Amends the Illinois Insurance Code. In a provision concerning coverage for mammograms, provides that if a woman's physician has ordered the patient to receive breast tomosynthesis

Provides that if the results of a woman's first 2-dimensional mammogram screening determine that the patient has high breast density, coverage of breast tomosynthesis shall be provided at no cost to the insured, regardless of whether the breast tomosynthesis and 2-dimensional mammogram occurs within the same calendar year, coverage year, or 365-day period.

care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3 from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

FISCAL NOTE (Illinois Pollution Control Board)

House Bill 4651 will have no impact on state expenditures but does have the potential to increase revenue. Since the per filing fee will increase from \$75 to \$250 each, this

will increase the revenue collected per filing. Based on the current trend of ten(10) filings per year, the increase in the per filing fee would collect an additional \$1,750 in state revenue per fiscal year.

Amends the Department of Human Services Act. Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Provides that to be eligible to participate in the Child Care Collaboration Program a provider must meet certain eligibility requirements, including: (i) be a profit or nonprofit early childhood center or licensed family child care home; (ii) receive or be eligible to receive child care assistance funding; and (iii) be a part of an existing or pending collaborative arrangement with a Head Start or Early Head Start Program or with a pre-kindergarten program funded by the Illinois State Board of Education through the Early Childhood Block Grant. Sets forth approvable models of collaboration and application requirements for providers seeking approval of their existing or proposed child care collaboration program. Provides that each eligible provider that receives Department approval of its existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the program. Provides that a family's eligibility for collaboration services under the approved child care collaboration program shall be determined in accordance with all current child care rules, with certain exceptions, including, but not limited to: (1) a family's eligibility period for collaboration services shall be up to 36 months to coincide with the family's eligibility for a Head Start or Early Head Start Program or an early childhood or preschool program funded through the Early Childhood Block Grant; and (2) no child care co-payments shall be assigned or collected from the family. Effective immediately.

215 ILCS 5/355d new

Amends the Illinois Insurance Code. Provides that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Provides that a dental service contractor shall not recoup a claim solely due to a loss of coverage for a patient or ineligibility if, at the time of treatment, the dental service contractor erroneously confirmed coverage and eligibility, but had sufficient information available to the dental service contractor indicating that the patient was no longer covered or was ineligible for coverage. Prohibits waiver of the provisions by contract.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

215 ILCS 5/355.4

215 ILCS 130/4003

215 ILCS 165/10

from Ch. 73, par. 1504-3

from Ch. 32, par. 604

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change in the definition of "prior authorization". Defines "dental carrier" as an insurer, dental service corporation, insurance network leasing company, or any company that offers individual or group policies of accident and health insurance that provide coverage for dental services. Changes references from "dental service contractor" and "insurer" to "dental carrier". Provides that beginning on the effective date of the amendatory Act, a dental carrier shall not deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Removes language providing that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Further amends the Illinois Insurance Code. In a provision requiring contracting entities to provide notification before any scheduled assignment or lease of the network to which the provider is a contracted provider, requires the notification to provide the specific URL address where the following are located: all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access (instead of the notification including all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access). Requires the notification to provide instructions for how the provider may obtain a copy of those materials. Amends the Limited Health Service Organization Act and Voluntary Health Services Plans Act to make conforming changes.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that any contractual agreement entered into or amended, delivered, issued, or renewed on or after the effective date of the amendatory Act that is in conflict with the provisions (instead of any contractual agreement that is in conflict with the provisions) or that purports to waive any requirement of the provisions is null and void.

Amends the Right of Publicity Act. Grants additional enforcement rights and remedies to recording artists. Provides for the liability of any person who materially contributes to, induces, or otherwise facilitates a violation of a specified provision of the Act by another party after having reason to know that the other party is in violation. Defines "artificial intelligence" and "generative artificial intelligence". Changes the definition of "commercial purpose" and "identity".

HOUSE COMMITTEE AMENDMENT NO. 1

In a subsection concerning enforcement of rights and remedies by recording artists, limits reference to "enforcement of rights and remedies" (rather than "exercise and enforcement of rights and remedies").

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Amends the State Treasurer Act. Provides that the State Treasurer may establish and administer a non-profit investment pool to supplement and enhance investment opportunities otherwise available to not-for-profit corporations in the State. Provides that the Treasurer may receive funds paid into the pool for the purpose of holding and investing those funds. Provides for surety bonds payable to not-for-profit corporations who participate in the pool. Makes changes to provisions concerning the direct deposit of State payments. Amends the Accountability for the Investment of Public Funds Act. Provides that the Treasurer shall adopt rules for the efficient administration of the pool. Provides that each State agency shall make available on the Internet, and update at least monthly, no later than the end of each month (rather than by the 15th of the month), sufficient information concerning the investment of any public funds held by that State agency to identify specified information. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the State Treasurer may establish and administer a non-profit investment pool and an electronic payments processing program (rather than a non-profit investment pool). Provides that the Treasurer may receive funds paid into the non-profit investment pool by a not-for-profit corporation that is exempt from taxation under Section 501(c)(3) or 501(c)(12) of the Internal Revenue Code (rather than Section 501(c) of the Internal Revenue Code). Corrects a grammatical error.

FISCAL NOTE (Office of the Treasurer)

The Treasurer's Office does not anticipate the need for additional staff for the investment pool for 501(c) non-profit organizations. The costs for the investment pool will be paid for entirely by fees. Start-up costs will be absorbed by the existing budget. No dollar amount estimate is possible but is believed to be minimal.

Amends the Illinois Act on the Aging. In a provision requiring the Department on Aging to require an annual audit from all personal assistant and home care aide vendors contracting with the Department, provides that the annual audit shall assure that each audited vendor's procedures are in compliance with the Department's financial reporting guidelines requiring an 80% or higher employee wage and benefits cost split and an administrative cost split of no more than 20% (rather than an administrative and employee wage and benefits cost split as defined in administrative rules). Provides that subject to federal approval, on and after January 1, 2025, rates for homemaker services shall be increased to \$32.75 to sustain a minimum wage of \$20 per hour for direct service workers. Provides that rates in subsequent State fiscal years shall be no lower than \$32.75 upon federal approval. Requires providers of in-home services to be required to certify to the Department that they remain in compliance with the mandated wage increase for direct service workers. Provides that fringe benefits, including, but not limited to, paid time off and payment for training, health insurance, travel, or transportation, shall not be reduced in relation to the rate increases. Provides that subject to federal approval, on and after January 1, 2025, the Department shall pay a rate add-on under the Community Care Program to those in-home service provider agencies that attest and document their direct service workers attend paid, quarterly, in-person training sessions to fulfill the in-service training requirements. Provides that the add-on shall be 1% of the homemaker services rate. Requires the Department to adopt rules.

Amends the Department of Human Services Act. In provisions concerning the Women, Infants, and Children (WIC) Nutrition Program, removes a provision requiring the Department of Human Services to report quarterly to the Governor and the General Assembly on the status of obligations and expenditures of the WIC nutrition program appropriation and make recommendations on actions necessary to expend all available federal funds. Amends the Administration Article of the Illinois Public Aid Code. In provisions requiring the Department of Human Services to enter into intergovernmental agreements with the Illinois Department of Corrections, the Cook County Department of Corrections, and the office of the sheriff of every other county, removes a requirement that the Department conduct monthly exchanges of information with the specified agencies in order to determine if an assistance unit receiving public aid includes an individual who is an inmate of a correctional institution, facility, or jail. Removes a requirement that the Department of Human Services exchange information with the office of the sheriff of every county and instead requires the Department to exchange information with the office of the sheriff to the extent available. Requires the Department to review each individual prior to authorizing benefits at application and redetermination to verify eligibility for benefits under the Code (rather than requiring the Department to review each month the entire list of individuals generated by the monthly exchange and verify the eligibility for benefits under the Code for each individual on the list).

725 ILCS 5/109-1 from Ch. 38, par. 109-1

Amends the Code of Criminal Procedure of 1963. Provides that law enforcement shall issue a citation in lieu of custodial arrest, upon proper identification, for those accused of any offense that is not a felony or Class A or B misdemeanor (rather than any offense that is not a felony or Class A misdemeanor) unless (i) a law enforcement officer reasonably believes the accused poses a threat to the community or any person, (ii) a custodial arrest is necessary

because the criminal activity persists after the issuance of a citation, or (iii) the accused has an obvious medical or mental health issue that poses a risk to the accused's own safety. Provides that nothing in this provision requires arrest in the case of Class A or B (rather than a Class A) misdemeanor and felony offenses, or otherwise limits existing law enforcement discretion to decline to effect a custodial arrest.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Deletes reference to:

305 ILCS 5/5-18.10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

**HOUSE COMMITTEE AMENDMENT NO. 2**

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from

eligibility for a health savings account.

FISCAL NOTE (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls (complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

HOUSE FLOOR AMENDMENT NO. 5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Amends the Code of Civil Procedure. Changes the notice requirements in the Eviction Article for terminating tenancy. Deletes the current requirement that a notice to terminate tenancy from year to year may be given at any time within the last 4 months preceding the last 60 days of the year. Deletes the provisions that the tenant is required to surrender possession and no notice to quit or demand of possession is necessary if the tenancy is for a certain period and the term expires by the terms of the lease. Creates requirements for notice of termination of a residential lease. For any residential tenancy of less than 6 months, the landlord shall notify the tenant in writing at least 30 days before the stated termination date of the rental agreement of the landlord's intent to terminate a periodic tenancy, not renew a fixed-term rental agreement, or increase the rental rate. Provides that, if the landlord fails to give the required written notice, the tenant may remain in the dwelling unit for up to 60 days after the date on which written notice is given to the tenant. Provides that during this occupancy, the terms and conditions of the tenancy remain the same unless rent was waived or abated in the preceding month or months as part of the original rental agreement; if so, the rental amount during this 60-day period shall be at the rate established on the last date that a full rent payment was made. Makes similar changes to a tenancy of longer duration. Provides that the changes for notice of termination of a residential lease do not apply to any existing rental agreement that expires less than 90 days after the effective date of the amendatory Act. Amends the Landlord and Tenant Act. Provides that a tenant of a residential property may not be charged a nonrefundable fee as a condition for lawfully possessing a rental property. Requires a landlord of residential property to provide electronic or wire transfer as an option to a tenant for the return of the tenant's security deposit or the portion of the security deposit to which the tenant is entitled.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

20 ILCS 2310/2310-730 new

Removes all of the provisions of the Nonopioid Alternatives for Pain Act except for the provisions requiring the Department of Public Health to develop and publish on its website an educational pamphlet regarding the use of nonopioid alternatives for the treatment of acute nonoperative, acute perioperative, subacute, or chronic pain. Moves those provisions to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. In provisions amending the Illinois Insurance Code and the Illinois Public Aid Code, removes language providing that the provisions apply to a nonopioid drug immediately upon its approval by the U.S. Food and Drug Administration. Provides that the Department of Healthcare and Family Services shall ensure that nonopioid drugs preferred on the Department's preferred drug list, and approved by the U.S. Food and Drug Administration, for the treatment or management of pain shall not be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain (instead of with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization). Removes language concerning the applicability of the provisions to drugs provided under a contract between the Department and a managed care organization. Provides that the changes to the Illinois Insurance Code and the Illinois Public Aid Code are effective January 1, 2026.

**BALANCED BUDGET NOTE (Office of Management and Budget)**

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation

that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

FISCAL NOTE (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

Deletes reference to:

20 ILCS 2305/6.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Deletes references to the role of HIV Treatment Innovation Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Amends the AIDS Confidentiality Act. Defines "conditional approval" to mean Illinois ADAP approval within one business day after submission of documentation of Illinois residency, Program Agreement form, and attestation of remaining eligibility requirements (instead of approval within 24 hours after submission of the materials). Deletes requirement that an applicant seeking conditional approval must document resident in the State. Provides that the Department of Public Health shall establish one Rapid Start for HIV Treatment pilot site per HIV Care Connect Region (instead of 8 pilot sites throughout the State). Provides that the Department may implement the pilot program in accordance with industry standards informed by the most current Health Resources and Services Administration guidance on HIV care and treatment (in addition to the most current Centers for Disease Control and Prevention guidance). Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.

55 ILCS 5/5-21001 from Ch. 34, par. 5-21001

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

**HOUSE COMMITTEE AMENDMENT NO. 1**

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional

requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Provides that the Secretary may, in accordance with the Illinois Administrative Procedure Act, adopt reasonable rules with respect to the administration and enforcement of any Act the administration of which is vested in the Division (rather than providing the Division and the Secretary of the Department of Financial and Professional Regulation with certain rulemaking authority). In provisions concerning charges permitted, provides that every licensee may lend a principal amount not exceeding \$40,000 and may charge, contract for and receive thereon an annual percentage rate of no more than 36% (rather than charges at an annual percentage rate of no more than 36%), subject to the provisions of the Act.
