820 ILCS 105/1 from Ch. 48, par. 1001

Amends the Minimum Wage Law. Makes a technical change in a Section concerning the short title.

SENATE FLOOR AMENDMENT NO. 1

820 ILCS 105/1

Adds reference to:

5 ILCS 100/5-45

from Ch. 127, par. 1005-45

35 ILCS 5/704A

820 ILCS 105/4

from Ch. 48, par. 1007

820 ILCS 105/10

from Ch. 48, par. 1010

820 ILCS 105/11

from Ch. 48, par. 1011

820 ILCS 105/12

from Ch. 48, par. 1012

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to \$9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of \$15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of \$100 per employee for failure to maintain required records. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Dept of Revenue)

Increasing the minimum wage to \$15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly \$390 million by fiscal year 2027. The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices. The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer

employees is fixed to match the credit taken in 2025. In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from \$8.25 in 2019 to \$10.00 in 2020, from \$10.00 to \$11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

CORRECTIONAL NOTE (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Amends the Illinois Insurance Code. In provisions concerning coverage for telehealth services, provides that certain health benefit policies or plans may not exclude from coverage a medically necessary health care service or procedure delivered by certain providers solely because the health care service or procedure is provided through telehealth (rather than requiring certain policies to meet specified criteria if they provide coverage for telehealth services). Provides the requirements of coverage for telehealth services. Provides that an individual or group policy of accident or health insurance that provides coverage for telehealth services delivered by contracted licensed dietitian nutritionists and contracted certified diabetes educators must also provide coverage for in-home services for senior diabetes patients (rather than requiring an individual or group policy of accident or health insurance that provides coverage for telehealth services to provide coverage for licensed dietitian nutritionists and certified diabetes educators who counsel senior diabetes patients in the patients' homes). Amends the Illinois Public Aid Code. Provides payment, reimbursement, and service requirements for telehealth services provided under the State's fee-for-service or managed care medical assistance programs. Provides that "telehealth" includes telepsychiatry. Provides that the Department of Healthcare and Family Services shall implement the new provisions 60 days after the effective date of the amendatory Act. Repeals a provision requiring the Department to reimburse psychiatrists and federally qualified health centers for mental health services provided by psychiatrists to medical assistance recipients through telepsychiatry. Makes other changes.

New Act

Creates the Hotel and Casino Employee Safety Act. Requires hotels and casinos to adopt anti-sexual harassment policies and make panic buttons available to certain employees. Prohibits retaliation against an employee for using a panic button, availing himself or herself of the protections afforded by an anti-sexual harassment policy, or disclosing, reporting, or testifying about violations of the Act. Provides remedies for noncompliance. Limits home rule powers. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions substantially similar to the introduced bill with the following changes: defines the terms "casino employer" and "hotel employer"; provides for the utilization of a safety device rather than a panic button; requires time off to be granted to file criminal complaints rather than sign police complaints; removes requirement that anti-harassment policies be posted in Polish; limits economic damage awards to \$350 per incident; deletes the home rule preemption; provides that before a representative of employees may bring a claim on behalf of employees, the employer must be given 15 calendar days within which to correct the violation. Effective July 1, 2020.

SENATE FLOOR AMENDMENT NO. 2

Adds a definition. Defines the term "sexual assault" to mean: (1) an act of sexual conduct, as defined in Section 11-0.1 of the Criminal Code of 2012; or (2) any act of sexual penetration, as defined in Section 11-0.1 of the Criminal Code of 2012 and includes, without limitation, acts prohibited under Sections 11-1.20 through 11-1.60 of the Criminal Code of 2012.

820 ILCS 205/12.5 new

Amends the Child Labor Law. Provides that, before a child may be issued a permit to work as a child performer, a trust account must be established providing, at a minimum, that: at least 15% (or a greater percentage as determined by rule) of the gross earnings of the child performer shall be deposited into the account; the funds in the account shall be available only to the child performer; the funds shall be held by a bank, corporate fiduciary, or trust company, as those terms are defined in the Corporate Fiduciary Act; and the funds in the account shall become available to the child performer upon the child performer attaining the age of 16 years. Provides that the new provisions do not apply to an employer of a child performer employed to perform services as an extra, services as a background performer, or services in a similar capacity. Provides that the Department of Labor shall adopt rules to implement the provisions.

SENATE FLOOR AMENDMENT NO. 1

Provides that funds placed into a trust account for a child performer shall remain in the account until the child performer attains the age of 18, instead of 16, or until the child performer is declared emancipated. Requires trusts to meet the requirements of the Illinois Uniform Transfers to Minors Act. Provides that if a parent or guardian fails to provide to an employer information necessary to transfer funds into a trust account within 30 days after the expiration of a temporary employment certificate, the employer shall transfer the funds to the State treasurer in accordance with the Revised Uniform Unclaimed Property Act.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that upon the failure of a parent or guardian to provide to an employer information necessary to transfer funds into a trust account within 30 days after an employment certificate has been issued (rather than within 30 days of a temporary employment certificate having expired), the employer shall transfer the funds to the State Treasurer in accordance with the Revised Uniform Unclaimed Property Act.

HOUSE FLOOR AMENDMENT NO. 3

Provides that the Department of Labor shall prescribe the form of the temporary employment certificate and make it available on its website. 40 ILCS 5/4-109 from Ch. 108 1/2, par. 4-109
30 ILCS 805/8.43 new

Amends the Downstate Firefighter Article of the Illinois Pension Code. Provides that a firefighter who previously participated in the Illinois Municipal Retirement Fund (IMRF) for service as a member of the fire department of a municipality and was transferred to that municipality's firefighters' pension fund upon its creation, as required under the Downstate Firefighter Article as a result of the federal decennial census of 2010, shall, for the purposes of determining the applicable tier of benefits, be deemed to have become a firefighter and member of that municipality's firefighters' pension fund on the date that he or she first participated in IMRF as a member of the fire department of that municipality, notwithstanding whether that start date was before January 1, 2011. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

SB 194 presumably deals with a situation where a Downstate Fire pension fund was created in the wake of the 2010 federal census and a firefighter who had theretofore been a Tier 1 participant in IMRF began service in the newly created Downstate Fire pension fund as a Tier 2 employee. It is unknown how many firefighters were impacted in this way.

from Ch. 122, par. 50-5

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the transfer would prevent the school district from meeting obligations under State or federal law, a court order, or a consent decree. Provides that if no adjoining school district is available for transfer, the student may transfer to another school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the

advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Reporting Act, then the school board may dismiss that employee immediately upon that determination. Provides that the State Superintendent of Education has the authority to initiate a suspension of or revoke the license of any educator licensed under the Educator Licensure Article of the Code if he or she negligently fails to report an instance of suspected child abuse or neglect. Provides that for schools in a county with an accredited Children's Advocacy Center, every alleged incident of sexual abuse that is reported to the Department of Children and Family Services' hotline or a law enforcement agency and is subsequently accepted for investigation must be referred by the entity that received the report to the local Children's Advocacy Center pursuant to that county's multidisciplinary team's protocol under the Children's Advocacy Center Act for investigating child sexual abuse allegations. Provides for the local Children's Advocacy Center's duties and the duties of a school. Provides that if, during the course of its internal investigation and at any point during or after the multidisciplinary team's investigation, a school determines that it needs to interview an alleged victim of sexual abuse to successfully complete its investigation and the victim is under 18 years of age, a child advocate must be made available to the student and must be present during the school's interview. HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by House Amendment No. 1 with the following changes. Provides that, every 2 years, each school district must review all existing policies and procedures concerning sexual abuse investigations at schools (rather than must adopt and implement a policy addressing sexual abuse investigations at schools) to ensure consistency with policies adopted under the School Code. Provides that, as a condition of employment, each school board must consider the status of a person who has been issued an indicated finding of abuse or neglect of a child by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act or by a child welfare agency of another jurisdiction (rather than no school board shall knowingly employ a person who has been issued those indicated findings). Changes the definition of "alleged incident of sexual abuse". Makes changes to what a school must comply with after an alleged incident of sexual abuse is accepted for investigation by the Department of Children and Family Services or a law enforcement agency and while the investigations are being conducted by the local multidisciplinary team. With regard to the Personnel Record Review Act, provides that certain disclosure requirements under the Act do not apply to a school district who is sharing information related to an incident or an attempted incident of sexual abuse or severe physical abuse (rather than a school district responding to an inquiry from a prospective employer). Makes other changes. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (IL State Board of Education) SB 458 (H-AM 3) includes new requirements for the State Board of Education (Board) and school districts that will have a fiscal impact. This fiscal impact estimate only addresses known or estimated costs for the Board and PreK-12 public school districts

and not costs to other State agencies or other entities impacted by the amendments. The Board is tasked with providing staff support to 3 new advisory committees and one expanded advisory committee (KIDS Advisory Committee, Whole Child Task Force, and Inclusive History Commission; Professional Review Panel), adopting new learning standards (computer science and social science), overseeing the creation and/or expansion of programs (Freedom Schools), and will provide technical assistance to districts in implementing new mandates implemented. While existing staff will be able to take on some of the new work, new staff will likely be hired. The Board estimates that each additional staff member needed will cost \$115,000 annually. To implement the requirements of these amendments, ISBE estimates needed an additional 3 staff for a total cost of \$345,000. The legislation creates the Freedom Schools Grant Program which is subject to appropriation. ISBE estimates this program would cost \$85,000 for every 120 students enrolled (this estimate is based on the EBF Cost factor of 1 teacher for every 120 students for Extended Day Supports). The legislation includes new requirements for school districts including accelerated placement opportunities for students and new graduation and coursework requirements (computer literacy, computer science, foreign language and laboratory science). Additionally, once the Board completes adoption of new learning standards school districts will be required to implement these new standards. It is not known what these new requirements will cost school districts.

Provides that it is unlawful for an employer to interfere with, restrain, deny, change work days or hours scheduled to avoid paying sick time, or discipline an employee for the exercise of, or the attempt to exercise, any right provided under or in connection with the Act, including considering the use of paid sick time as a negative factor in an employment action that involves hiring, terminating, evaluating, promoting, disciplining, or counting the paid sick time under a no-fault attendance policy. Provides that any employer that the Department of Labor or a court finds by a preponderance of the evidence to have knowingly, repeatedly, or with reckless disregard violated any provision of the Act or any rule adopted under the Act is subject to a civil money penalty to be paid to the employee not to exceed \$2,500 for each separate offense. Replaces everything after the enacting clause. Amends the Illinois Gambling Act. Requires an applicant for a casino license in the City of Chicago to make a public presentation of its proposal and to publish a summary of the proposal on the City of Chicago's or Cook County's website. Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Provides that 0.5% (rather than 2%) of adjusted gross receipts generated by a casino in the City of Chicago shall be paid to Cook County for the purpose of enhancing Cook County's criminal justice system. Provides that a change in rates of the privilege tax imposed on specified casinos begins on July 1, 2020 (rather than the first day the casino conducts gambling operations). Amends the State Fair Gaming Act. Provides that the Illinois Gaming Board shall issue a licensed establishment license to the Department of Agriculture to operate video gaming at the Illinois State Fairgrounds and the DuQuoin State Fairgrounds (rather than issuing the license to a concessioner). Makes other changes. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 ()

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board ("IGB") is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB's ability to implement this rate change and other gaming expansion items.

HOUSE FLOOR AMENDMENT NO. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

HOUSE FLOOR AMENDMENT NO. 7

Adds reference to:
 230 ILCS 45/25-30

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

HOUSE FLOOR AMENDMENT NO. 9

Adds reference to:

225 ILCS 340/18 from Ch. 111, par. 6618

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Deletes language providing that a person shall also be regarded as practicing structural engineering who is engaged as a principal in the design, analysis, or supervision of the construction of structures or of the structural part of edifices designed solely for specified purposes. Provides that nothing imposes on a person licensed under the Act the responsibility for the performance of any acts or practice unless the person specifically contracts to provide it. Provides that nothing precludes an employee from acting under the direct supervision or responsible charge of a licensed structural engineer. Expands the powers and duties of the Department of Financial and Professional Regulation and the Structural Engineering Board. Provides that if technical submissions are prepared utilizing a computer or other electronic means, the seal may be generated by a computer. Provides that the licensee may provide an original signature in the licensee's handwriting, a scanned copy of the technical submission bearing an original signature, or a signature generated by a computer. Deletes language providing that an applicant applying for licensure as a structural engineer who has been licensed as a structural engineer in another United States jurisdiction for 10 consecutive years without discipline is not required to submit proof of qualifications other than a certified verification of licensure from the jurisdiction in which the applicant practiced. Deletes language providing that the Department may take disciplinary action for directly or indirectly giving to or receiving from any person or entity any fee, commission, rebate, or other form of compensation for any professional service not actually or personally rendered. Provides that the Department may take disciplinary action for making a statement that technical submissions prepared by the structural engineer or prepared under the structural engineer's responsible control for construction or alteration of an occupancy required to be in compliance with the Environmental Barriers Act are in compliance with the Environmental Barriers Act when such technical submissions are not in compliance (rather than that a plan for construction or alteration of a public facility or for construction of a multi-story housing unit is in compliance with the Environmental Barriers Act when such plan is not in compliance). Makes changes to provisions concerning discipline of a licensee or registrant for failing to file a return or to pay any tax, penalty, or interest as required by any tax Act. Provides that use of the title "structural engineer" or any of its derivations is limited to those persons or entities licensed or registered under the Act. Restores language providing that if the Secretary of the Department disagrees with the report of the Board or hearing officer, he or she may issue an order in contravention thereof, and that the Secretary may (rather than shall) notify the Board of any such deviation. Replaces everything after the enacting clause. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Makes changes to the legislative findings. Provides that the General Assembly finds that each year, approximately 1,500 (rather than 1,185) Illinois children are diagnosed with a serious illness (rather than with a potentially life-limiting illness); and that community-based pediatric palliative services have been shown to keep children out of the hospital by managing many symptoms in the home setting, thereby improving childhood quality of life while maintaining budget neutrality. Requires the Department of Healthcare and Family Services to develop a pediatric palliative care program (rather than a pediatric palliative care pilot program) under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team and may also choose to continue to pursue aggressive curative or disease-directed treatments for a serious (rather than a potentially life-limiting) illness under the benefits available under Article V of the Illinois Public Aid Code. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program under the Illinois Public Aid Code and who suffers from a serious illness (rather than a potentially life-limiting medical condition). Requires the Department to apply to the federal

Centers for Medicare and Medicaid Services for a State Plan amendment to implement the program. Requires the Department to implement the State plan amendment within 12 months of the date of federal approval. Prohibits the Department from drafting any rules in contravention of this timetable for program development and implementation. Removes all provisions concerning application for a federal Medicaid waiver program authorized under the Social Security Act. Expands the list of serious illnesses (rather than medical conditions) that render a person eligible for pediatric palliative care to include any other serious illness that the Department determines to be appropriate. In a provision concerning authorized providers, provides that at a minimum, a participating provider must house a pediatric interdisciplinary team that includes: (i) a physician, acting as the program medical director, who is board certified or board eligible in pediatrics or hospice and palliative medicine; (ii) a registered nurse; and (iii) a licensed social worker with a background in pediatric care. Requires all members of the pediatric interdisciplinary team to meet criteria the Department may establish by rule, including demonstrated expertise in pediatric palliative care (rather than requiring all members of the pediatric interdisciplinary team to submit to the Department proof of pediatric End-of-Life Nursing Education Curriculum (Pediatric ELNEC Training) or an equivalent). Expands the list of reimbursable services offered under the program to include any other services that the Department determines to be appropriate. Requires the Department, in consultation with interested stakeholders, to establish standards for and provide technical assistance to managed care organizations, as defined in the Illinois Public Aid Code, to ensure the delivery of pediatric palliative care services. Contains provisions concerning reporting requirements and criteria a case manager must meet for demonstrated expertise in pediatric palliative care.

Amends the Illinois Pension Code. Merges all Article 3 police officers' pension funds and Article 4 firefighters' pension funds into the Illinois Municipal Retirement Fund (IMRF) on January 1, 2021. Creates a Transition Board, which is responsible for planning, overseeing, and

administering the consolidation. Authorizes the Transition Board to undertake numerous activities necessary for the consolidation, including making arrangements for the transfer of assets and liabilities and for making recommendations to IMRF for an appropriate system of determining, administering, receiving, and enforcing the required municipal contributions to the Fund. Makes conforming and other changes. Provides that a person first employed as a firefighter or police officer on or after January 1, 2021 shall participate and earn benefits in IMRF as an employee under the IMRF Article (rather than participating and earning benefits under the Downstate Police or Downstate Firefighter Articles). Amends the Property Tax Extension Limitation Law (PTELL) of the Property Tax Code to exclude from the definition of "aggregate extension" special purpose extensions made for contributions to IMRF for benefits under the downstate police and downstate firefighter Articles. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately, except that certain changes to the Illinois Pension Code and the Property Tax Extension Limitation Law of the Property Tax Code take effect January 1, 2021.

SB-1165 STEANS AND HUNTER - MURPHY - BELT.

110 ILCS 165/5

Amends the Behavioral Health Workforce Education Center Task Force Act. Provides that the Behavioral Health Education Center Task Force must recognize that the behavioral health workforce is comprised of a broad range of professions providing prevention, treatment, and rehabilitation services for mental health conditions and substance use disorders. Provides that to address workforce capacity issues that impact access to care, the Task Force must engage in extensive planning and data collection. Provides that because there is no central data repository that exists for Illinois' behavioral health workforce, the Task Force must identify a data set, which is a foundational step to analyzing and providing recommendations to the concepts presented in House Bill 5111, as introduced, of the 100th General Assembly. Requires the Task Force to submit its findings and recommendations to the General Assembly on or before December 31, 2019 (rather than on or before September 28, 2018). Effective immediately.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1199, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1199, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1199 House Amendment #2; therefore, there are no appraisals to be filed.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Revenue)

Most of the provisions in the bill are expected to have limited to no fiscal impact except for the amendment to the Illinois Income Tax Act. Decoupling from provisions added to Section 172 and Section 461 of the Internal Revenue Code dealing with Net Operating Loss and Excess Business Losses, which were included in the federal CARES Act, will minimally prevent a reduction in revenue of \$500 million.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1199, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Provides that the funding structure for Course Equity Program courses must maximize access to courses for low-income students and school districts by following a specified funding structure. Removes a provision requiring a school district to notify students and parents of the availability of Course Equity Program courses. Makes other changes. Effective immediately.

Amends the State Finance Act and the Charter Schools Law of the School Code. Provides that on July 1, 2020, the State Charter School Commission is abolished and the terms of all members end. Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Repeals the State Charter School Commission Fund on October 1, 2020 (rather than July 31, 2020). Provides that, beginning on July 1, 2020 through August 31, 2020, all money in the State Charter School Commission Fund shall be used by the State

Allows the State Board of Education to reverse a local board's decision to revoke or, beginning on July 1, 2020, not renew a charter if certain conditions are met. Requires the State Board to appoint and utilize a hearing officer for those appeals. Provides that if a charter school fails to make payments toward administrative costs, the State Board may withhold State funds from that school until it has made all payments for those costs. 70 ILCS 805/8

from Ch. 96 1/2, par. 6315

Replaces everything after the enacting clause. Amends the Local Government Officer Compensation Act and Counties Code. Provides that an elected officer of a unit of local government, including county board members, shall not receive a salary or other compensation from the unit of local government if the member is receiving pension benefits from the Illinois Municipal Retirement Fund for the elected official's service in that same elected position and, if a current officer is receiving benefits, then reduces the official's salary and compensation to zero at the beginning of the official's next term. Limits home rule powers. Further amends the Counties Code. Provides that a chairman of a county board who is chosen by the board may be removed, for cause or without cause, upon a motion adopted by an affirmative vote of four-fifths of the board and the chairman removed maintains his or her status as a member of the county board. HOUSE FLOOR AMENDMENT NO. 3

New Act

Creates the Access to Basic Mental Health Information Act. Provides definitions for "mental health facility", "physician", and "recipient". Provides that specified individuals are entitled, upon request, to obtain certain information regarding a recipient in a mental health facility if the individual declares that he or she is involved in the recipient's care or paying for the recipient's care and the individual meets specified requirements. Provides that an individual requesting information must submit to the mental health facility specified

information. Provides that a mental health facility is required to receive information relevant to the recipient's mental health treatment. Provides that if the recipient requests the mental health record from the mental health facility, any information that was tendered to the mental health facility under a promise of confidentiality may be withheld from the recipient if disclosure of the information would be reasonably likely to reveal the source of the mental health information. Provides that whenever access or modification is requested, the request, the grounds for its acceptance or denial, and any action taken thereon shall be noted in the recipient's record. Provides that a mental health facility and its employees or agents are not liable for any action under the Act unless the release was made deliberately or the release constituted gross negligence. Provides that nothing in the Act constitutes an infringement on an individual's right to obtain mental health records of the recipient if the individual has another right to the mental health records by law, regulation, or consent of the recipient. Provides that the Act shall be liberally construed to allow receipt of mental health information to individuals entitled to a recipient's information. Provides that the Act supersedes the Mental Health and Developmental Disabilities Code and any other law that would be viewed to limit the access of an individual to a recipient's mental health records to the extent necessary to give the Act full implementation.

625 ILCS 5/11-1429

Amends the Illinois Vehicle Code. Provides that a person who operates a motor vehicle operating on diesel fuel in an affected area may not cause or allow the motor vehicle, when it is not in motion, to idle for more than a total of 10 minutes within any 60-minute period under any circumstances if the vehicle is within 200 feet of a residential area. Provides that if a person violates the provisions concerning excessive idling within 200 feet of a residential area, the law enforcement agency having jurisdiction over the residential area or the law enforcement agency having jurisdiction over the property on which the violation took place may enforce the provisions.

SENATE COMMITTEE AMENDMENT NO. 3

Provides that provisions limiting diesel fuel idling are restricted to properties that offer paid parking services to vehicle owners, do not involve fuel dispensing, and are located within a county of over 3 million residents but outside of a municipality of over 2 million residents. Provides that the provisions do not apply to school buses, waste hauling vehicles, facilities operated by the Department of Transportation, or vehicles owned by a public utility and operated to power equipment necessary in the restoration, repair, modification, or installation of a utility service.

SENATE FLOOR AMENDMENT NO. 4

105 ILCS 5/10-21.4 from Ch. 122, par. 10-21.4

Amends the School Code. Provides that a school board shall, upon passage of a referendum after submission of a petition signed by no less than 5% of the school district's voters in the last consolidated election, or may, by resolution, enter into a joint agreement with other school boards to share the services of a superintendent or other administrator. Provides that any savings realized by sharing services must be divided equally between classroom needs and property tax relief. Provides that a school district wishing to withdraw from the joint agreement shall obtain from its school board a written resolution approving the withdrawal and shall present a petition for withdrawal to the other member school districts within the timelines designated by the joint agreement if the school district entered into the joint agreement by resolution. Provides that a school district wishing to withdraw from the joint agreement shall submit to the voters of the district the question of whether the school district shall withdraw from the joint agreement if the school district entered into the joint agreement by a referendum vote (also provides for a referendum upon submission of a petition).

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes principals and assistant principals from joint agreements to share services with other school districts. Specifies what other administrators may be shared. Provides that the joint agreement must contain clear and equitable funding formulas covering each school district's obligations and must be filed with each applicable regional office of education (rather than only the State Board of Education). Requires the State Board of Education to provide technical support as requested by the school districts or the regional office of education. Provides that shared administrator services may not alter an individual school board's authority to make decisions on behalf of a school district. Provides that if, within 6 months after passage of a referendum or adoption of a resolution, the school boards who are parties to the joint agreement are unable to reach an agreement on how they will share the services of a superintendent or other administrator, the regional office of education that has supervision and control of the school districts that are sharing services or, if more than one, the regional office of education that has supervision and control of the largest portion of the affected school districts must assist in the development of the joint agreement. Provides that a petition to enter into or withdraw from a joint agreement must be filed with the school board's secretary (rather than the applicable election authority or, in the case of multiple election authorities, with the State Board of Elections) no more than 92 days (rather than no more 10 months and no less 3 months) prior to the election at which the question is to be submitted to the voters. Makes conforming and other changes.
