Amends the Unemployment Insurance Act to provide that if an individual's benefit year begins on or after March 8, 2020, but before the week following the last week of a disaster period established by the gubernatorial disaster proclamations in response to COVID-19, recovery by suit in the name of the People of the State of Illinois or recoupment from benefits payable to an individual for any week shall be permanently waived if the sum was received by the individual without fault on his or her part. Provides that, in cases of such permanent waiver of recovery or recoupment, the Director of Employment Security may not request the Comptroller or the Secretary of the Treasury to withhold a sum of benefits for which an individual is found to be ineligible. Effective immediately.

FISCAL NOTE (Dept. of Employment Security)

The Illinois Department of Employment Security has reviewed House Bill 5861 and has determined that the legislation, as it affects recoupment of unemployment insurance benefits payable under Illinois state law, could have a fiscal impact. The Agency has asked the United States Department of Labor (USDOL) for a standard conformity review with federal regulations, which is pending. Non-conformity with federal regulations could result in a loss of Federal Unemployment Tax Credits for Illinois employers, in essence increasing employer taxes, potentially by 900%. 42 U.S.C. §3303-3304. A determination of non-conformity could also result in the loss of federal grant funding for the administration of the unemployment insurance programs in Illinois. 42 U.S.C. §502. Additionally, it is unclear what, if any, actions the federal government may take regarding unemployment insurance programs, and whether there would be restrictions included in any such actions which would discourage states from taking an action that could worsen the health of the unemployment trust fund. The legislation may also have a fiscal impact on the Illinois Unemployment Insurance Trust Fund. The reported data indicates that for the programs payable under Illinois state law: (1) Fiscal Year 2019, non-fraudulent; recoupments totaled approximately \$14,303,046.00; (2) Fiscal Year 2020, non-fraudulent recoupments totaled approximately \$16,552,059.00; and (3) First Quarter Fiscal Year 2021, non-fraudulent recoupments totaled approximately \$5,527,893.00. Based on the above data, it appears the legislation could forgive \$3.3 million to \$5.5 million for each quarter the waiver provision remained in effect. While the system is generally designed to replenish the state's Unemployment Trust Fund account by charging employers for benefits paid from the account, employers would not be directly charged for the forgiven overpayments as the bill is currently written.
