35 ILCS 5/213 new

Amends the Illinois Income Tax Act. Provides that, beginning with taxable years ending on or after December 31, 2003, each taxpayer that is a small business, defined as a business that (i) has 14 employees or less and (ii) has a gross income, for federal income tax purposes, of \$3,000,000 or less in the taxable year, is entitled to an income tax credit in the amount of 50% of the amount spent by the taxpayer in the taxable year, up to a maximum credit of \$2,500 in the taxable year, for modifications to or the purchase of assistive devices for people with disabilities to improve their functional capabilities on the job. Provides that the tax credit may not reduce the taxpayer's liability to less than zero but may be carried forward for 5 taxable years. Exempts the credit from the sunset provisions of the Act. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

The credit will probably reduce revenue no more than a few million dollars per year. In order to use the credit, taxpayers must have a tax liability and two-thirds of corporate filers do not have a tax liability. However, the bill does not specify exactly what expenses qualify for the credit, so the Department will have to determine eligible expenses by rule. The bill also does not provide a definition of what qualifies as a "disability".

#### HOUSE AMENDMENT NO. 1

Provides that the credit is for the purchase of assistive technology devices (now, for assistive devices). Defines "assistive technology device" as any item, piece of equipment, or product system, whether acquired commercially, off the shelf, modified, or customized, that is used to increase, maintain, or improve functional capabilities of individuals with disabilities.

#### HOUSE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the bill as amended by House Amendment No. 1 but also defines "people with disabilities" to include any person who has a physical or mental impairment that substantially limits one or more of the major life activities of the individual, who has a record of such an impairment, or who is regarded as having such an impairment. Effective immediately.

Amends the Toll Highway Act. Requires the Governor to appoint an Inspector General to investigate waste, fraud, or financial mismanagement in Authority operations involving Authority employees or contractors. Provides for the Inspector General's powers and duties. Makes failure to cooperate in specified ways with the investigation a Class A misdemeanor.

**HOUSE AMENDMENT NO. 1**

Deletes everything after the enacting clause. Amends the Toll Highway Act. Requires the Governor to appoint, with the advice and consent of the Senate, an Inspector General. Provides that the Governor may designate the Inspector General and members of the Inspector General's office as peace officers after those persons have completed basic police training. Allows the Inspector General to conduct investigations and make reports concerning fraud, corruption, and mismanagement in the Authority; subpoena witnesses and evidence necessary to carry out the duties of the Inspector General, within specified limitations; and have direct access to the Board of Directors of the Authority. Provides that a person who knowingly and intentionally fails to comply with a subpoena issued by the Inspector General is guilty of a Class A misdemeanor. Prohibits reprisals against employees of the Authority who make complaints to or disclose information to the Inspector General. Requires the Inspector General to adopt rules establishing requirements for investigations. Provides that any employee of the Authority who is subject to investigation or inquiry by the Inspector General must be informed of his or her right to remain silent and to be represented by a representative of a labor organization.

FISCAL NOTE (H-AM 1) (Illinois State Toll Highway Authority)

Establishing an Inspector General position would increase the expenditure of toll revenue by approximately \$250,000 per year based upon an estimated salary, investigative staff, clerical assistance, equipment and benefits necessary for this position.

730 ILCS 5/5-8-1 from Ch. 38, par. 1005-8-1

Amends the Unified Code of Corrections. Requires the Prisoner Review Board to parole a person eligible for parole and set the time for parole, if the Board finds the person to be an acceptable risk through use of specified Parole Release Risk Assessment Instruments. Provides that if parole is denied, a parole hearing shall be rescheduled no later than one year from the date of denial of the parole. Provides for the release of terminally ill prisoners who are eligible for parole. Limits the parole period of parolees who were sentenced under the law in effect before January 1, 1973 to the period of parole for persons sentenced under the law in effect after that date. Effective July 1, 2003.

FISCAL NOTE (Department of Corrections)

House Bill 1126 contains numerous provisions related to changes in the operation of the Prisoner Review Board. This legislation would have minimal impact on the prison population. There may be some cost savings but the exact amount of savings cannot be determined. Population and fiscal impacts for this legislation are limited because eligibility is restricted to the approximately 382 inmates serving an indeterminate sentence. In addition, there are limited data available to estimate the number of prison releases who would be affected by the provisions outlined in this legislation.

FISCAL NOTE (Prisoner Review Board)

Fiscal Impact is unknown.

HOUSE AMENDMENT NO. 1

Provides that the Prisoner Review Board may not deny a prisoner's request for parole solely on the basis of the seriousness of the offense. Provides that rehabilitation shall be the primary basis on whether to grant or deny parole. Provides that the maximum parole and mandatory supervised release term shall be 3 years.

20 ILCS 2505/2505-501 new

Amends the Department of Revenue Law of the Civil Administrative Code of Illinois. Requires the Department, with respect to the positions that are devoted to establishing, collecting, or prosecuting overdue taxes, (i) to fill all positions authorized by appropriation for fiscal year 2004 and (ii) by January 1, 2005, to fill an additional 200 positions. Effectively immediately.

FISCAL NOTE (Illinois Department of Revenue)

House Bill 1139 mandates that the Department, with respect to the positions that are devoted to establishing, collecting, or processing overdue taxes, (i) fill all positions authorized by appropriation for fiscal year 2004 and (ii) by January 1, 2005 fill an additional 200 positions. At this time, the Department does not have an appropriation

authorization for fiscal year 2004. Therefore, this fiscal impact is limited to the additional 200 positions referenced in the legislation. Based on training logistics, all 200 auditors and other enforcement positions would be hired by January 2006. By FY 07, the annualized cost of the new personnel is estimated to be \$14.1 million.

FISCAL NOTE (State Board of Education)

Does not increase costs to the state. It is unclear if this will lead to more or less waivers of laws and administrative rules for school districts. To the extent it makes it easier to achieve a waiver, it may reduce costs for school districts.

STATE MANDATES FISCAL NOTE (State Board of Education)

 105 ILCS 5/34-18.5 from Ch. 122, par. 34-18.5  
 30 ILCS 805/8.27 new

Amends the School Code. Provides for the detachment of a contiguous portion of an elementary school district from that district and its annexation to an adjoining elementary school district to which the portion is also contiguous and the detachment of a contiguous portion of a high school district from that district and its annexation to an adjoining school district to which the portion is also contiguous, upon the filing of a petition, if certain conditions are met with respect to the petition. Requires student teachers assigned to a school district to authorize a criminal background investigation. Provides that upon receipt of this authorization, the school district shall submit the student teacher's personal information to the Department of State Police, who shall conduct the investigation. Prohibits a school board from knowingly allowing a person to student teach who has been convicted for a specified offense or for whom a criminal background investigation has not been initiated. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**FISCAL NOTE (State Board of Education)**

Does not directly increase costs to the State. It is possible that state aid will be affected over time as districts reorganize. HB 1167 likely creates a due process mandate, but it is specifically exempt from the State Mandates Act. HB 1167 will increase costs of school districts to perform criminal background checks on student teachers. Assuming 7,000 student teachers across the state and \$12.00 for a background check (not including fingerprints) it will increase costs by approximately \$100 thousand. In some cases the cost will be minor, but in larger districts it could be significant.

HB 1172 would increase the accrued liability of the Fund by \$31.6 million. The annual payment required to amortize the increase in liability is estimated to be \$1.6 million, or 0.09% of payroll. As HB 1172 only affects current retirees, it would not increase the annual normal cost of the fund.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 1174 has not been determined, but could be substantial.

## 105 ILCS 5/2-3.131 new

Amends the School Code. Requires the State Board of Education to study a way to use funds from gambling to reduce classroom size in grades K through 3 to no more than 15 students per classroom and to increase student literacy.

## STATE MANDATES FISCAL NOTE (State Board of Education)

House Bill 1177 does not create a mandate on school districts.

## FISCAL NOTE (State Board of Education)

House Bill 1177 will require minor administrative costs. Normally the State Board would be able to perform studies with existing resources but it has insufficient staff and contractual resources because of FY03 reserves and anticipated FY04 reductions to perform anything of substance. Fortunately, in this case, the source of funds is already defined (gambling) as is the intervention (class size reduction to 15). Because the legislation does not leave much to study other than a method for distributing the funds to school districts, it is likely that the State Board can perform this within existing resources.

20 ILCS 105/4.02 from Ch. 23, par. 6104.02

Amends the Illinois Act on the Aging by providing that vendors of homemaker, chore, and housekeeping services shall receive a rate increase of \$1.37 per hour. Effective July 1, 2003.

**FISCAL NOTE (Department of Aging)**

House Bill 1178 amends the Illinois Act on Aging to require that the reimbursement rate for homemaker vendors be increased by \$1.37 per hour, effective July 1, 2003. As such, the Illinois Department on Aging's reimbursement rate for Community Care Program homemaker services would increase from \$11.06 per hour to \$12.43 per hour. Based on estimate of total units (hours) of homemaker service that will be provided during FY04, the gross general revenue cost of this rate increase would be approximately \$23.3 million. The net cost to the state, based on recent Medicaid claiming data, is estimated at \$18.4 million. Please note that the term "net cost" refers to the gross state general revenue fund expenditure less Medicaid federal financial participation revenues.

Amends the School Code. In provisions concerning the educational services block grant for a school district having a population exceeding 500,000 inhabitants, provides that the grant shall include funding for children requiring special education services. Removes the extraordinary and private tuition components of the Special Education program that the educational services block grant includes. In provisions concerning children with disabilities attending private schools, public out-of-state schools, public school residential facilities, or private special education facilities, removes the requirement that transportation to and from home to a residential school more than once each school term be subject to prior approval by the State Superintendent of Education. Replaces certain provisions in the Children with Disabilities Article of the School Code concerning State reimbursement to a school district with new provisions governing payments for children requiring special education services. Effective immediately.

**HOUSE AMENDMENT NO. 1**

Deletes reference to:  
105 ILCS 5/14-7.02

In the provision concerning the educational services block grant for the Chicago school district, restores the private tuition component of the Special Education program that the block grant includes. Makes changes concerning the funding formula for children requiring special education services, payments for individual students with disabilities whose program costs exceed 4 times the district's per capita tuition rate, and grants for approved summer school programs for children with disabilities.

**HOUSE AMENDMENT NO. 2**

In the new Section concerning funding for children requiring special education services, removes the provision that provides that funds may be used only for the provision of special educational facilities and services as defined in the Article of the School Code concerning

Amends the Code of Civil Procedure to prohibit court orders and judgments from concealing public hazards. Effective July 1, 2003, and applies to causes of action accruing on or after that date.

**HOUSE AMENDMENT NO. 1**

Provides that the provisions of the bill do not apply to health care professionals or providers.

JUDICIAL NOTE (H-AM 1) (Admin Office of the Illinois Courts)

House Bill 1191, as amended by House Amendment No. 1, would result in some increase in judicial workloads, however, it is not anticipated that the bill would increase the number of judges needed in the state.

FISCAL NOTE (H-AM 1) (Department of Professional Regulation)

HB 1191 (House Amendment 1) will have no fiscal impact on the agency.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

Under the State Mandates Act, a "State mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. The provisions of HB 1191 (HA #1) do not require the additional expenditure of local government funds. Therefore, in the opinion of DCCA, HB 1191 (HA #1) does not meet the definition of a State Mandate under the State Mandates Act.

**HOUSE AMENDMENT NO. 3**

Deletes everything. Inserts the contents of the bill as introduced, except deletes the reference to "a person" in the definition of "public hazard". Effective July 1, 2003.

Creates the Family Caregiver Act, to be administered by the Department on Aging, for the purpose of encouraging family members to provide care for their elderly family members. Requires the Department to contract with area agencies on aging and other appropriate agencies to provide family caregiver support services to the extent of available funding. Provides that the services include counseling, training, and respite care. Requires the Department to seek federal funding for a demonstration project using nursing homes. Also authorizes caregiver support services for grandparents who are primary caregivers for their grandchildren. Amends the Respite Program Act. Deletes references to abused adults and to functionally disabled or cognitively impaired adults (so that the Act applies to "frail or disabled" adults). Defines a "frail or disabled adult" as a person age 60 (instead of 55) or older and who either (i) suffers from Alzheimer's disease or a related disorder or (ii) is unable to attend to his or her daily needs without assistance or regular supervision. Deletes references to the Council on Aging. Makes other changes. Effective immediately.

FISCAL NOTE (Department on Aging)

There are no fiscal implications.

HOUSE AMENDMENT NO. 1

Provides that the legislative intent of the Family Caregiver Act is to assist grandparents

or other older individuals who are relative caregivers (as well as to assist unpaid family caregivers). Requires that services provided under the family caregiver support program provide various services to caregivers of older individuals and children (instead of to caregivers of frail individuals). Removes a requirement that the demonstration project use nursing homes. Requires the Department on Aging to seek technical assistance from the Department of Human Services (as well as from the Department of Public Aid). Makes other changes.

Authorizes school districts by referendum to impose an income tax on individuals resident of the district. Provides that with referendum approval, the income tax shall be levied at an annual rate, adjusted each year, that will produce for distribution to the district in each calendar year an amount equal to the corresponding 50% reduction that is required to be made in the annual extension of the real property taxes that are levied by the district against residential property for educational, operations and maintenance, and transportation purposes and that are collected and distributed to the district in the same calendar year in which the corresponding income tax revenues are distributed. CORRECTIONAL NOTE (Department of Corrections)

The fiscal impact of House Bill 1253 will be minimal (reduction).

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 1253 would neither increase nor decrease the number of judges needed in the state.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

HB 1253 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (Bureau of the Budget)

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental appropriation bills. Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this Note as requested.

FISCAL NOTE (Department of Public Health)

The Department estimates the cost of developing, printing, and distributing education materials to pharmacists to provide to persons purchasing sterile syringes during the first year the bill is in effect to be \$93,800. Annual costs thereafter are estimated at \$83,800.

FISCAL NOTE (Corrected) (Department of Public Health)

The Department estimates the cost of developing, printing, and distributing education materials to pharmacists and developing guidelines to advise local health departments on disposal of used syringes and needles during the first year the law is enacted at \$61,634. Annual costs thereafter are estimated at \$18,200.

HOME RULE NOTE (Dept of Commerce and Community Affairs)

House Bill 1253 does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 1253 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

HB 1253 creates a service mandate for which reimbursement of 50%-100% of the increased costs to units of local government is required under the States Mandate Act. An estimated of the increased costs to local governments is not available.

20 ILCS 105/4.02 from Ch. 23, par. 6104.02

Amends the Illinois Act on the Aging. In provisions for a community care program of services to prevent unnecessary institutionalization of persons age 60 and older, provides that the Department on Aging's eligibility standards for the services must include a provision that, to be eligible for services, a person may not have assets totaling more than \$20,000 if (i) the person is unmarried or (ii) the person is married and the person or the person's spouse meets certain criteria. Provides that if the person is married and the person's spouse does not receive community care services, the person may not have assets totaling more than the asset disregard amount used by the Department of Public Aid in determining eligibility for medical assistance under the Illinois Public Aid Code. Effective January 1, 2004.

FISCAL NOTE (Department on Aging)

House Bill 1254 amends the Illinois Act on the Aging to provide that the Community Care Program (CCP) non-exempt asset eligibility standard be increased from the current \$10,000 limit to a \$20,000 limit in non-exempt assets. Non-exempt assets are assets that are not specifically exempt per administrative rule. Exempt assets include such things as homestead property, household furnishings, clothing and personal effects. Utilizing census data for individuals 60-years and older, current CCP participation rates, and data on household financial assets, the Department estimates that between 3,500 and 5,800 individuals, with non-exempt assets between \$10,000 and \$20,000, would be eligible for the CCP. Based on an estimated average monthly per client spending, multiplied by twelve months, and multiplied by the additional CCP clients, generates an estimated annual expenditure increase of between \$19.4 and \$32.6 million in state general revenue funds.

- 305 ILCS 5/5-5.5 from Ch. 23, par. 5-5.5

Amends the Illinois Public Aid Code. In provisions concerning Medicaid payment rates for nursing homes, provides that a nursing home must document its increased costs of providing services resulting from capital improvements made by the facility. Provides that the Department of Public Aid must verify this information promptly after receiving the facility's cost report. Provides that the Department must adjust the facility's payment rates promptly after verifying the facility's increased costs of providing services resulting from capital improvements made by the facility. Effective immediately.

**HOUSE AMENDMENT NO. 1**

Replaces the amendatory provisions of the bill concerning a nursing home's reporting of increased costs resulting from capital improvements. Provides that a nursing home may at any time submit information to the Department of Public Aid to supplement the facility's most recent cost report to document its increased allowable costs of providing services resulting from capital improvements made by the facility that have not been considered in the payment rates in effect for that facility for the current fiscal year. Requires prompt verification by the Department and prompt adjustment of the facility's payment rates. Makes implementation subject to appropriations.

**FISCAL NOTE (Department of Public Aid)**

The current code allows facilities to request a capital adjustment if a significant capital improvement has been made. This amendment to the current code mandates that the facility receives a capital adjustment regardless of the significance of the capital improvement. This amendment could cost the State as much as \$4 million annually.

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Allows a sheriff's law enforcement employee (SLEP) to convert up to 10 years of non-SLEP service credit into SLEP credit by paying the difference in employee contributions, plus interest. Increases the SLEP retirement formula to 2.5% of the final rate of earnings for each year of SLEP service. Allows a person with at least 20 years of SLEP credit to have the pension based on his or her salary rate on the last day of SLEP service. Compounds the 3% annual increase in retirement annuities for SLEPs who retire on or after July 1, 2003; specifies that those retirees do not receive a supplemental benefit payment (13th check). Increases the basic disability benefit for a sheriff's law enforcement employee whose disability is the result of sickness, accident, or injury incurred in or resulting from the performance of an act of duty, from 50% to 65% of the final rate of earnings. Increases the SLEP surviving spouse benefit to 66% of the deceased SLEP's retirement annuity. Removes the 2-year service requirement for earning new benefits after a return to service as a SLEP. Increases the additional employee contribution paid by SLEPs to 3.1% of salary. Also eliminates the reduction in benefit imposed on a surviving spouse who is more than 5 years younger than the deceased member, for the surviving spouse of any member who dies on or after the effective date. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

According to IMRF, when calculated individually, the SLEP benefit increases contained in HB 1317 would increase the accrued liabilities of the Fund by \$126.5 million. The corresponding increase in average annual cost (including normal cost) is estimated to be 7.34% of payroll for SLEP employers, assuming amortization of the increase in accrued

liabilities over 30 years. This cost would be reduced by a savings of 0.62% of payroll from discontinuing the supplemental benefit payment and by 1.1% due to increased employee contributions. Therefore, when calculated individually, the total annual cost associated with the benefit increases provided in HB 1317 is estimated to be 5.62% of payroll for SLEP employers. If the cost of the benefits contained in HB 1317 were calculated together, the increase in the accrued liabilities of IMRF and the increase in annual employer cost may be significantly higher than those outlined above. The required contributions (as a percent of payroll) may vary widely among employers.

725 ILCS 120/4.5

730 ILCS 105/25 from Ch. 38, par. 1675

Amends the Rights of Crime Victims and Witnesses Act and the Open Parole Hearings Act. Requires the Prisoner Review Board to establish a toll-free number that may be accessed by the victim of a violent crime to present information for consideration by the Board at the parole hearing or at a proceeding on determining conditions of mandatory supervised release or at a hearing on revocation of mandatory supervised release of a person sentenced to a determinate sentence who committed the crime against the victim. Effective immediately.

FISCAL NOTE (Prisoner Review Board)

The Prisoner Review Board expects substantial calls on the toll-free line. The Board expects that the estimated annual cost to maintain the line to be \$18,738. The board also feels that the Prisoner Review Board would require an additional person to memorialize the victims considerations when considering the conditions of parole or mandatory supervised release and making sure the victims concerns were given to the Board prior to setting the conditions of Parole or mandatory supervised release. The Board estimates that the annual cost to have one person handle the extra phone calls to be \$33, 008. The combined cost of the additional person and the line charges is expected to be \$51, 746.

305 ILCS 5/12-4.11 from Ch. 23, par. 12-4.11

Amends the Illinois Public Aid Code. Requires the Department of Human Services to increase TANF grant amounts by 15% effective July 1, 2003 and to increase grant amounts on July 1, 2004 and each July 1 thereafter by an amount based on employment cost statistics compiled by the United States Department of Labor. Requires the Department thereafter to report to the Governor and the General Assembly concerning the adequacy of TANF grant amounts to meet families' subsistence needs. Effective July 1, 2003.

FISCAL NOTE (Department of Public Aid)

It is estimated that this could cost less than \$500,000 in FY 2004. If the standard continues to increase without a change in Department policy, eventually more people will become eligible for full Medicaid. Such an increase in eligibles could cost anywhere between \$14 million and \$20 million annually.

HOUSE AMENDMENT NO. 1

Provides that effective July 1, 2003, the Department of Human Services shall increase TANF grant amounts by no less than 5% (instead of 15%) above the amounts in effect on June 30, 2003.

40 ILCS 5/9-219 from Ch. 108 1/2, par. 9-219  
30 ILCS 805/8.27 new

Amends the Cook County Article of the Pension Code. Allows a county correctional officer to establish credit for periods spent as an officer or employee of a labor organization that represents employees without paying the employer contributions if application is made on or after July 1, 2003 and before July 1, 2004. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

The fiscal impact of HB 1361 has not been calculated, but is estimated to be minor, as the window period eliminates the currently required employer contributions (and interest on those contributions) only if the application to purchase the service credit is received by the Fund between July 1, 2003 and July 1, 2004.

Amends the General Assembly Article of the Illinois Pension Code. Allows former members who have not yet begun receiving a retirement annuity to establish credit for up to 2 years of prior military service. Extends to July 1, 2004 the period during which that credit may be established without payment of amounts representing employer contributions. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

The fiscal impact of HB 1362 cannot be calculated, as the amount of military service credit that would be established during the window is unknown. There would be a fiscal impact, as the employer contribution is waived if the military service is established prior to July 1, 2004.

40 ILCS 5/5-148 from Ch. 108 1/2, par. 5-148  
30 ILCS 805/8.27 new

Amends the Chicago Police Article of the Illinois Pension Code to provide an increase in the retirement benefit formula. Changes the maximum annuity from 75% to 80% of average salary. Provides for 2.5% (rather than 2%) of average salary for each year of service beyond 20. Applies to persons withdrawing from service after December 31, 2003. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

According to an analysis prepared by the Fund's actuary (based on 12/31/98 membership data), the estimated increase in accrued liability due to HB 1363 is \$120.7 million. The increase in normal cost is estimated to be \$4.4 million and the payment needed to amortize the estimated increase in the accrued liability over 40 years is \$6.2 million. Therefore, the estimated 1st year cost of HB 1363 is \$10.5 million, or 1.46% of payroll. As payroll grows, the annual cost will increase commensurate with payroll.

**PENSION NOTE (Pension Laws Commission)**

According to an analysis prepared by the Fund's actuary (based on the December 31, 2002 membership data), the estimated increase in accrued liability due to HB 1363 is \$138.9 million. The increase in normal cost is estimated to be \$5.4 million and the payment needed to amortize the estimated increase in the accrued liability over 40 years is \$7.1 million. Therefore, the estimated 1st year cost of HB 1363 is \$12.5 million, or 1.44% of payroll. As payroll grows, the annual cost will increase commensurate with payroll.

Creates the Tax Delinquency Amnesty Act. Provides that the Department of Revenue shall establish a tax amnesty program for delinquent taxes required to be collected by the Department to run for a period from October 1, 2003 through November 30, 2003 and to cover any taxable period ending prior to July 1, 2002. The Department shall not collect any interest or penalties on those taxes or pursue the taxpayer either by civil suit or criminal prosecution for those taxes if amnesty is granted to the taxpayer. Excludes taxpayers who are a party to any criminal investigation or to any pending civil or criminal litigation concerning the tax liability. Requires the Department to adopt rules. Provides that the money collected under the amnesty program (except for personal property tax replacement income tax collected) shall be deposited as follows: (i) one-half into the Common School Fund; (ii) one-half into the General Revenue Fund. Amends the Uniform Penalty and Interest Act. Provides that, if a taxpayer eligible for the amnesty program fails to satisfy the tax liability during the amnesty period, then the interest or penalty or both imposed by the Department on that tax liability shall be imposed in an amount that is 200% of the amount that would otherwise be imposed. Effective immediately

FISCAL NOTE (Illinois Department of Revenue)

House Bill 1393 requires that from October 1, 2003 through November 30, 2003 the

Illinois Department of Revenue administer a tax amnesty program. The Department estimates that an amnesty program could bring in between \$120 million and \$230 million. Because of the extreme difficulty of predicting how taxpayers will react to amnesty, this estimate is an order of magnitude only. A large majority of the revenue will be an acceleration of the tax the Department would ultimately collect.

Amends the Illinois Act on the Aging by providing that vendors of homemaker and chore housekeeper services shall receive a rate increase equal to the percent increase in the federal or State minimum wage each time the federal or State minimum wage is increased. Amends the Disabled Persons Rehabilitation Act by providing that personal care attendants shall receive a percentage increase in wages equal to the percent increase in the federal or State minimum wage each time the federal or State minimum wage is increased. Effective July 1, 2003.

## FISCAL NOTE (Department on Aging)

Providing a cost estimate of this provision is difficult because the effective date of a federal or state minimum wage increase, and, the percentage increase of any future increase, are currently unknown. However, at this juncture, each 1% increase would result in an eleven-cent increase to the current CCP homemaker rate of \$11.06 per hour. Each eleven-cent increment would generate an estimated twelve month gross cost for state fiscal year 2004 of \$1.87 million. Based on recent Medicaid claiming data, the net cost is estimated at \$1.48 million. Net cost refers to the gross state general revenue fund expenditure less Medicaid federal financial participation revenues.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 1397 cannot be determined. For counties that offer the optional plan to elected officials, there would be a fiscal impact, as the required employee contributions only pay a portion of the cost of the operational benefits.

Amends the Property Tax Code. Provides for an annual stipend of \$6,500 for each supervisor of assessments to be paid by the State. Deletes current provisions allowing a supervisor of assessments to receive additional compensation based on performance. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

HB 1398 provides for an annual stipend of \$6,500 for the supervisor of assessments of each county. This annual stipend is to be paid for by the State out of the General Revenue Fund. It provides that the Department of Revenue shall distribute the stipends in annual lump sum payments to the supervisor of assessments of each county. In addition, it eliminates language allowing the supervisor of assessments to receive additional compensation based on performance. There are 100 counties with Supervisors of Assessments at a cost to the State of \$650,000 per year. However, the bill eliminates the performance bonus for supervisors of assessments, which currently costs \$192,000 based on 2001 payment records (64 eligible officials). This leaves a negative fiscal impact to the state of \$458,000 annually.

New Act

Creates the Civil No Contact Order Act. Sets forth procedures under which a victim of non-consensual sexual conduct or non-consensual sexual penetration may petition a court for a civil no contact order requiring the person who committed the non-consensual sexual conduct or non-consensual sexual penetration to stay away from the victim. Provides that violation of a civil no contact order is a Class A misdemeanor for a first offense and a Class 4 felony for a second or subsequent offense. Provides that a law enforcement officer may make an arrest without a warrant if the officer has probable cause to believe that a person has committed or is committing a violation of a civil no contact order. Provides that sheriffs shall furnish to the Department of State Police copies of no contact orders issued by the court and that civil no contact orders shall be entered in the LEADS system. Provides that the Department of State Police shall maintain a record and index of civil no contact orders.

HOUSE AMENDMENT NO. 1

Provides that an action for a civil no contact order may be commenced either: (1) independently, by filing a petition for a civil no contact order in any civil court; or (2) in conjunction with a delinquency petition or a criminal prosecution, by filing a petition for a civil no contact order under the same case number as the delinquency petition or criminal prosecution. Requires, in cases where the petition is filed in conjunction with a delinquency petition or a criminal prosecution, that (i) the violation be alleged in an information, complaint, indictment, or delinquency petition on file and the alleged victim be a person protected by the Civil No Contact Order Act and (ii) the petition, which is filed by the State's Attorney, name a victim of the alleged crime as a petitioner. Provides that the withdrawal or dismissal of any petition for a civil no contact order prior to adjudication where the petitioner is represented by the State shall operate as a dismissal without prejudice. Provides what a no contact order may require the respondent to do. Provides that no action for a civil no contact order shall be dismissed because the respondent is being prosecuted for a crime against the petitioner. Provides a time period during which a plenary civil no contact order shall stay in effect when entered in conjunction with a criminal prosecution.

70 ILCS 705/11h new

Amends the Illinois Municipal Code and the Fire Protection District Act. Provides for creation of a department foreign fire insurance board in fire protection districts. Makes creation of a department foreign fire insurance board automatic rather than dependent upon action by the municipality or fire protection district's corporate authorities. Adds additional audit provisions. Effective immediately.

FISCAL NOTE (Office of the Illinois State Fire Marshal)

House Bill 1416 amends the Illinois Municipal Code and the Fire Protection District Act by providing for the creation of a department Foreign Fire Insurance Board in fire protection districts and in municipalities of less than 250,000 inhabitants. The creation of such a board would not be dependent upon action by municipality or district's corporate authorities. These boards would then distribute foreign fire insurance tax revenue as appropriated for the maintenance, use and benefit of the fire department. Certain units of local governments are authorized to collect taxes on foreign fire insurance premiums (those premiums issued by insurance companies not domiciled within Illinois), with such receipts to be used for the fire departments.

Amends the Department of Veterans Affairs Act. Provides that subject to appropriation, the Department shall increase by at least 80 beds the capacity of the Illinois Veterans Home at LaSalle and shall request and expend federal grants for this Veterans Home addition. Effective immediately.

FISCAL NOTE (Department of Veterans' Affairs)

If there are phases of construction involving the kitchen area, it could create extra expenditures of the dietary needs of the residents such as contracting with outside vendors for food service. Once construction is complete, there would have to be an additional appropriation for one time costs to furnish and equip the facility as well as increase in our yearly appropriation for the additional operating expenses such as an increase in staff and maintenance. At this time, we have no figures of that additional expense.

Amends the IMRF Article of the Illinois Pension Code. Makes county probation officers eligible for the sheriff's law enforcement employee (SLEP) formula. Allows these probation officers to convert non-SLEP service as a probation officer into SLEP credit by paying the difference in employee contributions plus interest; requires an affirmative resolution by the employer. Includes provisions allowing the employee to have the contribution deducted from the retirement annuity in certain circumstances. Allows the employer to amortize over 5 years the

liability resulting from conversions occurring in the first year. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 1428 cannot be determined, as the number of county probation officers is unknown. Including additional employees under the SLEP formula would increase IMRF costs for their employers.

New Act

30 ILCS 105/5.595 new

Creates the Energy Efficient Building Act. Establishes an Energy Efficient Building Code that shall apply to all new residential, commercial, and industrial buildings in this State. Provides for technical assistance to certain design professions to explain the requirements of the Code. Amends the State Finance Act to create the Energy Efficient Building Fund. Effective immediately.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

There is insufficient information to determine a fiscal impact.

FISCAL NOTE (Capital Development Board)

Due to the lack of experience with the particular code identified in HB 1468 relative to the Capital Development Board, no fiscal impact can be determined at this time. While additional staff or training on the code may be necessary, without further study an accurate estimate is not possible.

HOUSE AMENDMENT NO. 1

Changes the definition of "Code" to include the 2001 Supplement to the International Energy Conservation Code (rather than the 2002 Supplement). Provides that the 2001 Supplement to the 2000 International Energy Conservation Code is published (rather than adopted) by the International Code Council. Provides that the Illinois Building Commission, as directed by the Capital Development Board, may make available implementation materials concerning the Code. Provides that, when developing Code adaptations, rules, and procedures for compliance with the Code, the Capital Development Board, or the Illinois Building Commission as directed by the Board, shall seek input from representatives from the building trades, design professionals, construction professionals, code administrators, and other interested entities affected. Provides for concurrent regulation of energy efficient building standards by the State and units of local government (rather than exclusive regulation by the State). Effective one year after becoming law.

FISCAL NOTE (H-AM 1) (Capital Development Board)

Due to the lack of experience with the particular code identified in this bill relative to the Capital Development Board, no fiscal impact can be determined at this time. While additional staff or training on the code may be necessary by either the CDB or the Illinois Building Commission, without further study an accurate estimate is not possible.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1) (Housing Development Authority)

While requiring stricter energy efficiency standards on new homes may initially increase construction costs and subsequent purchase prices, it is generally accepted in the building industry that this increase in cost would be paid back by energy bill savings over time. There is not, however, an accurate method to calculate the actual or average cost and subsequent savings without knowing the specifics of each building, local energy suppliers and costs, type of heat used (electric vs gas), et al. House Amendment #1 provides no further clarification on factors that will determine the bill's fiscal effect on constructing, purchasing, owning, or selling a single-family residence.

**HB-1476 SMITH-REITZ-MCCARTHY-LANG-HOLBROOK AND COLVIN.**

Amends the Chicago Teacher Article of the Pension Code. Provides that salary received on or after July 1, 2003 for overtime, summer school, and other optional service shall be included in the calculation of salary for pension purposes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

According to an analysis prepared by the Fund's actuary (based on the 2002 actuarial valuation) the fiscal impact of HB 1476 depends on the average increase in annual pensionable salary. As the average increase in pensionable salary that would result from HB 1476 is unknown, the actual fiscal impact cannot be calculated, but would probably be within the \$9.6 to \$67.8 million range.

New Act

35 ILCS 200/18-167 new

Creates the Banking Development District Act. Creates a program to encourage the establishment of banking branches in locations where there is the greatest need for banking services. Requires the State Treasurer, in consultation with the Office of Banks and Real Estate, to adopt rules that set forth criteria for the establishment of banking development districts. Provides that a municipality or a county, in conjunction with a bank, may apply to the State Treasurer to have property designated as a banking development district. Amends the Property Tax Code. Provides that a taxing district may abate a portion of the property taxes on a banking branch in an area designated as a banking development district. Effective immediately.

FISCAL NOTE (Department of Revenue)

There is no fiscal impact to the State. Local taxing districts that authorize the abatement of any portion of property taxes under this Act will shoulder the burden of any fiscal impact created.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the bill be amended to provide that the banking development district program be administered by the Office of Banks and Real Estate rather than the State Treasurer.

New Act

225 ILCS 210/1003

from Ch. 96 1/2, par. 1-1003

425 ILCS 35/2

from Ch. 127 1/2, par. 128

Creates the Fireworks Displayer Licensing Act. Provides that a person may not engage in

the business of publicly displaying fireworks unless licensed by the Office of the State Fire Marshal. Establishes qualifications for licenses, including an appropriate Bureau of Alcohol, Tobacco and Firearms license, general liability insurance of at least \$2,000,000, workers' compensation insurance for personnel lighting the fireworks, and other qualifications. Establishes procedures for suspending or revoking licenses for non-compliance with the provisions of the Act. Amends the Illinois Explosives Act to exclude from the definition of explosives fixed ammunition for small arms, safety fuses, matches, fireworks, theatrical pyrotechnics, and model rocket fuel. Amends the Fireworks Use Act to require a licensed pyrotechnic displayer and pyrotechnic operator to handle public displays of fireworks. Effective immediately.

HOUSE AMENDMENT NO. 1

In the Fireworks Displayer Licensing Act, provides that after December 1, 2003, all pyrotechnic displays, both indoor and outdoor, must comply with the requirements set forth in the Act (instead of prohibiting a person from engaging in pyrotechnic display after that date without first submitting certain information to the Office of the State Fire Marshal and obtaining a license). Provides that after July 1, 2004, a pyrotechnic distributor may sell to anyone who presents a current BATF license (eliminates the presentation of a user permit as an alternative) and a local fireworks display permit from the local fire chief (instead of from the local authority having jurisdiction). In provisions amending the Fireworks Use Act with respect to the issuance of a public fireworks display permit, requires a site inspection to determine that the display will be in full compliance with the 2000 edition of the National Fire Protection Association 1123 Code for Fireworks Display or with the 2001 edition of the National Fire Protection Association Standard for the Use of Pyrotechnics before a Proximate Audience.

SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

225 ILCS 210/1003

Adds reference to:

225 ILCS 210/2001

from Ch. 96 1/2, par. 1-2001

Replaces everything after the enacting clause. Creates the Pyrotechnic Operator Licensing Act. Regulates lead pyrotechnic operators through licensure requirements. Provides requirements for persons assisting lead pyrotechnic operators. Amends the Illinois Explosives Act. Provides that no person shall possess, use, purchase, or transfer explosive material unless licensed under the Act or the Pyrotechnic Operator Licensing Act. Amends the Fireworks Use Act. Makes changes to provisions concerning who shall handle fireworks displays and permit requirements. Requires that indoor pyrotechnic displays be conducted in buildings protected by automatic sprinkler systems. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Makes a change in the definition of "display fireworks".

SENATE FLOOR AMENDMENT NO. 4

Allows the Office of the State Fire Marshal to require applicants to (rather than requiring applicants to) file a fingerprint card and pay a fee for processing the fingerprint card. Makes technical corrections.

705 ILCS 405/2-13.2 new

705 ILCS 405/13.2 new

Amends the Juvenile Court Act of 1987 and the Adoption Act. Provides that in any proceeding on a petition (1) seeking a finding that a minor is neglected, abused, or dependent or (2) seeking a finding that a parent is unfit and that it is in the best interest of the child to terminate parental rights, the parent may demand a trial by jury.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

Under the State Mandates Act, a "State mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. HB 1507 relates to proceedings in court regarding parents of minors, and does not impose requirements on units of local government. Therefore, in the opinion of DCCA, HB 1507 does not create a State Mandate under the State Mandates Act.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 1507 could significantly increase judicial workloads, however, because the number of cases in which jury trials would be required is unknown, it is not possible to determine whether additional judges would be needed.

FISCAL NOTE (Department of Children and Family Services)

The main fiscal impact of the proposed legislation will result from increased time in foster care for cases with jury trial petitions. It is estimated that this delay will cost the Department of Children and Family Services \$10.2 million annually

(1) Provides that in any conservation district (instead of "a conservation district in a county adjacent to a county with more than 3,000,000 inhabitants"), by ordinance (instead of resolution) of the county board or boards or by petition signed by 5% of the voters, a proposal to elect or appoint a 5 or 7 member board of trustees chosen at large or from single member subdistricts of the conservation district shall be submitted to the voters at the next general election; and (2) with respect to a 7-member board, no more than 3 members may be residents of the same (instead of "any") township or congressional township. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything. Amends the Criminal Code of 1961. Provides that the provisions of any ordinance or resolution of a unit of local government that impose restrictions or limitations on the acquisition, possession, transportation, storage, purchase, sale, or other dealing in rifles and shotguns, and ammunition, components, accessories, and accoutrements of rifles and shotguns other than those imposed by the statute concerning the unlawful possession of firearms and firearm ammunition are void. Preempts home rule. Effective immediately.

PENSION NOTE (Pension Laws Commission)

No fiscal impact.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM1)(Housing Development

Authority)

No fiscal impact.

JUDICIAL NOTE (H-AM1)(Admin Office of the Illinois Courts)

No impact on number of judges needed.

STATE DEBT IMPACT NOTE (H-AM1) (Economic and Fiscal Commission)

No debt impact.

BALANCED BUDGET NOTE (H-AM1) (Bureau of the Budget)

Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this note as requested.

FISCAL NOTE (H-AM1) (Illinois State Police)

No fiscal impact.

HOME RULE NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

HB 1518 (HA #1) contains language stating that a unit of local government, including a home rule unit, many not regulate the acquisition, possession, transportation, storage, purchase, sale, or other dealing in rifles and shotguns, and may not regulate ammunition, components, accessories, or accoutrements for rifles and shotguns in a manner other than that provided by the Criminal Code of 1961. This is a limitation of home rule powers and functions under Article VII, Section 6, subsection (i) of the Illinois Constitution of 1970. Therefore, in the opinion of DCCA, HB 1518 (HA #1) pre-empts home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

The legislation does not require local governments to expend additional revenue. Therefore, in the opinion of DCCA, HB 1518 (HA #1) does not create a State Mandate under the State Mandates Act.

FISCAL NOTE (H-AM 1) (Department of Corrections)

House Bill 1518 as amended by House Amendment #1 voids any local ordinance or resolution that imposes restrictions on rifles and shotguns and their ammunition, components, and accessories that are not outlined in the Illinois Compiled Statutes. This legislation may result in an increase in the number of felony cases that could be prosecuted for unlawful possession of firearms and firearm ammunition, and possibly increase the number of offenders sentenced to a term of imprisonment. There are not enough available data to make an objective determination regarding the impact of this legislation. However, the impact on the Department is expected to be minimal.

CORRECTIONAL NOTE (H-AM 1) (Department of Corrections)

House Bill 1518, as amended by House Amendment #1, voids any local ordinance or resolution that imposes restrictions on rifles and shotguns and their ammunition, components, and accessories that are not outlined in the Illinois Compiled Statutes. This legislation may result in an increase in the number of felony cases that could be prosecuted for unlawful possession of firearms and firearm ammunition, and possible increase the number of offenders sentenced to a term of imprisonment. There is not enough available data to make an objective determination regarding the impact of this legislation. However, the impact on the Department is expected to be minimal.

#### HOUSE AMENDMENT NO. 2

Permits a unit of local government to establish zoning and security requirements for the retail sale of firearms by federally licensed firearms dealers.

PENSION NOTE (H-AM 1 & 2) (Pension Laws Commission)

As HB 1518, as amended by House Amendment 1 and 2, does not amend the Pension Code, it has no fiscal impact on any public pension fund or retirement system in Illinois.

BALANCED BUDGET NOTE (H-AM 2) (Bureau of the Budget)

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental appropriation bills. Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this Note as requested.

LAND CONVEYANCE APPRAISAL NOTE (H-AM2) (Department of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Dept. of Transportation.

FISCAL NOTE (H-AM 2) (Illinois State Police)

HB 1518 (HA #2) would have no fiscal impact on the Illinois State Police.

STATE DEBT IMPACT NOTE (H-AM 2) (Economic and Fiscal Commission)

HB 1518, as amended by House Floor Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (H-AM2) (Dept of Commerce and Community Affairs)

Does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM2) (Dept of Commerce and Community Affairs)

Does not create a state mandate under the States Mandates Act.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 2) (Housing Development Authority)

There will be no fiscal effect on the cost of constructing, purchasing, owning or selling a single-family residence.

JUDICIAL NOTE (H-AM 2) (Admin Office of the Illinois Courts)

Based on a review of HB 1518, it has been determined that the bill would neither increase nor decrease the number of judges needed in the state.

FISCAL NOTE (H-AM 2) (Department of Corrections)

House Bill 1518 as amended by House Amendment #2 voids any local ordinance or resolution that imposes restrictions on rifles and shotguns and their ammunition, components, and accessories that are not outlined in the Illinois Compiled Statutes, but allows local governments to establish zoning and security requirements for the retail sale of firearms by federally licensed firearms dealers. This legislation may result in an increase in the number of felony cases that could be prosecuted for unlawful possession of firearms and firearm ammunition, and possibly increase the number of offenders sentenced to a term of imprisonment. There are not enough available data to make an objective determination regarding the impact of this legislation. However, the impact on the Department is expected to be minimal.

FISCAL NOTE (Housing Development Authority)

While each individual public housing authority with tenants participating in such self-sufficiency programs will likely increase homeownership opportunities for those households, the positive impact is difficult to measure due to the variety of financing and savings programs utilized by each Authority.

HOUSE AMENDMENT NO. 1

New Act

Creates the Mercury Fever Thermometer Prohibition Act. Sets forth legislative findings. Provides that (1) on or after July 1, 2004, no person shall sell, distribute, or give for promotional purposes (including online retail) mercury fever thermometers in this State and (2) on or after July 1, 2004, no hospital shall distribute mercury fever thermometers in maternity or new baby gift packs to patients. Provides that these prohibitions do not apply to mercury fever thermometers sold or provided to be used in a health care facility. Provides that on or after July 1, 2004, no person shall manufacture a mercury fever thermometer in this State. Provides that on or after July 1, 2004, no mercury-added novelty products may be offered for sale or distributed for promotional purposes; exempts button-cell batteries. SENATE COMMITTEE AMENDMENT NO. 1

Defines "mercury fever thermometer" as a device containing liquid mercury (instead of mercury) wherein the liquid mercury (instead of mercury) is used to measure the internal body temperature of a person. Permits the sale or distribution of a mercury-added novelty product for promotional purposes if the mercury is contained within a fluorescent light bulb.

Amends the Illinois Pension Code to allow investigators for the Office of the Attorney General to transfer credits for up to 12 years of prior service as a police officer, sheriff's law enforcement employee, or municipal conservator of the peace from certain other pension funds; requires payment of the difference in employee and employer contributions. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 1546 cannot be determined, as the amount of the service credit that would be transferred is unknown. It is estimated to be minor as the transferred and required employee contributions should offset most of the increase in accrued liability.

Provides that in addition to or instead of a fine, the court may impose community service upon a minor who possesses tobacco and upon a seller or distributor of tobacco to a minor.

HOUSE AMENDMENT NO. 1

 705 ILCS 405/5-710

Provides that, if a minor violates the provisions prohibiting minors from possessing any cigars, cigarettes, smokeless tobacco, or tobacco in any of its forms, the court may in addition to a fine and community service, order the minor to attend a local anti-tobacco or youth diversion program. Provides that a court may order a minor convicted of or placed on supervision for a violation of the prohibition of tobacco possession by minors, and his or her parents or legal guardian, to attend a smoker's education or youth diversion program if available in the jurisdiction where the offender resides. Provides that attendance at that program shall be time-credited against any community service time imposed for a first violation. Provides that, in addition to any other penalties, the court may assess a fee against the offender for his or her attendance of the program. Defines "smoker's education program" or "youth diversion program" to include a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking tobacco products. Amends the Juvenile Court Act of 1987 to provide that the community service provisions are available to a delinquent minor under that Act.

HOUSE AMENDMENT NO. 2

Deletes all. Reinserts the provisions of the bill as amended. Also adds additional penalties, consisting of community service and fines, that a court may impose under the Juvenile Court Act of 1987 as part of an order of continuance under supervision or a sentencing order in connection with a minor's violation of the Prevention of Tobacco Use by Minors Act. Also provides that the increase in fines and time for performing community service apply to second or subsequent violations occurring within 12 months (rather than weeks) of the first violation. Also makes technical corrections in the bill as amended.

Amends the Downstate Police Article of the Illinois Pension Code to allow purchase of service credit for up to 2 years of military service not immediately preceded by employment. **PENSION NOTE (Pension Laws Commission)**

 30 ILCS 805/8.27 new

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Requires participation by all full-time municipal police officers who do not participate in an Article 3 police pension fund. Makes these police officers eligible for the sheriff's law enforcement (SLEP) formula. Excludes Chicago. Pre-empts home rule powers. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

The fiscal impact of HB 1550 cannot be determined and would vary among municipalities. If the employer does not currently participate in IMRF for their municipal employees or police officers, the cost of providing retirement benefits to police officers could be substantial. The cost would also increase for municipalities that currently offer police officers the IMRF regular formula, as HB 1550 requires all IMRF covered police

officers to be covered by the SLEP formula.

Amends the Illinois Municipal (IMRF) Article of the Illinois Pension Code to remove language requiring an affirmative resolution from the employer before airport police may become eligible for the sheriff's law enforcement employee formula. Makes park police eligible for the sheriff's law enforcement employee formula. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

HB 1551 would require some airport authorities and park districts to make higher employer contributions, as some IMRF members that are currently covered by the SLEP formula would instead be eligible for the SLEP formula. As the SLEP formula provides higher benefits, higher employee and employer contributions are also required.

Amends the Disabled Persons Rehabilitation Act. Provides that the eligibility standards for home health services and other preventive services must include an asset limit of \$20,000.

FISCAL NOTE (Department of Human Services)

Currently, demographic data is not available on asset limits of individuals denied

program eligibility or other individuals in the State of Illinois. Also, there is no data available to estimate how many individuals would meet the other eligibility requirements if they met the new asset limit requirement. The budget office is unable to estimate the number of individuals who would benefit from this change in the eligibility requirements, and is therefore unable to determine the fiscal impact of this bill.

20 ILCS 3410/20 new  
 30 ILCS 105/5.595 new

Amends the Illinois Historic Preservation Act and the State Finance Act. Authorizes the Historic Preservation Agency to develop and administer a pilot program of grants available in Madison, Monroe, St. Clair, and Clinton counties for various costs of identifying, acquiring, or restoring historic sites. Limits each grant to the lesser of 75% of a project's costs or \$75,000. Limits a grant recipient to one grant per site per fiscal year and requires matching funds. Authorizes the Historic Preservation Agency to adopt necessary rules and enter into necessary contracts. Creates a special fund in the State treasury to fund the grants. Requires the investment of excess funds. Requires that returns on fund investments be retained in the special fund.

FISCAL NOTE (Illinois Historic Preservation Agency)

It is not possible to estimate with any precision the fiscal impact of this bill, as no

amount for the appropriation is known. It appears that HB 1620 proposes \$500,000 for this program. The final amount, if any, is not known, nor is the average size of each grant. However, making some assumptions, the agency's likely cost to administer the proposed grants program can be assumed: 1. It is assumed that most of the administrative burden will come from the number of grants. In other words, the burden will be nearly as much for a small grant as for a larger one. 2. It is assumed that there will be no further reductions in division headcount; further reductions could affect our ability to carry out the new program without more resources. 3. Assuming that there would be no more than 15 grants per year, \$40,000 would be needed for miscellaneous expenses such as part-time archaeological services, part-time clerical services, travel for project inspections, postage, equipment, and telephone expense. 4. Assuming that there would be 16 to 35 grants per year, it would be necessary to hire a full-time archaeologist to administer the program for an annual cost of \$70,000 (salary and fringes + equipment, EDP, travel, etc.) 5. Assuming that there would be more than 35 grants per year, it would be necessary to hire a full-time archaeologist and a half-time grants assistant to administer the program for an annual cost of \$100,000 (salaries + equipment, EDP, travel, etc.).

35 ILCS 105/10 from Ch. 120, par. 439.10

35 ILCS 110/10 from Ch. 120, par. 439.40

Amends the Use Tax Act and the Service Use Tax Act. Provides that Department of Revenue is authorized to contract with credit card issuers to collect the tax imposed by these Acts on Internet sales, phone order sales, and direct-mail sales. If a credit card issuer enters

into such a contract with the Department, the issuer must state as a separate item on the monthly bill to customers the tax charged under these Acts. A credit card issuer is entitled to reduce the amount of the tax collected under these Acts that it remits to the Department by the amount of costs incurred by the company to collect the tax or 4% of the revenue generated from the sale on which the tax is collected, whichever is greater. Effective immediately.

FISCAL NOTE (Department of Revenue)

HB 1626 allows for the credit card company to keep 4% of the revenue generated by the sale or actual costs incurred to collect the tax (whichever is greater). In addition, there is no cap on the amount the credit card company may keep. This proposal could result in fiscal loss because the credit card companies' cost of collection allowance is significantly higher than the 1.75% amount currently allowed to in-state vendors. The credit card company could end up retaining more than half of the tax collected.

PENSION NOTE (Illinois Pension Laws Commission)

The fiscal impact of HB 1627 cannot be determined, as the amount of service credit that would be transferred is unknown. It is estimated to be minor as the transferred and required employee contributions should offset most of the increase in accrued liability.

Amends the Illinois Public Aid Code. Provides that in a court action to enforce support under the Code, the Department of Public Aid may appoint an individual to accompany the process server for the purpose of locating or identifying the respondent. The individual may include, but need not be limited to, a member of the family of the respondent responsible relative from whom support is sought. Effective immediately.

## FISCAL NOTE (Department of Public Aid)

The bill, on the face, would not increase administrative expenditures to the Department. However, there is a potential for an undetermined amount of compensation for the Department appointed individual as well as the extent of liability to the Department on behalf of the Department appointed individual. Amends the Illinois Income Tax Act with respect to the earned income tax credit. Extends the 5% credit through taxable years beginning on or before December 31, 2004 (now, ends with taxable years ending on or before December 31, 2002). Increases the credit from 5% of the federal credit to 10% in 2005, 15% in 2006, and 20% in 2007 and thereafter. Beginning in 2005, requires the excess credit to be refunded to the taxpayer, but not counted in determining eligibility for means-tested benefits. Deletes the repeal of the credit. Exempts the credit from the sunset provisions of the Act. Effective immediately.

FISCAL NOTE (Department of Revenue)

In tax year 2001, the Earned Income Tax Credit cost the State of Illinois approximately \$44 million in lost tax liability and in tax year 2002 it is expected to cost \$45 million. Extending the credit through 2004 will increase the amount by just under \$1 million each year. Beginning with tax year 2005, the bill begins to ramp up the percentage of the federal credit for Illinois Earned Income Tax Credit purposes from 5% of the federal credit to 10% of the federal credit. In addition, the bill requires that any excess credit be refunded to the taxpayer. In tax year 2005, the credit is expected to cost \$135.6 million. In tax year 2006, the credit is increased to 15% of the federal credit, and the excess is refundable. This is estimated to cost \$209.4 million. In 2007 and thereafter, the credit becomes 20% of the federal credit and is refundable. This will cost the State of Illinois approximately \$284 million per year.

HOUSE AMENDMENT NO. 1

Removes the language increasing the credit to more than 5% of the federal credit over a period of years. Requires any excess credit to be refunded to the taxpayer beginning with taxable year 2004 (2005 in underlying bill).

- 55 ILCS 5/4-12002 from Ch. 34, par. 4-12002

Creates the Rental Housing Support Program Act. Provides for grants from the Illinois Housing Development Authority to local administering agencies to provide subsidies to landlords to enable the landlords to charge rent affordable for low-income tenants. Also provides for grants from the Illinois Housing Development Authority to developers of new affordable rental housing. Sets forth criteria for the awarding of grants. Requires the Authority to establish an operating reserve for the program. Amends the State Finance Act to create the Rental Housing Support Program Fund, a special fund in the State treasury. Amends the Counties Code. Provides that the county recorder shall collect a \$10 surcharge over and above any other fees collected, one dollar of which shall be retained by the county and \$9 of which shall be deposited into the Rental Housing Support Program Fund.

FISCAL NOTE (Housing Development Authority)

Insufficient information to determine a fiscal effect.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

No fiscal effect on a single-family residence.

**HOUSE AMENDMENT NO. 1**

Makes changes concerning a geographic distribution formula for distribution of certain grants awarded by the Illinois Housing Development Authority. Provides that the Authority must use at least 10% (instead of just 10%) of its funds any given year for certain grants.

JUDICIAL NOTE (H-AM 1) (Admin. Office of the Illinois Courts)

House Bill 2206, as amended by House Amendment No. 1, would neither increase nor decrease the number of judges needed in the state.

CORRECTIONAL NOTE (H-AM1) (Department of Corrections)

No fiscal impact. No corrections population impact.

FISCAL NOTE (H-AM 1) (Housing Development Authority)

This bill stipulates that "...the Authority (defined as IHDA) must use 10% of its funds in any given year on grants..." (for this new Rental Housing Program). While this proposes a redirection of IHDA resources (which have historically been primarily used for housing development financing, new construction and rehabilitation), it is uncertain which programs and resources are to be included. Some federal and State programs and funding sources restrict eligible activities and the uses of funds, and do not include rental assistance among them. Due to the uncertainty regarding the actual identified sources of this 10% commitment, there is not sufficient information available to determine the bill's fiscal impact on IHDA. House Amendment #1 provides no further classification on the sources of IHDA's 10% commitment.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept. of Commerce and Community Affairs)

In the opinion of DCCA, HB 2206 (HA #1) creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act. An estimate of the increased costs to units of local government, if any, is not available.

HOME RULE NOTE (H-AM 1) (Dept. of Commerce and Community Affairs)

The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of the Department of Commerce and Community Affairs, HB 2206 (HA #1) does not pre-empt home rule authority.

35 ILCS 200/16-160

Amends the Property Tax Code. Provides that, in counties with 3,000,000 or more inhabitants, beginning with assessments made for the 1997 assessment year and ending with assessments made for the 2002 assessment year, in addition to the appeals for residential property of 6 units or less, the Property Tax Appeal Board shall hear appeals for all other property (now, there is no end date for when PTAB will hear appeals for property other than residential property of 6 units or less). Effective immediately.

FISCAL NOTE (Property Tax Appeal Board)

The fiscal impact is difficult to estimate because the number of residential appeals in Cook County, which the PTAB would continue to hear under this proposal, has risen each of the last three years. The PTAB expects yearly increases in residential appeals once commercial and industrial appeals are phased out in 2003.

In counties with 3,000,000 or more inhabitants, for assessment year 2003 and thereafter, for valuation appeals concerning commercial or industrial property requesting a change in assessed value of \$100,000 or more, requires the taxpayer to submit copies of all valuation reports within the party's possession or control concerning the property and performed within the 3 years prior to the tax year as well as certain documentation surrounding any sale of the subject property. Makes other changes concerning these appeals with respect to notice of hearing to parties by the Property Tax Appeal Board, disclosure of information, and opinion testimony. 220 ILCS 5/13-509 from Ch. 111 2/3, par. 13-509

Amends the Telecommunications Article of the Public Utilities Act. Authorizes the filing of a tariff by a telecommunications carrier pursuant to which the carrier may enter into contracts with individual customers for the provision of competitive services. Provides that only notice of the contract need be filed with the Illinois Commerce Commission (now the contract must be filed). Effective immediately.

## HOUSE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Telecommunications Article of the Public Utilities Act in relation to contracts for competitive service. Provides that notice of agreements for provision of competitive services must be submitted to the Illinois Commerce Commission. Allows the notices to be submitted electronically. Requires the notice to be submitted every 30 days. Provides that the actual agreements must be filed upon request by the Illinois Commerce Commission. Effective immediately.

## FISCAL NOTE (H-AM 1)( Illinois Commerce Commission)

The fiscal impact will allow the Illinois Commerce Commission to save approximately \$119,250 annually as the number of contracts and related filing and administrative workload is significantly reduced.

## HOUSE AMENDMENT NO. 2

Requires a telecommunications carrier to file with the Illinois Commerce Commission a notice regarding an agreement to provide competitive services within 30 days after executing the agreement, rather than filing a notice every 30 days regarding all agreements in effect. New Act

Creates the Health Care Justice Act. Provides that the State of Illinois shall implement a health care plan that provides access to a full range of preventive, acute, and long-term health care services. Establishes the Bipartisan Health Care Reform Commission with members appointed by the Governor and legislative leaders. Provides for public hearings and a report by the Commission. Requires a preliminary report by February 1, 2005 and a final report by February 1, 2006. Effective immediately.

FISCAL NOTE (Department on Aging)

No fiscal impact.

FISCAL NOTE (Department of Public Aid)

There could be substantial and prohibitive costs when the final report is released. The bill does not contain any estimate of the future costs of comprehensive health care in Illinois. Last year, we estimated the cost of this proposal could be between \$2.6 billion and \$4 billion annually. It is doubtful the Department could finance a comprehensive health care program without federal participation, especially given the current state of the States fiscal condition.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the Secretary of Human Services or his designee shall serve on the Health Care Reform Commission. Provides for the legislative leaders to each appoint one member, rather than 2, to the Commission. Provides for the Governor to appoint 21, rather than 15, members of the Commission. Provides that funding for a study by an independent research entity shall be subject to appropriation or availability of other funds. Provides that the Commission's recommendations shall be considered by the General Assembly as the basis for a health care access plan, rather than the recommendations forming the basis for a health care access plan.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Creates the Health Care Justice Act, containing provisions similar to those of House Bill 2268 but with changes that include the following: (1) provides that it is a policy goal (instead of the policy) of the State to ensure that all residents have access to quality health care at costs that are affordable; (2) provides that the State is strongly encouraged (instead of required) to implement a health care access plan, and change the contents of such a plan; (3) provides for an Adequate Health Care Task Force (instead of a Bipartisan Health Care Reform Commission) to seek public input on the development of the State's health care access plan; (4) requires a final report by March 15 (instead of February 1), 2006, and changes certain items required to be included in the recommendations accompanying the final report; and (5) provides that no later than December 31, 2006, the General Assembly is strongly encouraged to vote on legislation that either enacts the Task Force's recommendation or provides for another health care access plan. Effective July 1, 2004.

FISCAL NOTE (Department of Public Aid)

House Bill 2268, as amended by Senate Amendment No. 2, does not contain any estimate of the future costs of comprehensive health care in Illinois. If the Department were to implement a proposal of this magnitude, a conservative cost estimate is \$3-\$6 billion annually. Federal regulations still define which populations are eligible for Federal match. It is doubtful the Department could finance a comprehensive health care program without Federal match, especially given the State's current fiscal condition.

SENATE FLOOR AMENDMENT NO. 4

Deletes certain findings. Increases the number of voting members of the Task Force from 19 to 29 and provides that each of the 4 legislative leaders shall appoint 6 of the members and the Governor shall appoint 5 of the members. Provides that the Director of Public Health, the Director of Aging, the Director of Public Aid, the Director of Insurance, and the Secretary of Human Services or their designees shall represent their respective departments and shall be invited to attend Task Force meetings, but shall not

be members of the Task Force.

**HB-2313 DAVIS, STEVE.**

220 ILCS5/9-220.3 new

Amends the Public Utilities Act. Authorizes the Illinois Commerce Commission to allow gas and electric utilities to impose a surcharge to recover costs associated with asbestos. Effective immediately.

HOME RULE NOTE (Dept of Commerce and Community Affairs)

The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 2313 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

The legislation is permissive in nature and does not impose requirements on local government-administered utilities. Therefore, in the opinion of DCCA, HB 2313 does not create a State Mandate under the State Mandates Act.

FISCAL NOTE (Illinois Commerce Commission)

This bill would result in the need for the equivalent of 2 full-time staff as a result of an increase in accounting workload, attorney work, and administrative hearings. The cost for the 2 staff for their salary, fringe benefits, and miscellaneous expenses would be approximately \$190,000 a year.

Provides that an amount for bond discount, as provided for in a special assessment ordinance, is the difference between the face amount of a bond and the price at which the bond is to be sold, exclusive of original issue discount (now, the difference between the face amount of a bond and the price at which the bond is to be sold). Amends the Clerks of Courts Act. Provides that no fee provided for in the circuit clerks' fee provisions may be charged in connection with the filing of any commitment petition or petition for an order authorizing the administration of authorized involuntary treatment in the form of medication under the Mental Health and Developmental Disabilities Code. Effective immediately.

**FISCAL NOTE (Administrative Office of the Illinois Courts)**

Based on a review of HB 2319, it has been determined that it would have no fiscal impact on the judicial branch of State governments. HB 2319 would have a fiscal impact on the circuit courts, because it would reduce the amount of fees collected by the circuit clerks. The fiscal impact will be greatest in counties where large mental health facilities are located. In all counties, the fiscal impact will be limited by the fact that a substantial proportion of mental health petitions are filed by State's Attorneys, in which case no fee is charged. A dollar estimate of the fiscal impact of the bill is not possible, because the total number of cases subject to fees cannot be determined and varies from county to county.

New Act

Creates the Illinois Civil Rights Act of 2003. Prohibits any unit of State, county, or local government from excluding a person from participation in, denying a person the benefits of, or subjecting a person to discrimination under any program or activity on the grounds of his or her race, color, or national origin and from using criteria or methods of administration that have the effect of subjecting individuals to discrimination because of their race, color, or national origin. Authorizes a person to bring a lawsuit for a violation of the Act in State or federal court.

HOUSE AMENDMENT NO. 2

Amends the Illinois Civil Rights Act of 2003. Provides that a suit brought under the Act must be brought in State circuit court (rather than in State or federal court). Removes the provision authorizing a court to award damages for a violation that is about to occur. Limits the class of violations for which a plaintiff may receive punitive damages. Changes the definition of the term "prevailing party".

 410 ILCS 305/9 from Ch. 111 1/2, par. 7309

Amends the AIDS Confidentiality Act. Provides that no health care provider (rather than no physician) may order an HIV test without making specified information available to the person

tested. Provides that testing shall be conducted in accordance with the guidelines of the Centers for Disease Control and Prevention. In provisions allowing a physician to notify the spouse of the test subject if the test result is positive and has been confirmed, deletes a requirement that the confirmation must be by a Western Blot Assay or more reliable test. In provisions providing that a health care provider who ordered the test of a minor under 18 years of age shall make a reasonable effort to notify the minor's parent or legal guardian under specified circumstances if the minor's test result is positive and has been confirmed, deletes a requirement that the confirmation must be by a Western Blot Assay or more reliable test.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the AIDS Confidentiality Act. Provides that no health care provider (rather than no physician) may order a HIV test without making available, to the person tested, information about the meaning of test results and about the availability of additional testing and referrals. Requires the Department of Public Health to adopt rules to allow for the implementation of HIV/AIDS rapid testing; provides that the rules must include, but need not be limited to, standards for testing and counseling and dissemination of test results. In provisions concerning disclosure of test subjects and results, provides for notice by a physician or other health care provider if a positive test result is confirmed pursuant to guidelines set by the Department of Public Health (instead of confirmed by a Western Blot Assay or more reliable test). Effective immediately.

New Act

Creates the Illinois Housing Initiative Act of 2003. Requires that a task force, composed of all key State agencies with functions related to housing and other experts in housing, develop an annual comprehensive housing plan that prioritizes the development of a range of permanent housing for certain underserved populations, including low-income and homeless persons. Creates the Illinois Housing Initiative, to be in effect through December 31, 2008, to coordinate and streamline the allocation of available housing resources to make it possible to prioritize the development of housing for underserved populations in accordance with the annual comprehensive housing plan. Provides for funding for housing construction and rehabilitation and supportive services. Requires every municipality to create a local housing development plan.

FISCAL NOTE (Housing Development Authority)

Insufficient information to determine a fiscal effect.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

Insufficient information to determine a fiscal effect.

## HOUSE AMENDMENT NO. 1

Provides that provisions concerning State-municipal partnerships do not apply to a municipality under 5,000, but that a county under 25,000 may develop a housing development plan for unincorporated areas and municipalities under 5,000 and thereby become eligible for tax and other preferences.

## SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

20 ILCS 3805/7

20 ILCS 3805/7.30 new

Deletes provisions for State-municipal housing partnerships. Amends the Illinois Housing Development Act. Provides that the Illinois Housing Development Authority may develop and implement a program of financial assistance for new teachers (employed by school districts that are financially needy or experiencing a shortage of teachers) purchasing a first home. Makes these provisions effective July 1, 2003.

## SENATE FLOOR AMENDMENT NO. 2

Changes the composition of the task force charged with developing the annual comprehensive housing plan; names the State agencies to be represented, and adds the Lieutenant Governor and the State Treasurer, legislative appointments, and 12 housing experts appointed by the Governor. Requires the task force to recommend (instead of identify) State actions that promote the construction of affordable housing, and requires a report annually (instead of at 6-month intervals). With respect to a request for proposals or qualifications in connection with the Illinois Housing Initiative, provides for recommendations for funding decisions (instead of funding decisions themselves) by a subcommittee of the task force, or as designated by the Governor (instead of by a committee of qualified staff from certain agencies). Changes references to "priority" populations to "underserved" populations. Deletes references to the closing of vacant long-term nursing facility beds in connection with the funding pool for supportive services. Makes other changes.

430 ILCS 65/3.5 new

Amends the Firearm Owners Identification Card Act. Provides that a person who is not a federally licensed firearm dealer who desires to transfer a firearm while that person is on the grounds of a gun show must do so only through a federally licensed firearm dealer. Provides that the dealer must follow the procedure under the dial up provision of the Act as if the dealer were the seller of the firearm.

PENSION NOTE (H-AM1) (Department of Transportation)

No fiscal impact.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

No affect on the level of state indebtedness.

BALANCED BUDGET NOTE (Bureau of the Budget)

Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this note as requested.

FISCAL NOTE (Administrative Office of the Illinois Courts)

House Bill 2356 would have no fiscal impact on the judicial branch.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 2356 would neither increase nor decrease the number of judges needed in the state.

LAND CONVEYANCE APPRAISAL NOTE (Department of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Department of Transportation.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

There will be no fiscal impact on the cost of constructing, purchasing, owning or selling a single family residence.

FISCAL NOTE (Illinois State Police)

HB 2356 has no fiscal impact to the Illinois State Police.

CORRECTIONAL NOTE (Department of Corrections)

House Bill 2356 proposes that a non-federally licensed firearm dealer who desires to transfer a firearm while on the grounds of a gun show must do so only through a person who is a federally licensed firearm dealer as outlined in the Firearm Owner's Identification (FOID) Card Act. A violation would be a Class A misdemeanor or a Class 3 or Class 4 felony. There is no available data related to illegal firearm purchases that take place at gun shows so that an objective determination regarding the number of persons who would be impacted by this legislation can be made, although the impact is expected to be minimal. Because offenders convicted solely of misdemeanors cannot be admitted to the Department, there is no corrections population or fiscal impact on the Department for any misdemeanor violations. There were five inmates admitted during FY02 for an illegal firearms transaction-related felony, with an average sentence of 2 years. Each inmate admitted to prison would serve an average of seven months, with added operating costs of \$12,632 and requiring the construction of one additional prison bed at the cost of \$53,168.

HOUSE AMENDMENT NO. 1

Changes the definition of gun show to a place where 25 or more firearms are offered or exhibited for sale, transfer, or exchange or where not less than 3 gun show vendors exhibit, sell, offer for sale, transfer, or exchange firearms.

HOME RULE NOTE (Dept of Commerce and Community Affairs)

The legislation does not pertain to home rule units of local government.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

The legislation does not impose requirements on units of local government.

PENSION NOTE (H-AM 1) (Pension Laws Commission)

As HB 2356, as amended by House Amendment 1, does not amend the Pension Code, it has no fiscal impact on any public pension or retirement system in Illinois.

JUDICIAL NOTE (H-AM 1) (Admin Office of the Illinois Courts)

House Bill 2356 would neither increase nor decrease the number of judges needed in

the state.

**CORRECTIONAL NOTE (H-AM 1) (Department of Corrections)**

There are no available data related to illegal firearms purchases that take place at gun shows so than an objective determination regarding the number of persons who would be impacted by this legislation can be made, although the impact is expected to be minimal. Because offenders convicted solely of misdemeanors cannot be admitted to the Department, there is no corrections population or fiscal impact on the Department for any misdemeanor violations. There were five inmates admitted during FY02 for an illegal firearms transaction-related felony, with an average sentence of 2.0 years. Each inmate admitted to prison would serve an average of seven months, with added operating costs of \$12,632 and requiring the construction of one additional prison bed at the cost of \$53,168.

**HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1) (Housing Development Authority)**

There will be no fiscal effect on the cost of constructing, purchasing, owning or selling a single family residence.

**STATE DEBT IMPACT NOTE (H-AM 1) (Economic and Fiscal Commission)**

HB 2356, as amended by House Floor Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

**LAND CONVEYANCE APPRAISAL NOTE (H-AM1) (Department of Transportation)**

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filled by the Department of Transportation.

**HOME RULE NOTE (H-AM 1) (Dept of Commerce and Community Affairs)**

HB 2356 (HA #1) relates to the transfer of firearms at gun shows. The legislation does not pertain to home rule units of local government.

**STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)**

HB 2356 (HA #1) relates to the transfer of firearms at gun shows. The legislation does not impose requirements on units of local government.

**BALANCED BUDGET NOTE (H-AM 1) (Bureau of the Budget)**

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental appropriation bills. Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this Note as requested.

**HOUSING AFFORDABILITY IMPACT NOTE (H-AM1) (Housing Development Authority)**

No fiscal effect on a single-family residence.

**HB-2363 MCKEON.**

820 ILCS 405/237 from Ch. 48, par. 347

Amends the Unemployment Insurance Act. Provides that certain wages "shall not be included in the base period". Makes changes in the definition of "base period" for certain employees. Makes other changes in provisions concerning the definition of "base period".

Effective immediately.

**FISCAL NOTE (Illinois Department of Employment Security)**

Currently, the vast majority of claimants in Illinois already qualify monetarily under the current base period definition. Based on historical data, this change would increase the number of first payments for UI by approximately 2.7%. For calendar year 2002, that would have represented 12,600 individuals. Because these individuals tend to have less earnings than other claimants, their corresponding UI benefit amounts tend to be below average. Therefore, historical data suggests that the overall increase in benefit payments would be approximately 1.5%. For calendar year 2002, that would have represented \$37 million (out of a total statewide benefit payout of nearly \$2.5 billion). Illinois' unemployment trust fund is currently insolvent, so any increase in outlays will add to the amount of funds needed to restore the fund's solvency.

**HB-2374 RYG-FEIGENHOLTZ-BOLAND-YOUNGE.**

305 ILCS 5/5-5.23 new

Amends the Illinois Public Aid Code. Provides that on and after July 1, 2003, the Department of Public Aid shall reimburse providers of home health services under the Medicaid program at the same rates at which the federal government reimburses providers of those services under the Medicare program, using the Low Utilization Payment Adjustment (LUPA) national-average rate structure. Requires that the Department adjust those rates annually to reflect changes in the LUPA national-average rate structure. Effective immediately.

FISCAL NOTE (Department of Public Aid)

The implementation of a PPS for home health services, similar to Medicare's, would cost the State \$13 million to \$20 million annually. It is assumed that federal matching funds would continue to apply to these services, pending approval of a State Plan Amendment.

FISCAL NOTE (Department of Public Aid)

This bill requires the Department to pay per visit rates equal to the national rate for Medicare's low utilization payment adjustment (LUPA). This amount is updated annually and published in the Federal Register. Implementing these rates will cost the Department an estimated \$6.3 million in FY 2004. This is calculated at the current

LUPA rates.

- 35 ILCS 105/10 from Ch. 120, par. 439.10
- 35 ILCS 110/10 from Ch. 120, par. 439.40

Amends the Use Tax Act and the Service Use Tax Act. Provides that Department of Revenue is authorized to contract with credit card issuers to collect the tax imposed by these Acts on Internet sales, phone order sales, and direct-mail sales. If a credit card issuer enters into such a contract with the Department, the issuer must state as a separate item on the monthly bill to customers the tax charged under these Acts. A credit card issuer is entitled to reduce the amount of the tax collected under these Acts that it remits to the Department by the amount of costs incurred by the company to collect the tax or 4% of the revenue generated from the sale on which the tax is collected, whichever is greater. Effective immediately.

FISCAL NOTE (Department of Revenue)

HB 2388 allows for the credit card company to keep 4% of the revenue generated by the sale or actual costs incurred to collect the tax (whichever is greater). In addition, there is no cap on the amount the credit card company may keep. This proposal could result in fiscal loss because the credit card companies' cost of collection allowance is significantly higher than the 1.75% amount currently allowed to in-state vendors. The credit card company could end up retaining more than half of the tax collected.

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Authorizes certain persons to purchase up to 2 years of service credit for certain military service not following employment. Requires payment of an amount representing both employee contributions and the employer's normal cost, plus interest. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 2434 cannot be determined, as the number of members who will purchase the military service credit is unknown. As the bill requires the employee to make the employee and employer (normal cost) contributions, plus interest (3%

annually), the fiscal impact is estimated to be relatively minor. Any fiscal impact would be the result of the interest rate being set at only 3% annually.

**HB-2459 MORROW AND DAVIS, WILLIAM-MCGUIRE-YOUNGE.**

New Act

Creates the Apprentice Equity Act. Provides that, in counties with a population over 110,000, certain State contracts designated by the Capital Development Board and the Department of Transportation shall be subject to a plan under which specified goals for the employment of minority and female apprentices shall be met. Provides for administration of the plan and submission of reports concerning the plan. Effective January 1, 2004.

FISCAL NOTE (Capital Development Board)

Administrative Budget Impact:	\$47,700 first year
\$43,200 per year in following years	Construction Impact:
\$25,000 for each \$1 million in contracts	

HOUSE AMENDMENT NO. 1

Deletes everything and inserts similar provisions, with these changes: changes the short title to the Apprentice/Training Equity Act; replaces references to apprentices with "apprentices/trainees" and references to apprenticeship with "apprenticeship/training"; provides that the Act applies to construction contracts funded in whole with State funds (rather than State construction contracts); and adds and changes provisions concerning contents of plans under the Act, waivers of plan requirements, sanctions, subcontractors, reimbursement, definitions, and other matters. Effective January 1, 2004.

FISCAL NOTE (H-AM1) (Department of Transportation)

Increased training costs to the Department would be approximately \$100,000. It would likely increase administrative costs due to the increased duties involved in tracking compliance with the contents of this bill.
