Replaces everything after the enacting clause. Amends the General Obligation Bond Act. Authorizes an additional \$16,000,000,000 in general obligation bonds, the proceeds of which, after payment of bond sale expenses, shall be deposited into the Pension Contribution Fund. Provides that the term for these bonds may not exceed 30 years, with payment of principal beginning in the first State fiscal year following the fiscal year of issuance and including periodic increases in principal payments thereafter. Amends the Illinois Pension Code in relation to the 5 State-funded retirement systems. Provides amounts for the fiscal year 2009 State contribution payment for each system. Provides that for each of State fiscal years 2010 through 2038, the State contribution to each system shall be increased in an annual amount equal to the increase from the required State contribution from the preceding year plus 3%, so that by State fiscal year 2038, the State is contributing at the rate required to have the assets of the System

at 90% of the total actuarial liabilities of the System. Requires the board of trustees of each retirement system to ensure that at least 19% of the proceeds from the issuance of general obligation bonds under the General Obligation Bond Act are invested through qualified investment advisers who are a "minority owned business" or a "female owned business" as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that the investment contract or other investment asset purchased by the Governor's Office of Management and Budget at the request of the Illinois State Board of Investments or state pension system shall be in an amount specified by the Illinois State Board of Investments or state pension system, provide for a guaranteed minimum interest rate, be with an issuer satisfactory to the Illinois State Board of Investments or state pension system, and have a credit rating of A3 or higher from Moody's Investor Services or A- or higher from Standard & Poor's. In provisions amending the General Assembly Article of the Illinois Pension Code, provides that the Board of Trustees must ensure that at least 19% of the proceeds from the issuance of the general obligation bonds authorized by this amendatory Act are invested through qualified investment advisers who are a "minority owned business" or a "female owned business" as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (rather than are invested with the assistance of qualified financial consultants who are a "minority owned business" or a "female owned business").

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 788, as engrossed, would increase: General Obligation principal by \$16.0 billion; Potential General Obligation debt by \$33.0-\$40.0 billion; Debt service payments ranging from \$1.0-\$2.6 billion. Scenarios run of potential G.O. debt and debt service payments were made using different interest rates up to 5.95%, and different structures (excluding fixed principal payments not to be done if this amendment becomes law), and include different estimates received from the Governor's Office of Management and Budget.

PENSION NOTE (Government Forecasting & Accountability)

The fiscal impact of SB 788, as engrossed, will depend in large measure on investment returns earned on pension bond proceeds. An actuarial analysis of future state contributions has not yet been completed.

305 ILCS 5/9A-11

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. In provisions concerning child care for TANF recipients, provides that the income threshold for child care benefits must be no less than 200% (instead of 185%) of the federal poverty level. Eliminates references to particular fiscal years. Provides that the amount of a family's co-payment for child care benefits shall not exceed the sum of the following: 3% of the family's countable income, if any, that is not more than 100% of the federal poverty level; plus 7% of the family's countable income, if any, that is more than 100% of the federal poverty level but not more than 150% of the federal poverty level; plus 12% of the family's countable income, if any, that is more than 150% of the federal poverty level but not more than 200% of the federal poverty level. Provides that if a family's countable income is less than 50% of the federal poverty level, the family's co-payment shall be \$1 per week. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in SB 1167 (H-AM 1), therefore, there are not appraisals to be filed.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1167 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This legislation extends and expands several extant Acts designed to create a pool of monies to be used for consumer protection acts. This guarantee fund shall be raised by means if an annual levy on all residential property within the territory of the program having at least one, but not more than six dwelling units and classified as residential. The changes to these Acts are designed for the purpose of protecting first time homebuyers, and of providing low interest loans for foreclosure protection should homebuyers fall victim to unscrupulous mortgage brokers and/or lenders. This legislation also provides for the use of this pool of funds, in areas that approve this legislation, for low interest rehabilitation loans once a base amount in the fund is attained. This legislation also provides that a predatory lending database program for Cook County be established. Creation of these programs is conditioned upon local voter approval. In areas where voters approve the creation of these programs, the cost of owning a single family home would increase however there is insufficient information to calculate an exact cost, due to the fact that the levy amounts and individual home owner's property assessments will vary.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1167 (H-AM 1) will have no fiscal impact on any pension fund or retirement system in the State of Illinois.

FISCAL NOTE (Financial & Professional Regulation)

SB 1167 would expand the scope of the Predatory Lending Database Program to include all of Cook County. This would result in an approximate annual negative fiscal impact of \$1,434,000 on the Illinois Department of Financial and Professional Regulation including the increase in an EDP contract of (\$600,000) and the hiring of 9 additional employees (primarily examiners & investigators).

Permits a unit of local government to require homeowners who maintain a private sewage disposal system within the unit of local government to provide verification, on an annual basis, to the unit of local government of a valid contract with a licensed private sewage disposal system installation contractor. SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced with the following changes. Permits a unit of local government to require homeowners who maintain a private sewage disposal system within the unit of local government to provide verification, no more frequently than once every 3 years (rather than on an annual basis), to the unit of local government of a valid contract with a licensed private sewage disposal system installation contractor. Provides that no additional fee may be charged for such verification. Effective immediately.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 1174, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

SB 1174 does not create a State mandate under the State Mandates Act.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

SB 1174 does not pre-empt home rule authority.

SB 1174, as engrossed, will have no fiscal impact on any public pension fund or retirement system in the State of Illinois.

FISCAL NOTE (Dept. of Public Health)

SB 1174, as engrossed, will not have a fiscal impact on the Illinois Department of Public Health. Amends the Illinois Income Tax Act. Provides that, for 5 taxable years, each taxpayer is entitled to an income tax credit for an investment in a qualified venture capital fund in Illinois. Provides that (i) the fund must have its primary office in Illinois (ii) at least 50% of the total number of investments in the fund's portfolio must be in companies that are based in Illinois. The amount of the credit is based on several factors: economic need of the region in Illinois where the investment occurs, the population of the county in Illinois where the investment occurs, whether the company invested in is an Illinois company that is minority or women owned, and whether the investment is a seed-level investment in an Illinois company. The taxpayer may receive a credit in the amount of 10% of the taxpayer's investment if the investment meets one of the factors and 20% if the investment meets more than one of the factors. But the taxpayer is not eligible for the credit until the fund makes an investment in Illinois. Provides that the tax credit may not reduce the taxpayer's liability to less than zero, but may be carried forward for 5 years. Effective immediately.

Adds reference to:
 220 ILCS 5/16-118
 220 ILCS 5/20-130 new
 815 ILCS 505/2EE

Deletes everything after the enacting clause. Reinserts the contents of the engrossed bill with the following changes. Amends the Public Utilities Act. Provides that an electric utility with more than 100,000 customers shall file a tariff that provides (1) alternative retail electric suppliers and electric utilities other than the electric utility in whose service area the retail customers are located with the option to have the electric utility purchase their receivables for power and energy service provided to retail customers with a non-coincident peak demand of less than 400 kilowatts; and (2) alternative retail electric suppliers or electric utilities other than the electric utility in whose service area retail customers are located with the option to have the electric utility produce and provide single bills to the retail customers for both the services provided by the alternative retail electric supplier or other electric utility and the delivery services provided by the electric utility to the customers. Provides that within 45 days after the effective date of the amendatory Act, each electric utility with more than 100,000 customers in this State shall file a tariff pursuant to Article IX of the Act that provides alternative retail electric suppliers with the option to have the electric utility purchase 2 billing cycles worth of uncollectible receivables for power and energy service provided to a retail customer with a non-coincident peak demand of less than 400 kilowatts upon returning that customer to that electric utility for delivery and energy service after that alternative retail electric supplier has made reasonable collection efforts on that account. Provides that the Commission shall have the authority to establish retail choice and referral programs to be administered by an electric utility or the State in which residential and small commercial customers receive incentives for switching to participating electric suppliers. Provides that reasonable costs associated with the implementation and operation of customer choice and referral programs may be recovered in an electric utility's distribution rates. Provides that the Office of Retail Market Development shall serve as the clearinghouse for the development of retail choice and referral programs and shall work with electric utilities and interested parties on a continuous basis to implement and improve upon the programs. Provides that only customers that qualify for utility service shall be eligible for retail choice and referral programs. Provides that the Office of Retail Market Development shall immediately upon the effective date of the amendatory Act explore for possible implementation on an expedited basis as possible specified retail choice and referral programs. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that an electric service provider shall not submit or execute a change in a subscriber's selection of a provider of electric service unless and until the request for a change has been confirmed in accordance with specified procedures. HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:
 220 ILCS 5/8-205.5 new
 220 ILCS 5/16-102
 220 ILCS 5/16-103

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill, as amended by House Amendment No. 1, with the following changes. Provides that

notwithstanding any other provision of the Act or any other law to the contrary, a public utility that, on December 31, 2005, served at least 100,000 electric customers in Illinois may not terminate electric service to a residential customer for nonpayment prior to March 31, 2008. Provides that electric utilities that serve at least 1,000,000 customers must provide tariffed service to Unit Owners' Associations for condominium properties that are not restricted to nonresidential use at rates that do not exceed the rates offered to residential customers. Provides that within 10 days after the effective date of the amendatory Act, each electric utility shall provide the tariffed service to Unit Owners' Associations required by specified provisions and shall reinstate any all-electric discount applicable to any Unit Owners' Association that received such a discount on December 31, 2006. Provides that a discount rate shall be based on the electric utility's historical bad debt and any reasonable start-up costs (instead of only historical bad debt) and administrative costs associated with the electric utility's purchase of receivables. Provides that the discount rate shall be subject to periodic review by the Illinois Commerce Commission (instead of periodic reconciliations and Commission review). Provides that the tariff filed pursuant to specified provisions may also include other just and reasonable terms and conditions and shall provide for the prudently incurred costs associated with the provision of this service. Changes specific references to services provided by alternative retail electric suppliers from "services" to "electric power and energy service". Provides that the electric utility retains the right to impose the same terms on these retail customers with respect to credit and collection. Provides that the electric utility shall recover the cost of such uncollectable receivables purchased as well as any prudently incurred administrative expenses incurred in connection with specified provisions through its tariff filing implementing the service (instead of delivery case filings) with the Commission but shall not permit the double recover of utility bad debt expenses from customers. Changes provisions concerning the selection of an electric service provider. In a provision concerning third-party verification methods, provides that the price of the service to be supplied and the material terms and conditions of the service being offered, including whether any early termination fees apply may be elicited. Requires a prospective electric supplier to obtain information from a phone call from a subscriber to include (i) the service address of the supply to be switched; and (ii) the price of the service to be supplied and the material terms and conditions of the service being offered, including whether any early termination fees apply. Adds provisions allowing a subscriber whose electric service has been provided by an electric service supplier in a manner not in compliance with specified provisions to file a complaint with the Commission, and includes penalties. Makes technical changes. Adds an immediate effective date.

HOUSE FLOOR AMENDMENT NO. 4

Provides that an electric utility with more than 100,000 customers shall file a tariff pursuant to specified provisions may also include other just and reasonable terms and conditions and shall provide (instead of provide) for the recovery of prudently incurred costs associated with the provision of service pursuant to specified provisions. HOUSE FLOOR AMENDMENT NO. 5

Makes a technical change. HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1302 (H-AM 1) does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1305 (H-AM 1) creates a non reimbursable State Mandate.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1305 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1305 (H-AM 1) does not directly impact any of the benefit provisions or funding of any of the affected public pension funds or retirement systems. It is unknown what impact, if any, the provisions relating to the selection and retention of investment

advisors and consultants will have on the various pension funds.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Central Management Services)

The one-time cost associated with increased leasing, administrative, legal, and technical staff resources necessary to process the backlog of holdover leases is estimated at approximately \$2 million. The ongoing annual cost associated with permanent staffing changes necessary to process all future leases within the new guidelines is estimated at \$613,000. In addition, this law would create upward pressure on lease prices due to the limited amount of negotiating time for the State. While no specific impact can be estimated at this point, every 1% increase in overall lease prices would equate to \$1.2 million increased annual costs based on the State's current lease portfolio. Finally, there would be costs associated with legal representation in eviction proceedings as the State would be statutorily unable to pay landlords in some cases. These costs are indeterminable at this time. Other changes made by SB 1305 (H-AM 1) will have a minimal administrative impact on the Department of Central Management Services.

820 ILCS 175/20
 820 ILCS 175/30

Amends the Day and Temporary Labor Services Act. Provides that a day and temporary labor service agency or a third party client or a contractor or agent of either may charge a fee to transport a day or temporary laborer to or from a designated work site of up to 4% of the straight time daily wages earned for transportation to a work site and 4% of the straight time daily wages earned for transportation from the work site back to the agency's office. Provides that if a third party client's hours of work report that is given to a day and temporary labor service agency for a laborer includes payroll information covering more than one day in the work week, the day and temporary labor service agency may show on the paycheck stub or other approved form the combined number of hours worked for that client in the week rather than the hours worked each day. Provides that a deduction from a day or temporary laborer's wages for transportation is permitted even if the deduction causes the laborer's hourly wage to fall below the State or federal minimum wage if the day or temporary laborer provides a written authorization for the transportation deduction at the time the transportation service is provided.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:
 820 ILCS 175/20

Replaces everything after the enacting clause, and re-inserts language providing that if a third party client's hours of work report that is given to a day and temporary labor service agency for a laborer includes payroll information covering more than one day in the work week, the day and temporary labor service agency may show on the paycheck stub or other approved form the combined number of hours worked for that client in the week rather than the hours worked each day.

SENATE FLOOR AMENDMENT NO. 5

Adds reference to:
 820 ILCS 175/5
 820 ILCS 175/12

Deletes everything after the enacting clause and makes the following changes. Changes the definition of "day and temporary labor" to work performed by a day or temporary laborer at a

third party client, the duration of which may be specific or undefined, pursuant to a contract or understanding between the day and temporary labor service agency and the third party client. In provisions requiring a day and temporary labor service agency to keep specified records when it sends a day or temporary laborer to work for a third party client, provides that "the third party client shall be required to remit all information required under this subsection to the day and temporary labor service agency no later than 7 days following the last day of the work week worked by the day or temporary laborer" and "failure of a third party client to remit such information to a day and temporary labor service agency shall not be a defense to the recordkeeping requirement". Provides that failure by a third party client to remit time records to the day and temporary labor service agency in accordance with specified requirements constitutes a notice violation by a third party client under the Act unless the third party client has been precluded from submitting the time records for reasons beyond its control, and that a failure by the third party client to provide time records in accordance with specified requirements is not a notice violation and shall not be the basis for a suit or other action under specified provisions of the Act against the day and temporary labor service agency. Provides that failure to receive the information from the third party client is no defense to specified recordkeeping requirements. In provisions requiring a day and temporary to include the number of hours worked by the day or temporary laborer in the itemized statement it gives to a day or temporary laborer, provides that if the day or temporary laborer is assigned to work at the same work site of the same third party client for multiple days in the same work week, the day and temporary labor service agency may record a summary of hours worked at that third party client's worksite so long as the first and last day of that work week are identified as well. Makes other changes. Effective immediately.

Amends the Criminal Identification Act. Provides that every county medical examiner and coroner shall provide to the Department of State Police a sample of saliva or tissue from a dead body for DNA fingerprint analysis if the Department notifies the medical examiner or coroner that the Department has determined that providing that sample may be useful for law enforcement purposes in a criminal investigation. SENATE COMMITTEE AMENDMENT NO. 1

Requires a coroner, as well as a medical examiner, to provide a tissue sample at the request of a local law enforcement agency.

HOUSE COMMITTEE AMENDMENT NO. 1

730 ILCS 125/17

from Ch. 75, par. 117

Replaces everything after the enacting clause. Amends the County Jail Act. Provides that if a person confined in a county jail is in need of medical services and is determined eligible for medical assistance under the Illinois Public Aid Code at the time the person is detained (rather than has already been determined eligible for medical assistance under the Illinois Public Aid Code at the time the person is initially detained pending trial), the cost of such services, to the extent such cost exceeds \$500, shall be reimbursed by the Department of Healthcare and Family Services under that Code. Provides that "medical expenses" include medical and hospital services but do not include expenses incurred for medical care or treatment provided to a person on account of a self-inflicted injury incurred prior to or in the course of an arrest. Provides that when medical services are required by any person held in custody, the county, private hospital, physician, or any public agency which provides such services shall be entitled to obtain reimbursement from the county. Eliminates the ability of such entities to obtain reimbursement from the Arrestee's Medical Costs Fund. Changes the name of the Arrestee's Medical Costs Fund to the County Jail Medical Costs Fund. 305 ILCS 5/5-1.2

Amends the Illinois Public Aid Code. In provisions concerning Medicaid recipient eligibility verification, provides that effective July 1, 2007, all changes in the status of Medicaid recipients residing in Illinois nursing facilities after initial eligibility for Medicaid has been established shall be reported by the nursing facilities to the Department of Healthcare and Family Services using the Recipient Eligibility Verification system. Provides that all changes reported using the Recipient Eligibility Verification system shall be deemed valid and shall be used as the basis for determining future eligibility for Medicaid until such time as any review or audit conducted by the Department shall establish that the information is incorrect. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces the bill's amendatory changes to the Illinois Public Aid Code with respect to Medicaid recipient eligibility verification. Provides that effective October 1 (instead of July 1), 2007, all changes in status of Medicaid recipients residing in Illinois nursing facilities after initial eligibility for Medicaid has been established shall be reported to the Department of Healthcare and Family Services, using an Internet-based electronic data interchange system (instead of the Recipient Eligibility Verification system), by the nursing facilities, except for those changes made by personnel of the Department. Provides that changes reported using the Internet-based electronic data interchange system shall be deemed valid and shall be used as the basis for future Medicaid payments (instead of for determining future eligibility for Medicaid) unless Department approval of the transaction is required, or until such time as any review or audit conducted by the State establishes that the information is incorrect.

SB-1350 RONEN.

305 ILCS 5/5-4.2 from Ch. 23, par. 5-4.2

Amends the Illinois Public Aid Code. Provides that under the Medicaid program, beginning July 1, 2007, the Department of Healthcare and Family Services shall not reimburse for any transportation by medi-car or service car unless the provider of the transportation has certified that the driver has completed a safety training program approved by the Department to protect both the patient and the driver. Provides that the Department may by rule provide for an initial 6-month transition program to get all providers and drivers trained by January 1, 2008, or within 3 months of hiring. Provides that the training program may include a requirement for re-training every 3 years. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces the bill's amendatory changes to the Illinois Public Aid Code with respect to ambulance services payments. Provides that beginning with services rendered on or after July 1, 2008 (instead of July 1, 2007), all providers of non-emergency medi-car and service car transportation must certify that the driver and employee attendant, as applicable (instead of only the driver), have completed a safety program approved by the Department of Healthcare and Family Services to protect both the patient and the driver, prior to transporting a patient. Provides that the provider must maintain this certification in its records and produce such documentation upon demand by the Department or its representative. Provides that failure to produce documentation of such training shall result in recovery of any payments made by the Department for services rendered by a non-certified driver or employee attendant. Provides that providers must recertify all drivers and employee attendants every 3 years.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that any public transportation provider of medi-car and service car transportation that receives certain federal funding need not certify its drivers and employee attendants, since safety training is already federally mandated.

220 ILCS 5/16-115C new

Amends the Electric Service Customer Choice and Rate Relief Law of 1997 in the Public Utilities Act. Requires the licensure of an agent, broker, or consultant engaged in the procurement or sale of retail electricity supply for third parties by the Illinois Commerce Commission. Includes provisions concerning requirements for licensure, the filing of annual reports with the Commission, and penalties for violation. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Makes a technical correction.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the engrossed bill with the following changes. Provides that the provisions concerning the licensure of agents, brokers, and consultants engaged in the procurement or sale of retail electricity supply for third parties by the Illinois Commerce Commission shall not apply to a retail customer that operates or manages either directly or indirectly any facilities, equipment, or property used or contemplated to be used to distribute electric power or energy if that retail customer is a political subdivision or public institution of higher education of the State, or any corporation, company, limited liability company, association, joint-stock company or association, firm, partnership, or individual, or their lessees, trusts, or receivers appointed by any court whatsoever that are owned or controlled by the political subdivision, public institution of higher education, or operated by any of its lessees or operating agents. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the engrossed bill with the following changes. Provides that agents, brokers, and consultants engaged in the procurement or sale of retail electricity supply for third parties does not include any person or entity that is attempting to procure on behalf of or sell retail electric service to a third party that has aggregate billing demand of all of its affiliated electric service accounts in Illinois of greater than 1,500 kW. Deletes certain requirements for licensure as an agent, broker, or consultant engaged in the procurement or sale of retail electricity supply by third parties. Deletes a provision that provides that a license shall expire on April 30 of each year unless a renewal order is issued by the Illinois Commerce Commission. Provides that any person or entity required to be licensed under specified provisions must (1) disclose to all persons it solicits the existence of any contracts with retail electric suppliers or their affiliates regarding retail electric service in Illinois (instead of not specifying regarding retail electric service in Illinois) and the nature of those contract or contracts and (2) not hold itself out as independent or unaffiliated with any supplier, or both, or use words reasonably calculated to give that impression, unless the person offering service under specified provisions has no contractual relationship with any retail electricity supplier or its affiliates regarding retail electric service in Illinois (instead of not specifying retail electric service in Illinois). Adds language providing that any person or entity licensed under specified provisions shall file with the Commission a verified report detailing (1) any and all contractual relationships that it has with the certified electricity suppliers in the State regarding retail electric service in Illinois (rather than not specifying that the report be in regards to retail electric service in Illinois), and (2) the distribution of its customers with the various certified electricity suppliers during the prior calendar year in Illinois (rather than not specifying Illinois). Provides that the Commission shall have jurisdiction over disciplinary proceedings and complaints (instead of exclusive jurisdiction over all disciplinary proceedings and complaints) for violations of specified provisions. Provides that the provisions concerning the licensure of agents, brokers, and consultants engaged in the procurement or sale of retail electricity supply for third parties by the Illinois Commerce Commission shall not apply to a retail customer that operates or manages either directly or indirectly any facilities, equipment, or property used or contemplated to be used to distribute electric power or energy if that retail customer is a political subdivision or public institution of higher education of the State, or any corporation, company, limited liability company, association, joint-stock company or association, firm, partnership, or individual, or their lessees, trusts, or receivers appointed by any court whatsoever that are owned or controlled by the political subdivision, public institution of higher education, or operated by any of its lessees or operating agents. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 5

Removes provisions requiring a licensed person or licensed entity (1) to disclose to all persons it solicits the existence of any contracts with retail electric suppliers or their affiliates regarding retail electric service in Illinois and the nature of those contract or contracts; and (2) to provide to all persons it solicits a list of all retail electric suppliers authorized to serve that person per the then-current list of suppliers on the Illinois Commerce Commission's website.

Requires a licensed person or entity to disclose in plain language in writing to all persons it solicits the total anticipated remuneration to be paid to it by any third party over the period of the proposed underlying customer contract. Provides that a report required to be filed no later than March 1 of each year with the Commission by any licensed person or entity (1) shall not be required to contain customer-identifying information, and (2) shall include a copy of its verified (rather than audited) financial statement. Makes technical changes.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends deleting language providing that agents, brokers, and consultants engaged in the procurement or sale of retail electricity supply for third parties does not include (1) any entity licensed as an alternative retail electric supplier pursuant to specified provisions offering retail electric service on its own behalf, (2) any person acting exclusively on behalf of a single alternative retail electric supplier on condition that exclusivity is disclosed to any third party contracted in such agent capacity, or (3) any person or entity that is attempting to procure on behalf of or sell retail electric service to a third party that has aggregate billing demand of all of its affiliated electric service accounts in Illinois of greater than 1,500 kW.

SB-1369 CLAYBORNE-HAINE, MILLNER, RIGHTER AND RUTHERFORD.

New Act

Creates the Prison Litigation Reform Act. Provides that the court, on its own motion or on the motion of a party, shall dismiss any inmate suit relating to the conditions of confinement or the effects of actions by government officials on the lives of persons confined in prison if the court is satisfied that the action is frivolous, is malicious, seeks monetary relief from a defendant who is immune from such relief, or fails to state a cause of action based upon which relief can be granted. Provides that if the court makes a determination to dismiss a suit based on the content, or lack thereof, of the complaint, the court may dismiss the underlying claim without first requiring the exhaustion of administrative remedies. Provides that before service of process on the defendants, the court shall review the complaint in any civil action in which an inmate seeks redress from a governmental entity or officer or employee of a governmental entity. Provides that in any inmate suit in which attorney's fees are authorized, such fees shall be awarded only to the extent they were directly and reasonably incurred in proving an actual violation of the plaintiff's rights protected by a statute pursuant to which fees may be awarded, and the amount of the fee is proportionately related to the court-ordered relief for the violation or the fee was directly and reasonably incurred in enforcing the relief ordered

for the violation. Provides that an inmate may not bring a civil action or appeal a judgment in a civil action or proceeding in forma pauperis if the inmate has, on 3 or more prior occasions while incarcerated or detained in any facility, brought an action or appeal in a State court that was dismissed on the grounds that it was frivolous or malicious, unless the inmate is in imminent danger of serious physical injury.

Amends the Beer Industry Fair Dealing Act. Defines "brand extension" as a brand that incorporates all or a substantial part of the features of a pre-existing brand of the same brewer and that relies to a significant extent on the good will associated with the pre-existing brand. Provides that a brewer may not fail to assign brand extensions to a wholesaler who has been granted the territory to the brand from which the brand extension resulted and who agrees to accept the brand extension, but this requirement does not apply if the wholesaler is not in compliance with the agreement at the time the brewer offers the brand extension to the wholesaler. Provides that a brewer who, under an agreement with a wholesaler that does not violate antitrust laws, has designated a sales territory for which the wholesaler is exclusively (rather than primarily) responsible or in which the wholesaler is required to concentrate its efforts, may not enter into an agreement with any other wholesaler to establish an additional wholesaler for the brewer's brand or brand extension in the territory. Provides that a wholesaler who, under an agreement is granted a sales territory for which it is exclusively (rather than primarily) responsible or in which it is required to concentrate its efforts may not sell or deliver beer to any retail licensee whose place of business is not within the territory granted to the wholesaler. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

- 815 ILCS 720/1.1
- 815 ILCS 720/5

Adds reference to:

- 95SB0500enr, Sec. 35

Replaces everything after the enacting clause. If Senate Bill 500 of the 95th General Assembly becomes law, amends the Smoke Free Illinois Act to allow smoking in that portion of a riverboat where gambling operations are conducted pursuant to the Riverboat Gambling Act. Provides that this exemption from the Act's general ban on smoking in certain places applies to each individual riverboat for 5 years after the effective date of the amendatory act or until the state, other than Illinois, closest in proximity to that individual riverboat, as determined

by the Illinois Gaming Board, bans smoking by law in similar facilities, whichever occurs first.
 JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1370 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1370 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

Corrections Population Impact: None

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

Fiscal Impact: None

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in SB 1370 (H-AM 1), therefore, there are no appraisals to be filed.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Revenue)

The Department of Revenue cannot determine the fiscal impact of this bill, but it would have a positive fiscal impact. It would increase the Cigarette Tax Act, Cigarette Use Tax Act, Retailers' Occupation Tax Act, and the Use Tax Revenues by approximately \$250,000 per year. Additionally, House Amendment 1 would have an undetermined positive fiscal impact on revenues collected under the admissions and wagering taxes imposed under the Riverboat Gambling Act.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate under the State Mandates Act.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This legislation does not pre-empt home rule authority.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Gov. Office of Mgmt & Budget)

SB 1370 (H-AM 1) will increase the Cigarette Tax Act, Cigarette Use Tax Act, Retailers' Occupation Tax Act, and Use Tax Act revenues at least \$250,000, an immaterial impact to the Fiscal Year 2008 budget.

Amends the Environmental Protection Act. In a Section regarding the control and reduction of emissions from fossil fuel-fired electric generating plants, provides that the Section is not intended to limit or restrict the authority of the Illinois Environmental Protection Agency to propose, or the Illinois Pollution Control Board to adopt, any regulations applicable or that may become applicable to these facilities that are required by federal law or that are otherwise part of the State's plan to attain the national ambient air quality standards or that are necessary to comply with the requirements of the federal Clean Air Act (now, just the applicable regulations required by federal law). Deletes a provision requiring the Board to adopt certain sulfur dioxide regulations and emission standards for existing fuel combustion stationary emission sources. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

415 ILCS 5/9.10

Deletes everything after the enacting clause. Amends the Environmental Protection Act. Gives the Illinois Pollution Control Board the express authority to adopt (instead of not restricting the Board from adopting) regulations and emission standards concerning stationary emission sources that are (i) required by federal law; (ii) otherwise part of the State's attainment plan and are necessary to attain the national ambient air quality standards; or (iii) are necessary to comply with the requirements of the federal Clean Air Act. Effective immediately.

FISCAL NOTE (Illinois Environmental Protection Agency)

SB 1419 would not have any fiscal impact on the Illinois EPA. However, the State could potentially face federal sanctions if this bill is not enacted and the CAIR rule is not adopted.

SB-1434 CULLERTON.

New Act

Creates the Citizen Participation Act. Applies to motions in cases concerning SLAPP lawsuits (Strategic Lawsuits Against Public Participation) that have been filed to discourage citizen participation in government. Requires courts to decide those motions within 90 days. Provides that discovery is suspended pending a decision on the motion. Allows discovery on certain issues upon leave of court. Requires that the motion be granted and the claim dismissed unless the responding party produces clear and convincing evidence that the moving parties' acts are not immunized under this Act. Provides for attorney's fees and costs to be awarded to the prevailing moving party. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Further amends the Citizen Participation Act. Provides that the threat of SLAPPs (instead of SLAPPs, personal liability, and burdensome litigation costs) significantly chills and diminishes citizen participation in government, voluntary public service, and the exercise of these important constitutional rights.

SB-1448 SANDOVAL.

New Act

Creates the Access to Governmental Services Act. Requires each constitutional officer, State agency, circuit court clerk, and State program to take reasonable steps to provide equal access to public services for individuals with limited English proficiency, including: (i) having a sufficient number of qualified bilingual persons in public contact positions or as interpreters and (ii) translation of important documents ordinarily provided to the public into any language spoken by at least 3% of the overall population of the State, as measured by the U.S. Census. Requires the Illinois Human Rights Commission to implement a process to address disputes arising under the Act.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with substantially the same provisions, except for the following: provides that each State agency, constitutional officer, circuit court clerk, and State program shall adopt rules under the Act not more than (instead of, not less than) 6 months after the effective date.

FISCAL NOTE (Dept. of Employment Security)

The Department of Employment Security estimates it would incur in excess of \$13 million in additional administrative costs as a result of SB 1448 (S-AM 1), but the fully stated total cost of the measure is not currently quantifiable.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with substantially the same provisions, except that each State agency, constitutional officer, and State program (instead of State agency, constitutional officer, circuit court clerk, or State program) shall: (1) be subject to the Act; and (2) adopt rules under the Act not more than (instead of not less than) 6 months after the effective date.

SENATE FLOOR AMENDMENT NO. 5

Further amends the Access to Governmental Services Act. Provides that "Equal access" means to be able to interact with a State agency or constitutional office at a level equal to individuals who do not have limited English proficiency (instead of to be informed of, participate in, and benefit from public services offered by a State agency, constitutional office, or a State program). Deletes definition of "State program" and the applicability of the Act to "State programs". Provides that each State agency and constitutional officer shall take reasonable steps including the development and implementation of pilot programs or phase-in plans to provide equal access for individuals with limited English proficiency, including translations of important documents (instead of each State agency, constitutional officer, and State program shall take reasonable steps to provide equal access to public services). Provides for the translation of important documents into the (instead of any) language spoken by any limited English proficient population that is at least 3% of the State's population. Provides that the Department of Human Rights (instead of the Illinois Human Rights Commission) shall implement a process to handle disputes concerning "important documents" and bilingual public contact positions. Makes other corresponding changes.

FISCAL NOTE (Capital Development Board)

The Capital Development Board presently has a bi-lingual staff person who serves the Northern third of the State for all Hispanic related translation needs. The remainder of

the State does not have weekly interaction with individuals who require such services. CDB holds outreach conferences to attract minority and female owned businesses to become a part of the construction program. There would be a cost to translate the outreach materials into Spanish. The estimated cost is \$15,000.

FISCAL NOTE (Office of the Secretary of State)

SB 1448 has a minimal fiscal impact on the Secretary of State's Office.

FISCAL NOTE (Dept. of Human Rights)

The fiscal impact of SB 1448 is as follows: Personal Services = \$112,200; Employer Retirement (11.53%) = \$12,937; Social Security (7.65%) = \$8,583; Training = \$5,000; Overhead Expenses = \$10,800; Total Fiscal Impact = \$149,520.

FISCAL NOTE (Dept. of Central Management Services)

The Department of Central Management Services estimates the cost of this legislation to be as follows: (1) Translation of documents - \$1,500,000-\$2,000,000, Per Language; (2) Web Page Translation and Maintenances & Computer Updates - CMS manages over 5,000 web pages, which would all require changes and ongoing maintenance. The one time changes would be in the tens of millions of dollars to convert to foreign languages. Ongoing maintenance would require 2-3 FTEs, per language, averaging approximately \$360,000 per year; (3) Public Facing Bi-Lingual Personnel - \$100,000 fully loaded cost per individual employee. Full staffing ration needed to satisfy this legislation is unknown at this time.

FISCAL NOTE (Office of the Auditor General)

The fiscal impact for SB 1448 is as follows: 1 contractual interpreter @ \$35 per hour for 150 hours = \$5,250; Miscellaneous commodities = \$200; Total Pilot Cost = \$5,450.

FISCAL NOTE (Admin Office of the Illinois Courts)

While an increase on the demand for judicial resources would be necessary to comply with this Act, in addition to demands on judicial-related county resources, the specific fiscal impact cannot be determined at this time.

FISCAL NOTE (Financial & Professional Regulation)

SB 1448 (S-AM 1, 3, 5) will have a minimal fiscal impact to the Illinois Department of Financial and Professional Regulation. Documents for transactions does not include licensing documents so there would be a minimal fiscal impact to the agency. However, this legislation may subject other State agencies to additional fiscal responsibilities.

New Act

Creates the Negative Use Restriction Act. Contains findings. Provides that a private agreement that purports to impose a recorded negative use restriction with a term of more than one year upon real property so as to prohibit or have the economic or practical effect of prohibiting the use of the real property for grocery store or drug store purposes after the owner or operator of a grocery store or drug store in excess of 7,500 square feet has terminated operations at the site is against public policy and is void and unenforceable. Creates an exception in the case of an owner or operator of a grocery store or drug store that terminates operations at a site for the purpose of relocating those operations into a comparable or larger grocery store or drug store located within one-half mile of the site if certain conditions are met, and permits a unit of local government that exercises zoning powers to change certain conditions under specified circumstances. Provides that a violation is a petty offense punishable by a fine of not less than \$500 and not more than \$1,000, and that a unit of local government may seek an injunction or other equitable relief to stop a violation. Effective immediately.

Amends the Payday Loan Reform Act. Changes the definition of "payday loan" to include any loan with a finance charge exceeding an annual percentage rate of 36% (instead of with a finance charge exceeding an annual percentage rate of 36% and with a term that does not exceed 120 days). Provides that no lender may make a payday loan with periodic payments unless the periodic payments are substantially equal term payments and, if paid as scheduled, result in full payment of the principal and interest owed on the loan at the end of the loan term. Requires the licensee, as part of the information that he or she must collect and maintain, to include the total number of lawsuits filed by the licensee or its agent against consumers to collect on payday loans from consumers during the preceding calendar year. Prohibits a licensee or a person making payday loans from evading the requirements and prohibitions of the Act by use of a device or subterfuge including, but not limited to, (i) disguising a payday loan as a different type of transaction, or (ii) characterizing a required fee as a purchase of a good or service in connection with a payday loan. Authorizes the Department to develop rules to determine if any person or entity seeks to evade the applicability of this Act by any device, subterfuge, or pretense. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:
815 ILCS 122/2-5

Further amends the Payday Loan Reform Act. Removes language prohibiting a lender from making periodic payments unless the payments are substantially equal term payments, and, if paid as scheduled, result in full payment of the principal and interest owed on the loan at the end of the term. Restores language concerning the biennial report (instead of making it an annual report) containing a compilation of aggregate data concerning the payday loan industry.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds a severability provision.

HOUSE COMMITTEE AMENDMENT NO. 2

In the definition of "payday loan", provides that it is a loan with a finance charge exceeding an annual percentage rate of 75%, instead of 36%.

Deletes everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Deletes the provision that the abatement applies only in municipalities with 1,000,000 or more inhabitants. Provides that the abatement applies to property that was acquired after the surviving spouse qualified for an abatement for a former qualified property only if that qualified property was located in the same municipality, and deletes a provision that, in such a case, the abatement applies only to the extent of the previous abatement. Provides that the term "fallen police officer or rescue worker" does not include any individual (now, to rescue workers) whose death was the result of that individual's own willful misconduct or abuse of alcohol or drugs. Provides that the municipality (instead of the county clerk) must notify affected taxing districts of the abatement. Makes other changes. Effective immediately.

Amends the Electric Service Customer Choice and Rate Relief Law of 1997 in the Public Utilities Act. Changes the definition of "mandatory transition period" to include the period from the effective date through the date on which the Illinois Commerce Commission has approved declarations of competitive service for all classes of service offered in the service areas of all electric utilities that, on December 31, 2005, served at least 100,000 but fewer than 2 million residential customers. Requires the Commission to order certain utilities to file and implement tariffs to reinstate all 2006 rates beginning on the first day of the month immediately following the effective date. Prohibits the Commission from taking certain actions prior to 6 months after the effective date with respect to (i) initiating, authorizing, or ordering any change by way of increase or (ii) in approving an application for a merger, imposing a condition requiring any filing for an increase, decrease, or change in or other review of a utility's rates or enforcing such a condition. Provides that the Commission shall only declare the class of service to be competitive according to certain criteria (now, the Commission is required to declare the service to be competitive if the service or a reasonably equivalent substitute is available at a reasonable price from other providers other than the utility or an affiliate and the utility has lost or is reasonably likely to lose business for service to other providers). Makes other changes. Effective immediately.

Requires the Commission to order the electric utilities to refund to the utilities' residential customers any amounts charged to such residential customers, from January 1, 2007 until 10 days after the effective date that exceed the rates charged to the electric utilities' residential customers on December 31, 2006. Provides that the refund must be issued within 30 days after the effective date and shall include interest on the full amount of the refund, at the same interest rate the Commission requires utilities to pay on customer deposits. Prohibits the Commission from making certain changes with respect to rates for one year after the effective date of the amendatory Act. Makes other changes to these provisions. Amends the Environmental Protection Act. Creates a fee exception for construction site storm water discharges for which a new NPDES permit is issued during the months of January through June. rule, to provide for the refund of permit fees. Requires a Section 401 state water quality authorization applicant to submit the fee prior to certification (now, the fee must be submitted with the application). Effective immediately.

FISCAL NOTE (Illinois Environmental Protection Agency)

SB 1663 would not have any fiscal impact on the Illinois EPA. There are no fiscal implications because any monies refunded would involve funds the Agency was not owed in the first place.

Amends the Community Services Act. Changes references from "disabled person" to "person with a disability". Provides that a shift from State-provided services to community services should be acknowledged by the State as a clear priority in policies and funding that values community services and supports for persons who choose to live and work in those settings, with the needed resources following the individual. Requires the Governor to appoint a commission by July 1, 2007, or as soon thereafter as possible, to prioritize a strategy for identifying a stream of revenue to address gaps and prioritize use of that revenue on rates and reimbursements for community services and supports. Provides that the commission shall have representation from the Department of Human Services, the General Assembly, persons with disabilities and mental illness, community providers, and trade associations. Provides that the rate and reimbursement methodologies must reflect the cost of providing services and supports, recognize individual disability needs, and consider geographic differences, transportation costs, required staffing ratios, and mandates not currently funded. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that community residential alternatives to institutional settings include Intermediate

Care Facilities for the Developmentally Disabled and Long Term Care for Under Age 22 facilities. Deletes a reference to State policies in connection with the shift from services provided in State-operated facilities to services provided through community programs. Deletes a reference to "the needed resources following the individual". Provides that the commission appointed by the Governor shall have representation from unions.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

405 ILCS 30/1

405 ILCS 30/2

Deletes the changes made to Sections of the Community Services Act concerning the purpose of the Act and the Community Services System.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces provisions concerning appointment of a commission in relation to financing for community services. Provides that the Governor shall create a commission by July 1, 2007, or as soon thereafter as possible, to review funding methodologies, identify gaps in funding, identify revenue, and prioritize use of that revenue for community developmental disability services, mental health services, alcohol and substance abuse services, rehabilitation services, and early intervention services (instead of appoint a commission to prioritize a strategy in relation to community services and supports). Specifies 13 voting members of the commission and 3 ex-officio, non-voting members. Provides that funding methodologies must reflect economic factors inherent in providing services and supports (instead of providing that rate and reimbursement methodologies must reflect the cost of providing services and supports).

GOVERNOR AMENDATORY VETO MESSAGE

Provides that the Governor shall create a committee (instead of a commission) by January 31, 2008 (instead of July 1, 2007) to address reimbursement rates for Waiver services to persons with developmental disabilities, and makes changes in the committee's duties. Adds 3 persons with a developmental disability and 3 family members or guardians of persons with developmental disabilities as voting members of the committee, and deletes as a committee member one person from a union that represents employees of providers that serve people with developmental disabilities; deletes references to persons with mental illness in connection with committee membership. Adds the Director of the Department of Human Services' Division of Developmental Disabilities as a nonvoting committee member. Provides that the committee's final report shall be issued by the Secretary of Human Services. Makes changes concerning the committee's recommendations regarding funding methodologies. Provides for the fiduciary duty of a broker. Prohibits prepayment penalties. Provides that a licensee shall provide notice of change in loan terms to a borrower. SENATE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the substantive provisions of the bill with changes. Provides that whenever the applicable law provides that the authorization of or the issuance of bonds under the Water Pollution Control Loan Program or the Public Water Supply Loan Program, under Title IV-A of the Environmental Protection Act, is subject to

FISCAL NOTE (Illinois Environmental Protection Agency)

735 ILCS 5/13-202.2 from Ch. 110, par. 13-202.2

Amends the Code of Civil Procedure. Provides that a victim of childhood sexual abuse has 2 years from the effective date of the amendatory Act to file an action for any claim arising out of childhood sexual abuse, and that the 2-year period applies regardless of when the abuse occurred and regardless of the expiration of any limitation period. States that: it is the intent of the General Assembly that the change to the limitation period is necessary to protect children from sexual abuse and the aftermath of such abuse; the interest in preventing and remedying childhood sexual abuse must prevail over any rights that perpetrators of childhood sexual abuse or those that protect them have in civil courts; and that justice, fairness, and public policy require that the changes should apply retroactively to all actions that have not been adjudicated as time barred. Applies to actions pending on the effective date of the amendatory Act and to those filed on or after that date. Effective January 1, 2008.

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code and the State Finance Act. Provides that the Secretary of State, in compliance with the federal REAL ID Act, may issue a driver's certificate that clearly states on its face that it may not be accepted by any federal agency for federal identification or any other official purpose. FISCAL NOTE (Office of the Secretary of State)

SB 1751 (S-AM 4) will cost the Secretary of State an estimated \$4.5 million in start up costs during fiscal year 2008 and an estimated \$10-\$12 million annually after initial operations costs are incurred. Assuming the new driver's certificate fee is set at the minimum level of \$50, the fee would generate an estimated \$22 million during fiscal year 2009 and \$3.3 million annually thereafter.

New Act

30 ILCS 105/5.708 new

Creates the Public Interest Attorney Assistance Act to encourage qualified individuals to enter into and continue in employment in this State as assistant State's Attorneys, assistant Public Defenders, civil legal aid attorneys, assistant Attorneys General, and assistant public guardians. Provides that the Illinois Student Assistance Commission shall establish and administer the Public Interest Attorney Loan Repayment Assistance Program for the primary purpose of providing loan repayment assistance to practicing attorneys to encourage them to pursue careers as public interest attorneys. Provides for the distribution of funds, in the form of a forgivable loan. Amends the State Finance Act to create the Public Interest Attorney Loan Repayment Assistance Fund.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the advisory committee the Illinois Student Assistance Commission is required to create shall include a person from an Illinois metropolitan bar association (instead of the Chicago Bar Association) and a person from an Illinois statewide bar association (instead of the Illinois State Bar Association). Provides that all policies and procedures that the Commission deems necessary or convenient for the administration of the program and all terms and conditions of the Commission applicable to payments made under the Act must be established with the guidance and assistance of the committee (instead of authorizing the Commission to prescribe all rules, policies, and procedures necessary or convenient for the administration of the program and all terms and conditions applicable to payments made under the Act and requiring this to be done with the guidance and assistance of the committee). Provides that neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any rulemaking authority under the Act, but that the Governor may suggest rules by filing them with the General Assembly and requesting that the General Assembly authorize such rulemaking by law, enact the suggested rules into law, or take other appropriate action in the General Assembly's discretion.

PENSION NOTE (Commission on Gov. Forecasting & Accountability)

IMRF says that the current cost of providing the "13th payment" is 0.62% of payroll statewide. IMRF had a total employer payroll of \$5.6 billion as of December 31, 2006. Therefore, the total statewide cost is currently \$34.7 million. Increasing the amount of the "13th payment" will add additional statewide cost equal to 0.24% of payroll. If SB 1959 becomes law, IMRF employers will incur a cost of 0.86% of payroll, or \$48.2 million, statewide.

730 ILCS 125/17 from Ch. 75, par. 117

Amends the County Jail Act. Provides that if a person confined in a county jail is in need of medical services and is determined eligible for medical assistance under the Illinois Public Aid Code at the time the person is detained (rather than has already been determined eligible for medical assistance under the Illinois Public Aid Code at the time the person is initially detained pending trial), the cost of such services, to the extent such cost exceeds \$500, shall be reimbursed by the Department of Healthcare and Family Services under that Code. Provides that "medical expenses" include medical and hospital services but do not include expenses incurred for medical care or treatment provided to a person on account of a self-inflicted injury incurred prior to or in the course of an arrest. Provides that when medical services are required by any person held in custody, the county, private hospital, physician, or any public agency which provides such services shall be entitled to obtain reimbursement from the county. Eliminates the ability of such entities to obtain reimbursement from the Arrestee's Medical Costs Fund. Changes the name of the Arrestee's Medical Costs Fund to the County Jail Medical Costs Fund. Provides that in such cases, the county shall be entitled to obtain reimbursement from the County Jail Medical Costs Fund to the extent moneys are available from the Fund. Provides that moneys in the Fund shall be used solely for reimbursement to the county of costs for medical expenses and administration of the Fund. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Provides that the sheriff or his or her designee may cause an application for medical assistance under the Illinois Public Aid Code to be completed for an arrestee who is a hospital inpatient. Provides that if such arrestee is determined eligible, he or she shall receive medical assistance under the Code for hospital inpatient services only. Provides that "qualified medical expenses" do not include expenses for hospital inpatient services for arrestees enrolled for medical assistance under the Illinois Public Aid Code.
