Requires a comprehensive health education program to include instruction in secondary schools on clinical depression and suicide prevention. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

FISCAL NOTE (State Board of Education)

The cost would likely be less than \$1,000 per school assuming all schools have computers available to operate the software. The additional cost to post this information would also be minimal. HB3942, as amended by HA1, appears to be a service mandate which is eligible for state reimbursement of at least 50% of its costs. However, the legislation is specifically exempt from the State Mandates Act and any cost incurred by school districts is not reimbursable from the state.

720 ILCS 5/9-3 from Ch. 38, par. 9-3

Amends the Illinois Vehicle Code. Provides that a person violates provisions prohibiting reckless driving and aggravated reckless driving if he or she drives a vehicle and uses an incline in a roadway, such as a railroad crossing, bridge approach, or hill, to cause the vehicle to become airborne. Amends the Criminal Code of 1961. Provides that a person commits reckless homicide if he or she unintentionally kills an individual while driving a vehicle and using such an incline to cause the vehicle to become airborne. Provides that, in cases involving reckless homicide in which the defendant drove a vehicle and used such an incline to cause the vehicle to become airborne and caused the deaths of 2 or more persons as part of a single course of conduct, the penalty is a Class 2 felony.

**CORRECTIONAL NOTE (Dept of Corrections)**

HB 4006 contains three provisions involving driving a vehicle and using an incline to cause the vehicle to become airborne. Specific information on the number of incidents that take place and the number of offenders who would be arrested and prosecuted for these offenses is not available in order to make an objective determination regarding how many inmates would receive a prison sentence, although the Department estimates the impact to be minimal. Estimates can be made for each offender who is sentenced to prison for each of these proposed enhancements. Each person sentenced to prison for a

Class 4 felony for aggravated reckless driving when using an incline to cause the vehicle to become airborne would serve an average of 17 months at a cost of \$29,649. Each person sentenced to prison for a Class 3 felony for reckless homicide when using an incline to cause the vehicle to become airborne would serve an average of 14 months at a cost of \$24,417 and each person sentenced for a Class 2 violation would serve an average of 35 months at a cost of \$61,043. Each new admission would require the construction of one additional prison bed at the cost of \$55,826.

HOUSE AMENDMENT NO. 1

In language added to the Illinois Vehicle Code making it reckless driving to drive a vehicle and use an incline in a roadway, such as a railroad crossing, bridge approach, or hill, to cause the vehicle to become airborne, provides that the actions must be performed knowingly.

625 ILCS 5/11-401.1 new

Amends the Illinois Vehicle Code. Increases from a Class 4 to a Class 3 felony the penalty for failing to report an accident involving death or personal injuries within the time allowed after failing to stop at the scene as required. Provides that a person who violates any provision regarding leaving the scene of or failing to report an accident is subject to testing for alcohol, drugs, or intoxicating compounds and is subject to statutory summary suspension of his or her drivers license, according to terms similar to those for statutory summary suspensions for driving under the influence of alcohol, drugs, or intoxicating compounds.

CORRECTIONAL NOTE (Dept of Corrections)

HB 4018 contains two provisions related to failing to report an accident involving death or personal injuries. One enhancement that increases the penalty for failing to report an accident involving death or personal injuries from a Class 4 to a Class 3 felony would result in an increase of three inmates with \$795,300 in additional costs over the first ten years after enactment. A second enhancement states that a person who leaves the scene of or fails to report an accident can be tested for alcohol, drugs, or intoxicating compounds and is subject to statutory summary suspension of his or her drivers license. There is no corrections population or fiscal impact on the Department associated with

this enhancement.

625 ILCS 5/11-401 from Ch. 95 1/2, par. 11-401

Amends the Illinois Vehicle Code. Provides that a person who fails to remain at the scene of an accident involving personal injury or death to render aid as required is guilty of a Class 4 felony (rather than a Class A misdemeanor). Shortens from one hour to one-half hour the time in which a person who has failed to remain at the scene of the accident must report the accident at a police station or sheriff's office. Provides that a person who failed to remain at the scene as required and failed to report the accident within one-half hour of its occurrence, or within one-half hour of his or her release from the hospital if he or she had been hospitalized and incapacitated from reporting during the one-half hour after the occurrence, is guilty of a Class 3 (rather than a Class 4) felony if the accident does not result in the death of any person. Deletes language providing that a report made within the one hour time limit may not be used as a basis for a prosecution for failing to remain at the accident scene as required.

**CORRECTIONAL NOTE (Dept of Corrections)**

The total impact of this legislation would result in an increase of 29 inmates, with an increase in costs of \$7,688,400 over the first ten years after enactment.

**SENATE FLOOR AMENDMENT NO. 1**

Restores language providing that no report made within the time limit may be used as a basis for a prosecution for failing to remain at the accident scene.

105 ILCS 5/34-18.30 new

Deletes everything after the enacting clause. Amends the School Code. Adds a Section prohibiting soft drinks. Contains only a caption.

FISCAL NOTE (Illinois State Board of Education)

The State Board of Education can likely monitor compliance with existing staff that visit schools and through voluntary efforts and community monitoring within existing resources. It is likely that nearly every school has at least one vending machine that

will no longer be permitted by House Bill 4058. The State Board of Education does not have sufficient information on the current situation or the possibilities of offsetting losses through alternative sales to make a reasonable estimate of lost revenues to school districts. While the State Board is also unable to estimate which districts might become repeat offenders, it is unlikely that many districts will risk the loss of GSA to make a profit from the sale of soft drinks. House Bill 4058, appears to be a service mandate which is eligible for state reimbursement of at least 50% of its costs.

Amends the Property Tax Code. Amends the Senior Citizens Homestead Exemption provisions to provide that, if a property has been granted a homestead exemption under these provisions, then the person qualifying need not reapply for the exemption. Increases the ceiling for household income eligibility for the Senior Citizens Assessment Freeze Homestead Exemption provisions, for taxable years 2003 and thereafter, from \$40,000 per year to \$45,000 per year and provides that the exemption amount shall be \$2,500 in all counties (now, \$2,500 in Cook County and \$2,000 in all other counties). Provides that the exemption amount for the general homestead exemption shall be \$4,500 in all counties (now, \$4,500 in Cook County and \$3,500 in all other counties). Creates a general homestead exemption provision that applies only to counties subject to the Property Tax Extension Limitation Law. Provides that the amount of the exemption is the equalized assessed value of the homestead property for the current tax year minus the adjusted homestead value. Defines "adjusted homestead value" as the lesser of (i) the property's base homestead value increased by 7% for each tax year after 2002 through and including the current tax year or (ii) the property's equalized assessed value for the current tax year minus \$4,500. Provides that "base homestead value" means the equalized assessed value of the property for tax year 2002 prior to exemptions, minus \$4,500. Establishes procedures for determining the base homestead value of property improved after the 2002 tax year. Sunsets the provisions after the 2010 assessment year. Amends the Economic Development Area Tax Increment Allocation Act, the County Economic Development Project Area Property Tax Allocation Act, the County Economic Development Project Area Tax Increment Allocation Act of 1991, the Economic Development Project Area Tax Increment Allocation Act of 1995, the Tax Increment Allocation Redevelopment Act and the Industrial Jobs Recovery Law in the Illinois Municipal Code, the School Code, and the Criminal Code of 1961 to include a cross reference to the new general homestead exemption provision in the Property Tax Code. Amends the State Mandates Act to require implementation without reimbursement for the new general homestead exemption and the Senior Citizens Assessment Freeze Homestead Exemption. Amends the Property Tax Code. Provides that, in counties with 3,000,000 or more inhabitants, if a property has been granted a Senior Citizens Homestead Exemption, then the person qualifying need not reapply for the exemption. Increases the ceiling for household income eligibility for the Senior Citizens Assessment Freeze Homestead Exemption provisions, for taxable years 2003 and thereafter, from \$40,000 per year to \$45,000 per year. **HB-4099 HAMOS-LYONS, EILEEN-OSTERMAN-MORROW-FRITCHEY,  
WASHINGTON, BAILEY, SLONE, YARBROUGH AND FEIGENHOLTZ.**

**New Act**

Creates the Energy Efficient Commercial Building Act. Establishes an Energy Efficient Commercial Building Code that applies to commercial buildings in this State. Provides for technical assistance to certain design professions to explain the requirements of the Code. Preempts home rule powers. Effective one year after becoming law.

**FISCAL NOTE (Environmental Protection Agency)**

House Bill 4099 will not have any fiscal impact on the Illinois Environmental Protection Agency. The primary impact of implementing and administering this bill would fall upon the Capital Development Board.

## PENSION NOTE (Economic and Fiscal Commission)

No impact on pension funds.

## STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

House Bill 4099 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

## HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

## JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of this bill it has been determined that the bill would neither increase nor decrease the number of judges needed in the State.

## HOME RULE NOTE (Department of Commerce and Economic Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, this legislation pre-empts home rule authority.

## STATE MANDATES FISCAL NOTE (Department of Commerce and Economic Opportunity)

Does create a state mandate under the State Mandates Act.

## CORRECTIONAL NOTE (Dept of Corrections)

There is no corrections population or fiscal impact on the Department of Corrections

## HOUSE AMENDMENT NO. 2

Provides that the Capital Development Board must consult with the Department of Commerce and Economic Opportunity in adopting the Energy Efficient Commercial Building Code and the procedures for its enforcement. Provides that the Code shall take effect one year after its adoption by the Board. Provides that the Department, rather than the Board, must provide technical assistance and implementation materials concerning the Code. Changes the effective date to immediate (now, one year after becoming law).

## HOUSE AMENDMENT NO. 3

Provides that in the case of any addition, alteration, renovation, or repair to an existing commercial structure, the Energy Efficient Building Code adopted under this Act applies only to the portions of the structure that are being added, altered, renovated, or repaired.

## HOUSE AMENDMENT NO. 4

Provides that definition of "Code" includes the ASHRAE 90.1-1999 Standard. Authorizes units of local government to adopt energy efficiency codes or standards that are more stringent than the Code under this Act. Makes a technical change.

## SENATE COMMITTEE AMENDMENT NO. 1

Provides that the Capital Development Board must adopt the Code, as defined elsewhere in the Act, as minimum requirements applying to the construction of, renovations to, and additions to commercial buildings (instead of adopting the 2000 International Energy Conservation Code and 2002 Supplement as minimum Code requirements applying to the construction of, renovations to, and additions to commercial buildings).

Amends the Local Government Debt Reform Act. Defines "revenue source" to include any public building commission (PBC) lease rental base alternate tax levy. Defines "limited bonds" to include PBC leases and excludes other leases. Defines "public building commission rental base" as an amount equal to that portion of the extension for a taxing district for the 1999 levy year constituting an extension for payment of lease rentals under a PBC lease allocable to the retirement of bonds issued by the commission. Defines "public building commission lease rental base alternate tax levy" as a special purpose levy available to a unit of local government and authorized for the payment of limited bonds as a revenue source, which shall equal the PBC lease rental base less the amount of that base allocable to the payment of lease rentals under a PBC lease. Provides that a governmental unit is authorized to issue limited bonds payable from the debt service extension base or the PBC lease rental base, or both (now, payable from the debt service extension base only). Amends the Property Tax Extension Limitation Law in the Property Code. With respect to limited bonds and double-barrelled bonds issued under the Local Government Debt Reform Act, exempts from the tax caps in the taxing districts to which the law applied before the 1995 levy year special purpose extensions made for payment of principal and interest on bonds issued concerning PBC leases. Amends the Public Building Commission Act. In provisions concerning tax levies for PBC lease rental payments, provides that the tax levied may relate to the amount necessary to pay the annual rent under the lease or the PBC lease rental base (now, related only to the amount necessary to pay the annual rent under the lease). Provides that taxes are not required to be levied or extended in excess of the allocated portion of a PBC lease rental base. Amends the Counties Code. Includes within the exception for taxes levied to pay annual rent payments due under a lease entered into by the county with a Public Building Commission, payments made from the PBC lease rental base. Excludes taxes levied allocable to the PBC lease rental base tax levy and taxes levied to pay principal of and interest on limited bonds. Effective immediately.

740 ILCS 175/8 from Ch. 127, par. 4108

Amends the Whistleblower Reward and Protection Act. Provides that the State of Illinois shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred by the Attorney General, including reasonable attorneys' fees and costs, and the amount received by the State of Illinois, exclusive of any proceeds, reasonable expenses, reasonable attorney fees and costs that have been awarded to a Qui Tam plaintiff or any entity other than the State of Illinois or a State agency, shall be deposited in the Whistleblower Reward and Protection Fund created under the Act. Requires (instead of permits) the court to award all proceeds of an action or settlement of the claim to the affected governmental entity, minus reasonable expenses, attorneys' fees, costs, and proceeds that have been awarded to a Qui Tam plaintiff and minus an amount for reasonable expenses that the court finds to have been necessarily incurred by the Attorney General, including reasonable attorneys' fees and costs (instead of such sums as it considers appropriate to the affected entity, specifying in its order the amount to be awarded to the entity from the net proceeds that are deposited in the Whistleblower Reward and Protection Fund), when an action is brought on behalf of any of the listed governmental entities that have been adversely affected by a defendant. Excludes from any payment of proceeds the reasonable expenses, reasonable attorney fees, and costs to a Qui Tam plaintiff or any governmental entity other than the State of Illinois from being deposited in the Whistleblower Reward and Protection Fund. Restructures the use of the money in the Fund to pay the necessary expenses incurred by the Attorney General and for the payment of awards to the State of Illinois (instead of for payment of awards to Qui Tam plaintiffs).

35 ILCS 505/8

from Ch. 120, par. 424

Amends the Motor Fuel Tax Law with respect to the allocation of tax receipts under the Law. Provides that, beginning on July 1, 2004, road districts in Winnebago County shall receive allotments of tax receipts under the Law regardless of whether the road district levies a tax for road and bridge purposes in an amount that will require the extension of the tax for road and bridge purposes against the taxable property in the road district at a rate of not less than 0.08% of the value the taxable property thereof (current law imposes the 0.08% tax extension threshold for the road district to receive an allotment). Effective July 1, 2004.

## HOUSE AMENDMENT NO. 2

Deletes everything. Amends the Motor Fuel Tax Law. Provides that beginning July 1, 2004, an allocation of tax receipts shall be made for any road district if it levied a tax for road and bridge purposes, and if the amount of the tax levy requires the extension of the tax against the taxable property in the road district at a rate that is less than .08% of the value thereof, then the amount of the allocation for the road district shall be a percentage of the maximum allotment equal to the percentage obtained by dividing the rate extended by the district by 0.08%. Provides that in DuPage County, no allocation shall be made for any road district unless it levied a tax for road and bridge purposes in an amount which will require the extension of such tax against the taxable property in any such road district at a rate of not less than either .08% of the value thereof, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue or an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less. Provides that if any road district has levied a special tax for road purposes under certain Sections of the Illinois Highway Code, that levy entitles the road district for a full or proportionate allotment depending on the rate of the levy. Provides that if a township has transferred to the road and bridge fund money which, when added to the amount of any tax levy of the road district would be the equivalent of a tax levy requiring extension at a rate of at least .08% or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, then the transfer, together with any such tax levy, shall qualify the road district for a full, rather than proportionate, allotment. Provides that in counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law, road districts may retain their entitlement to a full motor fuel tax allotment if, at the time the property tax extension limitation was imposed, the road district was levying a road and bridge tax at a rate sufficient to entitle it to a motor fuel tax allotment and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. Effective July 1, 2004.

New Act

Creates the Displaced Building Service Workers Protection Act. Provides protections to building service employees who are regularly assigned to a covered building on a full or part-time basis for at least 90 days immediately preceding a transition in employment and who perform work in connection with the care or maintenance of an existing building. Provides that a successor building owner, manager, or contractor shall be required to offer employment to the predecessor employer's incumbent building service employees, subject to the existence of cause, for a period of 90 days following the transition at the affected building. Provides that at the end of the 90 day transition period, the successor employer perform written performance evaluations and offer continued employment to all covered building service employees who receive satisfactory ratings. Excludes from coverage employees who earn more than \$25 per hour, work less than 6 hours per week, or serve in a managerial, supervisory, or confidential capacity. Exempts from coverage those successor employers who are already or agree to become bound by the terms of a collective bargaining agreement that includes provisions that address the discharge or lay off of building service employees. Exempts any predecessor employer that obtains a written commitment from a successor employer providing that the successor employer's building service employees will be covered by a collective bargaining agreement that addresses the discharge or layoff of employees. Effective immediately.

HOUSE AMENDMENT NO. 1

Provides that the requirements of the Act shall not apply to any building that is owned or operated by a hospital or hospital affiliate as defined in the Hospital Licensing Act.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that a covered employer does not include a retail store or distribution center.

SENATE COMMITTEE AMENDMENT NO. 2

Provides that a covered employer does not include manufacturing and assembly or warehousing and logistic service facilities.

SENATE FLOOR AMENDMENT NO. 5

Deletes everything after the enacting clause. Inserts provisions substantially similar to the engrossed bill, except provides that a "covered employer" does not include: (1) churches, synagogues, mosques, or places of worship, elementary or secondary schools; (2) any building that is owned or operated by a public utility, public utility affiliate, telecommunications carrier or its affiliate as defined in the Public Utilities Act or independent electric generators; or (3)

administrative buildings owned and operated by a manufacturer. Provides that the successor contractor's management of the business and the direction of its personnel, including the right to hire, discipline and discharge employees for just cause is vested exclusively in the contractor (rather than the successor contractor shall not discharge without cause an employee retained pursuant to the Act). Provides that the contractor may require employees to submit to a criminal background check by the Illinois State Police and the Federal Bureau of Investigations. Changes the transition employment period to 25 working days (rather than 90 days). Effective immediately.

Amends the Sale of Tobacco to Minors Act. Changes the short title to the Prevention of Tobacco Use by Minors Act. Prohibits minors from possessing tobacco (now only the buying by and the sale and distribution to minors of tobacco is prohibited). Provides that in addition to

or instead of a fine, the court may impose community service upon a minor who possesses tobacco and upon a seller or distributor of tobacco to a minor. Provides that, if a minor violates the provisions prohibiting minors from possessing any cigars, cigarettes, smokeless tobacco, or tobacco in any of its forms, the court may in addition to a fine and community service, order the minor to attend a local anti-tobacco or youth diversion program. Provides that a court may order a minor convicted of or placed on supervision for a violation of the prohibition of tobacco possession by minors, and his or her parents or legal guardian, to attend a smoker's education or youth diversion program if available in the jurisdiction where the offender resides. Provides that attendance at that program shall be time-credited against any community service time imposed for a first violation. Provides that, in addition to any other penalties, the court may assess a fee against the offender for his or her attendance of the program. Defines "smoker's education program" or "youth diversion program" to include a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking tobacco products. Amends the Juvenile Court Act of 1987 to provide that the community service, smoker's education, and youth diversion program provisions are available to a delinquent minor under that Act. Effective immediately.

New Act

Creates the Fire Sprinkler Dormitory Act. Contains only a short title provision. Effective January 1, 2005.

HOUSE AMENDMENT NO. 1

Adds reference to:

30 ILCS 105/5.625 new

Deletes everything after the enacting clause. Creates the Fire Sprinkler Dormitory Act and amends the State Finance Act. Requires post-secondary educational institutions to install fire sprinklers in all dormitories by 2013, unless excepted. Provides for the Illinois Finance Authority and the Office of the State Fire Marshal to administer a fire sprinkler dormitory revolving loan program. Allows institutions to levy a surcharge on student fees to repay loans. Creates the Fire Sprinkler Dormitory Revolving Loan Fund. Effective January 1, 2005.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

No fiscal effect.

PENSION NOTE (Economic and Fiscal Commission)

House Bill 4361, as amended by House Amendment 1, would not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

House Bill 4361, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (State Board of Education)

No fiscal impact.

## JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of this bill, it has been determined that the bill would neither increase nor decrease the number of judges needed in the State.

## FISCAL NOTE (Board of Higher Education)

No fiscal impact to the State. Fiscal impact to public universities ranges from \$60 million to \$70 million.

## FISCAL NOTE (Illinois Finance Authority)

Except for a special appropriation to capitalize this program, this bill is revenue neutral to the State of Illinois.

## HOUSE AMENDMENT NO. 2

Provides that the Fire Sprinkler Dormitory Revolving Loan Fund shall be used for costs associated with the installation of fire sprinkler systems (instead of for the installation of fire sprinkler systems). Removes the provision that allows post-secondary educational institutions to levy a surcharge on their student fees to repay a loan. Removes a provision that requires an institution to repay each year at least 5% of the principal amount borrowed or the remaining balance of the loan. Provides that the Illinois Finance Authority and the Office of the State Fire Marshal shall adopt rules to administer the revolving loan program (instead of requiring them to each adopt rules). Makes a technical correction.

## HOME RULE NOTE (Department of Commerce and Economic Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, this legislation does not pre-empt home rule authority.

## CORRECTIONAL NOTE (Dept of Corrections)

No corrections population impact and no fiscal impact.

Amends the School Code. Provides that after June 1, 2004 persons may not be nominated for General Assembly scholarships and that General Assembly scholarships may not be awarded after that date unless the nomination is made prior to that date. Prevents both second nominations for any lapsed General Assembly scholarship and nominating persons to the unused or unexpired parts of any vacated General Assembly scholarship after June 1, 2004. Effective immediately.

FISCAL NOTE (Illinois Board of Higher Education)

No fiscal impact to the State. General Assembly scholarships are funded through public university tuition and fee waivers. Tuition and fee revenue is collected and held locally by each public university, and tuition and fee waivers result in "foregone" revenue for institutions. The most recent data available indicate that Illinois public universities granted General Assembly tuition and fee waivers valued at \$7,551,600 in fiscal year 2003. The maximum General Assembly scholarship length that can be awarded is four years. During the previous five years (fiscal years 1998 to 2003), the average annual percentage growth in the value of these waivers was 8.6 percent. Assuming this rate of growth, the maximum scholarship length (four years), and that all new scholarship recipients enrolled at an Illinois public university during academic year 2004-05, the maximum value of General Assembly waivers would be \$11,398,700 by fiscal year 2008 (academic year 2007-08), the last possible year for any waivers to be granted under this program based on a cut-off date of June 1, 2004 for new awards. Under these assumptions, the value of these waivers would be \$0 after fiscal year 2008, reducing the overall tuition waiver liability for public universities.

Amends the Illinois Prepaid Tuition Act. Provides that at the purchaser's option, the Illinois prepaid tuition program must cover an institution of higher education's room and board charges. Effective immediately.

**FISCAL NOTE (Illinois Student Assistance Commission)**

There would be a significant start-up cost to offering prepaid room and board contracts, estimated to be more than \$350,000. Beyond the start-up phase, there would be indeterminate additional costs connected with annual administration of these contracts.

**FISCAL NOTE (Illinois Student Assistance Commission)**

It is difficult to fully quantify the administrative costs associated with this legislation, but there would be a significant start-up cost to offering prepaid room and board contracts, estimated to be more than \$350,000. This estimate is comprised mostly of computer programming costs and the associated computer software and, to a lesser degree, hardware necessary to implement a record-keeping system parallel to that used for prepaid tuition contracts. Beyond the start-up phase, there also would be indeterminate additional costs connected with annual administration of these contracts. Those annual administrative costs will increase as the volume of contracts under management increases.

Provides that persons engaged in picketing in labor disputes may use public rights of way to apprise the public of the existence of a dispute for: "the purposes of picketing"; erection of temporary signs announcing their dispute; parking at least one vehicle on the public right of way; and erection of tents or other temporary shelter for the health, welfare, personal safety, and well-being of picketers. 30 ILCS 805/9.1 from Ch. 85, par. 2209.1

Amends the State Mandates Act. Changes references concerning the implementation of service mandates, tax exemption mandates, and personnel mandates. Provides that the appropriate State entity shall determine within 90 days after receiving a claim for reimbursement whether the claim is reimbursable under the Act and shall notify each local government filing a claim of its determination. - 20 ILCS 1705/57 from Ch. 91 1/2, par. 100-57
- 305 ILCS 5/5-2 from Ch. 23, par. 5-2

Amends the Mental Health and Developmental Disabilities Administrative Act. Provides that the Department of Human Services shall include, in the annual service needs report regarding autism submitted to the General Assembly, a plan to provide family support mechanisms to enable persons with autism to remain in a family home environment. Amends the Illinois Public Aid Code. Extends Medicaid eligibility for continued home-based skilled or intermediate care to persons age 21 or older (under current law, eligibility is limited to persons under age 21). Requires an annual determination of need for that level of care and requires the Department of Human Services to make an annual report concerning services provided and other matters. Effective immediately.

**HOUSE AMENDMENT NO. 1**

In provisions extending continued Medicaid coverage of home-based skilled or intermediate care for persons age 21 or older, limits that coverage to services provided outside an institution.

FISCAL NOTE (Department of Human Services)

The total estimated cost for House Bill 4502 is \$635,000-\$26,400,000.

FISCAL NOTE (Department of Public Aid)

It is assumed persons currently aging out of the waiver go into a skilled nursing facility. At \$90 per day, the annual cost for a client in a skilled nursing facility is \$32,850. Continuing coverage for these persons after the age of 21 with services offered in the waiver costs an average of \$120,000 per client- a price differential of \$87,150. Approximately 75 children are expected to transition out in the next six years. Estimated cost for 29 of them in FY'04 is \$2.5 million, increasing to 75 children in FY'08 at a projected cost of \$6.5 million. These costs are not eligible for Federal match under the current waiver. There is also concern this legislation has potential to cover an additional 900 children who have transitioned out of the waiver since it was started in 1985.

**SENATE FLOOR AMENDMENT NO. 3**

Deletes reference to:

305 ILCS 5/5-2

Replaces everything after the enacting clause. Amends the Mental Health and Developmental Disabilities Administrative Act. Requires the Department of Human Services to periodically convene a special task force to study and assess service needs of persons with autism. Deletes the requirement for Departmental reports to the General Assembly, but requires the Secretary of Human Services to report the task force's findings and recommendations to the Governor and the General Assembly by September 1, 2005 and to make annual progress reports beginning January 1, 2006. Makes changes in the required contents of the Department's progress reports. Requires the Department of Human Services and the Department of Public Aid to determine the availability of federal financial participation in the cost of developing a family support program, including Medicaid coverage for children with autism. Effective immediately.

Provides that a violation is a Class X felony.

CORRECTIONAL NOTE (Dept of Corrections)

The total impact of House Bill 4505, as amended by House Amendment 1, would result in an increase of 7,677 inmates with additional operating costs of \$895,902,600 and construction costs of \$428,577,600 over ten years. However, these calculations are based on limited accessible data. Increasing the penalty to a mandatory prison sentence may result in a greater number of plea bargains to avoid a prison sentence. Estimates may vary depending on how cases are prosecuted and plea bargained. Therefore, the full impact of this amended legislation is unknown.

In provisions concerning general and supplemental State aid, removes language that provides that if the appropriation in any fiscal year for general State aid and supplemental general State aid is insufficient to pay the amounts required under the general State aid and supplemental general State aid calculations, then the State Board of Education shall ensure that each school district receives the full amount due for general State aid and the remainder of the appropriation shall be used for supplemental general State aid, which the State Board of Education shall calculate and pay to eligible districts on a prorated basis. Effective July 1, 2004.

**HOUSE AMENDMENT NO. 1**

Adds reference to:

105 ILCS 5/18-11 from Ch. 122, par. 18-11

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following change. Provides that a General State Aid Entitlement (defined as the sum of the amounts calculated under the recomputation of claims provisions, the general State aid provisions, and the supplemental general State aid provisions of the School Code) shall be calculated for each school district. Provides that payments to districts shall be based on the General State Aid Entitlement, instead of its separate components. Provides that if the appropriation in any fiscal year for the General State Aid Entitlement is insufficient to pay the amounts required, then the payments shall be prorated as appropriate, with any shortage being subtracted from the final warrant or warrants for that fiscal year. Effective July 1, 2004.

## New Act

Creates the Southern Illinois Economic Development Authority Act. Creates the Southern Illinois Economic Development Authority in Clay, Effingham, Fayette, Franklin, Jefferson, Marion, Washington, and Williamson counties in order to promote economic development within those counties. Contains provisions concerning the powers and duties of the Authority. Allows the Authority to acquire, own, sell, lease, or otherwise dispose of interests in real property and to issue bonds, notes, or other evidences of indebtedness for certain purposes. Provides that the Authority shall be governed by a 19-member board. Contains other provisions. Effective immediately.

## HOUSE AMENDMENT NO. 1

Adds reference to:

30 ILCS 5/3-1 from Ch. 15, par. 303-1

Deletes everything. Reinserts the provisions of the bill as introduced. Creates the Southeastern Illinois Economic Development Authority in Fayette, Cumberland, Clark, Effingham, Jasper, Crawford, Marion, Clay, Richland, Lawrence, Jefferson, Wayne, Edwards, Wabash, Hamilton, and White counties (rather than Clay, Effingham, Fayette, Franklin, Jefferson, Marion, Washington, and Williamson counties). Provides that the Authority shall be governed by a 10-member board (rather than a 19-member board) and makes corresponding changes. Provides that the Governor shall appoint 9 (rather than 10) public members. Deletes a provision requiring that the chairman of the county board of each county within the territorial jurisdiction of the Authority shall appoint one member. Provides that each member of the Authority shall hold office for a term of 3 years (rather than 6 years). Deletes a provision requiring the Department of Commerce and Economic Opportunity to pay the compensation of the executive director from appropriations received for that purpose. Limits the aggregate amount of bonds that may be issued by the Authority to \$25,000,000. Deletes a provision prohibiting the Authority from issuing any bonds relating to the financing of a project located within the planning and subdivision control jurisdiction of any municipality unless the corporate authorities of the municipality do not, or the county board does not, adopt a resolution disapproving the project within 45 days after receipt of the notice. Requires the Auditor General to conduct a financial audit of the Authority every 5 years. Amends the Illinois State Auditing Act to give the Auditor General jurisdiction to conduct financial audits of the Authority. Effective immediately.

## FISCAL NOTE (Department of Commerce and Economic Opportunity)

House Bill 4532 with House Amendment 1 is estimated to have no fiscal impact on the Department of Commerce and Economic Opportunity relating to the appointment or removal of Authority members.

## STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

House Bill 4532, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond. However, it does permit for the State's moral obligation pledge to be utilized by the Southeastern Illinois Economic Development Authority. The State is not legally obligated to pay in the event of default on moral obligation bonds, but the Governor may include the default amount in the budget for possible legislative action.

705 ILCS 405/5-915

Amends the Juvenile Court Act of 1987. Provides that a minor who is eligible to have his or her juvenile records expunged shall at the time of sentencing or dismissal of the case be informed by the judge of his or her right to expungement and shall be provided an expungement information packet by the clerk of the circuit court. Provides that if an objection to expungement is filed within 90 days of the notice of expungement, a hearing shall be set on the objections. Provides that the State Appellate Defender shall, by December 31, 2004, establish, maintain, and carry out a juvenile expungement program to provide information to minors eligible to have their records expunged. Provides that the State Appellate Defender shall establish and maintain a statewide toll-free telephone number that a person may use to receive information or assistance concerning the expungement of juvenile records. Provides that except with respect to law enforcement agencies, the Department of Corrections, State's Attorneys, or other prosecutors, an expunged juvenile record may not be considered by any private or public entity in employment matters, certification, licensing, revocation of certification or licensure, or registration. Provides that applications for employment must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of conviction or arrest. Provides that employers may not ask if an applicant has had a juvenile record expunged. Provides that effective January 1, 2005, the Department of Employment Security shall develop a program to inform employers that employers may not ask if an applicant had a juvenile record expunged and that application for employment must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of arrest or conviction. Effective immediately.

**HOUSE AMENDMENT NO. 1**

Deletes everything after the enacting clause. Amends the Juvenile Court Act of 1987. Reinserts the provisions of the bill as introduced. Eliminates the provisions that provide for expungement when the minor was placed on probation and the probation period has been successfully terminated. Provides for a notice of expungement form, an order of expungement form, and a notice of objection form. Effective immediately.

**FISCAL NOTE (State Police)**

Fiscal impact of approximately \$901,000 depending on the number of expungement requests received.

**FISCAL NOTE (Department of Employment Security)**

The first mailing would cost in the neighborhood of \$295,000 to \$325,000 in State funds. Subsequent mailings would save the one-time cost and therefore be expected to range from \$275,000 to \$300,000.

**HOUSE AMENDMENT NO. 2**

Deletes everything after the enacting clause. Reinserts the provisions of the bill as amended with the following changes. Makes various grammatical changes to the bill. Provides that the person must petition for expungement rather than the court automatically entering an order of expungement. Eliminates provision that the processing fee for expungement must be deposited in the State Police Services Fund. Provides that the Department of Labor (rather than the Department of Employment Security) shall

develop a link on the Department's website (rather than a program) to inform employers that employers may not ask if an applicant had a juvenile record expunged and that application for employment must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of arrest or conviction. Effective immediately.

FISCAL NOTE (State Police)

As amended by HA2, there would be a minimal fiscal impact depending on the number of expungements where fees are waived for indigent individuals.

STATE MANDATES FISCAL NOTE (Department of Commerce and Economic Opportunity)

Does not create a state mandate under the State Mandates Act as amended by HA2.

FISCAL NOTE (Department of Labor)

Administration of this Act would not require additional costs.

SENATE FLOOR AMENDMENT NO. 1

Provides that the failure of the judge to give the admonishment to the petitioner seeking expungement does not create a substantive right, nor is that failure grounds for: (i) a reversal of an adjudication of delinquency, (ii) a new trial; or (iii) an appeal.

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Provides that a child's annuity is payable to a child who is over 18 years of age, but less than 23 years of age, if he or she is a full-time student. Eliminates the 3-day waiting period for the payment of a duty disability benefit for certain persons. Creates an interim disability benefit for an employee who has a pending workers' compensation claim or who is awaiting a final determination by the Industrial Commission. Provides a minimum annuity for certain retirees and surviving spouses. Authorizes employer pickup and tax-deferred status for contributions made toward the alternative plan for commissioners. With respect to the 5 years of service needed to establish eligibility for a disability retirement annuity, excludes service credit earned while on disability for new employees. Clarifies the calculation of service with respect to the Optional Plan. Allows an employee who has returned to service to repay a prior refund within the 90 days following his or her final withdrawal from service. Allows payment of a refund to certain nonvested employees who are under age 55 (rather than 50). Provides that the refund due to a person who enters service on or after the effective date of this amendatory Act and who must forfeit his or her pension because of a felony conviction shall be equal to his or her contributions (including amounts paid by the person to establish additional or optional credit), without interest, less the amount of any benefits paid to the person (including benefits paid to an alternate payee under a QILDRO). Provides that the refund shall not include employer contributions or any interest on contributions. Amends the State Mandates Act to require implementation without reimbursement. Amends the Illinois Public Aid Code. For purposes of the AABD program, provides that "disabled person" is defined as in the Social Security Act (instead of providing a definition separate from that Act). Sets forth standards to be used by the Department of Human Services in determining whether persons are disabled for purposes of the AABD program. For each 1,000 people added as a result of this legislation, annual costs are projected at \$12 million. Since the definition of eligibility is not consistent with the Federal definition, expenditures would not be eligible for Federal match.

New Act

Creates the Landlord Responsibility Act. Contains only a short title provision.

HOUSE AMENDMENT NO. 1 (TABLED 4/1/2004)

Deletes reference to:

New Act

Adds reference to:

720 ILCS 5/12-5.1 from Ch. 38, par. 12-5.1

Deletes all. Amends the Criminal Code of 1961. Provides that whenever, under any agreement, either written or verbal, a landlord or his or her agent charges a tenant for any water, gas, or electrical service and the tenant pays the landlord for the utility service and the landlord or his or her agent does not pay the utility company for the service and the utility company terminates service and as a result of the termination of utility service, the landlord knows or reasonably should know that the health or safety of the tenant is endangered, the landlord is guilty of the offense of criminal housing management.

HOUSE AMENDMENT NO. 4

Deletes all. Amends the Criminal Code of 1961. Provides that a landlord, or his or her agent, commits the offense of criminal housing management when, under an agreement, the landlord or agent charges a tenant for gas, water, or electrical utility service and: (1) the landlord or agent fails to pay the utility company for the service, resulting in termination of that utility service to the tenant's residence; and (2) the termination of utility service is not corrected within 24 hours after it was terminated, unless the delay is caused by an act of God or other occurrence through no fault of the landlord or agent; and (3) the termination of utility service endangers the health or safety of the tenant or a member of the tenant's household (instead of providing that a landlord commits criminal housing management when, under an agreement, the landlord or agent charges a tenant for utility service, the tenant pays the landlord

for that service, the landlord or agent does not pay the utility company, the utility company terminates service, and as a result of that termination the landlord knows or reasonably should know that the health or safety of the tenant is endangered). Provides that the amendatory provisions are not intended to authorize the resale of water, gas, or electrical service if that resale is otherwise prohibited. Provides that "landlord" includes the owner or lessor of a building containing 3 or more residential units (instead of simply a building). Provides that a first conviction of a landlord or agent is a petty offense; a second conviction is a business offense subject to a fine not to exceed \$1,500; and a third or subsequent conviction is a Class A misdemeanor (instead of providing that a first conviction is a Class A misdemeanor and a subsequent violation is a Class 4 felony).

Amends various Acts relating to the governance of public universities in Illinois and amends the Public Community College Act. Requires public institutions of higher education to allow a currently enrolled student who is called to active military service to complete any unfinished courses at a later date at no additional charge, unless course credit has already been given. Provides that the student must be given priority over other students in reenrolling in the course or courses. Effective immediately.

**HOUSE AMENDMENT NO. 1**

Provides that the requirement that an institution of higher education allow a student to complete any unfinished courses at no additional charge does not apply if the student received a full refund upon withdrawing from the course, in which case the student's record shall reflect that the withdrawal is due to active military service.

**FISCAL NOTE (Board of Higher Education)**

No potential fiscal impact to the State. Tuition and fee revenues are locally held and controlled by public universities and community colleges. A December 2001 study by the Board of Higher Education on institutional policies concerning students called to active military service found that while the specific provisions vary by institution, current policies at Illinois public universities and community colleges regarding such students are generally consistent with the requirements set forth in House Bill 4686. Thus, the potential fiscal impact of this bill to Illinois public institutions of higher education likely would be negligible.

Provides that nothing in the Section concerning the disclosure of utility services to be provided by the landlord shall be interpreted as authorizing the resale of electric service.

HOUSE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the provisions of the original bill. Changes references from a separate statement detailing any utility services to be paid for by the landlord to a signed and sworn affidavit detailing any utility services to be paid for by the landlord.

Provides that if the landlord or his or her agent does not pay for the services, the tenant or tenants may terminate the lease; however, the termination of the lease does not absolve the landlord or tenant from any obligations that have arisen under the lease prior to its termination.

Amends the Illinois Income Tax Act. Authorizes a deduction of up to \$10,000 per taxable

year for amounts contributed in the taxable year to a College Savings Pool Account or the Illinois Prepaid Tuition Trust Fund, excluding amounts rolled over into the account (now, unlimited deductions authorized only for contributions to the College Savings Pool, excluding rollovers). Amends the State Treasurer Act, the Baccalaureate Savings Act, and the Illinois Prepaid Tuition Act to remove language providing that (i) contributions to the Bright Start Program; (ii) contributions toward the purchase of the first \$25,000 of College Savings Bonds; and (iii) contributions toward the purchase of an Illinois Prepaid Tuition Contract, respectively, shall not be counted against the financial aid awarded by the Illinois Student Assistance Commission, the State, or any agency thereof. Effective immediately, except that the changes to the State Treasurer Act, the Baccalaureate Savings Act, and the Illinois Prepaid Tuition Act take effect on January 1, 2005.

FISCAL NOTE (Department of Revenue)

House Bill 4914 limits deductions for contributions to the Bright Start program to \$10,000 and creates a new deduction for contributions to College Illinois limited to \$10,000. Limiting Bright Start contribution deductions to \$10,000 will save the State approximately \$1.5 million. Allowing deductions for contributions up to \$10,000 to the College Illinois program is estimated to cost approximately \$2.2 million. This is a net cost of \$700,000.

Provides that the deduction of certain amounts contributed during the taxable year to a College Savings Pool Account or the Illinois Prepaid Tuition Trust Fund shall be for taxable years beginning on or after January 1, 2005 (rather than January 1, 2004). Requires participating school districts to send an annual progress report to the State Board. Effective immediately.

HOUSE AMENDMENT NO. 1

Provides that the State Board of Education shall select 7 (instead of 8) school districts to participate in the pilot project, one located in the City of Chicago, 3 located in the area that makes up of the counties of DuPage, Kane, Lake, McHenry, Will, and that portion of Cook County that is located outside of the City of Chicago, and 3 located in the remainder of the State. Provides that the State Board shall, if possible, select at least 9 (instead of 8) schools to participate in the pilot project, with at least 3 from the school district located in the City of Chicago and one from each of the other school districts selected. Makes a technical correction.

FISCAL NOTE (Illinois State Board of Education)

House Bill 4944 specifically limits the cost of the Pilot Program to \$10 million. While gifts, grants and donations may be available, absent a large donation of wireless computers or other technology resources to the State, it is likely that the State will contribute a substantial portion of this cost.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

House Bill 4944 does not appear to establish a new state mandate. School districts

would chose to participate and would receive resources from the State for their participation.

Amends the Illinois Vehicle Code and the Unified Code of Corrections. Transfers language regarding penalties for driving under the influence of alcohol, drugs, or intoxicating compounds from the disposition provision of the Unified Code of Corrections to the DUI provision of the Illinois Vehicle Code. Consolidates certain language within both provisions to create new language within the Illinois Vehicle Code provision and to increase the penalties that may be imposed in certain circumstances. Makes corresponding changes in other provisions of the Unified Code of Corrections and in the Clerks of Courts Act. Amends the Illinois Vehicle Code to provide that a person commits aggravated DUI if he or she commits DUI while driving a school bus with persons 18 years of age or younger on board (rather than with children on board).

305 ILCS 5/5-5.12 from Ch. 23, par. 5-5.12

Amends the Illinois Public Aid Code. Provides that the Department shall not impose requirements for prior approval based on a preferred drug list for any short-acting beta agonists used as rescue therapy in the treatment of life-threatening conditions due to acute bronchospasm in patients with reversible obstructive airway disease that results from asthma, chronic obstructive pulmonary disease or emphysema.

## FISCAL NOTE (Department of Public Aid)

This bill will hamper the Department's ability to enact cost containment measures if prior approval, generic preference and formulary restrictions are exempt for clients diagnosed with a specific disease such as reversible obstructive airway disease. It is also difficult to link comprehensive drugs to a particular disease, since drug prescriptions do not include a diagnosis field. Computer system changes related to such diagnosis tracking will result in increased administrative costs and would need to conform to HIPAA requirements. Since the Department does not track Medicaid clients by their disease, fiscal impact cannot be determined at this time.

New Act

Creates the Post-Secondary Early Childhood Education Articulation Act. Establishes the Higher Education Early Childhood Commission to develop a plan to ensure that early childhood courses offered at two-year colleges can be integrated into all early childhood degree programs at public four-year colleges in Illinois consistent with State and national accreditation standards. Requires adoption of the plan by public four-year colleges by December 31, 2006. Dissolves the Commission on December 31, 2010.

FISCAL NOTE (Illinois Board of Higher Education)

Assuming that the work of the commission is to be done within existing agency resources, there will be an operating impact to the Illinois Board of Higher Education (IBHE) and the Illinois Community College Board (ICCB) associated with this bill due to the need to reallocate staffing and other agency operating resources (e.g., travel costs) during the development of the commission's plan. Institutions will face similar operating impacts under this legislation as noted for the Illinois Board of Higher Education and the Illinois Community College Board.

Amends the Property Tax Code. Creates an accessible housing exemption. Provides that any component of residential property that is specifically designed and built for persons with disabilities in compliance with the accessibility guidelines and standards of the United States Architectural and Transportation Barriers Compliance Board (the "Access Board"), the construction of which is completed on or after 10 years before the effective date of this amendatory Act of the 93rd General Assembly, is exempt from property taxes, if it meets all of the requirements for exemption. Exempts the components of new construction as well as new components installed in existing residential property that meet Access Board standards to the extent of the value added by the components. Provides that the exemption applies only if the owner of the property who applies for the exemption or a member of the applicant's household is disabled. Provides that if a component of residential property is not in compliance with the Access Board's standards but it is constructed to and it does meet the accessibility needs of the disabled person, then that component is eligible for the exemption. Requires the Director of Public Aid, in cooperation with the Director of Aging, to apply for any necessary waivers under Title XIX of the Social Security Act. Amends the Illinois Act on the Aging. Provides that, at the end of each State fiscal year, any unspent and unencumbered General Revenue Fund appropriations for long-term care for seniors shall be deposited into the Alternative Long-Term Care Services for Seniors Fund. Provides that moneys in the Fund shall be used to fund specified alternative long-term care services with priority given to the distribution of funds for services in critical access service areas. Amends the State Finance Act to create the Alternative Long-Term Care Services for Seniors Fund as a special fund in the State treasury. Effective immediately.

HOUSE AMENDMENT NO. 1

Adds reference to:

30 ILCS 105/8h

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging. Requires the Director of Aging, in collaboration with the Director of Public Aid and the Director of Public Health and in consultation with the Housing, Health, and Supportive Services for Older Adults Coordinating Committee, to monitor and analyze the distribution of services for older adults in each geographic area of the State, identify service deficits or problems, and designate critical access service areas. Requires the Director of Aging to submit to the General Assembly an assessment of the availability of services that identifies service deficits or problems and includes a plan to address these deficits or problems. Provides that, at the end of each State fiscal year, any unexpended and unreserved General Revenue Fund appropriations for long-term care for older adults shall be deposited into the Long-term Care Services for Older Adults Fund. Provides that moneys in the Fund shall be used to fund specified alternative long-term care services with priority given to the distribution of funds for services in critical access service areas. Creates the Housing, Health, and Supportive Services of Older Adults Coordinating Committee. Amends the State Finance Act to create the Long-term Care Services for Older Adults Fund as a special fund in the State treasury and to exempt the Fund from provisions concerning transfers to the General Revenue Fund. Effective immediately.

FISCAL NOTE (Department on Aging)

Fiscal implications include the following: Time necessary for staff research, analysis, and plan development related to the critical access service areas would be extensive. If done in-house, a minimum of two contractual staff would be necessary. If outsourced, the Department would consider contracting with the thirteen existing area agencies on aging. This effort is estimated to cost within the range of \$100,000 to \$275,000. The Department is concerned that the funding mechanism for the Alternative Long-Term Care Services for Seniors Fund could result in under-funding for the statewide entitlement Community Care Program, as well as State-funded institutional care for seniors.

FISCAL NOTE ((H-AM 1) Department on Aging)

Fiscal implications include the following: Departmental staffing and travel requirements related to the Coordinating Committee could be absorbed within existing appropriations. Time necessary for staff research, analysis, and plan development related to the critical access service areas would be extensive. If done in-house, a minimum of two contractual staff would be necessary. If outsourced, the Department would consider contracting with the thirteen existing Area Agencies on Aging. This effort is estimated to cost within the range of \$100,000 to \$275,000. The Department is concerned that the funding mechanism for the Alternative Long-Term Care Services for Older Adults Fund could result in under-funding for the statewide entitlement Community Care Program.

 30 ILCS 805/8.28 new

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Allows a sheriff's law enforcement employee (SLEP) to convert up to 10 years of non-SLEP service credit into SLEP credit by paying the difference in employee and employer contributions, plus interest. Increases the SLEP retirement formula to 2.5% of the final rate of earnings for each year of SLEP service. Increases the maximum pension payable to a SLEP from 75% to 80% of the final rate of earnings. Removes the 2-year service requirement for earning new benefits after a return to service as a SLEP. Increases the additional employee contribution paid by SLEPs to 2.5% of salary. Also eliminates the reduction in benefit imposed on a surviving spouse who is more than 5 years younger than the deceased member, for the surviving spouse of any member who dies on or after the effective date. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Economic and Fiscal Commission)**

According to IMRF, the formula increase provided by House Bill 5189 would increase the average annual cost of SLEP employers by an estimated 2.56% of payroll, assuming an amortization period of 28 years. The cost would be reduced by an increase in employee contributions of 0.5% salary, resulting in an average annual employer cost of 2.06% of payroll for SLEP employers. The other provisions of House Bill 5189 would have a fiscal impact, but it has not been determined. The cost estimate is based on a modified retirement rate assumption, as the formula increase provided by House Bill 5168 reduces the number of years of service required to achieve the maximum annuity of 80% of final average salary.
