Replaces everything after the enacting clause. Amends the General Obligation Bond Act. Authorizes an additional \$16,000,000,000 in general obligation bonds, the proceeds of which, after payment of bond sale expenses, shall be deposited into the Pension Contribution Fund. Requires the board of trustees of each retirement system to ensure that at least 19% of the proceeds from the issuance of general obligation bonds under the General Obligation Bond Act are invested through qualified investment advisers who are a "minority owned business" or a "female owned business" as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. Makes other changes. Effective immediately.

In provisions amending the General Assembly Article of the Illinois Pension Code, provides that the Board of Trustees must ensure that at least 19% of the proceeds from the issuance of the general obligation bonds authorized by this amendatory Act are invested through qualified investment advisers who are a "minority owned business" or a "female owned business" as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (rather than are invested with the assistance of qualified financial consultants who are a "minority owned business" or a "female owned business").

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 788, as engrossed, would increase: General Obligation principal by \$16.0 billion; Potential General Obligation debt by \$33.0-\$40.0 billion; Debt service payments ranging from \$1.0-\$2.6 billion. Scenarios run of potential G.O. debt and debt service payments were made using different interest rates up to 5.95%, and different structures (excluding fixed principal payments not to be done if this amendment becomes law), and include

different estimates received from the Governor's Office of Management and Budget.

PENSION NOTE (Government Forecasting & Accountability)

The fiscal impact of SB 788, as engrossed, will depend in large measure on investment returns earned on pension bond proceeds. An actuarial analysis of future state contributions has not yet been completed.

30 ILCS 105/6z-43

Amends the State Finance Act. Makes a technical change in a Section concerning the Tobacco Settlement Recovery Fund.

SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

30 ILCS 105/6z-43

Adds reference to:

30 ILCS 105/8.46 new

Deletes everything after the enacting clause. Amends the State Finance Act. Provides that, beginning July 1, 2008 and through June 30, 2009, the Governor may direct the State Comptroller and the State Treasurer to transfer moneys from certain special funds into the General Revenue Fund. The amounts transferred may be used only to pay Medicaid obligations, State financial obligations that secure federal funds, or obligations of the State Board of Education. Provides that the amendatory Act may be cited as the Federal Transfer Maximization Law of 2008. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Adds 3 additional funds to the list of those funds exempted from being subject to transfers to the General Revenue Fund.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 790, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Office of the Comptroller)

Since the legislation does not specify which funds may be ultimately transferred to the General Revenue Fund, the Office is unable to determine the fiscal impact without knowing the identity of those funds. However, the Office issued the Traditional Budgetary Report (a copy is located in the House Journal Room) that lists the budgetary balances as of the end of fiscal year 2007 for all funds in the State Treasury and is enclosed for your information.

HOUSE COMMITTEE AMENDMENT NO. 1

30 ILCS 105/8.46 new

Adds reference to:

30 ILCS 105/1.1 from Ch. 127, par. 137.1

Replaces everything after the enacting clause. Amends the State Finance Act. Makes a technical change in a Section concerning the short title.

HOUSE FLOOR AMENDMENT NO. 5

30 ILCS 105/8.46 new

Replaces everything after the enacting clause. Amends the State Finance Act. Creates the FY09 Budget Relief Fund. Directs the Treasurer and Comptroller to transfer amounts in quarterly installments from various funds to the FY09 Budget Relief Fund. Provides that amounts may be expended from the Fund only pursuant to specific authorization by appropriation. Authorizes re-transfers to meet expenditure obligations. Deletes everything after the enacting clause. Amends the Illinois Lottery Law, the State Finance Act, the Illinois Procurement Code, the Court of Claims Act, and the State Suits Immunity Act. Provides that the State may enter into a Management and Concession Agreement with a third party in which the third party is authorized to manage or operate the Lottery. Provides that the agreement shall be subject to a competitive process that complies with the Procurement Code. Sets forth certain terms for the agreement, including the minimum consideration to be paid to the State. Provides that proceeds from the concession transaction shall be deposited into certain special funds. Provides for the appointment of a 7-member Lottery Control Board. Requires the advice and consent of the Senate. Sets forth the terms and compensation of the members. Contains ethics provisions. Provides that the terms of the members of the existing Lottery Control Board shall terminate on May 31, 2008 or when all of the new members have been appointed, whichever occurs later. Requires the Concessionaire to prepare and provide to the State a list of all agents that have been engaged by the Concessionaire to distribute lottery tickets. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Further amends the Illinois Lottery Law. With respect to the Illinois Education Trust Fund, provides that the Treasurer shall make all reasonable efforts to accrue "the highest attainable return on investment" (instead of a return on investment of at least 5% per annum). Provides that the Lottery Concession Trust Fund is created for the purpose of transferring to the State its 20% share of gross revenues after prize payouts (in addition to the purpose of holding Concession revenues).

SENATE FLOOR AMENDMENT NO. 5

Provides that the Lottery Control Board shall review all contracts entered into by the Concessionaire with an aggregate amount of \$50,000 (instead of \$100,000).

SENATE FLOOR AMENDMENT NO. 6

Provides that a State constitutional officer or member of the General Assembly, or any entity from which the officer or member receives compensation, may not have a direct interest in any entity that owns, is owned by, or is under common control with the Concessionaire.

SENATE FLOOR AMENDMENT NO. 7

Provides that not less than \$5,000,000,000 of the proceeds from a management and concession agreement must be delivered on the date the agreement becomes effective and the remaining amounts must be delivered within 2 years after that date. Provides that, of the first \$10,000,000,000 of the proceeds of the management and concession agreement, 70% shall be deposited into the Illinois Works Fund and 30% shall be deposited into the Illinois Education Trust Fund.

SENATE FLOOR AMENDMENT NO. 8

Reinserts similar provisions to Senate Amendment 4. Provides that the term "executive employee" means the President, Chairman, Chief Executive Officer, or other employee with executive decision-making authority over the long-term and day-to-day affairs of the Concessionaire, or an employee whose compensation is determined directly, in whole or in part, by the award of or payment pursuant to the Management and Concession Agreement.

SENATE FLOOR AMENDMENT NO. 9

Provides that the bill takes effect upon becoming law, but only if and not until all of the following House Bills of the 95th General Assembly become law: 1496, 2651, 4723, 5618, and 6339.

Replaces everything after the enacting clause. Amends the Illinois Horse Racing Act of 1975 and the Riverboat Gambling Act. In provisions amending the State Finance Act, makes changes concerning distributions from the FOCUS Fund and adds various funds to the provisions prohibiting the Governor from making transfers to the General Revenue Fund.
