New Act

Creates the Illinois Stem Cell Initiative of 2007. Contains only a short title provision.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Creates the Stem Cell Research and Human Cloning Prohibition Act. Permits research involving the derivation and use of human embryonic stem cells, human embryonic germ cells, and human adult stem cells from any source, including somatic cell nuclear transplantation, and allows public funding for stem cell research programs. Requires the Department of Public Health to develop and administer the Illinois Regenerative Medicine Institute program to provide for the awarding of grants to Illinois medical research institutions. Creates the Illinois Regenerative Medicine Institute Oversight Committee. Provides that a Committee member with a conflict of interest shall not vote upon or participate in any Committee action with respect to that matter. Requires each Committee member to file disclosures with the Secretary of State. Prohibits cloning or attempts to clone a human being.

Prohibits the purchase or sale of embryonic or cadaveric fetal tissue for research purposes. Makes the purchase or sale of embryonic or cadaveric fetal tissue for research a Class A misdemeanor for the first conviction and a Class 4 felony for subsequent convictions.

SENATE FLOOR AMENDMENT NO. 4

Provides that all Illinois Regenerative Medicine Institute information concerning medical research shall be confidential and privileged and not subject to disclosure to any person other than Institute personnel. Provides that a member of a scientific peer review panel or any other advisory committee that may be established by the Department of Public Health who has a conflict of interest with respect to a matter may not discuss that matter with other peer review panel or advisory committee members or with Committee members and shall not vote or otherwise participate in any peer review panel or advisory committee action with respect to that matter. Provides that each recusal of a peer review panel or advisory committee member occurring during a peer review panel or advisory committee meeting shall be made a part of the minutes or recording of the meeting in accordance with the Open Meetings Act. Provides that each member of a scientific peer review panel and any advisory committee member shall also file income and interest disclosure statements with the Secretary of State. Provides that a person who clones or attempts to clone a human being is guilty of a Class 4 felony (rather than a Class A misdemeanor) for a first conviction and a Class 1 (rather than a Class 4) felony for subsequent convictions.

SENATE FLOOR AMENDMENT NO. 5

Makes all violations of the cloning prohibition a Class 1 felony.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE (Dept. of Commerce & Economic Opportunity)

SB 4, as engrossed will not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate under the State Mandates Act.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not pre-empt home rule authority.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in SB 4, therefore, there are no appraisals to be filed.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the judicial branch.

BALANCED BUDGET NOTE (Governor's Office of Mgmt & Budget)

The cost of SB 4 is \$258,233 per year, which is the annual cost of 3 additional headcount for the Department of Public Health. This bill, if enacted into law, will lead to an unbalanced proposed Fiscal Year 2008 budget.

FISCAL NOTE (Dept. of Public Health)

It is estimated that implementation of HB 138 would require three additional headcount at an annual cost of \$258,233. There is a companion bill, HB 139, that allocates \$25 million of tobacco settlement money to fund the Illinois Regenerative Medicine Institute for FY 2008.

New Act

Creates the Veterans Assistance Act. Contains only a short title provision.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

- 20 ILCS 2805/8 new
 20 ILCS 2805/9 new
 35 ILCS 200/15-165
 35 ILCS 200/15-167 new

Deletes everything after the enacting clause. Creates the Veterans' Home Nurses' Loan Repayment Act. Requires the Illinois Student Assistance Commission to establish a program to award grants of up to \$5,000 per year to nurses who commit to working in veterans' homes in Illinois. Sets forth requirements for the program. Amends the Department of Veterans Affairs Act to establish a post-traumatic stress disorder outpatient counseling program and sets forth requirements for the program. Requires the Department to create a list of honorably discharged veterans who are interested in working on a volunteer basis on projects that restore Illinois' natural habitat. Amends the Property Tax Code. Creates a homestead exemption for disabled veterans. Sets forth the amount of the exemption based on the percentage of service-connected disability of the veteran. Provides that the exemption carries over to the benefit of the veteran's surviving spouse. Contains other provisions. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

In the Veterans' Home Nurses' Loan Repayment Act, requires the Illinois Student Assistance Commission to require (instead of encourage) grant recipients to use the grant to repay

educational loans. Makes a technical correction in an introductory clause.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

35 ILCS 200/15-165

35 ILCS 200/15-167 new

Provides that a grant under the Veterans' Home Nurses' Loan Repayment Act may not exceed \$5,000 per recipient per year (instead of \$5,000 per year), and makes other changes concerning grants under the Act. Provides that for each year during which an individual receives a grant under the Act, he or she must fulfill a separate 12-month period as a nurse in a State veterans' home (instead of providing that a grant recipient must fulfill such a separate 12-month period for each grant that he or she is awarded). Deletes all provisions amending the Property Tax Code.

HOUSE FLOOR AMENDMENT NO. 2

Provides that contracts entered into by the Illinois Department of Veterans' Affairs in connection with the post-traumatic stress disorder outpatient counseling program must be with individuals and entities pre-approved by the U.S. Department of Veterans Affairs and must be for the provision of services pre-approved by that Department.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Student Assistance Commission)

According to the Illinois Department of Veterans' Affairs, the agency anticipates a total direct care headcount for FY 08 of 244 employees. The Illinois Student Assistance Commission does not have information regarding the amount of unpaid educational loans owned by these employees. At maximum, if each of these employees were eligible for the maximum annual grant under the program (i.e., \$5,000 per employee), then fully funding the program would cost \$1.22 million in FY 08. Several factors suggest that full funding of the program will cost significantly less than the \$1.22 million maximum. For instance, the bill does not include language requiring that each eligible applicant receive a full award. Furthermore, not every employee will necessarily have outstanding educational loan debt of \$5,000 or more. (For example, licensed practical nurses who attended two-year programs may have significantly less than \$5,000 in student loan debt).

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Veterans Affairs)

The Department of Veterans' Affairs has included in the FY08 budget request 244 Registered Nurse and Licensed Practical Nurse positions for operation of the Veterans' Homes. At a maximum is all 244 budgeted direct care staff were eligible for the \$5,000 grant, \$1,200,000 would be necessary to fund the Nurse Loan Repayment Program for FY08. Key budget initiatives of the agency include increased headcount and funding to sustain a census of 95 percent of bed capacity at each veterans' home by the end of fiscal year 2009 as well as to staff and fund the 80-bed expansion at the Illinois Veterans' Home in LaSalle. The agency struggles to compete with private industry employers who offer sign-on bonuses for nurses. The nationwide nursing shortage also presents a challenge to the agency to fill direct care positions to provide the mandated minimum hours of care for the residents of our veterans' homes. In order to provide long-term care for our deserving veterans, the agency must recruit and retain direct care staff.

35 ILCS 5/212

Amends the Illinois Income Tax Act. Increases the amount of the earned income tax credit from 5% of the federal credit to: (i) 7.5% of the federal tax credit for taxable years ending in calendar year 2007; and (ii) 10% of the federal tax credit for taxable years ending in calendar year 2008 or thereafter. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

In tax year 2005, the Earned Income Tax Credit reduced Illinois Income Tax Revenues by \$60.5 million and required the expenditure of an additional \$16.5 million in TANF moneys. If the rate had been equal to 7.5% of the federal credit, it would have reduced Illinois Income Tax revenues by \$80 million and would have required the expenditure of \$35 million in TANF moneys. If the rate had been equal to 10% of the federal credit, it would have reduced Illinois Income Tax revenues by \$96 million and would have required the expenditure of \$58 million in TANF moneys.

Amends the Property Tax Code. Creates the Returning Veterans' Homestead Exemption, under which an exemption from the property's value is granted for residential property that is owned and occupied as a residence by a veteran for the tax year in which the veteran returns from active duty in an armed conflict involving the armed forces of the United States. In a Section concerning the Senior Citizens Homestead Exemption, provides that in all counties (now, in counties with less than 3,000,000 inhabitants), the county board may by resolution provide that if a person has been granted the homestead exemption, the person qualifying need not reapply for the exemption. In a Section concerning the alternative general homestead exemption,

extends the alternative exemption by an additional 3 years. Provides that the maximum amount of the exemption is \$60,000 if the general assessment year for the property is 2006 or later. Provides that the base year for counties other than Cook County is the 2005 or 2006 tax year. Provides that, to subject itself to the provisions of the alternative general homestead exemption, a county must adopt an ordinance to that effect within 6 months after the effective date of this amendatory Act. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Deletes everything after the enacting clause. Amends the Property Tax Code. In a Section concerning the alternative general homestead exemption, extends the alternative exemption and sets forth the maximum amount of the exemption for each taxable year. Creates the long-time occupant homestead exemption for those counties that elect to extend the alternative general homestead exemption that, through taxable year 2009, caps the increase in assessed value of qualified homestead property at 10% or 7% per year based on the taxpayer's household income. Defines "qualified homestead property" as homestead property of a taxpayer who has owned the property for at least 10 years (or 5 years with certain government assistance) and who has a household income of \$75,000 or less. Creates a homestead exemption for disabled veterans. Sets forth the amount of the exemption based on the percentage of service-connected disability of the veteran. Provides that the exemption carries over to the benefit of the veteran's surviving spouse. Creates the Returning Veterans' Homestead Exemption, under which an exemption from the property's value is granted for residential property that is owned and occupied as a residence by a veteran for the tax year in which the veteran returns from active duty in an armed conflict involving the armed forces of the United States. Creates the Disabled Persons Homestead Exemption, which provides for a \$2,000 homestead exemption for property that is owned and occupied by certain persons with a disability. Increases the amount of the Senior Homestead Exemption. Increases the amount of the

General Homestead Exemption. In the Senior Citizens Assessment Freeze Homestead Exemption: authorizes audits by the chief county assessment officer; provides that, for taxable year 2007 and thereafter, the amount of the exemption is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (now, the amount of the exemption is based upon the applicant's household income); increases the amount of the maximum income limitation. Authorizes counties and municipalities to abate any percentage of the taxes levied by the county or municipality on each parcel of certain qualified residential property within the corporate limits of the municipality that is owned by the surviving spouse of a fallen police officer or rescue worker. Requires that tax bills must include information that certain taxpayers may be eligible for tax exemptions, abatements, and other assistance programs. Creates the Property Tax Reform and Relief Task Force to conduct a study of the property tax system in Illinois and investigate methods of reducing the reliance on property taxes and alternative methods of funding. 405 ILCS 80/5-4 new

Makes "autism spectrum disorders" a separate category of conditions to be included in the Department of Human Services' disability database, instead of being included with developmental disabilities. Replaces provisions amending the Illinois Public Aid Code with substantially similar provisions amending the Developmental Disability and Mental Disability Services Act, except provides that a person diagnosed with an autism spectrum disorder may be assessed for eligibility for services under Home and Community-Based Services Waivers for persons with developmental disabilities (instead of shall be considered a person with a "developmental disability" or a "person with a related condition" for purposes of determining such eligibility), without regard to whether that person is also diagnosed with mental retardation (eliminates a reference to the person's IQ level), so long as the person otherwise meets applicable level-of-care criteria under those waivers.

Amends the Liquor Control Act of 1934. Sets forth additional duties of the Illinois Liquor Control Commission concerning direct wine shipments. Provides for a direct wine shipper's license. Deletes provisions (i) permitting first-class and second-class wine-maker licensees to sell wine directly to retailers and (ii) prohibiting the issuance of more than one first-class or second-class wine-maker's license to any person, firm, partnership, corporation, or other legal entity. Changes the description of a second-class wine-maker's license to allow the manufacture of between 50,000 and 150,000 gallons of wine per year (now, 50,000 to 100,000 gallons). Provides that a wine-maker's premises license shall allow a licensee who concurrently holds a second-class wine-maker's license to sell and offer for sale at retail in the premises specified in such license up to 150,000 gallons (now, 100,000 gallons) of the second-class wine-maker's wine that is made at the second-class wine-maker's licensed premises per year for use or consumption, but not for resale in any form. Requires that a shipping container used in such shipment be clearly labeled with specific language, the label being designed or approved by the State Commission. Prohibits the shipment of any alcoholic beverage to any person in Illinois not licensed as a distributor, importing distributor, foreign importer, manufacturer, or non-resident dealer or not shipped pursuant to the provisions of this Act. Provides that any electric or gas public utility with fewer than 200,000 customers in Illinois on January 1, 2007 that offers energy efficiency programs to its customers in a state adjacent to Illinois may seek the approval of the Illinois Commerce Commission to offer the same or comparable energy efficiency programs to its customers in Illinois. Provides that, notwithstanding the cessation of the programs, a utility shall file a final reconciliation of the amounts collected as compared to the actual costs and shall continue the resulting factor until any over-recovery or under-recovery approaches zero. Creates the Judicial Campaign Reform Act and amends the Election Code, the State Finance Act, the Illinois Income Tax Act, and the Clerks of Courts Act. Creates a voluntary program of public financing of election campaigns for the offices of judges of the Illinois Supreme Court and Appellate Courts, administered by the State Board of Elections. Establishes funding mechanisms and provides penalties for violations. Sets mandatory contribution limits with respect to all judicial election campaigns. Makes other changes. Effective January 1, 2009.

FISCAL NOTE (State Board of Elections)

This legislation would require a complete new campaign disclosure filing scheme, including a whole new set of disclosure forms for Supreme and Appellate Court Judicial Candidates. This also includes new software and new website downloads. Implementation of this legislation would necessitate the hiring of additional personnel. This upfront cost must be made immediately available as this new program must be implemented and wholly in place prior to January 1, 2009. This is a conservative estimate based on the number of judicial candidates remaining stable at its current level, as there is no way to anticipate the number of candidates that may take advantage of this program. Personnel (Disclosure/IT/Administrative = \$479,700.00 & Travel/Equipment/Commodities/Telecom = \$86,050.00. Total Fiscal Impact - \$565,750.00.

Amends the Mental Health and Developmental Disabilities Code. Provides that "person subject to involuntary admission" includes (i) a person with mental illness and who because of his or her illness is reasonably expected to engage in dangerous conduct (instead of reasonably expected to inflict serious physical harm upon himself or herself or another in the near future) and (ii) a person with mental illness who, because of the nature of his or her illness, is unable to understand his or her need for treatment and who, if not treated, is reasonably expected to suffer or continue to suffer mental deterioration or emotional deterioration, or both, to the point that the person is reasonably expected to engage in dangerous conduct. Defines "dangerous conduct" as threatening behavior or conduct that places another individual in reasonable expectation of being harmed, or a person's inability to provide, without the assistance of family or outside help, for his or her basic physical needs so as to guard himself or herself from serious harm.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that in determining whether a person meets criteria added by the bill concerning a reasonable expectation that the person will engage in dangerous conduct, the court may consider evidence of the person's repeated past pattern of specific behavior and actions related to the person's illness.

Provides that the medical director and the Director of Nursing and Midwifery Services shall jointly develop and approve policies defining the criteria to determine which pregnancies are accepted as normal, uncomplicated, and low-risk, and the anesthesia services available at the center; provides that no general anesthesia may be administered at the center. Requires the presence at each birth center of a second staff person who is licensed or certified "in Illinois" in a health-related field. Makes other changes.

Provides that this provision shall not be construed to prohibit other court appearances through the use of two-way audio-visual communication, upon waiver of any right the person in custody or confinement may have to be present physically. Provides that this provision shall not be construed to establish a right of any person held in custody or confinement to appear in court through two-way audio-visual communication or to require that any governmental entity, or place of custody or confinement, provide two-way audio-visual communication. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

New Act

Creates the Uniform Real Property Electronic Recording Act. Provides that a recorder may receive, index, store, archive, and transmit documents eligible to be recorded in the recorder's land records in the form of electronic documents, subject to certain requirements. Provides that, if a law requires a document eligible to be recorded in the recorder's land records to be an original, on paper or other tangible medium, or in writing, the requirement is satisfied by an electronic document satisfying the Act. Provides that, if a law requires that such a document be signed, the requirement is satisfied by an electronic signature. Provides that a requirement that a document or a signature be notarized, acknowledged, verified, witnessed, or made under oath is satisfied if the appropriate electronic signature and other required information is attached to or logically associated with the document or signature. Provides that the Illinois Electronic Recording Commission shall adopt standards to implement the Act. Provides specific requirements concerning recording, conversion of documents, administration, standards, and other matters.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with substantially similar provisions, but with changes that include the following: (1) provides that a county recorder may furnish access to recorded documents through the Internet for a fee; (2) provides that there will be an Illinois Electronic Recording Commission made up of 9 commissioners, as follows: the Secretary of Financial and Professional Regulation, 5 county recorders selected by the Illinois Association of County Clerks and Recorders, and 3 others, one each appointed by the Illinois Land Title Association, the Illinois State Bar Association, and the Illinois Mortgage Bankers Association; (3) provides the terms, rules, and replacements for the commissioners; (4) provides that the Commission will adopt State-wide recording standards; (5) provides that funding for the Commission may be from federal, State, local governmental, and private sources; and (6) deletes Section that states that construction of the Act must give consideration to the need for uniformity among the states that enact it. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions similar to those of the engrossed bill, with the following changes: provides that a county recorder implementing the Act shall comply with Illinois Electronic Recording Commission standards and the Local Records Act; establishes, within the Office of the Secretary of State (instead of within the Department of Financial and Professional Regulation), the Illinois Electronic Recording Commission, consisting of the Secretary of State or his or her designee and 14 commissioners (instead of 9 commissioners) appointed by the Secretary of State, to adopt standards to implement the Act (rather than having the Department adopt those standards); provides that standards and rules adopted by the Commission shall be delivered to the Secretary of State

who, within 60 days, shall either promulgate by rule the standards adopted, amended, or repealed or return them to the Commission for changes, and that the Commission may override the Secretary by a three-fifths vote, in which case the Secretary shall publish the Commission's standards; and makes other changes. Effective immediately.

New Act

30 ILCS 805/8.31 new

Creates the Textbook Advisory Committee Act. Requires a textbook advisory committee to be established in the office of the provost or chief academic officer of each public institution of higher education in this State. Specifies who must serve on the committee. Provides that a committee shall establish and implement certain policies with respect to textbooks. Provides that the committee shall report annually to the Board of Higher Education or the Illinois Community College Board, as appropriate, on measures undertaken to reduce textbook costs and provide students with cost-saving alternatives. Requires certain information to be included in the report. Repeals the Act on June 30, 2015. Amends the State Mandates Act to require implementation without reimbursement.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

30 ILCS 805/8.31 new

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Provides that the definition of "public institution of higher education" does not include a public institution of higher education whose primary method of textbook issuance is through a rental program. Provides that a textbook advisory committee's policy must ensure the publication of certain textbook information within reasonable expediency after the information becomes available (instead of by 60 days before the start of the semester or other term). Provides that a textbook advisory committee's policy must prohibit employees from demanding or receiving any present or promised gift, payment, loan, subscription, advance deposit of money, services, or other thing of value as an inducement for the selection of any

specific textbook or supplemental material for use in an academic course taught at the public institution of higher education (instead of prohibiting employees from receiving payments in exchange for selection of specific course materials); provides for exceptions. Requires each public institution of higher education (instead of a textbook advisory committee) to report to the Board of Higher Education or the Illinois Community College Board. Removes the provisions amending the State Mandates Act.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 1, with the following changes. Provides that a textbook advisory committee must include representatives of the on-campus college bookstore and off-campus college bookstore, if any, that provide textbooks (instead of representatives of the bookstore or bookstores that provide textbooks). Provides that the committee shall include publishers. Makes changes concerning a committee's policies, including (1) providing that the requirement for disclosure of the International Standard Book Number (ISBN) is applicable so long as disclosure does not conflict with or impair the contractual rights of a private third party that operates the on-campus college bookstore on behalf of the public institution of higher education, (2) changing the exception to the prohibition on employees and departments from demanding or receiving anything of value as an inducement for the selection of a specific textbook or supplemental material for use in a course for sample copies, instructor's copies, or instructional materials, (3) allowing a policy to foster the establishment of textbook reserves so long as all materials provided adhere to applicable federal copyright laws, and (4) removing the provision providing for the encouragement of buy-back programs to expand the availability of used textbooks.

New Act

30 ILCS 805/8.31 new

Creates the Textbook Consumer Information Act. Provides that when contacting prospective clients, each publisher of college textbooks shall disclose to the faculty member or, where applicable, the other entity in charge of selecting textbooks for courses taught at a public institution of higher education (i) the price at which the publisher would make the textbooks and supplementary learning materials available to a college bookstore and (ii) the history of revisions for such products. Provides that any faculty member or entity in charge of selecting textbooks for courses taught at an institution must provide a written statement to the college bookstore placing an order for textbooks detailing all textbooks and supplementary learning materials required for each course, all textbooks and supplementary learning materials suggested for each course, and the earliest edition of any required textbook that may be purchased by a student for that course. Requires college bookstores to make available a listing of all textbooks and supplementary learning materials that are required for courses taught during each term, which shall include new and used textbook retail prices. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

30 ILCS 805/8.31 new

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Removes a provision requiring a college bookstore to publish the required textbook listing on its Internet website or, if no such website exists, post the listing in a non-restricted area of the college bookstore. Requires a public institution of higher education to publish on the institution's Internet website or at other appropriate venues the title, author, International Standard Book Number (ISBN), and retail price of new and used textbooks within reasonable expediency after the information becomes available, and requires the institution to ensure the availability of information regarding how current editions of textbooks differ from previous editions. Provides that an institution with a textbook rental program is excluded from these requirements, except that the institution must comply with these requirements with respect to those textbook and supplementary course materials not included in the textbook rental program. Removes the provisions amending the State Mandates Act. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 1, with the following changes. Makes changes concerning the information that publishers must disclose to faculty members. Removes the language concerning faculty requirements; provides instead that any faculty member or entity in charge of selecting textbooks and supplemental materials for courses taught at an institution shall clearly identify to the on-campus college bookstore all textbooks and supplemental materials required and recommended for use for each course and the earliest edition of any required textbook that may be purchased by a student for that course in a manner consistent with the adoption process established by the on-campus college bookstore. Provides that nothing in the Act is intended to alter, impair, or revise the current process by which off-campus college bookstores obtain the identity of textbooks and supplemental materials that have been required or recommended for use for each course in a timely manner. Removes the language concerning bookstore requirements; provides instead that the on-campus and off-campus college bookstore, if any, must, with reasonable expediency after the information becomes available, disclose on a per course basis all textbooks and supplementary learning materials that are required for courses taught during each term. Makes changes concerning the requirements for institutions, including removing the requirement that an institution ensure the availability of information regarding how current editions of textbooks differ from previous editions. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

faculty member or, if applicable, the other adopting entity in charge of selecting textbooks for courses taught at a public institution of higher education (1) the copyright dates of past editions of the textbook or supplemental materials for the previous 10 years, if any; (2) the substantial content changes made between the current edition of the textbook or supplemental materials and the previous edition, if any; and (3) the existence and price of alternative formats of the textbook or supplemental materials. Provides that publishers of college textbooks are required to offer all bundled textbooks for sale as individual unbundled textbooks and supplemental materials. Provides that when a faculty member or, if applicable, other adopting entity in charge of selecting textbooks for courses taught at an institution directs a publisher to compile a custom textbook, the publisher shall provide, in writing before the faculty member or entity adopts the custom textbook, the price at which the publisher would make the custom textbook available to the bookstore on the campus of or otherwise associated with the institution. Contains a provision concerning institutional autonomy and academic freedom. Provides that the Attorney General or a State's Attorney may bring a civil action to enforce the Act.

HOUSE FLOOR AMENDMENT NO. 2

770 ILCS 60/23 from Ch. 82, par. 23

Deletes everything after the enacting clause. Amends the Mechanics Lien Act. Provides that any person who leases construction equipment to another for use in the process of constructing an improvement to real estate, has a lien for the rental value of the construction equipment to the same extent and in the same manner as provided in the Mechanics Lien Act for other liens. Provides that rental equipment liens shall apply only if, and to the extent that, the equipment is used on or about the site of the improvement. Provides that the rental equipment liens shall not apply if the improvement is to a single family residence or a multi-family residence with fewer than 12 units in a single building. Provides that any person furnishing labor, services, material, fixtures, apparatus or machinery, form or form work (rather than, material, apparatus, fixtures, machinery, or labor) to any contractor having a contract for a public improvement for a governmental entity shall have a lien for the balance thereof on money, bonds, or warrants due to the contractor. Provides that the governmental entities included are the State and any county, township, school district, city, municipality, municipal corporation, unit of local government, entity organized under the Intergovernmental Cooperation Act, or a not-for-profit corporation controlled by one or more units of local government (instead

of, the State and any county, township, school district, city, municipality, or municipal corporation). Provides that the lien attaches only to funds against which no voucher or other evidence of indebtedness has been delivered to the contractor. Provides that a claim notice shall contain a sworn statement identifying the contract, work done, and total due (instead of, written notice). Provides that if a claim suit is dismissed, the lien shall terminate 30 days later, but nothing prevents a public body from paying a lien claim within 30 days after dismissal under certain conditions. Provides that unless the contract with the public body otherwise provides, no lien for material shall be defeated because of a lack of proof that delivered material actually entered into the construction of the improvement when concrete, cement, or like material is used. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 5

Sets forth separate licensure provisions for licensed practical nurses, registered nurses, and advanced practice nurses, including education program requirements, qualifications, and scope of practice for each nursing classification. Makes other changes. HOUSE FLOOR AMENDMENT NO. 4

Adds reference to:

225 ILCS 25/8.1	from Ch. 111, par. 2308.1
225 ILCS 65/60-40 new	

Amends the Illinois Dental Practice Act. Provides that if and only if Senate Bill 214 becomes law, a licensed dentist must hold an appropriate permit in order to perform dentistry while a nurse anesthetist administers conscious sedation, deep sedation, or general anesthesia, and a valid written collaborative (instead of practice) agreement must exist between the dentist and the nurse anesthetist. In the Nursing and Advanced Practice Nursing Act, makes changes in the qualifications for licensure as a licensed practical nurse and as a registered professional nurse, including requiring the completion of certain additional nursing education upon an applicant for licensure by examination's neglect, failure, or refusal to take an examination or failure to pass an examination within 3 years after filing the application. Provides that the scope of practice for a licensed practical nurse includes collecting data and collaborating in the assessment of the health status of a patient (instead of collaborating in the collection of data that contributes to the assessment of the health status of a patient). Provides that applicants for registered professional nurse licensure have 3 (instead of 2) years after the date of application to complete the application process. Adds a provision concerning continuing education for registered professional nurse licensees. Provides that a certified registered nurse anesthetist who provides anesthesia services outside of a hospital or ambulatory surgical treatment center shall

enter into a written collaborative agreement with an anesthesiologist or the physician (instead of operating physician) licensed to practice medicine in all its branches or the podiatrist (instead of operating podiatrist) performing the procedure. Removes a provision granting immunity from liability to advanced practice nurses for the acts or omissions of a collaborating physician, dentist, or podiatrist solely on the basis of having signed a written collaborative agreement. Provides that moneys in the Nursing Dedicated and Professional Fund may be used for distribution and publication of the Act and rules (instead of the rules at the time of renewal to all persons licensed by the Department of Financial and Professional Regulation under the Act). Makes other changes.

720 ILCS 5/9-3 from Ch. 38, par. 9-3

Amends the Criminal Code of 1961. Provides that a person commits reckless homicide if he or she unintentionally kills an individual while driving in a posted school zone or in a construction or maintenance zone and he or she was also either driving at a speed of more than 10 miles per hour in excess of the posted speed limit or driving under the influence of alcohol or other drugs. Corrects erroneous cross references in the statute concerning reckless homicide.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that in cases involving reckless homicide in which the defendant unintentionally kills an individual while driving in a posted school zone or in a construction or maintenance zone, the trier of fact may infer that the defendant's actions were performed recklessly where he or she was also either driving at a speed of more than 10 miles per hour in excess of the posted speed limit or violating the DUI provisions of the Illinois Vehicle Code (rather than defining reckless homicide as including such conduct).

HOUSE FLOOR AMENDMENT NO. 1

Limits the inference to situations where children are present in the school zone or where construction or maintenance workers are present in the construction or maintenance zone and to situations in the case of driving over the speed limit to where the defendant is driving at a speed of more than 20 (rather than 10) miles per hour in excess of the posted speed limit.

SB-0389 COLLINS AND SANDOVAL-MEEKS-RAOUL-HUNTER.

765 ILCS 605/14.5 new

Amends the Condominium Property Act. Provides procedures for addressing distressed condominium property that is a danger, blight, or nuisance to the surrounding community or the public and that is substantially unoccupied, without utilities, or in a serious negative condition. Provides a definition of "distressed condominium property". Provides that a municipality may file a petition in the circuit court and that if the court finds that a property is a distressed condominium property, the court may appoint a receiver to manage the property. Provides also that if a court finds that the property is not viable as a condominium, the court may deem that the entire property is owned in common by the unit owners and may authorize the receiver to sell the entire property without the consent of the unit owners. Provides that if the receiver sells the property pursuant to court authorization, the sale proceeds shall be paid to unit owners according to their respective shares, after sale expenses, taxes, and liens have been paid. Provides that the receiver has the power and authority to secure and insure the premises, make repairs, and otherwise manage the premises.

SENATE COMMITTEE AMENDMENT NO. 1

Makes changes in the definition of "distressed condominium property". Corrects and clarifies cross-references within the provisions. Provides that, in the event of a property sale, the net proceeds of the sale, after payment of all receiver's costs, time, expenses, and fees as approved by the court (rather than as evidenced by the receiver's notes or certificates duly issued and assigned), shall be deposited into an escrow account.

105 ILCS 5/14-6.10 new

Amends the Children with Disabilities Article of the School Code. Provides that when a child who is eligible for special education reaches the majority age of 18 years, rights accorded to the child's parents transfer to the child. Provides that rights shall not transfer from the parents to the child if the child has been determined to be incompetent under State law or the child has not been determined to be incompetent, but does not have the ability to provide informed consent with respect to the child's educational program. Requires the State Board of Education to adopt rules establishing criteria for school districts to determine if a child lacks the ability to provide informed consent and uniform procedures for allowing the parents of the child, another adult caregiver, or another responsible adult to exercise rights on behalf of the child. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Changes references from "child" to "student" and "educational program" to "individualized education program". Provides that the school district must notify the student and the student's parents of the transfer of rights in writing at a meeting convened to review the student's individualized education program during the school year in which the student turns 17 years of age. Requires the district to also explain to the student and the student's parents the significance of the transfer of parental rights at the majority age of 18. Provides that at that time, the district must provide the student with a copy of the Delegation of Rights form. Provides that rights shall not transfer from the parents to the student if the

student has been adjudged (instead of determined to be) incompetent under State law or the student has not been adjudged (instead of determined to be) incompetent, but the student has executed a Delegation of Rights to make educational decisions for the purpose of appointing the student's parent or other adult to represent the educational interests of the student (instead of but the student does not have the ability to provide informed consent with respect to the child's educational program). Allows a student to terminate the Delegation of Rights at any time and assume the right to make decisions regarding his or her education. Sets forth requirements for the Delegation of Rights, including the form. Deletes the provision requiring the State Board of Education to adopt rules establishing criteria for school districts to determine if a child lacks the ability to provide informed consent and uniform procedures for allowing the parents of the child, another adult caregiver, or another responsible adult to exercise rights on behalf of the child. Removes the immediate effective date.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 1, with the following changes. Removes a provision that requires the school district to explain to the student and the student's parents the significance of the transfer of parental rights. Requires the school district to mail the notice of the transfer of rights and a copy of the Delegation of Rights form to the student and to the student's parents if they do not attend the meeting to review the student's individualized education program. Provides that the Declaration of Rights shall include a declaration that the student will notify the school district immediately if the student terminates the Delegation of Rights; makes a related change. Adds an immediate effective date.

40 ILCS 5/7-109.3 from Ch. 108 1/2, par. 7-109.3

40 ILCS 5/7-142.1 from Ch. 108 1/2, par. 7-142.1

Amends the IMRF Article of the Illinois Pension Code. Makes county probation officers eligible for the sheriff's law enforcement employee (SLEP) formula. Allows these probation officers to convert non-SLEP service as a probation officer into SLEP credit by paying the difference in employee contributions plus interest; waives the interest if payment is made within one year. Allows a participating municipality to phase in the costs of converting the service with payments over 5 years. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Creates a 5-year window for application for the conversion of service credits and removes language waiving the payment of interest if payment if made within a specified one-year period.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the introduced bill with the following changes. In the definition of "sheriff's law enforcement employees", adds language requiring that the county probation officer be employed on a full-time basis. In provisions concerning the conversion of the credit, (i) provides that the conversion may only occur within 5 years after the effective date and (ii) deletes provisions waiving the interest and allowing the participating municipality to phase in conversion costs. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE (Dept. of Commerce & Economic Opportunity)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE (Government Forecasting & Accountability)

The fiscal impact of SB 488, as engrossed, cannot be calculated as the number of county probation officers that will elect sheriff's law enforcement employee (SLEP) status is not known. However, as the employer contribution rate for SLEP formula employees is greater than the employer contribution rate for regular formula employees, there will be a negative fiscal impact on the Fund for any conversions or prior probation officer service.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

SB 488 (S-AM 1 & 2) does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

New Act

Creates the Homeowners' Solar Energy Act. Provides that no bylaw or action of a homeowners' association, property owners' association, or a condominium unit owners' association shall prohibit or be interpreted to prohibit a solar energy system or other energy device based on a renewable resource. Provides that no deed restrictions, covenants, or similar binding agreements running with the land shall prohibit or have the effect of prohibiting a solar energy system or other renewable resource energy device from being installed on residential dwelling property that does not exceed 3 stories. Provides that an owners' association may determine the location of a solar energy system. Provides that solar energy systems shall be certified by the Solar Rating and Certification Corporation (SRCC) or another nationally recognized certification entity. Provides that an application for the installation of a solar energy system shall be processed and approved as an application for architectural modification and shall not be willfully avoided or delayed. Provides that any entity, other than a public entity, that willfully violates this Act shall be liable to the applicant or other party adversely affected for actual damages. Provides that in any litigation under this Act, the prevailing party is entitled to reasonable attorney's fees. Provides that the legislative purpose of this Act is to protect the public health, safety, and welfare by encouraging the use of renewable resource energy systems to conserve and protect land and resources and prevent measures which will drive the cost of owning residential property beyond the capacity of private owners.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions substantially similar to the engrossed bill, except for the following. Provides that each homeowners' association and condominium unit owners' association shall adopt an energy policy statement concerning the location, design, and architectural requirements of solar energy systems or other energy devices. Provides that any entity that complies with the Act is not liable to any other resident or third party for such compliance. In language giving property owners specified rights, deletes language limiting those rights to residential dwellings not exceeding 3 stories in height. Adds language providing that the Act does not apply to a building more than 30 feet in height.

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

20 ILCS 3125/1
 20 ILCS 3125/5
 20 ILCS 3125/10
 20 ILCS 3125/15
 20 ILCS 3125/20
 20 ILCS 3125/45

Amends the Energy Efficient Commercial Building Act. Changes the short title to the Energy Efficient Building Act. Provides that the Code adopted under the Act applies to any new building or structure (rather than any commercial building or structure). Deletes language providing that residential buildings are exempt from the Code. Adds language providing that additions, alterations, renovations, or repairs to existing residential structures are exempt from the Code. Provides that any unit of local government that has adopted the efficiency standards of

the 2000 International Energy Conservation Code, with the 2001 supplement, on or before January 1, 2007, may continue to regulate energy efficient building standards under that Code. Adds an immediate effective date.

HOUSE FLOOR AMENDMENT NO. 3

Deletes the immediate effective date.

HOUSE FLOOR AMENDMENT NO. 4

Deletes everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment 1. Also amends the Energy Efficient Commercial Building Act. Provides that the Capital Development Board must adopt the specified energy conservation code as the minimum and maximum requirements for the construction of residential buildings. Provides that units of local government are not required to adopt or administer the Code, and provides that a unit of local government that has adopted any previously published editions of the International Energy Conservation Code on or before May 1, 2008, may continue to regulate energy efficient building standards under that Code. Preempts home rule powers. Effective immediately.

765 ILCS 750/25

Amends the Safe Homes Act. In provisions authorizing tenants to request that a landlord change the locks if one or more of the tenants reasonably believes that one of the tenants or a member of tenant's household is under a credible imminent threat of domestic or sexual violence at the premises, deletes a requirement that the threat be from a person who is not a lessee under the lease. Requires a tenant requesting a change of locks because of a threat of violence from another lessee to include with the request a plenary order of protection or a plenary civil no contact order granting the tenant exclusive possession of the premises. Provides that a tenant who changes the locks shall make a good faith effort to give a key to the new locks to the landlord (instead of giving a key to the new locks to the landlord). Provides that "if the landlord changes the locks, the landlord shall make a good faith effort to give a key to the new locks to the tenant as soon as possible or not more than 48 hours of the locks being changed" and that a landlord who changes the locks and does not make a good faith effort to

provide a copy of a key to the tenant within 48 hours of the landlord changing the locks is liable for any damages to the tenant incurred as a result of not having access to his or her unit. Effective immediately.

210 ILCS 87/15

Amends the Language Assistance Services Act. Makes changes in the list of things a health facility must do to ensure access to health care information and services for limited-English-speaking or non-English-speaking residents and deaf residents. Provides that a facility must do all (instead of one or more) of the following: (1) adopt and review annually a policy for providing language assistance services to patients with language or communication barriers; (2) develop and post notices that advise patients and their families of the availability of interpreters; and (3) notify the facility's employees of the language services available at the facility and train them on how to make these language services available to patients. Provides that, in addition, a facility may do one or more of the following: (i) review existing policies regarding interpreters; (ii) adopt a policy for language assistance services that includes certain procedures; (iii) identify and record a patient's primary language and dialect; (iv) prepare a list of interpreters; (v) review standardized forms and other materials; (vi) consider providing its nonbilingual staff with standardized picture and phrase sheets; and (vii) develop community liaison groups. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with similar provisions amending the Language Assistance Services Act but with changes that include the following: (1) restores provisions of current law stating that a health facility must adopt and review annually a policy for providing language assistance services and that the policy must include certain items (deletes an amendatory provision that a facility may adopt such a policy); (2) requires that notices of the availability of interpreters list the languages "most commonly encountered at the facility" for which interpreter services are available; and (3) eliminates a provision that a facility may review existing policies regarding interpreters. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Provides that telephone numbers that must be posted by a health facility include a TTY number for persons who are deaf or hard of hearing (instead of a T.D.D. number for the hearing impaired). Provides that a health facility may maintain a list of interpreters who have been identified as proficient in sign language according to the Interpreters for the Deaf Act and a list of the languages of the population of the geographical area served by the facility (instead of a list of interpreters who have been identified as proficient in sign language and in the languages of the population of the geographical area served by the facility). Deletes a provision concerning an interpreter's ability to translate the names of body parts, injuries, and symptoms.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that, with respect to a health facility's policy for providing language assistance services, a reference to "a family member" of a patient who volunteers to interpret be changed to "an adult family member".

Broken down, House Amendment 5 would have the following impacts: (1) The .25% sales tax increase in Cook County would generate \$154 million per year; (2) The .5% sales tax increase in Lake, McHenry, Kane, DuPage, and Will Counties would generate \$232 million per year; (3) If enacted, the Chicago Real Estate Transfer Tax would generate up to \$96 million per year; (4) The 25% State match on the sales tax increases would reduce moneys in the General Revenue Fund by \$69 million per year beginning in calendar year 2009; (5) The 25% match on the Chicago Real Estate Transfer Tax, if enacted, would reduce moneys in the General Revenue Fund by \$24 million per year, beginning in calendar year 2009; (6) The additional 5% match on the Chicago Real Estate Transfer Tax, if enacted, would reduce moneys in the General Revenue Fund by an additional \$4.8 million per year, beginning upon the enactment of the Chicago Real Estate Transfer Tax; (7) The additional 5% match on all transit sales taxes would reduce moneys in the General Revenue by \$49 million per year, beginning on the effective date of Senate Bill 572; (8) The increased funding for the Metro-East Public Transportation Fund would reduce moneys in the General Revenue Funds by \$4.8 million per year.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept. of Revenue)

SB 572 (H-AM 5) would generate \$386 to \$482 million per year in local revenues, of which \$116 million per year would be directed to local governments and the remainder of which would be dedicated to the RTA. Additionally, SB 573 (H-AM 5) would reduce moneys in the General Revenue Fund by \$58.6 to \$151.6 million per year. Broken down, House Amendment 5 would have the following impacts: (1) The .25% sales tax increase in Cook County would generate \$154 million per year; (2) The .5% sales tax increase in Lake, McHenry, Kane, DuPage, and Will Counties would generate \$232 million per year; (3) If enacted, the Chicago Real Estate Transfer Tax would generate up to \$96 million per year; (4) The 25% State match on the sales tax increases would reduce moneys in the General Revenue Fund by \$69 million per year beginning in calendar year 2009; (5) The 25% match on the Chicago Real Estate Transfer Tax, if enacted, would reduce moneys in the General Revenue Fund by \$24 million per year, beginning in calendar year 2009; (6) The additional 5% match on the Chicago Real Estate Transfer Tax, if enacted, would reduce moneys in the General Revenue Fund by an additional \$4.8 million per year, beginning upon the enactment of the Chicago Real Estate Transfer Tax; (7) The additional 5% match on all transit sales taxes would reduce moneys in the General Revenue by \$49 million per year, beginning on the effective date of Senate Bill 572; (8) The increased funding for the Metro-East Public Transportation Fund would reduce moneys in the General Revenue Funds by \$4.8 million per year.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Government Forecasting & Accountability)

SB 572, as amended by House Amendment 6, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Housing Development Authority)

This amendment allows a home rule municipality with a population in excess of 1,000,000 (i.e. the City of Chicago) to impose a title transfer tax on real estate with all amounts collected, provided to the Chicago Transit Authority. While we do not know the rate that will be allowed, this legislation if enacted at the top allowable rate would cost the seller (jointly) of a \$100,000 single-family residence in Chicago \$300.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Housing Development Authority)

SB 572 (H-AM 6) does not change its impact on a single family residence.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 6 (Dept. of Revenue)

SB 572 (H-AM 6) would reduce moneys in the State's General Revenue Fund by \$177 million to \$179 million per year (\$126 million to \$128 million per year in matching funds to the RTA, plus \$46 million per year from the elimination of the appropriation level cap on the monthly General Revenue Fund transfer into the Downstate Public Transportation Fund and \$5 million per year in increased funding for the Metro-East Public Transportation Fund). Broken down, House Amendment 5 would have the following impacts: (1) The .25% sales tax increase in Cook County would generate

\$154 million per year; (2) The .5% sales tax increase in Lake, McHenry, Kane, DuPage, and Will Counties would generate \$232 million per year; (3) The 25% State match on the sales tax increases would reduce moneys in the General Revenue Fund by \$68 million per year beginning January 1, 2009; (4) The additional 5% match on all transit sales taxes would reduce moneys in the General Revenue Fund by \$49 million per year (\$30 million per year on existing RTA sales tax beginning immediately upon the effective date of Senate Bill 572, and the remaining \$19 million per year when the sales tax increase takes effect no less than 60 days after the effective date of the bill); (5) If enacted by ordinance, the Chicago Real Estate Transfer Tax increase would generate \$80 million to \$96 million per year (\$1.50 per \$500 EAV). (The \$96 million estimate assumes a moderate 3% decline in residential sales while the \$80 million figure assumes a worst case scenario 20% decline in residential sales, this based upon likely trends in residential sales.); (6) The 25% match on 25% of the Chicago Real Estate Transfer Tax increase, if enacted by ordinance, would reduce moneys in the General Revenue Fund by \$5 million to \$6 million per year, beginning January 1, 2009; (7) The additional 5% match on the Chicago Real Estate Transfer Tax increase, if enacted by ordinance, would reduce moneys in the General Revenue Fund by an additional \$4 million to \$5 million per year, beginning upon the enactment of the Chicago Real Estate Transfer Tax increase; (8) The elimination of the appropriation level cap on the monthly General Revenue Fund transfer into the Downstate Public Transportation Fund would reduce moneys in the General Revenue Fund by \$46 million in FY08; (9) The increased funding for the Metro-East Public Transportation Fund would reduce moneys in the General Revenue Fund by \$5 million per year, beginning July 1, 2008.

Additionally, House Amendment 6 would generate \$172 million to \$174 million per year in State matching funds for the RTA, \$46 million per year from the elimination of the appropriation level cap on the monthly General Revenue Fund transfer into the Downstate Public Transportation Fund, and \$5 million per year for the increase in funding to the Metro-East Public Transportation Fund, for a grand total of \$643 million to \$661 million per year. 405 ILCS 80/6-1 new

405 ILCS 80/6-5 new

405 ILCS 80/6-10 new

Amends the Developmental Disability and Mental Disability Services Act. Provides for a Community Residential Choices Program to allow a person with a developmental disability to participate in a community-based residential program where he or she is grouped in a home with no more than 3 roommates, each of whom has a developmental disability, whose disabilities, service needs, ages, and gender are compatible. Commencing with the State fiscal year beginning July 1, 2007, requires the Department of Human Services to establish Community Residential Choices Program sites in geographic locations throughout the State. Provides that for the State fiscal year beginning July 1, 2007, the Department shall make non-crisis placement slots available to no fewer than 80 persons; for the State fiscal years beginning on July 1, 2008 and July 1, 2009, the Department shall establish non-crisis placement slots for an additional 80 persons each year. Provides that the Department shall reimburse each provider of a Community Residential Choices Program at a rate equal to 100% of the provider's cost of providing those services, including the cost of acquiring, renovating, or converting the home and the cost of transportation. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces a reference to "roommates" with "housemates". Requires consideration of the interests of a person with a developmental disability in determining compatibility. Makes the program available to persons age 18 and older (instead of between 18 and 59). Replaces references to "placement slots" with "placements". In connection with reimbursement rates under the program, makes changes concerning modifying an existing home and transportation.

FISCAL NOTE (Dept. of Human Services)

Estimating an annual cost of \$60,000 for each individual served, the annualized cost of serving 80 persons in FY 2008 would be \$4,800,000. Adding another 80 persons in FY 2009 would bring the total cost to \$9,600,000 for that year (for 160 total persons in service). Adding another 80 persons in FY 2010 would bring the total cost to \$14,400,000 for 240 total persons in service.

SENATE FLOOR AMENDMENT NO. 2

Provides that each participant in the Community Residential Choices Program shall have his or her own individual private (instead of own private) bedroom. Provides that the program shall be available to persons over the age of 18 (instead of age 18 and older). Provides for reimbursement of program providers at the customary rate for a community-based residential program for persons with developmental disabilities, including necessary and appropriate support services (instead of at a rate equal to 100% of the provider's cost of providing services, including transportation and including the cost of acquiring the home, renovating the home, or modifying an existing home). Deletes a provision concerning an annual adjustment of the reimbursement rate. Provides that a person diagnosed with an autism spectrum disorder may be assessed for eligibility for services under Home and Community-Based Services Waivers for persons with developmental disabilities, without regard to whether that person is also diagnosed with mental retardation, so long as the person otherwise meets applicable level-of-care criteria under those waivers; and provides that this provision does not create any new entitlement to a service, program, or benefit, but shall not affect any entitlement to a service, program, or benefit created by any other law.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

405 ILCS 80/6-10 new

Replaces everything after the enacting clause. Reinserts provisions substantially similar to those of the bill, amending the Developmental Disability and Mental Disability Services Act, but with changes that include the following: (1) changes the statement of the purpose of the community residential choices program; (2) provides that "developmental disability" may include (instead of includes) an autism spectrum disorder; (3) provides that commencing with the State fiscal year beginning on July 1, 2007, subject to appropriation, the Department of Human Services shall fund residential capacities in geographic locations in the State with the goal of placing no fewer than 80 individuals who meet the emergency or critical need criteria of the Department's developmental disabilities cross-disabilities database, and who also meet the Department's developmental

disabilities priority population criteria for residential services and whose parents are over the age of 60, in community-based residential programs with chosen housemates, and provides that priority in the allocation of funds for this program shall be given to individuals who choose to reside with 3 or fewer individuals; (4) deletes provisions concerning placements for the State fiscal years beginning on July 1, 2008 and July 1, 2009; and (5) deletes provisions concerning reimbursement rates. Effective immediately.

20 ILCS 105/4.02 from Ch. 23, par. 6104.02

Amends the Illinois Act on the Aging. Provides that services provided, under the program established by the Department on Aging to prevent unnecessary institutionalization of persons age 60 and older in need of long term care or who are established as persons who suffer from Alzheimer's disease or a related disorder, shall be consumer directed and client focused. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

20 ILCS 105/4.12

Deletes everything after the enacting clause. Reinserts the substantive provisions of the bill with changes. Deletes a provision requiring services provided under the program to be consumer directed and client focused. Provides that by July 1, 2008, the Department's case management program shall be transitioned to a fully integrated care coordinators program. Provides that the program shall incorporate the concepts of client direction and consumer focus and shall take into account the client's needs and preferences. Specifies the duties of the care coordinators under the program. Sets out details of the care coordinators' duties under the program and authorizes the care coordinators to use discretion in carrying out the duties. Provides for reimbursement of the care coordination units under the program. Requires the Department to develop a rate structure, by January 1, 2008, in collaboration with care coordination units and advocates for care recipients and reevaluate the rate structure annually thereafter to determine if it reflects the current costs of doing business. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

320 ILCS 42/25

Deletes everything after the enacting clause. Reinserts the substantive provisions of the bill, as amended by Senate amendment one, with changes. Defines "comprehensive care coordination" under the program and sets out details of the Department's comprehensive care coordination duties under the program (instead of setting out the duties of care coordinators under the program). Provides that a comprehensive assessment shall be performed using a holistic tool identified by the Department and supported by a central electronic care planning system (instead of being identified by the Department only). Requires that the comprehensive assessment determine the level of physical, functional, cognitive, psycho-social, financial, and social needs of the client. Requires the Department to provide guidelines for determining conditions under which a comprehensive assessment shall be performed (in addition to guidelines for determining

the activities of care coordination offered to each care recipient). Provides that care plans shall include all needs identified by the assessment and all services needed by the client regardless of the funding source. Amends the Older Adult Services Act. Provides that the statewide system of holistic comprehensive case management shall evaluate the physical, psycho-social, and social needs of older adults in addition to the other needs already assessed by the system. Replaces the term "comprehensive case management" with "comprehensive care coordination". Includes the coordination and monitoring of formal and family service delivery in the definition of "comprehensive care coordination" (instead of differentiating between services based on the source of funding). Makes other changes. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the Department on Aging's care coordination program shall be voluntary and require the written consent of the client. Provides that implementation of a care plan shall require the written informed consent of the client, who shall retain the right to refuse any or all portions of the care plan and provides that information about the program, including an explanation of its purpose, policies and procedures, and a description of available services that may be offered, will be provided to the client. Replaces the definition of comprehensive care coordination for purposes of the fully integrated care coordination program. Provides that the Department shall provide, by administrative rule, policies and procedures for obtaining the written, informed consent of the client for conducting a comprehensive assessment on that client. Provides that the Department shall establish policies and procedures for investigating and resolving complaints that may be filed by clients or their representatives regarding assessments or care coordination.

20 ILCS 105/4.03	from Ch. 23, par. 6104.03

Requires the Office of State Long Term Care Ombudsman, in collaboration with the Attorney General, to create a Consumer Choice Information Report form to be completed by all licensed long term care facilities and assisted living or shared housing establishments to aid Illinoisans and their families in making informed choices about long term care. Also requires the Office to develop a database of Consumer Choice Information Reports filed by such facilities, including certain specified information, and to make this information accessible to the public. Requires each facility to retain a copy of the current Consumer Choice Information Report for public inspection. Amends the Consumer Fraud and Deceptive Business Practices Act. Amends the Illinois Human Rights Act. Provides that references throughout the Act to people with a disability will be by use of the term "person with a disability" or the term "disabled" (at present, "handicapped"). In the definition of "place of public accommodation", deletes the existing examples and inserts language listing facilities that are considered public accommodations for purposes of the Article. Provides that it is a civil rights violation to deny or refuse full and equal enjoyment of goods of any place of public accommodation. Provides that it is not a civil rights violation for a health care professional to respond to a person protected under the Act by referring the person to another professional or to refuse to treat or provide services to that person, if in the normal exercise of his or her profession the health care professional would for the same reason respond in the same way to an individual who is not protected under the Act who seeks or requires the same or similar treatment or services. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Illinois Human Rights Act. Provides that the definition of public accommodation includes but is not limited to (instead of, means) the designated facilities or businesses. Provides that the Department's jurisdiction over public accommodations, which includes schools, does not include jurisdiction over charges involving educational curriculum content, course content, or course offerings. Provides that it is not a civil rights violation for a lawyer, accountant, insurance agent, or other private professional service provider to refer or to refuse to provide services for any non-discriminatory reason if the professional would normally for the same reason refer or refuse to provide services to a person not protected under the Act.

SENATE FLOOR AMENDMENT NO. 2

Further amends the Illinois Human Rights Act. Provides that a place of public accommodation includes a non-sectarian nursery, day care center, elementary, secondary, undergraduate, or postgraduate school, or other place of education in regard to the failure to enroll an individual or the denial of access to its facilities, goods, or services, (instead of a non-sectarian nursery, day care center, elementary, secondary, undergraduate, or postgraduate school, or other place of education) except that the Department shall not have jurisdiction over charges involving curriculum content, course content, or course offerings, conduct of the class by the teacher or instructor, or any activity within the classroom or connected with a class activity such as physical education (instead of jurisdiction over charges involving curriculum

content, course content, or course offerings). Provides in one Section that it is not a civil rights violation for a medical, dental, or other health care professional or a private professional service provider such as a lawyer, accountant, or insurance agent to refer or refuse to treat or provide services to an individual in a protected class for any non-discriminatory reason if, in the normal course of his or her operations or business, the professional would for the same reason refer or refuse to treat or provide services to an individual who is not in the protected class of the individual who seeks or requires the same or similar treatment or services (instead of describing the 2 classes medical and non-medical professionals with slightly different exceptions).

FISCAL NOTE (Dept. of Human Rights)

The fiscal impact of SB 593 is as follows: (1) PSA - \$37,400; (1) Office Associate - \$32,388; (5) Investigator I - \$218,900; (1) Tech Advisor - \$45,828; Personal Services - \$334,516; Employer Retirement - \$38,570; Social Security - \$25,590; Travel - \$45,000; Training - \$25,000; Overhead Expenses - \$51,480; Total Fiscal Impact - \$520,156.

SENATE FLOOR AMENDMENT NO. 4

Further amends the Illinois Human Rights Act. In the subsection that describes a lodging establishment as a place of public accommodation, provides that the owner-occupied lodging establishment exception applies to an establishment located in a building that contains not more than 5 units (instead of rooms). Provides that a non-sectarian adoption agency (instead of an adoption agency) is a place of public accommodation subject to the Act.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that in the Illinois Human Rights Act a "place of public accommodation" be defined to mean "a facility, operated by a private entity, whose operations affect commerce and fall within at least one of the following categories:" (rather than includes, but is not limited to).

New Act

Creates the National Guard Veterans Exposure to Hazardous Materials Act. Provides that on and after October 1, 2007, the Adjutant General shall assist any member of the Illinois National Guard who served in the Persian Gulf War or in an area designated as a combat zone by the President of the United States during Operation Enduring Freedom or Operation Iraqi Freedom who (i) has been assigned a risk level I, II, or III for depleted uranium exposure by his or her branch of service, (ii) is referred by a military physician, or (iii) has reason to believe that he or she was exposed to depleted uranium during such service, in obtaining federal treatment services, including a best practice health screening test for exposure to depleted uranium. Provides that no State funds shall be used to pay for such tests or other federal treatment services. Requires the Adjutant General to submit a report to the General Assembly by October 1, 2007. Creates a task force to: (1) initiate a health registry for veterans and military personnel returning from Afghanistan, Iraq, or other countries in which depleted uranium or other hazardous materials may be found; (2) develop a plan for outreach to and follow-up of military personnel; (3) prepare a report for service members concerning potential exposure to depleted uranium and other toxic chemical substances and the precautions recommended under combat and noncombat conditions while in a combat zone; and (4) make other recommendations. Requires the task force to submit a report to the General Assembly by January 31, 2008, and terminates the task force on the date that it submits the report or on January 31, 2008, whichever is earlier. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the Department of Military Affairs, the Department of Veterans' Affairs, and the Department of Public Health (instead of the President of the Senate and the Speaker of the House of Representatives) shall ensure that adequate administrative staff is assigned to meet the needs of the task force.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the task force shall be established within the Department of Military Affairs.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts provisions substantially similar to those of the bill, creating the National Guard Veterans Exposure to Hazardous Materials Act, but with changes that include the following: (1) provides that the Department of Veterans' Affairs (instead of the Adjutant General) shall assist National Guard members and veterans in obtaining information on available federal treatment services (instead of obtaining federal treatment services); (2) provides that the Adjutant General shall certify to the General Assembly that National Guard members are informed of possible health risks associated with exposure to depleted uranium (instead of shall report to the General Assembly on the scope and adequacy of training with respect to detection of exposure to depleted uranium); (3) makes changes in the task force's functions and adds 2 legislative members to the task force; and (4) deletes provisions concerning staff support for the task force. Effective immediately.

Amends the Illinois Vehicle Code and the Criminal Code of 1961. Transfers from the Criminal Code of 1961 to the Illinois Vehicle Code provisions for seizure and forfeiture of the vehicles of certain persons driving without a valid driver's license or permit or without liability insurance or who have committed specified violations while driving under the influence of alcohol, drugs, or intoxicating compounds. Establishes procedure for the forfeiture, including the right to a hearing for persons with a claim to the vehicle. Combines changes made by several Public Acts regarding driving under the influence with various changes concerning organization of the provisions, elements of offenses, penalties, and other matters. Makes corresponding changes in the Unified Code of Corrections.

SENATE FLOOR AMENDMENT NO. 2

With regard to the seizure of vehicles, provides that any peace officer employed by a law enforcement agency of this State may request the issuance of a warrant authorizing the seizure of any motor vehicle in the same manner as provided for a search warrant. Provides that, if the court determines that there is probable cause to believe that the motor vehicle to be seized is subject to forfeiture, the court shall issue a warrant authorizing the seizure of that motor vehicle. Provides that, if the spouse of the owner of a seized vehicle makes a showing that the seized vehicle is the family's only source of transportation and that the financial hardship to the family as a result of the seizure outweighs the benefit to the State from the seizure, the vehicle may be forfeited to the spouse or a properly licensed family member. Provides that only one vehicle may be forfeited to a spouse or other family member. Provides that, if a motor vehicle is forfeited to the State after seizure, the county sheriff shall (rather than may) award the vehicle to the seizing agency or prosecutor for official use, if the agency or prosecutor can prove that the vehicle would be useful for official use. Provides that, if the State's Attorney (rather than the county sheriff or the State's Attorney) agrees to release a motor vehicle to an owner or person whose right, title, or interest is of record, that person must sign a release agreement providing for the automatic forfeiture of the vehicle if the vehicle is driven by a driver with a suspended or revoked license or permit.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that, if a motor vehicle is forfeited to the State after seizure, the county sheriff

shall, upon application of the seizing agency or the prosecutor responsible for the investigation, arrest, and prosecution leading to the forfeiture, award the vehicle to the seizing agency or the prosecutor for the agency's or the prosecutor's official use. Deletes language requiring the agency or the prosecutor to demonstrate that the vehicle would be useful to the agency or the prosecutor for official use.

HOUSE COMMITTEE AMENDMENT NO. 2

Adds reference to:

625 ILCS 5/6-206.1

from Ch. 95 1/2, par. 6-206.1

Amends the Illinois Vehicle Code if and only if Senate Bill 300 of the 95th General Assembly becomes law and the changes to Section 6-206.1 of the Illinois Vehicle Code in that bill become law in the form in which they appear in House Amendment No. 1 to that bill. Changes a reference from "JDP" to "MDDP". Provides that a court shall not enter the order directing the Secretary of State to issue a monitoring device driving permit if the court finds: the offender's driver's license is otherwise invalid (rather than valid); death or great bodily harm (rather than no death or great bodily harm) resulted from the arrest for DUI; that the offender has (rather than has not) been previously convicted of reckless homicide; or that the offender is (rather than is not) less than 18 years of age. The provisions added by this amendment are effective January 1, 2009.

30 ILCS 805/8.31 new

Amends the School Code. Provides that a vision examination must be included as a part of the health examination required within one year prior to entering kindergarten or the first grade, whichever grade the child first enters, of any public, private, or parochial elementary school. Makes related changes. Amends the State Mandates Act to require implementation without reimbursement. Effective January 1, 2008.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Provides that a separate eye examination is included as a part of the health examination (instead of providing that a vision examination must be included as a part of the health examination); makes related changes. Provides that physicians licensed to practice medicine in all its branches and licensed optometrists shall perform the eye examinations in accordance with the minimum standards set forth in rules adopted under the Illinois Optometric Practice Act of 1987 as they pertain to children. Effective January 1, 2008.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the School Code. In the Section concerning health examinations and immunizations, provides that all children enrolling in kindergarten on or after the effective date of the amendatory Act and any student enrolling for the first time on or after the effective date of the amendatory Act in a public, private, or parochial school shall have an eye examination. Provides that each of these children shall present proof of having been examined within the previous year by a physician licensed to practice medicine in all of its branches or a licensed optometrist before October 15th of the school year. Provides that if the child fails to present proof by October 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed eye examination or (ii) the child presents proof that an eye examination will take place within 60 days after October 15th. Requires the Department of Public Health to establish a waiver for children who show an undue burden or a lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or to a licensed optometrist. Adds eye examinations to certain provisions that currently apply to health and dental examinations, including exemption from the examination on religious grounds. Provides that physicians licensed to practice medicine in all of its branches and licensed optometrists shall perform all eye examinations. Provides that every school shall report to the State Board of Education by June 30 the number of children who have received the required eye examination. Makes related changes. Amends the State Mandates Act to require implementation without reimbursement. Effective January 1, 2008.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the Department of Public Health be required to establish a waiver for children who show a lack of access to a physician licensed to practice medicine in all of its branches (rather than a physician licensed to practice medicine in all of its branches who provides eye examinations), and that changes be made to the list of items

included in an eye examination.

220 ILCS 5/16-107.5 new

Amends the Public Utilities Act. Provides that electric utilities and alternative retail electric suppliers must provide "net metering" to retail customers that own and operate a solar or wind electrical generating facility with a capacity of not more than 40 kilowatts located on the customer's premises and intended to offset part of the customer's electrical requirements. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the introduced bill with the following changes. Changes all references from "electric utility" and "electric utility and an alternative retail electric supplier" to "electricity provider". Adds language providing that an eligible customer may include an electrical generating facility that uses other renewable energy resources and meets specified criteria. Provides that a net metering facility shall be equipped with metering equipment that can measure the flow of electricity in both directions at the same time. Adds language providing that an electricity provider shall continue to carry over any excess kilowatt-hour credits earned and apply those credits to subsequent billing periods to offset any customer-generator consumption in those billing periods until all credits are used or until the end of the annualized period. Provides that the electricity provider shall compensate the eligible customer for any excess kilowatt-hour credits at the electricity provider's average cost of electricity supply over the same calendar-year period. Provides that an electricity provider shall provide to net-metering customers electric service at non-discriminatory rates that are identical, with respect to rate structure, retail rate components, and any monthly charges, to the rates that the customer would be charged if not a net-metering customer. Adds language concerning renewable energy credits or greenhouse gas credits. Provides that within 120 days after the effective date of the amendatory Act, the Illinois Commerce Commission shall establish standards for net energy metering and the interconnection of eligible renewable generating equipment to the utility system. Provides that an electricity provider must offer net energy metering to eligible customers until the load of its net energy metering customers equals 1% (instead of 0.1%) of the total peak demand supplied by that electricity provider during the

previous year. Makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the engrossed bill with the following changes. Provides that and "eligible customer" means a retail customer that owns or (instead of and) operates a solar, wind, or other eligible renewable electrical generating facility with a rated capacity of not more than 2,000 kilowatts that is located on the customer's premises and is intended primarily to offset the customer's own electrical requirements. Provides that "net electricity metering" means the measurement, during the billing period applicable to an eligible customer, of the net amount of electricity supplied (instead of delivered) by an electricity provider to the customer's premises or provided to the electricity provider by the customer. Adds language specifying the equipment that shall be used at a net metering facility for residential customers and non-residential customers. Changes provisions concerning credits for customers at the end of a year that participate in net metering, and specifies the process that shall be used to determine the credits. Provides that within 120 days after the effective date of the amendatory Act, the Illinois Commerce Commission shall establish standards for net metering and, if the Commission has not already acted on its own initiative, standards for the interconnection of eligible renewable generating equipment to the utility system. Provides that all electricity providers shall begin to offer net metering no later than April 1, 2008. Provides that an electricity provider shall maintain records and report annually to the Commission on certain information. Adds language for an optional meter aggregation program. Provides that none of the provisions of the amendatory Act shall affect the right of an electricity provider, to continue to provide or the right of a retail customer to continue to receive, service pursuant to a contract for electric service between the electricity provide and the retail customer, in accordance with the prices, terms, and conditions provided for in that contract, and that either the electricity provider or the customer may require compliance with the prices, terms, and conditions of that contract. Makes technical changes. Effective immediately.

Amends the State Officials and Employees Ethics Act. Requires that each Executive Inspector General submit to the Executive Ethics Commission a plan that sets standards and determines the hours and frequency necessary for ethics training (now, the Executive Inspectors General, the Legislative Inspector General, and the Auditor General's Inspector General each sets standards and determines the hours and frequency of necessary ethics training). Prohibits the spouse of an executive branch constitutional officer, member of the General Assembly, or State employee, or the immediate family member living with that officer, member, or employee, from receiving compensation or fees for services from a person or entity if during the previous year the officer, member, or employee was involved in a specified manner in the awarding of certain contracts to or the making of regulatory decisions directly applying to the person or entity or the person's or entity's parent or subsidiary. Permits waiver of the prohibition under certain circumstances. After issuing a summary report of an investigation of an alleged violation of the Act, requires the Executive Inspector General to deliver the report to the Executive Ethics Commission or notify the Commission and the Attorney General of intent to seek leave to petition to file a complaint. Requires the Executive Inspector General to issue a redacted version of the report; specifies the contents of the redacted report and to whom it may be released. Makes other changes. Amends the Governor's Office of Management and Budget Act. Excludes the Executive Ethics Commission and the Governor's Executive Inspector General from the definition of a State agency for purposes of the Act.

Deletes everything after the enacting clause. Amends the Illinois Public Accounting Act. Sets forth a provision concerning substantial equivalency, which affords individuals who meet certain qualifications practice privileges in the State, whether in person or by mail, telephone, or electronic means, without the requirement of licensure or registration under the Act. Removes a provision prohibiting a person from holding himself or herself out as a registered certified public accountant without being registered under the Act and from using or incorporating the title "certified public accountant" without being licensed or registered under the Act. Makes changes to provisions concerning qualifications for licensure and additional requirements for firms. Makes a technical change in a Section concerning contributory fault. Makes other changes. Repeals a Section concerning temporary practice under the Act. Effective January 1,

2008.

SENATE FLOOR AMENDMENT NO. 2

In the Section concerning substantial equivalency, provides that practice privileges granted shall be those of a person licensed under the Illinois Public Accounting Act as a licensed certified public accountant (instead of a certified public accountant). Provides that an individual licensee of another state (instead of just an individual) who is exercising the privilege afforded under the Section and the CPA firm that employs such individual, as a condition of the grant of practice privileges, simultaneously consents to certain conditions, including the appointment of the state board that issued the individual's or the CPA firm's license as the agent upon which process may be served in any action or proceeding by the Department of Financial and Professional Regulation against the individual (instead of requiring the issuing state board's consent for the appointment). Provides for the imposition of a civil penalty upon any person who holds himself or herself out to the public as a certified public accountant (instead of a licensed certified public accountant) in this State by using a certain title, abbreviation, or any words or letters that indicate such.
