RE: Law Enforcement Camera Grant Reporting

Macoupin County Sheriff's Department received (1) in car camera on May 17, 2018 which was installed on or about June 1, 2018.

Our Department has wireless WI-FI that allows the videos to transfer to our server when the police cruiser pulls up to our building therefore allowing supervisors access to viewing all videos.

Please do not hesitate to contact me if you have any questions or if further information is needed.

Respectfully,
