20 ILCS 2310/2310-228 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department to establish and administer a nursing workforce database. Provides that the objective of establishing the database shall be the collection and analysis of data that is related to nursing and to the nursing workforce, so that conclusions may be drawn relating to current nursing supply, demand, and workforce concerns in the State and to future workforce projections and needs. Sets forth the information that must be contained in the database. Provides that no later than January 15, 2006, the Department shall submit a report to the Governor and members of the General Assembly regarding the development of the database and the effectiveness of its use.

**SENATE COMMITTEE AMENDMENT NO. 2**

Deletes everything after the enacting clause. Reinserts the text of the bill as introduced with the following changes: Provides that the database must be established and administered in consultation with the Illinois Coalition for Nursing Resources, the Illinois Nurses Association, and other nursing associations. Provides that the information compiled in the database must be available under the Freedom of Information Act. Sets forth different objectives for the database. Deletes a provision setting forth the specific information that must be contained in the database. Provides that the Department may not disclose any data that it compiles in a manner that would allow the identification of any particular health care professional or health care facility. Provides that nothing in this amendatory Act shall be construed as requiring any health care facility to file or submit any data, information, or reports to any State agency or department.

**FISCAL NOTE (Department of Public Health)**

The level of detail necessary to make the database and its information worthwhile requires the involvement of multiple researchers. Consideration might be given to a contractual relationship with the federally funded Center for Health Workforce Studies at the University of Illinois at Chicago. The center has an existing staff of researchers who specialize in health workforce issues. Identifying the cost of such a contractual relationship is difficult as the determination of specific information needed likely would require input from many individuals throughout the State who would use the data that are developed. For comparison purposes, studies completed in the 1990s by the University of Illinois College of Nursing that analyzed (with frequency counts and cross tabulations only) responses to questionnaires mailed with license renewal applications cost from \$75,000 to \$100,000. With the complexity and outcomes described in SB 2270, development of the data to quantify need for nurses and the associated nursing resources database might be expected to require \$500,000 or more.

**HOUSE AMENDMENT NO. 1**

Provides that the requirement to establish and administer the nursing workforce database is subject to appropriation.

**FISCAL NOTE (Department of Public Health)**

Senate Bill 2270, as amended by House Amendment 1, has no fiscal impact unless monies are appropriated by the General Assembly for this purpose.

 Adds reference to:  
 705 ILCS 35/2f-1

Deletes everything after the enacting clause. Amends the Circuit Courts Act. Provides that the number of associate judges in the 19th circuit on and after December 4, 2006 shall be no less than the number of associate judges residing in Lake County on March 22, 2004. Requires that an associate judge of a circuit reside in the circuit and continue to reside in that subcircuit as long as he or she holds that office. Provides that this residency requirement shall not apply to persons serving as associate judges on the effective date of this amendatory Act of the 93rd General Assembly. Provides that, on and after December 4, 2006 in the 19th circuit, associate

judgeships shall be allocated equally among the subcircuits. Provides that, if, after associate judgeships are allocated equally among the subcircuits, there are any remaining associate judgeships that have not been allocated to a subcircuit, those associate judgeships shall be filled at large from the entire circuit.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

705 ILCS 35/2f-4

705 ILCS 45/2

from Ch. 37, par. 160.2

Further amends the Circuit Courts Act and the Associate Judges Act. In the 12th judicial circuit (Will County), removes the conversion of 2 associate judgeships into residential subcircuit judgeships required by Public Act 93-541. HOUSE AMENDMENT NO. 1

705 ILCS 35/2f-5

Deletes everything after the enacting clause. Amends the Circuit Courts Act and the Associate Judges Act. Removes the February 1, 2004 deadline for the General Assembly to create subcircuits within the 12th (Will County), 19th (Lake County), and 22nd (McHenry County) judicial circuits. In the 12th judicial circuit (Will County), removes the conversion of 2 associate judgeships to resident subcircuit judgeships required by Public Act 93-541; creates 2 additional resident judgeships in that circuit for allotment as subcircuit judgeships. Provides that the 2 resident judgeships in the 12th judicial circuit created by this bill shall be filled beginning at the general election in 2008. Permits the additional resident judgeships created by Public Act 93-541 and this bill to be filled by appointment by the Supreme Court before election (rather than requiring the Supreme Court to fill the one additional resident judgeship created by Public Act 93-541 before the 2006 general election). Provides that on and after December 4, 2006, the minimum number of associate judges authorized for the 19th judicial circuit (Lake County) shall be 20 (rather than 14). Provides that when the Supreme Court on December 4, 2006 allocates associate judges between the 19th and 22nd circuits as required by Public Act 93-541, the allocation must be based on residency of the associate judges (rather than based on population of the circuits) and the 19th circuit must be allocated no fewer associate judges than resided in Lake County on March 22, 2004. Effective immediately.

Amends the Illinois Procurement Code. Requires that State contracts include the contractor's certification that services performed under the contract or a subcontract shall be performed within the United States. Requires the Procurement Policy Board to establish any exemptions. Requires that a contract be voided for violation of the certification if the chief procurement officer deems it to be in the best interest of the State.

**SENATE FLOOR AMENDMENT NO. 3**

Deletes everything. Amends the Illinois Procurement Code. Requires prospective vendors, prior to contracting or as a requirement of solicitation of any State contracts for services, to disclose in a statement of work any services under that contract and any subcontracts that are anticipated to be performed outside the United States. Authorizes the Chief Procurement Officer to consider the disclosure in awarding the contract or evaluating the bid or offer, provided that the consideration is not inconsistent with certain obligations. Requires the Department of Central Management Services to prepare and deliver to the General Assembly, no later than September 1, 2007, a report concerning the impact of outsourcing on the State's procurement that identifies contracts in which there was a disclosure that services were provided outside of the United States and a description and value of those services.

**HOUSE AMENDMENT NO. 1**

Deletes everything after the enacting clause. Amends the Illinois Procurement Code. Requires that State service contract bidders disclose where contract and subcontract work will be performed and whether work is anticipated to be performed outside the U.S. Permits the chief

procurement officer to consider the disclosures and the economic impact on the State in awarding a contract. Provides that if a contract was awarded on the basis of the disclosure that work would be performed domestically, the contractor is in breach if work is not performed domestically unless the chief procurement officer determines that the shift is necessary or contract termination would not be in the best interest of the State. Requires that the Department of Central Management Services report to the General Assembly by September 1, 2007 with specified information concerning contracts awarded subject to these provisions.

Amends the Children's Product Safety Act. Provides that a "children's product" is one designed or intended for the care of or use by a child under age 12 (instead of under age 6). Replaces the definition of "commercial user" with a definition of "commercial dealer", which includes one who manufactures children's products. Imposes requirements on commercial dealers in children's products with respect to product recalls. Provides that a commercial dealer who violates the Act is subject to a civil penalty not to exceed \$1,000 for each day the violation continues (instead of providing that a commercial user who willfully and knowingly violates the Act is guilty of a Class C misdemeanor). Provides that nothing in the Act relieves a commercial dealer from compliance with stricter requirements imposed by a federal agency. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that a crib is presumed to be unsafe if it does not conform to the standards endorsed or established by ASTM International. Makes the web site contents provisions applicable to a commercial dealer who has leased an unsafe children's product to an Illinois resident. Provides that a commercial dealer's recall page may satisfy the requirement to be interactive by providing for linking to a manufacturer's recall page.

220 ILCS 5/7-210 new

Amends the Public Utilities Act. Provides that a gas utility offering unregulated sales of natural gas to an end-use customer within or outside its service area shall be subject to specified provisions of the Act with respect to such sales. Provides that a gas utility offering unregulated sales of natural gas to an end-use customer within or outside its service area shall not subsidize such sales through the utility's regulated business. Provides that a gas utility offering unregulated sales of natural gas to an end-use customer within or outside its service area shall not discriminate in the provision of regulated gas service based upon the existence or terms of an unregulated sale of natural gas. Provides that the Commission may require a gas utility to file reports regarding its unregulated sales of natural gas in the State and shall have access to, for the purpose of review, a gas utility's contracts for unregulated sales of natural gas. Effective immediately.

**SENATE FLOOR AMENDMENT NO. 1**

Deletes everything after the enacting clause. Inserts provisions substantially similar to those of SB 2525 except: (1) provides that costs and revenues from the gas utility's unregulated sales of gas to an end-use customer within or outside its service area shall not be included in the calculation of the utility's regulated gas rates and charges; (2) provides that the Commission shall require a gas utility to file reports regarding its unregulated sales of natural gas in the State; (3) provides that the Commission shall adopt provisions requiring functional separation between a gas utility's unregulated retail sales of natural gas in the State and its regulated retail gas services in the State; (3) provides that a gas utility shall not release or assign gas storage capacity procured for its regulated Illinois retail customers to its business division offering unregulated retail sales of natural gas or allow such storage capacity to be managed by that business division; and (4) makes other changes.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

## HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

No fiscal effect on a single-family residence.

## FISCAL NOTE (Illinois Commerce Commission)

Senate Bill 2525 does not include any funding for ICC oversight of these new unregulated gas utility sales and does not require the gas utility to pay the Illinois Public Utility Tax on those sales. To the extent that those sales replace regulated sales, the legislation will result in a decline of revenues collected under the Illinois Public Utility Tax. To police the actions of the gas utility under this new legislation would require 3 additional Agency staff, one accountant, one economist, and one engineer, at an estimated annual increase in costs of \$250,870 to implement this legislation were it to become law. This estimate includes those salaries, fringe benefits, equipment, and commodities for 3 additional Agency staff members. These additional Agency staff members would spend their time examining gas utility operations, records, and transactions to ensure that the utility engaged in sales under proposed new 7-210 was not subsidizing unregulated sales with regulated businesses or using discriminatory practices in regulated businesses to aid unregulated sales. This work would be done primarily during the annual Uniform Purchased Gas Adjustment Clause reconciliation cases under existing Section 9-220.

## PENSION NOTE (Economic and Fiscal Commission)

Would not impact any public pension fund or retirement system in Illinois.

## STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

Would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore, would not affect the level of State indebtedness.

## HOME RULE NOTE (Department of Commerce and Economic Opportunity)

Senate Bill 2525, as engrossed, does not pre-empt home rule authority.

820 ILCS 405/1502.1 from Ch. 48, par. 572.1

Amends the Unemployment Insurance Act. Provides that an employer is not chargeable for any benefit charges resulting from the payment of benefits to an individual for any week of unemployment if the employer's business is closed solely because of the entrance of the employer, one or more of the partners or officers of the employer, or the majority stockholder of the employer into active duty in the Illinois National Guard or the Armed Forces. Effective immediately.

FISCAL NOTE (Department of Employment Security)

It is difficult to quantify the number of employers potentially affected and impossible to predict future calls to active duty, however it is highly unlikely that this amendment would result in any significant unfunded administrative costs. There would be some minor retraining and special handling costs associated with this new component of the Unemployment Act, which should easily be absorbed by federal administrative grant funding. Precise Unemployment Insurance benefit charge projections are likewise impossible, but the expectation is that they would be minimal. The bill would pool the costs attributable to this situation, spreading them across all employers rather than the more typical approach of directly charging the employer of the idled employees. Illinois' unemployment trust fund is currently over \$900 million in debt to the federal government, and the pooling of these charges might exacerbate that position in the near term, most likely by an insignificant amount.

HOUSE AMENDMENT NO. 1 (TABLED 5/27/2004)

Adds reference to:

820 ILCS 405/402 from Ch. 48, par. 402

Further amends the Unemployment Insurance Act. In language providing that the receipt of certain wages reduces weekly benefits payable to an individual, provides that benefits payable for any week shall not be reduced by any amount of remuneration paid to the individual with respect to that week for non-active duty training and services as a member of the Illinois National Guard or the Armed Forces Reserve. Effective immediately.

Amends the Illinois Notary Public Act and the Consumer Fraud and Deceptive Business Practice Act. Prohibits a person whose prior notary commission was suspended, canceled, or revoked from receiving another commission (now, a 10-year prohibition). Exempts notaries who are accredited immigration representatives (now, only attorneys) from the requirement that non-English advertisements of service include a notice that the notary is not an attorney. Applies the notice requirement to other identifying articles, such as letterhead and business cards. Prohibits the literal translation of various English terms that may imply the notary is an attorney. Prohibits a notary from accepting fees for immigration advice or assistance. Makes violations subject to fines, business offense penalties, and commission revocation. Makes other changes. Under the Consumer Fraud and Deceptive Business Practices Act, imposes similar restrictions, requirements, and penalties on persons providing immigration services. Permits recovery of prohibited fees through compensatory damages and permits punitive damages of 3 times the amount of the fees. Makes other changes. Effective immediately.

**SENATE COMMITTEE AMENDMENT NO. 1**

Further amends the Illinois Notary Public Act and the Consumer Fraud and Deceptive Business Practices Act. Reinserts the 10-year period during which an applicant must not have held any notary appointment that was revoked, suspended, or canceled. Provides that no notary public who is not an attorney or an accredited representative shall provide or accept payment in exchange for any assistance that requires legal analysis, legal judgment, or interpretation of the law. Makes changes to the fee limit provision. Provides that the \$1,000 fine imposed for violation of the immigration services notice requirement shall apply only if the violation is not subject to penalties under the Illinois Notary Public Act. Provides that the maximum fees charged in matters concerning immigration services shall be those set forth in the Illinois Notary Public Act, rather than those established by the Attorney General. Makes other changes.

**HOUSE AMENDMENT NO. 1**

With respect to the changes in the Illinois Notary Public Act, removes the requirement that a notary public applicant may not have held a notary public appointment that was canceled in the previous 10 years.

person who enters service on or after the effective date of this amendatory Act and who must forfeit his or her pension because of a felony conviction shall be equal to his or her contributions (including amounts paid by the person to establish additional or optional credit), without interest, less the amount of any benefits paid to the person (including benefits paid to an alternate payee under a QILDRO). Provides that the refund shall not include employer contributions or any interest on contributions. Amends the State Mandates Act to require implementation without reimbursement. ## FISCAL NOTE (Dept of Corrections)

This legislation would increase the length of stay for the offenders currently sentenced to prison for receiving, selling, possessing, or transferring a firearm, plus add offenders who currently receive probation or another community sanction under the current statutes. These enhancements would result in an increase of 1,423 inmates with \$245,455,700 in additional costs over the first ten years after enactment. However, these calculations are based on limited accessible data. Increasing the penalty to a mandatory prison sentence may result in a greater number of plea bargains to avoid a prison sentence. Estimates may vary depending on how cases are prosecuted and plea bargained. Therefore, the full impact of this legislation is unknown.

## CORRECTIONAL NOTE (Dept of Corrections)

SB2578, as amended by SA3, would result in an increase of 7,677 inmates with \$1,324,460,200 in additional costs over the first ten years after enactment. However, these calculations are based on limited accessible data. Increasing the penalty to a mandatory prison sentence may result in a greater number of plea bargains to avoid a prison sentence. Estimates may vary depending on how cases are prosecuted and plea bargained. Therefore, full impact of this amended legislation is unknown.

New Act

820 ILCS 405/235 from Ch. 48, par. 345

Creates the Illinois Worker Adjustment and Retraining Notification Act. Provides that an employer may not order a mass layoff, relocation, or termination of an industrial or commercial facility without first giving 60 days' notice (subject to specified exceptions) to the Department of Labor and the chief elected official of each municipal and county government within which the termination, relocation, or mass layoff occurs. Provides for the imposition of civil penalties for violations and gives remedies to employees. Provides for the reduction of an employer's liability under specified circumstances. Amends the Unemployment Insurance Act to provide that

payments to a person by an employer who is liable to that person under the new Act are not considered wages for purposes of unemployment insurance eligibility. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

820 ILCS 405/235

Adds reference to:

820 ILCS 405/500.1 new

Redefines "covered establishment" to include a "business enterprise" (rather than an "industrial or commercial facility or part thereof") meeting specified criteria. Requires notice of a mass layoff, relocation, or termination at a covered establishment to be given to the Department of Commerce and Economic Opportunity (rather than the Department of Labor and the Department of Employment Security). In the Unemployment Insurance Act, deletes language excluding, from the term "wages", payments to a person by an employer who has failed to provide the advance notice of facility closure required by the Illinois Worker Adjustment and Retraining Notification Act or the federal Worker Adjustment and Retraining Notification Act (but retains language providing that benefits payable under the Unemployment Insurance Act may not be denied or reduced because of the receipt of payments related to an employer's violation of the Illinois Worker Adjustment and Retraining Notification Act or the federal Worker Adjustment and Retraining Notification Act).

HOUSE AMENDMENT NO. 1

Adds reference to:

20 ILCS 1005/1005-60 rep.

Deletes everything. Creates the Illinois Worker Adjustment and Retraining Notification Act. Provides that an employer may not order a mass layoff, relocation, or employment loss (an "employment loss" is an: employment termination, other than a discharge for cause, voluntary departure, or retirement; a layoff exceeding 6 months; or a reduction in hours of work of more than 50 percent during each month of any 6-month period, with specified exceptions) affecting at least a specified minimum number of employees without first giving 60 days' notice (subject to specified exceptions) to the affected employees and their representatives, the Department of Commerce and Economic Opportunity, and the chief elected official of each municipal and county government within which the employment loss, relocation, or mass layoff occurs. Provides for the imposition of civil penalties for violations and gives remedies to employees. Provides for the reduction of an employer's liability under specified circumstances. Requires the Department of Commerce and Economic Opportunity, with the cooperation of the Department of Employment Security, to annually issue a written notice to each employer that reported to the Department of Employment Security that the employer paid wages to 75 or more individuals with respect to any quarter in the immediately preceding calendar year, and specifies contents of the notice. Amends the Department of Employment Security Law of the Civil Administrative Code of Illinois by repealing provisions requiring the Department of Employment Security to issue a written advisory notice to specified employers concerning the federal Worker Adjustment and Retraining Notification Act. Amends the Unemployment Insurance Act to provide that payments to a person by an employer who is liable to that person under the new Act are not considered wages for purposes of unemployment insurance eligibility. Effective January 1, 2005 and applies to plant closings or relocations occurring on or after that date.

310 ILCS 10/25 from Ch. 67 1/2, par. 25

Amends the Housing Authorities Act. Provides that a housing authority may refuse to certify or recertify applicants, current tenants, or other household members (instead of refuse to renew

the tenancy of any person) under certain conditions, including a person's conviction of a criminal offense relating to the sale or distribution of controlled substances. Eliminates a provision concerning confirmation of conviction data by a fingerprint-based criminal history records check, and provides instead that if a housing authority desires a criminal history records check of all 50 states or a 50-state confirmation of a conviction record, the authority shall submit the fingerprints of the relevant applicant, tenant, or other household member to the Department of State Police in a manner prescribed by the Department of State Police. Effective immediately.

New Act

Creates the Crossing of Railroad Right-of-way Act. Provides terms and conditions for a crossing. Allows the Illinois Commerce Commission to adopt rules prescribing additional terms and conditions to ensure that any crossing be consistent with the public convenience and necessity and reasonable service to the public. Provides special circumstances under which the standard crossing fee is not imposed. Provides that, pending Commission resolution of a claim of special circumstances raised in a petition, a public utility may, upon securing the payment of any damages and upon submission of completed engineering specifications to the railroad, proceed with a crossing in accordance with the rules adopted by the Commission, unless the Commission, upon application for emergency relief, determines that there is a reasonable

likelihood that the proposed crossing either (i) involves a significant and imminent likelihood of danger to the public health or safety or (ii) is a serious threat to the safe operations of the railroad or to the current use of the railroad right-of-way.

Amends the Neighborhood Redevelopment Corporation Law. Provides that, upon approval of the governing body of a city, village, or incorporated town, after it complies with notice, hearing, and other requirements, the general real estate taxes on the improvements on real property of a neighborhood redevelopment corporation or its immediate successor in that city, village, or incorporated town shall be abated for a period not in excess of 10 years after the date upon which the corporation becomes owner of that real property. The tax on that property, however, exclusive of improvements, may continue to be imposed and collected but shall be frozen at the amount of taxes owed, or that would have been owed, for the property as unimproved in the year prior to the year it was acquired by the neighborhood redevelopment corporation. For the next ensuing period not in excess of 15 years, general real estate taxes on the property shall be abated in an amount not to exceed 50% of the taxes imposed by each taxing district. The parties may agree, by contract, to payments in lieu of taxes. After a period of not more than 25 years, tax abatements are eliminated. Limits the provisions to property located in St. Clair County. For St. Clair County, changes the Law with respect to what constitutes a "slum and blighted area", who may appoint members of the Commission and the number of Commissioners, and how certificates of convenience and necessity are approved. Amends the Property Tax Code to authorize the abatements. Effective immediately.

New Act

30 ILCS 105/5.625 new

Creates the Safe Bottled Water Act and amends the State Finance Act. Requires that water-bottling plant and private water source operators obtain a license from the Department of Public Health, and imposes a license fee of \$150. Imposes an additional fee of \$50 for late submission of applications for licensure. Imposes like fees for the registration of out-of-state water-bottling plants. Prescribes minimum standards for various activities in connection with bottled water or vended water. Preempts the exercise of home rule powers in connection with the licensing of activities relating to bottled water. Authorizes the Department to conduct inspections and undertake other activities in connection with administering the Act, and makes it a Class A misdemeanor to interfere with a representative of the Department who is conducting an inspection or other authorized activity. Makes other violations of the Act a petty offense. Creates the Safe Bottled Water Fund, to consist of moneys paid to the Department of Public Health under the Safe Bottled Water Act and to be used by the Department for administering the Act. Effective January 1, 2005.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Creates the Safe Bottled Water Act with provisions substantially similar to those of Senate Bill 3112, except for changes that include the following: (1) eliminates a statement that it is unlawful for a person to bottle, collect, treat, or hold bottled water without a license, and provides that any bottled water produced by a private water source or water-bottling plant (instead of any water dispensed by a private water source) that is not licensed in compliance with the Act is misbranded and may be embargoed; (2) with respect to Department of Public Health inspections, requires an opportunity for a representative of a water-bottling plant or private water source (eliminating a representative of a water hauler or bottled-water distributor) to accompany the Department's representative; and (3) eliminates a requirement that water-bottling plants located outside Illinois that sell or distribute bottled water in Illinois provide proof of satisfactory inspection reports to the Department of Public Health. Effective January 1, 2005.

SENATE FLOOR AMENDMENT NO. 3

Deletes a provision that water intended for bottling may not be stored, transported, processed, or bottled through equipment or lines used for dairy products. Makes a technical change.

FISCAL NOTE (Department of Public Health)

There will be a minimal fiscal impact on the Department of Public Health.

There is no fiscal impact. The Illinois Department of Nuclear Safety merged into the Illinois Emergency Management Agency in FY04 and the consolidation is complete. Amends the Chicago Laborers Article of the Illinois Pension Code. Increases the minimum annuity for certain retirees and spouses. Creates an additional formula for determining the annuity payable to certain spouses and extends eligibility for one of the existing formulas. Accelerates certain automatic annual increases to the month of January. Allows repayment of a refund by an employee who has returned to service with the City for 90 days or with a reciprocal system employer for 2 years. Provides that the Fund may allow an employee to pay certain optional contributions with pre-tax dollars through employer pick-up. Allows employees to receive up to 5 years of credit for certain military service not preceded by employment; requires payment of the corresponding employee contributions and interest. Makes a technical correction in a Section on refunds. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

According to the Fund, HB 5 would increase the accrued liability by an estimated \$136.7 million. In addition, there would be an increase in accrued liability due to the establishment of service credit for military service not preceded by employment, but it cannot be calculated, as the amount of such service that may be established is unknown. This provision is also the only provision of HB 5 that would result in higher annual employer contributions. As of December 31, 2001 the Chicago Laborers' Pension Fund was funded at 112.0%, with assets \$168.5 million higher than accrued liabilities.

Amends the Disaster Relief Act. Defines "disaster" to include public health emergencies and acts of domestic terrorism. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois and amends the Illinois Emergency Management Agency Act. Provides for the Department and the Agency to coordinate with respect to planning for and responding to public health emergencies. Defines "disaster" to include public health emergencies. Defines "public health emergency". Provides that the Governor must deposit transfers and loan proceeds into and make expenditures from the Disaster Relief Fund. Provides for the General Assembly to restore moneys used from other funds to meet disaster needs. Effective immediately.

**FISCAL NOTE (Illinois Emergency Management Agency)**

The fiscal impact of House Bill 6 is determined by the amount of state disaster assistance provided. A state disaster declaration occurs by proclamation of the Governor upon advice from the Illinois Emergency Management Agency. A state declaration allows

for the availability of state resources to provide emergency or disaster assistance. These resources may be in the form of State agency services or through financial assistance from State Disaster Relief appropriations. Although there is no appropriation to IEMA in FY03 for state disaster assistance, subsection (a) of section 9 of the Illinois Emergency Management Act says "It is the intent of the Legislature and declared to be the policy of the State that funds to meet disasters shall always be available." IEMA was appropriated \$2,450,000 for state disaster relief in FY02 and expended \$835,937, appropriated \$2.5 million in FY01 for state disaster relief and expended \$654,288 and was appropriated \$2.5 million in FY00 and expended \$1,302,589. Section 3 of the Disaster Relief Act says "The fund shall be used for furnishing emergency services and relief to the disaster area as a whole and shall not be used to provide private relief to persons sustaining property damages or personal injury as a result of a disaster.

FISCAL NOTE (Department of Public Health)

The substantive changes, in and of themselves, would not require additional expenditures on the part of the State. It can be assumed, however, that should a public health emergency occur, funds would be expended through this provision. The amount reimbursed to localities would be dependent upon the amount appropriated to the fund and the extent of costs incurred due to the emergency. There is no way to predict possible expenditures beyond the possibility of expending up to the amount appropriated for this purpose. As the fund is administered by IEMA, there may be costs associated with that agency's administration that are not reflected in this note.

625 ILCS 5/12-807.3 new

Amends the Illinois Vehicle Code. Provides that no person shall operate a school bus manufactured after the effective date of this amendatory Act that is not equipped with seat belts for the passengers and a rooftop safety hatch. Effective immediately.

FISCAL NOTE (Illinois Department of Transportation)

The estimated total cost to the Department resulting from these new requirements would be less than \$20,000. Of the total, approximately \$10,000 would be for the printing of inspection and construction manuals, and \$10,000 would be used for conducting 20 inspector training sessions statewide. The estimated cost of each new school bus purchased by a school district would increase by approximately \$2,300, as the cost of the seatbelts is approximately \$2000 and the cost of a rooftop hatch is approximately \$300.

FISCAL NOTE (Illinois State Board of Education)

The minimum cost to add seatbelts to a bus is approximately \$8,000 and the minimum cost for shoulder belts is \$4,000. Roff hatches are already required at the federal level. If approximately 20% of the 18,000 buses are replaced per year the annual increase due to House Bill 34 would be \$28.8 M to add seat belts and \$14.4 M to add shoulder belts. The state will likely pick-up this cost through the state transportation formula.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

House Bill 34 creates a state mandate for school districts. The minimum cost to add seatbelts to a bus is approximately \$8,000 and the minimum cost for shoulder belts is \$4,000. Roff hatches are already required at the federal level. If approximately 20% of the 18,000 buses are replaced per year the annual increase due to House Bill 34 would be \$28.8 M to add seat belts and \$14.4 M to add shoulder belts. The state will likely pick-up this cost through the state transportation formula.

- 35 ILCS 105/3-5 from Ch. 120, par. 439.3-5
- 35 ILCS 110/3-5 from Ch. 120, par. 439.33-5
- 35 ILCS 115/3-5 from Ch. 120, par. 439.103-5
- 35 ILCS 120/2-5 from Ch. 120, par. 441-5

Creates the Physical Fitness Facility Medical Emergency Preparedness Act. Requires various physical fitness facilities, including (i) facilities owned or operated by a unit of local government or by a school, college, or university, (ii) golf courses, and (iii) health or fitness clubs, to develop and implement a plan for responding to medical emergencies and to file a copy of the plan with the Department of Public Health. Requires each such facility to have on its premises at least one automated external defibrillator (AED) and a trained AED user.

Authorizes the Department of Public Health to inspect physical fitness facilities to investigate complaints and to ensure compliance with the Act. Authorizes the Department to impose monetary penalties for violations of the Act. Amends the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act to provide a tax exemption for private physical fitness facilities in connection with the purchase of AEDs.

HOUSE AMENDMENT NO. 1

Changes the title of the bill to "AN ACT in relation to health, which may be known as the Colleen O'Sullivan Law" (instead of "AN ACT in relation to health").

STATE DEBT IMPACT NOTE (Illinois Economic and Fiscal Commission)

HB 43 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSE AMENDMENT NO. 2

Adds reference to:

30 ILCS 805/8.27 new

Deletes everything after the enacting clause and reinserts the provisions of the bill as introduced, with the following change: amends the State Mandates Act to require implementation without reimbursement by the State.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

410 ILCS 4/30

Deletes everything after the enacting clause and reinserts the provisions of the engrossed bill, but with changes that include the following: (1) makes the Physical Fitness Facility Medical Emergency Preparedness Act applicable only to indoor facilities that are supervised by one or more persons other than maintenance or security personnel; (2) provides that a facility must ensure that there is a trained AED user on staff; (3) in connection with liability, provides that a right of action does not exist in connection with the use or non-use of an AED at a facility, provided that the person or entity operating the facility has adopted a medical emergency preparedness plan, has an AED at the facility, and has maintained the AED in accordance with Department of Public Health rules; (4) changes the end of the period of tax exemption to December 31, 2007 (instead of 2006); and (5) amends the Automated External Defibrillator Act to provide that a unit of State or local government or school district (as well as a "person") is not liable for civil damages as a result of an act or omission involving the use of an AED and to provide immunity for "an" (instead of "a trained") AED user.

SENATE FLOOR AMENDMENT NO. 3

Provides that the Automated External Defibrillator Act provisions concerning exemption from civil liability do not apply to a public hospital.

Amends the Illinois Vehicle Code. Provides that any person who rents a motor vehicle to another must advertise, quote, and charge a rental rate that includes the entire amount, including (rather than except) taxes and any mileage charge that the renter must pay.

**SENATE COMMITTEE AMENDMENT NO. 1**

Deletes everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that any person who rents a vehicle to another must provide, on the request of the renter, based on the available information, an estimated total of the daily rental rate, including all applicable taxes, fees, and other charges, or an estimated total rental charge, based on the return date of the vehicle noted on the rental agreement. Provides that, if the rental agreement does not already provide an estimated total rental charge, the rental agreement must contain a prescribed statement indicating that the renter is entitled to obtain the required information on request.

40 ILCS 5/7-141.1

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. In the provisions restricting the return to employment after receiving early retirement benefits, excludes elective office. Effective immediately.

PENSION NOTE (Pension Laws Commission)

HB 45 would probably have little or no fiscal impact, as there are few ERI participants likely to forfeit the enhanced (ERI) annuity, as required by current law, by serving as an elected official. Therefore, removing the prohibition against simultaneously receiving an annuity (based on ERI age enhancement and service credit) and serving as an elected county official would allow some members to participate in an ERI (for regular IMRF service) and continue serving as an elected official.

HOUSE AMENDMENT NO. 1 (TABLED 6/28/2004)

Adds reference to:

30 ILCS 805/8.27 new

Deletes everything. Amends the IMRF Article of the Illinois Pension Code. Provides that the prohibition on return to service after accepting early retirement benefits applies only to (1) employment for which the person is required (or is allowed and has elected) to participate in the Fund and (2) contractual personal services which, if performed as an employee, would require the employee to participate in the Fund. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (H-AM 1) (Pension Laws Commission)

HB 0045, as amended by House Amendment 1, would probably have little or no fiscal impact, as there are few ERI participants likely to forfeit the enhanced (ERI) annuity, as required by current law, by accepting employment with an employer who participates in IMRF. Persons returning to work under the provisions would not accrue any additional pension benefits under IMRF.

- 35 ILCS 120/2-10 from Ch. 120, par. 441-10

Amends the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act. Extends the partial exemption from the taxes imposed by these Acts on gasohol to December 31, 2013 (now ends on July 1, 2003), gradually reducing the partial exemption to zero after December 31, 2013. Partially exempts E85 blend fuel and bio-diesel blend fuel in the same amount and according to the same schedule as gasohol. Provides that if, at any time, the tax under these Acts on gasohol, E85 blend fuel, and bio-diesel blend fuel is imposed at 1.25%, then the partial exemption of the tax on those items does not apply during that time. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

Extending the reduction of sales tax on gasohol and implementing a reduction of sales tax on E85 blend fuel and bio-diesel fuel will result in decreased sales tax receipts of an undetermined amount.

HOUSE AMENDMENT NO. 1

Deletes reference to:

- 35 ILCS 105/3-10
- 35 ILCS 105/3-41 new
- 35 ILCS 105/3-42 new
- 35 ILCS 110/3-10
- 35 ILCS 115/3-10
- 35 ILCS 120/2-10

Adds reference to:

- 35 ILCS 120/14 from Ch. 120, par. 453

Deletes everything after the enacting clause. Amends the Retailers' Occupation Tax Act. Makes a technical change in the short title Section.

FISCAL NOTE (H-AM 1) (Department of Revenue)

HB 46 will have no fiscal impact on the Department of Revenue or the State of Illinois.

FISCAL NOTE (Department of Revenue)

Because the incentive on gasohol will be slightly reduced, the Department of Revenue believes that this will cover the cost of the new incentives for other biomass fuels, which would make this legislation revenue neutral.

HOUSE AMENDMENT NO. 3

Deletes reference to:

- 35 ILCS 120/14

Adds reference to:

New Act

- 820 ILCS 130/2 from Ch. 48, par. 39s-2
- 820 ILCS 130/3 from Ch. 48, par. 39s-3
- 820 ILCS 130/4 from Ch. 48, par. 39s-4

Deletes everything. Creates the Illinois Renewable Fuels Development Program Act. Provides that the Director of Commerce and Community Affairs shall establish a grant program known as the Illinois Renewable Fuels Development Program, which shall provide financial assistance for the construction, modification, alteration, or retrofitting of renewable fuel plants that have an annual production capacity of no less than 30,000,000 gallons of renewable fuel per year and that are built in Illinois. Provides that the Department must give preference to applicants that use Illinois agricultural products in the production of renewable fuel at the plant for which the grant is being requested. Provides that the recipient of a grant must enter into a project labor agreement. Provides that, subject to appropriation, the Director is authorized to award up to \$15,000,000 in the aggregate in grants to eligible participants. Amends the Prevailing Wage Act. Provides that "public works" also includes all projects financed in whole or in part with funds from the Department of Commerce and Community Affairs under the Illinois Renewable Fuels Development Program Act for which there is no project labor agreement. Deletes from the definition of "public body" a requirement that the body be authorized by law to construct public works or to enter into any contract for the construction of public works. Provides that the wage for a tradesman performing maintenance is equivalent to that of a tradesman engaged in construction. Requires contractors and construction managers to post, at a location on the project site of the public works that is easily accessible to the workers engaged on the project, the prevailing wage rates for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. Provides that the failure to post a prevailing wage rate is a violation of the Act. Effective immediately.

HOUSE AMENDMENT NO. 4

Adds reference to:

- 820 ILCS 130/2 from Ch. 48, par. 39s-2
- 820 ILCS 130/3 from Ch. 48, par. 39s-3
- 820 ILCS 130/4 from Ch. 48, par. 39s-4

Deletes everything. Reinserts the provisions of House Amendment No. 3, but (i) removes a provision that the Department of Commerce and Community Affairs must give preference to farmer-owned cooperatives in awarding grants and (ii) removes a provision that an additional \$1,000,000 in grants shall be awarded annually as an incentive for the production of renewable fuels in Illinois and to conduct research and development activities related to renewable fuels production in Illinois. Effective immediately.

New Act

Creates the Elder Care Savings Fund Act. Authorizes the State Treasurer to establish an Elder Care Savings Fund. Allows Illinois residents to invest in the fund and provides that investors' earnings are exempt from taxes other than estate, transfer, and inheritance taxes. Provides for a program of grants, using moneys in the fund, to be applied to costs of long-term care or services. Requires the State Treasurer to implement a program to inform residents about options available for financing long-term care. Creates an Elder Care Trust Authority to advise the Elder Care Savings Fund staff and perform other functions. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

755 ILCS 5/2-6.2 new

Amends the Probate Act of 1975. Denies benefits resulting from an individual's death to persons convicted of financially exploiting, abusing, or neglecting the decedent while the decedent was an elderly person.

HOUSE AMENDMENT NO. 1

Provides that a person convicted of certain criminal offenses against elderly or disabled persons is entitled to receive property, a benefit, or an interest if it is demonstrated by clear and convincing evidence that the victim of the offense knew of the conviction and after the conviction expressed or ratified his or her intent to transfer the property, benefit, or interest to

the person. Provides that if the holder of property subject to the provisions concerning a person convicted of such offenses is a financial institution, trust company, trustee, or similar entity or person, the holder is not liable for any distribution or release of the property, benefit, or other interest to the person unless the holder knowingly distributes or releases the property, benefit, or other interest to the person after first having received actual written notice of the conviction in sufficient time to act upon the notice. Requires a holder of such property to cooperate with law enforcement and judicial authorities if the holder knows (instead of knows or has reason to know) that a potential beneficiary has been convicted of one of those offenses. Provides that if the holder of such property is subject to regulation by a regulatory agency, including as a financial institution, corporate fiduciary, or insurance company, then the holder is not deemed to be in violation of the elder abuse provisions to the extent that privacy laws and regulations applicable to the holder prevent it from voluntarily providing law enforcement authorities or judicial officers with information.

SENATE FLOOR AMENDMENT NO. 1

Deletes everything and reinserts the provisions of House Bill 51 engrossed, but with changes that include the following: (1) omits the definition of "elderly person", and provides that "abuse", "financial exploitation", and "neglect" mean offenses described in specified Sections of the Criminal Code of 1961 concerning offenses against elderly or disabled persons; and (2) makes the denial of entitlement to property, a benefit, or any other interest applicable to a person who commits an offense against a person with a disability (besides a person who commits an offense against an elderly person).

105 ILCS 110/3 from Ch. 122, par. 863

Amends the Critical Health Problems and Comprehensive Health Education Act. Requires a comprehensive health education program to include instruction in secondary schools on clinical depression and suicide prevention.

FISCAL NOTE (Illinois State Board of Education)

ISBE believe that nearly all high schools currently provide some instructional materials and activities in this area. The cost of incorporating additional materials into that instruction would be negligible.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

While House Bill 55 clearly creates a state mandate, state reimbursement appears to be unnecessary because the requirement merely imposes additional duties of a nature which can be carried out by existing staff and procedures at no appreciable net cost increase. Moreover, even if there is a small net cost increase, it should not exceed the \$1,000 threshold in the Mandates Act.

HOUSE AMENDMENT NO. 1

Provides that the comprehensive health education program shall include instruction on the prevention, transmission, and spread of HIV/AIDS (instead of just AIDS), disaster and terrorism preparedness (instead of disaster survival), and organ, tissue, and blood donation.

FISCAL NOTE (Department of Central Management Services)

HB 57 would only affect the Quality Care Health Plan (QCHP) and its carved-out mental health plan managed by a behavior health administrator. The Department of Central Management Services expects this bill to affect costs in three areas: a revised benefit structure that could require members to absorb a greater out-of-pocket coinsurance with no payment toward services until the annual plan deductible is met; elimination of limits on number of visits for outpatient therapy and inpatient stays, which would increase costs that would be passed on to members in the form of increased premiums; and re-bidding of the mental health benefits contract to reflect the new benefit structure with self-funding arrangements. CMS estimates an increase in costs of approximately \$14.2 million.

35 ILCS 200/20-3 new

Amends the Property Tax Code. Provides that, notwithstanding any other law to the contrary, for taxable years 2003 and 2004, the rate on any tax imposed under the Act may not be increased from the rate imposed in the 2002 taxable year. A school district, however, may increase property tax rates by referendum. Provides that, notwithstanding any other law to the contrary, for taxable years 2003 and 2004, the equalized assessed value of property shall be the same as the equalized assessed value of that property for the 2002 taxable year. If, however, a parcel of property is improved during taxable year 2003 or 2004, the assessment of that property shall be the assessment for the 2002 taxable year plus the increase in assessed value solely as a result of the improvement and, once the 2002 assessment is increased to reflect an improvement, the assessment for that property shall remain the same for the duration of the assessment freeze period. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

House Bill 66 imposes a two-year moratorium on property tax increases for taxable

years 2003 and 2004. However, a school district may increase property tax rates if the question is submitted to voters at a regular election and approved by a majority of those voting. HB 66 would have an unknown negative impact on units of local government. Under the State Aid Formula, the State may have to compensate school districts for a portion of the loss of property tax revenue due to decreased equalized assessed property value.

Provides that terms similar to "urgent", "urgi-", "emergi-" or "emergent" care may be defined by rule.

FISCAL NOTE (Department of Public Health)

While the bill does not mandate a regulatory program, the process of assessment of fines and development of legal actions to refer to the Attorney General would require devotion of staff time. The number of these types of facilities within Illinois is unknown as they are not currently regulated in any way. Therefore, we are unable to make a reliable estimate as to the number of FTE's required to administer this activity. As there are no staff devoted to this activity at this time we would estimate at least one FTE would be necessary to implement the program. The annual cost for a mid-range Public Service Administrator with health care and/or legal background is between \$45,000 - \$70,000. Any additional costs related to staff time for the Attorney General's office in bringing any legal actions are not included in this estimate.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that a health care plan must provide to enrollees a description of (rather than clear information about) their rights and responsibilities.

320 ILCS 20/2 from Ch. 23, par. 6602

Deletes everything after the enacting clause. Reinserts language from the bill as introduced and further amends the Elder Abuse and Neglect Act to add a person who performs the duties of a paramedic or an Emergency Medical Technician to the list of professions under the definition of "mandated reporter". Provides that the Department on Aging is responsible for solicitation of financial institutions for the purpose of making information available to the general public warning of financial exploitation of the elderly and related financial fraud or abuse (instead of coordinating education and warning efforts, including an ombudsman program with banks and financial institutions). Provides that a physician who willfully fails to report shall be referred to the Illinois State Medical Disciplinary Board. Provides that a dentist or dental hygienist who willfully fails to report shall be referred to the Department of Professional Regulation. Provides that other mandated reporters who fail to report are guilty of a Class A misdemeanor.

HOUSE AMENDMENT NO. 2

Provides that all services provided to an eligible adult shall be reviewed by the provider agency on at least a quarterly basis for up to one year (instead of 2 years) to determine whether the service care plan should be continued or modified. Allows the Department of Aging to grant a waiver to extend the service care plan for up to an additional one year period.

FISCAL NOTE (H-AM 1, H-AM 2) (Department on Aging)

The amendments substantially remove the items that would cost to implement, therefore the revised fiscal note is that the bill would have no fiscal impact.

New Act

Creates the Health Care Entity Liability Act. Replaces a definition of a "gross neglect" with a definition of "criminal neglect". Provides that a person convicted of certain criminal offenses against an elderly or disabled person is entitled to receive property from the elderly or disabled person under certain circumstances.

HOUSE AMENDMENT NO. 2

Removes a provision added to the Act concerning a private caregivers registry.

Amends the State Finance Act and the Illinois State Collection Act of 1986. Requires that the Auditor General establish a Debt Collection Unit for the collection of overdue debts owed to the State. Authorizes the Auditor General to contract with private entities for the collection of debts. Beginning July 1, 2004, requires State agencies other than universities to determine the uncollectibility of debts using rules adopted by the Auditor General and to turn over to the Debt Collection Unit debts more than 90 days overdue. Exempts confidential debts owed to the Department of Revenue. Permits universities to use the Auditor General's rules and to turn debts over to the Debt Collection Unit. Requires that 10% of debts collected by the Debt Collection Unit be deposited into a special fund in the State treasury for payment of the Unit's administrative costs. Makes the Department of Public Aid's participation optional with regard to child support debt. Provides separate procedures for the deposit and use of collected child support. Requires the Auditor General to report semi-annually to the General Assembly and State Comptroller upon debts owed to the State and upon collection efforts. Abolishes in 2004 the Debt Collection Board, the Comptroller's use of special account receivable funds, and the use of private collection services by individual State agencies. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes everything. Reinserts House Bill 89 with the following changes: Places the Debt Collection Unit within the Department of Revenue and authorizes the Department to adopt emergency rules, on the basis of the budget crisis, for its administration. Authorizes the Unit, rather than individual agencies, to contract for legal services. Prohibits the renewal of legal service contracts entered before the bill's effective date, rather than before July 1, 2004. Repeals the Section creating the Debt Collection Board 30 days after the bill's effective date, rather than July 1, 2004, and requires the Board to furnish records and a status report to the Unit. A collected debt shall be used first for the collector's fee, then 5% to the Debt Collection Fund, then to the special fund or funds owed the debt, and any unidentifiable portion to the General Revenue Fund. Effective immediately.

FISCAL NOTE (H-AM1) (Department of Central Management Services)

No fiscal impact.

HOUSE AMENDMENT NO. 2

Deletes everything. Reinserts the provisions of House Amendment No. 1 with the following changes: Renames the Debt Collection Unit as the Debt Collection Bureau and retains the Debt Collection Board for the administration of debt not otherwise referred to the Bureau as the State's primary debt collection entity. Exempts certain debts owed to the Department of Employment Security. Makes other changes. Effective immediately.

FISCAL NOTE (H-AM 2) (Department of Revenue)

The cost estimate for fiscal year 04 is \$1.4 million for additional staff. FY 05 is estimated to cost \$6.7 million for additional staff, and for technology upgrades to the collection system. FY 06 is estimated to cost \$8.6 million for additional staff, technology upgrades, and expansion of phone systems. FY 07 is estimated to cost \$5.3 million for the annualization of all new positions (total of 75). The Department estimates that the pool of eligible current receivables is approximately \$720 million. Collections from fiscal year 2004 through fiscal year 2008 are estimated to total \$166 million. Because of the unknown nature of debt that is at other State agencies, the collection estimates are an order of magnitude only. The Department does not know what type of debt other agencies have, how records on this debt are kept, or how many accounts there are.
