HOUSE FLOOR AMENDMENT NO. 1

- Deletes reference to:
110 ILCS 520/1
- Adds reference to:
New Act

Replaces everything after the enacting clause. Creates the Illinois Health Policy Center Act. Creates the Illinois Health Policy Center within the University of Illinois, to be sponsored by the University of Illinois at Chicago College of Medicine and the University of Illinois Institute of Government and Public Affairs. Provides that the goals of the Center are to support legislators and other government officials in developing and implementing health policy to address critical issues facing the State of Illinois and to focus on identifying "best practices" appropriate for Illinois through careful and objective review of the latest scientific research and through comparative analyses of other states' policies. Sets forth duties of the Center, including: responding to requests from State government officials and agencies requiring analytical support and guidance in matters related to the development and implementation of health policy; identifying critical issues in health policy in need of timely action; developing and sponsoring educational programs; and pursuing a research agenda that focuses on State health care policy. Creates the Illinois Health Policy Center Advisory Panel, appointed by the legislative leaders and the Governor, to provide advice and oversight concerning the creation and operation of the Illinois Health Policy Center.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the University of Illinois be required to consult with and seek the participation of all other public universities (instead of allowed to consult with and seek the participation of other public universities) in implementing the Act. Recommends that 4 more members be added to the Advisory Panel. Recommends that the Center be required to submit a report each calendar year to the Governor and the General Assembly.

Deletes everything after the enacting clause. Amends the Illinois Governmental Ethics Act, the Election Code, the University of Illinois Act, and the University of Illinois Trustees Act. Provides for a Board of Trustees of the University of Illinois consisting of 7 elected members (now, the Board consists of 9 members appointed by the Governor with the advice and consent

of the Senate), the Governor, and 3 student trustees. Provides that 3 members shall be elected from the First Judicial District and one member shall be elected from each of the 4 other judicial districts. Terminates the term of each appointed member of the Board when all of the new elected members take office. Provides for staggered terms for members initially elected under the amendatory Act and 6-year terms thereafter. Provides that the student trustees shall select one of their number to possess the right to cast a legally binding vote (now, the Governor designates which one of the student trustees possess the right to vote). Provides that if a student trustee has served more than one term and during one of those terms, he or she was selected to possess a legally binding vote, then he or she is ineligible to be selected again to possess a legally binding vote. Provides that if the student trustees fail to come to an agreement on which student trustee shall possess a legally binding vote, none of the student trustees may possess a legally binding vote for the remainder of their term. Makes related changes. Effective immediately.

30 ILCS 105/25 from Ch. 127, par. 161

Amends the State Finance Act. Provides that certain payments for medical and child care services may be paid out of appropriations for those purposes for a fiscal year if the services were rendered in that fiscal year (now, without regard to the fiscal year in which rendered). Allows payment during a 4-month lapse period after the end of the fiscal year. Effective July 1, 2008.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that payments for pharmaceutical services (in addition to medical services) rendered during a fiscal year may be paid by specified Departments out of expiring appropriations during the 4-month period ending at the close of business on October 31.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 3397 (H-AM 1) would not change the amount of authorization for any type of

State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (The Department of Veterans' Affairs)

The Department of Veterans' Affairs is not able to determine a reliable dollar estimate for the impact of HB 3397. HB 3397 limits medical payments for services rendered in the fiscal year to be paid from the Department of Veterans' Affairs appropriations for those purposes for that fiscal year, out of the expiring appropriations during the four-month period ending at the close of business on October 31. The Department of Veterans' Affairs provides medical services for veteran residents of the four Illinois Veterans' Homes. The volume of medical services provided to the residents will not change because of this legislation. The number of medical service payments that are not paid within a four-month period cannot be immediately nor readily determined without manual research of each medical service payment made from each Veterans' Home. There are many steps to process medical services invoices including primary and secondary insurance billing as well as Medicare billing. This is a time consuming process. The anticipated effect of this legislation on the Department of Veterans' Affairs is that medical services provider payments will be further delayed by having to obtain payment through the Court of Claims after the four-month lapse period. There may be some additional administrative overhead cost to IDVA filing and monitoring claims at the Court of Claims. The Department of Veterans' Affairs is concerned that additional delay in medical service payment may adversely affect the willingness of medical service providers to provide medical services to the Veterans' Homes residents. There may be some additional cost associated with obtaining alternative medical providers. In addition, GAAP reporting for the agency is required to be complete at the end of the two-month lapse period in August for each fiscal year by the Illinois Office of the Comptroller. The agency will not be able to complete GAAP reporting for the fiscal year by the end of August if medical payments for the fiscal year may be processed through October and must be processed within the fiscal year when the medical services were provided.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Central Management Services)

The Department of Central Management Services estimates no significant fiscal impact.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)

The Department of Human Services would be impacted by this bill in the areas of the Division of Alcoholism and Substance Abuse, Medicaid, Early Intervention, Developmental Disabilities Long Term Care and Child Care services. The amount of liability carried forward in a fiscal year varies, however, the fiscal impact to DHS programs would be over \$100 million.

FISCAL NOTE (Office of the Comptroller)

Beginning with the close of fiscal year 2009, HB 3397 would prohibit State liabilities for medical and pharmaceutical bills from being rolled over into the next fiscal year. The latest publication of the Comptroller's Annual Financial Comprehensive Report revealed that over \$2.3 billion in liabilities were deferred from fiscal year 2006 into the current 2007 fiscal year. This legislation essentially requires a full accounting of appropriation costs of the State's medical programs and requires the timely processing of medical claims within the 4-month lapse period. As such, there is no net fiscal impact to the State since the same amount of medical liabilities will be paid. This legislation does not create or diminish medical liabilities but rather changes the timing when liabilities are paid and the fiscal year in which payment of such liabilities are accounted for or changed. The cost of not enacting such provisions in law would permit State government to operate under the status quo of delayed payments to medical and pharmaceutical providers, late interest penalties, limited accessibility to Medicaid providers, unbalanced budgets, and an overall negative impact to the cash management practices that cause delay in other essential payments made by the State.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Healthcare & Family Services)

If this legislation passes, the Department will no longer be able to pay for prior year services out of the current year appropriation. It requires medical assistance payments to be made from the fiscal year appropriation related to the time in which the service was rendered. The bill will extend the lapse period for medical assistance to October 31 unless it is during the four-month lapse period, during which HFS could use expiring

appropriations to pay prior year medical claims. Providers currently have one year to bill HFS for services, so an extension of the lapse period from two months to four is still problematic. A likely unintended result of this bill would be to greatly increase the number of cases before the Court of Claims since many medical bills will be received after October 31. Despite the timing of provider billings issue, this legislation could also impose hardship on medical providers by requiring them to go to the Court of Claims in instances where HFS appropriations are exhausted prior to payment of all fiscal year liabilities. HFS medical assistance budgets are based upon estimated eligible clients and utilization patterns. As such, they are unlike normal operations budgets whereby agencies simply curtail purchases/expenditures to stay within their budget. In medical assistance, HFS must pay the proper claims of everyone that meets eligibility requirements regardless of annual appropriation levels.

HB-3425 MAY-FEIGENHOLTZ-COULSON-MATHIAS.

520 ILCS 5/2.39 new

Amends the Wildlife Code. Provides that if a municipality or other unit of local government conducts certain research and finds that the deer population of the municipality or other unit of local government may be managed, using an alternative strategy, in a way that results in sustainable deer populations, then the Department must either (i) permit the municipality or other unit of local government to implement the alternative method of deer population control on the lands of that municipality or other unit of local government; or (ii) provide funding for the municipality or other unit of local government to conduct any additional research, that is requested by the Department, on the alternative deer population control method. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the substantive provisions of the bill with changes. Provides that any alternative method of controlling the deer population developed by a municipality or unit of local government is in addition to the taking of deer. Provides that the alternative method of deer population control implemented by a municipality or unit of local government must be implemented at the expense of that municipality or unit of local government. Provides that the municipality or unit of local government must report to the Department, on an annual basis, the local deer population count, as required by administrative rule.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the scientific study conducted by a municipality or other unit of local government must be approved by the Department of Natural Resources. Provides that a Section concerning local control of deer population is repealed on January 1, 2014.

FISCAL NOTE (Dept. of Natural Resources)

Local units of government would experience the biggest fiscal impact. They would be responsible for funding research on new techniques to control deer population. Because the local unit of government would be evaluating the results of the research and not qualified scientists, the local unit of government takes a risk of implementing a deer management program that is costly, ineffective, and delays resolving their deer problems.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Department of Natural Resources)

There is zero fiscal impact to the Department of Natural Resources.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Department of Natural Resources)

There is zero fiscal impact to the Department of Natural Resources.

FISCAL NOTE (Dept. of Natural Resources)

Provides for notice, attorney's fees and costs, and appeals. Does not apply to an action brought by the Attorney General, a State's Attorney, or an attorney for a unit of local government acting in an official capacity. Provides that discovery proceedings in the action shall be stayed until notice of entry of the order ruling on the motion unless the court orders that specified discovery be conducted. Provides that the Attorney General shall report to the General Assembly on the frequency and outcome of special motions to dismiss and shall maintain a public record of motions to dismiss and related pleadings and orders transmitted to it by parties to actions.

HB-3431 FRANKS-FROEHLICH-FEIGENHOLTZ.

New Act

Creates the Illinois Act Limiting Strategic Litigation Against Public Participation. Makes legislative findings: there has been a disturbing increase in lawsuits brought to chill the rights of freedom of speech and petition for the redress of grievances; such lawsuits, called "Strategic Lawsuits Against Public Participation" or "SLAPPS", are typically dismissed as groundless or

unconstitutional but not before the defendants are put to expense and harassment; it is in the public interest for citizens to participate in matters of public concern without fear of reprisal through the judicial process; and expedited judicial review would avoid this abuse. Provides that the Act applies to any claim based on an action involving public participation and petition which includes: any statement made or document submitted, in a legislative, executive, or judicial proceeding or concerning an issue under review by a legislative, executive, or judicial proceeding. Provides that the Act shall not apply to any action brought by the Attorney General, a State's Attorney, or a municipal attorney, acting as a public prosecutor. Provides that a party may file a special motion to strike any claim by showing that the claim is based on an action involving public participation. Provides that if the moving party meets this burden, the burden shifts to the responding party to establish a probability of prevailing on the claim. Provides that the court shall award a moving party who prevails on a special motion to strike costs of litigation and any reasonable attorney's fees and additional relief, including sanctions. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the General Assembly scholarship must be used at a public community college located in the legislative district of the legislator making the scholarship nomination (rather than any public community college in this State). HOUSE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 1, with the following changes. Provides that in the case of a scholarship for a community college, the designated community college must be within the community college district where the nominee resides or the designated community college must have a reciprocal tuition agreement for in-district rates with the community college district where the nominee resides (instead of requiring the scholarship to be used at a community college located in the legislative district of the legislator making the scholarship nomination); makes related changes. Provides that if the nominee changes his or her residence to a location outside of the community college district where he or she was residing and the designated community college does not have a reciprocal tuition agreement for in-district rates with the community college district where the nominee now resides, then the nominating member may terminate the scholarship at the conclusion of the college year in which the nominee is then enrolled. Provides that the requirement for payment of ground ambulance services by the Illinois Department of Public Aid is met if the services are provided pursuant to a request for evaluation, treatment, and transport for an individual with a condition of such a nature that a prudent layperson would have reasonably expected that a delay in seeking immediate medical attention would have been hazardous to life or health. HB-3603 GORDON.

New Act

Creates the Prison Litigation Reform Act. Provides that the court, on its own motion or on the motion of a party, shall dismiss any inmate suit relating to the conditions of confinement or the effects of actions by government officials on the lives of persons confined in prison if the court is satisfied that the action is frivolous, is malicious, seeks monetary relief from a defendant who is immune from such relief, or fails to state a cause of action based upon which relief can be granted. Provides that if the court makes a determination to dismiss a suit based on the content, or lack thereof, of the complaint, the court may dismiss the underlying claim without first requiring the exhaustion of administrative remedies. Provides that before service of process on the defendants, the court shall review the complaint in any civil action in which an inmate seeks redress from a governmental entity or officer or employee of a governmental entity. Provides that in any inmate suit in which attorney's fees are authorized, such fees shall be awarded only to the extent they were directly and reasonably incurred in proving an actual violation of the plaintiff's rights protected by a statute pursuant to which fees may be awarded, and the amount of the fee is proportionately related to the court-ordered relief for the violation or the fee was directly and reasonably incurred in enforcing the relief ordered for the violation. Provides that an inmate may not bring a civil action or appeal a judgment in a civil action or proceeding in forma pauperis if the inmate has, on 3 or more prior occasions while incarcerated or detained in any facility, brought an action or appeal in a State court that was dismissed on the grounds that it was frivolous or malicious, unless the inmate is in imminent danger of serious physical injury.

HB-3624 LANG-MAY-CHAPA LAVIA-JOYCE AND GOLAR.

625 ILCS 5/12-821 new

Amends the Illinois Vehicle Code. Provides that each school bus shall display at the rear of the bus a visible and readable sign, indicating the telephone number of the owner of the school bus, and indicating that the number is to be called to report erratic driving by the school bus driver. Provides that the owner of each school bus shall establish procedures for accepting these calls and for taking complaints. Provides that the procedures shall include, but not be limited to: an internal investigation of the events that led to each complaint; and a report to the complaining party on the results of the investigation and the action taken, if any.

STATE MANDATES FISCAL NOTE (State Board of Education)

HB 3624 would require school districts that operate their own buses to ensure signs required by the legislation are present. It would also require any contractors providing bus service for school districts to include such signs on their buses. The number of districts and/or school bus contractors that already have the signage required by HB 3624 is unknown. There will be some costs to local districts if the school buses that they use do not currently have the signs or offer a complaint resolution system. It is impossible to estimate the costs of HB 3624, however, it is believed any costs to local districts as a result of this bill would be minimal.

FISCAL NOTE (State Board of Education)

HB 3624 has no fiscal impact on the State Board of Education.

HB-3627 HOWARD-GORDON.

New Act

30 ILCS 105/5.675 new

Creates the Charitable Trust Stabilization Act and amends the State Finance Act. Creates the Charitable Trust Stabilization Fund as a special fund in the State treasury and requires that the moneys in the Fund be used for financial assistance to participating eligible charitable organizations. Creates the Charitable Trust Stabilization Committee to administer the Fund. Provides that eligible charitable organizations may elect to participate by agreeing to have 3% of the proceeds received by that organization from a grant award or contract with any State agency placed in the Charitable Trust Stabilization Fund. Sets forth requirements for eligible organizations.

HOUSE FLOOR AMENDMENT NO. 1

Provides that on the June 30 that occurs in the third year after the transfer to the Charitable Trust Stabilization Fund, the Treasurer must transfer the amount of \$1,000,000 from the Charitable Trust Stabilization Fund to the General Revenue Fund, and if, on that date, less than \$1,000,000 is available for transfer, then the Treasurer must transfer the remaining balance

of the Charitable Trust Stabilization Fund to the General Revenue Fund, and on each June 30 thereafter must transfer any balance in the Charitable Trust Stabilization Fund to the General Revenue Fund until the aggregate amount of \$1,000,000 has been transferred. Provides that the grant program under this Act is permissive and is subject to appropriation by the General Assembly.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

805 ILCS 105/115.10 from Ch. 32, par. 115.10

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Makes changes to the membership of the Charitable Trust Stabilization Committee. Deletes the provision that an eligible organization may elect to participate in the Charitable Trust Stabilization Program by agreeing to have 3% of the proceeds received by that organization from a grant award or contract with any State agency placed in the Charitable Trust Stabilization Fund. Amends the General Not For Profit Corporation Act of 1986. Increases the fee for filing an annual report from \$5 to \$10 and requires that \$5 of that fee must be deposited into the Charitable Trust Stabilization Fund. Makes other changes.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

805 ILCS 105/115.10 from Ch. 32, par. 115.10

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that, to be eligible to receive a grant under the Charitable Trust Stabilization Act, the organization must provide evidence that it is in good financial standing, including, but not limited to, a showing that there have been no audit findings for the previous 2-year period that would adversely affect the organization's Section 501 (c)(3) tax-exempt status and other evidence, as specified by Committee rules.

HB-3678 LINDNER-FRANKS-CHAPA LAVIA.

325 ILCS 5/4.4 new

Amends the Abused and Neglected Child Reporting Act. Provides that whenever the Department of Children and Family Services receives, by means of its statewide toll-free telephone number established for the purpose of reporting suspected child abuse or neglect, a report of a newborn infant whose blood, urine, or meconium contains any amount of cocaine, the Department must immediately report that information to the State's Attorney of the county in which the infant was born. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that these provisions also apply to a report received from a mandated reporter under the Act or by any other means, not just a report by means of the toll-free number. Provides that a report to the State's Attorney shall be made if the newborn infant's blood, urine, or meconium contains a controlled substance or metabolite thereof (rather than cocaine).

HOUSE FLOOR AMENDMENT NO. 2

Provides that these provisions do not apply when the presence of the controlled substance or metabolite thereof in the newborn infant is the result of medical treatment administered to the mother or the newborn infant.

Does not restrict or prohibit the sharing of nonpublic personal information between a financial institution and its wholly owned financial institution subsidiaries or in certain other cases if both entities are regulated by the same functional regulator and are engaged in the same line of business, among other requirements. Requires the permission of the consumer before the financial institution may share the nonpublic personal information with other nonaffiliated companies. Provides that a financial institution shall not discriminate against or deny an otherwise qualified consumer a financial product or service because the consumer has not provided the necessary consent that would authorize the financial institution to disclose or share nonpublic personal information. Amends the Private Sewage Disposal Licensing Act and the Environmental Protection Act to prohibit the installation of surface discharging septic systems without a National Pollutant Discharge Elimination System (NPDES) permit issued by the Illinois Environmental Protection Agency. Requires the amendment of the private sewage disposal code to reflect this permit requirement. Provides that the Department of Public Health may not independently and without the participation of the Agency permit the installation by any person of a surface discharging septic system. Provides that the Advisory Commission on Private Sewage Disposal shall advise and aid the Director of Public Health in reviewing and suggesting methods of mitigating the negative impacts of existing surface discharging septic systems operating within the State. Effective June 30, 2008.

HOUSE FLOOR AMENDMENT NO. 2

Deletes reference to:
 225 ILCS 225/10.5
 415 ILCS 5/12

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. In the Private Sewage Disposal Licensing Act, replaces references to "surface discharging septic system" with "surface discharging private sewage disposal system" and defines the new term as a sewage disposal system that discharges to waters of the State. Removes the definition of "waters of the State" and provides that the term is as used in the Environmental Protection Act. Provides that beginning January 1, 2009 (instead of July 15, 2008), a surface discharging private sewage disposal system that enters the waters of the State shall not be installed by any person without the issuance of a coverage letter under a NPDES permit issued by the Illinois Environmental Protection Agency (instead of requiring a NPDES permit). Removes the provision that prohibits the Department of Public Health from, independently and without the participation of the Agency, permitting the installation of a surface discharging septic system. Restores current law in the Section concerning the Advisory

Commission on Private Sewage Disposal. In the Environmental Protection Act, sets forth a General Assembly finding that compliance with the federal Clean Water Act (instead of NPDES) dictates that the Agency require NPDES permits for surface discharging private sewage disposal systems (instead of requires the Agency to take regulatory authority over and grant permits for the installation and current operation of the systems). Restores current law in the Section concerning prohibited actions. Effective June 30, 2008.
