Creates the Food Truck Freedom Act. Provides that a unit of local government may not require a separate license, permit, or fee beyond an initial or reciprocal business license for a food truck business. Contains provisions regarding reciprocal business licenses issued to food truck businesses by different units of local government or local health departments. Contains prohibitions against units of local governments or local health departments from imposing additional license qualification requirements on a food truck business before issuing licenses. Requires food truck businesses to obtain, for each food truck that the food truck business operates, an annual health department food truck permit from the local health department with jurisdiction over the area in which the majority of the food truck's operations takes place. Includes provisions relating to food truck events and food trucks at temporary mass gatherings. Contains other provisions. Effective January 1, 2024.

New Act

Creates the Infant Born Alive Protection Act. Provides that any physician who intentionally performs an abortion when there is a reasonable likelihood or possibility of sustained survival of the fetus outside the womb shall utilize the method most likely to preserve the life and health of the fetus, and that failure to do so is a Class 3 felony. Prohibits the performance or inducement of an abortion when the fetus is viable unless there is in attendance a physician other than the physician performing or inducing the abortion who shall take control of and provide immediate medical care for any child born alive as a result of the abortion. Provides

that any living individual organism of the species homo sapiens who has been born alive is legally an individual under the Criminal Code of 2012. Provides that a Class 3 felony is committed when a physician under specified circumstances intentionally, knowingly, or recklessly fails to exercise the same conduct to preserve the life and health of a child as would be required for a child born alive at the same gestational age. Provides that nothing in the Act requires a physician to employ a method of abortion which, in the medical judgment of the physician, would increase medical risk to the mother. Except in specified circumstances, requires specified persons to inform a woman upon whom an abortion is to be performed when an anesthetic or analgesic is available for use to abolish or alleviate organic pain caused to the fetus by the particular method of abortion to be employed and provides that failure to do so is a Class B misdemeanor.

Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

#### HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

#### HOUSE COMMITTEE AMENDMENT NO. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

#### HOUSE COMMITTEE AMENDMENT NO. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

Provides that any person may report information about the suspicious death of an eligible adult to an agency designated to receive such reports or to the Department on Aging. Provides that if a mandated reporter has reason to believe that the death of an eligible adult is the result of abuse or neglect, the matter shall be reported to the agency designated to receive such reports or to the Department for subsequent referral to the appropriate law enforcement agency and coroner or medical examiner. Prohibits employers from discriminating against any employee who makes a good faith oral or written report concerning information about the suspicious death of an eligible adult. Contains provisions concerning the required testimony of a mandated reporter at an administrative hearing concerning the suspicious death of an eligible adult; the referral of evidence to the appropriate law enforcement agency; access to records concerning reports of suspicious deaths due to abuse, neglect, or financial exploitation; and other matters. Makes changes to the definitions of "abuser", "abuser", and "mandated reporter". Defines "investment advisor". Effective January 1, 2024.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Adult Protective Services Act. In a provision granting specified persons access to records related to reports of abuse or neglect or the suspicious deaths of persons protected under the Act, provides that a probate court with jurisdiction over the guardianship of an alleged victim shall have access to such records, upon request, for an in camera inspection (rather than a court or a guardian ad litem, upon its or his or her finding that access to such records may be necessary for the determination of an issue before the court). Removes language granting a guardian ad litem access to such records in cases regarding self-neglect and instead grants access to a guardian ad litem, unless such guardian ad litem is the abuser or alleged abuser.

Amends the Illinois Public Labor Relations Act. Modifies the definitions of "supervisor" and "unit". In the definition of "supervisor", specifies that the authority to assign is not an indication of supervisory status. In the definition of "unit", prohibits a unit from including (i) employees and managerial employees or (ii) managerial employees only. Amends the Cemetery Care Act. Defines "average fair market value", "total return percentage", and "net income". Provides that a trustee may apply to the Comptroller to establish a master trust fund in which deposits are made. Allows a cemetery authority to take distributions from its fund either by distributing ordinary income or total return distribution. Requires an application for the implementation of the total return distribution method to be submitted to the Comptroller at least 120 days before the effective date of the election to receive total return distribution. Allows, where no receiver is available, a circuit court to order a willing local municipality, township, county, or city to take over the cemetery. Repeals a provision regarding the use of care funds. Makes other changes.

Provides that any person doing business in this State, or any cemetery, crematory, funeral establishment, corporation, partnership, joint venture, voluntary organization, or any other entity, may erect, maintain, and operate a natural organic reduction facility in the State and provide the necessary appliances and facilities for the natural organic reduction of human remains in accordance with the Act. Provides that an individual or a person, cemetery, crematory, funeral establishment, corporation,

partnership, joint venture, voluntary organization, or other entity may reduce human remains only in a natural organic reduction facility operated by a disposition authority licensed for this purpose and only under the limitations provided in the Act. Provides for: grounds for denial or discipline; surrender of a license; license, display, transfer; authorizing agent; authorization for natural organic reduction; performance of natural organic reduction services, training; recordkeeping; natural organic reduction procedures; disposition of reduced human remains; limitation of liability; hazardous implants; penalties; failure to file an annual report; injunctive action, cease and desist order; service of notice; investigations, notice and hearing; compelling testimony; administrative review, venue, certification of record, costs; and preneed of natural organic reduction arrangements.

HOUSE FLOOR AMENDMENT NO. 1

Provides that applications for licensure as a disposition authority shall be accompanied by a fee of \$100 (instead of \$250) and that renewal fees are \$100 (instead of \$250). Provides that each disposition authority shall file an annual report with the Comptroller, accompanied with a \$25 fee plus \$5 (instead of \$15) for each natural organic reduction performed that calendar year. Specifies that the \$25 annual report fee shall be deposited into the Comptroller's Administrative Fund, and the \$5 fee for each natural organic reduction performed shall be deposited into the Cemetery Consumer Protection Fund. Removes language providing that the delivery of the reduced human remains may be made in person or by registered mail. Makes a grammatical correction.

Requires the natural organic reduction facility to have a ventilation system. Requires the reduction facility to meet or exceed requirements set by the federal Centers for Disease Control and Prevention (rather than standards set by the Department of Public Health and the Centers for Disease Control and Prevention). Specifies that certain chemical analyses are to be performed by a laboratory accredited by the Illinois Environmental Protection Agency's Environmental Laboratory Accreditation Program. Provides that, in the case of an event where the health of the public may be at risk or there are signs at a facility of a potential health hazard, the Illinois Department of Public Health shall be consulted to assess the natural organic reduction facility. Makes other technical changes. Effective January 1, 2025.

Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that the court's finding that there is probable cause that the minor is abused or neglected cannot be based solely on domestic violence against the parent, guardian, or custodian, even if the domestic violence occurred in the presence of the minor. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. 30 ILCS 105/5.991 new

Provides that the provisions do not apply to a credit union (rather than an insured depository credit union) organized under specified laws with member share accounts (rather than deposits) insured by an insurer approved by the credit union's primary financial regulatory agency (rather than primary regulator). Makes changes in the definitions of "digital asset", "digital asset administration", "exchange", "fiat currency", and "transfer". Defines "prepaid card". Provides that the provisions do not apply to the exchange, transfer, or storage of a digital asset or to digital asset administration to the extent that specified law governs the activity as a contract of a sale of a commodity for future delivery or a swap. Provides that the provisions shall be construed in a manner consistent with affording the greatest protection to residents, and shall not be construed to exempt an activity solely because a financial regulatory agency has anti-fraud and anti-manipulation enforcement authority over the activity. Provides that the provisions do not apply to a credit union with member share accounts insured by an insurer approved by the credit union's primary financial regulatory agency. Provides that the Department of Financial and Professional Regulation may by rule or order clarify whether an activity is governed by specified provisions. Provides that notwithstanding any other provision, the Department, by rule or order, may conditionally or unconditionally exempt any person, digital asset, or transaction, or any class or classes of persons, digital assets, or transactions, from any provision or any rule thereunder, to the extent that the exemption is necessary or appropriate in the public interest and is consistent with the protection of residents. Provides that the Digital Assets Regulation Fund is created as a special fund in the State Treasury (rather than the Fund is only created). Removes provisions concerning the TOMA Consumer Protection Fund.

30 ILCS 805/8.47 new

Amends the Illinois Pension Code. Provides that a security employee of the Department of Corrections or the Department of Juvenile Justice under the Tier 2 provisions is entitled to an annuity calculated under the alternative retirement formula, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55 (instead of age 60). With regard to Tier 2 members and participants under the Illinois Municipal Retirement Fund (IMRF), Chicago Municipal, Cook County, State Employees, and State Universities Article: changes the retirement age to age 60 with 20 years of service or age 67 with 10 years of service; changes the final average salary calculation to the total salary during the 60 months (instead of 96 months) of service within the last 120 months of service in which the total salary was the highest; rescinds an election for certain benefits for persons under the Chicago Municipal Article; provides that the automatic annual increase in retirement annuity shall be calculated at 3% or one-half the annual unadjusted increase in the consumer-price index-u, whichever is greater (instead of whichever is less) of the originally granted retirement annuity; and makes other changes. Provides that the changes made by the amendatory Act are intended to be retroactive to January 1, 2011 and are applicable without regard to whether a member or participant was in active service on or after the effective date. Amends the State Mandates Act to require implementation without reimbursement.

Amends the Illinois Pension Code. Provides that a security employee of the Department of Corrections or the Department of Juvenile Justice under the Tier 2 provisions is entitled to an annuity calculated under the alternative retirement formula, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55 (instead of age 60). With regard to Tier 2 members and participants under the Illinois Municipal Retirement Fund (IMRF), Chicago Municipal, Cook County, State Employees, and State Universities Article: changes the retirement age to age 60 with 20 years of service or age 67 with 10 years of service; rescinds an election for certain benefits for persons under the Chicago Municipal Article; provides that any retirement annuity or supplemental annuity shall be subject to annual increases on January 1 in the manner and with the same eligibility requirements provided for members or participants under the applicable Article who first became members or participants in that Article before January 1, 2011; and makes other changes. Provides that the changes made by the amendatory Act are intended to be retroactive to January 1, 2011 and are applicable without regard to whether a member or participant was in active service on or after the effective date. Authorizes SLEP status under IMRF for a person who is a county correctional officer or probation officer. Amends the State Mandates Act to require implementation without reimbursement.

**PENSION NOTE (Government Forecasting & Accountability)**

According to the State Employees Retirement System (SERS), reducing the Tier 2 alternative formula retirement age from 60 to 55 for security employees of the Departments of Corrections and Juvenile Justice would cause the overall accrued liability to increase by \$1.9 billion, with a corresponding increase to the State’s annual contribution of \$84 million/year. A comprehensive actuarial study would be needed to assess the impact of the other components of the bill: granting the Tier 2 COLA after one year of retirement, regardless of age; lowering the normal (non-police) Tier 2 retirement age; and adding Tier 1 and 2 county correctional officers and probation officers to the IMRF SLEP program.

Creates the Rent Control Act. Provides that no more than once every 12 months, upon a 90-day written notice, a landlord may increase the rent for a dwelling unit in which a tenant resides by a rate no greater than 15%. Provides that if the unit is vacant for more than 12 months, the

Provides that if a tenant is the first tenant to occupy a new dwelling unit, the 12-month period begins the first month in which the rental agreement states the tenant occupied the dwelling unit. Provides that if a new landlord purchases a dwelling or dwelling unit from a landlord with a current rental agreement, the new landlord is subject to the same restrictions as the former landlord and the new owner may only increase rent within the limits of the 12-month period previously established by the former landlord. Amends the Credit Services Organizations Act. Expands the list of prohibitions imposed on a credit services organization to include: (i) charging or receiving any money or other valuable consideration before providing services listed in the contract (rather than charging or receiving any money or other valuable consideration prior to full and complete performance of the services the credit services organization has agreed to perform); (ii) making a guarantee that a buyer's credit score or credit report will be improved through that buyer contracting with the credit services organization; (iii) adding an authorized user to a credit card account for payment of money or other valuable consideration; (iv) seeking an investigation by a third party of a trade line on a credit report without the authorization of the buyer; (v) failing to allow the buyer to cancel a contract with the credit services organization by phone call, email, text message, or a website; and other prohibitions as specified. Increases the amount of the levy that a district may initially levy upon formation of the district from .20% to .40%. Provides that districts organized before January 1, 2024 may, by ordinance or resolution, increase the tax rate authorized by their organizational proposition by up to .20% (but no more than a .40% tax rate in the aggregate, including the amount levied under the organization proposition). Provides that the aggregate amount of all district tax levies may not exceed .80% (with no more than .40% authorized by the organizational referendum and .40% authorized by an ambulance service tax referendum). Provides that the board of trustees of a district may fix, charge, and collect fees not exceeding the reasonable cost of the service for ambulance services rendered by the district within or outside of the district (rather than fix, charge, and collect fees against persons who are not residents of the district and against businesses and other entities that are not located within the district). Removes a provision setting fee amounts at a rate not to exceed \$250 per hour and not to exceed \$70 per hour per ambulance worker responding to a call for assistance. Provides that the fee that may be charged to reimburse the district for extraordinary expenses of materials used in rendering ambulance services may be up to the reasonable cost of the materials. Effective immediately.

Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with

the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if

practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

FISCAL NOTE (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

#### HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

#### HOUSE FLOOR AMENDMENT NO. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

Increases the penalties by 3 years for a minimum sentence and 10 years for a maximum sentence for the knowing manufacture or delivery or possession with intent to manufacture or deliver 15 grams or more of any substance containing fentanyl, or an analog thereof. Provides that the knowing manufacture or

Provides that excluding violations of the Act when the controlled substance is fentanyl, any person sentenced to a term of imprisonment with respect to violations of these provisions, controlled substance trafficking, calculated criminal drug conspiracy, criminal drug conspiracy, streetgang criminal drug conspiracy, or delivery of controlled substances to persons under 18 years of age or at truck stops, safety rest areas, or school, when the substance containing the controlled substance contains any amount of fentanyl, 6 (rather than 3) years shall be added to the term of imprisonment imposed by the court, and the maximum sentence for the offense shall be increased by 6 (rather than 3) years. With respect to the offense of controlled substance trafficking, if the substance trafficked contains any amount of fentanyl, a person convicted of controlled substance trafficking shall be sentenced to a term of imprisonment not less than 3 times the minimum term and fined an amount as authorized by this Act, based upon the amount of fentanyl brought or caused to be brought into the State, and not more than 3 times the maximum term of imprisonment and fined 3 times the amount as authorized by this Act, based upon the amount of fentanyl brought or caused to be brought into the State.

New Act

Creates the Uniform Cohabitants' Economic Remedies Act. Allows an individual who is or was a cohabitant to commence an action on a contractual or equitable claim that arises out of contributions to the relationship, including allowing an action to be commenced on behalf of or against a deceased cohabitant. Provides that a claim for breach of a cohabitants' agreement accrues on breach and may be commenced, within 5 or 10 years after it first accrues, during cohabitation or after termination of cohabitation. Includes instances when a cohabitants' agreement may be unenforceable or voidable. Allows a cohabitant to commence an equitable action against the other cohabitant concerning entitlement to property based on the contributions to the relationship, and such an action accrues on termination of cohabitation. Sets forth applicability, governing law, effect of a court order or judgment on a third party, principles of law and equity, uniformity of application and construction, relation to electronic signatures, and transitional provisions. Defines terms.

HOUSE FLOOR AMENDMENT NO. 2

Provides that a court order or judgment granting relief under the Act may not impair the right or interest of a cohabitant's spouse or surviving spouse to the cohabitant's property and is subordinate to any domestic support obligation arising from a marriage of a cohabitant to another person. Provides that this Act applies to a cohabitants' agreement made on or after the effective date of the Act and to an equitable claim under the Act that accrues on or after the effective date of the Act.
