

OFFICE OF THE SHERIFF, Stephenson County

David A. Snyders, Sheriff

March 24, 2021

To whom it may concern,

Please find attached to this correspondence an excel sheet that lists the Stephenson County Sheriff's Office records of video requests that were used in criminal, traffic, ordinance and civil cases for 2020. These videos were made from the 13 in-car video systems manufactured by Digital Ally. All 13 Digital Ally systems that were purchased using grant funding are still in use as of the date of this report. The Administrative Lieutenant is responsible for maintaining the Digital Ally in-car systems as well as the server located within the Stephenson County Sheriff's Office Public Safety Building. The Administrative Lieutenant is also responsible for reviewing the in-car squad videos for use in any court proceedings.

Sincerely,

A handwritten signature in black ink, appearing to read "Ken Nesemeier".
