In provisions concerning suspension or revocation of a certificate, provides that the State Superintendent of Education has the exclusive authority to initiate the suspension of up to 5 calendar years or revocation of any certificate (instead of providing that a certificate may be suspended for a period not to exceed one calendar year by the regional superintendent of schools or for a period not to exceed 5 calendar years by the State Superintendent). With respect to certificate suspension and revocation, makes changes concerning an investigation, notice, a hearing, an appeal, and the offenses that are grounds for

Deletes everything after the enacting clause. Reinserts the contents of the bill, but makes changes concerning the notification a State's Attorney must provide; the prohibition against a school board employing a person who has been convicted of a specified offense; a superintendent providing notification with respect to a certificate holder and an abused or neglected child; the determination of good character with respect to certification; suspension or revocation of a certificate, including abuse or neglect of a child, a hearing, judicial review, cooperating in an investigation of alleged misconduct, confidentiality and non-disclosure of information, and the attendance of witnesses and the production of books and papers; the definition of a "narcotics offense"; and removing a reference to a regional superintendent of schools suspending a certificate. Further amends the School Code to require that teachers' institutes include teacher training committed to educator ethics and teacher-student conduct and to require a school board, at least once every 2 years, to conduct in-service training on educator ethics, teacher-student conduct, and school employee-student conduct for all personnel.

SENATE FLOOR AMENDMENT NO. 2

In the Section of the School Code concerning suspension or revocation of a certificate, (i) provides that the State Superintendent of Education is under no obligation to initiate an investigation if the Department of Children and Family Services is investigating the same or substantially similar allegations and its child protective service unit has not made its determination as required under the Abused and Neglected Child Reporting Act; (ii) provides that the standard of proof for any administrative hearing held pursuant to the Section shall be by the preponderance of the evidence; (iii) provides that failure of a certificate holder to comply with a duly-issued, investigatory subpoena may be (instead of is) grounds for revocation, suspension, or denial of a certificate; and (iv) makes changes concerning an exception to the confidentiality and non-disclosure requirement. In the Section of the School Code concerning conviction of certain offenses as grounds for revocation of a certificate, restores current law with respect to the offense of public indecency being defined as a sex offense.

SB-2110 WILHELMI AND SANDOVAL.

New Act

Creates the Uniform Environmental Covenants Act, proposed by the National Conference of Commissioners on Uniform State Laws. Creates an interest in real estate called an "environmental covenant" that assures a plan of rehabilitation for contaminated real property (brownfields) and controls the use of the property. An environmental covenant may be separately conveyed to and enforced by a relevant third person called a holder. An underlying plan between State or federal government and landowner for "remediation" of the property must be in place for an environmental covenant to be created and conveyed. The ultimate objective of this Act is to allow contaminated property to be returned to those uses consistent with prescribed clean-up, essentially making them marketable. The Act provides for the creation of such a covenant, its termination when appropriate, priority over other real estate interests, and enforcement over the time the covenant is in place. An environmental covenant is perpetual unless a specific term is prescribed in the instrument creating it. The interest will be recorded in the real estate records.

SENATE COMMITTEE AMENDMENT NO. 1

In the definition of "environmental response project", provides that it means a plan or work performed for environmental remediation of real property at sites or facilities: that are listed as proposed or final on the National Priorities List pursuant to specified federal law; that are undergoing remediation pursuant to an administrative order issued pursuant to specified federal law; that are owned or operated by a department, agency, or instrumentality of the United

States that are undergoing remediation pursuant to specified federal law; that are undergoing remediation pursuant to a settlement agreement pursuant to specified federal law; that are undergoing remediation pursuant to certain other federal law; or that are undergoing remediation pursuant to a court or board order issued pursuant to the Illinois Environmental Protection Act with the approval of the Agency. Provides that the Act does not invalidate or render unenforceable any interest that is otherwise compliant with 35 Ill. Adm. Code 742, Subpart J.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the substantive provisions of the bill as amended by Senate Amendments 1 and 2. Makes technical corrections. Provides that no environmental covenant established under the Act shall be terminated or modified unless certain conditions are met.

Amends the Right to Publicity Act. Provides that "individual" means a living or deceased person regardless of whether the law of the person's domicile, residence, or citizenship at the time of death or otherwise recognizes a similar property right. Provides that the Act applies to all personalities, living or deceased, regardless of domicile or the domicile at the time of death. Provides that the rights under the Act are deemed to have existed at the time of transfer of an interest, death of the person, or death of any subsequent successor of the person's rights for the purpose of determining who is entitled to the property rights. Provides that the Act applies to acts or events that have a substantial relationship to Illinois and take place after the effective date of this Act (instead of take place after the effective date of this Act). Adds a sixth category of exceptions to the applicability of the Act that provides that the Act does not apply to the use of an individual's identity by a person that licenses or engages in any type of intellectual property transaction or the rights to use photographs, videotapes, recordings, or other materials; however, the exception does not apply when a person expressly authorizes the use of publicity rights without a required written consent. SB-2297 CLAYBORNE.

65 ILCS 5/11-19-1 from Ch. 24, par. 11-19-1

Amends the Illinois Municipal Code. Provides that no municipality with a population of less than 1,000,000 may award a franchise to a private entity for the collection of waste from non-residential locations without first: (i) holding at least one public hearing; (ii) providing at least 45 days' written notice of the hearing to all private entities that provide non-residential waste collection services within the municipality; and (iii) providing public notice of the hearing. Requires the municipality to provide at least 3 years' notice to all private entities then providing waste collection services to non-residential locations within the municipality before awarding a franchise to a private entity for the collection of waste from non-residential locations. Preempts home rule powers.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the hearing requirements apply only if the municipality has never awarded a franchise to a private entity for the collection of waste from non-residential locations. Provides that, at the public hearing, the municipality must disclose and discuss the franchise fee or portion of payment of collection services that it will receive under the proposed franchise. Adds an immediate effective date.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the provisions of the bill as amended by Senate Amendment No. 1 with changes. Provides that a private entity may not provide waste collection services to non-residential locations under a first-time franchise agreement with a municipality before the date that is 15 months after the date the ordinance or resolution approving the award of the franchise is adopted. Provides that the municipality may not award a franchise agreement without first providing at least 30 days' (replaces 45 days') written notice of the franchise hearing to all private entities that provide non-residential waste collection services within the municipality that the municipality is able to identify through its records. Provides that, at the public hearing, the municipality must disclose the calculation formula of such franchise fee (replaces "portion of payment of collection services") that it will receive under the proposed franchise. Makes other changes. Effective on October 1, 2008.

Provides that effective July 1, 2008 the Illinois Medicaid Ambulance Fee Schedule shall be established and shall include only the ground ambulance services rates outlined in the Medicare Ambulance Fee Schedule as promulgated by the Centers for Medicare and Medicaid Services and adjusted for the 4 Medicare Localities in Illinois, with an adjustment of 100% of the Medicare Ambulance Fee Schedule, by Medicare Locality, for both base rates and mileage for rural counties, and an adjustment of 80% of the Medicare Ambulance Fee Schedule for all other counties; provides for the transition from the current payment system to the Illinois Medicaid Ambulance Fee Schedule by means of a 3-year phase-in. Provides that the requirement for payment of ground ambulance services by the Department is deemed to be met if the services are provided pursuant to a request for evaluation, treatment, and transport from an individual with a condition of such a nature that a prudent layperson would have reasonably expected that a delay in seeking immediate medical attention would have been hazardous to life or health. Sets forth provisions concerning mileage payments, payments by Medicaid Managed Care Plans, and out-of-State providers. Effective immediately.

Provides that the Department may, however, provide medical assistance for inpatient hospital services provided to the recipient at a hospital located outside the premises of the jail or correctional facility to the extent that federal financial participation is available for the costs of those services. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

720 ILCS 570/510 new

Amends the Illinois Controlled Substances Act. Provides that in a prosecution for a violation relating to the unlawful manufacture, delivery, possession, or possession with intent to manufacture or deliver a controlled substance, other than methamphetamine, or a counterfeit substance, controlled substance analog, or look-alike substance, a law enforcement agency or an agent acting on behalf of the law enforcement agency must preserve, subject to a continuous chain of custody, specified amounts of controlled substances and must maintain sufficient

documentation to locate that evidence. Provides that the court may, before trial, transfer excess quantities of any substance containing any of the controlled substances to the sheriff of the county, or may in its discretion transfer such evidence to the Department of State Police, for destruction after notice is given to the defendant's attorney of record or to the defendant if the defendant is proceeding pro se. Provides that after a judgment of conviction is entered and the charged quantity is no longer needed for evidentiary purposes with respect to a prosecution for the offense, the court may transfer any substance containing any of the controlled substances to the sheriff of the county, or may, in its discretion, transfer such evidence to the Department of State Police, for destruction after notice is given to the defendant's attorney of record or to the defendant if the defendant is proceeding pro se. Provides that no evidence shall be disposed of until 30 days after the judgment is entered, and if a notice of appeal is filed, no evidence shall be disposed of until the mandate has been received by the circuit court from the Appellate Court. Effective immediately.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that language be added: providing that the sheriff or seizing law enforcement agency must file a motion requesting destruction of bulk evidence before the trial judge in the courtroom where the criminal charge is pending and give notice of the motion to the prosecutor of the criminal charge and the defense attorney of record; providing that the trial judge will conduct an evidentiary hearing in which all parties will be given the opportunity to present evidence and arguments relating to whether the evidence should be destroyed, whether such destruction will prejudice the prosecution of the criminal case, and whether the destruction of the evidence will prejudice the defense of the criminal charge; and providing that the court's determination whether to grant the motion for destruction of bulk evidence must be based upon the totality of all of the circumstances of the case presented at the evidentiary hearing, the effect such destruction would have upon the defendant's constitutional rights, and the prosecutor's ability to proceed with the prosecution of the criminal charge.

305 ILCS 5/5-5 from Ch. 23, par. 5-5

Amends the Illinois Public Aid Code. Provides that dental services authorized under the medical assistance program include preventive, diagnostic, or corrective procedures. Provides that dental services provided to persons who are participating in education, training, or employment programs operated by the Department of Human Services must be provided by an individual licensed to practice dentistry or dental surgery; also provides that such "dental services" mean diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession (eliminates a reference to prosthodontics).

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code with provisions similar to those of the bill as introduced, concerning medical services provided under the medical assistance program, except (1) provides that those medical services may include dental services provided by an individual licensed to practice dentistry or dental surgery and that "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession (instead of providing that those medical services may include dental services "including preventive, diagnostic, or corrective procedures") and (2) provides that dental services for persons who are participating in education, training, or employment programs operated by the Department of Human Services shall be provided by or under the supervision of a dentist (instead of providing that such dental services shall be provided by an individual licensed to practice dentistry or dental surgery and defining "dental services").

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Illinois Public Aid Code. Provides that a medical or health care provider under the medical assistance program may elect, in lieu of receiving direct payment for goods or services provided under that program, to participate in the Illinois State Employees Deferred Compensation Plan.

HOUSE COMMITTEE AMENDMENT NO. 2

Provides that neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any rulemaking authority under the amendatory Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion.

Provides that the Department of Public Health may determine the income eligibility standard for the AIDS Drug Assistance Program each year and may set the standard at more than 500% of the Federal Poverty Guidelines for the size of the household, provided that moneys appropriated to the Department for the program are sufficient to cover the increased cost of implementing the higher income eligibility standard. 705 ILCS 405/5-410
705 ILCS 405/5-740

Amends the Juvenile Court Act of 1987. Provides that if any minor is determined to need care away from home in foster care, shelter care, or detention, the court shall order, consistent with the health, safety, and best interests of the minor, the removal of the minor from his or her home because the minor's home cannot provide the quality of care and level of support and supervision the minor needs at the time. Provides that removal from the home is in the minor's and community's best interest for any of the following reasons: (i) the minor is without the care necessary for the minor's well being through no fault or lack of concern by a parent, guardian, custodian, or other person, (ii) the minor has no parent, guardian, custodian, or other person able to return the minor to the court when required, or (iii) for the protection of the minor. Provides that the court shall further find that reasonable efforts have been made or that, consistent with the health, safety, and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. Provides that once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, detention center, or foster care, the minor shall not be returned to the parent, custodian, or guardian until the court finds that such placement is no longer necessary for the protection of the minor. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes provision that whenever a minor is removed from home and placed in a shelter care facility or detention center the county will be responsible for the costs of such placement, then the Court shall order that the Probation Department shall be responsible for the child's placement, care, and control until such time as the Court finds that such placement is no longer required for the protection of the child.

SENATE COMMITTEE AMENDMENT NO. 2

Renumbers some subsections of the bill.

SENATE FLOOR AMENDMENT NO. 3

Provides that if the court finds it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, detention center, or foster care, there shall be a rebuttable presumption that such findings comply with the factors outlined in the amendatory provisions.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987.

Reinserts the provisions of the bill as amended. Limits provisions of the amendatory Act to minors who do not require secure custody. Provides that as to minors adjudged a ward of the court, if the court finds that the minor's home cannot provide the quality of care and level of support and supervision the minor needs at the time and that the removal of the minor from the home is in the minor's and community's best interest for any of the following reasons: (i) the minor is without the care necessary for the minor's well being through no fault or lack of concern by a parent, guardian, custodian, or other person, or (ii) for the protection of the minor, the court may provide alternative placement of the minor.

Amends the Downstate Firefighter Article of the Illinois Pension Code. Provides that the governing body of a municipality may elect to allow creditable service for up to 24 months of military service served prior to employment by a municipality, but no credible service shall be allowed for such person for any period that can be used in the computation of a pension or any other pay or benefit, other than pay for active duty. Requires contributions to the fund equal to (i) the employee contributions that would have been required had the service been rendered as a member, plus (ii) an amount determined by the fund to be equal to the employer's normal cost of the benefits accrued for that military service, plus (iii) interest. Provides that the changes apply only to participating employees in service on or after the effective date of the amendatory Act. SENATE COMMITTEE AMENDMENT NO. 1

Removes language that provides that no credible service shall be allowed for such person for any period that can be used in the computation of a pension or any other pay or benefit, other than pay for active duty. Provides that the written application to receive credit for the service must be made to the fund within 6 months after the municipality elects to allow the service, rather than 6 months after the effective date.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Downstate Firefighter Article of the Illinois Pension Code. Allows a firefighter to establish creditable service for up to 24 months of service in the military, naval, or air forces of the United States that was served prior to employment by a municipality or fire protection district as a firefighter. Requires payment of (i) the employee contributions that would have been required had the service been rendered as a member, plus (ii) an amount determined by the fund to be equal to the employer's normal

cost of the benefits accrued for that military service, plus (iii) interest at the rate of 6% per year, compounded annually from the first date of membership in the fund to the date of payment on items (i) and (ii). Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Removes the window for application. Provides that the interest is at the actuarially assumed rate provided by the Department of Financial and Professional Regulation rather than at 6%.

Amends the Comprehensive Health Insurance Plan Act. Provides that coverage under the Plan shall automatically terminate as of the effective date of any medical assistance, except in cases where the effective date of the medical assistance is the date that the application for medical assistance was submitted to the Department of Human Services and that date is different than the date that the applicant is determined to be eligible for medical assistance. Provides that in that circumstance, coverage under the plan shall terminate on the date that the applicant was determined to be eligible for medical assistance. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

215 ILCS 105/7

Adds reference to:

215 ILCS 105/2 from Ch. 73, par. 1302

Replaces everything after the enacting clause. Amends the Comprehensive Health Insurance Plan Act. Defines "effective date of medical assistance" as the date that eligibility for medical assistance for a person is approved by the Department of Human Services or the Department of Healthcare and Family Services, except when the Department of Human Services or the Department of Healthcare and Family Services determines eligibility retroactively. Provides that, in such circumstances, the effective date of the medical assistance is the date the Department of Human Services or the Department of Healthcare and Family Services determines the person to be eligible for medical assistance. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Creates the Hospital Uninsured Patient Discount Act. Provides that a hospital, other than a rural hospital or Critical Access Hospital, shall provide a discount from its charges to any uninsured patient who applies for a discount and has family income of not more than 600% of the federal poverty income guidelines for all medically necessary health care services exceeding \$300 in any one inpatient admission or outpatient encounter. Provides that a rural hospital or Critical Access Hospital shall provide a discount from its charges to any uninsured patient who applies for a discount and has annual family income of not more than 300% of the federal poverty income guidelines for all medically necessary health care services exceeding \$300 in any one inpatient admission or outpatient encounter. Provides that hospitals may make the availability of a discount and the maximum collectible amount under the Act contingent upon the uninsured patient first applying for coverage under public programs, such as Medicare, Medicaid, AllKids, the State Children's Health Insurance Program, or any other program, if there is a reasonable basis to believe that the uninsured patient may be eligible for such program. Provides for exemptions and limitations. Provides for enforcement of the Act by the Attorney General, and provides for the assessment of a civil monetary penalty not to exceed \$500 for a hospital's knowing violation of the Act by pattern or practice. Limits the concurrent exercise of home rule powers. Makes a change in the Section numbering. Effective upon becoming law, except that the Hospital Uninsured Patient Discount Act is effective 90 days after becoming law.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the definition of "uninsured discount factor" mean 1.0 less the product of a hospital's cost to charge ratio multiplied by 1.20 for uninsured patients with family income above 200% of the federal poverty level and 1.0 for uninsured patients with family income at or below 200% of the federal poverty level (instead of just multiplied by 1.35). Makes changes in family income requirements in the provision concerning eligibility for uninsured patient discounts. Provides that for all children with juvenile

diabetes, a hospital shall provide children with juvenile diabetes who are admitted for a diagnosis related to juvenile diabetes a 50% discount on any co-pay, coinsurance, or deductible that they would have otherwise owed if such a discount were not available. Deletes certain patient disclosure requirements in the provisions concerning uninsured patient discounts and patient responsibility. Provides that hospitals shall permit an uninsured patient to apply for a discount within 120 days (instead of 60 days) of the date of discharge or date of service. In the provision concerning enforcement, replaces all references to the Attorney General with the Illinois Department of Public Health; replaces the Attorney General Court Ordered and Voluntary Compliance Payment Projects Fund with the General Revenue Fund; and deletes a requirement for the use of moneys in the Attorney General Court Ordered and Voluntary Compliance Payment Projects Fund. Makes other changes.

210 ILCS 115/9.15

Amends the Mobile Home Park Act. Provides that the agreement required in the case of a mobile home park that does not have a private water supply system and hydrants must be signed and dated by the owner of the mobile home park or his or her representative and by the local fire chief or his or her representative and must be submitted with each application for an original license or license renewal application under the Act. Provides that a mobile home park constructed after January 1, 1998 must be located in an area protected by a fire

department or fire protection district and provided with fire hydrants within 500 feet of any structure in the mobile home park. Provides that as an alternative to fire hydrants, a holding pond or other source of water of 100,000 gallons or more accessible to the fire department or fire protection district may be used, if the fire department or fire protection district is capable of pumping from the body of water. Provides minimum standards for water main size and for system pressure. Eliminates a provision that a mobile home park constructed before 1998 is not required to install new water supply systems or hydrants for fire safety purposes.

SENATE COMMITTEE AMENDMENT NO. 1

Changes a reference to "representative" to "designee". Provides that certification that an agreement with respect to an adequate and reliable water supply for fire mitigation needs exists shall be signed by the owner of the mobile home park or his or her designee and by the local fire chief or his or her designee and submitted with each application for original licensure or licensure renewal under the Act (instead of providing that a copy of the agreement shall be submitted with each application for an original license or license renewal application required under the Act). Provides that a copy of this agreement shall be on file at the local fire department or fire protection district and posted in public view at the mobile home park site and available for inspection. Deletes amendatory provisions concerning standards for mobile home parks constructed after January 1, 1998. Restores a provision stating that nothing in the Act's fire safety provisions shall be construed to mandate a mobile home park, constructed prior to 1998, to install new water supply systems or hydrants for fire safety purposes.

SENATE FLOOR AMENDMENT NO. 2

Provides that a copy of the agreement for an adequate and reliable water supply for fire mitigation needs shall be posted at the mobile home park site "by the mobile home park owner or his or her designee".

Makes other changes concerning disability benefits. Amends the Cook County Article of the Illinois Pension Code. Provides that duty disability and child's disability benefits shall not be allowed unless application therefor is made while the disability exists; except that this limitation does not apply if the board finds that there was reasonable cause for delay in filing the application while the disability existed. Provides that this is intended to be a restatement and clarification of existing law and does not imply that application for a duty disability benefit made after the disability had ceased, without a finding of reasonable cause, was previously allowed under this Article. Provides that (i) before any action may be taken by the board of trustees on an application for duty disability benefit or widow's compensation or supplemental benefit, the related applicant must file a timely claim under the Workers' Compensation Act or the Workers' Occupational Diseases Act, as applicable, to establish that the disability or death resulted from an injury incurred in the performance of an act or acts of duty, and the applicant must receive compensation or payment from the claim or the claim must otherwise be finally adjudicated and (ii) with respect to duty disability, satisfactory proof must be provided to the board that the final adjudication of the claim established that the disability or death resulted from an injury incurred in the performance of an act or acts of duty. Amends the Cook County Forest Preserve Article of the Illinois Pension Code. Adds a provision imposing forfeiture of benefits upon conviction of a felony arising out of or in connection with the member's employment. Amends the Chicago Laborers Article of the Illinois Pension Code. With respect to certain duty and ordinary disability benefits and widow's compensation and supplemental benefits payable by the Fund, replaces existing provisions relating to the offset of amounts received under the Workers' Compensation Act or Workers' Occupational Diseases Act or related settlements with new provisions applying to those offsets and the administration, commencement, and amount of those benefits. In provisions of the State Employees Article concerning the alternative formula, allows an alternative formula employee to convert up to 5 years of certain military service that he or she purchased into service under the alternative formula. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Amends the Unified Code of Corrections relating to relief from disabilities automatically imposed by law. Provides that the court may grant relief from forfeitures. Defines "eligible offender" for the purposes of relief from disabilities and forfeitures as a person who has been convicted of a crime that does not include an offense or attempted offense that would subject the person to registration under the Sex Offender Registration Act, the Arsonist Registration Act, or the Child Murderer and Violent Offender Against Youth Registration Act (rather than an offense that is not a crime of violence, a Class X or a nonprobationable offense, or a violation of the Sex Offenses or Bodily Harm Articles of the Criminal Code of 1961, but who has not been convicted more than twice of a felony). Provides that "eligible offender" does not include a person who has been convicted of committing or attempting to commit first degree murder. Provides that a certificate of good conduct may be granted to relieve an eligible offender of any employment-related disability, or to remove any bar to his or her employment, automatically imposed by law by reason of his or her conviction of the crime or of the offense specified in the certificate. Provides that the certificate may be limited to one or more enumerated disabilities or bars or may relieve the individual of all disabilities and bars. Provides that notwithstanding any other provision of law, a conviction of a crime or of an offense specified in a certificate of good conduct may not be deemed to be a conviction within the meaning of any provision of law that imposes, by reason of a conviction, a bar to any employment, a disability to exercise any right or a disability to apply for or to receive any license, permit, or other authority or privilege covered by the certificate. Provides that a certificate of good conduct does not relieve an offender of any employment-related disability imposed by law by reason of his or her conviction of a crime that would prevent his or her employment by the Department of Corrections. Provides that within 90 days after filing an appearance (instead of prior to filing any other pleading other than a motion for an extension of time within which to plead), a party may object to the court exercising personal jurisdiction over the party. Deletes a provision that states that error in ruling against an objecting party is waived by that party taking part in further proceedings in the case unless the objection is on the basis of the party

not being amenable to service by an Illinois court.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the provisions of Senate Bill 2595 as introduced with the following changes: Removes the bill's provisions concerning the contribution rate, manner of contribution collection, and authority of the Department of Healthcare and Family Services to establish certain funds. Makes the contribution rate for active employees of community colleges and associations of community college boards 0.75% of salary (now, 0.50% of salary for active employees of community colleges other than those subject to Article VII of the Public Community College Act). Requires contributions from community college districts subject to Article VII of the Public Community College Act and associations of community college boards who are employers under the State Universities Retirement System equal to 0.75% of the salary paid to their full-time employees who participate in the State Universities Retirement System and are not members under the State Employees Group Insurance Act of 1971. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

In the State Employees Group Insurance Act of 1971, specifies that the contribution rate change for active employees of community college districts (other than a community college

district subject to Article VII of the Public Community College Act) or associations of community college boards begins January 1, 2009. Makes the contributions that all community college districts and associations of community college boards who are employers under the State Universities Retirement System must pay equal to 0.75% of the salary paid to their full-time employees who participate in the State Universities Retirement System and are not members under the State Employees Group Insurance Act of 1971 (now, 0.50% of the salary of those employees must be paid by those employers other than community college districts subject to Article VII of the Public Community College Act).

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 ()

SB 2595, as amended, does not amend the Pension Code. The bill does amend the State Pensions Fund Continuing Appropriation Act to prohibit the transfer of money from the Community College Health Insurance Security Fund for any purpose not related to that particular program.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 2595 (H-AM 2) could potentially raise one-time revenue of at least \$10 billion for the State in exchange for the lease of 80% of the State Lottery. In future years, the State would not receive the normal Lottery payment of approximately \$650 million that is transferred into the Common School Fund but would instead count on a payment of 20% of lottery gross receipts minus prize payouts, unclaimed prizes, and the principle and accumulated interest in the Illinois Education Trust Fund to sustain this funding at \$600 million per year.

Provides that a person offering to identify, discover, or collect property, held or likely to be reported to any public agency, on behalf of the putative owner in exchange for a contingent fee must provide the owner with a written disclosure that includes, at a minimum, the identity of the holder of the property, the date the property came into the possession of the public agency or will become reportable to the agency, and a statement indicating the public agency does not charge fees for the recovery of any property transferred to its custody under the Uniform Disposition of Unclaimed Property Act. Provides that a person who violates this provision commits an unlawful practice. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

15 ILCS 20/50-5

Adds reference to:

20 ILCS 1305/10-60 new

Replaces everything after the enacting clause. Amends the Department of Human Services Act. Provides that the Department of Human Services Division of Mental Health under the leadership of Secretary of the Department of Human Services and as the State Mental Health Authority, in an effort to develop and establish a comprehensive state mental health plan for Illinois, to coordinate all policy making in mental health and provide oversight and assume monitoring responsibility for all mental health programs and initiatives funded by the state and federal agencies, shall convene and lead a Work Group composed of directors of state agencies and principal stakeholders in the public mental health system illnesses. Provides that the Work Group is charged with designing Illinois' mental health system to be more efficient and effective as well as reduce redundancies in the delivery of services to persons with mental illnesses. Sets forth items that must be included in the Illinois Comprehensive State Mental Health Plan.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that there is no rulemaking authority under the amendatory Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion.

HOUSE COMMITTEE AMENDMENT NO. 2

In connection with the Division of Mental Health's purpose in convening the Work Group,

deletes "to provide oversight and assume monitoring responsibility for all mental health programs and initiatives funded by the State and federal agencies". Provides that the Division of Mental Health shall work with other State agencies to develop mechanisms to share data (instead of shall have timely access to all relevant data maintained by other State agencies). Provides that the Work Group shall: (1) recommend (instead of implement) policy; (2) coordinate policy (instead of policy actions) with other State agencies; (3) work with the Illinois Children's Mental Health Partnership to incorporate a children's mental health plan to ensure a comprehensive State mental health plan for all ages (instead of incorporate a children's mental health plan into all planning activities); and (4) give specific focus to cross-departmental management of the long-term care system as the State moves to rebalancing resources and services and maximizing resources in community-based settings to ensure an appropriate level of services across a comprehensive continuum of care (instead of as the State moves to rebalancing services, shifting resources to community-based settings). In connection with items to be included in the Illinois Comprehensive State Mental Health Plan, (i) provides for an analysis of programmatic, procedural, and fiscal impacts of any current or proposed policies or practices (instead of policies or practices "recommended for adoption") and (ii) deletes a reference to administering and monitoring funding. Provides that upon submittal to the Governor and the General Assembly (instead of upon approval) of the Illinois Comprehensive State Mental Health Plan, the Work Group shall continue to meet quarterly. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

105 ILCS 5/34-2.1

from Ch. 122, par. 34-2.1

Deletes everything after the enacting clause. Amends the Chicago School District Article of the School Code. Provides that if the child of a parent member of a local school council dies during the member's term in office, the member may continue to serve on the local school council for the balance of his or her term. Amends the School Safety Drill Act. Provides that during each academic year, schools must conduct a law enforcement drill to address incidents (instead of allowing schools to conduct strongly encouraged law enforcement drills to address and prepare students and school personnel for incidents). Requires such drills to be conducted according to the school district's or private school's emergency and crisis response plans, protocols, and procedures, with the participation of the appropriate law enforcement agency. Provides that law enforcement drills may be conducted on days and times when students are not present in the school building (instead of requiring that the drills be conducted at each school building that houses school children). Amends the State Mandates Act to require implementation without reimbursement. Effective July 1, 2008.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

105 ILCS 5/24-6

from Ch. 122, par. 24-6

30 ILCS 805/8.32 new

Deletes everything after the enacting clause. Amends the School Code. In provisions concerning sick leave for certain employees of school districts other than Chicago, provides that if an employee other than a teacher does not use the full amount of annual leave allowed, the unused amount shall be allowed to accumulate to a minimum available leave of 240 (instead of 180) days at full pay, including the leave of the current year. Provides that if an employee other than a teacher is subject to a reduction in force, the employing district shall maintain on its records all accumulated sick leave days, which must be recredited to the employee at the time of recall. Provides that if the employee is not recalled, then the district shall pay the employee, at the expiration of the recall period, the cash value for all accumulated sick leave at the daily rate of pay at the time of the layoff. Amends the State Mandates Act to require implementation without reimbursement.

FISCAL NOTE (State Board of Education)

No fiscal impact on the agency. This legislation will have a financial impact on school districts. The impact to each school district will be different based on the number of employees and the amount of time in each district. The impact is unknown.

PENSION NOTE (Commission on Gov. Forecasting & Accountability)

Would have a fiscal impact on the IMRF due to the additional pension service credit accumulated. The precise amount of this fiscal effect cannot be determined as the exact number of employees accumulating this additional service credit cannot be determined.

Amends the School Code. Requires the State Board of Education to adopt rules for the elimination of vegetable oils containing trans fats in foods served in public school cafeterias beginning on July 1, 2009 and for the elimination of all foods containing trans fats from public schools beginning on July 1, 2010. HOUSE FLOOR AMENDMENT NO. 2

Requires the State Board of Education to ban (instead of adopt rules for the elimination of) vegetable oils containing trans fats in foods served in public school cafeterias beginning on July 1, 2009 and ban (instead of adopt rules for the elimination of) all foods containing trans fats from public schools beginning on July 1, 2010. Imposes conditions on any rulemaking authority. Removes the effective date provision.

Amends the Regional Planning Act. Changes "Regional Planning Board" to the "Chicago Metropolitan Agency for Planning". Deletes a provision that requires the executive director of the Chicago Metropolitan Agency for Planning to hire a deputy for comprehensive planning and a deputy for transportation planning. Requires the Chicago Metropolitan Agency for Planning to develop a regional comprehensive plan at intervals not to exceed every 4 years (now, every 5

years). Amends the IMRF Article of the Illinois Pension Code. Adds the Chicago Metropolitan Agency for Planning to the list of participating instrumentalities under the Article, provided that, with respect to the benefits payable pursuant to certain provisions concerning eligibility for temporary disability benefits, total and permanent disability benefits, and death benefits, for any employee of the Chicago Metropolitan Agency for Planning that was immediately prior to such employment an employee of the Chicago Area Transportation Study or the Northeastern Illinois Planning Commission, such employee's service at the Chicago Area Transportation Study or the Northeastern Illinois Planning Commission and contributions to the State Employees' Retirement System of Illinois established under Article 14 and the Illinois Municipal Retirement Fund shall count towards the satisfaction of the eligibility requirements. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement.

PENSION NOTE (Government Forecasting & Accountability)

Employees of employers joining IMRF receive credit (without making contributions) for 5 years or 20% of service with the employer, whichever is less. Upon joining IMRF, the Chicago Metropolitan Agency for Planning would be required to make annual contributions to amortize the unfunded liability created by employees' past service credit. Allowing the Chicago Metropolitan Agency for Planning into IMRF would not affect the accrued liability or annual cost of any other IMRF employer.

Amends the State Officials and Employees Ethics Act to impose revolving door restrictions on executive branch and legislative branch officers and employees. Amends the Secretary of State Act to give the Secretary of State Inspector General the authority to investigate lobbyist wrongdoing. Amends the General Assembly Staff Assistants Act concerning committee witness slips. Amends the Lobbyist Registration Act with respect to the following: the definition of "official"; lobbying entities; registration under the Act; serving on boards and commissions; reports; gifts; penalties; and other matters. Effective July 1, 2007.

HOUSE COMMITTEE AMENDMENT NO. 1

In the General Assembly Staff Assistants Act, changes the responsibility for posting witness slips from a staff person designated by the committee to the legislative committee clerk, as assigned. Removes the bill's July 1, 2007 effective date.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of the Secretary of State)

HB 8 (H-AM 1) has a minimal fiscal impact on the Secretary of State's Office.

HOUSE FLOOR AMENDMENT NO. 3

In the State Officials and Employees Ethics Act, makes the one-year lobbying prohibition apply to executive branch constitutional officers as well as executive branch State employees. Removes the lobbying prohibition applicable to legislative branch employees and rewords the lobbying prohibition applicable to legislative branch members to prohibit them working as registered lobbyists to influence legislative action. In the Lobbyist Registration Act, exempts from registration (i) units of local government and school districts and (ii) elected officers, appointees, and employees of a unit of local government or school district who lobby exclusively for that unit or district in the scope of their duties. With respect to a lobbyist's report, (i) changes the expenditure and transaction itemization threshold from \$10 to \$75 and (ii) eliminates the required naming of officials known to have attended an event. Corrects a typographical error.

HOUSE COMMITTEE AMENDMENT NO. 1

In provisions of the Riverboat Gambling Act concerning the powers and duties of the Illinois Gaming Board, (i) reinserts provisions concerning appointment of investigators with the following changes: adds that the appointment power is "as deemed necessary by the Board" and removes language requiring the Board to issue each investigator a badge and (ii) adds provisions allowing the Board to contract with the Department of State Police and the Department of Revenue for the use of trained and qualified personnel to conduct investigations, searches, seizures, arrests, and other duties imposed under the Act (and allows for appropriations to the Department of Revenue for this purpose). Changes the effective date to July 1, 2007 (was, effective immediately).

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (H-AM 1)(Dept. of Commerce & Economic Opportunity)

HB 24 (H-AM 1) based on Gaming Board staffing recommendations, the Illinois Gaming Board would need an additional \$4,340,000 for additional investigators, administrative staff, and additional support.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (H-AM 1)(Admin Office of the Illinois Courts)

HB 24 (H-AM 1) would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (H-AM 1)(Government Forecasting & Accountability)

HB 24 (H-AM 1) will have no fiscal impact on SERS.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (H-AM 1)(Housing Development Authority)

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (H-AM 1)(Government Forecasting & Accountability)

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (H-AM 1)(Admin Office of the Illinois Courts)

HB 24 (H-AM 1) would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (H-AM 1)(Dept. of Revenue)

As amended by House Amendment 1, based on Gaming Board staffing recommendations, the Illinois Gaming Board would need an additional \$4,340,000 for additional investigators, administrative staff, and associated support.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (H-AM 1) (Office of Management and Budget)

The Governor's Office of Management and Budget estimates that this legislation, since effective July 1, 2007, would have no budgetary impact to the Fiscal Year 2007 budget. Fiscal Year 2007 appropriations for the Illinois Gaming Board are \$18.7 million from the State Gaming Fund. However, using FY2007 as a model, if enacted into law, in Fiscal Year 2008 this legislation would require additional appropriations estimated between \$1.5 million to \$2.0 million, which could result in a budget which is not balanced. In addition, the alternative pension formula is more expansive than the current pension formula, so adding additional employees to this formula will have a long term impact on the balanced budget.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Revenue)

As amended by House Amendment 1, based on Gaming Board staffing recommendations, the Illinois Gaming Board would need an additional \$4,340,000 for additional investigators, administrative staff, and associated support.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

HB 24 (H-AM 1) will have no effect on constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

It is the opinion of the Department of Commerce and Economic Opportunity that HB 24 (H-AM 1) does not create a State mandate under the State Mandates Act.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

It is the opinion of the Department of Commerce and Economic Opportunity that HB 24 (H-AM 1) does not pre-empt home rule authority.

In provisions concerning the Depressed Communities Economic Development Board, adds zip codes to the list of zip codes that are designated as Illinois depressed communities. In provisions amending the Riverboat Gambling (and Casino) Act, (i) adds a definition of "electronic poker"; (ii) provides that one of the licenses shall authorize the conduct of riverboat gambling operations within 4 miles (rather than 5 miles) of any portion of O'Hare International Airport; (iii) authorizes the sale of a total of 600 positions to minority person-owned businesses or female-owned businesses pursuant to competitive bidding, provides that no minority person-owned business or female-owned business may purchase more than 50 positions, and provides that these positions may be leased to an owners licensee; (iv) allows a licensee holding 3 or more licenses on May 31, 2007 to continue to hold those licenses; (v) incorporates the privilege tax provisions for electronic poker into the current provisions imposing privilege taxes; (vi) includes language including the minority person-owned or female-owned positions in the current provisions imposing privilege taxes; (vii) reduces the amount that the municipality in which the casino is located receives from the tax revenue deposited into the State Gaming Fund from 20% to 5%; (viii) requires an owners license issued on or after the effective date authorizing riverboat or casino gambling (rather than just riverboat gambling) to pay a specified percentage of its gross gaming receipts to Cook County; (ix) provides that, for the imposition of certain privilege taxes, certain amounts paid into the Horse Racing Equity Trust Fund shall not be included in the determination of annual gross gaming receipts; (x) provides for a specified distribution of gross gaming receipts from the new positions to be divided equally among State universities, rather than 25% to Chicago State University and 75% to the other public universities based on the number of campuses of the university; and (xi) corrects internal references.

615 ILCS 5/23c new

Amends the Rivers, Lakes, and Streams Act. Requires the Department of Natural Resources to adopt emergency rules under the Illinois Administrative Procedure Act to require the immediate marking of each dam the Department considers dangerous with signs and buoys warning the public of the hazards posed by the dam. Provides that the Department shall examine each dam located on navigable waterways to determine the hazards that exist at each dam and that the Department shall require the establishment of specifications for signs and devices that provide warnings and information for persons using the waterways. Provides that, after conducting the required examination and within 90 days after the effective date of the amendatory Act, the Department shall issue an order, with completion dates, specifying additional warning signs and safety devices to be required at the dam. Provides that the Department shall require each dam to have localized safety plans to maximize the safety of persons visiting the dam. Provides that the Department may designate enforceable exclusion zones around dams. HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:
615 ILCS 5/23c new

Deletes everything after the enacting clause. Amends the Rivers, Lakes, and Streams Act. Requires the Department of Natural Resources to establish specifications, by administrative rule, for signs and devices that provide warnings of the presence of dams for persons using the public waters of the State. Provides that, for dams located in public waters (instead of navigable waterways) and that are not subject to federal regulation regarding safety standards, the Department of Natural Resources shall examine each dam to determine hazards that may exist at each dam. Removes the requirement that the Department issue an order, with completion dates, specifying additional warning signs and safety devices required at each dam within 90 days after the effective date of the amendatory Act and after the completion of the Department's examination to determine hazards that may exist at the dam. Provides that violation of the exclusion zones around a dam is a Class A misdemeanor. Provides that, except for willful and wanton misconduct, neither the Department of Natural Resources nor employees or agents of the Department shall be liable for damages, injuries, or deaths occurring at dams

located in public waters by reason of the Department's regulations. Removes language requiring low-head State-owned dams to be maintained so that any scour hole formed at the dam shall not exceed 2 feet below the riverbed in depth. Makes other changes. Effective immediately.

Requires that, beginning with the 2008-2009 school year, the parent or legal guardian of a female child entering the sixth grade for the first time must submit a statement signed by a physician to the effect that the parent or guardian received information on the connection between HPV and cervical cancer and verifying that the child received the HPV vaccine or that the parent or guardian, having received the information, elected not to have the child receive the HPV vaccine and that the child did not receive the HPV vaccine. Requires a school to include the number of HPV-vaccinated children in its report to the State Board of Education. Amends the Podiatric Medical Practice Act of 1987. Changes references from "Department of Professional Regulation" to "Department of Financial and Professional Regulation" and references from "Director of Professional Regulation" to "Secretary of Financial and Professional Regulation" throughout the Act. Includes amputations under certain conditions and the provision

of topical and local anesthesia and moderate and deep sedation within the definition of "podiatric medicine" or "podiatry". Provides that members of the Podiatric Medical Licensing Board may (instead of shall) receive as compensation a reasonable sum for each day actually engaged in the duties of the office and all legitimate and necessary expenses incurred in attending the meetings of the Board. Replaces the requirement that a person who is qualified for licensure as a podiatric physician be of good moral character with the requirement that he or she not have engaged in or not be engaged in any practice or conduct that constitutes grounds for disciplinary action under the Act or rules adopted under the Act. Provides that a civil penalty not to exceed \$10,000 (instead of \$5,000) shall be imposed for the unlicensed practice of podiatry. Requires the Department to determine the requirements for a visiting professor permit by rule. Requires the completion of continuing education at the rate of at least 50 (instead of 25) hours per year as a requirement for renewal of licensure. Makes changes in a Section concerning grounds for disciplinary action, including allowing the Department to impose fines not to exceed \$10,000 (instead of \$5,000) for each violation of the Act and changing certain time periods within which certain actions must be taken. Provides that summary reports shall be made available on the Department's web site (instead of sent by the Board to such institutions, associations, and individuals as the Director may determine). Makes other changes. Repeals a Section requiring the display of a license issued under the Act.

Changes references from "Department of Professional Regulation" to "Department of Financial and Professional Regulation" and from "Director of Professional Regulation" to "Secretary of Financial and Professional Regulation" throughout the Act. Removes a provision that requires the Department to issue a quarterly report to the Home Medical Equipment and Services Board of the status of all complaints related to the profession filed with the Department. Makes changes in a Section concerning the Board, including removing a provision that allows the Board to recommend to the Department rules that specify the medical equipment to be included under the Act, that set standards for licensure, professional conduct, and discipline of entities that provide home medical equipment and services, and that govern the safety and quality of home medical equipment and services. Makes changes in a Section concerning grounds for disciplinary action, including allowing the Department to impose a fine not to exceed \$10,000 (instead of \$1,000) for each violation and setting forth additional grounds for discipline under the Act. Provides for a civil penalty of \$10,000 (instead of \$5,000) to be paid to the Department for each offense of unlicensed practice. Allows the Department to inspect a licensee for compliance with the Act and to conduct random inspections upon renewal of a license (instead of requiring such inspections). Makes other changes. Repeals Sections concerning the initial issuance of a license under the Act and entities engaged in the profession prior to the effective date of the Act.

HOUSE FLOOR AMENDMENT NO. 2
