Amends the Election Code. Permits a person to vote by absentee ballot on the basis that he or she is 65 years old or older.

FISCAL NOTE (State Board of Elections)

House Bill 128, as introduced, would have a minimal fiscal impact on the operations of the State Board of Elections. However, each election authority in the State of Illinois (of which there are 110) would need to update all absentee ballot applications to accommodate this change. As you will be adding a new check-off category, applications already in stock will need to be destroyed and new applications printed. The exact costs will need to be determined by each individual county and/or election commission. They too will be the entity that absorbs the costs.

FISCAL NOTE (Illinois Gaming Board)

As introduced, this legislation would not have a fiscal impact on the State.

FISCAL NOTE (H-AM 1)(Illinois Gaming Board)

The additional demands of regulating HB 142 would require approximately 250 additional enforcement agents as well as approximately 20 administrative personnel. Total administrative costs to the State would be \$14.5 million in Year 1. Offset against \$3.0 million in applicable fees, operations would exceed available funds by \$11.5 million. In Year 2, operations would exceed projected fee revenue designated for administration costs by \$9.9 million. In Year 3, this figure is projected to exceed fee revenues by \$10.7 million. This Bill requires a communication and computer system linking all the video gaming terminals to a centralized control system. These figures do not include the costs of developing and maintaining this computer system to monitor and coordinate the accountability of the entire operation. Based on communication with other state jurisdictions with similar operations, the annual cost to the State could be several millions dollars.

STATE MANDATES FISCAL NOTE (H-AM 1)(Dept of Commerce and Community Affairs)

HB 142 (HA #1) creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act. An estimate of the increased to units of local government is not available.

STATE MANDATES FISCAL NOTE (H-AM 2)(Dept of Commerce and Community Affairs)

No fiscal effect.

Would neither increase nor decrease the number of judges needed in the state.

STATE DEBT IMPACT NOTE (H-AM1) (Economic and Fiscal Commission)

Will not affect the level of State indebtedness.

CORRECTIONAL NOTE (H-AM 1) (Dept of Corrections)

House Bill 143, as amended by House Amendment #1, makes numerous changes related to gambling operations in Illinois. This legislation would require as admission tax for each person who enters the grounds of an organization licensee, impose a privilege on persons engaged in the business of operating riverboat gambling, propose different regulations for the operation of Fairmount Park than other race tracks in the State, and allow for electronic gambling at race tracks. This amended legislation would make offering or accepting anything of value from an electronic gaming licensee a Class 4 Felony. This would result in an increase of two inmates with \$471,900 in additional costs over the first ten years after enactment. In addition, an unknown number of prison sentences may result from other crimes that may occur as a result of increasing gambling operations. Therefore, the full impact of this legislation is unknown.

FISCAL NOTE (H-AM1) (Gaming Board)

The proposed legislation would increase operating expenses by \$13.2 million.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, HB 143 (HA #1) does not create a State Mandate under the State Mandates Act.

BALANCED BUDGET NOTE (H-AM1) (Bureau of the Budget)

Since this is not a supplemental bill it is not possible to complete this note as requested.

HOME RULE NOTE (H-AM 1)(Dept of Commerce and Community Affairs)

HB 143 (HA #1) pre-empts home rule authority.

LAND CONVEYANCE APPRAISAL NOTE (H-AM 2)(Dept. of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to

be filed by the Department of Transportation.

FISCAL NOTE (Illinois Gaming Board)

As introduced, this legislation would not have a fiscal impact on the State.

FISCAL NOTE (H-AM 1)(Illinois Gaming Board)

To accommodate the additional demands of regulating the issues presented in HB 144, the Gaming Board needs to address the impact to operations resulting from 2 new gaming facilities, a 74% increase in the number of gaming positions resulting from the new sites as well as the indirect administrative functions. Approximately 32 staff positions would be needed to enforce the added gaming activity at the new sites. Approximately 30 additional support staff would be needed to handle the administrative functions. These include personnel within the Legal Division, Investigations, Field Auditors, Internal Control Auditors, Tax Collection, Budget and Finance. Total operating costs, which consist of Personal Services & Fringes, Contractual Services, Travel, Printing, Commodities, Equipment, EDP, Telecommunication and Op. of Auto amount to approximately \$19.3 million. The Gaming Board's pending FY 2004 Budget Request, excluding HB 144, is for \$14.4 million. The proposed legislation would increase operating expenses by \$4.9 million (34%) Deducting the estimated operating costs from the State Gaming Fund provides for a net increases of \$597.0 million to the State in FY 2004.

**FISCAL NOTE (Illinois Gaming Board)**

As introduced, this legislation would not have a fiscal impact on the State.

**FISCAL NOTE (H-AM 1)(Illinois Gaming Board)**

The additional demands of regulating HB 147 would require approximately 250 additional enforcement agents as well as approximately 20 administrative personnel. Total administrative costs to the State would be \$14.5 million in Year 1. Offset against \$3.0 million in designated fees, operations would exceed available funds by \$11.5 million. In Year 2, operations would exceed projected fee revenue designated for administration costs by \$9.9 million. In Year 3, this figure is projected to exceed fee revenues by \$10.7 million. This Bill requires a communication and computer system linking all the video gaming terminals to a centralized control system. These figures do not include the costs of developing and maintaining this computer system to monitor and coordinate the accountability of the entire operation. Based on communication with other state jurisdictions with similar operations, the annual cost to the State could be

several millions dollars.

FISCAL NOTE (Illinois Gaming Board)

As introduced, this legislation would not have a fiscal impact on the State.

FISCAL NOTE (H-AM 1)(Illinois Gaming Board)

To accommodate the additional demands of regulating the issues presented in HB 148, the Gaming Board needs to address the impact to operations resulting from 2 new gaming facilities, a 122% increase in the total number of gaming positions as well as the indirect administrative functions. Approximately 72 staff positions would be needed to enforce the added gaming positions at all locations. Approximately 33 additional support staff would be needed to handle the administrative functions. These include personnel within the Legal Division, Investigations, Field Auditors, Internal Control

Auditors, Tax Collection, Budget and Finance. Total operating costs, which consist of Personal Services & Fringes, Contractual Services, Travel, Printing, Commodities, Equipment, EDP, Telecommunication and Op. of Auto amount to approximately \$23.3 million. The Gaming Board's pending FY 2004 Budget Request, excluding HB 148, is for \$14.4 million. The proposed legislation would increase operating expenses by \$8.9 million (62%) Deducting the estimated operating costs from the State Gaming Fund provides for a net increase of \$734.7 million to the State in FY 2004.

510 ILCS 5/26

from Ch. 8, par. 376

Amends the Animal Control Act. Provides that if a dog is found to be a dangerous dog, the dog must be both muzzled and leashed whenever it is upon a street, sidewalk, or other public place or grounds. Includes an owner's house in the definition of "enclosure". Provides that if a vicious dog is impounded, it must be either spayed or neutered within 30 days after the impoundment. Provides that in all cases a vicious dog must be spayed or neutered before being returned to its owner. Provides that the owner is liable for the cost of spaying or neutering. Provides that if the owner of a dangerous dog fails to keep the dog muzzled and leashed as required, and the dog attacks another person unprovoked and inflicts great bodily harm, permanent disfigurement, or permanent physical disability upon another person or causes death of another person, the owner is guilty of a Class A misdemeanor, except that if the owner knowingly failed to maintain or keep the dog muzzled or leashed, the owner is guilty of a Class 4 felony. Provides that if the owner of a dog subject to enclosure (that is, a vicious dog) fails to keep the dog enclosed or as otherwise required by law (instead of simply fails to keep the dog enclosed), and the dog attacks a person unprovoked and inflicts great bodily harm, permanent disfigurement, or permanent physical disability upon another person or causes death of another person, the owner is guilty of a Class A misdemeanor. Effective immediately.

Makes it unlawful for a person to permit a dangerous dog to leave the premises of its owner when not under control by leash or other recognized control methods. Amends the Capital Development Board Act. Provides that the Capital Development Board shall adopt rules requiring all bidders to certify that at least 10% of the persons involved in the construction of correctional facilities will hold apprentice or training level positions. Requires the Capital Development Board to adopt rules imposing monetary sanctions for violations.

STATE DEBT IMPACT NOTE (Illinois Economic and Fiscal Commission)

HB 198 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Capital Development Board)

The fiscal impact on the Administrative Budget will be \$51,200 for the first year and \$44,700 for each subsequent year. The fiscal impact on construction contracts will be \$25,000 per \$1 million in construction contracts.

CORRECTIONAL NOTE (Department of Corrections)

House Bill 0198 provides that the Capital Development Board would require all bidders to certify that at least 10% of the persons involved in the construction of correctional facilities will hold apprentice or training level positions, and requires the Capital Development Board to adopt rules imposing monetary sanctions for violations. There are no new incarceration sanctions, enhanced incarceration penalties, or policy requirements for the Department of Corrections associated with this legislation. Therefore, there is no corrections population or fiscal impact on the Department.

20 ILCS 2310/2310-397 was 20 ILCS 2310/55.90

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires that, beginning July 1, 2004, the Department's prostate cancer awareness program must include development and dissemination of public service announcements promoting prostate cancer screening for men over age 40.

**FISCAL NOTE (Department of Revenue)**

The estimated fiscal impact of introduced House Bill 199 would include costs for the design, production and distribution of a print and public service announcement campaign to promote prostate cancer early detection. Costs could range from \$80,000 for the design and production of a print campaign only to \$250,000 for the development of public service announcements for television and radio. Additional costs will be incurred for the distribution of public service announcements. Although the term public service announcement or PSA typically refers to ads which run or air with no media charge, there is a fee for trafficking these ads and for obtaining broadcast reports for evaluation of the effectiveness of the campaign. These charges are typically \$10,000. It should be noted that the downside to the use of public service announcements is that IDPH would have no control over the placement of the ads or how often they are run. Obtaining print PSA space is even more difficult than TV or radio. A statewide print media campaign in newspapers and magazines would cost approximately \$1,000,000 per quarter. In FY03, \$300,000 was appropriated to the Department for the prostate and testicular cancer program. These funds are used almost entirely to support community-based screening and education programs throughout the state. Additional funding would be necessary to support the provisions of House Bill 199.

20 ILCS 2310/2310-320 was 20 ILCS 2310/55.56

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires that, beginning July 1, 2004, the Department must develop and disseminate public service announcements that promote AIDS/HIV screening.

**FISCAL NOTE (Department of Revenue)**

The true fiscal impact of this legislation cannot be accurately determined without further input as to the legislative intent. While there is no current focused "public awareness campaign" being conducted by the Department, IDPH puts significant funding and effort toward public education for HIV/AIDS testing and awareness. If our current efforts and activities meet the requirements of the legislation then costs would be minimal. If the intent is to develop something new, there is potentially a significant cost associated with this legislation.

**GOVERNOR AMENDATORY VETO MESSAGE**

Recommends that the bill be amended to provide that the Department of Public Health shall utilize any available funds to develop and disseminate the public service announcements (rather than providing that the Department shall develop and disseminate the public service announcements).

105 ILCS 5/27-21 from Ch. 122, par. 27-21  
30 ILCS 805/8.27 new

Amends the School Code. Provides that the History of the United States course required as a prerequisite to receiving a high school diploma must include a unit of instruction on civics. Amends the State Mandates Act to require implementation without reimbursement. Effective July 1, 2003.

**FISCAL NOTE (Illinois State Board of Education)**

No fiscal impact to the state. Most school districts already offer some form of instruction in civics in their secondary curricula and should be able to incorporate this requirement with existing staffing and resources.

**STATE MANDATES FISCAL NOTE (Illinois State Board of Education)**

While House Bill 201 clearly creates a state mandate, it specifically amends the State Mandates Act to exempt the requirement from that Act. Further, state reimbursement

appears to be unnecessary because the requirement merely imposes additional duties of a nature which can be carried out by existing staff and procedures at no appreciable net cost increase. Finally, even if there is a small net cost increase, it should not exceed the \$1,000 threshold in the Mandates Act.

105 ILCS 5/10-20.12 from Ch. 122, par. 10-20.12

30 ILCS 805/8.27 new

Amends the School Code. Beginning with the 2004-2005 school term, provides that children who attain age 5 by December 10 of the school term may attend school upon commencement of the term. Amends the State Mandates Act to require implementation without reimbursement.

FISCAL NOTE (Illinois State Board of Education)

Because the Act is specifically exempted from the State Mandates Act, there is no fiscal impact to the State. School districts, however, will bear the cost of additional students attending school. In 2001-2002 there were 148,348 students in public kindergarten. Assuming an average age distribution across the year, extending the period of attainment by approximately 3.5 months would add approximately 43,200 students to the school

population. Using the most recent 2000-2001 average per capita tuition charge of \$6,466 for all districts, House Bill 203 would cost school districts approximately \$279 M. The state would not provide any specific funding for these students until the next year when they would be counted in the general state aid (GSA) average daily attendance (ADA) figures.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

House Bill 203 creates a "Service Mandate" because it increases the number of students that must be served by school districts.

30 ILCS 805/8.27 new

Deletes everything. Provides that the amendatory Act may be referred to as the Safe Options for Suspension Act. Amends the School Code. Requires a school board to compile a list of local facilities and organizations that have an education program that a suspended student can attend during the period of time of his or her suspension. Prohibits the suspension from taking effect until the school board provides the student and the student's parents or guardian with a copy of the list and an official notice of suspension that may be shown to the education program that the child is to attend to

prove that the student is not a truant. Effective immediately.

50 ILCS 705/15 new

750 ILCS 60/303 from Ch. 40, par. 2313-3

Amends the Illinois Police Training Act to provide instruction for the handling of domestic violence complaints with the guidelines developed by the Illinois Law Enforcement Training Standards Board and representatives from named State and private offices with an interest in preventing domestic violence. Amends the Illinois Domestic Violence Act of 1986 to mandate the implementation of a system for recording domestic violence calls and annually reporting the number of those calls. Provides that law enforcement officers shall also annotate signs of whether the alleged abuser was under the influence of alcohol or a controlled substance.

FISCAL NOTE (Ill. Law Enforcement Training Standards Board)

To implement the provisions of House Bill 206, the Law Enforcement Training Standards Board will expend approximately \$50,000 for development of a course of instruction. (This is based upon the \$100,000 in federal grant funds used by the Board for 8 years). Annual training costs would be \$192,500 per hour (\$11 per training hour for half the 35,000 Illinois law enforcement officers). The above-referenced federal grant produced a 24-hour course. To provide that course for Illinois law enforcement officers every other year would cost \$4.6 million. (These figures do not include any funds for local law enforcement agency-advanced officer training programs). Using the Board's in-service training delivery system would result in the Board paying \$3.9 million and local governments paying \$70,000. In Fiscal Year 2003, the Board's in-service training delivery method is projected to cost \$3.7 million. Thus, this requirement would double the Board's and the local government's expenditure on the Board's in-service training delivery system or would displace all other training, both mandatory and optional, to comply with the provisions of House Bill 206.

Amends the State aid formula provisions of the School Code by increasing the foundation level of support, changing the amount of and how a supplemental general State aid grant is calculated, and providing that the supplementary grants in aid provisions are no longer applicable. Amends the State Aid Continuing Appropriation Law to make the Law applicable to fiscal year 2004 and each fiscal year thereafter and to provide for an irrevocable and continuing appropriation sufficient to fund general State aid and supplemental general State aid. Amends the School Code, the School Construction Law, and the Election Code to make changes concerning the reorganization of school districts, including the conduct of feasibility studies, the removal of a referendum requirement, the establishment of community unit school districts, and the provision of supplementary State aid, State funds for construction, and implementation grants. Amends the State Finance Act, the Illinois Income Tax Act, and the Property Tax Code. Beginning on July 1, 2003, increases income taxes and provides that two-thirds of the increased revenue shall be deposited into the School District Property Tax Relief Fund to fund property tax abatements and that one-third of the increased revenue shall be deposited into the Common School Fund. Provides a mechanism for property tax abatements and provides for a deduction (up to \$1,200) for income tax purposes, for 5 years, equal to 15% of rent paid annually for a taxpayer's principal residence. Amends the School Code concerning certain categorical funding, including the establishment of several block grant programs and changes to the way State transportation reimbursement is calculated. Amends the School Code and the IMRF and Social Security Enabling Act Articles of the Illinois Pension Code to make changes concerning school districts other than the Chicago school district with respect to the purposes for which a district may levy taxes and the maximum rates of those taxes, a newly formed district's authority to levy taxes for certain purposes, interfund transfers, and working cash funds. Amends the State Mandates Act to require implementation without reimbursement. Some parts effective immediately; other parts effective July 1, 2003.

**PENSION NOTE (Pension Laws Commission)**

HB 208 would not affect the accrued liabilities or annual costs of any IMRF employer.

**HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)**

The proposed property tax abatement for educational purposes may significantly reduce homeownership costs, it appears that the tax burden is being shifted to the Illinois Income Tax. Due to wide variation in income levels of homeowners as well as actual property taxes levied based on local assessed valuations, the effect of this change cannot accurately be determined. Similarly, the provision for an income tax deduction allowance for renters may potentially serve as incentive toward future homeownership, but it also cannot be calculated at this time.

**FISCAL NOTE (Illinois State Board of Education)**

A 1% increase in the individual income tax rate and a 1.6% increase in corporate income tax rate will raise approximately \$2.6 B in new resources to pay for the program recommendations compared to the EFAB recommendation of \$5.4 B. Given the specific 2/3 - property tax relief and 1/3 - GSA allocation in HB 206, the following will be available for those purposes: (1) GSA increase (foundation level, Hold Harmless and poverty), approximately \$867 M (compared to \$1.8 B EFAB recommendation), and (2) Property tax abatement, approximately \$1.7 B (compared to \$3.6 B EFAB recommendation).

**STATE MANDATES FISCAL NOTE (Illinois State Board of Education)**

House Bill 208 changes the way local revenues are collected and held and the way the

state funds education but it does not establish a state mandate for school districts in a way that necessitates additional expenditures.

New Act

20 ILCS 405/405-195 new

30 ILCS 105/5,595 new

Creates the Senior Citizens and Disabled Persons Prescription Drug Discount Program Act. Provides that the Program shall be administered by the Department of Central Management Services to enable eligible senior citizens and disabled persons to purchase prescription drugs at discounted prices and that the Department shall (i) enroll eligible seniors and disabled persons into the Program, (ii) enter into rebate agreements with drug manufacturers, either itself or through an agent, and (iii) reimburse pharmacies for the cost of providing discounts using the proceeds from the manufacturer rebate agreements. Amends the State Finance Act to create the Senior Citizens and Disabled Persons Prescription Drug Discount Program Fund into which rebate payments and enrollment fees shall be deposited. Provides for an initial transfer from the General Revenue Fund into the Senior Citizens and Disabled Persons Prescription Drug Discount Program Fund of \$27,000,000 to be repaid to the General Revenue Fund out of rebate payments. Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois. Provides that the Department shall establish a Prescription Drug Purchasing Policy Office to determine and implement strategies for best price purchasing practices for State agencies that pay for prescription drugs by direct purchase or by other arrangements. Effective July 1, 2003.

HOUSE AMENDMENT NO. 1

Deletes reference to:

20 ILCS 405/405-195 new

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced, with changes as follows. Authorizes the Department to issue a request for proposals for bidders interested in administering the program, establishing minimum criteria for bidder participation. Provides that the reimbursement to pharmacies shall be subject to available funds and shall be equal to the difference between the amount paid by the eligible senior or disabled person under the program and (i) the average wholesale price minus 12% for brand name drugs, single-source generic drug products, and, for a period of 6 months, newly-released generic drug products and (ii) the average wholesale price minus 35% for all other generic drugs, but only if the amount paid by the eligible senior or disabled person is less than these amounts. Limits the amounts to be deposited into the Senior Citizens and Disabled Persons Prescription Drug Discount Program Fund to annual enrollment fees and other amounts to be allocated to the Department (excluding amounts to be used for compensation of pharmacies). Removes language authorizing the transfer of \$27,000,000 into the Fund. Establishes specific items that must be included in the report on the Program. Removes provisions establishing a Prescription Drug Purchasing Policy Office. Makes other changes. Effective July 1, 2003.

HOUSE AMENDMENT NO. 2

Provides that language prohibiting the program administrator from using funds generated from rebates, discounts, administrative fees, or other fees to promote its mail order pharmacy operation or that of an affiliate does not, however, limit the participation of an Illinois-licensed pharmacy under the Act if that pharmacy provides prescription drugs by mail order.

105 ILCS 5/2-3.131 new

Amends the School Code. Requires the State Board of Education to adopt maximum weight standards for textbooks used by pupils in public elementary and secondary schools. Provides that the weight standards shall take into consideration the health risks to pupils who transport textbooks to and from school each day. Effective immediately.

FISCAL NOTE (Illinois State Board of Education)

The administrative costs of the State Board of Education to establish rules is relatively small; limited primarily to existing staff and contracts to acquire specific expertise in the student health issues raised here. House Bill 217 will establish a state mandate for school districts. Until the maximum weight for textbooks is established, it is difficult to determine how costly this mandate may be. For instance, is this an issue with a single textbook or only if multiple books are carried at the same time to and from school. If districts are required to replace a significant number of textbooks this could be very expensive. It may be impossible to find acceptable textbooks which meet such weight

standards. This may also require districts to change scheduling and security regulations. STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

New Act

Creates the Builders' Appeal Act. States that the purpose is to provide expeditious relief from local ordinances and regulations that inhibit the construction of affordable housing needed to serve low-income and moderate-income households in this State. Allows local approving authorities to issue a comprehensive permit to a developer of affordable housing. The comprehensive permit includes all local government approvals or licenses, except a building permit. Requires a hearing on an application. Sets forth requirements for approving a comprehensive permit. Creates a State Housing Appeals Board to hear appeals of decisions of a local approving authority. Contains other provisions.

HOUSING AFFORDABILITY IMPACT NOTE (Illinois Housing Development Authority)  
While streamlined zoning and other regulatory processing by local governments of affordable housing projects certainly has the potential of reducing developer costs and reducing time delays, there is no guarantee that such savings will be passed along to homebuyers for such projects that involve homeownership opportunities, nor is there an accurate method to calculate that actual cost savings.

FISCAL NOTE (Housing Development Authority)

House Bill 220 requires the Authority to provide space and clerical and other assistance to a newly-created Housing Appeals Board, which would appeal decisions of local approving authorities issuing comprehensive permits to affordable housing developers. The legislation does not reference a funding level, and without specific information regarding the scale and scope of the proposal its fiscal effect on IHDA cannot be determined.

HOUSE AMENDMENT NO. 1

Deletes everything. Creates the Affordable Housing Planning and Appeal Act. States that the purpose is to encourage counties and municipalities to incorporate affordable housing within their housing stock sufficient to meet the needs of their county or community and to allow builders to seek relief from local ordinances and regulations that may inhibit the construction of affordable housing needed to serve low-income and moderate-income households in this State. Requires certain local governments to approve an affordable housing plan prior to July 1, 2004 and sets forth the requirements for that plan. Creates the State Housing Appeals Board to hear appeals of decisions of a local approving authority.

HOUSE AMENDMENT NO. 2

Provides that one of the members appointed to the Housing Appeals Board shall be a retired circuit judge or a retired appellate judge (instead of a circuit judge), who shall act as chairperson. Provides that the Illinois Housing Development Authority (instead of the Housing Appeals Board) shall adopt rules and regulations to carry out the Board's responsibilities. Makes other changes.

Removes a provision that no local government shall exercise any of its powers to enact local laws or ordinances within an agricultural area in a manner that would restrict or regulate the acquisition of land by annexation or eminent domain. Provides that the owners of land within an agricultural area may be subjected to a civil action for nuisance by a private party if the nuisance is created by willful and wanton misconduct. Provides that the Department of Agriculture may (instead of shall) give technical assistance to owners of land within an agricultural area if subjected to any other private civil action and removes a provision requiring

the Department to provide other resources for that purpose.

New Act

Creates the State Economic Assistance Accountability Act. Provides that State economic assistance provided by the Department of Commerce and Community Affairs as an incentive to a business organization must be based on the terms of a written incentive agreement between the Department and the business organization, which agreement must identify the specific State economic assistance to be provided to the business organization during the term of the agreement. Lists terms the agreement must contain. Provides that State economic assistance incentive agreements must provide that if a business organization either fails to make the requisite level of capital investment in the project or fails to create or retain the specified number of jobs within the specified time frame, as provided under the Act authorizing the State economic assistance, the business organization shall be deemed to no longer qualify for the State economic assistance. Provides that State economic assistance must total at least \$75,000 on a single project for applicability. Provides that the full content of all written incentive agreements are to be published on the Illinois Department of Commerce and Community Affairs website. Effective immediately.

FISCAL NOTE (Dept of Commerce and Community Affairs)

House Bill 235 is estimated to have no significant fiscal impact on the Department.

**HOUSE AMENDMENT NO. 1**

Deletes everything. Creates the Corporate Accountability for Tax Expenditures Act. Provides that the Department of Revenue shall submit an annual Unified Economic Development Budget to the General Assembly no later than 3 months after the end of the State's fiscal year and the report shall present all types of development assistance for economic development during the prior fiscal year. Provides that the Department of Revenue shall promulgate a standardized disclosure registry for use by all property-taxing entities and that every property-taxing entity in the State shall employ this standardized registry to report to the State Department of Revenue all property tax reductions or abatements that had effect during the previous calendar year. Provides that the Department of Commerce and Community Affairs shall promulgate a standardized application form for on-budget development assistance for use by all granting bodies. Requires each granting agency to submit a progress report to the Department of Commerce and Community Affairs concerning certain development assistance applications. Provides that, in considering development assistance applications, all granting bodies shall analyze the projected wages and benefits. Provides that recipients are required to achieve their job creation and wage and benefit goals within 2 years after the date of assistance and, if a recipient defaults on development assistance, it must pay back to the granting body that fraction of the development assistance that accrued to its benefit for the

calendar year in which the default occurred. Effective immediately.

STATE DEBT IMPACT NOTE (H-AM 1) (Economic and Fiscal Commission)

HB 235, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, HB 235, as amended by HA #1, does not pre-empt the home rule powers of municipalities or Cook County. However, these local governments would be negatively impacted should they fail to comply with the provisions of this legislation. The bill specifies that a local government not in compliance with its provisions would forfeit any development assistance otherwise available from the State.

FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

The fiscal impact of House Bill 235 with House Amendment 1 is estimated to be at least \$1 million annually for 12 additional staff and associated costs. The cost estimate could be higher depending upon the number of granting bodies that fail to comply with the requirements of this legislation. This estimate does not consider the significant fiscal impact this legislation is expected to have on the Department of Revenue, other state agencies, local governments, or other public bodies as defined in this legislation.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

House Bill 235 (HA #1) creates a service mandate for which reimbursement of 50%-100% of the increased costs to units of local government is required under the State Mandates Act. An estimate of the increased costs to local governments is not available at this time, but a municipality of 100,000 estimates their annual increased cost would be a minimum of \$60,000.

#### HOUSE AMENDMENT NO. 2

Deletes everything after the enacting clause. Creates the Corporate Accountability for Tax Expenditures Act. Defines "development assistance" as (1) tax credits and tax exemptions (other than given under tax increment financing) given under the Economic Development for a Growing Economy Tax Credit Act and the Illinois Enterprise Zone Act, (2) grants or loans given pursuant to the Large Business Development Program, the Business Development Public Infrastructure Program, or the Industrial Training Program, (3) the State Treasurer's Economic Program Loans, (4) the Illinois Department of Transportation Economic Development Program, and (5) all successor and subsequent programs and tax credits designed to promote large business relocations and expansions, but not including tax increment financing, participation loans, certain financial transactions in support of small business loans and investments, or assistance given in connection with the development of affordable housing. Requires the Department of Revenue to submit an annual Unified Economic Development Budget to the General Assembly no later than 3 months after the end of the State's fiscal year, beginning in 2005, presenting all types of development assistance for economic development during the fiscal year. Requires standardized applications for development assistance, requires State granting bodies to submit to the Department of Commerce and Community Affairs certain information concerning projects approved for development assistance, and requires the Department to publish the data received. Authorizes the recapture by the State of development assistance provided if a grantee does not meet the requirements of an agreement. Effective immediately.

PENSION NOTE (H-AM2) (Pension Laws Commission)

No fiscal impact on any public pension fund or retirement system.

BALANCED BUDGET NOTE (H-AM2) (Bureau of the Budget)

Since this house bill is not a supplemental appropriation bill, it is not possible to complete this note as requested.

LAND CONVEYANCE APPRAISAL NOTE (H-AM2) (Department of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filled by the Dept. of Transportation.

JUDICIAL NOTE (H-AM2) (Admin Office of the Illinois Courts)

This bill would neither increase or decrease the number of judges needed in the state.

HOME RULE NOTE (H-AM 2) (Dept of Commerce and Community Affairs)

HB 235 (HA #2) pertains to the powers and duties of DCCA, the Department of Revenue, and other State department or agencies that provide development assistance to businesses. The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 235 (HA #2) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 2) (Dept of Commerce and Community

Affairs)

HB 235 (HA #2) pertains to the powers and duties of DCCA, the Department of Revenue, and other State department or agencies that provide development assistance to businesses. The legislation does not impose requirements on units of local government. Therefore, in the opinion of DCCA, HB 235 (HA #2) does not create a State Mandate under the State Mandates Act.

FISCAL NOTE (H-AM 2) (Dept of Commerce and Community Affairs)

The fiscal impact of House Bill 235 with House Amendment 2 on the Department of Commerce and Community Affairs is estimated to be at least \$167,000 for two staff and associated information technology costs. All costs can be absorbed within the department's current budget.

STATE DEBT IMPACT NOTE (H-AM 2) (Economic and Fiscal Commission)

HB 235, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM2) (Housing Development Authority)

No fiscal effect on a single-family residence.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the bill as engrossed with changes as follows. Defines "development assistance agreement" as any agreement executed by the State granting body and the recipient setting forth the terms and conditions of development assistance to be provided to the recipient consistent with the final application for development assistance submitted to and approved by the State granting body. Removes the definition for "permanent job". Makes changes concerning applications for assistance, State development assistance disclosure, and recapture provisions. Makes other changes.

STATE DEBT IMPACT NOTE (H-AM 2) (Economic and Fiscal Commission)

HB 235, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

SENATE FLOOR AMENDMENT NO. 3

Replaces the term "State on-budget development assistance" with "State development assistance". In provisions setting forth the required contents of an application for development assistance, provides that one of the items that must be included is a narrative, if necessary, describing why the development assistance is needed and how the applicant's use of the development assistance may reduce employment at any site in Illinois (underlying amendment reads "reduce unemployment"). Provides that the Department of Commerce and Community Affairs is authorized to modify State development assistance application forms and the requirements for the progress reports that must be submitted by those receiving State development assistance with respect to grants under the Industrial Training Program that are not given as an incentive to a recipient business organization. Removes an incorrect cross-reference.

Amends the Property Tax Code. Changes the exemption for disabled veterans. The exemption now applies only to property up to an assessed value of \$58,000 owned and used exclusively as a home by a disabled veteran found eligible for specially adapted housing by the federal government or the spouse or unmarried surviving spouse of the veteran. This amendatory Act provides that the exemption applies, for taxable years 2003 and thereafter, to the first \$58,000 in assessed value of property owned and used exclusively by a disabled veteran, or the spouse or unmarried surviving spouse of the veteran, as a home. Provides that a disabled veteran is a person who served in the U.S. Armed Forces and (i) who was found 100% disabled and eligible for disabled veterans benefits or (ii) who was found disabled and eligible for Social Security Disability or SSI benefits. Creates a certified public accountant-client or public accountant-client privilege for non-criminal proceedings before the Department. Amends the Illinois Income Tax Act to create a civil action against the Department for the knowing or negligent disclosure of confidential information. Provides penalties. Amends the Illinois Public Accounting Act to make changes regarding confidentiality. Effective immediately.

**FISCAL NOTE (Department of Revenue)**

The precise fiscal impact of House Bill 243 is impossible to determine, but a conservative 5 percent slowdown in collections in the first year would reduce tax receipts by \$1.2 billion as that money is shifted into future fiscal years.

305 ILCS 5/11-26.1 from Ch. 23, par. 11-26.1

305 ILCS 5/12-4.25d new

Amends the Illinois Public Aid Code. Provides that a Medicare beneficiary or a beneficiary of pharmaceutical assistance under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act is entitled to obtain prescription drugs at prices based on a pharmacy's Medicaid reimbursement rates. Requires that pharmacies implement this prescription drug discount benefit as a condition of participating in the Medicaid program. Requires the Department of Public Aid to make certain reports to the General Assembly and to execute necessary interagency agreements with the Department on Aging and the Department of Revenue. Provides for evaluation of the prescription drug discount benefit if prescription drugs are covered by Medicare. Repeals these provisions on July 1, 2007.

FISCAL NOTE (Department of Public Aid)

IDPA must create a system (most likely internet based) for pharmacies to inquire on prices- estimated less than \$1 million. IDPA must monitor pharmacies compliance with the law. Conservatively it would probably take 4-6 staff at a cost between \$100,000 to \$200,000. Providing consumer information. The most cost effective way would be via the internet. Direct mailing and phone banks would be much more costly, inefficient, and information would be obsolete by the time the consumer received it.

Prohibits a person from engaging in activity that involves the use of a human somatic cell for the process of producing a human clone. Penalty is a Class 4 felony.

FISCAL NOTE (Department of Public Health)

While a number of licensure or registration programs administered by the Department of Public Health would need to take action upon conviction of an individual or entity found to have violated the Act, we would anticipate the fiscal impact for the Department to be relatively small. Legal staff time would be necessary to conduct the administrative action to revoke a license. We would estimate .25 FTE would be needed annually, which would equate to approximately \$20,000. Additionally, it would be

assumed that minor costs associated with the legal proceeding would require the expenditure of an additional \$5,000 per year.

Creates the Tax Delinquency Amnesty Act. Provides that the Department of Revenue shall establish a tax amnesty program for delinquent taxes required to be collected by the Department to run for a period from October 1, 2003 through November 30, 2003 and to cover any taxable period ending prior to July 1, 2002. The Department shall not collect any interest or penalties on those taxes or pursue the taxpayer either by civil suit or criminal prosecution for those taxes if amnesty is granted to the taxpayer. Excludes taxpayers who are a party to any criminal investigation or to any pending civil or criminal litigation concerning the tax liability. Requires the Department to adopt rules. Provides that the money collected under the amnesty program (except for personal property tax replacement income tax collected) shall be deposited as follows: (i) one-half into the Common School Fund; (ii) one-half into the General Revenue Fund. Amends the Uniform Penalty and Interest Act. Provides that, if a taxpayer eligible for the amnesty program fails to satisfy the tax liability during the amnesty period, then the interest or penalty or both imposed by the Department on that tax liability shall be imposed in an amount that is 200% of the amount that would otherwise be imposed. Effective immediately

FISCAL NOTE (Department of Revenue)

House Bill 256 requires that from October 1, 2003 through November 30, 2003 the Illinois Department of Revenue shall administer a tax amnesty program. The Department estimates that an amnesty program could bring in between \$120 million and \$230 million. Because of the extreme difficulty of predicting how taxpayers will react to amnesty, this estimate is an order of magnitude only. A large majority of the revenue will be an acceleration of the tax the Department would ultimately collect.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 269 amends the Clerks of Courts Act. Based on a review of the bill it has been determined that the bill would neither increase nor decrease the number of judges needed in the state.

FISCAL NOTE (Administrative Office of the Illinois Courts)

House Bill 269 would have no fiscal impact on State government. The impact of the bill on circuit courts in individual counties cannot be determined, because it depends on future action by the various county boards.

Provides that, beginning on January 1, 2004 and through December 31, 2008, a retailer or serviceman is allowed to take the 1.75% or \$5 discount, as appropriate, for the first \$1,000,000 in taxes collected in the aggregate in a calendar year under each of the 4 Acts to reimburse himself or herself for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department of Revenue on request. No discount may be taken during that period for taxes collected above \$1,000,000 in the aggregate in a calendar year under the 4 Acts. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

HB 270 will have a positive impact to the State of an undetermined amount. In fiscal year 2001, the Retailers' Discount cost the State approximately \$102 million.

- 35 ILCS 5/304 from Ch. 120, par. 3-304

Amends the Illinois Income Tax Act. With respect to the apportionment of business income for persons other than residents, provides that for tax years ending on or after December 31, 2003 and before December 31, 2008 the income shall be apportioned using the property factor, payroll factor, and sales factor. Provides that for tax years ending on or after December 31, 2008, the income shall again be apportioned using the sales factor only. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

Apportioning business income on a sales-only basis, as is currently the case, has reduced corporate income tax liabilities by about \$95 million. This is \$63 million to the state and \$32 million to local government. Reverting back to the three-factor formula should have a positive impact to the state of \$63 million and \$32 million to local governments. Deposits into the Education Assistance Fund will be dependent upon collections and refund fund percentages.

- 35 ILCS 5/207 from Ch. 120, par. 2-207

Amends the Illinois Income Tax Act. Provides that, for taxable years ending on or after December 31, 2003 and on or before December 30, 2008, net losses shall not be allowed as a carryback and shall be a net operating carryover to each of the 5 taxable years following the taxable year of such loss (now, and beginning again at the end of this period, may carry net losses back for 2 years and carry them forward for 20 years). Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

It is difficult to estimate reduced corporate refunds and reduced corporate receipts associated with this proposal. The losses that can be carried forward cannot be used until taxpayers have a positive income to offset and with the slow economy, it may take some time before this happens. However, eliminating the two-year carryback provision would reduce business refunds in the immediate future. Limiting losses to a five-year carry forward period should reduce total net operating losses claimed. However, with all net operating losses being carried forward, corporate income tax receipts will probably come in lower in the near future.

30 ILCS 105/6z-43

Amends the State Finance Act. In provisions concerning the Tobacco Settlement Recovery Fund, provides that in any civil litigation under any legal theory in which a judgment is entered against a signatory or a successor to a signatory of the Master Settlement Agreement,

the appeal bond that the signatory or successor or another defendant may be required to post to stay execution on the judgment during the time that an appeal or discretionary review of the judgment is pending shall be set in accordance with the law and the rules of the court, except that in no case may the total amount of the appeal bond exceed \$25,000,000, regardless of the total amount of the judgment. Authorizes a court order to prevent an appellant's dissipation or diversion of assets. Provides that these changes apply to any action pending on or after the effective date of this amendatory Act. Effective immediately.

30 ILCS 168/20 new

Deletes everything. Creates the Tobacco Products Manufacturers' Escrow Enforcement Act of 2003. Requires a tobacco product manufacturer to certify by the thirtieth of April each year that the tobacco product manufacturer either: (i) is a participating manufacturer and has generally performed its financial obligations under the Master Settlement Agreement (in the Master Settlement Agreement); or (ii) is in full compliance with the Tobacco Products Manufacturers' Escrow Act. Provides that the Attorney General shall develop a directory listing all tobacco product manufacturers who are certified and all of the brand families that are listed on each tobacco product manufacturer's certification. Establishes reporting requirements for distributors of cigarettes. Provides for penalties for the violation of the Act. Provides that a person who (i) sells or distributes cigarettes, or (ii) acquires, holds, owns, possesses, transports, imports, or causes to be imported cigarettes that the person knows or should know are intended for distribution or sale in violation of the tax stamp requirements of the Act commits a Class 2 felony. Repeals the Tobacco Products Manufacturers' Escrow Enforcement Act. Amends the Tobacco Product Manufacturers' Escrow Act. Allows funds to be released from escrow to the extent that a tobacco product manufacturer establishes that the amount it was required to place into escrow on account of units sold in this State in a particular year was greater than the Master Settlement Agreement payments, after final determination of all adjustments, that the manufacturer would have been required to make on account of the units sold (instead of to the extent that the amount required to be placed into escrow in a particular year was greater than the State's allocable share of the total payments that such manufacturer would have been required to make in that year under the Master Settlement Agreement before any of the adjustments or offsets provided for in the Agreement). Makes other changes.

Amends the Chicago Firefighter Article of the Illinois Pension Code. Increases the minimum widow's annuity to \$1,200 per month for surviving spouses of firefighters who have retired at age 50 or over with at least 20 years of service, and \$800 per month for all other surviving spouses who qualify for an annuity. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

The fiscal impact of HB 317 has not been determined. According to the Fund's actuary, similar legislation would increase the accrued liability of the Fund by an estimated \$28.0 million. The level dollar annual payment needed to amortize this estimated increase in unfunded liability over 40 years is \$1.9 million.

**New Act**

Creates the Display of Tobacco Products Act. Provides that it is unlawful to sell, offer for sale, give away, or display tobacco products for sale at any location where the consumer can acquire those products through self-service. Provides that every tobacco product must be displayed from behind a sales or service counter so that a consumer cannot access tobacco products without assistance by an employee of the retail establishment authorized to sell tobacco products. Exempts the sale of tobacco products from vending machines if the vending machines are located in places authorized under the Sale of Tobacco to Minors Act. Provides that a violation is a petty offense for which the court shall impose a fine of not less than \$100 nor more than \$1,000. Exempts retail tobacco stores from the self-service restriction on tobacco product displays provided that the retail tobacco store (i) derives at least 90% of its revenue from tobacco and tobacco related products; (ii) does not permit persons under the age of 18 to enter the premises; and (iii) posts a sign on the main entrance way stating that persons under the age of 18 are prohibited from entering.

**BALANCED BUDGET NOTE (Bureau of the Budget)**

It is not possible to complete this Note as requested.

**FISCAL NOTE (State Police)**

No fiscal costs.

**HOUSE AMENDMENT NO. 2**

Provides that it is unlawful to sell, offer for sale, give away, or display tobacco products for sale at any location unless the tobacco products are displayed from behind a sales or service counter or in an age restricted area of a retail establishment or in an enclosed display case so that a consumer cannot access tobacco products without the assistance of an employee of the retail establishment authorized to sell tobacco products.

Defines "age restricted area" as an enclosed designated area in a retail establishment that is directly visible to the cashier, separated from the other areas of the establishment, with a single separate entrance to which no one under 18 years of age is allowed to enter. Retains the same exemption for specified stores that was in the introduced bill. Excludes "cartons of cigarettes" from the definition of "tobacco products".

HOME RULE NOTE (Dept of Commerce and Community Affairs)

HB 318 relates to the sale of tobacco products. The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 318 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

HB 318 does not create a State Mandate under the State Mandates Act.

SENATE COMMITTEE AMENDMENT NO. 1

Changes the elements of the offense. Provides that it is unlawful for any person who sells tobacco products over the counter to maintain such products in any location accessible to customers that is not within the line of sight, or under the control, of a cashier or other employee during regular business hours, except that this condition does not apply to: (i) business establishments to which persons under the age of 18 are not admitted or to which such persons are not admitted unless accompanied by a parent or other adult, or (ii) tobacco specialty stores.

35 ILCS 5/213 new

Amends the Illinois Income Tax Act. Provides that taxpayers may claim a credit for certain historic preservation expenditures beginning with taxable years ending on or after December 31, 2003. The credit is exempt from the sunset requirements. Effective immediately.

FISCAL NOTE (Department of Revenue)

Creates a historic preservation income tax credit. Taxpayers would be entitled to a credit equal to 25% of the eligible cost and expenses incurred during the tax year for the rehabilitation of a certified historic structure or a structure in a certified historic district. Eligible costs and expenses must exceed 50% of the federal tax basis of the property. Excess credit amounts can be carried forward two tax years. The credit would be effective for tax years ending on or after December 31, 2003. Illinois filers claimed \$32 million in the federal rehabilitation income tax credit in 2001. However, it is impossible to determine how many taxpayers will spend more than 50% of the federal tax basis of the property. But based on the previously stated number, the credit could reduce income tax liabilities by several million dollars annually.

20 ILCS 3105/10.09-5 new

Amends the Capital Development Board Act. Requires the Board by January 1, 2004, to adopt an energy code for the construction or repair of facilities funded by General Assembly appropriations. Effective immediately.

FISCAL NOTE (Capital Development Board)

The Capital Development Board already requires the American Society of Heating, Refrigerating and Air-conditioning Engineers, Inc. standards in its project specifications. To codify these as standards would incur no cost. Codifying is not necessary since these are already policy standards.

30 ILCS 805/8.27 new

Amends the Chicago Firefighter Article of the Illinois Pension Code to base retirement

benefits on the highest 36 months, rather than 4 years, of salary within the last 10 years of service. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

According to an analysis prepared by the Fund's actuary (based on the December 31, 2002 actuarial valuation), HB 396 would increase the accrued liability of the Chicago Firefighters' Fund by an estimated \$17.5 million. The level dollar annual payment needed to amortize the estimated increase in unfunded liability over 40 years is \$1.5 million. The estimated annual increase in normal cost is \$0.7 million, or \$0.26% of payroll. Therefore, the estimated increase in total annual cost is \$2.2 million, or 0.78% of payroll. As annual normal cost increases (as a dollar amount), the total annual cost will also increase.

PENSION NOTE (Pension Laws Commission)

The impact of HB 397 cannot be determined as the number of members who will purchase the military service credit is unknown. For some employees, the employee contributions required by HB 397 may not cover the entire cost of the purchased military service credit. The Fund estimates the fiscal impact to be minor.

40 ILCS 5/4-106.1 from Ch. 108 1/2, par. 4-106.1  
30 ILCS 805/8.27 new

Amends the Downstate Firefighter Article of the Illinois Pension Code. When a municipal fire department is discontinued and the affected territory is annexed by a fire protection district, provides for transfer of the assets and liabilities of the municipality's firefighters' pension fund to the pension fund of the fire protection district. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 407 cannot be determined, but is estimated to be minor, as the number of funds that would be affected by the draft is probably very small. There may be a fiscal impact to the pension funds of the fire protection districts, as the liabilities transferred to that fund would probably be greater than the transferred assets.

A proposal must be proposed to the Pollution Control Board within 90 days of the effective date of this Act and within six months of receiving this proposal, the Pollution Control Board must adopt by rule a fee schedule to implement the Act. The Department of Natural Resources shall evaluate fees annually to determine if the program is self-sustaining and propose necessary changes to the Pollution Control Board if necessary. New Act

Creates the Human Services 211 Collaboration Board Act. Establishes a 16-member Human Services 211 Collaboration Board. Provides for the appointment of members to the Board by the Governor. Requires the Board to implement 211 as a statewide, non-emergency telephone number for information about governmental and non-profit services and referrals to human services agencies. Requires the Board to establish standards for 211 systems. Requires the Board to establish a pilot program for awarding grants to 211 providers. Establishes certain criteria for awarding the grants. Requires the Board to annually report to the Illinois Commerce Commission, the Governor, and the General Assembly on the use of 211 services in Illinois. Effective immediately.

HOUSE AMENDMENT NO. 1

Adds an additional member to the Human Services 211 Collaboration Board who is a representative of the American Red Cross.

HOUSE AMENDMENT NO. 3

Provides that the Human Services 211 Collaboration Board shall consist of 8 (instead of 17) members appointed by the Governor. Deletes the requirement that representatives of specified organizations shall be appointed. Provides that the Board shall report to the Department of Human Services, among others, rather than to the Illinois Commerce Commission.

SENATE FLOOR AMENDMENT NO. 1

Deletes language requiring that the human services information telephone number be

statewide. Provides that referrals relating to human services information may include referrals to an appropriate web site. Provides that the standards for providing information shall be consistent with the Americans with Disabilities Act, ensuring accessibility for users of Teletypewriters for the Deaf (TTY). Provides that the eligibility criteria for pilot 211 systems grants must require the 211 providers to submit evidence of their ability to provide funding (instead of requiring them to submit evidence of their ability to match State grants).

Amends the Personnel Code. Establishes a preference in an entrance examination of 5 points for a qualified person who has been wrongfully accused of a crime for which the person was imprisoned in a State prison and a court of competent jurisdiction finds that the evidence that resulted in his or her conviction was erroneous or that new evidence indicates that the person did not commit the crime. Amends the Court of Claims Act. Provides that claims against the State for time unjustly served in State prisons must be automatically heard and payment made within 120 days after the person who unjustly served time is discharged from prison. Provides that the claim may be made if a court finds that the evidence that resulted in the person's conviction was erroneous or that new evidence indicates that the person did not commit the crime for which he or she was convicted (rather than providing that only the issuance of a pardon by the Governor on the grounds of innocence may be the basis of a claim). Amends the Critical Health Problems and Comprehensive Health Education Act. Requires a comprehensive health education program to include instruction in secondary schools on clinical depression and suicide prevention. Amends the State Mandates Act to require implementation without reimbursement.

FISCAL NOTE (Illinois State Board of Education)

House Bill 483 creates a service mandate for local school districts; however, it is specifically exempt from state reimbursement under the State Mandates Act. While it is exempt from reimbursement, it is likely that most secondary schools already include instruction on clinical depression and suicide prevention as part of their comprehensive mental health and illness curricula. Even if the material is not now covered, it is likely that it can be covered with existing staff and resources without any significant new cost.

Amends the IMRF Article of the Illinois Pension Code. Makes county probation officers eligible for the sheriff's law enforcement employee (SLEP) formula; requires an affirmative resolution of the employer. Allows these probation officers to convert non-SLEP service as a probation officer into SLEP credit by paying the difference in employee contributions plus interest; waives the interest if payment is made within one year; requires an affirmative resolution by the employer. Effective immediately.

**PENSION NOTE (Pension Laws Commission)**

The fiscal impact of HB 529 cannot be determined, as the number of county probation officers is unknown. Including additional employees under the SLEP formula would increase IMRF costs for their employers.

35 ILCS 200/18-185  
55 ILCS 5/5-1069.6 new

Amends the Counties Code. Provides that a county may annually levy and collect taxes upon all taxable property within its territory at a rate that will produce a sum that will be sufficient to pay the cost of providing, for the benefit of employees of the county, group life, health, accident, hospital, and medical insurance, or any one or any combination of those types of insurance, or the cost to the county board to self-insure for any one or any combination of those types of insurance. Amends the Property Tax Extension Limitation Law of the Property Tax Code to exempt the special purpose extension by the county for this purpose from the extension limitation provisions of the Law.

FISCAL NOTE (Illinois Department of Revenue)

House Bill 537 provides that a country may levy a rate that will cover the cost to provide its employees, or the cost of the county board to self-insure, various types of insurance. The insurance levy is exclusive of, and in addition to, any levy the county makes for general purposes under any law that limits the amount of tax a county may levy for general purposes. The insurance levy is exempt from any statutory county general corporate purposes rate limitations. The PTELL is amended to also exclude the insurance levy from the aggregate extension. There is no fiscal impact to the state. Property owners will be forced to pay the additional amount.

HOUSE AMENDMENT NO. 1

Further amends the Property Tax Extension Limitation Law in the Property Tax Code. Exempts from the extension limitation those extensions made for any increase above the amount extended for the 2002 taxable year for contributions to the Illinois Municipal Retirement Fund, that part of any extension made for any increase above the amount extended for the 2002 taxable year for Medicare and FICA coverage, and that part of

any extension made for any increase above the amount extended for the 2002 taxable year for the expenses of civil liability and liability insurance.

Provides that, as soon as practicable after the effective date of the amendatory Act, the State Comptroller shall direct and the State Treasurer shall transfer moneys from the Pension Contribution Fund to each of the State-funded retirement systems amounts equal to the unexpended balance of the fiscal year 2004 appropriations to the Systems from various funds. Amends the Illinois Pension Code to provide that those Systems shall not submit vouchers for the payment of equal amounts of State contributions for the remainder of fiscal year 2004. In the State Finance Act, provides that the Comptroller shall direct and the State Treasurer shall transfer from the State Pensions Fund to the General Revenue Fund a sum equal to the amounts that would have been paid from the General Revenue Fund to the State-funded retirement systems if the transfers required under this amendatory Act had not taken place. Reduces certain transfers from various funds to the State-funded retirement systems to adjust for the transfers made to those systems under this amendatory Act. Amends the General Obligation Bond Act. Suspends transfers from the Pension Contribution Fund to the General Revenue Fund through the end of fiscal year 2004. Provides that the remaining balance in the Pension Contribution Fund shall be transferred to the State-funded retirement systems. Amends the State Pension Funds Continuing Appropriation Act and the State Employees Article of the Illinois Pension Code. Provides that the State Employees Retirement System shall compare the amount of State contributions due to it for employer pension contributions for fiscal year 2004 and the amount received by it in fiscal year 2004. Provides that if the amount due is greater than the amount received, there is appropriated from the General Revenue Fund to the State Employees Retirement System an amount equal to the underpayment. Provides that if the amount due is less than the amount received, the overpayment shall be paid by the State Employees Retirement System to the Pension Contribution Fund. Effective immediately.

315 ILCS 20/17

from Ch. 67 1/2, par. 267

Deletes everything after the enacting clause. Amends the Neighborhood Redevelopment Corporation Law. Provides that, upon approval of the governing body of a city, village, or incorporated town, after it complies with notice, hearing, and other requirements, the general real estate taxes on the improvements on real property of a neighborhood redevelopment corporation or its immediate successor in that city, village, or incorporated town shall be abated for a period not in excess of 10 years after the date upon which the corporation becomes owner of that real property. The tax on that property, however, exclusive of improvements, may continue to be imposed and collected but shall be frozen at the amount of taxes owed, or that would have been owed, for the property as unimproved in the year prior to the year it was acquired by the neighborhood redevelopment corporation. For the next ensuing period not in excess of 15 years, general real estate taxes on the property shall be abated in an amount not to exceed 50% of the taxes imposed by each taxing district. The parties may agree, by contract, to payments in lieu of taxes. After a period of not more than 25 years, tax abatements are eliminated. Limits the provisions to property located in St. Clair County. For St. Clair County, changes the Law with respect to what constitutes a "slum and blighted area", who may appoint members of the Commission and the number of Commissioners, and how certificates of convenience and necessity are approved. Amends the Property Tax Code to authorize the abatements.

Recommends changes in the definitions of "developmental disability" and "mental illness". Clarifies that certain references to disabilities in the Act are references to

"developmental" disabilities. Recommends that certain services may (rather than "shall") be described in a Disabilities Services Implementation Plan. Recommends a requirement that individuals with a disability be provided certain mental health supports.

Deletes everything after the enacting clause. Amends the State Finance Act and the Illinois Public Aid Code. Creates the Health Care Services Trust Fund as a special fund in the State treasury for use by the Department of Public Aid in making payments to providers of services under the Medicaid and Children's Health Insurance programs. Provides that provisions of the State Finance Act concerning transfers from other funds to the General Revenue Fund do not apply to the Hospital Provider Fund. Makes changes concerning hospital provider funding under the Illinois Public Aid Code and disbursements to hospitals from the Hospital Services Trust Fund. Imposes an annual assessment on inpatient hospital services on Medicaid hospital providers for State fiscal years 2004 and 2005, based on a hospital's occupied bed days (instead of imposing assessments based on a hospital provider's adjusted gross hospital revenue); makes changes in the hospitals that are exempt from the assessment. Provides that the assessment shall not take effect or shall cease to be imposed under certain conditions. Provides for high volume payments and other hospital access improvement payments; repeals these payments on July 1, 2005. Authorizes the Department of Public Aid to use emergency rulemaking procedures to implement these changes. Repeals provisions concerning an exemption for rural hospitals from the assessments imposed on hospital providers. Repeals provisions concerning the Hospital Services Trust Fund, except for provisions for disbursements to hospitals by the Department of Public Aid and makes changes in those provisions. Effective immediately.

820 ILCS 105/1

20 ILCS 1005/1005-155 new

Deletes everything. Amends the Department of Employment Security Law of the Civil Administrative Code of Illinois. Requires the Department of Employment Security, or the State agency responsible for the oversight of the federal Workforce Investment Act of 1998 if that agency is not the Department of Employment Security, to prepare a report for the Governor and for the General Assembly regarding the progress of the Illinois Employment and Training Centers in serving individuals with disabilities. Provides that the report is due by March 1, 2004 and annually thereafter.

**GOVERNOR AMENDATORY VETO MESSAGE**

Recommends that the report be submitted by December 31 (rather than March 1) of each year. Also adds a definition of "individuals with disabilities" and corrects a cross-reference to another Act.

Deletes everything after the enacting clause. Amends the Property Tax Code. Increases the ceiling for household income eligibility for the Senior Citizen Assessment Freeze Homestead Exemption from \$40,000 for taxable years 1999 through 2003 to \$45,000 for taxable years 2004 and thereafter. Sets forth the amount of the exemption based on the applicant's household income. Provides that, for taxable years 2004 and thereafter, the maximum reduction under the Senior Citizens Homestead Exemption shall be \$2,500 in all counties and the maximum reduction under the general homestead exemption shall be \$4,500 in all counties. Creates an alternative general homestead exemption that applies to counties that choose to adopt the provision by ordinance. Provides that the amount of the exemption is the equalized assessed value of the homestead property for the current tax year minus the adjusted homestead value. Defines "adjusted homestead value" as the lesser of (i) the property's base homestead value increased by 7% for each tax year after the base year (2002 or 2003) through and including the current tax year or (ii) the property's equalized assessed value for the current tax year minus \$4,500 in Cook County and \$3,500 in all other counties in tax year 2003 or \$4,500 in all counties in tax year 2004 and thereafter. Provides that "base homestead value" means the equalized assessed value of the property for the base year prior to exemptions, minus \$4,500 in Cook County and \$3,500 in all other counties in tax year 2003 or \$4,500 in all counties in tax year 2004 and thereafter. Establishes procedures for determining the base homestead value of property improved after the base year. Provides that in counties with less than 3,000,000 inhabitants, the new general homestead exemption provisions apply only for assessment years 2003, 2004, and 2005 if 2002 is the designated base year or 2004, 2005, and 2006 if 2003 is the designated base year. Provides that if a county has elected to subject itself to the alternative general homestead exemption provisions, then, for each taxable year after those provisions no

longer apply, creates an additional general homestead exemption of \$5,000 for owners (i) whose qualified property has an assessed valuation that has increased by more than 20% over the previous assessed valuation of the property and (ii) who have a household income of \$30,000 or less. Provides that in all counties (now, in counties with more than 3,000,000 inhabitants), the assessor or chief county assessment officer may use specified methods to determine the eligibility of residential property to receive the homestead exemption and the amount of the exemption. Requires a taxpayer applying for the additional general homestead exemption to submit an application and an affidavit to the chief county assessment officer. Requires the Department of Revenue to issue guidelines establishing a method for verifying the accuracy of the affidavits. Authorizes a school district to, without referendum, adopt a levy to recapture revenue lost by a property tax refund it is required to make. Amends the State aid provisions of the School Code to provide that, if the general homestead exemption is determined under the alternative general homestead exemption provisions or if an additional general homestead exemption is allowed because the owner has a household income of less than \$30,000, then the available local resources shall not be effected. Makes other changes. Amends the Economic Development Area Tax Increment Allocation Act, the County Economic Development Project Area Property Tax Allocation Act, the County Economic Development Project Area Tax Increment Allocation Act of 1991, the Economic Development Project Area Tax Increment Allocation Act of 1995, the Tax Increment Allocation Redevelopment Act and the Industrial Jobs Recovery Law in the Illinois Municipal Code, the School Code, and the Criminal Code of 1961 to include a cross reference to the alternative general homestead exemption provision in the Property Tax Code. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

35 ILCS 200/18-53 new

Amends the Property Tax Code. Deletes a provision that, beginning in taxable year 2004 and thereafter, gradually increases the household income requirement for applicants for the senior citizens assessment freeze exemption. Provides that an applicant for the senior citizens assessment freeze homestead exemption must have a household income of \$40,000 or less in taxable years 1999 through 2002 (rather than through 2003) and a household income of \$45,000 or less in taxable year 2003 and thereafter (rather than taxable year 2004 and thereafter). Makes corresponding changes. Provides that a taxpayer who has been granted a senior citizens assessment freeze homestead exemption for the taxable year is not eligible for the additional exemption for owners with a household income of \$30,000 or less. Deletes a Section concerning recovery of revenue lost due to tax refunds.

Provides that on July 1, 2004, the State Treasurer and the Comptroller shall transfer the balance in the Fund to GRF; all moneys deposited into the Fund after July 1, 2004 shall automatically be transferred to GRF. Repeals these provisions on June 30, 2005, and provides that all moneys remaining in the Fund on that date shall be transferred to GRF. Provides that the Fund is not subject to other provisions of the State Finance Act concerning transfers to GRF. Amends the Short Term Borrowing Act; provides that all proceeds from any borrowing under the Act received by the State on or after the effective date of this amendatory Act and before July 1, 2004 shall be deposited into the Medicaid Provider Relief Fund. Amends the Medicaid Liability Liquidity Borrowing Act. Provides that from June 9, 2004 through June 30, 2004, the Governor, after having obtained the written consent of both the Comptroller and the Treasurer, may borrow up to \$850,000,000, as supported by appropriations, to pay for medical services, and debt and associated expenses thus incurred, provided under the Illinois Public Aid Code or the Children's Health Insurance Program Act (now, borrowing up to \$900,000,000 was authorized from July 1, 1994 through June 30, 1995 to pay for medical services provided under the Illinois Public Aid Code). Provides that all proceeds from any borrowing under the Act received by the State on or after the effective date of this amendatory Act and before July 1, 2004 shall be deposited into the Medicaid Provider Relief Fund. Existing provisions of the Act (i) provide that the Governor shall direct the proceeds of the borrowing into any State fund from which there are appropriations for such medical assistance, (ii) provide that moneys may be borrowed for no longer than one year, (iii) set forth procedures for requests for proposals, interest rates, and awards, (iv) provide for the form of bonds or certificates, (v) provide for payment of interest and principal from the General Obligation Bond Retirement and Interest Fund and also make appropriations, out of any money in the State treasury, to pay interest and principal, and (vi) authorize the Governor to transfer any moneys in the State treasury to the General Obligation Bond Retirement and Interest Fund to pay interest and principal. Changes references from the Bureau of the Budget to the Governor's Office of Management and Budget. Amends the Illinois Public Aid Code. Creates the Medicaid Managed Care Task Force to gather information and make recommendations relating to the financing and expenditures of the Medicaid program and the program's level of ability to provide quality health care services in the most cost-efficient manner; requires the task force to examine and evaluate the application of managed care within the State's Medicaid program. Provides for 8 voting members of the task force, appointed 2 each by the 4 legislative leaders; provides that the Director of the Governor's Office of Management and Budget, the Director of Public Aid, and the Secretary of Human Services shall serve as ex-officio nonvoting members. Requires the task force to conduct at least 6 public hearings and to submit its findings and recommendations to the General Assembly by November 8, 2004. Abolishes the task force and repeals these amendatory provisions on December 31, 2004. Effective immediately.

30 ILCS 805/3 from Ch. 85, par. 2203

Amends the State Mandates Act. Makes a technical change in the definitions Section.

**SENATE FLOOR AMENDMENT NO. 1**

Deletes reference to:

30 ILCS 805/3

Adds reference to:

30 ILCS 805/8

from Ch. 85, par. 2208

30 ILCS 805/9.1

from Ch. 85, par. 2209.1

Deletes everything. Amends the State Mandates Act. Changes references concerning the implementation of service mandates, tax exemption mandates, and personnel mandates. Provides that the appropriate State entity shall determine within 90 days after receiving a claim for reimbursement whether the claim is reimbursable under the Act and shall notify each local government filing a claim of its determination. If the appropriate State entity fails to notify the local government concerning its claim within 90 days, the local government shall assume the claim is reimbursable. Failure to timely notify the local government relieves the local government of the obligation to implement the mandate. Places identical decision and notification requirements on the State Mandates Board of Review with respect to appeals it handles. Removes provisions authorizing direct appeal to the State Mandates Board of Review if the Department of Commerce and Economic Opportunity does not respond to a claim for reimbursement within 120 days. Provides that members of the State Mandates Board of Review shall have experience in local government finance. Effective immediately.
