Amends the Criminal Identification Act. Provides that, in anticipation of the successful completion of a diversion program, a petitioner may file a petition for expungement at least 61 days before the anticipated dismissal of the case. Provides that, if a petition is filed, and upon the successful completion of the diversion program and dismissal of the case, the court shall review the petition and shall grant expungement if the petitioner meets all requirements. Amends the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act to make conforming changes.

Senate Committee Amendment No. 1

In provisions amending the Criminal Identification Act concerning time frames for filing a petition to expunge, provides that, in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, a petition for expungement may be filed 61 days or more before the anticipated dismissal of the case and, upon successful completion of the program and dismissal of the case, the court shall review the petition of the person graduating from the program and shall grant expungement if the petitioner meets all requirements as specified in any applicable statute. Makes grammatical changes and changes to cross-references. Adds an immediate effective date.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Corrects typographical errors in Senate Amendment No. 1 in the placement of provisions relating to the time frame for filing a petition to expunge in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, and provides that the petition may be filed 61 days before the anticipated dismissal of the case or any time thereafter (rather than 61 days or before the anticipated dismissal of the case). In the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act, provides that a participant may file a petition to expunge the associated records pursuant to the Criminal Identification Act, including filing a petition in advance of anticipated vacatur and dismissal (rather than file a petition to expunge vacated convictions and the associated underlying records under specified provisions of the Criminal Identification Act). Removes from those Acts a reference to filing the petition at least 61 days before the anticipated dismissal of a case. Effective immediately.

765 ILCS 605/18.12 new

Amends the Condominium Property Act. Provides that the board of managers of a condominium shall adopt a policy to reasonably accommodate a unit owner who is a person with a disability who requires an accessible parking space to ensure that person has access to the building. Provides that for an association that sells parking spaces, if an owner of an accessible parking space is unable to sell the accessible parking space to a qualified user, the board of managers shall purchase the parking space for fair market value and ensure that the space remains available to persons with disabilities who require an accessible parking space. Provides that a unit owner who is a person with a disability who requires an accessible parking space may bring a civil action against the board of managers to compel the board of managers to provide an accessible parking space. Provides that a prevailing unit owner is entitled to attorney's fees and court costs.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Condominium Property Act. Provides that the board of managers of a condominium must adopt a policy to reasonably accommodate a unit owner who is a person with a disability. Provides that the board of managers must make reasonable efforts to facilitate a resolution between unit owners to provide for accessible parking if the association does not own or otherwise control parking that meets the accessible parking needs of a unit owner who is a person with a disability who requires accessible parking. Provides that the board of managers must adopt a policy no later than 90 days after the effective date of the Act for existing condominiums or 90 days after the date of the election of the initial board of managers under the Act. Provides that all accessible parking spaces constructed or created in accordance with applicable statutes or ordinances must remain part of the common elements for all new construction condominiums and conversion condominiums submitted after the effective date of the Act. Provides that no developer or declarant shall construct, create, or otherwise make parking units or limited common elements of accessible parking spaces. Provides that any rules or regulations adopted by the board of managers for the use of common element accessible parking spaces must provide that a unit owner who is a person with a disability who requires accessible parking has priority over non-disabled unit owners. Requires the board must review a request for accessible parking within 45 days of receipt of the request to do so. Provides that nothing in this Act precludes a disabled person from purchasing a parking unit or a residential unit to which a limited common element parking space is assigned, and no developer or declarant shall refuse to sell a parking unit to a disabled person or assign a limited common element parking space to a residential unit purchased by a disabled person. Provides that if a disabled person purchases a parking unit or a residential unit to which a limited common element parking space is assigned, that unit owner who is a person with a disability who requires accessible parking may request use of a common element accessible parking space in exchange for permitting the association use of that disabled unit owner's parking unit or limited common element parking space.

35 ILCS 200/15-170

Amends the Property Tax Code. In provisions concerning the senior citizens homestead exemption, permanently removes the requirement to reapply for the exemption in counties with 3,000,000 or more inhabitants (currently, that requirement was eliminated only for taxable years 2019 through 2023). In counties with less than 3,000,000 inhabitants, provides that, if the county board passes a resolution removing the requirement to reapply for the exemption, the chief county assessment official shall conduct, by no later than December 31 of the first year of each reassessment cycle, an audit of all senior citizen homestead exemptions granted for the preceding reassessment cycle.

Senate Floor Amendment No. 1

Provides that, if the county board passes a resolution removing the requirement to reapply for the senior citizens homestead exemption, the chief county assessment official shall conduct a review (in the introduced bill, an audit) of all senior citizen homestead exemptions granted for the preceding reassessment cycle. Provides that the review shall be conducted prior to the submission of the final abstract for the first year of each reassessment cycle (in the introduced bill, by no later than December 31 of the first year of each reassessment cycle).

Replaces everything after the enacting clause. Amends the Mobile Home Landlord and Tenant Rights Act. Requires a mobile home park owner to provide written notice to the officers of the homeowners' association if the park is offered for sale including in the notice the price and terms and conditions of the sale. Provides that the mobile home owners, through their association, have the right to purchase the park if the association meets the terms of the contract within 60 days of the notice. Provides that if a contract has not been executed within that 60-day period, the park owner has no further obligations under this Act unless the owner thereafter offers the park for sale at a materially lower price than the price specified in the notice. Defines "materially lower price" as 20% or more lower than the initial offer of sale. Provides that the homeowners have 10 days to meet the terms of this lower offer. Makes a number of exemptions to this requirement. Authorizes the park owner to record in the county in which the park is located an affidavit that the owner has complied with the Act's requirements. Requires that if the homeowners wish to exercise the rights under this Act, they must form an association that must be a corporation or a not-for-profit corporation with the written consent of two-thirds of all of the mobile home owners. Makes requirements for matters to be included in the homeowners' association's articles of incorporation, bylaws, and power and duties. Makes other changes.

Amends the Mosquito Abatement District Act. Provides that the board of trustees of a mosquito abatement district shall have power to take all necessary or proper steps for the surveillance, monitoring, and extermination of mosquitoes, flies, ticks, and vectors within the district (rather than for the extermination of mosquitoes, flies and other insects within the district), and, subject to the paramount control of the municipal or other public authorities, to abate as nuisances all stagnant pools of water and other breeding places for mosquitoes, flies, ticks, and vectors (rather than mosquitoes and other insects) within the district. Senate Floor Amendment No. 2

Adds reference to:

70 ILCS 1005/8 from Ch. 111 1/2, par. 81

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions about the powers of the board of trustees of a mosquito abatement district, provides that the board has powers relating to the surveillance and monitoring of ticks and the surveillance, monitoring, and extermination of mosquitoes and rats (rather than, in the introduced bill, the surveillance, monitoring, and extermination of mosquitoes, flies, ticks, and vectors). Further amends the Mosquito Abatement District Act. Provides that the board of trustees of a mosquito abatement district, or its designee, for the limited purposes of cooperation with the Department of Public Health, shall conduct routine surveillance of Department-identified vectors (rather than mosquitoes) to detect the presence of vector-borne diseases (rather than mosquito-borne diseases) of public health significance. Limits the scope of the surveillance, and requires a mosquito abatement district, or its designee, to notify a forest preserve district or conservation district prior to or within 48 hours after accessing the respective forest preserve district's or conservation district's land for surveillance required by the Department. Requires the district to report to the Department of Public Health, in addition to the local certified public health department, the results of any positive mosquito, tick, or vector (rather than mosquito) samples infected with arboviral or bacterial infections (rather than arboviral infections). Requires the report to include the number of vectors (rather than mosquitoes) collected in the trapping device. Expands an illustrative list of arboviral or bacterial infections. Modifies the new definition of "vector" in the introduced bill and moves the definition into the provisions concerning surveillance of vectors.

20 ILCS 505/8 from Ch. 23, par. 5008

Amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to award post-secondary education scholarships and fee waivers to eligible students, removes a provision that conditions the renewal of awarded scholarships and fee waivers on students continuing to work toward graduation. Instead provides that while students shall not be required to maintain a specified minimum grade point average to continue to receive scholarships and fee waivers, students must be making satisfactory progress toward completing their degree at a community college, university, or college. Requires the Department to adopt rules identifying the criteria for "satisfactory progress toward completing a degree" (rather than the criteria for "continuing to work toward graduation"). Removes a provision requiring a community college or public university that an applicant attends to waive any tuition and fee amounts that exceed the amounts paid to the applicant under the State's Monetary Award Program. Effective immediately.

Provides for the adoption of rules by the Department of Agriculture. Defines terms.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires that the State or the unit of local government in which the application of a pesticide to a public right of way is to be made to provide notice of the application to residents within 200 feet (rather than the certified applicator to provide notice of the application to residents within 200 feet). Provides that notification by the State or unit of local government may be sufficient if posted in certain correspondence (rather than specified notification requirements for the certified applicator). Removes corresponding definitions.

Senate Floor Amendment No. 2

Limits the definition of "unit of local government" in the Act to exclude a park district, a forest preserve district, or a conservation district. Exempts from the Act's notice requirements the application of a solid mosquito larvicide in accordance with a specified administrative rule.

Amends the Children and Family Services Act. In a provision concerning children accepted for care and training under the Juvenile Court Act of 1987 or through a voluntary placement agreement, provides that the parents or guardians of such children (rather than the parents or guardians of the estates of such children) shall only be liable for the sums representing the charges for such care and training. Requires the Department of Children and Family Services to establish a standard by which the ability of parents or guardians to pay for the care and training of the child shall be measured on an individual basis. Requires such standards and rules to provide: (i) that no liability exists if the family's annual income is under \$100,000 or 400% of the federal poverty guidelines, whichever is greater; and (ii) that any liability shall not be contrary to the best interests of the child and shall not negatively impact the family's ability to participate in services to achieve reunification or in parent or child visitation. Requires the Department to adopt rules no later than July 1, 2025. In a provision concerning the referral of Title IV-E foster care maintenance cases to the Department of Healthcare and Family Services for child support enforcement services, provides that such cases shall only be referred if the Department of Children and Family Services has conducted a thorough individualized review of the family's circumstances, including, but not limited to, the impact the referral may have on the child's best interest and the ability to achieve permanency or participate in visitation. In a provision concerning liability for parents or guardians who make false written declarations to the Department concerning their income or ability to pay for their children's Department-sponsored care and training, provides that such parents and guardians will be liable to Department to the extent liability is consistent with the standards and rules set forth in the amendatory Act.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Removes a provision making parents monetarily liable for the cost of care and training provided by the Department of Children and Family Services for children placed with the Department under a voluntary placement agreement. Instead provides that the Department shall adopt rules no later than January 1, 2026 regarding referral of Title IV-E foster care maintenance cases to the Department of Healthcare and Family Services for child support enforcement services under Title IV-D of the Social Security Act. Provides that it is the policy of the State that in order to preserve the financial security of a child's parent seeking reunification, the Department will not refer cases for child support enforcement services or seek an assignment of rights of child support regarding any child prior to the permanency goal of return home being ruled out by the court in accordance with the Juvenile Court Act of 1987. Permits the Department to refer cases for child support enforcement services, consistent with rules, after the permanency goal of return home has been ruled out by the court in accordance with the Juvenile Court Act of 1987. Requires the Department to adopt rules by January 1, 2026 establishing additional policies or criteria to consider to ensure compliance with this Section and federal law regarding referral for child support enforcement or assignment of rights of child support for children where a return home goal has been ruled out in accordance with the Juvenile Court Act of 1987. In a provision concerning liability for parents or guardians who make false written declarations to the Department concerning their income or ability to pay for their children's Department-sponsored care and training, provides that such parents and guardians will be liable to Department to the extent liability is consistent with the standards and rules set forth in the amendatory Act. Amends the Illinois Power of Attorney Act. Makes it unlawful for a third party to unreasonably refuse to honor a statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution. Provides that it is unreasonable for a third party to refuse to honor a statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution, if the only reason for the refusal is any of the following: (1) the power of attorney is not on a form the third party receiving such power prescribes regardless of any form the terms of any account agreement between the account holder and third party requires; (2) there has been a lapse of time since the execution of the power of attorney; (3) on the face of the statutory short form power of attorney, there is a lapse of time between the date of acknowledgment of the signature of the principal and the date of the acceptance by the agent; (4) the document provided does not bear an original signature, original witness, or original notarization but is accompanied by an attorney-certified copy; or (5) the document appoints an entity as the agent.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the following. Amends the Illinois Power of Attorney Act. Provides that it is unreasonable for a third party to refuse to honor an Illinois statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution, if the only reason for the refusal is any of the following: (1) the power of attorney is not on a form required by the terms of any account agreement between the account holder and third party; (2) there has been a lapse of time since the execution of the power of attorney; (3) on the face of the statutory short form power of attorney, there is a lapse of time between the date of acknowledgment of the signature of the principal and the date of the acceptance by the agent; (4) the document provided does not bear an original signature, original witness, or original notarization but is accompanied by a properly executed Agent's Certification and Acceptance of Authority, Successor Agent's Certification and Acceptance of Authority, or Co-Agent's Certification and Acceptance of Authority bearing the original signature of the named agent; or (5) the document appoints an entity as the agent. Nothing in this Section shall be interpreted as prohibiting or limiting a third party from requiring the named agent to furnish a properly executed Agent's Certification and Acceptance of Authority, Successor Agent's Certification and Acceptance of Authority, or Co-Agent's Certification and Acceptance of Authority. Provides multiple reasons for which it shall be deemed reasonable cause for a third party to refuse to honor a power of attorney for property.

New Act

Creates the Responsible Outdoor Lighting Control Act. Includes legislative findings. Defines terms. Provides that all new, renovated, or retrofitted luminaires purchased with State funds after the effective date of the Act or installed after the effective date of the Act on a structure or land that is owned, supported, funded, leased, or managed by the State must follow specified outdoor lighting control requirements. Includes various exceptions to compliance. Allows the Attorney General, a municipality, or a county to enforce the Act by filing an action for injunctive relief in a circuit court. Provides that the Department of Central Management Services shall make available a resource guide for the public to add lighting to homes and businesses consistent with the requirements for luminaires on a structure or land that is owned, supported, funded, leased, or managed by the State under the Act, and provides that the guide must include references to publicly accessible websites of advocacy groups approved by the State that provide education, guidance, and specifications relating to the implementation of responsible lighting principles. Provides that, if the Act conflicts with any other federal law, State law, or local ordinance controlling lighting, outdoor luminaries, signage, outdoor advertising, displays, or devices that is more stringent than the Act, then the federal law, State law, or local ordinance controls to the extent it is more stringent than the Act. Effective 60 days after becoming law.

Senate Committee Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that all new luminaires (rather than all new, renovated, or retrofitted luminaires) purchased with State funds after the effective date of the Act or installed after the effective date of the Act on a structure or land that is owned, leased, or managed by the Department of Natural Resources (rather than owned, supported, funded, leased, or managed by the State) must follow specified outdoor lighting control requirements. Changes the specified outdoor lighting control requirements. Removes a requirement that luminaires must be turned off or dimmed under certain conditions. Removes a provision that allows for the use of outdoor luminaires emitting fewer than 600 lumens if extinguished between the hours of 11:00 p.m. and sunrise. Removes all provisions regarding enforcement by filing an action for injunctive relief in a circuit court. Removes provisions regarding the Department of Central Management Services making available a resource guide for the public. Changes a technical term. Effective January 1, 2025.

Senate Floor Amendment No. 4

In a provision regarding outdoor lighting control, provides that all new luminaires purchased with State funds or installed on a structure or land owned and managed (rather than owned, leased, or managed) by the Department of Natural Resources with the intended purpose of outdoor illumination must follow certain outdoor lighting control requirements.

105 ILCS 5/22-100 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill and makes the following changes. Amends the Township Code. In provisions allowing a township board to borrow money from any bank or financial institution under specified conditions, modifies the definition of "financial institution" to include the Illinois Finance Authority. Amends the School Code. Allows the school board of a school district to apply for and obtain a loan from the Illinois Finance Authority to build, purchase, or lease new clean energy infrastructure or perform maintenance or improvements on existing clean energy infrastructure and to have the Illinois Finance Authority issue bonds associated with that loan. Requires the school board of the school district and voters of the school district to approve a proposition to have the Illinois Finance Authority provide such a loan or issue such bonds, except that the school board may apply for and obtain such a loan without approval of voters of the school district if the loan is to be paid or provided for with funds that are not Authority-provided bond proceeds. Includes procedures required to apply for and obtain the loan or bonds, proposition language, and requirements of the bonds. Notwithstanding the provisions, allows the school board of a school district to, by resolution, apply for and obtain a loan from the Illinois Finance Authority to build, purchase, or lease new clean energy infrastructure or perform maintenance or improvements on existing clean energy infrastructure within the district without proposal approval if the loan is paid or provided for with funds that are not the proceeds of bonds authorized under the provisions.

105 ILCS 5/14-11.02 from Ch. 122, par. 14-11.02

Amends the Children with Disabilities Article of the School Code. Provides that the State Board of Education shall maintain and operate, or contract for (instead of being empowered to establish, maintain, and operate or contract for) the operation of a permanent statewide residential education facility (instead of statewide service center), known as the Philip J. Rock Center and School. Provides that the State Board of Education shall include a line item in its budget to pay the costs of operating and maintaining the Philip J. Rock Center and School. Limits the specified services provided by the Philip J. Rock Center and School to eligible deaf-blind persons of all ages to being subject to appropriated funding for those specified services. Makes changes concerning provided services. Provides that for the purposes of employment, the Philip J. Rock Center and School shall be considered its own employer. Provides that the State Board of Education shall appoint a Chief Administrator of the Philip J. Rock Center and School who shall be employed by the Philip J. Rock Center and School. Specifies the duties of the Chief Administrator. Sets forth provisions concerning a student with an individualized education program at the Philip J. Rock Center and School. Makes changes concerning the Advisory Board for the Philip J. Rock Center and School. Makes other changes.

Senate Committee Amendment No. 1

Makes changes concerning who qualifies as a person with deaf-blindness and who is eligible for deaf-blind services. Changes references of "auditory" to "hearing". Makes changes concerning the services the Philip J. Rock Center and School shall include.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 1 with the following changes. Changes references of "deaf-blind" to "deafblind". Provides that the Philip J. Rock Center and School shall service eligible students between the ages of 3 and 21, unless the student's 22nd birthday occurs during the school year, in which case the student is eligible for such services through the end of the school year (instead of providing that the School serves eligible children between the ages of 3 and 22). Removes the requirement that, in accordance with a student's individualized education program, the Philip J. Rock Center and School make every attempt to provide a free appropriate public education pursuant to the federal Individuals with Disabilities Education Act of 2001 to a student placed in its residential educational facility either in its own program or within a local school district program that is appropriate to the child and contracted for by the Philip J. Rock Center and School. Makes typographical and grammatical corrections.
