Amends the Toll Highway Act. Requires the Governor to appoint an Inspector General to investigate waste, fraud, or financial mismanagement in Authority operations involving Authority employees or contractors. Provides that after the effective date of this amendatory Act and through June 30, 2004, the Illinois State Toll Highway Authority may not charge or collect tolls at a rate higher than the tolls in effect on March 21, 2002. Provides that with respect to a proposed increase in toll rates, the Authority may not hold more than one hearing on the same day, and imposes other requirements concerning such hearings. Requires the Authority to submit a 20-year comprehensive strategic financial plan to the General Assembly by December 31, 2004. Requires the Auditor General to conduct a management audit of the State's toll highway operations and management. Provides that the Act constitutes an irrevocable and continuing appropriation from the Illinois State Toll Highway Authority Fund for amounts to pay principal, interest, and other bond expenses and obligations (instead of the Fund being considered always appropriated for the purposes of repayment of debt service and other bond obligations). Provides that all other expenses, including ordinary and contingent expenses, are subject to annual appropriation. Provides that, before bonds may be issued for or construction may be commenced on any new segment of toll highway, the issuance of bonds for or the commencement of construction of that particular segment must be approved by law (rather than authorized by joint resolution of the General Assembly). Prohibits directors of the Illinois State Toll Highway Authority, their employees, and agents from receiving direct or indirect financial benefit from the letting of Authority contracts during their terms of service and for a period of one year following termination of their positions or employment with the Authority. Requires the Authority to maintain a debt service fund with respect to revenue bonds outstanding on the effective date of this amendatory Act. Makes other changes. Effective immediately.

 765 ILCS 5/7a from Ch. 30, par. 6a

Amends the Illinois Highway Code and the Conveyances Act. Provides that a public water service or public sanitary service utility must pay for any physical damage it causes to improvements lawfully located in a road or highway right-of-way. Provides that property that includes a portion of a highway or road but is subject to the highway or road shall not be considered to "end" at the highway or road. Provides that a utility must obtain consent to use a road or highway for public utility purposes from a lawful owner of the roadway or highway property (i.e. a person whose deed of conveyance lawfully includes the property, whether or not made subject to the highway or road) who does not pay taxes by reason of the farmland assessment provisions of the Property Tax Code. Provides that the term "conveyance" expressly excludes a road, street, highway, or alley if the legal description expressly states that the road, street, highway, or alley is excepted from the property being conveyed. Provides that the rights accruing to the abutting property owner shall be subject to all existing uses and easements located within the right-of-way and shall also be subject to such future uses and easements as may be permitted to be located within the right-of-way under the provisions of the Illinois Highway Code. Makes other changes.

FISCAL NOTE (Illinois Board of Higher Education)

Any effect the enactment of this legislation may have on state expenditures would be subject to future negotiations with higher education institutions. At this time, it is not possible to determine the effect this legislation would have on state revenues or the expenditure of state funds.

STATE MANDATES FISCAL NOTE (Illinois Community College System)

There is no fiscal impact for community colleges or the ICCB.

FISCAL NOTE (Educational Labor Relations Board)

Although we cannot accurately calculate the total cost to implement this legislation, it will impose an additional cost on agency operations. In light of future budget cuts and the Board's current strain of its limited resources, these additional responsibilities will impose a greater financial burden upon the Board.

35 ILCS 636/5-20

Amends the Simplified Municipal Telecommunications Tax Act. Establishes procedures for the Department of Revenue to certify an ordinance passed by a municipality to impose a tax under the Act or to amend or repeal a tax imposed under the Act and to notify telecommunications retailers of the certification of the ordinance by the Department (now, municipalities are required to file the ordinance with the Department pursuant to rules adopted by the Department). Imposes time frames for Department certification and notification of retailers. Effective immediately.

FISCAL NOTE (Department of Revenue)

Because the language in the bill may cause some confusion among municipalities as to when the deadline for submitting ordinances is, there will most likely be some administrative impact on the Department, of an unknown amount, due to the increase in the volume of calls regarding implementation of the tax.

## SENATE FLOOR AMENDMENT NO. 1

Provides that the Department must determine whether the ordinance imposing, amending, or repealing the tax meets the criteria under the Act within 10 days (30 days in the underlying bill) after receipt of the ordinance submitted by the municipal clerk of the municipality adopting the ordinance.

## SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

35 ILCS 630/2

35 ILCS 635/10

from Ch. 120, par. 2002

## 35 ILCS 636/5-7

Amends the Telecommunications Excise Tax Act and the Telecommunications Infrastructure Maintenance Fee Act, and further amends the Simplified Municipal Telecommunications Tax Act. In the definition of "gross charge", with respect to charges for the portion of the interstate inter-office channel provided in Illinois, provides that, prior to January 1, 2004 (now, prior to June 1, 2003), any apportionment method consistent with the provisions set forth shall be accepted as a reasonable method to determine the charges. Adds an immediate effective date.

FISCAL NOTE (S-AM1) (Dept of Commerce and Community Affairs)

No fiscal impact on DCCA. The extent of impact on local governments is not available.

## HOUSE AMENDMENT NO. 1

Adds reference to:

## 35 ILCS 636/5-10

Replaces the other changes in the bill as follows. Amends the Telecommunications Excise Tax Act and the Telecommunications Infrastructure Maintenance Fee Act. Provides that prior to January 1, 2004 (now, June 1, 2003) any apportionment method consistent with the provisions governing apportionment of charges shall be accepted as a reasonable method to determine charges for that portion of the interstate inter-office channels provided within Illinois. Adds provisions concerning the prevention of multi-municipal taxation of certain telecommunications. Makes other changes. Effective January 1, 2004, except that the changes in the Simplified Municipal Telecommunications Tax Act concerning returns to the Department of Revenue and the authority to tax under the Act effective immediately.

## HOUSE AMENDMENT NO. 2

In the Simplified Municipal Telecommunications Tax Act replaces the changes concerning the certification by the Department of Revenue of an ordinance adopted by a municipality to impose the tax and notification of telecommunications retailers. Provides that on and after April 1, 2003, any certified copy of an ordinance filed with the Department on or before September 20 or March 20 shall be effective with respect to gross charges billed by telecommunications retailers on or after the following January 1 or July 1, respectively. 40 ILCS 5/7-145.1  
30 ILCS 805/8.27 new

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code. Provides that the alternative annuity that is available to certain county officers is available to members of a board of commissioners of a forest preserve district who are elected to serve on a forest preserve district that is located in a county having a population of more than 800,000 but fewer than 3,000,000 inhabitants. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact cannot be determined. For forest preserve districts with an elected board of commissioners, there would be a fiscal impact, as the required employee contributions only pay a portion of the cost of the optional benefits. SB 1119 would not affect the annual costs of accrued liabilities of any current IMRF employer.

Deletes everything after the enacting clause. Amends the AIDS Confidentiality Act. Provides that no health care provider (rather than no physician) may order an HIV test without making available, to the person tested, information about the meaning of test results and about the availability of additional testing and referrals. Requires the Department of Public Health to adopt rules to allow for the implementation of HIV/AIDS rapid testing; provides that the rules must include, but need not be limited to, standards for testing and counseling and dissemination of test results. In provisions concerning disclosure of test subjects and results, provides for notice by a physician or other health care provider if a positive test result is confirmed pursuant to guidelines set by the Department of Public Health (instead of confirmed by a Western Blot Assay or more reliable test). Effective immediately.

HOUSE AMENDMENT NO. 2

Adds reference to:  
 410 ILCS 305/3

Further amends the AIDS Confidentiality Act. In the definition of "health care provider", replaces "physician" with "health care professional"; defines "health care professional" to include a physician, physician assistant, advanced practice registered nurse, dentist, or podiatrist, an individual certified to provide HIV testing and counseling. Makes the requirements concerning ordering of an HIV test applicable to health care professionals instead of health care providers. Provides that Department of Public Health rules concerning HIV/AIDS rapid testing must include standards for ordering and administration of testing and counseling (instead of simply for testing and counseling). Requires confirmation of test results pursuant to rules adopted (instead of guidelines set) by the Department.

- 210 ILCS 115/19 from Ch. 111 1/2, par. 729

Amends the Mobile Home Park Act. Provides that the funds and fines received under the Act shall be deposited into the Facility Licensing Fund and shall be used for the enforcement of the Act. Provides that the Department of Public Health may assess administrative fines against a person who operates a mobile home park in violation of the Act or its rules. Provides that the Department must provide written notification of the violations and allow a minimum of 10 days for correction before imposing the administrative fine. Effective immediately.

**FISCAL NOTE (Department of Public Health)**

The Department does not intend to hire additional staff as a result of the proposed amendments that would specify that all fees collected be deposited into the Facility Licensing Fund. This would provide better assurance that the Department can continue to conduct the minimum of one inspection per year of the manufactured home communities. In fiscal year 2002, the Department received \$243,376 in annual license fees and plan review fees. The proposed legislation would allow the Department to assess administrative fines by rule. Without knowing the actual dollar amount of the fees, it is estimated that at least \$7,000 would be collected annually, for an annual revenue of \$250,000. The expense of administering the program in FY02 was \$273,230 which was paid entirely from the general revenue fund.

40 ILCS 5/14-133 from Ch. 108 1/2, par. 14-133

Amends the State Employee Article of the Illinois Pension Code. Increases the retirement formula for certain regular coordinated members from 1.67% to 2.0% of final average compensation per year of service. Increases the employee contribution rate for those members from 4% to 5%. Effective immediately.

FISCAL NOTE (State Retirement Systems)

Based on our analysis, as of June 30, 2001, 57,558 active members and 5,032 deferred members would be affected by the change. The increase for active members is estimated to be \$624.6 million or 1.03% of payroll and deferred members is estimated to be \$39.3 million.

PENSION NOTE (Pension Laws Commission)

SB 1208 would increase the accrued liability of the System by an estimated \$663.9 million. The contributions required to amortize this increase in accrued liability have not been calculated, but would be substantial. In addition, the increase in normal cost (benefits earned in a year) is expected to be 1.03% of payroll, which would be offset by the 1.03% of salary increase in employee contributions. It should be noted that these cost estimates assume a change in the formula would not change the timing of retirement decisions. If members of SERS start to retire earlier, the costs of SB 1208 would be higher than outlined above.

Amends the Counties Code. Provides that the Supreme Court shall establish a Lengthy Trial Fund that shall be used to provide full wage replacement or wage supplementation to jurors who serve on petit juries in civil litigation, for which a jury trial has been requested, after the 10th day of jury service. Provides that payment shall be limited to the actual amount of wages a juror earns, up to \$500 per day, minus any amount the juror actually receives from the employer during the same time period. Provides that each trial court shall collect from each attorney who files a civil case, other than an attorney exempted from payment, a fee of \$20 per case to be paid into the Lengthy Trial Fund. Amends the Jury Act. Provides that service of prospective petit jurors shall be for no more than one court day in actual attendance. Provides that an individual may apply to be excused from jury service for a period of up to 24 months, instead of seeking a postponement when either: (1) the prospective juror has a mental or physical condition that causes him or her to be incapable of performing jury service or (2) jury service would otherwise cause "undue or extreme physical or financial hardship" to the prospective juror or a person under his or her care or supervision. Establishes procedures for verifying information that would justify granting excuse from jury service. Makes failure to appear for jury service a Class A misdemeanor rather than contempt of court. Effective July 1, 2003.

**SENATE COMMITTEE AMENDMENT NO. 1**

Provides that the court may pay replacement or supplemental wages of up to \$300 per day per juror beginning on the 11th day of jury service. Provides that the failure to appear for jury service is a Class C (rather than a Class A) misdemeanor with a fine of up to \$500. Provides that a person summoned for jury service shall not be required or requested to use annual, vacation, or sick leave for time spent responding to a summons for jury duty, time spent in the jury selection process, or for time spent actually serving on a jury.

a summons for jury duty, time spent participating in the jury selection process, or time spent actually serving on a jury. Provides that a court shall automatically postpone and reschedule jury service of a juror employed by an employer with 5 or fewer full-time employees if another employee of that employer is summoned to appear during the same period. Provides that in counties with populations greater than 100,000, service of prospective petit jurors shall be for no more than one court day in actual attendance, unless a prospective juror is selected to serve on a jury or is under consideration to serve on a jury and the consideration covers a period of 2 or more days. Provides that an individual may apply to be excused from jury service for a period of up to 24 months when either the prospective jury has a mental or physical condition that causes him or her to be incapable of performing jury service or jury service would cause undue or extreme physical or financial hardship to the prospective juror or a person under the person's care or supervision. Provides that a person scheduled to appear for jury service has the right to postpone the date of his or her initial appearance for jury service one time only if with the concurrence of the clerk of the court, the prospective juror fixes a date certain on which the person will appear for jury service that is not more than 6 months after the prospective juror originally was called to serve. Provides that a person who is called for juror service and fails to attend without having obtained an excuse or postponement is guilty of a Class C misdemeanor and subject to imprisonment or fine of up to \$500. 20 ILCS 3960/13 from Ch. 111 1/2, par. 1163

20 ILCS 3960/19.6

Replaces the title and everything after the enacting clause with the engrossed bill with the following changes. Amends the Illinois Health Facilities Planning Act. Defines "change of ownership" and "related person". Abolishes the term of office of each member of the State Board as of the effective date of the amendatory Act. Removes a provision that the State Board shall consist of 15 members and provides that, upon the effective date of the amendatory Act, the State Board shall consist of 9 members. Contains provisions concerning the term of office of the 9 members appointed under the amendatory Act. Provides that no more than 5 (now, 8) of the appointments shall be of the same political party. Removes provisions concerning certain recommendations that the Governor must consider in making appointments to the State Board and concerning the term of office for original appointments to the State Board by the Governor. Precludes appointment of any person to the Health Facilities Planning Board on or after January 1, 2004, if that person has served after January 1, 2004 more than 2 consecutive 3-year terms as a board member, except for ex-officio, non-voting members. Provides that a majority (now, 8) of the members of the board who currently hold office constitutes a quorum and that the affirmative vote of a majority (now, 8) of the voting members who currently hold office is required for action requiring a vote by the board. Provides for disqualification of a board member from consideration of an application under certain circumstances. Provides that an exemption shall be approved when information required by the board by rule is submitted. Provides that certain projects are eligible for an exemption, rather than a permit. Provides that the Director of the Department (now, the State Board) shall appoint a hearing officer within 30 days after the Director (now, the Chairman of the Illinois Health Facilities Planning Board) schedules a hearing to appeal an action by the board. Makes changes concerning the length of

the hearing and the time in which the Board's final determinations must be made. Requires the Department of Public Health to issue a permit where the application receives positive findings on all of the Board's review criteria and the application is not objected to by any member of the public. Makes changes concerning data collection from health care facilities by the Department of Public Health and the way in which rules, standards, criteria, and state norms are reviewed, revised, promulgated, and posted. Extends the repeal date to January 1, 2008 (now, January 1, 2003). Further amends the Hospital Licensing Act. Provides that the Department of Public Health shall not issue a violation to a facility if specified criteria are met. Provides that the Department shall conduct an on-site inspection of the completed project no later than 15 (rather than 10) business days after notification from the applicant that the project has been completed and all certifications have been received and accepted by the Department. Provides that the Department may extend this deadline only if a federally mandated survey time frame takes precedence. Provides that the Department may grant or renew an alternative compliance methodology with a rule or standard. Removes a provision requiring the Department to offer an opportunity for informal dispute resolution concerning the application of building codes for new and existing construction. Removes provisions concerning status and exit briefings and changes to provisions concerning disclosure. Makes other changes. Effective immediately.

#### HOUSE AMENDMENT NO. 3

Provides that no person shall be appointed as a Health Facilities Planning Board member if that person has served, after the effective date of the amendatory Act, 2 3-year terms (rather than 2 consecutive 3-year terms), except for ex officio non-voting members. Provides that a Board member may not receive a per diem, but may be paid a hardship allowance as determined by and subject to the approval of the Governor's Travel Control Board. Provides that the Governor shall designate one of the members to serve as Chairman (rather than allowing the Board to provide for its own organization). Provides that 5 members (rather than a majority) constitute a quorum and that the affirmative vote of 5 members (rather than a majority) shall be necessary for any action requiring a vote to be taken by the Board.

Authorizes certain persons to purchase up to 2 years of service credit for certain military service not following employment. Requires payment of an amount representing both employee contributions and the employer's normal cost, plus interest. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of SB 1358 cannot be determined, as the number of members who will purchase the military service credit is unknown. As the bill requires the employee to make the employee and employer (normal cost) contributions, plus interest (3% annually), the fiscal impact is estimated to be relatively minor. Any fiscal impact would be the result of the interest rate being set at only 3% annually.

FISCAL NOTE (Dept of Commerce and Community Affairs)

No fiscal impact on DCCA. The extent of fiscal impact on local governments cannot be determined.

115 ILCS 5/7 from Ch. 48, par. 1707

Amends the Illinois Educational Labor Relations Act. Removes a provision that provides that: (i) the sole appropriate bargaining unit for academic faculty at the University of Illinois shall be a unit that is comprised of non-supervisory academic faculty employed more than half-time and that includes all tenured, tenure-track, and nontenure-track faculty employed by the University's board of trustees; and (ii) any decision, rule, or regulation promulgated by the Illinois Educational Labor Relations Board to the contrary is null and void.

**SENATE FLOOR AMENDMENT NO. 1**

Restores current law concerning the sole appropriate bargaining unit for academic faculty at the University of Illinois. Provides, however, that the bargaining unit is for tenured and tenure-track academic faculty and that each campus of the University as well as the college of medicine, the college of pharmacy, the college of dentistry, the college of law, and the college of veterinary medicine shall have a separate bargaining unit.

**FISCAL NOTE (Illinois Board of Higher Education)**

Any effect the enactment of this legislation may have on state expenditures would be subject to future faculty negotiations with the University. At this time, it is not possible to determine the effect this legislation would have on state revenues or the expenditure of state funds.

605 ILCS 5/4-510 from Ch. 121, par. 4-510

Amends the Illinois Highway Code. Requires the Illinois Department of Transportation to establish exact (rather than approximate) locations and widths of rights of way for future additions to the State highway system and to hold a public hearing whenever exact (rather than approximate) locations and widths of rights of way are to be established. Requires the Department to prepare a map showing the exact location and widths of the rights of way. Requires the filing of an environmental impact study along with a notice of approval of the map and a copy of the map in the office of the recorder for all counties where the land needed for future additions is located. Requires the Department to hold public hearings to discuss the viability and feasibility of each protected corridor not more than 10 years after the protected corridor is established in accordance with the provisions of the Code, and not later than the expiration of each 10-year period after the establishment of the protected corridor. Requires the Department to give due consideration to the information obtained at that hearing and to abolish the protected corridor if construction of the roadway is no longer feasible. Effective immediately.

**SENATE COMMITTEE AMENDMENT NO. 1**

Deletes amendatory language requiring the Department to establish exact locations and widths and to hold public hearings when those widths and locations are established.

**FISCAL NOTE (Department of Transportation)**

The provisions in this bill could lead to a lack of corridor protection. While this would have no immediate fiscal impact on the Department, the lack of corridor protection may lead to an inability to expand highways in rapidly growing and developing communities. This lack of expanded highway development will lead to traffic congestion which cannot be relieved because of the lack of area to build new highways. This congestion and lack of expanded highway development can cost communities and regions billions of dollars and stifle long term economic development.

20 ILCS 3405/20 new

Amends the Historic Preservation Agency Act. Creates the Freedom Trail Commission. Contains provisions concerning the membership and duties of the commission. Provides that the commission must prepare a master plan to promote and preserve the history of the freedom trail and underground railroad in the State; work in conjunction with State and federal authorities to sponsor commemorations, linkages, seminars, and public forums on the freedom trail and underground railroad in the State and in neighboring states; assist and promote the making of applications for inclusion in the national and State register of historic places for significant historic places related to the freedom trail and the underground railroad in the State; assist and develop partnerships to seek public and private funds to carry out activities to protect, preserve, and promote the legacy of the freedom trail and underground railroad in the State; and work with the Illinois State Board of Education to evaluate, conduct research concerning, and develop a curriculum for use in Illinois public schools regarding the underground railroad, with emphasis on the activities of the underground railroad within this State. Provides that the commission must report its activities and findings to the General Assembly by February 1, 2004. Effective immediately.

FISCAL NOTE (Illinois Historic Preservation Agency)

The costs that would be created by SB 1363 are estimated to total \$215,000 and would fall into three areas: (1) Travel and administrative costs for the Commission members and staff - \$20,000 (2) Staff and consultant costs - \$135,000 (3) Publications, promotion, and sponsorships - \$60,000

FISCAL NOTE (State Board of Education)

The costs for the Illinois State Board of Education would be to evaluate, conduct research concerning underground railroads and develop a curriculum for use in the schools regarding the underground railroad. It is not clear what is being evaluated or if a curriculum is being evaluated. This agency generally doesn't conduct research but what is intended may be researching curriculum, and that would be done in the course of curriculum development. The actual development of curriculum would be the single cost-estimate of \$15,000 for a team of teachers/editor/staff contact here.

105 ILCS 125/4

105 ILCS 125/5

from Ch. 122, par. 712.4

from Ch. 122, par. 712.5

Creates the Childhood Hunger Relief Act and amends the School Breakfast and Lunch Program Act. Requires the board of education for certain school districts to utilize available federal funding to establish a school breakfast program and a summer food service program. Provides that applications for participation in the school food programs shall be filed with the State Board of Education and information about the child's status shall be provided by the

Department of Human Services upon written request. Makes changes concerning the breakfast incentive program. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Makes changes concerning which schools are to have school breakfast programs. Removes provisions requiring school districts and schools to develop written plans to administer the breakfast programs. Makes changes concerning summer food service programs. Further amends the School Breakfast and Lunch Program Act. Removes the requirement that applications be filed through the regional superintendent of schools. Removes the amendatory provisions that require a school district to certify children as eligible for free meals and require the Department of Human Services to provide information about a child's status. Provides instead that the Department of Human Services shall work with the State Board of Education to certify all children that are eligible for participation.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the contents of the bill as amended by Senate amendment No. 1 with the following changes. Requires a board of education to implement a school breakfast program in each school within its district only if at least 40% or more students are eligible for free or reduced-price lunches. Removes the requirement that a board of education operate a summer food service program, identify a non-profit or private agency to sponsor a program, or collaborate with a non-profit or private agency to provide the program (instead, strongly encourages a board to operate a program or identify an agency to sponsor a program). Provides that a summer food service program may (instead of shall) be supported by federal funds and commodities and other available State and local resources. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as engrossed with the following changes. Changes the dates in provisions concerning State policy and legislative intent, school breakfast programs, summer food service programs, and reporting school breakfast program information. Provides that a breakfast program must be implemented and operated in each school building (instead of school) within the school district in which at least 40% or more of the students are eligible for free or reduced-price lunches based upon the count on October 31 of the previous year. Provides that a school board shall determine which schools will be required to implement and operate a school breakfast program using the data from the previous school year. Specifies allowable costs for school breakfast program reimbursement. Allows a district to opt out of the school breakfast program requirement if it is determined that the expense reimbursement would not fully cover the costs of implementing and operating a program. Provides for the regional superintendent of schools to make the decision, with appeals of decisions from districts and residents of districts heard by a joint committee made up of the members of the House Elementary and Secondary Education Committee and Senate Education Committee. Provides that a school district may not attempt to opt out of the school breakfast program requirement by requesting a mandate waiver under the School Code. Effective immediately.

HOUSE AMENDMENT NO. 2

Provides that within 90 days after the effective date of the amendatory Act or by September 1, 2004, whichever date is later (instead of by September 1, 2004), a school board shall implement and operate a school breakfast program.

New Act

Creates the Interagency Coordinating Committee on Transportation Act. Creates the Illinois Coordinating Committee on Transportation to foster the coordination of public and private transportation services and establishes its membership, duties, and powers. Provides that the Governor or his or her designee shall serve as chairperson, and that the Secretary of Transportation and a representative of a community based organization in transportation, or their designees, shall serve as vice-chairpersons and be responsible for staff support for the Committee. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the original text with changes. Provides that the General Assembly finds that safe, reliable, and convenient transportation to and from (i) work and related destinations such as child care and education, (ii) medical appointments and related destinations such as a pharmacy, and (iii) ancillary services necessary to the health, well-being, and independence of the family such as grocery shopping, adult day services, and pharmacy related services are extremely important in the ability to find and retain employment and insure the continued independence and well-being of all citizens of Illinois, particularly in the lower income sectors of the economy. Adds a representative of a state-wide

business association and a representative of the Illinois Council on Developmental Disabilities to the members of the Illinois Coordinating Committee on Transportation. Effective immediately.

FISCAL NOTE (S-AM1) (Department of Transportation)

The Department would have to devote a certain amount of staff time to support the Coordinating Committee, estimated at minimum of \$25,000 per year. Also, additional funding for new programs initiated by the Coordinating Committee could call for as much as \$2,000,000 in State matching funds, if the Committee would be successful in securing federal funding for these various programs.

New Act

Creates the Ephedra Prohibition Act. Prohibits the sale of any dietary supplement containing any quantity of ephedra or ephedrine alkaloids. Exempts from that prohibition the sale of any product that receives explicit approval by the Secretary of Health and Human Services as safe and effective for its intended use or is lawfully marketed under an over-the-counter monograph issued by the United States Food and Drug Administration. Provides that a person is guilty of a Class A misdemeanor for a first-time violation of the Act and a Class 3 felony for a subsequent violation. Effective immediately.

CORRECTIONAL NOTE (Department of Corrections)

The impact of this legislation is expected to be minimal. Because the penalty associated with a first violation is a Class A misdemeanor, and offenders convicted solely of a misdemeanor cannot be admitted to the Department, there would be no corrections population or fiscal impact on the Department. Each person sentenced to prison for a subsequent violation, a Class 3 felony, would serve an average of 12 months at a cost of \$21,654 and would require the construction of one additional prison bed at the cost of \$53,168.

FISCAL NOTE (Department of Public Health)

No fiscal impact.

## New Act

Creates the Health Care Justice Act. Provides that the State of Illinois shall implement a health care plan that provides access to a full range of preventive, acute, and long-term health care services. Establishes the Bipartisan Health Care Reform Commission with members appointed by the Governor and legislative leaders. Provides for public hearings and a report by the Commission. Requires a preliminary report by February 1, 2005 and a final report by February 1, 2006. Effective immediately.

## FISCAL NOTE (Department of Public Health)

It is difficult to estimate the cost of such a contract but it could very easily equal or exceed the \$500,000 cost of the research and reporting work performed in conjunction with a study of Illinois uninsured performed for the Illinois Assembly on the Uninsured.

## SENATE FLOOR AMENDMENT NO. 1

Provides that the Secretary of Human Services or his designee shall serve on the Health Care Reform Commission. Provides for the legislative leaders to each appoint one member, rather than 2, to the Commission. Provides for the Governor to appoint 21, rather than 15, members of the Commission. Provides that funding for a study by an independent research entity shall be subject to appropriation or availability of other funds. Provides that the Commission's recommendations shall be considered by the General Assembly as the basis for a health care access plan, rather than the recommendations forming the basis for a health care access plan.

35 ILCS 5/208.2 new

Amends the Illinois Income Tax Act. Provides that, beginning with taxable years ending on or after December 31, 2003, every individual taxpayer who owns property in an active adult planned unit development community is entitled to a tax credit equal to 50% of the real property taxes extended on behalf of the school district and paid by the taxpayer during the taxable year on the principal residence of the taxpayer. Provides that if the credit exceeds the tax liability of the taxpayer, the taxpayer shall receive a refund for the amount of the excess. Provides that the Department of Revenue shall adopt rules defining "active adult planned unit development community". Exempts the credit from the sunset provisions of the Act. Effective immediately.

FISCAL NOTE (Department of Revenue)

From available data, we know that there were 690,000 seniors in Illinois who claimed a senior homestead exemption in 2001. The property tax credits for those 65 and over indicated that average property taxes were \$2,365 per year. If ten percent of this population took the tax advantage and moved to an active adult retirement setting, that would equal 69,000 people and would cost the State approximately \$49 million. The average tax bill multiplied by 10% of seniors equals \$163 million. School districts share of property taxes averages approximately sixty percent, which gives you \$97.9 million. The bill allows a refundable credit of 50% of the real property taxes extended on behalf of a school district and paid by the taxpayer. Fifty percent of \$97.9 million is \$49 million.

30 ILCS 805/8.28 new

Deletes everything after the enacting clause. Amends the Property Tax Code. Amends the Senior Citizens Homestead Exemption provisions to provide that in counties with 3,000,000 or more inhabitants, if a property has been granted a homestead exemption under these provisions, the person qualifying need not reapply for the exemption. Increases the ceiling for household income eligibility for the Senior Citizens Assessment

Freeze Homestead Exemption provisions, for taxable years 2003 and thereafter, from \$40,000 per year to \$45,000 per year. Creates a general homestead exemption provision that applies only to counties with 3,000,000 or more inhabitants. Provides that the amount of the exemption is the equalized assessed value of the homestead property for the current tax year minus the adjusted homestead value. Defines "adjusted homestead value" as the lesser of (i) the property's base homestead value increased by 7% for each tax year after 2002 through and including the current tax year or (ii) the property's equalized assessed value for the current tax year minus \$4,500. Provides that "base homestead value" means the equalized assessed value of the property for tax year 2002 prior to exemptions, minus \$4,500. Establishes procedures for determining the base homestead value of property improved after the 2002 tax year. Sunsets the provisions after the 2010 assessment year. Amends the Economic Development Area Tax Increment Allocation Act, the County Economic Development Project Area Property Tax Allocation Act, the County Economic Development Project Area Tax Increment Allocation Act of 1991, the Economic Development Project Area Tax Increment Allocation Act of 1995, the Tax Increment Allocation Redevelopment Act and the Industrial Jobs Recovery Law in the Illinois Municipal Code, the School Code, and the Criminal Code of 1961 to include a cross reference to the new general homestead exemption provision in the Property Tax Code. In provisions that authorize a partial exemption from property taxes for homestead properties that have been improved and residential structures on homestead property that have been rebuilt following a catastrophic event, changes the limit to \$75,000 per year for that homestead property beginning January 1, 2004 and thereafter (now, \$45,000 per year). Amends the State Mandates Act to require implementation without reimbursement for the new general homestead exemption and the Senior Citizens Assessment Freeze Homestead Exemption.

New Act

35 ILCS 200/18-20

35 ILCS 200/23-35

65 ILCS 5/1-5-1

from Ch. 24, par. 1-5-1

Creates the Taxing District Tax Levy Validation (2003) Act to validate certain annual appropriation ordinances and tax levy ordinances adopted by taxing districts from 1989 through 2002 together with the taxes assessed, levied, and extended thereon. Amends the Property Tax Code. Allows (now requires) a taxing district to adopt a resolution or ordinance to reduce its tax levy if the district receives a surplus of funds under the State Revenue Sharing Act. Provides that, for the purposes of tax objections based on budget or appropriation ordinances, "municipality" means all municipal corporations in, and political subdivisions of, this State (now, excepts out from this definition a number of units of local government) and eliminates a basis on which a taxpayer may file an objection under these provisions. Applies these changes retroactively. Amends the Illinois Municipal Code to authorize the recovery of costs and attorney fees incurred by a prevailing taxpayer who brings suit on behalf of a municipality to recover certain money or property belonging to the municipality. Effective immediately.

 105 ILCS 5/10-20.7 from Ch. 122, par. 10-20.7

Amends the Downstate Teacher Article of the Illinois Pension Code. Provides that a person who is employed by a private business enterprise engaged in the business of providing schools with temporary substitute teachers is not a "teacher" and is neither entitled to service credit nor required to make employee contributions with respect to that employment. Amends the School Code. Provides that a school board may contract with a private business entity to train and provide qualified temporary substitute teachers, and that those qualified temporary substitute teachers may be employees of the private business entity rather than employees of the school board. Effective July 1, 2003.

**PENSION NOTE (Pension Laws Commission)**

The fiscal impact cannot be determined. There would be a fiscal impact as substitute teachers who are now required to participate in TRS would not be required to become TRS members.

**FISCAL NOTE (State Board of Education)**

No fiscal impact.

**FISCAL NOTE (Teachers' Retirement System)**

There will be no change in the state contributions to the Teachers' Retirement System as a result of this legislation. However, increased state contributions to TRS will be required if teachers that are employed with a temporary employment agency seek to purchase the credit at a later date. Contributions that are required for the purchase of optional service credit covers seventy-nine cents for every dollar of actual cost. Approximately 3,500 substitute teachers become full-time teachers every year.

## New Act

Creates the Illinois Hunting Heritage Protection Act. Provides that, subject to limitations, State public lands shall be open to access and use for recreational hunting. Provides that State public land management decisions and actions should, to the greatest practical extent, result in no net loss of land area available for hunting opportunities on State public lands. Provides that by October 1 of each year, the Governor shall submit a report pertaining to areas that have been closed to recreational hunting, the reasons for the closures, and areas that were opened to recreational hunting to compensate for those areas that were closed. Provides that no withdrawal, change of classification, or change of management status that effectively closes 100 or more acres of State public land to access or use for recreational hunting may take effect, unless the Governor has submitted written notice of the withdrawal or change to the General Assembly. Effective immediately.

## SENATE FLOOR AMENDMENT NO. 3

Deletes everything. Reinserts provisions of the bill as introduced with the following changes: Defines "Department" as the Department of Natural Resources. Provides that the Act applies and "Department-managed lands". Provides that Department land management decisions and actions may not (instead of "should not"), to the greatest practical extent, result in any net loss of acreage available for hunting. Provides that the Governor must submit a written report (instead of "report") to the General Assembly concerning Department-managed lands used for recreational hunting. Deletes the provision that certain actions that effectively close 100 or more acres of State public land to access or use for recreational hunting may not take effect unless the Governor has submitted at least a 30-day advance written notice of the action. Effective immediately.

## HOUSE AMENDMENT NO. 1

In the Illinois Hunting Heritage Protection Act, provides that "recreational hunting" does not include the intentional capture, trapping, or dispatching of dogs and cats, which are under the

sole jurisdiction of the Department of Agriculture.

HOUSE AMENDMENT NO. 2

Provides that "recreational hunting" does not include the intentional capture, trapping, or dispatching of any species of dog that is commonly kept as a household pet or aid animal (instead of "dogs") or any member of the family Felidae (instead of "cats"). Deletes the provision stating that dogs and cats are under the sole jurisdiction of the Department of Agriculture.

## New Act

35 ILCS 5/213 new

Creates the Rural Technology Enterprise Zone Act. Allows the Illinois Commerce Commission to designate rural areas in the State as rural technology enterprise zones. Provides that the Illinois Commerce Commission shall submit a report to the General Assembly outlining the progress in improving Internet access within rural technology enterprise zones. Amends the Illinois Income Tax Act to provide a tax credit for investments in technology infrastructure required to provide Internet access in rural technology enterprise zones. Effective immediately.

FISCAL NOTE (Illinois Commerce Commission)

In order to establish accurate and precise boundaries for these zones, the Commission would have to undertake a substantial rule making effort once this bill became law. Due to the January 1, 2004 start of this program, this process would likely involve several members of the ICC Staff and take at least a year of workshops and Commission proceedings, costing approximately \$45,000. Further, GIS software to establish and track "Rural Technology Enterprise Zones" would cost approximately \$5,600. Ongoing administration to handle things such as petitions and challenges is estimated to cost approximately \$30,000 a year.

FISCAL NOTE (Department of Revenue)

Since the ICC has yet to write rules for the zones, investments and other matters, we are unable to determine how much the credit will reduce income tax liabilities. However, if there are a couple hundred of these zones and taxpayers invest close to \$1 million in each of these zones, the credit has the potential to cause a substantial revenue loss, especially since excess credit may be carried forward 10 years.

FISCAL NOTE (Dept of Commerce and Community Affairs)

SB 1535 will not incur a fiscal impact on DCCA, cities, towns, and incorporated villages. The impact of the legislation on rural townships cannot be determined.

**SENATE FLOOR AMENDMENT NO. 1**

Deletes everything. Reinserts the provisions of the bill as introduced but (1) changes the title of the Act to the Rural Technology Development Zone Act; (2) provides that the Department of Commerce and Community Affairs shall administer the Act rather than

the Illinois Commerce Commission; and (3) provides that the program shall consist of a pilot program with 3 areas designated by DCCA as rural technology development zones in consultation with the Illinois Commerce Commission. Effective immediately.

**HOUSE AMENDMENT NO. 1**

Changes the short title of the new Act to the Abuse Prevention Review Team Act (instead of the Residential Health Care Facility Resident Sexual Assault and Death Review Team Act).

Amends the Sexually Dangerous Persons Act. Provides that a person who is committed as a sexually dangerous person may file an application showing recovery after 6 months have elapsed since the initial commitment order was entered, the most recent order showing recovery was denied, or the most recent order for conditional release was revoked. Provides that the court, within 30 days of the receipt of the petition showing recovery, may either deny the application or set the cause for a probable cause hearing after the court receives a socio-psychiatric report. Provides that at the probable cause hearing, if the court is satisfied that cause exists to believe that it is not substantially probable that the applicant will engage in acts of sexual assault or acts of sexual molestation of children if discharged or conditionally released, it shall set the cause for a hearing. Provides that the person at his or her election is entitled to a trial by jury on the issue of recovery. Provides standards to be considered by the court or jury in determining whether the applicant has recovered and should be discharged from confinement.

**SENATE COMMITTEE AMENDMENT NO. 2**

Changes the procedures at the probable cause hearing. Provides that a jury, or the court without a jury if the applicant has waived a jury, shall make one of 3 findings following a trial: (1) if the State proves by clear and convincing evidence that the person has not recovered and is still a sexually dangerous person the petition shall be denied; (2) if the State proves by clear and convincing evidence that the person has only recovered substantially and that he can be allowed safely to go at large only if he or she is subject to conditions and supervision, then the petition shall be granted subject to such conditions and supervision as are imposed by the court following the finding of substantial recovery; (3) if the State fails to prove by clear and convincing evidence that the person has not recovered and is still a sexually dangerous person and also fails to prove by clear and convincing evidence that the person has only recovered substantially and requires conditions and supervision, the petition shall be granted and the person discharged.

20 ILCS 3805/7.28

35 ILCS 5/214

Amends the Illinois Housing Development Act. Makes changes in the definitions of "affordable housing project" and "sponsor". Defines "project" to mean an affordable housing project, an employer-assisted affordable housing project, general operating support, or technical assistance. Defines "tax credit" as a tax credit allowed under Section 214 of the Illinois Income Tax Act. Provides that a sponsor must apply to an administrative housing agency for approval of a project (now, must apply to the agency that administers the program). Provides that the agency must reserve a specific amount of tax credits for each approved project (now, must reserve the credits for each approved affordable housing project for 24 months after it is approved and the sponsor must receive an eligible donation within that time in order to receive the credit). Provides that tax credits for general operating support can only be reserved as part of a reservation of tax credits for another type of project. Allows tax credits only where an administrative housing agency has reserved tax credits for the project. Limits tax credits for general operating support to 10% of the total tax credit reservation for the related project (now, limited to 10% of the total tax credit allocation for the project). Allows an administrative housing agency to reserve tax credits for any approved projects if the agency is unable to reserve the tax credits set-aside for employer-assisted housing projects and general operating support. Amends the Illinois Income Tax Act. Provides that persons or entities not subject to the tax and who make a donation under the Illinois Housing Development Act are entitled to receive and to transfer a tax credit for affordable housing donations. Makes other changes. Effective immediately.

FISCAL NOTE (Department of Revenue)

This bill will have little to no additional impact. The provision in the bill stating that

an exempt organization may make a donation and sell the resulting credit is merely a codification of current practice.

FISCAL NOTE (Housing Development Authority)

No fiscal impact.

FISCAL NOTE (H-AM 2)(Department of Revenue)

Senate Bill 1592, as amended by House Amendment 2, will have minimal fiscal impact on the Department of Revenue.

STATE MANDATES FISCAL NOTE (H-AM 2)(Dept. of Commerce and Economic Opportunity)

SB 1592 (HA #2) creates a tax exemption mandate for which 100% of the increased costs to units of local government is required under the State Mandates Act. An estimate of the increased costs to the units of local government affected is not available. However, the legislation contains a provision which states that no reimbursement by the State is required.

HOME RULE NOTE (H-AM 2)(Dept. of Commerce and Economic Opportunity)

SB 1592 (HA #2) does not pre-empt home rule authority.

#### HOUSE AMENDMENT NO. 3

Deletes reference to:

20 ILCS 3805/7.28

35 ILCS 5/214

Adds reference to:

35 ILCS 200/18-185

Deletes everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. In certain non-home rule taxing districts in which the voters have approved a referendum making the Property Tax Extension Limitation Law applicable, exempts from the extension limitation those extensions made for payments of principal and interest on bonds issued before July 1, 2005 by any school district on the State Board of Education's Financial Warning List for the purpose of financing a retrofit program to replace steam pipes. Effective immediately.

30 ILCS 330/2.1 new

Amends the General Obligation Bond Act by reducing by \$1 the total amount of General Obligation Bonds authorized under that Act. Effective July 1, 2003.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

Senate Bill 1605, as amended by House Amendment 1, would not affect the bonding authorization of the State, and, therefore, has no direct impact on the level of State indebtedness. The bill would restrict the use of General Obligation and Build Illinois bonding for long term capital needs only, would require competitive bidding for most

bond sales and minimum savings from refunding bonds. This legislation would set limits on State debt, the maturity of bonds, and create greater transparency through disclosure of bond deals, from the Governor's Office of Management and Budget.

Deletes everything. Amends the Riverboat Gambling Act. Authorizes all owners licensees that operate from home docks on the Mississippi River (now one such licensee) to relocate to new home dock locations that meet specified requirements. Provides that if an owners license terminates or expires without renewal or the Board revokes or determines not to renew an owners license, it may re-issue the owners license pursuant to a competitive bidding process. Provides that if the Gaming Board determines that the highest prospective total revenue to the State would be derived from State conduct of the gambling operation in lieu of reissuing the license, it shall so inform each applicant and commence a competitive bidding process for issuance of a managers license. If the Board elects to conduct riverboat gambling operations previously authorized by a terminated, expired, nonrenewed, or revoked owners license, it may do so without an owners license and the number of owners licenses that the Board may issue shall be reduced by one. Provides that the Gaming Board shall have jurisdiction over and shall supervise all State gambling operations. Authorizes qualified persons to apply for a managers license to operate and manage any gambling operation conducted by the State. Provides that making a false statement on a managers license application is a Class A misdemeanor. Provides that issuance of a managers license shall be subject to a competitive bidding process. Sets specific procedures for the bidding for owners licenses and managers licenses. Changes the admission tax rate to a graduated rate based on admissions in the previous year. Effective immediately.

#### HOUSE AMENDMENT NO. 5

Further amends the Riverboat Gambling Act. Provides that the Gaming Board may not re-issue an owners license unless the Board's revocation or determination not to renew the license is final. Amends Public Act 91-40 to replace that Public Act's inseverability clause with a severability clause. Effective immediately.

Amends the Chicago Police, Chicago Firefighter, Chicago Municipal, Chicago Laborers, and Chicago Park District Articles of the Illinois Pension Code. Makes changes concerning participation, eligibility, benefits, and the administration of benefits. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (HA-1) (Pension Laws Commission)

Fiscal impact to Chicago Firefighter's Pension Fund is \$146.6 million in accrued liability, total annual cost of \$16.0 million and a decrease in city funding by \$23.1 million over the next 10 years, with a reduction of \$4.2 million in 2004. Fiscal impact to Chicago Police Pension Fund would be very minor. The bill does decrease city funding by \$23.1 million over the next 10 years, with a reduction of \$4.2 million in 2004. Fiscal impact to Chicago Municipal Employees Pension Fund is \$247.1 million in accrued liability. This addition would reduce the funded ratio by approximately 2.67%. The fund currently has a funded ratio of 84.5%. The other provisions would have a minor impact. Fiscal impact to Chicago Laborers' Pension Fund is \$30.5 million in accrued liability. This addition would reduce the funded ratio by approximately 2.15%. The fund currently has a funded ratio of 111.3%. The other provisions would have a minor impact. Fiscal impact to Chicago Park District Employees Pension Fund is \$32.1 million in accrued liability resulting in a decrease in the funded ratio from 94.0% to 89.8%. The corresponding increase in total annual cost is \$4.7 million or 4.56% of payroll. It should be noted, that even though annual costs would increase by \$4.7 million, actual employer contributions to the fund would actually decrease by \$5 million annually for the next 2 years.

New Act

Creates the Western Illinois Economic Development Authority Act. Creates the Western Illinois Economic Development Authority in Knox, Stark, Warren, Henderson, Hancock, McDonough, Fulton, Mason, Cass, Schuyler, Brown, Adams, Scott, Morgan, Mercer, and Pike

counties in order to promote economic development within those counties. Contains provisions concerning the powers and duties of the Authority. Allows the Authority to acquire, own, sell, lease, or otherwise dispose of interests in real property and to issue bonds, notes, or other evidences of indebtedness for certain purposes in an aggregate amount not to exceed \$250,000,000. Provides that the Authority shall be governed by a 27-member board. Contains other provisions. Effective immediately.

#### SENATE COMMITTEE AMENDMENT NO. 1

Removes Knox, Stark, and Mercer counties from the area comprising the Western Illinois Economic Development Authority. Makes changes in the membership of the Authority by reducing the number of members from 27 to 23. Makes other changes.

#### FISCAL NOTE (S-AM1) (Dept of Commerce and Community Affairs)

The salary of the executive director of the Authority will be specifically appropriated in the Department's budget. The Department will incur no additional costs to administer the appropriation.

#### STATE DEBT IMPACT NOTE (S-AM1) (Economic and Fiscal Commission)

SB 1754 (SA # 1) does not increase the bond authorization of any State-issued bond. The bill, as amended by Senate Amendment No. 1, does allow, in some instances, for the State's moral obligation pledge to be used for the Western Illinois Economic Development Authority's Bonds. The State is not legally obligated to pay in the event of default on moral obligation bonds, but the Governor may include the default amount in the budget for possible legislative action.

#### HOUSE AMENDMENT NO. 1 (TABLED 5-27-2003)

Adds reference to:

820 ILCS 130/2 from Ch. 48, par. 39s-2

820 ILCS 130/4 from Ch. 48, par. 39s-4

Amends the Prevailing Wage Act. Provides that the term "public works" includes all projects financed in whole or in part with bonds, loans, or other financial aid authorized under the Western Illinois Economic Development Authority and removes from the definition of "public body" the requirement that the entity be authorized by law to construct public works or to enter into any contracts for the construction of public works. Requires contractors or construction managers awarded a contract for public works to post certain prevailing wage rate information. Provides that failure to post the prevailing wage rate as required is a violation of the Act.

#### STATE DEBT IMPACT NOTE (H-AM1) (Economic and Fiscal Commission)

SB 1754 (HA #1) does not increase the bond authorization of any State-issued bond. The bill, as amended by House Amendment No. 1, does allow, in some instances, for the State's moral obligation pledge to be used for the Western Illinois Economic Development Authority's bonds.

#### GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the Western Illinois Economic Development Authority Board consist of 17 members (rather than 23 members) and makes corresponding changes. Recommends that the 15 public members (rather than 8 public members) be appointed by the Governor with the advice and consent of the Senate and that each county within the territorial jurisdiction of the Authority shall be represented by at least one public member. Deletes provisions allowing the county board chairmen of certain counties to appoint one member each and makes corresponding changes. Recommends that the 15 original public members serve staggered terms and that their successors be appointed by the Governor with the advice and consent of the Senate for 6-year terms. Recommends that the Authority may engage the services of the Illinois Finance Authority (rather than "other agents and employees") and certain other consultants if the Authority deems it advisable. Recommends that the Authority have the power to utilize services of the Illinois Finance Authority necessary to carry out its purposes (rather than the power to employ agents and employees necessary to carry out its purposes).

## New Act

Creates the State Budget Containment Act. Provides that the aggregate appropriations from the general funds made by the General Assembly for any given State fiscal year, including supplemental appropriations, shall be no more than 104% of the aggregate appropriations from the general funds for the immediately prior State fiscal year, including supplemental appropriations. Requires the Bureau of the Budget, on August 1 each year, to certify general funds revenues received by the State for the immediately prior State fiscal year. Provides that if the certified amount exceeds the amount received during the State fiscal year immediately prior to the immediately prior State fiscal year by more than 4%, then any excess over that 4% shall be transferred into the Budget Stabilization Fund. Authorizes the General Assembly to stop or reverse the transfer by a three-fifths vote in each house. Effective immediately.

Creates the Budget Stabilization Act and amends the State Finance Act. Limits appropriations from the State's general funds in fiscal years when estimated general funds revenues exceed certain previous fiscal years' general funds revenues. Requires the State Comptroller to transfer from the General Revenue Fund into the Budget Stabilization Fund or Early Debt Retirement Fund an amount equal to the fiscal year's unappropriated general funds revenues. Establishes appropriation limits and a transfer schedule. Specifies the purpose of the Budget Stabilization Fund and requires that earnings on its investment remain in the Fund. Creates the Early Debt Retirement Fund as a special fund within the State treasury for payment of certain liabilities. Effective immediately.

## FISCAL NOTE (Economic and Fiscal Commission)

SB 1757 would not increase or decrease any revenues of the State.

## FISCAL NOTE (Office of the Comptroller)

There is no immediate fiscal impact because required transfers to the Budget Stabilization Fund and limitations on state expenditures do not take effect until after the State experiences growth in general revenue funds over 4%. However, using current estimated revenue levels for illustration purposes, a .5% and a 1% transfer into the Budget Stabilization Fund would be approximately \$120 million and \$240 million, respectively.

## GOVERNOR AMENDATORY VETO MESSAGE

In the Budget Stabilization Act, recommends the following changes: In addition to "appropriations", provides that "transfers or diversions as required by law" be subject to certain budget limitations and transfers. Defines "estimated general funds revenues". Deletes references to the Early Debt Retirement Fund. Provides that the balance of the Budget Stabilization Fund may not exceed 5% (instead of 4%) of the total of general funds revenues estimated for that fiscal year. Provides that, if the balance of the Budget Stabilization Fund exceeds 5% of the total estimated general funds, the Comptroller shall make monthly transfers to the Fund only if certain liabilities exist. In the State Finance Act, recommends the following changes: Deletes provisions creating the Early Debt Retirement Fund. Provides that moneys may be transferred from the Budget Stabilization Fund to the General Revenue Fund in order to meet cash flow

deficits (instead of just “deficits”). Effective immediately.

Amends the Illinois Income Tax Act. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

35 ILCS 5/201

Deletes the provisions amending the Illinois Income Tax Act.

STATE MANDATES FISCAL NOTE (Illinois Community College System)

Under the State Mandates Act, a "State Mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Each community college is considered a unit of local government. This bill requires the colleges to include victims of domestic or sexual violence within their current employee benefits policies. The cost to the state's 48 colleges is not available since estimates cannot be made on the number of employees that will use this policy. The cost to the ICCB is also unknown.

FISCAL NOTE (S-AM 1) (Bureau of the Budget)

On reviewing this legislation, the Bureau has determined that the legislation does not propose that the Bureau receive or expend any appropriation, or collect any revenues specified by the legislation. As such, there is no Fiscal Note impact for this bill.

FISCAL NOTE (Dept of Commerce and Community Affairs)

Units of local government are included in term "public agencies" defined within the legislation. Such entities are required to comply with the provisions of the bill. Therefore, local governments can be anticipated to incur a fiscal impact by implementing SB 1763. However, an estimate of the fiscal impact is not available.

FISCAL NOTE (S-AM 1) (Illinois State Board of Education)

An exact fiscal impact is difficult to determine. To the extent that the provisions of the Act apply to local school districts, there will be a fiscal impact at that level. It is likely that employees of school districts will avail themselves to the provisions of this Act, which may require districts to hire a substitute teacher.

PENSION NOTE (Pension Laws Commission)

Based on 1996 membership data for all Downstate Police pension funds provided by the Department of Insurance, the Commission's actuary estimates that the acceleration of the automatic increase in duty disability pensions contained in SB 1768 would increase the accrued liability of the funds by \$38.6 million. The estimated increase in total annual costs is \$4.8 million, or 0.95% of payroll. The annual cost will vary by employer and would increase commensurate with payroll.

FISCAL NOTE (Dept of Commerce and Community Affairs)

SB 1784 does not have a fiscal impact on DCCA. At this time, DCCA has insufficient information to calculate the fiscal impact of this legislation on units of local government which fall within the definition of "public agency" in 30 ILCS 235/1.

FISCAL NOTE (Treasurer of the State of Illinois)

This bill will have no impact on the State Treasurer's budget for the first full year of the bill. The Treasurer does not consider it prudent to accept these additional types of collateral for public moneys. As a result, the Treasurer would not take advantage of the additional authority provided for in the bill.

**SENATE COMMITTEE AMENDMENT NO. 1**

Adds reference to:

35 ILCS 200/31-46 new

Changes the definition of "real estate entity" to remove a provision limiting the definition to real property located in Illinois. Adds that the State-imposed real estate transfer tax is due if the transfer involves one or more persons or entities. Allows an exemption from the State-imposed real estate transfer tax to the extent of the corporate franchise tax imposed under the Business Corporation Act of 1983 and paid by the real estate entity as a result of the transfer.

FISCAL NOTE (S-AM 1) (Dept of Commerce and Community Affairs)

SB 1883 (SA#1) does not incur a fiscal impact on DCCA. While the bill as amended contains certain provisions that are permissive in nature, the fiscal impact on units of local government cannot be estimated at this time.

FISCAL NOTE (SC-AM 1) (Illinois State Board of Education)

No fiscal impact on the State Board of Education. To the extent the bill increases or decreases local revenues, the bill will impact local school districts.

STATE MANDATES FISCAL NOTE (SC-AM 1) (Illinois State Board of Education)

This legislation does not constitute a State Mandate on local school districts.

**SENATE FLOOR AMENDMENT NO. 2**

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced along with the provisions of Senate Amendment No. 1, with changes as follows. In the Real Estate Transfer Tax Law in the Property Tax Code, removes language defining "controlling interest" to include the right of one or of several persons to receive, at the time of distribution, 50% or more of the income or profits of a real estate entity. In provisions imposing a real estate transfer tax in the Property Tax Code, the Counties Code, and the Illinois Municipal Code, provides that the tax is imposed on the privilege of transferring a beneficial interest in real property (now, imposed on the privilege of transferring a beneficial interest in real property that is the subject of a land trust). Defines "beneficial interest". Further amends the Stock, Commodity, or Options Transaction Tax Exemption Act to provide that the new language providing that nothing in the Act shall be construed to prohibit or invalidate a real estate transfer tax or fee otherwise authorized is intended as a clarification and not as a change to existing law. Further amends the Counties Code and the Illinois Municipal Code to provide that any real estate transfer taxes that were imposed by a county or municipality at any time prior to the effective date of this amendatory Act are specifically authorized, permitted, and validated. Makes other changes. Effective immediately.

STATE MANDATES FISCAL NOTE (S-AM1) (Community College Board)

SB 1883 may create a state mandate. The fiscal impact on the community college system is unknown. There is no fiscal impact on the Community College Board.

#### HOUSE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the provisions of the bill as engrossed, making changes as follows: Changes the Real Estate Transfer Tax Law in the Property Tax Code. Defines "controlling interest" to mean more than 50% (now, 50% or more) of the fair market value of all ownership interests or beneficial interests in a real estate entity. Provides that the tax is imposed on the transfer of real estate and beneficial interests in real estate located in Illinois and on the transfer of a controlling interest in a real estate entity owning property located in Illinois. Provides that the transfer declaration shall state the value of the real property or beneficial interest in real property located in Illinois that is transferred (now, the full consideration for the property or interest in real property that is transferred). Makes changes in the Counties Code and the Illinois Municipal Code with respect to the real estate transfer tax imposed by counties and municipalities. Authorizes amendments to the tax if the amendment does not increase the rate of the tax or add transactions on which the tax is imposed (engrossed bill, only if the amendment does not increase the rate of the tax). Replaces language validating any real estate transfer tax imposed by a county or municipality before the effective date of this amendatory Act with language stating that any transfer taxes adopted prior to January 17, 1997 (the effective date of the Public Act creating these provisions) and any amendments adopted in accordance with law after that date are not preempted by this amendatory Act. Deletes everything after the enacting clause. Amends the Local Planning Technical Assistance Act. Creates the Priority Funding Advisory Committee. Provides that the Priority Funding Advisory Committee is established to develop detailed criteria for the Department to use in designating priority funding areas and in making funding decisions for those areas. Authorizes the Committee to create certain preferences for designation as a priority funding area and for grants to those areas. Sets out the membership and the reporting requirements of the Committee. Creates the Local Planning Task Force and lists its membership and duties. Amends the Governor's Office of Management and Budget Act. Requires that the Office review any negative comments and findings that a Department or Agency has received as a result of that interagency review before funding may be authorized for a proposed project or activity. Amends the Regional Planning Commission Act. Provides that an Intergovernmental Cooperation Council created in accordance with the specified Section of the Counties Code may serve as the planning commission if so designated by the county board as provided in that Section. Amends the Counties Code. Provides for the creation of an Intergovernmental Cooperation Council by a county board. Provides for membership, duties, and authority of the Council, if established by a county board. Effective January 1, 2006, except for the provisions of the bill concerning the

Priority Funding Advisory Committee and the Local Planning Task Force, which are effective immediately.

**HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)**

Assuming the State planning programs cited refer to those providing direct funding to regional or local planning efforts, Senate Bill 1906 (HA #1) will have no fiscal impact on the costs of constructing, purchasing, owning, or selling a single family home.

**FISCAL NOTE (Department of Commerce and Economic Opportunity)**

Senate Bill 1906 with House Amendment 1 is estimated to have a fiscal impact on the Department of Commerce and Economic Opportunity for costs associated with producing reports, reimbursing committee members for their expenses, and administering grants to priority funding areas. Because information on the report documents, number of committee/task force meetings, and amount of funding provided for grants is not currently known, a reliable cost estimate cannot be made at this time. This fiscal note does not address the impact of this legislation on any other agency.

**HOUSE AMENDMENT NO. 3**

Deletes provisions that require a unit of local government to receive priority consideration for State grants and other State programs if the affected unit of local government is located in a county that has (i) established an Intergovernmental Cooperation Council; (ii) adopted a Local Land Resource Management Plan that has been deemed to be "joint and compatible" by resolution of the affected unit of local government; and (iii) established procedures for intergovernmental review.

**STATE MANDATES FISCAL NOTE (Department of Commerce and Economic Opportunity)**

Does not create a state mandate under the State Mandates Act.

**HOME RULE NOTE (Department of Commerce and Economic Opportunity)**

The legislation does not contain language indicating a pre-emption of home rule powers and functions.

**FISCAL NOTE (Department of Commerce and Economic Opportunity)**

As amended by HA2, is estimated to have a fiscal impact of over \$15,000 for reimbursing members of the Priority Funding Advisory Committee for their costs incurred through their service. Additional costs will be incurred by the Department to produce and print reports as required in this legislation, however, those costs are unknown at this time. The Department estimates that these costs can be absorbed within the Governor's proposed FY2005 budget for DCEO.

Deletes everything after the enacting clause. Amends the School Code. Terminates the terms of certain members of the State Board of Education and provides for new members to be appointed by the Governor, with the advice and consent of the Senate (including a chairperson). Provides that the Governor who takes office on the second Monday of January after his or her election shall be the person who nominates members to fill vacancies whose terms begin after that date and before the term of the next Governor begins. Limits terms to 4 (instead of 6) years. Makes changes concerning party membership. Provides that appointment of a State Superintendent of Education shall be made by the State Board that includes the members of the State Board whose terms begin after the effective date of the amendatory Act and then by the State Board that includes the members of the State Board whose terms begin on the second Wednesday of January, 2007 and each 4 years thereafter. Provides that a contract issued for the employment of a State Superintendent entered into on or after the effective date of the amendatory Act must expire no later than February 1, 2007, and subsequent contracts must expire no later than each 4 years thereafter (now, a contract may not be for a term longer than 3 years). Prohibits a contract from being extended or renewed beyond February 1, 2007 and each 4 years thereafter, but provides that the State Superintendent shall serve until his or her successor is appointed. Provides that upon appointment of the new Board members, the Board shall review all of its current rules in an effort to streamline procedures, improve efficiency, and eliminate unnecessary forms and paperwork. Creates a Division of Teaching and Learning Services, Division of School Support Services, Division of Fiscal Support Services, Division of Special Education Services, Office of the Internal Auditor, and Office of Human Resources, all within the State Board of Education. Lists the responsibilities of these divisions and offices. Provides that rules and policies of the State Board must be in accordance with the Illinois Administrative Procedure Act. Provides that no rule or policy of the State Board may supercede federal or State law, unless otherwise authorized by law. Requires the State Board to develop and maintain a continuing 5-year strategic plan for elementary and secondary education, to be issued to the Governor and General Assembly. Lists topic areas that the plan must include. Requires the State Board to provide for the establishment and operation of not more than 15 regional administrative service centers, to be located throughout the State based on the location of the 15 regional learning technology centers established by the State Board. Provides for a report on the effectiveness of the centers to be made to the Governor and General Assembly. Lists functions that the centers must perform. Requires a school district's calendar for the school term and any changes to be submitted to and approved by the regional superintendent of schools (the State Board of Education in Chicago) before the calendar or any changes may take effect. Gives the regional superintendent of schools the duty to assist and support school districts with the preparation and submission of grant applications and the duty to accept and review all transcripts for new initial certificate applications and ensure that each applicant has met all of the criteria established by the State Board of Education in consultation with the State Teacher Certification Board. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**JUDICIAL NOTE (Admin Office of the Illinois Courts)**

Would neither increase nor decrease the number of judges needed in the state.

**FISCAL NOTE (State Board of Education)**

Senate Bill 1955, as amended by House Amendment 1, can be funded within existing resources of the State Board of Education with the exception of establishing regional administrative service centers (RASC) and appropriately training ROE to review all transcripts for new initial teaching certificate applications. These additional costs will depend on how many RASC are created and what level they are staffed and how many ROE become involved in reviewing initial teaching certificates. Assuming the number of RASC are phased in across the first two years and are consolidated with the existing Learning Technology Centers and other regional programs and resources, the additional cost is estimated to be approximately \$300 thousand per RASC for a total additional annual cost of approximately \$5 million by the third year. This assumes a Director, several staff, and some operational costs per each RASC. The cost of training ROE in transcript evaluation would be relatively small and may be able to be done within existing resources. It is unclear whether the ROE will require additional staff or resources or will be able to reassign existing staff and resources. Senate Bill 1955, as amended by House Amendment 1, does not appear to establish new state mandates and the legislation is specifically exempt from the State Mandates Act and any cost incurred

by school districts, ROE or others is not reimbursable from the state.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

As amended by House Amendment 1, Senate Bill 1955 would neither increase nor decrease the number of judges needed in the state.

PENSION NOTE (Economic and Fiscal Commission)

Senate Bill 1955, as amended by House Amendment 1, would not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

As amended by HA1, would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE (Dept of Corrections)

Senate Bill 1955, as amended by House Amendment 1, will have no corrections population or fiscal impact on the Department of Corrections.

Illinois community colleges are not affected by Senate Bill 1960.

- 105 ILCS 5/18-8.05
- 720 ILCS 5/17A-1 from Ch. 38, par. 17A-1

Deletes everything after the enacting clause. Amends the Property Tax Code. Increases the ceiling for household income eligibility for the Senior Citizen Assessment Freeze Homestead Exemption from \$40,000 for taxable years 1999 through 2003 to \$45,000 for taxable years 2004 and thereafter. Provides that, for taxable years 2004 and thereafter, the maximum reduction under the Senior Citizens Homestead Exemption shall be \$3,000 in all counties and the maximum reduction under the general homestead exemption shall be \$5,000 in all counties. Creates an alternative general homestead exemption that applies to counties that choose to adopt the provision by ordinance. Provides that the amount of the exemption is the equalized assessed value of the homestead property for the current tax year minus the adjusted homestead value. Defines "adjusted homestead value" as the lesser of (i) the property's base homestead value increased by 7% for each tax year after the base year (2002 or 2003) through and including the current tax year or (ii) the property's equalized assessed value for the current tax year minus \$4,500 in Cook County and \$3,500 in all other counties in tax year 2003 or \$5,000 in all counties in tax year 2004 and thereafter. Provides that "base homestead value" means the equalized assessed value of the property for the base year prior to exemptions, minus \$4,500 in

Cook County and \$3,500 in all other counties in tax year 2003 or \$5,000 in all counties in tax year 2004 and thereafter. Establishes procedures for determining the base homestead value of property improved after the base year. Provides that in counties with less than 3,000,000 inhabitants, the new general homestead exemption provisions apply only for assessment years 2003, 2004, and 2005 if 2002 is the designated base year or 2004, 2005, and 2006 if 2003 is the designated base year. Provides that if a county has elected to subject itself to the alternative general homestead exemption provisions, then, for the first taxable year only after those provisions no longer apply, creates an additional general homestead exemption of \$5,000 for owners (i) who have not been granted a senior citizens assessment freeze homestead exemption for the taxable year, (ii) whose qualified property has an assessed valuation that has increased by more than 20% over the previous assessed valuation of the property, and (iii) who have a household income of \$30,000 or less. Provides that in all counties (now, in counties with more than 3,000,000 inhabitants), the assessor or chief county assessment officer may use specified methods to determine the eligibility of residential property to receive the homestead exemption and the amount of the exemption. Requires a taxpayer applying for the additional general homestead exemption to submit an application and an affidavit to the chief county assessment officer. Requires the Department of Revenue to issue guidelines establishing a method for verifying the accuracy of the affidavits. In provisions that authorize a partial exemption from property taxes for homestead properties that have been improved and residential structures on homestead property that have been rebuilt following a catastrophic event, changes the limit to \$75,000 per year for that homestead property beginning January 1, 2004 and thereafter (now, \$45,000 per year). Amends the State aid provisions of the School Code to provide that, if the general homestead exemption is determined under the alternative general homestead exemption provisions or if an additional general homestead exemption is allowed because the owner has a household income of less than \$30,000, then the available local resources shall not be effected. Makes other changes. Amends the Longtime Owner-Occupant Property Tax Relief Act to limit deferrals or exemptions to \$20,000 in EAV per tax year. Amends the Economic Development Area Tax Increment Allocation Act, the County Economic Development Project Area Property Tax Allocation Act, the County Economic Development Project Area Tax Increment Allocation Act of 1991, the Economic Development Project Area Tax Increment Allocation Act of 1995, the Tax Increment Allocation Redevelopment Act and the Industrial Jobs Recovery Law in the Illinois Municipal Code, the School Code, and the Criminal Code of 1961 to include a cross reference to the alternative general homestead exemption provision in the Property Tax Code. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.
