Effective immediately.

HOUSE FLOOR AMENDMENT NO. 5

Provides that the Illinois Commerce Commission shall have an affirmative statutory obligation to ensure that an electric utility is employing employees, contractors, and subcontractors with employees who meet certain requirements when installing, operating, and maintaining generation, transmission, or distribution facilities (rather than maintaining transmission or distribution facilities) and equipment in the State. HB-1124 MOLARO-BOLAND.

720 ILCS 5/28-1 from Ch. 38, par. 28-1

Amends the Criminal Code of 1961. Adds, to the list of activities that are exempt from the offense of gambling, an offer of prizes, awards, or compensation to contestants in a bona fide contest between 2 or more individuals participating in (1) an electronic video game simulating a contest requiring skill, experience, dexterity, and precision in which the element of chance does not predominate or (2) an electronic video game requiring speed and accuracy of response to factual questions in which the element of chance does not predominate; but not including card games and simulated card games and not including any gambling game or activity of the type conducted under the Bingo Licensing Act, the Illinois Lottery Law, the Raffles Act, the Charitable Games Act, the Illinois Pull Tabs and Jar Games Act, or the Riverboat Gambling Act.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the bill would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 1124 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Dept. of Revenue)

HB 1124 is expected to create a minimal increase in sales tax revenues. However, the Department of Revenue is unable to determine the amount of the increase.

PENSION NOTE (Government Forecasting & Accountability)

HB 1124 will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE (Dept of Corrections)

There is no corrections population or fiscal impact on the Department. Each incident in which a person would not be sentenced to prison for a Class 4 felony for a second or subsequent conviction for a gambling offense involving an offer of prizes, awards, or compensation to contestants in a bona fide contest between two or more individuals participating in an electronic video game as outlined in HB 1124 would save the Department \$12,035.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, HB 1124 does not create a State mandate under the State Mandates Act.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, HB 1124 does not pre-empt home rule authority.

105 ILCS 5/21-29 new

Amends the School Code. Requires the State Board of Education to establish and administer a program that provides stipends to teachers who choose to teach at hard-to-staff public schools in this State. Provides that under the program, if a teacher agrees to teach at a hard-to-staff school for 5 years, the teacher is entitled to a \$20,000 stipend each year for those 5 years.

Provides that the stipend may be paid out each year that the teacher teaches at a hard-to-staff school or may be paid as a lump sum after the teacher has completed 5 years of teaching at a hard-to-staff school.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Defines "hard-to-staff school". Provides that a teacher must have at least 2 years of experience at a recognized school. Provides that the \$20,000 stipend shall be a total \$20,000 stipend over 5 years (instead of a \$20,000 stipend each year for 5 years). Provides that the State Board of Education may adopt any rules necessary for the implementation of the stipend provisions (instead of any rules necessary to carry out its responsibilities under the stipend provisions).

HOUSE FLOOR AMENDMENT NO. 2

Provides that the requirement that the State Board of Education establish and administer the program is subject to appropriation. Provides that under the program, a teacher must have at least 4 (instead of 2) years of experience at a recognized school.

Deletes everything after the enacting clause. Amends the School Code. With respect to provisions concerning the Salary Incentive Program for Hard-to-Staff Schools, (1) provides that the incentives and bonuses are for teachers and administrators employed by school districts in schools designated as hard-to-staff (instead of the school district being designated as hard-to-staff); (2) defines "hard-to-staff school"; (3) provides that only teachers and principals who work full time and for a full school year are eligible; (4) provides for proration if an appropriation is insufficient; and (5) requires the State Board of Education, the Teachers' Retirement System of the State of Illinois, and the Public School Teachers' Pension and Retirement Fund of Chicago to work together to validate data. 805 ILCS 105/108.70 from Ch. 32, par. 108.70

Amends the General Not For Profit Corporation Act of 1986. Limits the liability of a volunteer board member serving without compensation, other than reimbursement for actual expenses, for damages resulting from any action of the executive director concerning the false reporting of or intentional tampering with financial records of the organization, where the actions of the executive director result in legal action.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the original bill with the following changes. Provides that the limitation of liability for volunteer board members does not apply to willful and wanton conduct. Provides that these limited liability provisions for volunteer board members do not apply to any action taken by the Attorney General to protect charitable assets or to enforce laws that apply to trustees of a charity. Removes the definition of "willful or wanton conduct".

New Act
 20 ILCS 3921/10
 220 ILCS 5/13-301.3

Creates the Universal Access to Broadband Services Act. Contains provisions regarding access to publicly-held broadband infrastructure for local community broadband projects. Provides for the development of local community broadband projects. Provides guidelines for the future deployment of publicly-held infrastructure. Amends the Illinois Century Network Act. Provides that the Illinois Century Network shall be available for lease, on a non-discriminatory basis, to any public, private, or non-profit entity pursuant to the Universal Access to Broadband Services Act. Amends the Public Utilities Act. Requires the Illinois Commerce Commission to transfer to the Lieutenant Governor, and requires the Lieutenant Governor to receive, all funds possessed by the Commission related to the Digital Divide Elimination Infrastructure Program. Provides that the Lieutenant Governor shall be responsible for administration and disbursement of any remaining funds, previously administered by the Illinois Commerce Commission, for the Digital Divide Elimination Infrastructure Program. Provides that the Lieutenant Governor, through the Broadband Deployment Council established under Executive Order 2005-9, shall establish criteria for future grants from the Digital Divide Elimination Infrastructure Fund and shall provide for the competitive selection of recipients of grant funds available. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the bill as introduced with the following changes. Replaces the provisions of the Universal Access to Broadband Services Act with provisions requiring the Council to conduct a survey assessing interest in creating a local broadband plan and providing technical assistance in creating local broadband plans. Contains other provisions concerning local governmental entities who undertake local broadband projects. Deletes language that provides that the Illinois Century Network shall be available for lease, on a non-discriminatory basis, to any public, private, or non-profit entity pursuant to the Universal Access to Broadband Services Act. Adds language including health care facilities and health care providers as part of the Illinois Century Network. Deletes provisions concerning the use of moneys in the Digital Divide Elimination Infrastructure Fund. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Commerce Commission)

Since the Commission was not given additional resources to handle the duties required by PUA when implemented, the only fiscal impact to the agency is the reduction of appropriation for the Digital Divide grants themselves, which is approximately \$10 million for FY08 (\$5 million in new appropriation for Round 2 grants and the reappropriation of \$5 million or less for Round 1 grants).

Amends the Property Tax Code. Provides that, in Cook County, homestead property must be valued at 100% of its fair cash value. Requires the Cook County Clerk to abate the property taxes levied on homestead property in an amount equal to: (1) the amount of the aggregate extension of all taxing districts against the property; less (2) an amount equal to 1% of the equalized assessed value of the property. Sets forth procedures to apply this abatement to the aggregate extensions of each taxing district. Creates the Cook County general homestead exemption to limit the assessment increases if homestead property to the lesser of: (i) 2%; or (ii) the increase in the CPI. Sets forth the taxable years in which this general homestead exemption applies. Amends the State aid provisions of the School Code to provide that, if the general homestead exemption is determined under the Cook County general homestead exemption provisions, then the available local resources are not effected. In provisions concerning the Property Tax Extension Limitation Law in the Property Tax Code, defines "extension limitation", for the 2007 taxable year and thereafter, as (a) the lesser of 2% (now, 5%) or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters. Amends various Acts to include a cross reference to the Cook County general homestead exemption provision in the Property Tax Code. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

725 ILCS 5/116-3

Amends the Code of Criminal Procedure of 1963. Provides that a defendant may make a motion before the trial court that entered the judgment of conviction in his or her case for the performance of Integrated Ballistic Identification System testing on evidence that was secured in relation to the trial which resulted in his or her conviction, but which was not subject to the testing which is now requested because the technology for the testing was not available at the time of trial.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the defendant may make a motion for forensic DNA testing on evidence: (1) that was not the subject of testing which is now requested at the time of trial (rather than because the technology for the testing was not available at the time of trial) or (2) although previously subjected to testing, can be subjected to additional testing utilizing a method that was not scientifically available at the time of trial that provides a reasonable likelihood of more probative results. Reasonable notice of the motion shall be served upon the State. Provides that if evidence previously tested reveals an unknown fingerprint from the crime scene that does not match the defendant or the victim, the order of the Court shall direct the prosecuting authority to request the Illinois State Police Bureau of Forensic Science to submit the unknown fingerprint evidence into the FBI's Integrated Automated Fingerprint Identification System (AIFIS) for identification.

HB-1292 HOLBROOK-JOYCE-DUGAN-BEISER-DURKIN AND VERSCHOORE.

220 ILCS 5/16-115C new

Amends the Electric Service Customer Choice and Rate Relief Law of 1997 in the Public Utilities Act. Requires the licensure of an agent, broker, or consultant engaged in the procurement or sale of retail electricity supply for a third party by the Illinois Commerce Commission. Includes provisions concerning requirements for licensure, the filing of annual reports with the Commission, and penalties for violation. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the engrossed bill with the following changes. Provides that agents, brokers, and consultants engaged in the procurement or sale of retail electricity supply for third parties does not include any person or entity that is attempting to procure on behalf of or sell retail electric service to a third party that has aggregate billing demand of all of its affiliated electric service accounts in Illinois of greater than 1,500 kW. Deletes certain requirements for licensure as an agent, broker, or consultant engaged in the procurement or sale of retail electricity supply by third parties. Deletes a provision that provides that a license shall expire on April 30 of each year unless a renewal order is issued by the Illinois Commerce Commission. Provides that any person or entity required to be licensed under specified provisions must (1) disclose to all persons it solicits the existence of any contracts with retail electric suppliers or their affiliates regarding retail electric service in Illinois (instead of not specifying regarding retail electric service in Illinois) and the nature of those contract or

contracts and (2) not hold itself out as independent or unaffiliated with any supplier, or both, or use words reasonably calculated to give that impression, unless the person offering service under specified provisions has no contractual relationship with any retail electricity supplier or its affiliates regarding retail electric service in Illinois (instead of not specifying retail electric service in Illinois). Adds language providing that any person or entity licensed under specified provisions shall file with the Commission a verified report detailing (1) any and all contractual relationships that it has with the certified electricity suppliers in the State regarding retail electric service in Illinois (rather than not specifying that the report be in regards to retail electric service in Illinois), and (2) the distribution of its customers with the various certified electricity suppliers during the prior calendar year in Illinois (rather than not specifying Illinois). Provides that the Commission shall have jurisdiction over disciplinary proceedings and complaints (instead of exclusive jurisdiction over all disciplinary proceedings and complaints) for violations of specified provisions. Provides that the provisions concerning the licensure of agents, brokers, and consultants engaged in the procurement or sale of retail electricity supply for third parties by the Illinois Commerce Commission shall not apply to a retail customer that operates or manages either directly or indirectly any facilities, equipment, or property used or contemplated to be used to distribute electric power or energy if that retail customer is a political subdivision or public institution of higher education of the State, or any corporation, company, limited liability company, association, joint-stock company or association, firm, partnership, or individual, or their lessees, trusts, or receivers appointed by any court whatsoever that are owned or controlled by the political subdivision, public institution of higher education, or operated by any of its lessees or operating agents. HB-1303 KOSEL.

225 ILCS 225/5b

Amends the Private Sewage Disposal Licensing Act. Provides for the licensure of businesses (rather than persons) engaged in the pumping, hauling, and disposal of wastes removed from the sewage disposal systems of portable toilets and portable, potable handwashing units (now, just portable toilets) and the cleaning, sanitizing, and maintenance of portable toilets and portable, potable handwashing units. Requires the Department of Public Health to establish and issue a certificate of registration as a portable sanitation technician for any employee of a business licensed to maintain portable toilets and portable, potable handwashing units who engages in the servicing of portable toilets. Sets forth requirements for obtaining a certificate of registration. Removes a provision concerning designated persons. Makes related changes. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced with the following changes. Provides for the licensure or registration of businesses and employees engaged in the pumping, hauling, and disposal of wastes removed from the sewage disposal systems of holding tanks and the cleaning, sanitizing, and maintenance of holding tanks. Requires the Department of Financial and Professional Regulation to establish and issue a certificate of registration as a portable sanitation technician for any employee of a business licensed under the Act to maintain portable toilets, holding tanks, and potable handwashing units who engages in the servicing and the cleaning, sanitizing, and maintenance of portable toilets, holding tanks, and portable, potable handwashing units (instead of just for an employee who engages in the servicing of portable toilets). Provides that beginning 6 months after the adoption of Department rules implementing the provisions of the amendatory Act (instead of 6 months after the effective date of the amendatory Act), no person may engage in the servicing of portable toilets in a manner that does not comply with the requirements of the Act and certain rules established under the Act and no person or business may engage in the pumping, hauling, and disposal of wastes removed from the sewage disposal systems of portable toilets, holding tanks, and portable, potable handwashing units (instead of just portable, potable handwashing units) and the cleaning, sanitizing, and maintenance of portable toilets, holding tanks, and portable, potable handwashing units without being licensed or certified under the Act.

Removes a provision requiring an applicant for a certificate of registration as a portable sanitation technician to attend a minimum safety training session. Removes a provision that prohibits a person from engaging in the pumping, hauling, or disposal of wastes removed from the sewage disposal systems of portable toilets in a manner that does not comply with the requirements of the Act and certain rules adopted under the Act. Effective immediately.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that all references to holding tanks be removed from the amendatory language.

Further amends the Juvenile Court Act of 1987. Provides that in connection with a minor who is found to be abused, neglected, or dependent, the court may select the goal of long-term foster care as a permanency goal if: (i) the Department of Children and Family Services is the custodian or guardian of the minor; and (ii) the court has ruled out return home as a permanency goal; and (iii) the court, after receiving evidence, makes written findings that (A) the child is living with a relative or foster parent who is unable or unwilling to adopt the child or be named the child's guardian because of exceptional circumstances, but who is willing and capable of providing the child with a stable and permanent environment, and the removal of the child from the physical custody of his or her relative or foster parent would be detrimental to the emotional well-being of the child or (B) there would be substantial interference with a child's sibling relationship, taking into consideration the nature and extent of the relationship, including, but not limited to, whether the child was raised with a sibling in the same home, whether the child shared significant common experiences or has existing close and strong bonds with a sibling, and whether ongoing contact is in the child's best interest, including the child's long-term emotional interest, as compared to the benefit of legal permanence through adoption.

HB-1407 SACIA.

New Act

Creates the Small Retailer Tire Disposal Act. Provides that the Environmental Protection Agency shall arrange for used tires to be collected from small retailers in the State. Provides that a collection site must be available in each county of the State on at least a quarterly basis. Provides that the Agency shall publish notice of the location, date, and time of a collection in the newspaper of greatest circulation in the county of the collection site for at least 2

consecutive weekends before the date of the collection.

FISCAL NOTE (Illinois Environmental Protection Agency)

HB 1407 would impose a fiscal impact on the Illinois EPA of approximately \$4.77 million per year. The Agency bases this number on its estimate that there are 2,650 small retailers throughout the State that sell 500 or fewer tires per year, as defined in the bill. These 2,650 small retailers collect 1,325,000 tires per year. With a disposal cost of \$2 per tire, this comes to \$2,650,000 per year. Adding to this are staffing costs (3 FTE in each of the Agency's 7 regional offices around the State, plus 3 FTE in the Agency's main Springfield office) including salary, benefits, occupancy, equipment, and vehicles, for a total of \$2,040,000 per year. Finally, advertising at each collection event typically costs \$200 per event for a total of \$80,000 per year. Adding these three figures together equates to a total cost to the Agency of \$4,770,000 per year.

- 225 ILCS 312/45

Amends the Elevator Safety and Regulation Act. Removes certain references to the design of elevators and related apparatuses. Provides that an applicant for an elevator mechanic's license who makes application by demonstrating to the Office of the State Fire Marshal acceptable proof that he or she has worked as an elevator constructor, maintenance, or repair person for the equipment that a licensee of the Act is authorized to install must make application to the Office by December 31, 2007 (rather than May 1, 2006), but that all licenses

issued under those terms between May 1, 2006 and the effective date of the amendatory Act are deemed valid. Adds one representative of the senior citizen population who is appointed by the Governor to the Elevator Safety Review Board. Effective immediately.

FISCAL NOTE (State Fire Marshal)

Costs of implementation of the Elevator Safety Act and annual operations of the Division are still not fully understood, but are estimated to be achievable in FY08 with the proposed budget of \$1 million. Likewise, receipts from initial registration and annual renewals cannot be based on in-state elevator records, but are estimated based on an initial compliance count of 25,000 which will result in approximately \$4 million annually. The changes in HB 1423 will not materially affect these estimates: (1) The proposed change to Section 10 removes "design" by which additional costs of regulating design are avoided; (2) The proposed change to Section 25 adds a single member to the Elevator Board. This is an unpaid position with reimbursement of costs such as travel. The Board has not met regularly for a 12-month period, so estimation of costs is difficult. The total annual effect will not exceed \$1,200; (3) The proposed change to Section 45 extends the deadline for licensure preventing a negative economic impact on the industry while having a zero to negligible effect on the agency by delaying revenue of approximately \$250,000 for four months.

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Elevator Safety and Regulation Act. Makes changes to provisions concerning the applicability of the Act and certain definitions. Removes a provision concerning non-licensure under the Act. Requires the Elevator Safety Review Board to adopt the latest editions of certain professional standards within 6 months after the effective date of those standards. Provides that if the State, a unit of local government, or an institution of higher education maintains in its employ licensed or limited licensed elevator mechanics who maintain only conveyances owned or leased by that entity, then the employing entity is not required to be licensed as a contractor and the provisions of the Act concerning licensed contractors shall not apply to these entities. Exempts a licensed or limited licensed elevator mechanic employed by an entity exempted from contractor licensure, with respect to work performed for that employer, from the requirement that he or she work under the direct supervision of an elevator contractor licensee. Makes changes to the qualifications for an elevator mechanic's license and an elevator contractor's license. Allows the issuance of a permit to alter a conveyance to an entity exempted from contractor licensure. Requires elevator contractors and private elevator inspectors to provide general liability coverage of at least \$1,000,000 for injury or death of any number of persons in any one occurrence, with at least \$500,000 for property damage in any one occurrence (instead of \$1,000,000 for injury or death of any one person and \$2,000,000 for injury or death of any number of persons in any one occurrence, with coverage of at least \$1,000,000 for property damage in any one occurrence). Provides that any owner or lessee who violates any provision of the Act is guilty of a Class C misdemeanor (instead of requiring the imposition of a fine in an amount not to exceed \$1,500 per violation, per day). Allows the Office of the State Fire Marshal to extend the compliance dates set for conveyance owners found in violation of the Act for good cause, provided that such violations are minor and pose no threat to public safety. 220 ILCS 5/9-220 from Ch. 111 2/3, par. 9-220

Amends the Public Utilities Act. Extends to July 1, 2011 (rather than July 1, 2008) the date by which a gas utility must commence construction of a coal gasification facility in order

for provisions authorizing the utility to enter into a 20-year supply contract with a company for synthetic natural gas produced from coal through the gasification process to apply. Makes changes to the method by which it is determined that the cost for synthetic natural gas under such a contract is reasonable and prudent and recoverable through the purchased gas adjustment clause. Provides that a utility shall be limited to selling 50% of its output of natural gas. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Extends to July 1, 2015 (rather than July 1, 2008) the date by which a gas utility other than a gas utility located in Jefferson County must have received all necessary permits for the construction and operation (instead of must have commenced construction) of a coal gasification facility in order for provisions authorizing the utility to enter into a 20-year supply contract with a company for synthetic natural gas produced from coal through the gasification process to apply. Changes language to provide that price restrictions in a supply contract must be at a specified amount at the time the contract is signed (instead of at the time the contract term commences). Makes changes to the method by which it is determined that the cost for synthetic natural gas under such a contract is reasonable and prudent and recoverable through the purchased gas adjustment clause except for a gas utility located in Jefferson County. Provides that a utility other than a gas utility located in Jefferson County shall be limited to selling 50% of its output of natural gas.

STATE MANDATES FISCAL NOTE (Illinois Community College Board)

HB 1434 creates a service mandate on Community College District No. 512 as it will expand the current services being offered by the colleges from Associate degree and certificate programs to limited baccalaureate programs.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the right of first refusal also applies to the offering of the baccalaureate degree programs on a community college extension site. Provides that if there is a disagreement on whether the university or college program meets local workforce needs, a 5-person panel shall be appointed to determine if the university's or college's proposed program on the community college campus or extension site reasonably meets local workforce needs. Provides that the degree programs must also not require any additional funding from Community College District No. 512 students not enrolled in the pilot program. Provides that at the completion of the Community College District No. 512 pilot program, the Illinois Auditor General shall conduct an audit to determine if any funding for the pilot program was provided by local taxes, the State, or the community college students not enrolled in the program. Removes a reference to the Illinois Community College Board with respect to approving the offering of the degree programs. Provides that the Board of Higher Education's approval of the offering of the degree programs must be in a manner consistent with approving new bachelor's degree programs at all State public universities. Adds as a program condition that credits obtained by any student in the pilot program prior to the sunset date shall be automatically transferable to any public or private university or college offering the same or a similar program. Provides that the intention of the amendatory Act is to allow Community College District No. 512 to meet specific, documented workforce needs in the district that no public or private university or college is willing and able to reasonably meet. Prohibits Community College District No. 512 from becoming a primarily baccalaureate degree-granting, 4-year institution of higher learning. Changes the effective date from immediate to July 1, 2008.

New Act

Creates the Higher Education Textbook Act. Requires the Board of Higher Education and the Illinois Community College Board, in collaboration with affiliated bookstores and student and faculty representatives, to adopt rules requiring that affiliated bookstores (1) provide students the option of purchasing materials that are unbundled when possible, disclose to faculty and staff the costs to students of purchasing materials, and disclose publicly how new editions vary from previous editions; (2) actively promote and publicize book buy-back programs; and (3) disclose retail costs for course materials on a per course basis to faculty and staff and make this information publicly available. Requires faculty and staff members to consider the least costly practices in assigning course materials, such as adopting the least expensive edition available when educational content is comparable, as determined by the faculty or staff member, and working closely with publishers and affiliated bookstores to create bundles and packages if they deliver cost savings to students.

20 ILCS 605/605-960 new

Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that, subject to appropriation, the Department shall administer a Condemned Housing Remediation Program. Provides that the Director shall make grants to municipalities for the purpose of demolishing condemned housing. Defines "condemned housing". Effective July 1, 2007.

415 ILCS 5/22.15a

Replaces the title and everything after the enacting clause. Amends the Environmental Protection Act. Provides that the open dumping cleanup program includes removal actions with respect to structures or vacant properties condemned by units of local government. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Environmental Protection Agency)

HB 1467 (H-AM 1) would have a significant negative impact on Agency resources dedicated to the existing open dump cleanup program. While a precise estimate of the cost is difficult to make, this bill would require extraordinary funding to be effective throughout the State. \$20 million would be a minimal appropriation to provide a program that could address a few structures in each community statewide.

220 ILCS 5/8-408 new

Amends the Public Utilities Act. Provides that any electric or gas public utility with fewer than 150,000 customers in Illinois on January 1, 2007 that offers energy efficiency programs to its customers in a state adjacent to Illinois may seek the approval of the Illinois Commerce Commission to offer the same or comparable energy efficiency programs to its customers in Illinois. Provides that a utility shall submit certain information to the Commission for each program it offers. Specifies guidelines for the approval of each program. Provides that a public utility providing approved energy efficiency programs shall be permitted to recover the reasonable costs of such programs through an automatic adjustment clause tariff filed with and approved by the Commission. Provides that each year the Commission shall initiate a review to reconcile any amounts collected with the actual costs and to determine the adjustment to the annual tariff factor to match annual expenditures. Provides that a utility may request a waiver of one or more components of an approved energy efficiency program at any time in order to improve the program's effectiveness. Provides that the Commission may grant the waiver if good cause is shown by the utility. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Makes a change that provides that any electric or gas public utility with fewer than 200,000 customers in Illinois on January 1, 2007 that offers energy efficiency programs to its customers in a state adjacent to Illinois may seek the approval of the Illinois Commerce Commission to offer the same or comparable energy efficiency programs to its customers in Illinois (previously, the provision applied to public utilities with fewer than 150,000 customers).

HOUSE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the introduced bill with the following changes. Provides that any electric or gas public utility with fewer than 200,000 (instead of 150,000) customers in Illinois on January 1, 2007 that offers energy efficiency programs to its customers in a state adjacent to Illinois may seek the approval of the Illinois Commerce Commission to offer the same or comparable energy efficiency programs to its customers in Illinois. Provides that, notwithstanding the cessation of the programs, a utility shall file a final reconciliation of the amounts collected as compared to the actual costs and shall continue the resulting factor until any over-recovery or under-recovery approaches zero. Requires the Illinois Commerce Commission to monitor the performance of the energy efficiency programs and determine whether the programs should be continued beyond calendar year 2012, and requires a

report to the General Assembly. Provides for an effective date of January 1, 2008 (instead of effective immediately).

from Ch. 17, par. 6406

Replaces everything after the enacting clause. Amends the Residential Mortgage License Act of 1987. Provides that the Attorney General may enforce violations of certain provisions under the Consumer Fraud and Deceptive Business Practices Act. Provides that a borrower injured by a violation of certain standards, duties, prohibitions, or requirements in the Act shall have a private right of action. Provides that no licensee shall make, provide, or arrange for a residential mortgage loan without verifying the borrower's reasonable ability to pay the principal and interest on the loan, real estate taxes, homeowner's insurance, assessments, and mortgage insurance premiums. Provides for the fiduciary duty of a broker. Prohibits prepayment penalties. Provides that a licensee shall provide notice of change in loan terms to a borrower. Provides that when comparing different loans, the licensee must not state or imply that monthly loan payments, if they include amounts escrowed for payment of property taxes and homeowner's insurance, are comparable with monthly loan payments that do not include these amounts. Requires lenders to provide the borrower with a complete copy of any appraisal. Prohibits licensees from making verbal promises to refinance on more favorable terms. Prohibits the following activities by a loan broker or lender: (i) equity stripping and loan flipping and (ii) encouraging default. Adds a severability clause. Amends the Interest Act. Provides that certain provisions of the Interest Act apply to a residential mortgage loan. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 3

In a provision concerning the verification of a borrower's ability to repay, provides that for a residential mortgage loan made by a licensee (rather than all residential mortgage loans), the borrowers income and financial resources must be verified by tax returns, payroll receipts, bank records, or other similarly reliable documents. Provides that licensees (instead of lenders) are required to provide a borrower with a copy of all appraisals. Makes a technical change.

Provides that review of certain decisions of the Director of Human Rights regarding charges shall be conducted by the Human Rights Commission, rather than the Chief Legal Counsel of the Department of Human Rights. Makes corresponding changes elsewhere in the Act. Authorizes complainants to commence a civil action in the appropriate circuit court instead of filing a complaint with the Human Rights Commission. Provides that, if complaint is filed with the Commission, a complainant may not later commence a civil action in a circuit court. Contains applicability provisions. Makes other changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause and re-inserts similar provisions with the following changes. Adds language providing that: if the complainant chooses to have the

Department of Human Rights file a complaint with the Human Rights Commission on his or her behalf, the complainant must, within 14 days after receipt of the Director's notice, request in writing that the Department file the complaint; if the complainant timely requests that the Department file the complaint, the Department shall file the complaint on his or her behalf; and if the Complainant fails to timely request that the Department file the complaint, the complainant may only commence a civil action in the appropriate circuit court (and deletes language providing that if the complainant chooses to file with the Commission, the Department shall file the complaint on his or her behalf, and if a complaint is filed with the Commission, a complainant may not later commence a civil action in a circuit court). Provides that the complainant shall have 90 days to either file his or her own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court if the Department has not issued its report within 365 days after the charge is filed, or any longer period agreed to in writing by all the parties (rather than if the Department has not issued its report within 365 days). Provides that civil actions commenced in a circuit court pursuant to specified provisions may be "tried to a judge or a jury" (rather than shall be tried by a judge without a jury). Makes other changes. Effective January 1, 2008.

Also requires coverage for specialized amino acid-based elemental formulas, regardless of delivery method, when the prescribing physician has issued a written order stating that such specialized amino acid-based elemental formula is medically necessary for the treatment of a disease or disorder and is the least restrictive and most cost-effective means for meeting the needs of the patient. FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Financial & Professional Regulation)

There is no anticipated fiscal impact to the Department resulting from this legislation. However, this legislation may subject other State agencies to additional fiscal responsibilities.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, HB 1560 (H-AM 1) creates a personnel mandate under the State Mandates Act.

HOUSE FLOOR AMENDMENT NO. 2

Provides that a group or individual policy of accident and health insurance or managed care plan and the Department of Healthcare and Family Services must provide coverage and reimbursement when documentation is presented demonstrating a medical necessity and treatment plan for amino acid-based elemental formulas (instead of nonprescription amino acid-based elemental formulas), regardless of delivery method, for the diagnosis and treatment of (i) an individual with multiple food allergies or intolerances making amino acid-based elemental formulas a medically necessary treatment (instead of the treatment of milk protein allergies and intolerances), (ii) eosinophilic disorders, and (iii) short bowel syndrome (instead of impaired absorption of nutrients caused by the disorders affecting the absorptive surface, functional length, and motility of the gastrointestinal tract), when the prescribing physician or dietician has issued a written order stating that the amino acid-based elemental formula is medically necessary for the treatment of a disease or disorder (instead of medically necessary for the treatment of the disease or disorder and the least restrictive and most cost-effective means for meeting the needs of the patient). Deletes a provision requiring coverage for specialized amino acid-based elemental formulas, regardless of delivery method, when the prescribing physician has issued a written order stating that such specialized amino acid-based elemental formula is medically necessary for the treatment of a disease or disorder and is the least restrictive and most cost-effective means for meeting the needs of the patient.

FISCAL NOTE (Dept. of Healthcare & Family Services)

There will be additional costs to the benefit program upon passage. All non-prescription products are explicitly excluded from coverage by the State benefit plans, even when purchased with a written medical provider's order. However, since these are not covered services, utilization or historical data does not exist to project costs.

Creates the Religious Freedom and Marriage Fairness Act. Makes legislative findings: same-sex couples are denied equal access to civil marriage benefits; the current marriage law is discriminatory and harms same-sex couples; and there is no compelling interest or rational basis to deny same-sex couples those benefits. Provides that the Act does not interfere with any religious beliefs about marriage. Provides that the Act's purpose is to provide eligible same-sex and opposite-sex couples with the same treatment as those in a civil marriage. Provides that parties to a marriage of the same sex are included in the terms "spouse", "immediate family", "dependent", and related matters. Provides that domestic relations, probate, and family law shall apply equally to parties to a marriage of the same sex. Provides that benefits apply equally to same-sex marriages in these areas: causes of actions related to spousal status, for wrongful death, emotional distress, and loss of consortium; adoption; family leave; group insurance for State and municipal employees; accident and health insurance protections tied to former spouses and dependents; and taxes and tax deductions based on marital status. Provides that a civil marriage is prohibited between siblings or between an uncle and a nephew or an aunt and a niece. Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that nothing in the Act should be construed to interfere or regulate any religious practice concerning marriage and no religion is required to solemnize a marriage to which it objects. Provides that a marriage is between 2 persons (rather than, a man and a woman) licensed, solemnized, and registered under the Act. Effective immediately.

Amends the Covering ALL KIDS Health Insurance Act. Provides that there shall be no co-payment or coinsurance required for any services under the Covering ALL KIDS Health Insurance Program (now, children enrolled in the Program are not required to provide a co-payment or coinsurance for well-baby or well-child health care, including, but not limited to, age-appropriate immunizations as required under State or federal law). Requires the Department of Healthcare and Family Services to report to the General Assembly no later than September 1 of each year beginning in 2007 on the number of professionals serving in the primary care case management program and the number of individuals enrolled in the Program according to certain demographics. Requires the Department to ensure adequate access to specialty physician care for Program participants allowing referrals to be accomplished without undue delay. Provides Program standards for disease management programs and performance measures implemented by the Department and requires the Department to adopt variance procedures for the application of any disease management program or any performance measures to an individual enrollee. Makes other changes.

SENATE FLOOR AMENDMENT NO. 2

Provides that the Department of Healthcare and Family Services may specify the necessary criteria and conditions that must be met in order for an enrollee to obtain a standing referral. Provides that the enrollee's primary care physician or specialist physician (instead of only the specialist physician) shall be responsible for making a secondary referral.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that, to the extent allowed by all applicable privacy and confidentiality laws, specified information of certain individuals be reported by the Department of Healthcare and Family Services to the General Assembly (rather than just mandating that the Department report the information). Recommends that the primary care physician or, at the discretion of the Department, the specialist physician be responsible for making a secondary referral (rather than either the primary care physician or the specialist physician be responsible for making a secondary referral). Recommends that the Department be allowed (rather than required) to excuse an enrollee from participation in a disease management program if the enrollee's physician licensed to practice medicine in all its branches, in his or her professional judgment, determines that participation is not beneficial to the enrollee. Recommends deleting a provision that requires the Department to adopt variance procedures for the application of any disease management program or any performance measures to an individual enrollee.

Amends the Illinois Prepaid Tuition Act. Provides that the intent of the Act is to both encourage and better enable Illinois families to help themselves finance the cost of higher education through a program that provides Illinois families with a method of State tax-free and federally tax-deferred, tax-exempt savings (instead of just tax-deferred savings) for higher education (instead of for college tuition). Removes a provision that provides that once a partial benefit of a prepaid tuition contract has been disbursed, any tax liability attributable to the contract and its assets becomes a tax liability of the qualified beneficiary, unless otherwise specified in the contract. 305 ILCS 5/2-16 from Ch. 23, par. 2-16
 305 ILCS 5/5-5.23a new

Amends the Illinois Public Aid Code. Provides that a "service provider" may be another entity besides a person or corporation. Provides that the Department of Healthcare and Family Services, by rule, shall apply a comparable, prospective cost-reimbursement methodology for service providers to provide child and adult psychiatric services on an outpatient basis with the stipulation that the service provider meet certain criteria. Provides for reimbursement of advanced practice nurses providing such services at 100% of the established physician rate. Effective January 1, 2008.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes a requirement that a provider of child and adult psychiatric services be tax-exempt under Section 501(c)(3) of the Internal Revenue Code. Deletes provisions concerning advanced practice nurses.

HOUSE COMMITTEE AMENDMENT NO. 2

Provides that a provider of child and adult psychiatric services must be certified by the Department of Human Services under the Medicaid Community Mental Health Services Program under certain provisions of the Illinois Administrative Code (instead of must be licensed by the Department as a Medicaid Rehabilitation Organization).

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Healthcare & Family Services)

This bill requires reimbursement for outpatient mental health services on an encounter rate basis, similar to that of a Federally Qualified Health Center (FQHC). Federal Centers for Medicare & Medicaid Services will not allow encounter reimbursement for community mental health providers. For FY06, State agencies combined, spent about \$204 million on these services, thus the encounter rate requirement would result in a loss of approximately \$102 million in Federal financial participation (FFP). To the extent that rates need to be increased further to meet the "cost basis" of the services, the cost would increase. So at a minimum, it is an immediate loss of \$102 million. This includes some spending attributable to HFS, but most is Department of Human Services, Department of Children and Family Services, and the Department of Corrections.

40 ILCS 5/5-146 from Ch. 108 1/2, par. 5-146
 30 ILCS 805/8.31 new

Amends the Chicago Police Article of the Illinois Pension Code. Provides that language denying an annuity to a wife or widow, married subsequent to the effective date, of a policeman who dies in service, if the marriage occurred less than one year prior to the policeman's death, does not apply to the widow of a policeman who dies in the performance of an act of duty. Provides that, for (i) a wife or widow, married subsequent to the effective date, of a policeman who dies in service, if the marriage occurred less than one year prior to the policeman's death and (ii) a wife or widow of a policeman who withdraws, whether or not he enters upon annuity, and dies out of service, if the marriage occurred after the effective date and less than one year prior to the policeman's death, and the widow was not his wife while he was in service, if after an evidentiary hearing, the Board of Trustees, at its sole discretion determines that special circumstances exist warranting payment of a widow's annuity, then and only then shall the Board have authority to grant and award the annuity that would have been otherwise available. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Amends the Motor Fuel Tax Law and the Environmental Impact Fee Law. Requires certain taxpayers and receivers under the Acts to file monthly returns with the Department of Revenue and to make quarter-monthly payments. Effective immediately.

FISCAL NOTE (Department of Revenue)

HB 1676 would incur approximately \$250,000 in additional computer programming, processing, and form printing costs in the first year after the effective date. It would incur smaller additional costs in later years. By accelerating the payment of motor fuel taxes, the State would realize some additional revenue from additional interest on that money. The Department of Revenue is not able to calculate the amount of that additional interest.

Contains provisions concerning the means a resale vendor shall provide the law enforcement official with the daily report. Requires resale vendors to hold all items purchased from the public for a period of 21 days after transmitting transactional information via facsimile or U.S. Postal Service or 10 days after transmitting transactional information electronically prior to selling, distributing, or altering goods in any way. Provides that in

Provides that not-for-profit organizations, charities, and businesses or corporations solely involved in the business of buying and selling clothing are exempt from reporting. Provides that resale vendors are not required to incur any costs or increased fees as the result of the city, town, or county collecting or processing records electronically.

Changes references of "pledgor" to "customer". Provides that a "resale vendor" does not include businesses or corporations principally involved in the business of buying and selling vehicles that are already required to have title, not-for-profit organizations, charities, and business or corporations solely involved in the business of buying and selling clothing. Provides that law enforcement may contract with a third party provider to establish a repository for the purpose of providing law enforcement agencies with access to transaction data to facilitate the investigation of alleged property crimes. Provides for the duties and obligations of third party providers. Provides the criteria for a third party provider to establish a repository. HB-1683 HAMOS-CURRIE-HARRIS, ARROYO, SOTO, YARBROUGH, ACEVEDO, HERNANDEZ, BURKE, MENDOZA, BERRIOS AND WASHINGTON.

New Act

Creates the Family Leave Insurance Program Act. Establishes a Family Leave Insurance Program, administered by the Department of Employment Security, to provide paid leave to an employee who is unavailable to work: because the employee has to care for a newborn child or a newly-placed adopted or foster child; because the employee has to care for a family member (a child, spouse, parent, or parent-in-law of the employee or a person with whom the employee has resided in the same household for 6 months or longer) who has a serious health condition; or because of the employee's own serious health condition. Contains provisions regarding: applications and qualifications for benefits, certification by a healthcare provider of the need for leave; confidentiality; notices of intention to take leave; disqualification from benefits; duration of benefits; determination of benefit amounts; deductions from benefits; relationship of the Program to other benefits, programs, and contracts; rights of employees; opting out of participation in the Program; elective coverage under the Program; recordkeeping; successor employers; creation of a FLIP Account in the custody of the State Treasurer; payments by employers and employees; limits on expenditures; adoption of rules; taxation of benefits; discrimination; required postings regarding the Act and information pertaining to the filing of a charge; severability; and other matters. Effective January 1, 2008.

FISCAL NOTE (Dept. of Employment Security)

Based on workload estimates previously provided by some of the proponents of the bill as well as information from New Jersey and California regarding their FLIP-like programs and IDES own experience with Unemployment Insurance (UI) where comparable, IDES has estimated the costs of administration for this bill. Initial start-up costs are estimated to be at least \$16 million. The majority of this estimate is comprised of the costs to implement an information system to accommodate the revenue reporting and collection and benefit payment provisions of the FLIP program. Cost incurred would also include the efforts of an estimated 5 to 10 full-time equivalents for the creation and establishment of rules, policies, procedures, etc. for reporting, claims-taking, adjudication and appeals. Ongoing annual administrative costs are estimated to be at least \$46 million

annually. Based on the detailed UI data regarding time charges for claims-taking, adjudication, etc., with some common sense adjustments based on differences in the FLIP structure, along with the workload estimated provided by the proponents would indicate that roughly 400 full-time equivalents would be needed to administer the program. This is also relatively proportional to the staffing levels for similar programs as reported by New Jersey and California. The vast majority of the ongoing costs would be for the salary, benefits, and administrative overhead for these positions. A significant amount of these costs (\$6 million) are the estimated annual system-related costs. Two other costs categories of significance that are NOT included above are the start-up costs for any new equipment and the ongoing annual postage costs for the program. Specific cost estimates for those components are difficult to estimate without a more specific program structure.

Creates the Internet Screening in Public Libraries Act. Allows a public library to disable the technology protection measure for an adult engaged in legitimate research or some other lawful purpose. HOUSE COMMITTEE AMENDMENT NO. 2

Provides that the Internet safety policy must provide for the disablement of the technology protection measure by an employee of the public library upon the request of a minor to use the computer for legitimate research or some other lawful purpose if that minor is adequately supervised for the duration of the minor's use of the computer by an individual who is 21 years of age or older.

225 ILCS 225/25 new

Amends the Private Sewage Disposal Licensing Act. Provides that if the Environmental Protection Agency requires persons exempt from licensing under the Act to obtain a permit, under the Clean Water Act, for the discharge of waste from a private sewage disposal system, the Agency shall: (1) implement and administer the private sewage disposal system permitting program; (2) perform any necessary sampling and inspection of the disposal systems; and (3) for each permit issued by the Agency, provide, subject to appropriation, the permit holder with a \$500 grant to cover the costs of sampling and maintaining the private sewage disposal systems covered by the permit. Provides that the Agency may enter into an agreement with the Department of Public Health to reimburse any local authorities for the costs of implementing the provisions of this Section. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the Agency shall cover, subject to appropriation, the costs of sampling and inspection of any private sewage disposal system covered by a private sewage disposal system permit (instead of providing the permit holder with a \$500 grant).

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Environmental Protection Agency)

The IEPA estimates that it would take an additional 20-25 full-time equivalent (FTE) staff to provide such coverage at a cost of \$250,000 per year. Using the sponsor's own estimate that the annual testing and inspection requirement would cost \$500, the annual cost to the Illinois EPA to pay the costs of sampling and inspecting all 150,000 current systems is \$75 million per year. Adding in the \$250,000 per year in additional staff the Agency would require as discussed above, the total cost of this bill is \$75.25 million per year.

Changes procedures and time schedules for adjudicating complaints arising under the Acts. Provides that the Division of Safety Inspection and Education under the Director of Labor shall ensure that the health and safety of the public employees in Illinois are protected by a program at least as effective as the federal Occupational Safety and Health Administration (OSHA) program. Provides that specified provisions of the Act are inoperative and the Department of Labor shall instead enforce federal Occupational Safety and Health Administration Hazard Communication standards; however, if at any time the Director of Labor determines that the federal standards have been amended so that they are less stringent than the Act, the Director of Labor shall adopt a rule setting forth this determination and a determination that the State law should again be operative to protect the health and safety of Illinois workers. Provides that, on the date such a rule is adopted, the Act shall again become operative, and the Department of Labor shall enforce the federal standards only to the extent the Act or rules of the Department provide for the enforcement of those standards. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that if the Director of Labor is of the opinion that imminent danger exists in the working conditions of any public employee in this State, which condition may reasonably be expected to cause death or serious physical harm, the Director may seek an order from the circuit court to require such steps to be taken as may be necessary to abate, avoid, correct, or remove the imminent danger and prohibit the employment or presence of any individual in locations or under conditions where such imminent danger exists, except those individuals whose presence is necessary to abate, avoid, correct, or remove the imminent danger or to maintain the capacity of a continuous process operation to assume normal operations without a complete cessation of operations, or where a cessation of operations is necessary to permit the cessation to be accomplished in a safe and orderly manner. Provides that if at any time the federal Occupational Safety and Health Administration Hazard Communication standard is repealed or revoked, the Director of Labor shall adopt a rule setting forth a determination that the Health and Safety Act should be reviewed and reinstated in order to protect the health and safety of Illinois' public sector workers. Provides that on the date such a rule is adopted, the Health and Safety Act shall again become operative.

New Act

Creates the Renewable Motor Fuels Retail Infrastructure Development and Maintenance Act. Makes it a violation to sell motor fuel below cost. Provides that it is a violation of the Act to engage in motor fuel price gouging in response to the occurrence of a national disaster or State emergency, except where the sale is both an isolated and inadvertent incident. Provides that in certain instances it is not a violation of the Act to sell or advertise for sale motor fuel at a retail price that would constitute a below-cost sale. Allows concessions of up to 5% of the motor fuel sale, provided that the concessions are not given by the motor fuel retailer or an affiliate and that the cost of the concessions do not reduce the pump price and net amount paid for the motor fuel at the time of the sale. Establishes a Motor Fuel Cost and Bio-Fuels Blend Ratio Review Board. Removes, after the listed time period, the protection against predatory pricing for any retail motor fuel facility that fails to either offer motor fuels at retail with the required blend ratios or to have upgraded or installed an infrastructure at the retail motor fuel station that can safely store and dispense motor fuel containing ethanol alcohol or biodiesel in the required blend ratios. Sets out the duties and powers of the Department of Revenue, the Department of Agriculture, the Office of the State Fire Marshal, and the Attorney General. Effective 90 days after becoming law.

Provides that if a school is not open during the summer months, the school district may identify a not-for-profit entity that is willing to sponsor a summer food service program serving school-aged children in the surrounding school area and may provide assistance to the entity in documenting the number of children in the area who are eligible for free or reduced-price school meals. Provides that summer food service programs shall (instead of may) be supported by federal funds and commodities and other available State and local resources. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Provides that each summer food service program must operate for a minimum of 35 consecutive days. Provides that if a school is not open during the summer months, the school district shall (instead of may) identify a not-for-profit entity that is willing to sponsor a summer food service program and shall (instead of may) provide assistance to the entity in documenting the number of children in the area who are eligible for free or reduced-price school meals. Requires the State Board of Education to provide to each school district a list of local organizations that have filed letters of intent to participate in the summer food service program so that the school board is able to determine how many sites are needed to serve the children and where to place each site. Provides that a school district shall be allowed to opt out of the summer food service program requirement if it is determined that, due to circumstances specific to that school district, the expense reimbursement would not fully cover the costs of implementing and operating a summer food service program. Sets forth provisions concerning the opt-out procedure. Provides that a school district may not attempt to opt out of the summer food service program requirement by requesting a waiver under the School Code. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 2

Makes changes concerning dates with respect to the State Board of Education and school districts promulgating summer food service program plans and allowing school districts to opt out of the summer food service program requirement. Provides for a summer breakfast or lunch (or both) food service program (instead of just a summer food service program). Provides that a school must have a summer school program in order for the summer food service program requirement to apply. Makes changes concerning the duration of a summer food service program, providing for if a school district has one or more elementary schools that qualify or if a school is not open during the summer months, and a list of local organizations willing to participate in a program. Removes a provision concerning requesting a School Code waiver. Effective immediately.

- 220 ILCS 5/13-406
- Adds reference to:
- 220 ILCS 5/16-128.1 new

Deletes everything after the enacting clause. Amends the Electric Service Customer Choice and Rate Relief Law of 1997 in the Public Utilities Act. Provides that no electric utility shall be allowed to engage in any labor displacement or reductions below the staffing levels for each job classification in existence on January 1, 2007, unless it meets specified criteria. Provides that the provisions shall not prevent a labor displacement or reduction due to attrition so long as the electric utility fills the vacancy or vacancies within a reasonable period of time, which in no case shall be greater than 6 months. Provides that the employees of an electric utility, including the collective bargaining representative or representatives of the employees, shall have an independent statutory cause of action under State law to file a complaint against an electric utility in circuit court for alleged violations of specified provisions. Provides that if an employee of an electric utility, including the collective bargaining representative or representatives of such employees, demonstrates that an electric utility has violated or is about to violate certain provisions, the circuit court shall permanently restrain or order the defendant or defendants from continuing the alleged violation and award the party bringing the action the reasonable expenses of the litigation, including all reasonable attorney's fees. Effective immediately.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)
 Corrections Population Impact: None; Fiscal Impact: None; Fiscal Implications: None.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)
 Corrections Population Impact: None; Fiscal Impact: None; Fiscal Implications: None.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 2071 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 2071 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois Commerce Commission)

The Commission estimates the need for an additional electrical engineer at an annual cost of \$120,000.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This legislation may cause a minimal increase in judicial workloads. However, the bill would neither increase nor decrease the number of judges needed in the judicial branch.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate under the State Mandates Act.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This legislation does pre-empt home rule authority.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Gov Office of Mgmt & Budget)

HB 2071 (H-AM 1), if signed into law, will become effective immediately. This legislation will have zero to minimal impact to State revenues but will impact the operations of the Commission. The Commission does not currently have anyone with the expertise that this bill requires and would have to hire one new employee to cover these responsibilities. The salary and related benefits would cost approximately \$120,000 and would lead to an unbalanced Fiscal Year 2008 budget.

Adds reference to:

110 ILCS 520/8 from Ch. 144, par. 658

Deletes everything after the enacting clause. Amends the Southern Illinois University Management Act. Provides that the Board of Trustees has the power and duty to conduct health care programs in furtherance of its teaching, research, and public service functions; sets forth what that includes. Provides that the Board has the power and duty to administer a plan or plans established by the clinical faculty of the School of Medicine for the billing, collection, and disbursement of charges for services performed in the course of or in support of the faculty's academic responsibilities (instead of for the billing, collection, and disbursement of charges made by individual faculty members for professional services performed by them in the course of or in support of their academic responsibilities). Removes a provision that provides that charges established pursuant to this plan must be itemized in any billing and any amounts collected that are not used to off-set the cost of operating or maintaining the activity that generated the funds collected must be accounted for separately. Provides that audited financial statements of the plan or plans must be provided to the Legislative Audit Commission annually

(now, the accounting must clearly show the use and application made of the funds and the Board must report such accountings for the previous fiscal year to the Legislative Audit Commission annually by December 31 of each fiscal year). Effective immediately.
