Re: 2018 Camera Grant Annual Report

To whom it may concern,

The following is an attached report for the 2018 Annual Camera Report as required. This letter will be accompanied by a copy of our department's excel spread sheet for each new camera our department used.

- In August of 2018, the Princeton Police Department received 3 new WatchGaurd 4RE HD DVR Gen 2 in-squad cameras from WatchGuard.
- These 3 new cameras were installed into 3 of our squad cars use by our patrol officers by the City of Princeton Fleet Maintenance Supervisor and are currently in use non-stop while the officers are on duty.
- Princeton Police Department's review process consists of each camera being downloaded onto a server by the department's Office Manager on a daily basis. Each video is available to be reviewed by the reporting officer, their Supervisor(s), and the State's Attorney's Office at any time and copies of videos are also provided as needed or upon request.
- an Excel spread sheet for any criminal, traffic, ordinance, and civil cases in which the 3 in-car video recordings were used is attached to this report.

This report was done and completed by Lt. Scott Underwood and the annual Excel spread sheet was completed by our Office Manager Peg Maciejewski. Thank you.

Respectfully,

A handwritten signature in black ink that reads "Lt. Scott Underwood".

Lt. Scott Underwood - #413  
Princeton Police Department
