210 ILCS 3/10

Amends the Alternative Health Care Delivery Act. Makes a technical change in the Section concerning definitions.

FISCAL NOTE (Department of Children and Family Services)

The legislation does not cause a fiscal impact to DCFS.

FISCAL NOTE (Office of the Secretary of State)

Because it is not possible to determine at this time which Secretary of State facilities may ultimately be considered high-traffic facilities in high risk communities, the total fiscal impact on the Secretary of State's office cannot be estimated. However, the Secretary of State's office does not currently have excess space in its facilities for operations unrelated to the Secretary of State's office. If House Bill 5789, as amended by House Amendment 1, becomes law, the Secretary of State's office may be compelled to build, lease, or otherwise obtain additional space adjacent to any facility designated a high-traffic facility in a high risk community.

FISCAL NOTE (Department of Human Services)

Depending on how this bill is defined in rules and the impact to the facilities, this legislation is estimated to cost a minimum of \$950,000. The range of cost of this legislation in FY05 is \$950,000 to \$9 million.

Provides that the total amount in grants that a person may be awarded shall not exceed \$25,000. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Changes the standards that the court shall apply to determine if a witness qualifies as an expert witness as follows: (i) requires the court to determine whether the witness is board certified or board eligible in the same medical specialties as the defendant and is familiar with the same medical problems or the type of treatment administered in the case (instead of the same relationship of the medical specialties of the witness to the medical problem and the type of treatment in the case); (ii) requires the court to determine whether the witness has devoted 75% (instead of a substantial portion) of his or her working hours to the practice of medicine, teaching, or university-based research in relation to the medical care and type of treatment at issue; and (iii) requires the court to determine whether the witness is licensed by any state or the District of Columbia (instead of just licensed). Amends the Illinois Good Samaritan Act. Provides that the immunity for civil damages provided for services performed without compensation at free medical clinics also applies to physicians and other health care professionals that provide medical treatment, diagnosis, or advice at federally qualified health care centers without fee or compensation. Makes various other changes in other Acts concerning health care. Effective immediately.

FISCAL NOTE (Illinois State Board of Education)

The State Board of Education is unable to make a reasonable estimate of the cost of House Bill 6632. Currently adjustments equal approximately \$20 to \$30 million. It is likely that House Bill 6632 will increase adjustments to the \$30 million cap every year. Thus, the cost will be the increase in adjustments from the current level to the \$30 million cap. In FY04, adjustments were over \$28 million and the cost would have been approximately \$2 million.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

The State Board of Education is unable to make a reasonable estimate of the cost of House Bill 6632. Currently adjustments equal approximately \$20 to \$30 million. It is likely that House Bill 6632 will increase adjustments to the \$30 million cap every year. Thus, the cost will be the increase in adjustments from the current level to the \$30 million cap. In FY04, adjustments were over \$28 million and the cost would have been approximately \$2 million. House Bill 6632 does not appear to establish a state reimbursable mandate.

HOUSE AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the contents of the bill with the following changes. Changes the date that an amendatory provision applies from June 30, 2004 to June 30, 2003. Changes the maximum adjustments amount from \$30 million to \$25 million. Effective immediately.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that House Bill 6632, as amended by House Amendment 3, would neither increase nor decrease the number of judges needed for the State.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

House Bill 6632, as amended by House Amendment 3, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Economic and Fiscal Commission)

House Bill 6632, as amended by House Amendment 3, would not impact any public pension fund or retirement system in Illinois.

HOME RULE NOTE (Department of Commerce and Economic Opportunity)

As amended by HA3, this bill does not pre-empt home rule authority.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE (Dept of Corrections)

There is no corrections population or fiscal impact on the Department of Corrections.

 320 ILCS 10/10 rep.

Creates the Family Caregiver Act, to be administered by the Department on Aging, for the purpose of encouraging family members to provide care for their elderly family members. Requires the Department to contract with area agencies on aging and other appropriate agencies to provide family caregiver support services to the extent of available funding. Provides that the services include counseling, training, and respite care. Requires the Department to seek federal funding for a demonstration project. Also authorizes caregiver support services for grandparents who are primary caregivers for their grandchildren. Amends the Respite Program Act. Deletes references to abused adults and to functionally disabled or cognitively impaired adults (so that the Act applies to "frail or disabled" adults). Defines a "frail or disabled adult" as a person who is age 60 (instead of 55) or older and who either (i) suffers from Alzheimer's disease or a related disorder or (ii) is unable to attend to his or her daily needs without assistance or regular supervision. Deletes references to the Council on Aging. Makes other changes. Effective July 1, 2004.

#### HOUSE AMENDMENT NO. 1

Provides that emergency respite care may be provided on one or more occasions unless an extension is deemed necessary by an agency designated by the Department and area agencies on aging to conduct needs assessments for respite care services (as an alternative to the case coordination unit).

New Act

Creates the Illinois Consumer-Directed Care Act. Requires the Illinois Department on Aging, in conjunction with the Illinois Department of Public Aid, the Illinois Department of Public Health, and the Illinois Department of Human Services, to establish the consumer-directed care program as a demonstration program to allow persons enrolled in the program to choose providers of services and direct the delivery of services to best meet their long-term needs. Provides eligibility requirements for those enrolled in the program. Provides that consumers enrolled in the program shall be given a monthly budget allowance based on the results of their assessed functional needs and the financial resources of the program. Provides that consumers may use the budget allowance to pay only for home and community-based services that meet the consumer's long-term care needs and that are a cost-efficient use of funds. Sets forth the roles and responsibilities for consumers, State agencies, and fiscal intermediaries in administrating the program. Requires that all persons who render care under this Act must comply with the requirements of the Health Care Worker Background Check Act. Requires the Department on Aging to submit an annual report to the General Assembly. Repeals the Act on January 1, 2009.

Amends the Illinois Human Rights Act. Authorizes the Department of Human Rights to charge fees to private companies for training offered by the Department's Institute for Training and Development. Provides that the fees shall be paid into the Department of Human Rights Training and Development Fund, a new special fund in the State treasury (and amends the State Finance Act to list the new fund as a special fund). Effective January 1, 2005.

FISCAL NOTE (Department of Human Rights)

Total fiscal impact per year of \$102,260. This amount, however, will be offset if the Department is allowed to generate additional funding by charging training fees to private companies. The institute could potentially generate approximately \$180,000 from these

training fees. The additional money would be used to develop and update training materials, fund reproduction of materials, and to enhance media and equipment.

35 ILCS 5/203 from Ch. 120, par. 2-203

Amends the Illinois Income Tax Act. For taxable years ending on or after December 31, 2004, allows a deduction of up to \$10,000 if the taxpayer, while living, donates one or more of his or her human organs to another human being for human organ transplantation. Provides that the deduction may be claimed only once and for only unreimbursed travel and lodging expenses and lost wages incurred by the claimant and related to the claimant's organ donation. Effective immediately.

FISCAL NOTE (Economic and Fiscal Commission)

House Bill 6806 would reduce State individual income tax revenue by an amount that cannot be determined. However, the impact is assumed to be minimal.

FISCAL NOTE (Department of Revenue)

House Bill 6806 creates an income tax deduction up to \$10,000 for donating an organ to another human being for transplantation. There were 6,607 organ donations nationwide last year. We estimate approximately 330 of those were in Illinois. If all of those were able to take the maximum \$10,000 deduction, that would have resulted in a revenue loss to the State of approximately \$100,000.

## 105 ILCS 5/14-8.02a

Amends the Children with Disabilities Article of the School Code. Provides that a parent or guardian who is a prevailing party in an impartial due process hearing or a civil action may recover reasonable attorney's fees and costs from an opposing party (now, the school district is liable for attorney's fees only if the district willfully disregards applicable regulations or statutes and that disregard is detrimental to the child). Effective immediately.

## HOUSE AMENDMENT NO. 1

Removes the provision that requires an action to recover attorney's fees and costs to be brought within 30 days.

## HOUSE AMENDMENT NO. 2

Adds reference to:

30 ILCS 805/8.28 new

Amends the State Mandates Act to require implementation without reimbursement.

## FISCAL NOTE (State Board of Education)

House Bill 6813 may significantly shift the cost of due process hearings to school districts, may cause school districts to merely give up legitimate efforts to assert their position to avoid due process and the possibility of this additional liability, may cause school districts that participate in due process to avoid settlements, and may increase the cost of providing services to children. The State Board of Education does not have sufficient data to make a reasonable estimate of the costs of these potential outcomes. Currently approximately 450 cases go to due process annually, of which approximately 100 drop out of due process for various reasons prior to their conclusion, 260 end in some form of settlement or mediation, and 90 end in a final hearing decision. Currently school districts prevail in approximately 70% of the 90 cases ending in a final hearing decision. If HB 6813 reduces this percentage to 50% (45 cases) and assuming average legal fees of approximately \$50,000, the cost to school districts will be approximately \$2.25 million. For the 260 cases that end prior to a full hearing, assuming 50% are settled or mediated in favor of the school district at an average legal cost of \$5,000, the cost to school districts would be approximately \$650,000. House Bill 6813 would cost school districts in aggregate nearly \$3 million.

## STATE MANDATES FISCAL NOTE (State Board of Education)

HB6813 appears to establish a due process mandate. Due process mandates are exempt from state reimbursement. Moreover, the legislation is specifically exempt from the State Mandates Act, and any cost incurred by school districts is not reimbursable from the state.

## HOUSE AMENDMENT NO. 5

Deletes a provision requiring the Task Force to develop a preference for grants to local communities.

FISCAL NOTE (Department of Commerce and Economic Opportunity)

House Bill 6848 with House Amendments 3, 4, and 5 would have a fiscal impact on the Department of Commerce and Economic Opportunity for costs associated with producing reports, reimbursing committee members for their expenses, administering grants to priority funding areas, and reviewing and commenting on plans and priorities of Intergovernmental Cooperation Councils. Because information on the report documents the number of meetings, the amount of funding provided for grants, and the number of plan and priority documents to be reviewed is not currently known, a reliable cost estimate cannot be made at this time. This fiscal note does not address the impact of this legislation on any other agency.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

No fiscal effect on a single-family residence.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

Assuming the State planning programs cited refer to those providing direct funding to regional or local planning efforts, House Bill 6848, as amended by House Amendments 3, 4, and 5, will have no fiscal impact on the costs of constructing, purchasing, owning, or selling a single family residence.

Amends the Nursing and Advanced Practice Nursing Act. Increases the amount of moneys in the Nursing Dedicated and Professional Fund to be appropriated to the Department of Public Health for nursing scholarships awarded pursuant to the Nursing Education Scholarship Law from \$750,000 to \$1,500,000 for the fiscal year beginning July 1, 2004 and each fiscal year

thereafter. Effective immediately.

HOUSE AMENDMENT NO. 1

Changes the amount of moneys in the Nursing Dedicated and Professional Fund to be appropriated to the Department of Public Health for nursing scholarships from \$1,500,000 to \$1,200,000.

FISCAL NOTE ((H-AM 1) Department of Professional Regulation)

At the present time, \$750,000 is appropriated each year from the Nursing Dedicated and Professional Fund to the Department of Public Health for nursing scholarships. HB7029 would increase this total to \$1.2 million. This is an increase of \$450,000. Based on department projections, the Fund will encounter deficits beginning September 2005. DPR introduced an emergency rule change to JCAR last month. The emergency rule resulted in an increase in RN and LPN renewal fees. This will generate \$3.5 million in new revenue for the Fund. With approval of the fee increase, the \$450,000 of new scholarships can be covered. Without approval, the additional expenditure for the new scholarships would exhaust the Fund in August 2005.

730 ILCS 5/5-6-3.1 from Ch. 38, par. 1005-6-3.1

Amends the Unified Code of Corrections. Provides that any offender who is sentenced to probation or conditional discharge for a felony sex offense as defined in the Sex Offender Management Board Act or any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act or placed on supervision for any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes provisions added by Public Act 93-616, which imposed a \$10 increase in the general probation fee for deposit into the Sex Offender Management Board Fund, and specifies that this deletion is intended to control over any other Act of the 93rd General Assembly that includes that fee increase. Retains the other changes made by P.A. 93-616. Adds a provision allowing the court or probation department to assess fees on certain sex offenders to pay for all of the costs of treatment, assessment, evaluation for risk and treatment, and monitoring the offender, based on the offender's ability to pay those costs either as they occur or under a payment plan. Adds an immediate effective date.
