS 5/3-5018.2

Replaces everything after the enacting clause. Amends the Recorder Division of the Counties Code. Provides that, in counties of 500,000 or more inhabitants, the recorder may microphotograph or otherwise reproduce on film or store electronically instruments (rather than may microphotograph or otherwise reproduce on film instruments) in the manner provided by law. In provisions concerning predictable fee schedules for recordings in first and second class counties, provides that fees of the recorder for recording deeds or other instruments in writing and maps of plats of additions, subdivisions, or otherwise and for certifying copies of records shall not be based on units, but allows a county to adopt an ordinance and publish in its fee schedule an additional fee or formula for a document that makes specific reference to more than 5 tax parcels, units, property identification numbers, or document numbers. Allows the county board to increase, by ordinance or resolution, the fees allowed in the predictable fee schedule if the increase is justified by an acceptable cost study or internal analysis with a minimum of 3 years showing that the fees allowed by this Section are not sufficient to cover the cost of providing the service. Requires a statement of the cost of providing each service, program, and activity to be prepared by the county board and that all supporting documents to the statement are public record and subject to public examination and audit. Provides that all direct and indirect costs may be included in the determination of the costs of each service, program, and activity. Changes references to "irregular documents" to "nonstandard documents". Allows a county board to charge an additional minimum \$3 automation fee for every filing to defray the cost of converting the recorder's document storage system to computers or micrographics and in order to defray the cost of providing access to records through the Internet and \$3 GIS fee for a county's geographic information system, specifying how the moneys may be used. Makes other changes.

Adds reference to:

215 ILCS 5/408 from Ch. 73, par. 1020

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the Illinois Insurance Code. Provides that at a pre-examination conference, the Director of Insurance or authorized market conduct surveillance personnel shall disclose the basis of the examination. Provides that the Director may give a company or person an opportunity to resolve matters that are identified as a result of a market analysis to the Director's satisfaction before undertaking a market conduct action against the company or person. Provides that a failure to produce requested books, records, or documents by a deadline shall not be a violation until the later of specified deadlines. Provides that whenever the Department of Insurance has made substantive changes to a previously shared draft report, unless those changes remove part or all of an alleged violation or were proposed by the examinee, the Department shall deliver the revised version to the examinee as a new draft and shall allow the examinee 30 days to respond before the Department issues a final report. Provides that no corrective action shall be ordered with respect to violations in transactions with consumers or other entities that are isolated occurrences or that occur with such low frequency as to fall below a reasonable margin of error. Provides that the Director may make the results of a data call available for public inspection under certain circumstances. Provides that any failure to respond to an information request in a market conduct action or violation of specified provisions may carry a fine of up to \$1,000 per day up to a maximum of \$50,000. Authorizes the Director to order a penalty of up to \$2,000 (rather than \$3,000) for each violation of any law, rule, or prior lawful order of the Director. Removes language providing that if an examination report finds a violation by the examinee that the report is unable to quantify such as an operational policy or procedure that conflicts with applicable law, then the Director may order a penalty of up to \$10,000 for that violation. Provides that fines and penalties shall be consistent, reasonable, and justifiable, and the Director may consider reasonable criteria including, but not limited to, the examinee's size, consumer harm, the intentionality of any violations, or remedial actions already undertaken by the examinee. Provides that the Director shall communicate to the examinee the basis for any assessed fine or penalty. In a provision requiring examinees to pay for the expenses of a market conduct examination, provides that the costs and fees incurred in a market conduct examination shall be itemized and bills shall be provided to the examinee on a monthly basis for review prior to submission for payment. Makes other changes. Effective January 1, 2025 (rather than

Amends the Illinois Pension Code. In provisions authorizing certain persons to transfer service credit from IMRF to a downstate police pension fund, makes technical and combining changes to conform the changes made by Public Act 102-857 and Public Act 102-1061. Removes a restrictive date on the transfer of that service credit. Authorizes investigators for the Secretary of State and conservation police officers to transfer that service credit. In the State Employee Article, provides that beginning on the effective date of the amendatory Act through the end of the 60th month after the effective date of the amendatory Act, a State policeman who earns a retirement annuity equal to the limitation specified under the alternative

retirement annuity provisions may elect to begin his or her retirement annuity effective on the month he or she first earned that retirement annuity at the amount so limited or the effective date of the amendatory Act, whichever is later. Provides that a State policeman who makes such an election must first pay to the System an amount equal to the increase in the present value of the future benefits resulting from the State policeman's election to retire in accordance with the provisions. Provides that a State policeman or conservation police officer may elect to convert service credit earned under the Article or, for certain types of service, elect to establish eligible creditable service under the alternative retirement annuity provisions by filing a written election with the board and paying to the System a specified amount. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**SENATE COMMITTEE AMENDMENT NO. 1**

In provisions amending the Criminal Identification Act concerning time frames for filing a petition to expunge, provides that, in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, a petition for expungement may be filed 61 days or more before the anticipated dismissal of the case and, upon successful completion of the program and dismissal of the case, the court shall review the petition of the person graduating from the program and shall grant expungement if the petitioner meets all requirements as specified in any applicable statute. Makes grammatical changes and changes to cross-references. Adds an immediate effective date.

**SENATE FLOOR AMENDMENT NO. 2**

Replaces everything after the enacting clause with the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Corrects typographical errors in Senate Amendment No. 1 in the placement of provisions relating to the time frame for filing a petition to expunge in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, and provides that the petition may be filed 61 days before the anticipated dismissal of the case or any time thereafter (rather than 61 days or before the anticipated dismissal of the case). In the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act, provides that a participant may file a petition to expunge the associated records pursuant to the Criminal Identification Act, including filing a petition in advance of anticipated vacatur and dismissal (rather than file a petition to expunge vacated convictions and the associated underlying records under specified provisions of the Criminal Identification Act). Removes from those Acts a reference to filing the petition at least 61 days before the anticipated dismissal of a case. Effective immediately.

Replaces everything after the enacting clause. Amends the Mobile Home Landlord and Tenant Rights Act. Requires a mobile home park owner to provide written notice to the officers of the homeowners' association if the park is offered for sale including in the notice the price and terms and conditions of the sale. Provides that the mobile home owners, through their association, have the right to purchase the park if the association meets the terms of the contract within 60 days of the notice. Provides that if a contract has not been executed within that 60-day period, the park owner has no further obligations under this Act unless the owner thereafter offers the park for sale at a materially lower price than the price specified in the notice. Makes a number of exemptions to this requirement. Authorizes the park owner to record in the county in which the park is located an affidavit that the owner has complied with the Act's requirements. Requires that if the homeowners wish to exercise the rights under this Act, they must form an association that must be a corporation or a not-for-profit corporation with the written consent of two-thirds of all of the mobile home owners. Makes requirements for matters to be included in the homeowners' association's articles of incorporation, bylaws, and power and duties. Makes other changes.

Adds reference to:

70 ILCS 1005/8 from Ch. 111 1/2, par. 81

In provisions about the powers of the board of trustees of a mosquito abatement district, provides that the board has powers relating to the surveillance and monitoring of ticks and the surveillance, monitoring, and extermination of mosquitoes and rats (rather than, in the introduced bill, the surveillance, monitoring, and extermination of mosquitoes, flies, ticks, and vectors). Further amends the Mosquito Abatement District Act. Provides that the board of trustees of a mosquito abatement district, or its designee, for the limited purposes of cooperation with the Department of Public Health, shall conduct routine surveillance of Department-identified vectors (rather than mosquitoes) to detect the presence of vector-borne diseases (rather than mosquito-borne diseases) of public health significance. Limits the scope of the surveillance, and requires a mosquito abatement district, or its designee, to notify a forest preserve district or conservation district prior to or within 48 hours after accessing the respective forest preserve district's or conservation district's land for surveillance required by the Department. Requires the district to report to the Department of Public Health, in addition to the local certified public health department, the results of any positive mosquito, tick, or vector (rather than mosquito) samples infected with arboviral or bacterial infections (rather than arboviral infections). Requires the report to include the number of vectors (rather than mosquitoes) collected in the trapping device. Expands an illustrative list of arboviral or bacterial infections. Modifies the new definition of "vector" in the introduced bill and moves the definition into the provisions concerning surveillance of vectors.
