New Act

Creates the Transportation and Toll Highway Property Transaction Act. Requires the Department of Transportation and the Illinois State Toll Highway Authority to disclose to the Department of Central Management Services information concerning the acquisition of real property using State moneys, including the identity of the owners, the fair market value, the purchase price, the bidding method, and the State use. Requires that the price at which the Department of Transportation sells real property to the Toll Highway Authority be within 5% of its fair market value. Requires that the fair market values of real properties exchanged by the Department and the Authority be within 5% of each other.

FISCAL NOTE (Department of Transportation)

The reporting requirements imposed by this legislation will necessitate changes in the Department's computer program to provide the appropriate data. It is estimated that it will take six months and cost \$50,000 to complete the conversion. There will also be an increase in labor costs. The staff costs cannot be estimated at this time. The cost of properties acquired by the Illinois Department of Transportation associated with ongoing toll highway projects is approximately \$51 million. Until the parcels have been appraised for the current fair market value, there is no way of determining the true fiscal impact of this legislation.

Amends the Illinois Public Aid Code. Provides that in the case of community-based services, long-term care services, and services received in a supportive living facility, when determining whether a person has met a spend-down requirement for Medicaid eligibility, the Department of Public Aid shall allow bills for those services at the maximum allowable

20 ILCS 1805/100.5 new  
 35 ILCS 5/213 new

Amends the Military Code of Illinois. Provides that a person who is a member of the Illinois National Guard or the federal military and who is on active duty shall be accorded all of the relief and benefits under the laws of this State that are accorded to federal military personnel on active duty under the Soldiers' and Sailors' Civil Relief Act of 1940 if the person provides written notice of his or her active duty in the same manner that notice is provided under the Soldiers' and Sailors' Civil Relief Act of 1940. Requires notice of termination of active duty within 30 days after that termination. Amends the Illinois Income Tax Act. Provides that, for taxable years ending on or after December 31, 2003, each taxpayer is entitled to an income tax credit in the amount of \$1,000 per taxable year if, at any time during the taxable year, the taxpayer's spouse served on active duty in the Illinois National Guard or a reserve component of the armed forces of the United States. Allows the credit to be carried forward for 10 years and exempts the credit from the sunset provisions of the Act. Effective immediately.

**FISCAL NOTE (Illinois Department of Revenue)**

It is not possible to accurately predict when someone will be called up to active duty. However, an upper limit can be estimated using the Illinois military pay deduction data. For tax year 2001, over 40,000 military pay deductions were claimed reducing income tax liabilities by over \$20 million. If 40,000 taxpayers were to claim the armed service support credit, then tax liabilities could be reduced by \$40 million per year.

Provides that the revised methodology must be published in the Illinois Register as a proposed rule on a timely basis so that the rule will be adopted and effective July 1, 2004.

PENSION NOTE (Pension Laws Commission)

No fiscal impact.

BALANCED BUDGET NOTE (Bureau of the Budget)

Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this note as requested.

**CORRECTIONAL NOTE (Department of Corrections)**

No fiscal impact. No corrections population impact.

**LAND CONVEYANCE APPRAISAL NOTE (Department of Transportation)**

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Department of Transportation.

**STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)**

HB 2501 would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore, would not affect the level of State indebtedness.

**JUDICIAL NOTE (Administrative Office of the Illinois Courts)**

House Bill 2501 would neither increase nor decrease the number of judges needed in the state.

**HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)**

There will be no fiscal impact on the cost of constructing, purchasing, owning or selling a single family residence.

**STATE MANDATES FISCAL NOTE (Dept. of Commerce and Community Affairs)**

While HB 2501 relates to the methodology governing the intent and awarding of local health protection grants by DPH, the legislation does not impose requirements on units of local government. Therefore, in the opinion of DCCA, HB 2501 does not create a State Mandate under the State Mandates Act.

**HOME RULE NOTE (Dept. of Commerce and Community Affairs)**

HB 2501 relates to the methodology governing the intent and awarding of local health protection grants by DPH. The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of the Department of Commerce and Community Affairs, HB 2501 does not pre-empt home rule authority.

**FISCAL NOTE (Department of Public Health)**

While the direct fiscal impact to the Department as a result of the bill are reflected in this fiscal note, the impact to local health agencies across is not. A change in the formula to this minimum funding program will have a direct impact on agencies and services provided at existing local health agencies. Unless the line increases, there will be an effect from some agencies with a redistribution of the dollars. Personal Services Office of Health Protection Public Service Administrator \$4,225 X 6 = \$25,350; Office of Health Protection Fiscal Unit Accountant \$3,500 X 6 = \$21,000; Total Salaries \$46, 350; Fringe Benefits Social Security- 7.65% \$3,545; Retirement- 10.4% \$4,820; Insurance- \$8,400 per person/yr. \$16,800; Total Fringes \$25,165; Travel \$1,500; Mailing \$1,000; TOTAL \$74,105

305 ILCS 5/5-2.05 new

Amends the Illinois Public Aid Code. Provides that persons who fail to qualify for basic maintenance under the AABD program under the Code on the basis of need because of excess income or assets, or both, may establish prospective eligibility for that basic maintenance by prepaying their monthly Medicaid spend-down amount to the Department of Public Aid or by having a third party pay that amount to the Department. Effective immediately.

**HOUSE AMENDMENT NO. 1**

Deletes the provision for an immediate effective date for the bill.

**FISCAL NOTE (Department of Public Aid)**

The estimated cost of implementing the spenddown prepayment program presented in HR 865 is \$876,000 the first year and \$177,000 a year thereafter. This includes one-time system modifications of \$699,000 (\$225,000 for DPA and \$444,000 for DHS) and ongoing DPA staff expenses of \$177,000. The cost of system modifications could probably be absorbed in the base appropriation if the Department was allowed more time to implement.

820 ILCS 405/601 from Ch. 48, par. 431

Amends the Unemployment Insurance Act. In provisions making an individual ineligible for benefits for leaving work voluntarily without good cause, creates an exception if the individual left work to protect his or her children or himself or herself from domestic violence.

FISCAL NOTE (Illinois Department of Employment Security)

It is difficult to quantify the number of occurrences that would fall into this category, but it is presumed to be relatively small and the impact on the unemployment trust fund would likewise be small. Benefits paid under the new section would be charged back to the employer as part of the annual tax rate calculations. Illinois' unemployment trust fund is currently insolvent, so any increase in outlays will add to the amount of funds needed to restore the fund's solvency. There would also be some minimal costs in regards to retraining staff on the new exception. Overall, the costs to both the trust fund and the agency's administrative budget are expected to be relatively insignificant.

5 ILCS 375/6 from Ch. 127, par. 526

Amends the State Employees Group Insurance Act of 1971. Provides that the program of health benefits must include coverage for hearing evaluations, hearing aids, and the dispensing and fitting of hearing aids. Effective July 1, 2003.

FISCAL NOTE (Department of Central Management Services)

HB 2531 would require the State of Illinois' Quality Care Health Plan (QCHP) to include coverage for hearing aids. The state would realize an additional \$5.6 million in costs with passage of this bill. In addition, if extended to members of the managed care plans, according to our managed care vendors, this change in the benefit plan would increase the cost to the state by approximately \$5.2 million. The total increase in costs for adding hearing aid coverage to the state's health plans would be \$10.8 million.

**HOUSE AMENDMENT NO. 1**

Provides that coverage for hearing evaluations, hearing aids, and the dispensing and fitting of hearing aids may, rather than must, be included in the program of health benefits.

730 ILCS 110/16.1 new

Amends the Probation and Probation Officers Act. Creates the Redeploy Illinois Program. Permits pilot projects in which a county or group of counties may develop an agreement with the Supreme Court to reduce their number of commitments of juvenile offenders to the Department of Corrections, and then use the savings to develop local programming for youth who would otherwise have been committed to the Department of Corrections. Provides that the county or group of counties shall agree to limit their commitments to 75% of the level of commitments from the average number of juvenile commitments for the past 3 years, and shall receive the savings to redeploy for local programming for juveniles who would otherwise be held in confinement.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 2545 would neither increase nor decrease the number of judges needed in the state.

FISCAL NOTE (Department of Corrections)

House Bill 2545 allows for the creation of county or multi-county pilot projects to reduce the number of juvenile delinquent commitments to the Department of Corrections. Each county or group of counties would be required to limit their juvenile commitments to 75% of the average number of juvenile commitments for the previous three years. Savings would then be redeployed to the counties for local program services for youth who would otherwise have been committed. This legislation would result in a decrease of 325 youth with \$235,785,300 in cost savings over the first ten years after enactment.

**HOUSE AMENDMENT NO. 1**

Deletes all. Reinserts the provisions of the bill but provides that the local plan shall be submitted to the Department of Human Services rather than the Supreme Court. Excludes minors sentenced based upon a finding of first degree murder. Creates an inter-agency oversight board to develop plans for a pilot Redeploy Illinois program. Adds an immediate effective date to the bill.

**SENATE FLOOR AMENDMENT NO. 1**

Excludes from the Redeploy Illinois Program a person guilty of a Class X forcible felony. Includes on the Redeploy Illinois Oversight Board designees from the Cook County State's Attorney's Office and a State's Attorney selected by the Illinois State's Attorney's Association.

**GOVERNOR AMENDATORY VETO MESSAGE**

Recommends that the provision that requires each county to receive, maintain, and appropriate the Redeploy Illinois Program allocations in a separate line item account of the probation department budget be deleted from the bill. Also recommends that the provision that requires the Department of Human Services, upon approval of the annual plan, to forward 20% of the approved Redeploy Illinois Program allocations to the State treasurer to be deposited in the line item account be deleted from the bill.

Amends the State Employee Article of the Illinois Pension Code. Increases the retirement formula for certain regular coordinated members from 1.67% to 2.0% of final average compensation per year of service. Increases the employee contribution rate for those members from 4.0% to 5.03%. Effective immediately.

PENSION NOTE (Pension Laws Commission)

Accrued liability of the System increased by an estimated \$663.9 million. The contributions required to amortize this increase in accrued liability have not been calculated, but would be substantial. The normal cost (benefits earned in a year) is expected to be 1.03% of payroll, which would be offset by the 1.03% of salary increase in employee contributions. If members of SERS start to retire earlier, the costs of HB2546 would be higher than outlined above.

Exempts from the application of the statutes of limitation and repose governing civil actions arising out of acts or omissions in the design, planning, supervision, observation, management, and construction of or improvement to real property those actions that are based on personal injury, bodily harm, or death resulting from the discharge into the environment of any pollutant, including any waste, hazardous substance, irritant, or contaminant. Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code.

Provides for participation by noncertificated employees of the regional office of education serving suburban Cook County, beginning July 1, 2004. Includes provisions relating to credit for prior service with that employer and the payment of liabilities if the regional office is abolished. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

Employees of employers joining IMRF receive credit (without making contributions) for 5 years or 20% of service with the employer, whichever is less. Upon joining IMRF, the Suburban Cook County Regional Office of Education would be required to make annual contributions to amortize the unfunded liability (over 10 years) created by employees' past service credit. The resulting increase in unfunded liability and associated annual costs cannot be determined, as the amount of outstanding service that would be granted to current employees of the Suburban Cook County Regional Office of Education is unknown. Allowing the Suburban Cook County Regional Office of Education into IMRF would not affect the accrued liability or annual cost of any other IMRF employer.

40 ILCS 5/18-140 from Ch. 108 1/2, par. 18-140

Deletes everything. Amends the State Finance Act and the General Obligation Bond Act. Authorizes the issuance of an additional \$10,000,000,000 in general obligation bonds. Provides for the proceeds of those bonds to be used to reduce the unfunded liabilities of the 5 state-funded retirement systems. Reserves a portion of those proceeds to replace certain moneys used to pay required State contributions to those systems in FY 2004 and a portion of FY 2003. Specifies that these and future issues of general obligation bonds may provide for capitalization of up to 12 month's interest. Makes other changes. Amends the Illinois Pension Code to make corresponding changes in provisions relating to the calculation and certification of required State contributions. Provides that the required State contribution for State fiscal year 2005 and each fiscal year thereafter shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated for that fiscal year if the System had not received any payments under this amendatory Act, minus (ii) the amount of the State's debt service payments for that fiscal year on the bonds issued for that purpose that is attributable to the

System. Effective immediately.

FISCAL NOTE (H-AM 1) (Bureau of the Budget)

There is no fiscal impact for HB 2660 (HA #1).

BALANCED BUDGET NOTE (H-AM 1) (Bureau of the Budget)

Since HB 2660 (HA #1) is not a supplemental appropriation bill, there is no Balanced Budget Note impact.

JUDICIAL NOTE (H-AM 1) (Admin Office of the Illinois Courts)

House Bill 2660, as amended by House Amendment No. 1, would neither increase nor decrease the number of judges needed in the state.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

The legislation does not impose requirements on units of local government. Therefore, in the opinion of DCCA, HB 2660 (HA #1) does not create a State Mandate under the State Mandates Act.

HOME RULE NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

HB 2660 (HA #1) pertains to bond funds used for various State retirement systems. The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 2660 (HA #1) does not preempt home rule authority.

LAND CONVEYANCE APPRAISAL NOTE (H-AM 1) (Department of Transportation)

As there are no parcels of land being conveyed in HB 2660 (HA #1), there are no appraisals to be filed by the Department of Transportation

CORRECTIONAL NOTE (H-AM 1) (Department of Corrections)

The fiscal impact is an unknown reduction for the Department because altering conditions within the State Pension Contribution Fund through different investment strategies may result in reduced contributions made by the Department.

PENSION NOTE (H-AM 1) (Pension Laws Commission)

HB 2660, as amended by House Amendment 1, provides that a portion of the proceeds of a \$10 billion bond issuance will be added to the assets of the State retirement systems, in proportion to their current assets. In effect, this action would substantially increase the FY 2004 State contributions to the State-funded retirement systems. These additional FY 2004 contributions could substantially decrease required annual employer contributions to the systems in FY 2005 and beyond. The estimated changes in the annual employer contributions have not yet been calculated.

STATE DEBT IMPACT NOTE (H-AM 1) (Economic and Fiscal Commission)

HB 2660, as amended by House Floor Amendment 1, would increase: General Obligation principal by \$10.0 billion, Potential General Obligation debt by \$23.0 billion, and Annual debt service by an average \$0.6-\$1.3 billion.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM1) (Housing Development Authority)

No fiscal impact.

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code to authorize participation by employees of the United Counties Council of Illinois. Effective immediately.

PENSION NOTE (Pension Laws Commission)

Employees of employers joining IMRF receive credit (without making contributions) for 5 years or 20% of service with the employer, whichever is less. Upon joining IMRF, the United Counties Council of Illinois would be required to make annual contributions to amortize the unfunded liability (over 10 years) created by employees' past service credit. The resulting increase in unfunded liability and associated annual costs cannot be determined, as the amount of outstanding service that would be granted to current employees of the United Counties Council of Illinois is unknown. Allowing the United Counties Council of Illinois into IMRF would not affect the accrued liability or annual cost of any other IMRF employer.

 320 ILCS 25/3.15 from Ch. 67 1/2, par. 403.15  
 320 ILCS 25/4.5 new

Amends the State Finance Act and the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act. Provides that beginning July 1, 2004, the Department of Revenue shall by rule expand the classes of drugs covered under the pharmaceutical assistance program beyond those covered as of January 1, 2003, subject to appropriations. Requires the Department to negotiate and enter into agreements with drug manufacturers for rebates in excess of those received by the State as a result of contracts with third parties on January 1, 2003. Provides for the deposit of those rebates and other moneys into the Prescription Drug Assistance Fund, which is created as a special fund in the State treasury, and for the appropriation of moneys in the fund for the purpose of expanding the classes of drugs covered under the pharmaceutical assistance program beyond those covered as of January 1, 2003. Effective immediately.

**FISCAL NOTE (Department of Public Aid)**

There will be no additional appropriated cost to the Department of Public Aid. Assuming rebates for prescriptions paid by Medicaid will continue to be deposited into the Drug Rebate Fund, the only potential impact IDPA could be a reduction of the "Best Price" charged by a manufacturer which could reduce the level of federal rebates. There will be administrative costs associated with operating this program. Either a complicated tracking system will need to be developed and staffed, or an outside entity will need to be hired. Additionally, IDOR will pay all but \$1.00 for generic and \$4.00 for name brand drug prescriptions. Without knowing the number of rule additions or the rebate agreements negotiated, the additional cost of the legislation could not be defined.

Amends the Children and Family Services Act. Provides that any grandparent of a child whose parents no longer have custody of the child and who is also acting as the foster parent of that child is entitled to full financial assistance for foster care, whether or not the grandparent has been licensed as a foster parent. Requires the Department of Children and Family Services to create a support program, including case management services and legal assistance, for grandparents acting as foster parents. Effective July 1, 2003.

FISCAL NOTE (Department of Children and Family Service)

The Department of Children and Family Services cannot state a maximum cost, but can calculate the minimum anticipated costs. The actual cost will definitely be greater. The increased cost to the Department is at least \$137,491,776 per year. The net increase to the state is \$121,363,452, because the cost decreases when current TANF payments are netted out.

New Act

30 ILCS 105/5.595 new

305 ILCS 5/5-5.23 new

Creates the Children's Mental Health Act of 2003 and amends the State Finance Act and the Illinois Public Aid Code. Requires the development of a Children's Mental Health Plan containing short-term and long-term recommendations to provide comprehensive, coordinated mental health prevention, early intervention, and treatment services for children from birth through age 18. Sets forth features that must be included in the plan. Creates the Children's Mental Health Council, composed of representatives of State government and representatives of various advocacy organizations, to submit a preliminary plan to the Governor on September 30, 2004 and a final plan on June 30, 2005. Imposes certain duties on the Office of Mental Health within the Department of Human Services, the State Board of Education, and school districts. Creates the Children's Mental Health Fund as a special fund in the State treasury, to be used for appropriations to the Department of Human Services for mental health prevention, early intervention, and treatment services for children from birth through age 18. Under the Medicaid program, requires the Department of Public Aid to provide for the screening and assessment of a child before a Medicaid-funded admission to an inpatient hospital for psychiatric services. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Changes the name of the Children's Mental Health Council to the Children's Mental Health Partnership. Adds representatives of community mental health authorities to the membership of the Partnership. Provides that the Department of Public Aid shall work jointly with the Department of Human Services to implement amendatory provisions concerning children's mental

health services under the Medicaid program.

FISCAL NOTE (Department of Human Services)

House Bill 2900 would expand the population that the Children's Mental Health Service System is required to serve by including the 0-3 age group and the 18 year olds. This is a possible increase of 5,000 new clients at a cost of \$2,000 each for services totaling \$10 million. In additional, it is unclear if DPA will pay for the required screening service.

305 ILCS 5/5-5.12 from Ch. 23, par. 5-5.12  
305 ILCS 5/5-5.12b new

Amends the Illinois Public Aid Code in relation to Medicaid. Provides for differential dispensing fees for pharmacies in connection with prescriptions for adult care homes and differential ingredient cost reimbursement of generic and brand name pharmaceuticals. Provides for limiting reimbursement for a prescription to the multisource generic equivalent drug. Prohibits prior authorization requirements for medications used to treat mental illnesses. Authorizes the Department of Public Aid to establish a statewide advisory committee to advise the Department in the development of a preferred formulary listing of drugs covered by the State's Medicaid program. Requires the Department to evaluate drugs and drug classes for inclusion in the State Medicaid preferred drug formulary based on safety, effectiveness, and clinical outcomes of treatments. Makes other changes. Effective immediately.

FISCAL NOTE (Department of Public Aid)

The differential dispensing fee for adult care homes will cost the department \$450,000 annually for each 10 cents dispensing fee is increased. The "Dispense As Written" provision will circumvent the Prior Approval process and Preferred Drug List/ Supplemental Rebates and make the process ineffective. This will result in a loss of savings that will cost the Department \$150 million annually.

Eliminates a provision authorizing the Department of Human Services to adopt rules setting forth criteria under which an assistance unit is ineligible for TANF for a specified number of months due to the receipt of a lump sum payment. Eliminates provisions concerning a prohibition on an increase in TANF aid solely on account of the birth of a child. Effective immediately.

**HOUSE AMENDMENT NO. 1**

Deletes reference to:  
 305 ILCS 5/4-1.2c  
 305 ILCS 5/4-1.6

Deletes everything. Amends the Illinois Public Aid Code. In provisions concerning the amount and nature of financial aid under the TANF program, eliminates provisions concerning a prohibition on an increase in TANF aid solely on account of the birth of a child. Effective immediately.

**FISCAL NOTE (Department of Human Services)**

Based on the actual assistance the children who are currently ineligible would have received, the projected caseload estimates that this change in policy will cost an estimated \$5.6 million in 2004. DHS would also have to be committed to providing for children in future years that would be excluded.

**HOUSE AMENDMENT NO. 2**

Restores provisions of current law providing that a family receiving TANF shall not receive any increase in the amount of aid solely on account of the birth of a child. Provides that those provisions do not apply to affect the monthly assistance amount of any family as a result of the birth of a child on or after January 1, 2004. Provides that as resources permit after January 1, 2004, the Department of Human Services may cease applying those provisions to limit assistance to families receiving TANF assistance on January 1, 2004, with respect to children born prior to that date. Provides that in any event, those provisions limiting assistance shall be completely inoperative on and after July 1, 2007.

Amends the Illinois Public Aid Code in relation to education, training, and employment programs for TANF recipients. Provides that an individual who is exempt from participating in such programs but who volunteers to participate may not be sanctioned for not meeting program requirements. Makes changes concerning good cause for failure to participate in such programs, and provides that the Department of Human Services may not require corroboration of a client's assertion of good cause unless the Department has information that is inconsistent with that assertion. Provides that an individual may decline literacy testing or a determination of language proficiency. Requires the Department of Human Services to annually evaluate its procedures and written materials. Adds a provision concerning transitional jobs and removes a provision concerning community service. Makes other changes. Effective immediately.

#### **HOUSE AMENDMENT NO. 1**

Deletes reference to:  
305 ILCS 5/9A-8.1

Deletes everything. Reinserts provisions substantially similar to those of the bill as introduced, amending the Illinois Public Aid Code, but with changes that include the following: (1) removes an amendatory provision that the Department of Human Services may not require corroboration of a client's assertion of good cause for failure to participate in education, training, and employment programs unless the Department has information that is inconsistent with the client's assertion; (2) removes an amendatory provision authorizing assignment of a client to an education, training, or employment activity if the client was already engaged in such an activity at the point of entry; (3) provides that in the assessment process, the Department of Human Services shall offer to include standard literacy testing and a determination of English language proficiency and shall provide it for those who accept the offer (instead of requiring the Department to include such testing and such a determination in the assessment unless declined by the individual); (4) removes amendatory provisions for an annual evaluation of the Department's procedures and written materials; and (5) provides that community service includes unpaid work that a client performs in his or her community, such as for a school, church, government agency, or nonprofit organization (instead of deleting all provisions concerning community service). Effective immediately.

#### **FISCAL NOTE (Department of Human Services)**

The Transitional Jobs Program will be the most problematic provision to implement. If DHS is responsible for the wages of clients required to work a minimum amount of 30

hours/week, the annual cost per client for wages only will be \$8,031. Additionally, the supportive services required will be additional costs. There are so many undetermined variables in this bill in which the definition must prelude as actual estimate of cost.

New Act

Creates the Community Self-Revitalization Act. Provides that a municipality, county, or any combination of municipalities and counties that are certified as an economically distressed community by the Department of Commerce and Community Affairs, in order to receive the assistance as provided under the Act, may appoint a Board of Economic Advisors. Provides that the Board shall consist of 12 members of the community, appointed by the corporate authorities of the community, representing the perspective of 12 sectors vital to community redevelopment, including families, businesses, and government. Provides that the Board shall create a 3-year to 5-year revitalization plan for the community containing distinct, measurable objectives for revitalization. Provides that the Department of Commerce and Community Affairs shall, subject to appropriation, make grants to communities that create a Board of Economic Advisors under the Act for the operational expenses of the Board. Provides that Boards shall seek funding

sources to enhance economic development. Further provides that the Department of Commerce and Community Affairs shall advise Boards of available funding and assist Boards in securing this funding. Effective immediately.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

HB 3045 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Dept of Commerce and Community Affairs)

A reasonable estimate of the fiscal impact cannot be made at this time because the number of communities that may appoint a Board of Economic Advisors, and the potential source and amount of grant funding is unknown.

20 ILCS 3805/7.28  
35 ILCS 5/214

Amends the Illinois Housing Development Act. Makes changes in the definitions of "affordable housing project" and "sponsor". Defines "project" to mean an affordable housing project, an employer-assisted affordable housing project, general operating support, or technical assistance. Defines "tax credit" as a tax credit allowed under Section 214 of the Illinois Income Tax Act. Provides that a sponsor must apply to an administrative housing agency for approval of a project (now, must apply to the agency that administers the program). Provides that the agency must reserve a specific amount of tax credits for each approved project (now, must reserve the credits for each approved affordable housing project for 24 months after it is approved and the sponsor must receive an eligible donation within that time in order to receive the credit). Provides that tax credits for general operating support can only be reserved as part of a reservation of tax credits for another type of project. Allows tax credits only where an administrative housing agency has reserved tax credits for the project. Limits tax credits for general operating support to 10% of the total tax credit reservation for the related project (now, limited to 10% of the total tax credit allocation for the project). Allows an administrative housing agency to reserve tax credits for any approved projects if the agency is unable to reserve the tax credits set-aside for employer-assisted housing projects and general operating support. Amends the Illinois Income Tax Act. Provides that persons or entities not subject to the tax and who make a donation under the Illinois Housing Development Act are entitled to receive and to transfer a tax credit for affordable housing donations. Makes other changes. Effective immediately.

Amends the State Mandates Act to require implementation without reimbursement.

FISCAL NOTE (Central Management Services)

This bill will affect each of our managed care plans, but our Quality Care Health Plan typically covers these costs subject to medical necessity and until improvement and progress is no longer evident. According to our managed care vendors, this change would increase costs to the state by approximately \$2.7 million, which would be passed on to employees in the form of rate increases.

HOUSE AMENDMENT NO. 1

Adds reference to:

20 ILCS 1405/1405-35 new

Amends the Department of Insurance Law of the Civil Administrative Code of Illinois. Requires the Department of Insurance to conduct a study of the costs and benefits of insurance coverage requirements for the treatment of brain injuries. Requires the Department to report its findings to the General Assembly and the Governor on or before March 1, 2007. Abolishes the coverage requirements for brain injury treatment on January 1, 2008.

FISCAL NOTE (H-AM 1) (Dept. of Central Management Services)

This bill will affect each of the Illinois Department of Central Management Services managed care plans, but our Quality Care Health Plan (QCHP) typically covers these

costs subject to medical necessity and until improvement and progress is no longer evident. According to our managed care vendors, this change would increase costs to the state by approximately \$2.7 million, which would be passed on to employees in the form of rate increases. CMS does not anticipate any significant fiscal impact as a result of the amendment.

FISCAL NOTE (H-AM 1) (Department of Insurance)

House Bill 3060 will require the Department to hire staff or contract out services to conduct the surveys. This staff person or contractor will have to be an expert in the brain injury field. The Department estimates the cost to be approximately \$50,000.

730 ILCS 5/3-14-6 new

Amends the Illinois Public Aid Code and the Unified Code of Corrections. Provides that the Department of Human Services shall establish a pilot program to place hard-to-employ persons, including persons who have been released from a county jail or a facility under the jurisdiction of the Department of Corrections, in jobs. Provides that the Department of Corrections shall establish a pilot program in 2 locations in the State (one of which must be in the Lawndale community of Chicago) to place persons discharged from a Department facility on parole or mandatory supervised release in jobs or otherwise establish a connection between such persons and the workforce. Authorizes the 2 departments to consult with each other. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause and reinserts the provisions of House Bill 3316, with changes that include the following: (1) provides that the Department of Human Services and the Department of Corrections may (instead of shall) establish pilot programs, and makes establishment of the pilot programs subject to appropriations or other funding; and (2) provides that in determining locations for the pilot programs, each department shall give priority to areas of the State in which the concentration of released offenders is the highest (deleting a provision requiring the Department of Corrections to locate one of its programs in the Lawndale community of Chicago). Effective immediately.

FISCAL NOTE (Department of Human Services)

Creating more employment programs would increase administrative costs and replicate services already being provided. As a guideline for determining costs, consider that a similar program cost approximately \$500 per month per client. A total cost for this bill is dependent upon the scope of the program and numbers served.

## New Act

Creates the Human Voice Contact Act. Provides that a State agency that uses automated telephone answering equipment to answer incoming telephone calls must, during the normal business hours of the agency, provide the caller with the option, among the first set of menu choices, of speaking to a live operator. Exempts a telephone line that is dedicated as a hot line for emergency services or to provide general information.

## HOUSE AMENDMENT NO. 1

Defines "information transaction line" as a State agency telephone line that allows a caller to access his or her account and related information using a touch-tone telephone, and exempts such a line from the Act's human voice contact requirement.

## FISCAL NOTE (Department of Central Management Services)

The Department of Central Management Services anticipates significant costs related to re-programming of automated telephone systems. Re-programming costs can range from \$100 for small systems to well over \$400,000 for large systems. State government currently has over 500 systems. Not all systems will require re-programming. However, we estimate the number of systems needing re-programming will be significant.

## HOUSE AMENDMENT NO. 2

Makes the requirement that a State agency provide a caller with the option of speaking to a live operator subject to appropriations.

Amends the Southern Illinois University Management Act. Abolishes the Board of Trustees of Southern Illinois University. Provides that that part of Southern Illinois University associated with the Carbondale campus (except the School of Medicine) shall be known as Southern Illinois University at Carbondale and shall be under the governance and control of the Board of Trustees of Southern Illinois University at Carbondale. Provides that that part of Southern Illinois University associated with the Edwardsville campus (along with the School of Medicine) shall be known as Southern Illinois University at Edwardsville and shall be under the governance and control of the Board of Trustees of Southern Illinois University at Edwardsville. Makes corresponding changes in various Acts. Effective July 1, 2003.

HOUSE AMENDMENT NO. 1

Removes a provision that makes Southern Illinois University School of Medicine a part of Southern Illinois University at Edwardsville; makes related changes. Provides that the Illinois Ethanol Research Advisory Board shall include the President of Southern Illinois University at Edwardsville (instead of the President of Southern Illinois University at Carbondale). Provides that on July 1, 2005 (instead of July 1, 2003) the governance and control of Southern Illinois University shall pass to and rest within the new boards of trustees; makes related changes. Changes the effective date from July 1, 2003 to July 1, 2005.

FISCAL NOTE (Board of Higher Education)

Current state appropriations for the operation of the Office of the President of Southern Illinois University total \$2.2 million. Once savings from the elimination of the Office of the President are realized, the annual state costs related to providing those services at Carbondale and Edwardsville could be up to \$955,000. SIU currently has approximately \$158 million in outstanding debt, including Housing System revenue bonds, Medical System bonds, and Certificates of Participation. The majority of this debt is secured with the bondholders and bond issuers with revenues from bond facilities on both campuses, and is not divisible between the two campuses. The two Universities would have to issue bonds to escrow some of this existing debt to comply with the provisions of HB 3465. While it is difficult to project the associated costs, SIU indicates that issuance costs could reach \$2 million or more. This would not be an expenditure of state funds, but nonetheless represents an obligation to be covered by the two institutions. Large organizations receive benefits from financing risks through a self-insurance program. From among Illinois public universities, only the University of Illinois and Southern Illinois University have self-insurance programs. The individual campuses may not have significant size to benefit from such a program, from which Southern Illinois University estimates its annual savings range from \$2.5 million to \$3.5 million.

New Act

Creates the Victims of Domestic Violence Employment Leave Act. Provides that specified employers may not discharge or discriminate against an employee for taking time off from work to seek relief as a victim of domestic violence. Also prohibits those employers from discharging, discriminating, or retaliating against an employee who is a victim of domestic violence for taking time off from work to seek medical attention or counseling for injuries or psychological trauma caused by domestic violence. Effective immediately.

HOUSE AMENDMENT NO. 1

Provides that an employer may not discharge or discriminate or retaliate against an employee who is a victim of domestic violence for taking time off from work to obtain or attempt to obtain any judicial relief (rather than any relief). Provides that the employee must

give the employer 48 hours' advance notice (rather than reasonable advance notice) of the employee's intention to take time off, unless the advance notice is not feasible, and that an employer may require certification of the need for leave when the employee gives the employer advance notice. Provides that an employee who is discharged, threatened with discharge, demoted, suspended, or discriminated or retaliated against by an employer "solely because" (rather than "because") the employee took time off under the Act may pursue specified remedies.

HOUSE AMENDMENT NO. 2

Includes, in the definition of "employer", any person that employs at least 50 (rather than 25) employees for each working day during each of 20 or more calendar work weeks in the current or preceding calendar year.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything. Creates the Victims' Economic Security and Safety Act. Provides that an employee who is a victim of domestic or sexual violence, or who has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee, may take leave from work to address domestic or sexual violence by: (A) seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the employee's family or household member; (B) obtaining services from a victim services organization for the employee or the employee's family or household member; (C) obtaining psychological or other counseling for the employee or the employee's family or household member; (D) participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the employee or the employee's family or household member from future domestic or sexual violence or ensure economic security; or (E) seeking legal assistance or remedies to ensure the health and safety of the employee or the employee's family or household member, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence. Contains provisions regarding criteria for applicability of the Act to employers; procedures for obtaining leave, prohibited acts, enforcement, notices to be posted by employers, effect on other laws, severability, and other matters. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Changes the definitions of "domestic violence", "employee", "employer", "family or household member", "sexual assault", and "stalking". Changes the statement of purposes of the Act. Provides that leave shall be unpaid. Changes the requirements for certification by an employee to an employer. Provides that an employer may not engage in specified acts against an individual because the individual involved is or is perceived to be a victim of domestic or sexual violence (rather than because the individual involved is or is perceived to be a victim of domestic or sexual violence or has a family or household member who is or is perceived to be a victim of domestic or sexual violence). Provides that an employer who has been ordered by the Director of Labor or the court to pay damages under the Act and who fails to do so within 30 days (rather than 15 days) after the order is entered is liable to pay a penalty.

SENATE FLOOR AMENDMENT NO. 4

Removes compensatory damages from the list of affirmative actions that may be taken by the Director upon the finding that a violation of the Act occurred.

Amends the Illinois Municipal Code. Provides that an objector to proposed annexation may file a petition objecting to the annexation if the objector does not desire annexation and if the exclusion of all or a specifically described portion of the objector's land will not destroy the contiguity of the territory that is proposed to be annexed, provided that the objector may also or instead propose the annexation of other territory owned by the objector in order to maintain contiguity. New Act

35 ILCS 200/18-20

35 ILCS 200/23-35

65 ILCS 5/1-5-1 from Ch. 24, par. 1-5-1

Creates the Taxing District Tax Levy Validation (2003) Act to validate certain annual appropriation ordinances and tax levy ordinances adopted by taxing districts from 1989 through 2002 together with the taxes assessed, levied, and extended thereon. Amends the Property Tax Code. Allows (now requires) a taxing district to adopt a resolution or ordinance to reduce its tax levy if the district receives a surplus of funds under the State Revenue Sharing Act. Provides that, for the purposes of tax objections based on budget or appropriation ordinances, "municipality" means all municipal corporations in, and political subdivisions of, this State (now, excepts out from this definition a number of units of local government) and eliminates a basis on which a taxpayer may file an objection under these provisions. Applies these changes retroactively. Amends the Illinois Municipal Code to authorize the recovery of costs and attorney fees incurred by a prevailing taxpayer who brings suit on behalf of a municipality to recover certain money or property belonging to the municipality. Effective immediately.

FISCAL NOTE (Department of Revenue)

This bill will have no fiscal impact on the Department of Revenue or the State of Illinois.

730 ILCS 125/5 from Ch. 75, par. 105

Amends the County Jail Act. Provides that if a person who has been convicted of a felony or who has violated mandatory supervised release is incarcerated in a county jail, the Illinois Department of Corrections shall pay the county in which that jail is located \$59 for each day the person remains in the county jail after the fifteenth day after receipt of the documentation from the clerk of the court authorizing the person's transfer to the State facility to which he or she has been sentenced.

**HOUSE AMENDMENT NO. 1**

Deletes the existing substantive provisions. Provides instead that if a person who has been convicted of a felony and has violated mandatory supervised release for that felony is incarcerated in a county jail pending the resolution of the violation of mandatory supervised release, the Illinois Department of Corrections shall pay the county in which that jail is located one-half of the cost of incarceration, as calculated by the Illinois Bureau of the Budget and the county's chief financial officer, for each day that the person remains in the county jail. Provides that calculation of the per diem cost shall be agreed upon prior to the passage of the annual State budget.

**CORRECTIONAL NOTE (H-AM 1) ( Department of Corrections)**

House Bill 3532, as amended by House Amendment #1, would make the Department pay for each county one-half of the cost of incarceration for each person who has violated mandatory supervised release (MSR) and remains in the county jail pending resolution of the mandatory supervised release violation. This enhancement would not add inmates to the prison population. However, this enhancement would result in an increase of \$4,718,820 in additional costs over the first ten years after enactment.

Amends the Illinois Public Aid Code. In provisions concerning TANF eligibility and the residence of a child who is pregnant or a parent, provides that such a person must, within 3 months after beginning to receive TANF, reside with a parent or in another specified setting (instead of providing that no TANF aid shall be paid on behalf of such a person unless the person resides in such a setting).  415 ILCS 100/5 from Ch. 111 1/2, par. 7205

Amends the Response Action Contractor Indemnification Act. Provides that judgments subject to State indemnification (i) shall be paid by warrant solely out of funds available in the Response Contractors Indemnification Fund (rather than, when monies in the Response Contractors Indemnification Fund are insufficient, allowing transfers of funds from the General Revenue Fund) and (ii) may not surpass \$100,000 (rather than \$2,000,000) for a single occurrence. Provides that when there is at least \$100,000 (rather than \$2,000,000) in the Response Contractors Indemnification Fund at the beginning of a State fiscal year, State response action contracts during that fiscal year need not provide that 5% of each payment made under the contract be paid into the Fund. Removes language requiring the transfer of \$1,200,000 from the Response Contractors Indemnification Fund to the Brownfields Redevelopment Fund on the first day of fiscal years 2004 and 2005. Provides that within 30 days after the effective date of this amendatory Act, the Comptroller shall order transferred and the Treasurer shall transfer all monies in the Response Action Contractor Indemnification Fund in excess of \$100,000 from the Response Action Contractor Indemnification Fund to the Brownfields Redevelopment Fund. Creates the New Vehicle Buyer Protection Act of 2004. Provides that qualified third-party dispute resolution processes may be used to resolve certain disputes between certain new vehicle buyers and manufacturers concerning a nonconformity that substantially impairs the use, value, or safety of a new vehicle. Provides that, if a qualified third-party dispute resolution process does not exist, or the new vehicle buyer is dissatisfied with that third-party decision, or the manufacturer or its agent does not fulfill the terms of a decision after it is accepted by the buyer, the buyer may: (i) assert a presumption that a reasonable number of attempts have been made to conform the vehicle to the applicable express warranties in accordance with criteria set forth in the Act and (ii) seek replacement of the vehicle or restitution for the price of the vehicle and damages, attorney's fees, costs, and a civil penalty. Provides that no person may sell, lease, or transfer a motor vehicle that was returned to a manufacturer under the Act or a similar law of any other state unless the vehicle's nonconformity is clearly and conspicuously disclosed to the prospective buyer, lessee, or transferee, the nonconformity is corrected, and the manufacturer warrants to the new buyer, lessee, or transferee in writing for a period of one year that the motor vehicle is free of that nonconformity, except as otherwise specified. Provides that the Attorney General shall establish a program for certifying, reviewing, and decertifying third-party dispute resolution processes established by new vehicle manufacturers or their agents. Provides that the Secretary of State may suspend the license of a manufacturer or distributor for its failure to honor a decision of a qualified third-party dispute resolution process. Provides that the Secretary of State shall collect fees from manufacturers for the administration of the program and that the fees shall be deposited in the new Third-Party Dispute Resolution Fund. Applies to new motor vehicles beginning with the model year following the effective date of the Act. Amends the Environmental Protection Act. Provides that the annual fees applicable to discharges under NPDES permits do not apply to not-for-profit organizations. Effective immediately.

FISCAL NOTE (Environmental Protection Agency)

HB 3824 would result in the loss of an unspecified amount of revenue to the State (although the Environmental Protection Agency does not expect the lost revenue to exceed \$100,000). The Illinois EPA does not currently possess information in its data system that allows it to identify those permit holders designated as not-for-profit organizations under Section 501(c) of the Internal Revenue Code of 1986. This information would have to be supplied by each permit holder. However, if the lost revenue results in decreased appropriations to the Illinois EPA, cuts would have to be made in the permitting, inspection, and compliance activities in the Agency's Clean Water program. Since the fee revenue is used to match federal funding for water programs, the program cutbacks may be compounded by lost federal grant revenue.

Amends the Environmental Protection Act. Provides that the annual fees applicable to discharges under NPDES permits do not apply to (i) a unit of local government, (ii) a private sector contractor providing sewage treatment services or infrastructure under contract with the State, any department or agency of the State, a unit of local government, or a school district during the course of providing those services, or (iii) a not-for-profit organization. FISCAL NOTE (Environmental Protection Agency)

HB 3827 would result in the loss of approximately \$10 million in lost revenue to the State, or a little less than one-half the total annual revenue projected from NPDES fees. The Illinois Environmental Protection Agency does not currently possess information in its data system that allows it to identify those permit holders designated as not-for-profit organizations under Section 501(c) of the Internal Revenue Code of 1986. 415 ILCS 5/12.5

Amends the Environmental Protection Act. Removes provisions allowing the Environmental Protection Agency to assess and collect NPDES discharge fees. Effective immediately.

FISCAL NOTE (Environmental Protection Agency)

HB 3828 would result in the loss of over \$20 million per year in revenue to the State. Another \$4.7 million in federal funds for Clean Water program activities would be lost due to the lack of State matching funds. The bill would cut funding for 120 positions assigned to regulate wastewater facilities in Illinois. Moreover, the Environmental Protection Agency would no longer be able to perform required permitting, inspection, and monitoring activities for these facilities. As a result, delegation of this program would be returned to the federal government.

HOUSE AMENDMENT NO. 1

Further amends the Environmental Protection Act. Requires the Environmental Protection Agency to fully refund, from moneys in the Illinois Clean Water Fund, any NPDES discharge fee that was collected on or after July 1, 2003. Effective immediately.

FISCAL NOTE (H-AM 1)(IL Environmental Protection Agency)

HB 3828 (HA #1) would result in the loss of over \$38 million for Fiscal Years 2004 and 2005 and \$20 million per year in revenue to the State thereafter. To date, approximately \$18 million has been collected in fees for discharges under NPDES permits. The Agency's ability to refund previously collected fees would depend on the balance of funds available in the Clean Water Fund at the time the proposed legislation becomes law. Additionally, another \$4.7 million in federal funds for Clean Water program activities would be lost due to the lack of state matching funds. The bill would cut funding for 120 positions assigned to regulate wastewater facilities in Illinois.

Moreover, the Agency would no longer be able to perform required permitting, inspection, and monitoring activities for these facilities. As a result, delegation of this program would be returned to the federal government.

BALANCED BUDGET NOTE (H-AM 1)(Governor's Office of Mgmt & Budget)

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental appropriation bills. Since House Bill 3828 (HA #1) is not a supplemental appropriation bill, it is not possible to complete this Note as requested.
