220 ILCS 5/19-115

220 ILCS 5/19-120

220 ILCS 5/19-125

Replaces everything after the enacting clause. Amends the Public Utilities Act. Provides that specified provisions shall apply only to alternative gas suppliers serving (rather than serving or seeking to serve) residential or small commercial customers and only to the extent such alternative gas suppliers provide services to residential or small commercial customers. Deletes a provision providing that an alternative gas supplier may request, and the Illinois Commerce Commission may grant, a certificate of service authority for the entire State or for a specified geographic area of the State. Provides that the Commission shall not grant any application for a certificate of service authority, nor shall the Commission approve any application, petition or other request, authorizing the sale of natural gas to residential or small commercial customers by an entity other than a gas utility. Provides that an alternative gas supplier shall not solicit, enter into, or extend any contracts with residential or small commercial customers on or after the effective date of the amendatory Act. Deletes certain provisions concerning the application process for a certificate of service authority. Deletes a provision specifying that the Commission shall have the authority to promulgate rules to carry out specified provisions. Provides that an alternative gas supplier shall have in its possession an authorization obtained prior to the switch that verifies a customer's decision to switch to another supplier (rather than obtain verifiable authorization from a customer, in a form or manner approved by the Commission, before the customer is switched from another supplier). Provides that no alternative gas supplier shall, (1) beginning on the effective date of the amendatory Act, extend, solicit, or enter into any contracts with residential or small commercial customers, or (2) collect or impose an early termination fee. Changes language in provisions concerning the continuing obligations of an alternative gas supplier. Provides that all contracts that existed prior to the effective date of the amendatory Act between an alternative gas supplier and a residential or small commercial customer shall automatically terminate on January 1, 2010. Deletes a provision that provides that an alternative gas supplier may limit the overall size or availability of a service offering by specifying certain information. Provides that each violation of specified provisions is a separate and distinct offense for each residential or small commercial customer that an alternative gas supplier supplies with gas, and that in the case of a continuing violation, each day's continuance thereof shall be a separate and distinct offense for each customer. Provides that in construing and enforcing the provisions of the Act relating to penalties, the act, omission, or failure of any officer, agent, or employee of an alternative gas supplier that is acting within the scope of his official duties or employment, shall in every case be deemed to be the act,

omission, or failure of the alternative gas supplier. Provides that there is no rulemaking authority under the amendatory Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion. Contains a severability clause. Effective immediately.

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois; provides that the Department of Public Health may charge a fee to any Freestanding Emergency Center (FEC) licensed under the Emergency Medical Services (EMS) Systems Act or to any hospital licensed under the Hospital Licensing Act to cover the cost of an investigation of allegations of abuse or neglect of a vulnerable adult. In provisions amending the Emergency Medical Services (EMS) Systems Act and the Hospital Licensing Act, provides that upon completing an investigation of an allegation of abuse or neglect of a vulnerable adult, the Department of Public Health shall incorporate its findings into any report it prepares in connection with certifying the FEC or hospital for participation in the Medicare program or in the Medicaid program; provides that this action is in addition to any action the Department may take with respect to the FEC's or hospital's licensure based on those findings. Provides that neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any rulemaking authority under the amendatory Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion.

HOUSE COMMITTEE AMENDMENT NO. 2

Makes changes in both the Emergency Medical Services (EMS) Systems Act and the Hospital Licensing Act that include the following: (1) changes the definitions of "abuse", "neglect", and "vulnerable adult" and adds definitions of "accidental", "employee", "mental injury", "physical injury", and "sexual abuse"; (2) requires a report of abuse or neglect to the Department of Public Health no later than 4 hours after discovery, and requires a written report within 24 hours; and (3) requires that every FEC and every hospital ensure that all employees are trained within one month of hire in the detection and reporting of abuse and neglect of vulnerable adults and retrained every 2 years thereafter (instead of requiring that they regularly train all employees in the detection and reporting of abuse and neglect of vulnerable adults).

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)

This legislation allow for fees from hospitals to conduct complaint surveys. These fees do help resolve some of the Department's fiscal concerns, however, there is still the issue of start-up costs. Surveys that are required before a fee can be collected need to have nurse staff available. There is currently no staff available to do these surveys. Estimated start-up cost to the Illinois Department of Public Health is \$2.4 million.

220 ILCS 5/16-125

Amends the Public Utilities Act. Provides that in the event that more than 0.8% (rather than 30,000) of the total customers of an electric utility are subjected to a continuous power interruption of 4 hours or more that results in the transmission of power at less than 50% of the standard voltage, or that results in the total loss of power transmission, the utility shall be responsible for compensating customers affected by that interruption for 4 hours or more for all actual damages, which shall not include consequential damages, suffered as a result of the power interruption. Provides that in the event of a power surge or other fluctuation that causes damage and affects more than 0.8% (rather than 30,000) of the customers, the electric utility shall pay to affected customers the replacement value of all goods damaged as a result of the power surge or other fluctuation unless the utility can show that the power surge or other fluctuation was due to one or more of specified causes. Provides that customers to whom a waiver has been granted by the Illinois Commerce Commission pursuant to specified provisions shall not count toward the 0.8% (rather than 30,000) of the customers specified in certain provisions. Provides that the requirements of specified provisions apply only to an electric public utility having 100,000 (rather than 1,000,000) or more customers. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Amends the Public Utilities Act. Provides that in the event that more than either (i) 30,000 of the total customers or (ii) 0.8% of the total customers, whichever is less, (rather than only more than 30,000 customers) of an electric utility are subjected to a continuous power interruption of 4 hours or more that results in the transmission of power at less than 50% of the standard voltage, or that results in the total loss of power transmission, the utility shall be responsible for customers affected by that interruption for 4 hours or more for all actual damages, which shall not include consequential damages, suffered as a result of the power interruption. Provides that in the event of a power surge or other fluctuation that causes damage and affects more than either (i) 30,000 of the total customers or (ii) 0.8% of the total customers, whichever is less, (rather than only more than 30,000 customers) the electric utility shall pay to affected customers the replacement value of all goods damaged as a result of the power surge or other fluctuation unless the utility can show that the power surge or other fluctuation was due to one or more of specified causes. Provides that customers with respect to whom a waiver has been granted by the Illinois Commerce Commission pursuant to specified provisions shall not count toward the either (i) 30,000 of the total customers or (ii) 0.8% of the total customers (rather than specifying only 30,000 customers) required therein. Provides that a utility's request for a waiver under specified provisions shall be timely if filed no later than 30 days after the date on which a claim is filed with the Commission seeking damages or expense reimbursement under specified provisions. Provides that no utility shall be liable under specified provisions while a request for waiver is pending. Provides that specified requirements shall apply only to an electric public utility having 100,000 or more customers (rather than 1,000,000 or more customers). Provides that there is no rulemaking authority under the amendatory Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion. 305 ILCS 5/5-4.2 from Ch. 23, par. 5-4.2

Amends the Illinois Public Aid Code. Replaces the provisions concerning medical assistance payments for ambulance services. Provides that for ambulance services provided to a recipient of medical assistance on or after July 1, 2008, the Department of Healthcare and Family Services shall reimburse ambulance service providers for base charges and mileage charges based upon the lesser of the provider's charge, as reflected on the provider's claim form, or the

Illinois Medicaid Ambulance Fee Schedule rate calculated in accordance with the provisions set forth in the bill. Provides that the requirement of payment by the Department for ground ambulance services is deemed to be met if the services are provided pursuant to a request for evaluation, treatment, and transport from an individual with a condition of such a nature that a prudent layperson would have reasonably expected that a delay in seeking immediate medical attention would have been hazardous to life or health. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the bill's amendatory provisions apply to reimbursement of "ground" ambulance service providers (instead of all ambulance service providers) under the medical assistance program. Restores provisions of current law concerning certifications by providers of non-emergency medi-car and service car transportation that were stricken by the bill.

HOUSE COMMITTEE AMENDMENT NO. 2

Provides that neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any rulemaking authority under the amendatory Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion.

105 ILCS 5/2-3.148 new

Amends the School Code. Encourages the implementation in schools of International Baccalaureate Organization programs by providing that, subject to appropriation, the State Board of Education shall grant (i) a one-time \$3,000 equipment grant for providing an international baccalaureate course, (ii) \$100 for each student who scores a 4 or better on at least one international baccalaureate examination, and (iii) \$650 for each student who graduates through the International Baccalaureate Organization's Diploma Program for the reimbursement of diploma costs, to be paid to a school based on need, as determined by the State Board.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that, the State Board of Education shall reimburse the costs of providing an international baccalaureate course to a school that provides such a course and shall reimburse diploma costs for each student who graduates through the International Baccalaureate Organization's Diploma Program (instead of requiring the State Board to grant a one-time \$3,000 equipment grant for providing the course, \$100 for each student who attains a certain score on an examination, and \$650 for each student who graduates through the Diploma Program). Provides that there is no rulemaking authority under the amendatory Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion.

30 ILCS 805/8.32 new

Amends the Downstate Teacher Article of the Illinois Pension Code. Makes changes in the definition of "teacher". In provisions concerning early retirement without discount, provides that certain employer contributions shall be payable to the System within 30 days after receipt of the bill. Increases the single-sum retirement benefit from 1.67% of the member's final average salary for each year of creditable service to 2.2% of the member's final average salary for each year of creditable service. Provides that the System may charge interest at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after a school district receives a bill for contributions required of it under the Article or contributions required of teachers. In provisions concerning vacancies on the Board of Trustees, provides that if the Board's secretary determines there is inadequate time to hold a special election so as to allow the newly elected trustee to participate in at least one regularly scheduled Board meeting, then no special election shall be held and the vacancy shall remain until the next regular election. Amends the State Mandates Act to require implementation without reimbursement. Includes new benefit increase language. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

The exact fiscal impact of HB 5643 cannot be determined as the number of employees who will elect the single sum retirement benefit cannot be calculated. However, if the 32% increase in the single sum retirement benefit amount had been in effect for FY 2007, the total system payout for single sum retirement benefits would have increased by \$349,000. HB 5643 would, therefore, slightly increase the unfunded liabilities of the Teachers' Retirement System and slightly lower its funded ratio.

605 ILCS 10/10 from Ch. 121, par. 100-10

Amends the Toll Highway Act. Provides that the Illinois State Toll Highway Authority must send a toll violation notice to the registered owner of a vehicle at the address on the plate registration if the owner has accrued 3 or more toll violations. Provides that, if the Authority fails to notify the owner, the Authority may not charge penalties on the fine and must allow the individual to participate in a payment plan. Provides that the Authority must notify users of its electronic toll collection system who pay cash when the balance in the user's account is less than \$10.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any rulemaking authority under the amendatory Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois State Toll Highway Authority)

The Tollway currently notifies patrons voluntarily through three methods. The methods include daily emails to low balance accounts, weekly automatic calls to accounts with negative balances, and periodic mailings to accounts with negative balances. Assuming that "users of the electronic tolling system that pay with cash" excludes those users that utilize credit card auto replenishment, the Tollway estimates it would incur about \$900 thousand of costs annually to provide additional notice to user with low balances. Those costs include software application development, call center processing, postage, printing,

and additional staff. The additional cost to notify all users, including those that utilize auto replenishment, would be approximately \$3 million.

750 ILCS 45/14 from Ch. 40, par. 2514

Amends the Illinois Public Aid Code and the Illinois Parentage Act of 1984. Provides that in a proceeding under the Illinois Parentage Act of 1984, except in a case in which a party is in default, the court shall (instead of may, and upon request of a party shall) order or direct the mother, child, and alleged father to submit to DNA tests; provides an exception if both the mother and the alleged father have signed a waiver stating that (i) they have been informed of the requirement of DNA testing and (ii) they expressly waive that requirement. Provides that the Department of Healthcare and Family Services may not make an administrative determination of paternity, and the court may not enter a judgment of parentage, unless (1) the results of DNA tests of the mother, child, and alleged father have been admitted into evidence (provided that if a party is in default, the results of a DNA test need not be admitted into evidence) or (2) both the mother and the alleged father have signed a waiver stating that they have been informed of the requirement of DNA testing and they expressly waive that requirement. Requires the Department of Healthcare and Family Services to prescribe the form of the waiver and distribute copies of the waiver form to the circuit courts of the State. Effective immediately.

 30 ILCS 805/8.32 new

Amends the Downstate Police Article of the Illinois Pension Code. Allows a police officer that is transferring creditable service from one downstate police pension fund to another to elect to have his or her creditable service reduced rather than paying the difference between the amount transferred and the true cost of allowing that creditable service to be established. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

The fiscal impact of HB 5692 is expected to be minimal as members of Downstate Police pension funds are required to either make an additional contribution to the fund or have their Downstate Police service credit reduced by an amount determined by the board of the Downstate Police pension fund.

HB-5755 HOWARD.

New Act

Creates the Illinois Community Capital Development Act. Contains only a short title provision.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Creates the Community Capital Development Act. Requires the State Treasurer to make one billion dollars from the General Revenue Fund available for deposit in eligible Illinois banks that must make lines of credit available to community-based non-profit organizations. Sets criteria for participating banks and non-profit organizations and sets caps on deposit and credit line amounts. Effective immediately.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that HB 5755 (H-AM 1) would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

HB 5755 (H-AM 1) has no fiscal impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 5755 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 5755 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Office of the Treasurer)

HB 5755 creates the following specific fiscal consequences and gives rise to some unanswered questions for the Office of the Illinois State Treasurer: (1) The office will be required to make information system changes to accommodate the new need to monitor the total assets of an institution. Currently, the Office of the Treasurer monitors the total deposits of each institution for compliance with the Office's written investment policy. The policy allows the Office to have up to 15% of State deposits as a ratio to the total institutions deposits however, only 10% or \$100,000,000 whichever is less can be market rate deposits. Estimated expenses of \$12,000.00 include programming time of 80 hours at a cost of \$150 per hour. (2) If the institutions qualifying for this program are currently holding State deposits, they would be able to utilize the limited amount available to bring them to the 10% cap as proposed in this bill. (3) If the institution's deposits increase to greater than \$500,000,000 while they are in the program, does the Treasurer's Office have to take any action? If yes, the Treasurer may have to withdraw deposits from the institution in order to remain in compliance with the program. (4) If this program is based on a below market interest rate, the State general portfolio will experience a loss of interest equal to the difference between market and below market rates, multiplied by up to \$1 billion invested. For instance, if market rates are 3.5%, and the below market program rate is 2%, the loss would be 1.5% x \$1 billion = \$15 million. (5) It appears that the Treasurer's Office will be responsible for various compliance requirements. Compliance checks that would require oversight by the Treasurer's Office include: the credit line for each organization, the use of the funds from the State deposit and the authorization criteria to participate in the program.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

HB 5755 (H-AM 1), if enacted into law, will add \$1,000,000,000 to the current Fiscal Year 2008 budget deficit of approximately \$750,000,000.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This legislation does not pre-empt home rule authority.

New Act

Creates the Illinois Renewable Energy Sources Act. Contains provisions concerning the requirement that an electric utility connect an eligible electric generator to the utility's distribution systems between 30 and 60 days after a request by the eligible electric generator. Provides that the Illinois Commerce Commission shall establish standards for the interconnection of eligible electric generators with the distribution systems of electric utilities. Provides that electric utilities shall enter into power purchase agreements for a term of not less than 20 years to purchase all electricity from eligible electric generators in the State at specified rates set by the Commission for the following methods of generation: (1) hydroelectric power; (2) landfill gas or sewage treatment gas; (3) biomass or biogas; (4) geothermal energy plants; (5) wind-powered plants; and (6) solar-powered plants. Provides that the Commission shall, after notice and hearing, annually approve a renewable energy factor that shall be a nonbypassable surcharge payable by every customer of an alternative electric supplier, cooperative electric utility, electric utility, or municipal utility. Provides that the Commission shall approve a standard contract to be used in all power purchase agreements under the Act. Provides that the Commission shall review the specified rates every 2 years and adjust those rates as necessary to account for specified factors. Provides that in each of the first 2 years and every 4 years thereafter, the Commission shall file a report with the Governor and General Assembly that shall include specified requirements. Provides that eligible electric generators shall, upon request, provide to the Commission any information that may be relevant to the Commission performing its duties under the Act. Amends the State Budget Law of the Civil Administrative Code of Illinois. Amends the Prompt Payment Act. Accelerates the payment period from 60 days after the bill is submitted to 30 days after the bill is submitted. Increases the interest penalty from 1% to 1.5% if the payment is not made within 60 days after the bill is submitted. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

HB 5898 will not have any fiscal impact on any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 5898 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Office of the Comptroller)

The Office of the Comptroller is unable to project the future cost of this legislation since it would require information known at the agency level about the timing when invoices are properly submitted to an agency and when an agency in turn submits vouchers to the Office of the Comptroller for payment. Furthermore, the Office is not in a position to assume whether or not an agency will acknowledge late interest penalties are owed and submit the appropriate late-interest penalties are owed and submit the appropriate late-interest penalties allowable under the State Prompt Payment Act to the Office for payment. However, the Office can provide historical and current payments made pursuant to the State Prompt Payment Act. In fiscal year 2006, \$1,124,638.30 was paid, while \$2,954,274.87 was paid in fiscal year 2007. In fiscal year 2008, to date, late interest penalties of \$20,590,233.09 have been submitted and paid by the following agencies: Healthcare and Family Services = \$20,267,808.31; Central Management = \$245,195.55; Transportation = \$18,803.28; State Board of Education = \$12,395.71; Human Services = \$10,056.82; State Police = \$8,652.01; Natural Resources = \$7,115.60; Secretary of State = \$4,225.22; Capital Development Board = \$4,063.15; Agriculture = \$2,953.98; IL Mathematics and Science Academy = \$1,951.56; Supreme Court = \$1,640.60; Corrections = \$1,184.94; Revenue = \$1,057.07; Commerce and Economic Opportunity = \$951.61; Veterans' Affairs = \$946.40; Attorney General = \$517.73; Office of the State Fire Marshal = \$216.54; State Attorney's Appellate Prosecutor = \$191.46; Public Health = \$85.47; Deaf and Hard of Hearing Commission = \$80.04; Historic Preservation Agency = \$56.76; Military Affairs = \$55.60; Legislative Audit Commission = \$27.68.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 5898, if enacted into law, will lead to an unbalanced budget for Fiscal Year 2009 because revenue to support the legislation is not provided. Multiple State agencies would be negatively impacted if House Bill 5898 in enacted into law, including without

limitation the Department of Healthcare and Family Services ("DHFS"), the Department of Transportation, and the Governor's Office of Management and Budget. As an example, DHFS estimates that the additional interest penalties imposed by House Bill 5898 would have a minimal impact of \$20 million in Fiscal Year 2009. Alternatively, in order to comply with the 30 day deadline for DHFS alone, the State would require over \$500 million in additional revenue Fiscal Year 2009. Finally, House Bill 5898 would place additional burden upon the Governor's Office of Management and Budget with respect to the compilation, storage, and production of data related to overdue bills and invoices.

HB-6334 DUGAN-FLIDER-PHELPS-GORDON-BOLAND, FLOWERS, BRADLEY, JOHN, CHAPA LAVIA, GOLAR, JAKOBSSON, LANG, SMITH, VERSCHOORE, FRANKS, FROELICH AND HARRIS.

Amends Public Act 95-348, which made appropriations for FY2008, by repealing several Articles and Sections. Makes appropriations from GRF to the Comptroller to pay outstanding vouchers related to medical expenses. Makes appropriations to the Secretary of State for soil and water conservation grants. Makes appropriations to the University of Illinois for the State Cooperative Extension Service. Effective immediately.

JUDICIAL NOTE (Admin. Office of the Ill. Courts)

Would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Office of the Secretary of State)

The fiscal impact is unknown at this time, but this bill would add substantial new responsibilities to the Office of Secretary of State and additional staff would be required to administer the new grants.

STATE DEBT IMPACT NOTE (Commission on Gov. Forecasting & Accountability)

Would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept. of Corrections)

No corrections population impact and no fiscal impact.

HOUSE FLOOR AMENDMENT NO. 1

Deletes all the changes relating to Soil and Water Conservation Districts and to

Cooperative Extension Services.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (State Representative Lisa M. Dugan)

HB 6334, as amended by HA #1, increases appropriations for the purpose of paying down past Medicaid debt by the amount of \$219,964,330. This spending will generate federal revenue in the amount of \$109,982,165. The remaining \$109,982,165 is accounted for by the elimination of specific reductions in the FY 08 budget. Therefore, this bill has no net impact on the FY 08 budget.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

No fiscal effect on a single-family residence.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Commission on Gov. Forecasting & Accountability)

Would not affect the level of State indebtedness.

PENSION NOTE (Commission on Gov. Forecasting & Accountability)

Would not have any fiscal impact on any pension fund or retirement system in the State of Illinois.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Healthcare & Family Services)

Supplemental appropriations for various Medicaid lines totaling \$220 million, which are ordinarily paid by the Department of Healthcare and Family Services, are made to the Comptroller. Federal matching funds would offset about half the cost associated with these supplemental appropriations, leaving a net cost of about \$110 million for Medicaid, for which there is no revenue. HB 6334, as amended by HA1, rescinds multiple articles for grants, many of which have already been awarded and spent. Therefore, these amounts cannot be used to offset the cost of the Medicaid supplements, further increasing the FY 2008 budget deficit.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

No fiscal effect on a single-family residence.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 6334 does not create a State mandate under the State Mandates Act.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 6334 does not pre-empt home rule authority.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

Does not pre-empt home rule authority.

 ILCON Art. IV, Sec. 3
 ILCON Art. XIV, Sec. 1

Proposes to amend the Legislature Article of the Illinois Constitution. Provides that a Representative District (for election of a member of the House of Representatives) need not be entirely within a single Senatorial District (for election of a member of the Senate, now referred to as a Legislative District). Provides that (i) the Senate redistricts Senatorial Districts by resolution adopted by a record vote of three-fifths of the members elected and (ii) the House of Representatives redistricts Representative Districts by resolution adopted by a record vote of three-fifths of the members elected (now, redistricting is by law). Eliminates the Legislative Redistricting Commission. Provides instead that if a Senatorial or Representative redistricting plan is not adopted by June 15 of the year following a federal decennial census year, then the State Board of Elections shall produce a redistricting plan using a computer program. The computer program designated by the State Board of Elections must disregard specified data and must consider certain prioritized factors; the computer program shall otherwise produce districts in a random manner.
