States the belief that O'Hare International Airport's noise monitoring technology should be coupled with artificial-intelligence software to match the noises perceived by each station at each time to specific individual flight operations and the operations of individual airlines and to gauge the compliance of each individual airline firm with the guidelines set down in the Fly Quiet Program. Calls for a measurable improvement in Fly Quiet compliance no later than January 1, 2021, with further improvements to follow. Urges the Aviation Department of the City of Chicago to select a trusted third party that represents the interests of O'Hare International Airport's noise neighbors and to share the information enumerated in this

resolution with this third party. Urges the Aviation Department and the trusted third party to collaborate to develop a rank-ordered chart of each airline firm's compliance with Fly Quiet Program guidelines. New Act

30 ILCS 105/5.891 new

Replaces everything after the enacting clause. Creates the Healthy Workplace Act and amends the State Finance Act. Requires employers to provide specified paid sick days to employees. Sets forth the purposes for and manner in which the sick days may be used. Contains provisions regarding employer responsibilities, unlawful employer practices, and other matters. Exempts employers subject to the Railway Labor Act. Provides that an employee who works in the State who is absent from work for specified reasons is entitled to earn and use a minimum of 40 hours of paid sick time during a 12-month period or a pro rata number of hours of paid sick time under the provisions of the Act. Provides that it is unlawful for an employer to interfere with, restrain, deny, change work days or hours scheduled to avoid paying sick time, or discipline an employee for the exercise of, or the attempt to exercise, any right provided under or in connection with the Act, including considering the use of paid sick time as a negative factor in an employment action that involves hiring, terminating, evaluating, promoting, disciplining, or counting the paid sick time under a no-fault attendance policy.

Provides that any employer that the Department of Labor or a court finds by a preponderance of the evidence to have knowingly, repeatedly, or with reckless disregard violated any provision of the Act or any rule adopted under the Act is subject to a civil money penalty to be paid to the employee not to exceed \$2,500 for each separate offense. Provides that the Department of Labor shall administer the Act. Authorizes individuals to file civil actions with respect to violations. Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 ()

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board ("IGB") is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown

amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB's ability to implement this rate change and other gaming expansion items.

HOUSE FLOOR AMENDMENT NO. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1530, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1530, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1530 House Amendment #1; therefore, there are no appraisals to be filed.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of the Comptroller)

SB 1530 (H-AM 1) deletes all and becomes the bill. It provides for the extension of several statutory provisions set to be repealed by 1 year. The effect of these provisions does not lead to an increase in estimated costs to state operations for programs that are already established. Furthermore, there is no fiscal impact to the operations of the State Comptroller's Office.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State Mandate.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 ()

This amendment has no fiscal impact or population impact on the department.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1530, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1857, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

The effect of these provisions does not lead to an increase in estimated costs to state operations for programs, processes, or state funds, that are already established. Furthermore, there is no fiscal impact to the operations of the State Comptroller's Office.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #5 would have an impact on the fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately \$16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2).Expanded VBM costs: additional envelopes, certification envelopes,

return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers. The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Amends the Local Government Property Transfer Act. Provides that a municipality must convey property to specified public agencies subject to an intergovernmental agreement. Amends the Illinois Municipal Code. Provides that a municipality or specified public agency (rather than only the corporate authorities of a municipality) may take specified actions against blighted buildings and properties, including petitioning a circuit court to have property declared abandoned, or dangerous or unsafe. Provides that liens for removal of dangerous or unsafe buildings are superior to tax liens. Requires notice to a municipality before a public agency may apply for an order related to blighted buildings or petition to have property declared abandoned. Modifies the requirements for property to be declared abandoned. In provisions concerning removal or repair of blighted buildings or property, expands the costs recoverable in a lien by a municipality. Defines terms. Modifies various notice provisions. Makes other changes. Amends the Criminal Code of 2012. Expands aggravated criminal housing

management to include injury or death (currently, only death).

SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

720 ILCS 5/12-5.1a

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Removes provisions allowing a specified public agency to take specified actions against blighted buildings and properties, except that a municipality may petition a court to issue a judicial deed for abandoned property to a public agency. Removes language providing that liens for removal of dangerous or unsafe buildings are superior to tax liens. Removes examples of impairments to public health, safety, or welfare from requirements for property to be declared abandoned. In provisions allowing any person with a legal or equitable interest in a property to request a hearing in the court that has ordered demolition, repair, enclosure, or removal of garbage, debris, or other substances from the property, removes language providing that no hearing may be brought after the municipality commences any demolition, repair, or enclosure of the structure or causes the removal of garbage, debris, or noxious material. Removes an expansion to aggravated criminal housing management to include injury or death in the Criminal Code of 2012.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in SB 2052; therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 2052, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

SB 2052, as engrossed, amends the Local Government Property Transfer Act and the Criminal Code of 2012 in a way that does not impact any pension system.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Housing Development Authority)

Since the Illinois Housing Development Authority does not have sufficient data to determine the exact amount of costs that a municipality can place on a vacant property lien, the increased cost to a potential homebuyer cannot be reasonably calculated. Regardless of this concern, this bill as proposed would have no immediate or long-range impacts to the Illinois Housing Development Authority.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to Senate Bill 2052. As engrossed, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

CORRECTIONAL NOTE (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Human Services)

The expected state fiscal impact for the Department of Human Services is minimal. Subject to appropriations and federal cash deposits.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

SB 3066 A2 will have an immediate fiscal effect to the Illinois Housing Development Authority and there is not sufficient information to determine the full effect of that fiscal impact. Additional details are needed in order to make this determination; including but not limited to the extent of the populations served and the administrative cost is unclear and would be developed during program development (staffing needs, new hires, software). IHDA has in place a mortgage relief program but with that comes administrative costs as well.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Housing Development Authority)

SB 3066 A3 will have an immediate fiscal effect to the Illinois Housing Development Authority and there is not sufficient information to determine the full effect of that fiscal impact. Additional details are needed in order to make this determination; including but not limited to the extent of the populations served and the administrative cost is unclear and would be developed during program development (staffing needs, new hires, software). FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept. of Human Services)

SB 3066 (H-AM 4) creates the Covid-19 Federal emergency Rental Assistance Program Act. The Act establishes guidelines of implementing the Federal Emergency Rental Assistance Programs including the prioritization of applicants, accessibility of applications, correspondence with applicants, and availability of program data on the administrating agency's website. In addition to creating the Covid-19 Federal emergency Rental Assistance Program Act SB 3066 (H-AM4) clarifies the availability of court files in residential eviction actions and establishing various guidelines for the temporary COVID-19 moratorium on certain residential evictions. The source for the Rental Assistance Program is federal and pending the final determination of the agency responsible for implementing the Covid-19 Federal Emergency Rental Assistance Program, DHS does not anticipate a significant fiscal impact to the department to carry out the duties required by SB 3066 (H-AM 4).

30 ILCS 517/5
 30 ILCS 517/10
 30 ILCS 517/25

Amends the Procurement of Domestic Products Act. Provides that purchasing agencies shall

promote the purchase of and give preference to manufactured articles, materials, and supplies that have been manufactured in Illinois (currently, the United States). Provides that, if the purchasing agency determines that certain conditions apply to a procured product, then, with respect to that procurement, the purchasing agency shall give preference to manufactured articles, materials, and supplies that have been manufactured in the United States. Effective immediately.

FISCAL NOTE (Dept. of Central Management Services)

It is not possible to calculate the negative fiscal impact of this proposed legislation currently. For all practical purposes, it should be assumed that negative impact will occur. The potential for up to 12% cost increases for an indeterminable universe of procured products exists.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOUSE FLOOR AMENDMENT NO. 1

Defines "commercially available off-the-shelf item" for the purposes of the Procurement of Domestic Products Act.

FISCAL NOTE, SENATE FLOOR AMENDMENT NO. 3 (IL State Board of Education)

HB 2170 (S-AM 3) includes new requirements for the State Board of Education (Board) and school districts that will have a fiscal impact. This fiscal impact estimate only addresses known or estimated costs for the Board and PreK-12 public school districts and not costs to other State agencies or other entities impacted by the amendments. The Board is tasked with providing staff support to 3 new advisory committees and one expanded advisory committee (KIDS Advisory Committee, Whole Child Task Force, and Inclusive History Commission; Professional Review Panel), adopting new learning standards (computer science and social science), overseeing the creation and/or expansion of programs (Freedom Schools), and will provide technical assistance to districts in implementing new mandates implemented. While existing staff will be able to take on some of the new work, new staff will likely be hired. The Board estimates that each additional staff member needed will cost \$115,000 annually. To implement the requirements of these amendments, ISBE estimates needed an additional 3 staff for a total cost of \$345,000. The legislation creates the Freedom Schools Grant Program which is subject to appropriation. ISBE estimates this program would cost \$85,000 for every 120 students enrolled (this estimate is based on the EBF Cost factor of 1 teacher for every 120 students for Extended Day Supports). The legislation includes new requirements for school districts including expanded accelerated placement opportunities for students and new graduation and coursework requirements (computer literacy, computer science, foreign language and laboratory science). Additionally, once the Board completes adoption of new learning standards school districts will be required to implement these new standards. It is not known what these new requirements will cost school districts.

Replaces everything after the enacting clause. If and only if Senate Bill 1863 of the 101st General Assembly becomes law in the form in which it passed the House of Representatives on May 21, 2020, then amends the Election Code. In provisions concerning changes for vote by mail official ballot mailing and processing for the 2020 general election, makes changes to the panels created by election authorities to compare the voter's signature on the certification envelope of the vote by mail ballot with the signature of the voter on file in the office of the election authority. Requires a vote of 3 of 3 election judges for a vote by mail ballot to be rejected because the signature on the certification envelope and the signature used by the election authority for verification purposes do not match or the certification envelope contains a signature but not in the proper location. Requires a majority vote (rather than a vote of 3 of 3 judges) for other specified reasons. If election judges (rather than 3 of 3 election judges) determine the ballot should be rejected for any reasons stated in the provisions, requires the judges to mark across the face of the certification envelope the word "rejected" and the date and names of the judges voting to reject the ballot. Requires all collection sites for vote by mail ballots to be secured by locks that may be open only by election authority personnel and requires the State Board of Elections to establish additional guidelines for the security of collection sites. Effective upon becoming law or on the date Senate Bill 1863 of the 101st General Assembly takes effect, whichever is later.
