House Floor Amendment No. 1

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.

740 ILCS 128/10

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

Provides that any person may report information about the suspicious death of an eligible adult to an agency designated to receive such reports or to the Department on Aging. Provides that if a mandated reporter has reason to believe that the death of an eligible adult is the result of abuse or neglect, the matter shall be reported to the agency designated to receive such reports or to the Department for subsequent referral to the appropriate law enforcement agency and coroner or medical examiner. Makes changes to the definitions of "abuse", "abuser", and "mandated reporter". Defines "investment advisor". Effective January 1, 2024.

House Committee Amendment No. 1

Further amends the Adult Protective Services Act. In a provision granting specified persons access to records related to reports of abuse or neglect or the suspicious deaths of persons protected under the Act, provides that a probate court with jurisdiction over the guardianship of an alleged victim shall have access to such records, upon request, for an in camera inspection (rather than a court or a guardian ad litem, upon its or his or her finding that access to such records may be necessary for the determination of an issue before the court). Removes language granting a guardian ad litem access to such records in cases regarding self-neglect and instead grants access to a guardian ad litem, unless such guardian ad litem is the abuser or alleged abuser.

New Act

Creates the Natural Organic Reduction Regulation Act. Provides that any person doing business in this State, or any cemetery, crematory, funeral establishment, corporation, partnership, joint venture, voluntary organization, or any other entity, may erect, maintain, and operate a natural organic reduction facility in the State and provide the necessary appliances and facilities for the natural organic reduction of human remains in accordance with the Act. Provides that an individual or a person, cemetery, crematory, funeral establishment, corporation, partnership, joint venture, voluntary organization, or other entity may reduce human remains only in a natural organic reduction facility operated by a disposition authority licensed for this purpose and only under the limitations provided in the Act. Provides for: grounds for denial or discipline; surrender of a license; license, display, transfer; authorizing agent; authorization for natural organic reduction; performance of natural organic reduction services, training; recordkeeping; natural organic reduction procedures; disposition of reduced human remains; limitation of liability; hazardous implants; penalties; failure to file an annual report; injunctive action, cease and desist order; service of notice; investigations, notice and hearing; compelling testimony; administrative review, venue, certification of record, costs; and preneed of natural organic reduction arrangements.

House Floor Amendment No. 1

Provides that applications for licensure as a disposition authority shall be accompanied by a fee of \$100 (instead of \$250) and that renewal fees are \$100 (instead of \$250). Provides that each disposition authority shall file an annual report with the Comptroller, accompanied with a \$25 fee plus \$5 (instead of \$15) for each natural organic reduction performed that calendar year. Specifies that the \$25 annual report fee shall be deposited into the Comptroller's Administrative Fund, and the \$5 fee for each natural organic reduction performed shall be deposited into the Cemetery Consumer Protection Fund. Removes language providing that the delivery of the reduced human remains may be made in person or by registered mail. Makes a grammatical correction.

House Floor Amendment No. 2

Makes grammatical changes.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, with the changes proposed in House Amendment No. 1 and House Amendment No. 2, and the following additional changes. Requires the vessels used for natural organic reduction to be made of stainless steel, to be leakproof, to promote aerobic reduction, and to allow for the continuous monitoring of the reduction process. Requires the natural organic reduction facility to have a ventilation system. Requires the reduction facility to meet or exceed requirements set by the federal Centers for Disease Control and Prevention (rather than standards set by the Department of Public Health and the Centers for Disease Control and Prevention). Specifies that certain chemical analyses are to be performed by a laboratory accredited by the Illinois Environmental Protection Agency's Environmental Laboratory Accreditation Program. Provides that, in the case of an event where the health of the public may be at risk or there are signs at a facility of a potential health hazard, the Illinois Department of Public Health shall be consulted to assess the natural organic reduction facility. Makes other technical changes. Effective January 1, 2025.

New Act

Creates the Civil Liability for Unsolicited Intimate Images Act. Provides that any person 18 years of age or older who knowingly transmits an intimate image by computer or other electronic means to the computer or electronic communication device of another person 18 years of age or older when such other person has not consented to the use of the other person's computer or electronic communication device for the receipt of such material or has expressly forbidden the receipt of such material shall be considered a trespass and shall be liable to the recipient of the intimate image for actual damages or \$500, whichever is greater. Provides that the Act does not apply to (i) any Internet service provider, mobile data provider, or operator of an online or mobile application, to the extent that such entity is transmitting, routing, or providing connections for electronic communications initiated by or at the direction of another, (ii) any service that transmits an intimate image, including an on-demand, subscription or advertising-supported service, (iii) a health care provider that transmits an intimate image for a legitimate medical purpose, or (iv) any transmission of commercial email. Provides that venue for an action under the Act may lie in the jurisdiction where the intimate image is transmitted from or where the intimate image is received or possessed by the plaintiff.

House Floor Amendment No. 1

Provides that any person 18 years of age or older who knowingly and intentionally transmits obscene material by computer or other electronic means to the computer or electronic communication device of another person 18 years of age or older commits a trespass and is liable to the recipient of the obscene material for actual damages or \$500, whichever is greater, in addition to reasonable attorney's fees and costs, if the person who receives the obscene material has not consented to the receipt of the obscene material or has expressly forbidden the receipt of the obscene material and if a reasonable person who receives the obscene material would suffer emotional distress as a result of the receipt of the obscene material. Authorizes the court to enjoin and restrain the defendant from committing such further acts. "Obscene material" means material, including, but not limited to, images depicting a person engaging in an act of sexual intercourse, sodomy, oral copulation, sexual penetration, or masturbation, or depicting the exposed genitals or anus of any person, taken as a whole, that to the average person, applying contemporary statewide standards, appeals to the prurient interest, that, taken as a whole, depicts or describes sexual conduct in a patently offensive way, and that, taken as a whole, lacks serious literary, artistic, political, or scientific value. Provides that the Act does not apply to (i) any Internet service provider, mobile data provider, or operator of an online or mobile application, to the extent that such entity is transmitting, routing, or providing connections for electronic communications initiated by or at the direction of another, (ii) any service that transmits material, including an on-demand, subscription, or advertising-supported service, (iii) a health care provider that transmits material for a legitimate medical purpose, or (iv) any transmission of commercial email. Requires an employee to make a written request to the employer before having a legal right to inspect, copy, and receive copies of specified documents, including any employment-related contracts or agreements that employer maintains are legally binding on the employee (rather than any contracts or agreements that the employee signed or that the employer maintains the manifested intent of the employee to be bound or that the employer maintains are legally binding on the employee). Amends the Illinois Human Rights Act. Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's race or zip code when used as a proxy for race to reject an applicant in the context of recruiting, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges, or conditions of employment. Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support the inclusion of diverse candidates in making employment decisions. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that a person or entity that relies either partially or fully on predictive data analytics to determine a consumer's creditworthiness may not allow the use of information about the consumer that assigns specific risk factors to the consumer's race or zip code resulting in rejection of credit or other adverse credit-related action to a consumer. Provides that a person or entity that uses predictive data analytics to determine the creditworthiness of more than 50 consumers in a calendar year who are State residents shall devise procedures to ensure that it does not consider information that assigns specific risk factors to a consumer's race or zip code when rejecting or taking other adverse action on a consumer's application for credit. Provides that a person or entity that violates the provisions commits an unlawful practice within the meaning of the Act.

House Committee Amendment No. 1

Makes changes in the definition of "predictive data analytics". Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's biographical information, such as race or zip code, (rather than may not consider the applicant's race or zip code) to reject an applicant in specified contexts.

House Floor Amendment No. 3

Provides that the definition of "predictive data analytics" means the use of automated machine learning algorithms for the purpose of statistically predicting outcomes (rather than statistically analyzing a person's behavior). Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support an inclusive and diverse workforce (rather than support the inclusion of diverse candidates in making employment decisions). Makes other changes.

New Act

Creates the United States Marine Corps Semper Fidelis Memorial Highway Act. Designates the portion of Interstate 80 that is located in the State of Illinois as the United States Marine Corps Semper Fidelis Memorial Highway.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be cited as the U.S. Military Highways Designations Act (rather than the United States Marine Corps Semper Fidelis Memorial Highway Act). Designates the portion of Interstate 80 in Illinois from mile marker 26 to 51 (rather than the entirety of Interstate 80 in Illinois) as the U.S. Marine Corps Highway "Semper Fidelis" (rather than the United States Marine Corps Semper Fidelis Memorial Highway) to honor and mark the 250th anniversary of the United States Marine Corps. Provides that appropriate plaques may be erected by the Department of Transportation along Interstate 80 and in rest areas along this route (rather than only in rest areas).

415 ILCS 5/9.20 new

Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

Fiscal Note (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

HB 04209 (CONTINUED)

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

Defines "Ebony Alert" as a notification system designed to issue and coordinate alerts with respect to Black youth, including young women and girls, who are reported missing under unexplained or suspicious circumstances, who are reported missing and are at risk, who are reported missing and are developmentally disabled or cognitively impaired, or who have been abducted. Provides for procedures for law enforcement agencies to request activation of an Ebony Alert by the Illinois State Police if the law enforcement agency determines that an Ebony Alert would be an effective tool in the investigation of missing or abducted Black youth, including listing factors for the agency to consider. Allows use of a changeable message sign under specified circumstances. Provides that radio, television, cable, satellite, and social media systems are encouraged, but not required, to cooperate with disseminating the Ebony Alert or the information contained in an Ebony Alert. Amends the Video Gaming Act. Provides that the Illinois Gaming Board, in its discretion, may require video gaming terminals to display Amber Alert and Ebony Alert (rather than only Amber Alert) messages if the Board makes a finding that it would be economically and technically feasible and pose no risk to the integrity and security of the central communications system and video gaming terminals.

New Act

Creates the Child Abuse Notice Act. Requires certain businesses and establishments, including, but not limited to, day care centers, elementary and secondary schools, bus stations, and general acute care hospital emergency rooms, to post in a conspicuous place a notice developed by the Department of Children and Family Services that is aimed toward children under 18 and provides information on what constitutes physical and sexual abuse and how to report such abuse. Requires the notice to be at least 8 1/2 inches by 11 inches in size, written in a 16-point font, unless the notice is provided by electronic means. Requires the Department, in consultation with an accredited Children's Advocacy Center, to develop a model notice no later than 6 months after the effective date of the Act. Requires the Department to make the model notice available for download on the Department's Internet website and provide the notice upon request to eligible business, schools, and other establishments. Provides that the notice shall be printed in English, Spanish, and in one other language that is the most widely spoken language in the county where the establishment is located and for which translation is mandated by the federal Voting Rights Act, as applicable. Imposes certain penalties on those businesses and other establishments that are subject to the Act that fail to comply with the Act's requirements. Exempts school districts and personnel from the penalty provision.

House Committee Amendment No. 2

Adds hotels, motels, and tattoo and body piercing establishments to the list. Removes a provision that requires the administrator of a public or private elementary school or public or private secondary school to post a printout of the downloadable notice provided by the Department of Children and Family Services in a conspicuous and accessible place chosen by the administrator in the administrative office or another location in view of school employees. Removes a provision that exempts school districts and personnel from the Act's penalties provisions.

Amends provisions of the Criminal Code of 2012 making it an offense to keep a dangerous animal, with specified exceptions. In the definition of "dangerous animal", includes a serval, caracal, kangaroo, and wallaby and any hybrid, intergrade, or cross of a listed dangerous animal.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Makes a technical correction. Defines "federally licensed facility". Permits a person to have a right of property in, keep, harbor, care for, act as custodian of or maintain in his or her possession any dangerous animal or primate in or by a: (1) federally licensed facility, (2) veterinary hospital, or (3) permitted hound running area and only for possession of coyotes. Provides that it is an affirmative defense for a prosecution under the dangerous animals statute if a person had lawful possession of a feline crossbreed between a serval cat and a domesticated cat and the possessor of the animal proves that the possessor possessed the animal before the effective date of the amendatory Act. Provides that nothing in dangerous animals statute shall be construed to apply to a motion picture, television, or digital media production company employing or contracting with a dealer or exhibitor licensed under the federal Animal Welfare Act or with a carrier, intermediate handler, or unlicensed exhibitor registered under that Act for the transportation, purchase, exhibition, or use of animals in its motion picture, television or digital media production.

Amends the Mobile Home Park Act. Provides that operating a mobile home park without a current license shall result in a fine of \$10 per day per site. Provides that licenses issued under the Act are nontransferable. Provides that if a mobile home park is sold, the application for a new license shall be mailed to the Department of Public Health and postmarked no later than 10 days after the date of sale. Provides that delinquent licensing fees and reinspection fees of the prior owner or owners are to be paid by the new owner before a license is issued. Requires the current name, address, email address, and telephone number of the licensee and mobile home park manager to be displayed at all times on the mobile home park property in a location visible to the public and protected from weather. Requires the Department to conduct an annual inspection of each mobile home park. Provides that if violations are documented during the annual inspection and the Department is required to reinspect the mobile home park to ensure the violations have been corrected, the Department, at its discretion, may charge a reinspection fee of \$300 per site visit due at the time of license renewal. Provides that licensing fees and reinspection fees are nonrefundable. Provides that a mobile home park whose license has been voided, suspended, denied or revoked may be relicensed once the park is in substantial compliance, all delinquent licensing fees are paid, all reinspection fees are paid, and the mobile home park submits an application and application fee. Increases fees to be paid for the annual mobile home park license, individual mobile home spaces, and late charges.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Fiscal Note (Dept. of Public Health)

The Illinois Department of Public Health estimates an increase in revenue of \$424,600 from fees and \$250,000 in fines over the next 5 years.

House Floor Amendment No. 2

Adds reference to:

210 ILCS 115/21.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions regarding operating a mobile home park without a current license, provides that a late fee of \$50.00 for the first month shall be imposed for noncompliance and \$100.00 per day thereafter (rather than a fine of \$10 per day per site). Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. House Committee Amendment No. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

Provides that, every bill that imposes or could impose a mandate on local school districts, upon the request of any member, shall have prepared for it, before second reading in the house of introduction, a brief explanatory statement or note that shall include a reliable estimate of the anticipated fiscal and operational impact of those mandates on local school districts. Provides that the sponsor of each bill for which a request has been made shall present a copy of the bill with the request for a local school district mandate note to the State Board of Education. Provides that the State Board of Education shall prepare and submit the note to the sponsor of the bill within 5 calendar days, except as specified. House Committee Amendment No. 1

Provides that, after a request for a Local School District Mandate Note has been made and before the State Board of Education submits the note to the sponsor of the bill, local school districts may, through a website maintained by the State Board of Education, submit explanatory statements that may include a reliable estimate of the anticipated fiscal, operational, and other impacts of the proposed mandate on the local school district. Provides that the State Board of Education shall develop and maintain a website to accept submissions from local school districts. Provides that the note submitted to the sponsor of the bill shall only include the submissions from local school districts. 415 ILCS 5/7.5 from Ch. 111 1/2, par. 1007.5

Amends the Environmental Protection Act. Provides that the filing fees for specified petitions shall be \$250 (rather than \$75).

Fiscal Note (Illinois Pollution Control Board)

House Bill 4651 will have no impact on state expenditures but does have the potential to increase revenue. Since the per filing fee will increase from \$75 to \$250 each, this will increase the revenue collected per filing. Based on the current trend of ten(10) filings per year, the increase in the per filing fee would collect an additional \$1,750 in state revenue per fiscal year.

Provides that the Portal shall serve as a centralized and trusted online platform offering a wide range of resources related to caregiving, including, but not limited to: (1) information on State and federal programs, benefits, and resources on caregiving, long-term care, and at-home care for Illinois residents who are 50 years of age or older; (2) educational materials, articles, and videos on caregiving best practices; and (3) accommodations for users with different language preferences, ensuring the information is accessible to diverse audiences. Sets forth additional resources and information that the Portal may feature, such as information on caregiving resources, home and community-based services that support family caregivers, nursing home care, services and programs offered by Area Agencies on Aging, relevant health care and financial assistance programs, and local support group opportunities for caregivers. Requires the Portal to be designed to be user-friendly and accessible to individuals of all ages and abilities and to include features such as search functionality, language accessibility, and compatibility with assistive technologies to ensure that a diverse range of caregivers can use it. Contains provisions concerning required outreach and promotional campaign efforts to raise awareness of the Portal, reporting requirements, and State and federal funding for the Portal. Requires the Portal to be implemented one year after the effective date of the Act. Effective immediately.

House Committee Amendment No. 1

Provides that the Illinois Caregiver Assistance and Resource Portal shall be implemented 3 years (rather than one year) after the effective date of the Act.

20 ILCS 505/2.2

Amends the Children and Family Services Act. In provisions requiring the Department of Children and Family Services to submit annual reports to the General Assembly regarding youth in care waiting for placement or psychiatric hospitalization, expands the information required in the reports to include the number of youth in care who remained overnight in temporary living spaces not authorized under the Child Care Act of 1969 solely because the Department cannot locate an appropriate placement for the youth. Defines "remaining overnight" to mean being present in the temporary living space at 1:00 a.m. Provides that at a minimum, the report shall include the following information regarding each youth: age, region, date of stay, length of time the youth was in the temporary living space, date and time the youth was moved from the temporary living space, the reason for the youth remaining overnight, and the type of placement or setting the youth was in immediately after leaving the temporary living space. Requires the report to reflect the number of unique youth involved, the number of episodes that occurred fitting the criteria, and the number of unique youth involved in multiple episodes. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes the definition of "unplanned disruption event in a public water supply." Allows a public water distribution entity to use contact information in its possession obtained before or after (rather than only before) a planned or unplanned disruption event (rather than only an unplanned disruption event) in a public water supply in order to inform its customers of the disruption event. Includes in the definition of "disruption event" planned or unplanned (rather than only unplanned) work on or damage to a water main.

765 ILCS 1075/5

765 ILCS 1075/20

765 ILCS 1075/30

Amends the Right of Publicity Act. Grants additional enforcement rights and remedies to recording artists. Provides for the liability of any person who materially contributes to, induces, or otherwise facilitates a violation of a specified provision of the Act by another party after having reason to know that the other party is in violation. Defines "artificial intelligence" and "generative artificial intelligence". Changes the definition of "commercial purpose" and "identity".

House Committee Amendment No. 1

In a subsection concerning enforcement of rights and remedies by recording artists, limits reference to "enforcement of rights and remedies" (rather than "exercise and enforcement of rights and remedies").

House Floor Amendment No. 2

Adds reference to:

765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Replaces everything after the enacting clause. Amends the Cemetery Protection Act. Defines "veteran" and "veterans' organization". Provides that if a veterans' organization has identified human remains of a veteran that are more than 100 years old and wishes to have a marker placed to designate the grave as that of a veteran, a cemetery authority may allow such memorialization without permission of the decedent's heirs. Provides that all costs for memorialization including the marker, its installation, and any removal of or repair to a previous marker that is damaged shall be entirely borne by the veterans' organization. Prohibits human remains from being disturbed in this process. Requires permission from the cemetery authority and compliance with the rules and regulations and any collective bargaining agreement of the involved cemetery. Requires the veterans' organization to first make a good faith effort to contact the decedent's next of kin, and if there is no response within 120 days, the process may proceed. Provides that if any heir of a decedent later objects to memorialization, the sole remedy is the removal of the involved marker at the expense of the involved veterans' organization unless the veterans' organization no longer exists or is without funds, in which case removal shall be at the expense of the heir. Prohibits any monetary damages or any other equitable relief or penalties against the cemetery authority, cemetery, or veterans' association.

210 ILCS 9/75

Amends the Assisted Living and Shared Housing Act. Provides that a person shall not be accepted for residency if that person requires level 3 or level 4 sterile wound care unless care is self-administered or administered by a licensed health care professional. Removes the prohibition on accepting a person for residency if that person requires insertion, sterile irrigation, and replacement of catheter, except for routine maintenance of urinary catheters, unless the catheter care is self-administered or administered by a license health care professional.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Restores language which specifies that a person shall not be accepted for residency if the person requires sterile wound care (rather than level 3 or level 4 sterile wound care) unless care is self-administered or administered by a licensed health care professional.

Fiscal Note (Dept. of Public Health)

The Illinois Department of Public Health estimates an increase in costs of \$432,960 due to a need to survey additional complaints resulting from allowing residents with catheter care needs to be admitted to assisted living facilities.

Racial Impact Note (Dept. of Public Health)

Per 25 ILCS 83/110-5, The Illinois Department of Public Health does not expect HB5000 to have a disparate impact on racial and ethnic minorities.

In provisions concerning the Women, Infants, and Children (WIC) Nutrition Program, removes a provision requiring the Department of Human Services to report quarterly to the Governor and the General Assembly on the status of obligations and expenditures of the WIC nutrition program appropriation and make recommendations on actions necessary to expend all available federal funds. Amends the Administration Article of the Illinois Public Aid Code. In provisions requiring the Department of Human Services to enter into intergovernmental agreements with the Illinois Department of Corrections, the Cook County Department of Corrections, and the office of the sheriff of every other county, removes a requirement that the Department conduct monthly exchanges of information with the specified agencies in order to determine if an assistance unit receiving public aid includes an individual who is an inmate of a correctional institution, facility, or jail. Provides that at a minimum, the Haircare Plan must address: (1) necessary haircare steps to be taken to preserve the youth's desired connection to their race, culture, gender, religion, and identity; (2) the desires of the youth as it pertains to the youth's hair; (3) the guidance and desires of the youth's parents, unless the parents cannot be contacted; and (4) steps to be taken specific to the youth's hair during emergency situations, including, but not limited to, lice infestations and scalp rashes and infections. Provides that by June 1, 2025, the Department of Children and Family Services must develop training for caregivers on how to provide culturally competent haircare. House Committee Amendment No. 1

Deletes reference to:

305 ILCS 5/5-18.10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

HB 05142 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Requires the Department of Transportation to install and operate an automated traffic control system only when highway construction and maintenance is occurring and when workers are present. Requires the Department to conduct a public safety campaign and post signage to inform drivers about the use of an automated traffic control system that detects speeds in excess of a work zone speed limit. Requires an automated traffic control system used in the Program to undergo an annual calibration check performed by an independent calibration laboratory. Provides that the Department shall employ automated traffic control system operators to operate an automated traffic control system at a construction or maintenance speed zone. Enumerates the duties and training requirements of an automated traffic control system operator. Limits the use of a photograph or recorded image captured by an automated traffic control system. Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Removes the definitions of "Authority" and "Department". Makes technical and other changes. Effective January 1, 2027, except that provisions regarding procurement and rulemaking are effective immediately.

Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Requires a health care practitioner who prescribes an opioid drug to provide certain information to the patient, discuss certain topics, and document the reasons for the prescription. Requires the Department to develop a nonopioid directive form for patients. Sets forth provisions concerning exceptions, execution of a nonopioid directive, opioid administration to a patient with a nonopioid directive, and limitations of liability. Amends the Illinois Insurance Code. Provides that when a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, it shall be unlawful for a health insurance issuer to deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or to require the patient to try an opioid prescription drug before providing coverage. Provides that in establishing and maintaining its drug formulary, a health insurance issuer shall ensure that no nonopioid drug approved by the Food and Drug Administration for the treatment or management of pain shall be disadvantaged or discouraged, with respect to coverage or cost sharing, relative to any opioid or narcotic drug for the treatment or management of pain. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that whenever a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, neither the Department of Healthcare and Family Services nor a managed care organization shall deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or require a patient to try an opioid prescription drug prior to providing coverage of the nonopioid prescription drug. New Act

Adds reference to:

20 ILCS 2310/2310-730 new

Removes all of the provisions of the Nonopioid Alternatives for Pain Act except for the provisions requiring the Department of Public Health to develop and publish on its website an educational pamphlet regarding the use of nonopioid alternatives for the treatment of acute nonoperative, acute perioperative, subacute, or chronic pain. Moves those provisions to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. In provisions amending the Illinois Insurance Code and the Illinois Public Aid Code, removes language providing that the provisions apply to a nonopioid drug immediately upon its approval by the U.S. Food and Drug Administration. Provides that the Department of Healthcare and Family Services shall ensure that nonopioid drugs preferred on the Department's preferred drug list, and approved by the U.S. Food and Drug Administration, for the treatment or management of pain shall not be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain (instead of with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization). Removes language concerning the applicability of the provisions to drugs provided under a contract between the Department and a managed care organization. Provides that the changes to the Illinois Insurance Code and the Illinois Public Aid Code are effective January 1, 2026.

Effective January 1, 2025.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

20 ILCS 2310/2310-730 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Sets forth requirements for any State entity or hospital that receives funding from the National Institutes of Health to conduct clinical trials of drugs or medical devices. Provides that the Department of Public Health, in consultation with relevant research organizations, shall analyze and provide recommendations on: (i) the demographic groups and populations that are currently represented and underrepresented in clinical trials in the State, including representation of groups based on their geographic location; (ii) the barriers that prevent persons who are members of underrepresented demographic groups from participating in clinical trials in the State, including barriers related to transportation; and (iii) approaches for how clinical trials can successfully partner with others to provide outreach to underrepresented communities. Provides that the Department shall report to the General Assembly on the results of the study by July 1, 2025. Sets forth definitions of underrepresented community and underrepresented demographic group. Provides that the Department shall review guidance published by the United States Food and Drug Administration and use existing infrastructure to encourage participation in clinical trials of drugs and medical devices by persons who are members of underrepresented demographic groups. Authorizes the Department to apply for any grants related to the encouragement of underrepresented demographic groups related to the United Food and Drug Administration's guidance.

House Floor Amendment No. 1

Requires the policy to include specific strategies for trial enrollment and retention of diverse participants, including, but not limited to, site location and access, sustained community engagement, and reducing burdens due to trial design or conduct, as appropriate (rather than a requirement for investigators who are conducting the clinical trials to collaborate with community-based organizations). Requires a policy to provide information to trial participants in languages other than English in accordance with current federal requirements. Requires the Department of Public Health to consult with the University of Illinois Cancer Center in making recommendations.

HB 05431 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

House Floor Amendment No. 3

In provisions relating to informational materials that must be provided to pregnant committed persons, provides that the information must also include the procedure for obtaining information about guardianship or adoption resources, if so desired. Provides that, when a person with a uterus is committed to a facility, the person shall within 14 days be given a medical screening and offered a pregnancy test (rather than the person shall take a pregnancy test).

20 ILCS 3960/5.4

55 ILCS 5/5-21001 from Ch. 34, par. 5-21001

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.
