Amends the Illinois Act on the Aging. In provisions concerning the powers and duties of the Department on Aging, requires the Department to work with workforce development providers through the federal Workforce Innovation and Opportunity Act to establish and implement an affirmative action employment plan for the recruitment, hiring, training, and retraining of persons 60 or more years old for jobs for which their employment would not be precluded by law (rather than requiring the Department to make a grant to an institution of higher learning to study the feasibility of establishing and implementing an affirmative action employment plan for the recruitment, hiring, training, and retraining of persons 60 or more years old for jobs for which their employment would not be precluded by law). Requires the Department to conduct demonstration projects to identify additional ways to assist aging and minority senior citizens throughout the State (rather than requiring the Department to conduct a study of the feasibility of implementing the Senior Companion Program throughout the State). In a provision requiring the Department on Aging and the Department of Human Services to file a joint report with the Governor and the General Assembly, removes the requirement that the report be filed on or before September 30 of each year. Requires the Department on Aging and other specified agencies to submit an annual report on programs and services for minority senior citizens in the State to be filed with the Governor and the General Assembly within 12 months of the closing of the lapse period for the fiscal year included in the report.

For electric utilities that serve less than 3,000,000 retail customers but more than 500,000 retail customers in this State: defines "energy efficiency"; in provisions concerning the renewable portfolio standards, specifies the goals for procurement of renewable energy credits and cost-effective renewable energy resources that shall be included in the long-term renewable resources procurement plan and makes other changes concerning these procurements; and provides for the calculation of the cost of equity for the purposes of recovering all reasonable and prudently incurred costs of energy efficiency measures from retail customers. Provides that savings of fuels other than electricity achieved by measures that educate about, incentivize, encourage or otherwise support the use of electricity to power vehicles shall count towards the applicable annual incremental goal and shall not be included in determining certain limits. Amends the Public Utilities Act. Provides that an electric utility that serves less than 3,000,000 retail customers but more than 500,000 customers in this State may plan for, construct, install, control, own, manage, or operate photovoltaic electricity production facilities and any energy storage facilities that are planned for, constructed, installed, controlled, owned, managed or operated in connection with photovoltaic electricity production facilities without obtaining a certificate of public convenience and necessity subject to specified terms and conditions. Defines "electric vehicle", "electric vehicle charging station", and "energy storage" for the purposes of the Electric Service Customer Choice and Rate Relief Law of 1997. Provides that, beginning in 2022, without obtaining any approvals from the Illinois Commerce Commission or any other agency, regardless of whether any such approval would otherwise be required, a participating utility that is a combination utility shall pay \$1,000,000 per year for 10 years to the energy low-income and support program. Adds provisions authorizing certain utilities to plan for, construct, install, control, own, manage or operate electric vehicle charging infrastructure, including, but not limited to, electric vehicle charging stations within their service territories. 20 ILCS 2310/2310-431 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish women's health clinics throughout the State to provide affordable health care for women. Requires the services provided at the women's health clinic to be offered at an affordable price and to

include specified services, including women's health examinations, pregnancy confirmation, prenatal care, labor and delivery services, postpartum care, family planning examinations and birth control services, and care for sexually transmitted diseases and infections.

FISCAL NOTE (Dept. of Public Health)

The legislation does not specify the total number or geographic locations of women's health clinics so there is no way to calculate the costs for the State to establish facilities directed to provide the following services: annual women's health examinations, pregnancy confirmation services, prenatal care, labor and delivery provided by an obstetrician, postpartum care and support, family planning services, sexually transmitted disease care, doulas and childbirth consultants and childbirth education and breastfeeding care. The best example to look at is federally qualified health centers (FQHCs), where all of this care is already provided, except for labor and delivery (which needs to be done at a hospital due to the need for surgical/anesthesia services). According to the federal government, the costs of FQHCs in Illinois in 2017 were \$968,572,482. This figure does not include the costs for construction or obtaining building spaces, or any of the costs for the more costly care involving child birth, including surgical care, infant resuscitation teams, etc.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 6 amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code in a way that does not impact any State pension fund.

CORRECTIONAL NOTE (Dept of Corrections)

There is no fiscal or population impact on the Department.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

New Act

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially reasonable terms for the use by the academy.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (State Board of Education)

House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly \$10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be \$7.2 million for each vocational school to be funded at 90% adequacy for a total of \$14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition Of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (State Board of Education)

House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly \$10,700 per student. This fiscal note assumes that each new vocational academy would have an

average student enrollment of 250 students per grade or 750 per school. Based on the FY19. EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be \$7.2 million for each vocational school to be funded at 90% adequacy for a total of \$28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

Effective July 1, 2019.

HOUSE FLOOR AMENDMENT NO. 2

Restores a provision that authorizes the Department of Humans Services to: (i) raise parent co-payments, create waiting lists, or take such other actions during a fiscal year (rather than lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year) as are necessary to ensure that child care benefits paid under the Illinois Public Aid Code do not exceed the amounts appropriated for those child care benefits; and (ii) accomplish such changes by emergency rule. Deletes language that exempts the Department from the limitation on the number of emergency rules that may be adopted in a 24-month period.

Provides that all inmates serving a sentence for an offense committed prior to June 19, 1998 who were not provided specified sentence credits prior to the effective date of the amendatory Act shall be provided with sentence credit if the inmate engaged in any full-time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department and satisfactorily completed the assigned program as determined by the standards of the Department prior to the effective date of the amendatory Act. Provides that the rules and regulations of the Department of Corrections shall provide that an additional 180 days of sentence credit shall be awarded to any prisoner who obtains a bachelor's degree while the prisoner is committed to the Department of Corrections, regardless of the date that the bachelor's degree was obtained, including if prior to the effective date of the amendatory Act. Provides that if, after an award of the sentence credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked. Provides that the Department may

also award 180 days of sentence credit to any committed person who earned these degrees while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Unified Code of Corrections. Provides that the Department of Corrections shall award sentence credit accumulated prior to the effective date of the amendatory Act for participation in full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department of Corrections in an amount specified in this provision to an inmate serving a sentence for an offense committed prior to June 19, 1998, if the Department determines that the inmate is entitled to this sentence credit, based upon: (1) documentation provided by the Department that the inmate engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current term of incarceration; or (2) the inmate's own testimony in the form of an affidavit or documentation, or a third party's documentation or testimony in the form of an affidavit that the inmate likely engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current term of incarceration. Provides that if the inmate can provide documentation that he or she is entitled to sentence credit under this provision in excess of 45 days of participation in those programs, the inmate shall receive 90 days of sentence credit. Provides that if the inmate cannot provide documentation of more than 45 days of participation in those programs, the inmate shall receive 45 days of sentence credit. Provides that in the event of a disagreement between the Department and the inmate as to the amount of credit under this provision accumulated, if the Department provides documented proof of a lesser amount of days of participation in those programs, that proof shall control. Provides that if the Department provides no documentary proof, the inmate's proof as set forth in this provision shall control as to the amount of sentence credit provided. Provides that if the inmate has been convicted of a sex offense as defined in the Sex Offender Registration Act, sentencing credits under this provision shall be awarded by the Department only if the inmate successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. Provides that no inmate serving a term of natural life imprisonment shall receive sentence credit under this provision. Provides that sentence credits for specified offenses and purposes do not apply if the prisoner is required to serve 100% of his or her sentence (rather than not applying if the prisoner is serving a sentence for first degree murder or terrorism). Provides that under certain restrictions and exceptions an additional 180 days of sentence credit shall be awarded to any prisoner who obtains a bachelor's degree or who obtains a master's or professional degree while the prisoner is committed to the Department of Corrections.

HB-0158 DELUCA - WELCH - MEYERS-MARTIN, MCDERMED, COSTA HOWARD, KIFOWIT, HERNANDEZ, BARBARA AND PAPPAS.

35 ILCS 5/901 from Ch. 120, par. 9-901

Amends the Illinois Income Tax Act. Provides that, from February 1, 2020 through January 31, 2021, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2021 through January 31, 2022, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2022 through January 31, 2023, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2023, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

Although increasing the Local Government Distributive Fund (LGDF) diversion rate would have no effect on gross corporate or individual income taxes, there would be a decrease to the amount deposited into the General Revenue Fund and a corresponding increase to the amount deposited into the LGDF. Because the diversion rate would increase in February of each calendar year for four consecutive years beginning in 2020, the additional amount of money deposited into the LGDF would increase gradually for each of the next several fiscal years.

Amends the Charter Schools Law of the School Code. Removes provisions allowing the State Charter School Commission to reverse a school board's decision to deny, revoke, or not renew a charter; makes related changes. Provides that if a charter school applicant submits a proposal to a school board outside of the process adopted by that school board for receiving charter school proposals on an annual basis, the applicant shall not have any right to submit its proposal to the State Charter School Commission as otherwise authorized. In a provision concerning a charter school proposed to be jointly authorized by 2 or more school districts and the school boards unanimously denying the charter school proposal with a statement that the school boards are not opposed to the charter school but yield to the Commission in light of the complexities of joint administration, allows the charter applicant to submit the proposal to the Commission and requires the Commission to follow the same process and be subject to the same timelines for review as a school board. Allows the Commission to approve an application for a charter if certain conditions are met. Provides that the Commission may condition approval of an application on the acceptance of funding in an amount less than requested. Provides that final decisions of the Commission are subject to judicial review under the Administrative Review Law. Provides that if the Commission approves an application for a charter school, then the Commission shall act as the authorized chartering entity. Provides that if the Commission is the authorized chartering entity, then the Commission shall execute a charter agreement (instead of approve the charter agreement). Makes other changes. Effective immediately.

- 30 ILCS 517/5
- 30 ILCS 517/10
- 30 ILCS 517/25

Amends the Procurement of Domestic Products Act. Provides that purchasing agencies shall promote the purchase of and give preference to manufactured articles, materials, and supplies that have been manufactured in Illinois (currently, the United States). Provides that, if the purchasing agency determines that certain conditions apply to a procured product, then, with respect to that procurement, the purchasing agency shall give preference to manufactured articles, materials, and supplies that have been manufactured in the United States. Effective immediately.

FISCAL NOTE (Dept. of Central Management Services)

It is not possible to calculate the negative fiscal impact of this proposed legislation currently. For all practical purposes, it should be assumed that negative impact will occur. The potential for up to 12% cost increases for an indeterminable universe of procured products exists.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

Subject to appropriation, HB 395 requires DCEO to provide administrative and other necessary support to the commission. The fiscal impact to DCEO will be based on the level of support needed by the commission. Under an assumption that DCEO will be required to provide research support to the commission, the cost to the Department for such support is estimated at \$70 per hour. If DCEO will be providing reimbursements for the travel costs of the commission, assuming the commission will meet once per quarter in Springfield. The annual cost to reimburse for such travel for commission members will be \$15,000. With more information about the anticipated tasks, deliverables, and required support of DCEO a more thorough fiscal impact can be summarized.

HOUSE FLOOR AMENDMENT NO. 2

Deletes reference to:
 215 ILCS 134/65
 Adds reference to:
 5 ILCS 140/7
 215 ILCS 134/10

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Contains provisions concerning the denial of a pharmacy benefits manager's registration application or the suspension or revocation of a pharmacy benefits manager's registration. Defines terms. Further amends the Managed Care Reform and Patient Rights Act. Makes changes to the definition of "emergency medical condition". Removes changes made to a provision concerning the denial of coverage and payment for emergency services provided without prior authorization or an approved plan. Further amends the Illinois Public Aid Code. Makes changes to certain reporting requirements

imposed on the Director of Healthcare and Family Services. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

105 ILCS 145/27 new

Amends the Care of Students with Diabetes Act. Provides that a school may maintain a supply of glucagon medication in any secure location that is accessible before, during, or after school where a student is most at risk, including, but not limited to, a classroom or the nurse's office; defines "glucagon medication" and "undesignated glucagon medication". Provides that a physician, a physician assistant who has prescriptive authority, or an advanced practice registered nurse who has prescriptive authority may prescribe undesignated glucagon medication in the name of the school to be maintained for use when necessary. Allows a delegated care aide to carry undesignated glucagon medication. Provides that within 24 hours after the administration of undesignated glucagon medication, a school must notify the school nurse and the student's parent or guardian or emergency contact, if known, and health care provider of its use. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Removes the definition of "glucagon medication". Changes the definition of "undesignated glucagon medication" to "undesignated glucagon"; makes conforming changes. Removes a provision allowing a delegated care aide to carry undesignated glucagon on his or her person while in school or at a school-sponsored activity. Allows a school to maintain a supply of glucagon in any secure location that is immediately accessible to a school nurse or delegated care aide (rather than in any secure location that is accessible before, during, or after school where a student is most at risk). Provides that a school nurse or delegated care aide may administer undesignated glucagon if he or she is authorized to administer the undesignated glucagon through a student's diabetes care plan and if the student's prescribed glucagon is not

available on-site or has expired. Provides that immediately (rather than within 24 hours) after the administration of undesignated glucagon, a school must notify the school nurse (unless the school nurse was the one administering it) and the student's parent or guardian or emergency contact, if known, and health care provider of its use.

820 ILCS 112/10
 820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

SENATE FLOOR AMENDMENT NO. 2

Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of "the entire differential").

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:
755 ILCS 5/11-10.1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: (1) changes the definition of "administrative separation"; (2) provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if the minor has a living parent, adoptive parent, or adjudicated parent, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions, unless the parent or parents, due to an administrative separation, are unable to give consent to the appointment in person or by a notarized, written document as evidenced by a sworn affidavit describing the parent's or parents' inability to receive notice or give consent (rather than the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent); (3) deletes language providing that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent, or adjudicated parent whose whereabouts are known, and who is willing to carry out day-to-day child care decisions unless the parent or parents in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent; (4) provides that a short-term guardian who was appointed as the result of an administrative separation may renew a short-term guardianship for an additional 365 days from the date the initial appointment expires if the administrative separation is still in effect, unless the written instrument provides for the appointment to terminate upon a different date or event; (5) deletes language providing that the petition for guardian or standby guardian of a minor must state the facts concerning any administrative separation proceeding; (6) provides specific facts that the petition for guardian or standby guardian of a minor must include and that documentation related to an administrative separation shall be attached to the petition as an exhibit; and (7) deletes language providing that failure to give notice to any relative or parent out of the country is not jurisdictional if the petitioner can attest to specific factors. - 65 ILCS 5/8-12-24 from Ch. 24, par. 8-12-24

Amends the State Finance Act. Creates the Financially Distressed Cities Fund. Amends the State Revenue Sharing Act and the Illinois Income Tax Act. Provides that the Treasurer shall monthly transfer to the Financially Distressed Cities Fund an amount certified by the Department of Revenue equal to: (1) the amount that would have been distributed under the State Revenue Sharing Act to all financially distressed cities if the Treasurer had transferred to the Local Government Distributive Fund a sum calculated using 0.10% of the net revenue realized from the tax imposed by the Illinois Income Tax Act upon individuals, trusts, estates, and corporations during the preceding month; and (2) subtracting the amount distributed to all financially distressed cities from the Local Government Distributive Fund. Provides that the Department of Revenue shall monthly allocate an amount from the Financially Distressed Cities Fund that shall be paid to each financially distressed city. Amends the Financially Distressed City Law of the Illinois Municipal Code. Makes the law applicable to both home rule and non-home rule municipalities. Provides that a State agency or unit of local government may also render technical assistance to a municipality's Financial Advisory Authority as the Authority may request. Provides that the State shall not reduce revenues or impose additional costs affecting a financially distressed city affecting the municipality unless it is consistent with the Financial Plan and Budget in effect. Provides that State mandates enacted while a municipality is designated as a financially distressed city that would cause the municipality to incur costs are not valid or enforceable during the period when the municipality is under the financially distressed city designation. Effective January 1, 2020.

FISCAL NOTE (Dept. of Revenue)

As written, this bill would have no income tax revenue impact, nor would it have any impact on the General Revenue Fund. Although it appears that the intention of the bill is to provide more funds to "financially distressed cities" by transferring money from the General Revenue Fund to the newly created Financially Distressed Cities Fund, the formula used to determine the amount of that transfer does not accomplish this. For any amount of money to be transferred to the Financially Distressed Cities Fund, the formula needs to be based on a percentage greater than current Local Government Distribution Fund (LGDF) diversion rates (for fiscal year 2020, the LGDF rates are 6.06 percent of net individual income tax receipts and 6.85 percent of net corporate income tax receipts). The percentage used in this bill is 0.10 percent.

New Act

105 ILCS 5/27A-5

30 ILCS 805/8.43 new

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-

related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

HOUSE COMMITTEE AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change to the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

HOUSE FLOOR AMENDMENT NO. 5

Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

Amends the Mental Health and Developmental Disabilities Administrative Act. Provides that a child shall continue to be eligible for an Individual Care Grant if the child is placed in the guardianship of the Department of Children and Family Services under the Juvenile Court Act of 1987 because the child requires care in a residential treatment facility and an application for the Family Support Program was pending with the Department Healthcare and Family Services or an active application was being reviewed by the Department when the guardianship order was entered. Provides that any minor who is placed in the guardianship of the Department of Children and Family Services under the Act while an application for the Family Support Program was pending with the Department of Healthcare and Family Services or an active application was being reviewed by the Department of Healthcare and Family Services shall continue to be considered eligible for services if all other eligibility criteria are met. Provides that the court shall conduct a hearing within 14 days upon notification to all parties that an application for the Family Support Program services has been approved and services are available. Makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

- Deletes reference to:
20 ILCS 1705/7.1
705 ILCS 405/5-711 new
- Adds reference to:
20 ILCS 505/7.8 new
325 ILCS 5/7.01 new

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that whenever a child is placed in the custody or guardianship of the Department of Children and Family Services or a child is returned to the custody of a parent or guardian and the court retains jurisdiction of the case, the Department must ensure that the child is up to date on his or her well-child visits, including age-appropriate immunizations, or

that there is a documented religious or medical reason the child did not receive the immunizations. Provides that whenever a child has been placed in foster or substitute care by court order and the court later determines that the child can return to the custody of his or her parent or guardian, the Department must complete, prior to the child's discharge from foster or substitute care, a home safety checklist to ensure that the conditions of the child's home are sufficient to ensure the child's safety and well-being, as defined in Department rules and procedures. Provides that at a minimum, the home safety checklist shall be completed within 24 hours prior to the child's return home and completed again or recertified in the absence of any environmental barriers or hazards within 5 working days after a child is returned home and every month thereafter until the child's case is closed pursuant to the Juvenile Court Act of 1987. Provides that when a court determines that a child should return to the custody or guardianship of a parent or guardian, any aftercare services provided to the child and the child's family by the Department or a purchase of service agency shall commence on the date upon which the child is returned to the custody or guardianship of his or her parent or guardian. If multiple children are returned at different times to the custody or guardianship of the parent or guardian, requires aftercare services to commence on the date upon which the last child returns home. Amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household, the Department must, at a minimum, accept the report as a child welfare services referral. Requires a child protective services investigation if the family refuses to cooperate or refuses access to the home or children and if the facts otherwise meet the criteria to accept a report. Provides that beginning one year after the effective date of the amendatory Act, and every 2 years thereafter, the Auditor General shall conduct a performance and compliance audit of the Department of Children and Family Services to determine whether the Department is meeting the requirements under the amendatory Act. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly. Requires the Auditor General's report to include any issues or deficiencies and recommendations.

HOUSE FLOOR AMENDMENT NO. 2

Requires the Auditor General to commence a performance audit (rather than conduct a performance and compliance audit) of the Department of Children and Family Services one year after the effective date of the amendatory Act (rather than one year after the effective date of the amendatory Act and every 2 years thereafter) to determine whether the Department is meeting the requirements set forth in the amendatory Act. Provides that within 2 years after the audit's release, the Auditor General shall commence a follow-up performance audit to determine whether the Department has implemented the recommendations contained in the initial performance audit. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly and the Auditor General's reports shall include any issues or deficiencies and recommendations.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Children and Family Services Act. Provides that if children are returned to the custody of a parent at different times, the Department of Children and Family Services or the purchase of service agency shall provide a minimum of 6 months of aftercare services to each child commencing on the date each individual child is returned home (rather than if multiple children are returned at different times to the custody or guardianship of the parent or guardian, aftercare services shall commence on the date upon which the last child returns home). Further amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect, or there is a prior open service case involving any member of the household (rather than there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household), the Department of Children and Family Services must, at a minimum, accept the report as a child welfare services referral.
