35 ILCS 5/229 new

Amends the Illinois Income Tax Act. Provides that a taxpayer who is a family caregiver is eligible to receive a nonrefundable income tax credit in an amount equal to 100% of the eligible expenditures incurred by the taxpayer during the taxable year related to the care of an eligible family member, but not exceed \$1,500 for the same eligible family member. Provides that the term "eligible family member" means a person who: (1) is at least 18 years of age during a taxable year; (2) requires assistance with at least one activity of daily living; (3) is a resident of the State; and (4) is related to the family caregiver. Effective immediately.

CORRECTIONAL NOTE (Dept of Corrections)

There is no fiscal or population impact on the department.

PENSION NOTE (Government Forecasting & Accountability)

HB 2974 amends the Illinois Income Tax Act in a way that does impact any pension system.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it

is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

FISCAL NOTE (Dept. of Revenue)

The fiscal impact of HB 2974 would be a reduction in income tax revenue by an estimated \$870 million to \$1.74 Billion per year depending on the assumed claim rate. This estimate is based on data from the AARP "Caregiving in the US" 2015 report. From there we estimate that there are 1.36 Million caregivers caring for an adult in Illinois. Following the bill's language, we reduce that number to account only for those caring for an eligible family member. Based on the same data source we arrive to 1.16 Million caregivers that may qualify for this tax credit. When we apply the credit amount of \$1,500 per qualified taxpayers to this latest figure, the result is \$1.74 Billion in cost to the state - the upper limit of our estimate. The lower limit of the estimate accounts for the fact that in approximately 33% of the cases there is not a sole caregiver (based on the same data source). It also assumes that only 3 out of every 4 qualified taxpayers will claim the credit. For these two reasons in the lower limit we reduce the cost estimate to \$870 Million per year, which is 50% of the upper limit. The definition of eligible expenditures is very broad, including costs associated with improvements or alterations to the family residence to permit an eligible family member to remain mobile, safe, and independent; the cost to purchase or lease equipment necessary to assist an eligible family member in carrying on one or more activities of daily living; and the cost of other goods and services that assist in providing care, including personal care attendants, transportation, and legal and financial services. For this reason, we believe that it is reasonable to expect that taxpayers may easily reach to the full credit amount of \$1,500 that the bill establishes. For comparison purposes, consider that there are almost 1.6 million returns clarifying retirement income in the state (according to the latest available return data, FY16). This group of taxpayers would likely be the main beneficiary of this bill proposal. This fact reinforces our findings. Furthermore, data from the Centers for Medicare and Medicaid off ice indicates that the home health care cost in Illinois is around \$4.2 Billion annually. This additional fact further strengthens our estimated cost range.

Provides that a complainant has no less than 2 years following the finalization (rather than creation) of the State Board of Education's student-specific corrective action plan per the State Board's 2017-2018 Public Inquiry Team's Corrective Action Report (rather than compensatory education plan) and notification of that plan to parents and guardians of potentially impacted (rather than only impacted) children to file a complaint concerning delays and denials of special education services; makes conforming changes. Removes provisions requiring certain conditions for a parent or guardian to file a complaint. Requires a respondent to include corrective action compliance documentation with all other documentation provided to a complainant. Effective July 1, 2019.

105 ILCS 5/2-3.64a-5

Amends the School Code. With regard to State assessments, provides that beginning no later than the 2020-2021 school year, the State Board of Education shall annually assess all students in reading and mathematics in kindergarten through grade 3 to meet the goals and standards of the federal Every Student Succeeds Act and any related rules. Provides that the assessment must include a balanced system of interim and summative assessments that are instructionally relevant, student-centered, and timely delivered and that provide grade-level proficiency scores for accountability purposes, growth metrics, and instructional information purposes. Provides that the State Board, in accordance with the federal Every Student Succeeds Act, shall support assessments that measure academic grade-level proficiency and academic growth measured against a stable, grade-independent scale. Effective January 1, 2020.

FISCAL NOTE (State Board of Education)

House Bill 3303 is estimated to have a first year fiscal impact of approximately \$60 million for the development of a reading and mathematics assessment for kindergarten through grade 2 that meets the requirements of the bill. Beginning in the second year, it is estimated that the annual cost to administer the assessments to these grades would range from \$49.2-\$65.6 million based on 410,000 students taking both the reading and math assessments using \$60-\$80 per test cost. Illinois State Board of Education also estimates an annual cost of approximately \$460,000 for operations to provide 1.5 full-time equivalent staff to oversee these new assessments and other supports such as information technology, graphics, and content specialists for training and technical assistance to school districts.

Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Commerce and Economic Opportunity shall create a Clean Water Workforce Pipeline Program to provide grants and other financial assistance to prepare and support individuals for careers in water infrastructure. Provides specified groups that may be provided with grants and other financial assistance on a competitive annual basis. Directs the Department to coordinate with the Environmental Protection Agency, Illinois Finance Authority, and other State agencies that provide financial support for water infrastructure projects. Provides that the Department may select a Program Administrator. Provides that recipients of grants or other financial assistance under the Program shall report annually to the Department. Amends the State Finance Act. Creates the Clean Water Workforce Development Fund.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 3349 requires DCEO to award grants designed to encourage and facilitate employment in water infrastructure careers. Competitive awards shall be made for various activities including: identification of individuals for job training in the water sector; counseling, preparation, skills training, and other support to increase a candidate's likelihood of success in a job training program and career; and several others. While HB 3349 requires DCEO to make the grants, the legislation does not specify a funding source for the program. Without a funding source, the legislation represents a potential unfunded mandate on the agency. Without additional information on available funding and the number of grants required to be awarded, the Department lacks the ability to determine program scope and ongoing implementation costs. As a result, we are unable to determine the fiscal impact of this legislation.

815 ILCS 530/1

Amends the Personal Information Protection Act. Makes a technical change in a Section concerning the short title.

HOUSE COMMITTEE AMENDMENT NO. 2

Deletes reference to:

815 ILCS 530/1

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the Data Transparency and Privacy Act. Finds that individuals have a right to privacy in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Provides for enforcement by the Attorney General. Effective April 1, 2020.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Office of the Attorney General)

The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be \$86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total \$77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from \$164,078, for one attorney, up to \$494,234 for three attorneys.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Office of the Attorney General)

The proposed legislation, HB 3358, as amended by House Amendment #3, may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the

additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be \$86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total \$77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from \$164,078, for one attorney, up to \$494,234 for three attorneys. Fiscal impact: Uncertain

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

FISCAL NOTE (Dept. of Insurance)

Some states have requirements related to the Flesch Test Readability which could greatly assist in adhering to the requirements of this bill. However, the bill in its current form provides little guidance on what "understandable" means, which could vary greatly from individual to individual. To meet the requirements as described within HB 3451 the Department anticipates the need for, at minimum, eight (8) additional insurance analyst positions within three of our insurance compliance units, Life, Health and Property/Casualty, with a projected fiscal impact to the Illinois Department of Insurance of just over \$978,500 in personal services and related expenditures.

HB-3483 GABEL, CASSIDY, CARROLL, MUSSMAN, KIFOWIT AND HURLEY.

20 ILCS 1305/10-26

Amends the Department of Human Services Act. Removes language requiring the Department of Human Services to maintain a disability services database and instead requires the Department of Human Services to compile and maintain a Prioritization of Urgency of Need for Services (PUNS) database of Illinois residents with an intellectual disability or a developmental disability, including an autism spectrum disorder, and Illinois residents with an intellectual disability or a developmental disability who are also diagnosed with a physical disability or mental illness and are in need of disability services funded by the Department. Provides that the PUNS database shall be used to foster a fair and orderly process for: (i) processing applications for services funded by the Department, (ii) verifying information, (iii) keeping individuals and families who have applied for services informed of available services and anticipated wait times, (iv) determining unmet need, and (v) informing the General Assembly and the Governor of unmet need statewide and within each representative district. Requires the Secretary of Human Services to seek input from specified advisory bodies and committees with regard to the establishment, maintenance, and administration of PUNS. Contains provisions concerning the type of information to be collected and maintained for PUNS; the Department's development of a web-based verification and information-update application; notice of services to individuals listed in the PUNS database; and other matters.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions similar to the introduced bill, but with the following changes: Provides that individuals who are receiving services under any home and community-based services waiver program authorized under the Social Security Act may remain on the Prioritization of Urgency of Need for Services (PUNS) database until they are offered services through a PUNS selection or demonstrate the need for and are awarded alternative services. Requires the Department of Human Services to make all reasonable efforts to contact individuals on the PUNS database at least 2 times each year and provide certain information about the PUNS process, available services, and advice on preparing for and seeking developmental disability services (rather than requiring the Department to ensure that individuals in PUNS are contacted regarding their PUNS status and available services at least 2 times each year via e-mail or letter, based on the delivery preference of the individual). Provides that at least one of the contacts must be from an independent service coordination

agency. Permits the Department to contact individuals on the PUNS database through a newsletter prepared by the Division of Developmental Disabilities. Requires the Department to provide information about PUNS to the public on its website. Makes some technical changes. Effective immediately.

305 ILCS 5/5-16.8

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that an insurer shall offer, for an additional premium and subject to the insurer's standard of insurability, optional coverage or optional reimbursement for hearing instruments and related services for all individuals (rather than the requiring the insurer to provide coverage for hearing instruments and related services for all individuals 65 years of age or older) when a hearing care professional prescribes a hearing instrument to augment communication. Provides a maximum of \$2,500 (rather \$1,500) for the hearing instrument and related services every 24 months. Provides that nothing in the provisions precludes an insured from selecting a more expensive hearing instrument as his or her own expense. Removes language providing that an insurer shall not be required to pay a claim filed by its insured for the payment of the cost of a hearing instrument if less than 24 months before the date of the claim its insured filed a claim for payment of the cost of the hearing instrument and the claim was paid by the insurer. Removes provisions amending the Illinois Public Aid Code.

HOUSE FLOOR AMENDMENT NO. 3

In provisions amending the Illinois Insurance Code, provides that nothing in the provisions precludes an insured from selecting a hearing instrument that costs more than the amount covered by a plan of accident and health insurance or a managed care plan and paying the

uncovered cost at his or her own expense (rather than a more expensive hearing instrument at his or her own expense).

SENATE FLOOR AMENDMENT NO. 1

In provisions amending the Illinois Insurance Code, provides that a "hearing care professional" may also mean a licensed hearing instrument dispenser. Provides that the provisions shall not be construed to require a group policy to provide coverage if the group is unable to meet mandatory minimum participation requirements set by the insurer.

Amends the State Employees Group Insurance Act of 1971, Illinois Insurance Code, and the Illinois Public Aid Code. Provides that pasteurized donated human breast milk shall be

covered under health insurance and the medical assistance program under the Illinois Public Aid Code. Describes the requirements that must be met to have pasteurized human breast milk covered under health insurance and the medical assistance program. Effective January 1, 2020.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that one of the requirements to have coverage of pasteurized donated human breast milk is that the milk is obtained from a human milk bank licensed by the Department of Public Health (rather than the milk is obtained from a human milk bank that meets quality guidelines established by the Human Breast Milk Banking Association of North America, or that is licensed by the Department of Public Health).

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the engrossed bill with the following changes. Provides that all of the following conditions must be met for the donated human breast milk to be covered: the milk is obtained from a human milk bank that is licensed by the Department of Public Health; the infant is critically ill and the infant's mother is medically or physically unable to produce maternal breast milk or produce maternal breast milk in sufficient quantities to meet the infant's needs or the maternal breast milk is contraindicated; the milk has been determined to be medically necessary for the infant; and one or more of the following applies: the infant's birth weight is below 1,500 grams, the infant has a congenital or acquired condition that places the infant at a high risk for development of necrotizing enterocolitis, the infant has infant hypoglycemia, the infant has congenital heart disease, the infant has had or will have an organ transplant, the infant has sepsis, or the infant has any other serious congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the infant. Effective January 1, 2020.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with the bill, as amended by Senate Amendment No. 1, with the following changes. Provides that the milk must be prescribed by a licensed medical practitioner (instead of a physician). Provides that milk must be obtained from a human milk bank that meets quality guidelines established by the Human Milk Banking Association of North America or is licensed by the Department of Public Health (rather than licensed by the Department of Public Health). Removes a requirement that the infant must be critically ill. Adds provisions requiring coverage for a child 6 months through 12 months of age if the child would qualify if he or she was under the age of 6 months and the child has spinal muscular atrophy; the child's birth weight was below 1,500 grams and he or she has long-term feeding or gastrointestinal complications related to prematurity; the child has had or will have an organ transplant; or the child has a congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the child. In the Public Aid Code, adds provisions requiring coverage for a child 12 months of age or older if the child would qualify if he or she was under the age of 6 months and has spinal muscular atrophy. Makes other changes. Effective January 1, 2020.

New Act

Creates the Assistance and Service Animal Integrity Act. Provides that a landlord who receives a request from a person to make an exception to the landlord's policy prohibiting animals on the landlord's property because the person requires the use of an assistance animal or service animal may require the person to produce reliable documentation, which may be a standardized form, of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the landlord. Provides that a landlord may require additional supporting documentation when necessary to evaluate the reasonableness of either the requested accommodation or any identified alternative accommodation. Provides that a landlord shall not be liable for injuries caused by a person's assistance animal or service animal permitted on the landlord's property as a reasonable accommodation to assist the person with a disability. Provides that a landlord may require a tenant to cover the costs of repairs for damage the animal causes to the tenant's dwelling unit or the common areas, reasonable wear and tear excepted; however, a landlord may not require a tenant to pay a pet-related deposit that is otherwise required for tenants who are not requesting accommodation. Defines terms. Makes other changes.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Creates the Assistance Animal Integrity Act. Defines terms. Provides that a housing provider who receives a request from a person to make an exception to the housing provider's policy prohibiting or restricting animals on the housing provider's property because the person requires the use of an assistance animal may require the person to produce reliable documentation of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the housing provider. Provides requirements for documentation that a person has a disability and requires the use of an assistance animal as a reasonable accommodation in housing under the federal Fair Housing Act or the Illinois Human Rights Act. Provides that a housing provider may deny a documented request for accommodation or rescind a granted request if the accommodation imposes either an undue financial and administrative burden or a fundamental alteration to the nature of the operations of the housing provider or if, after conducting an individualized assessment, there is reliable objective evidence that the specific assistance animal: (i) poses a direct threat to the health or safety of others that cannot be reduced or eliminated by another reasonable accommodation; (ii) causes substantial physical damage to the property of others that cannot be reduced or eliminated by another reasonable accommodation; or (iii) has engaged in a pattern of uncontrolled behavior that its handler has not taken effective action to correct. Provides that a housing provider may require a resident to cover the costs of repairs for damage the animal causes to the resident's dwelling unit or the common areas, reasonable wear and tear excepted, in the same manner it would for damage caused by any other resident, but may not require a resident to pay a pet-related deposit, pet fee, or related pet assessment and also may not require purchase of special liability insurance or coverage for the assistance animal. Provides that nothing in the Act shall be construed as requiring documentation of a specific diagnosis regarding a disability or disability-related need. Provides that nothing in the Act prohibits a housing provider from verifying the authenticity of the documentation submitted under the Act. Provides that, notwithstanding any other provision of law to the contrary, a housing provider shall not be liable for injuries caused by a person's assistance animal permitted on the housing provider's property as a reasonable accommodation to assist the person with a disability. Provides that nothing in the Act shall be construed to: limit individuals' rights under specified laws; or limit the liability of housing providers under such laws.

- 735 ILCS 5/17-106 from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

415 ILCS 5/9.18 new

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions

that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.
