2020
Annual Report to the
Governor**

Illinois Department of Insurance

JB PRITZKER
Governor

DANA POPISH SEVERINGHAUS
Acting Director

Honorable JB Pritzker
Governor
State of Illinois
Springfield, Illinois

Dear Governor Pritzker:

I am pleased to submit the Annual Report on behalf of the Illinois Department of Insurance. The Department's mission is to protect consumers by providing assistance and information, efficiently regulate the industry's market behavior and financial solvency, and foster a competitive insurance marketplace.

In 2020, the Department took swift action – working in tandem with the Department of Public Health and other agencies – to respond to the COVID-19 pandemic in the following ways:

- The Department issued its first COVID-related company bulletin on March 2, 2020, and subsequently issued nine additional bulletins related to COVID-19 to provide guidance to consumers and companies. Additionally, the Department assisted with the issuance of two executive orders: 2020-09 (Telehealth) and 2020-29 (Producer Licensing).
- The Department created a COVID-19 web page listing FAQs, Company Bulletins, and links to the state's coronavirus site, IDPH, and the CDC. The page has ongoing updates about the pandemic's impact on insurance coverage, particularly health insurance. These resources provided important information to companies and consumers that helped ensure critical care and operations were able to continue during the pandemic.
- The Department was able to adjust to remote work while still maintaining our high standard of service to consumers and other stakeholders.

Additionally, the Department's Life Policy Locator service assists consumers in identifying insurance companies with Illinois individual life insurance policies or annuity contracts naming a deceased family member in which a benefit is payable upon death. In 2020, the Department handled 1,130 requests and helped recover \$6,446,430 for Illinois consumers. Since its inception in 2016, this service has handled 6,132 requests and recovered \$47,951,487 for Illinois consumers.

I hereby submit the Illinois Department of Insurance Annual Report for 2020 which contains a summary of the Department's regulatory and administrative units, and fiscal operations.

Respectfully submitted,

Dana Popish Severinghaus

Media Relations and Outreach Division

The Media Relations and Outreach Division advises the Director and executive leadership team on communications issues, responds to media inquiries and requests for speaking engagements, manages all communications materials and social media accounts, and coordinates with all divisions on public information outreach. The primary goal is to increase public awareness about the Department's role in educating and protecting Illinois insurance consumers, regulating the state's insurance market and serving as a leader among other state DOIs.

Information Technology (DoIT Agency Support)

The Department of Innovation Technology's mission is to empower the State of Illinois through high-value, customer-centric technology by delivering best-in-class innovation to client agencies fostering collaboration and empowering employees to provide better services to residents, businesses, and visitors.

In 2020, DoIT teams implemented improved disaster recovery procedures. New tools were employed to better monitor DOI infrastructure and related assets.

The DoIT Web Services redesigned and enhanced the public website for Get Covered Illinois. The new site is modern, mobile-friendly and incorporates data analytics to better service the public. It was launched prior to the ACA Enrollment Period.

As part of an ongoing hardware refresh initiative, IT equipment was deployed to provide greater flexibility to IDOI staff working remotely. DoIT helped DOI expand use of Office 365 and cloud collaboration tools, including greater use of WebEx for virtual meetings.

Internal Audit Division

The Internal Audit Division provides independent assurance that the Department's risk management, governance, and internal control processes are operating effectively.

Office of the Special Deputy Receiver

Under Article XIII of the Illinois Insurance Code, the Illinois Director of Insurance serves as the statutory conservator, rehabilitator, and liquidator of financially impaired and insolvent Illinois domestic insurers, of unauthorized insurers, and as ancillary receiver of certain foreign or alien insurers doing business in the state. OSD employs the professional and clerical staff that service the receivership estates for the Director and Special Deputy.
