40 ILCS 5/14-110 from Ch. 108 1/2, par. 14-110  
730 ILCS 5/3-2.5-15

Amends the Unified Code of Corrections. Provides that Department of Juvenile Justice personnel who are hired by the Department and who participate or assist in the rehabilitative and vocational training of delinquent youths, supervise the daily activities involving direct and continuing responsibility for the youth's security, welfare and development, or participate in the personal rehabilitation of delinquent youth by training, supervising, and assisting lower level personnel who perform these duties must be over the age of 21 and have either a bachelor's or advanced degree from an accredited college or university or have 2 or more years of experience providing direct care to youth in the form of residential care, counseling, case management, or mentoring (rather than just any bachelor's or advanced degree from an accredited college or university). Amends the Illinois Pension Code to make conforming changes. Effective immediately.

Pension Note (Government Forecasting & Accountability)

HB 2054 expands employment requirements for Department of Juvenile Justice personnel to include prospective employees who have 2 or more years of experience providing direct care to youth, in lieu of having a bachelor's or advanced degree. The bill makes technical changes to the SERS article of the Pension Code to track with the updated educational and work requirements that are being made in the Unified Code of Corrections.

According to SERS, the proposed legislation would provide eligibility for the Alternative Formula for 150 employees in certain job titles with the Department of Juvenile Justice that currently participate in the Regular Formula. SERS claims this change would result in an increase to the accrued liability of between \$35 to \$40 million, with an estimated annual increase in State contributions of approximately \$2 million per year through FY 2045.

House Floor Amendment No. 1

Provides that Department of Juvenile Justice personnel who are hired by the Department and who participate or assist in the rehabilitative and vocational training of delinquent youths, supervise the daily activities involving direct and continuing responsibility for the youth's security, welfare and development, or participate in the personal rehabilitation of delinquent youth by training, supervising, and assisting lower level personnel who perform these duties must: (1) be over the age of 21 and (2) have a high school diploma or equivalent and either a bachelor's or advanced degree from an accredited college or university or 2 or more years of experience providing direct care to youth in the form of residential care, coaching, case management, or mentoring (rather than just being over the age of 21 and having any bachelor's or advanced degree from an accredited college or university).

Fiscal Note (Dept. of Juvenile Justice)

According to SERS, the proposed legislation would provide eligibility for the Alternative Formula for 150 employees in certain job titles with the Department of Juvenile Justice that currently participate in the Regular Formula. SERS claims this change would result in an increase to the accrued liability of between \$35 to \$40 million, with an estimated annual increase in State contributions of approximately \$2 million per year through FY 2045.

Provides that the continuance of services may be requested by the youth, the youth's parent or guardian, or the Director of Juvenile Justice.

Provides that dental records are the property of the office in which dentistry is practiced. Provides that a dental office that is closing and will not continue to offer dentistry services must provide notice to the public at least 30 days prior to the closure. Amends the Illinois Insurance Code. Defines "health benefit plan" and other terms. Provides that a pharmacy benefit manager or an affiliate acting on the pharmacy benefit manager's behalf is prohibited from conducting spread pricing, from steering a covered individual, and from limiting a covered individual's access to prescription drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by unreasonably designating the covered prescription drugs as a specialty drug. Provides that a pharmacy benefit manager or an affiliate acting on the pharmacy benefit manager's behalf must remit 100% of rebates and fees to the health benefit plan sponsor, consumer, or employer. Provides that a pharmacy benefit manager may not reimburse a pharmacy or pharmacist for a prescription drug or pharmacy service in an amount less than the national average drug acquisition cost for the prescription drug or pharmacy service at the time the drug is administered or dispensed, plus a professional dispensing fee. Provides that a contract between a pharmacy benefit manager and an insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its contracted party to a health benefit plan. Provides that provisions concerning pharmacy benefit manager contracts apply to any health benefit plan (instead of any group or individual policy of accident and health insurance or managed care plan) that provides coverage for prescription drugs and that is amended, delivered, issued, or renewed on or after July 1, 2020. Requires a pharmacy benefit manager to submit an annual report that includes specified information concerning prescription drugs. Makes other changes. Amends the Freedom of Information Act to make a conforming change. Effective July 1, 2024.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that "rebate aggregator" means a person or entity that negotiates rebates, discounts, or other fees attributable to usage by covered individuals (instead of negotiates rebates) with drug manufacturers on behalf of pharmacy benefit managers or their clients and may also be involved in contracts that entitle the rebate aggregator or its client to receive rebates, discounts, or other fees attributable to usage (instead of receive rebates) by covered individuals from drug manufacturers based on drug utilization or administration. Provides that the annual report by a pharmacy benefit manager that provides services for a health benefit plan must include the net cost of the drugs covered by the health benefit plan. Excludes Medicaid managed care organizations and employee welfare benefit plans subject to the federal Employee Retirement Income Security Act of 1974 from the definitions of "health benefit plan", "pharmacy benefit manager", and "third-party payer". Effective July 1, 2024.

New Act

5 ILCS 140/7.5

625 ILCS 5/3-400 from Ch. 95 1/2, par. 3-400

625 ILCS 5/11-612

625 ILCS 7/Act rep.

Creates the Highway Work Zone Safety Act. Establishes the Highway Work Zone Speed Control Pilot Program. Provides that the Program's purpose is to enforce the speed limits established for construction or maintenance speed zones. Requires the Department of Transportation to install and operate an automated traffic control system only when highway construction and maintenance is occurring and when workers are present. Requires the Department to conduct a public safety campaign and post signage to inform drivers about the use of an automated traffic control system that detects speeds in excess of a work zone speed limit. Requires an automated traffic control system used in the Program to undergo an annual calibration check performed by an independent calibration laboratory. Provides that the Department shall employ automated traffic control system operators to operate an automated traffic control system at a construction or maintenance speed zone. Enumerates the duties and training requirements of an automated traffic control system operator. Limits the use of a photograph or recorded image captured by an automated traffic control system. Creates a presumption that the owner of a motor vehicle that is the subject of a photograph or recorded image was operating the motor vehicle when the photograph or recorded image was obtained through an automated traffic control system. Allows the presumption to be rebutted if specified conditions are met. Grants rulemaking authority to the Department. Defines terms. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Makes conforming changes.

House Committee Amendment No. 1

**Representative Dave Vella**  
**HB 05304 (CONTINUED)**

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Illinois State Police (rather than the Department of Transportation) shall establish and administer the Highway Work Zone Speed Control Pilot Program. Provides that the Illinois State Police (rather than the Department of Transportation) shall install and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits (rather than when highway construction or maintenance is occurring and when workers are present). Provides that the Illinois State Police (rather than the Department of Transportation) shall conduct a public information campaign for the Program. Removes provisions regarding maintenance of automated traffic control systems. Provides that the Illinois State Police (rather than the Department of Transportation) shall employ automated traffic control system operators. Removes provisions regarding specified requirements, duties, and restrictions for automated traffic control system operators. Provides that the Illinois State Police may adopt rules to establish requirements, duties, or restrictions for automated traffic control system operators. Removes provisions regarding liability, defenses, and civil penalties for violations. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit is guilty of a civil law violation, with a fine of \$100 to \$200, with specifications regarding the fine. Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Removes the definitions of "Authority" and "Department". Makes technical and other changes. Effective January 1, 2027, except that provisions regarding procurement and rulemaking are effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of House Amendment No. 1 with the following changes. Creates the Highway Work Zone Speed Control Program (rather than Highway Work Zone Speed Control Pilot Program). Provides that the Illinois Department of Transportation, in coordination with the Illinois State Police (rather than only the Illinois State Police), shall establish the Highway Work Zone Speed Control Program. Provides that the Illinois Department of Transportation, in coordination with the Illinois State Police and Illinois State Toll Highway Authority (rather than the Illinois State Police in coordination with the Department of Transportation and Illinois State Toll Highway Authority), shall administer the Program. Provides that the Illinois Department of Transportation (rather than the Illinois State Police) may enter into an agreement with a third-party vendor to assist in the administration of the program. Provides that the Illinois State Police in conjunction with the Illinois Department of Transportation and the Illinois Tollway Authority shall install, set up, and operate automated traffic control systems in certain areas (rather than the Illinois State Police shall install and operate automated traffic control systems in certain areas). Provides that the Illinois State Police and the Illinois Department of Transportation may (rather than the Illinois State Police shall) conduct a public information campaign. Provides that signs indicating that work zone speeds are enforced by automated traffic control systems must be clearly posted in the areas where the systems are in use (rather than the Department of Transportation, in coordination with the Illinois State Police, shall post before the entrance to a construction or maintenance speed zone in which an automated traffic control system is in use signage indicating that the work zone speed limit is being monitored by an automated traffic control system). Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Provides that a civil law violation under this Act to a motor vehicle rental or leasing company shall be dismissed if the company responds to the civil law violation within 30 days of the mailing with an affidavit of non-liability and a copy of the driver's license number, name, and address of the renter or lessee.

House Floor Amendment No. 3

In a provision in House Amendment No. 2, provides that the Illinois State Police, in conjunction with the Illinois Department of Transportation and the Illinois State Toll Highway Authority, shall set up and operate (rather than install, set up, and operate) automated traffic control systems in highway construction and maintenance speed zones. Provides that certain tasks may or shall be completed before setting up (rather than installing) an automated traffic control system. Provides that the Illinois Department of Transportation or the Illinois State Police may (rather than the Illinois Department of Transportation shall) employ automated traffic control system operators.

Amends the State Treasurer Act. Provides that the State Treasurer may establish and administer a non-profit investment pool to supplement and enhance investment opportunities otherwise available to not-for-profit corporations in the State. Provides that the Treasurer may receive funds paid into the pool for the purpose of holding and investing those funds. Provides for surety bonds payable to not-for-profit corporations who participate in the pool. Makes changes to provisions concerning the direct deposit of State payments. Amends the Accountability for the Investment of Public Funds Act. Provides that the Treasurer shall adopt rules for the efficient administration of the pool. Provides that each State agency shall make available on the Internet, and update at least monthly, no later than the end of each month (rather than by the 15th of the month), sufficient information concerning the investment of any public funds held by that State agency to identify specified information. Effective immediately.

House Committee Amendment No. 1

Provides that the State Treasurer may establish and administer a non-profit investment pool and an electronic payments processing program (rather than a non-profit investment pool). Provides that the Treasurer may receive funds paid into the non-profit investment pool by a not-for-profit corporation that is exempt from taxation under Section 501(c)(3) or 501(c)(12) of the Internal Revenue Code (rather than Section 501(c) of the Internal Revenue Code). Corrects a grammatical error.

Fiscal Note (Office of the Treasurer)

The Treasurer's Office does not anticipate the need for additional staff for the investment pool for 501(c) non-profit organizations. The costs for the investment pool will be paid for entirely by fees. Start-up costs will be absorbed by the existing budget. No dollar amount estimate is possible but is believed to be minimal.

Changes references from "federal individual taxpayer identification number" to "individual taxpayer identification number".

Senate Committee Amendment No. 1

In provisions concerning the service of notice for an administrative proceeding, provides that written notice and any notice in the subsequent proceeding may be served by registered or certified mail (rather than regular mail) to the licensee's address of record. Provides that, if in the course of the administrative proceeding the party has previously designated a specific email address at which to accept electronic service for that specific proceeding, notice may be served by sending a copy by email to an email address on record.

Senate Committee Amendment No. 2

Provides that "veterinary specialist" means a veterinarian: (1) who has been awarded and maintains certification from a veterinary specialty organization recognized by the American Board of Veterinary Specialties; (2) who has been awarded and maintains certification from a veterinary certifying organization whose standards have been found by the Board to be equivalent to or more stringent than those of American Board of Veterinary Specialties-recognized veterinary specialty organizations; or (3) who otherwise meets criteria that may be established by the Board to support a claim to be a veterinary specialist (instead of meaning that a veterinarian is a diplomate within an AVMA-recognized veterinary specialty organization). House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

**Representative Emanuel "Chris" Welch**  
**HB 00303 (CONTINUED)**

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that overseeing of specified planning and implementation of security and law enforcement activities may be done in State-owned, State-leased, or State-operated critical infrastructure or facilities (rather than State critical infrastructure or State facilities). In provisions in the Sex Offender Registration Act relating to transferring the remaining balance from the Sex Offender Investigation Fund to the Offender Registration Fund, removes language providing that, subject to appropriation, moneys in the Offender Registration Fund received under the provisions shall be used by the Illinois State Police for purposes authorized under the provisions.

Creates the Pharmaceutical and Health Affordability: Restrictions on Manufacturers' Amoral Behavior through Reasonable Oversight Act. Provides that a manufacturer or wholesale drug distributor shall not engage in price gouging in the sale of an essential off-patent or generic drug. Provides that within 45 days after receipt of the request, the manufacturer or wholesale drug distributor shall submit the statement to the Attorney General. Provides that to accomplish the objectives and carry out the duties prescribed in the Act, the Attorney General may issue subpoenas or examine under oath any person to determine whether a manufacturer or wholesale drug distributor has violated the Act. Provides that upon petition of the Attorney General, a circuit court may issue specified orders against violations of the Act. Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

New Act

720 ILCS 5/12C-50

Creates the Higher Education Violation Reporting Act. Provides that each public and private institution of higher education shall maintain a report publicly reporting actual findings of violations by any student organization, athletic team, or living group of the institution's code of conduct or anti-hazing policy or State or federal laws relating to hazing or alcohol, drugs, sexual assault, or physical assault. Provides that an institution of higher education shall provide hazing prevention education to employees. Provides that if an employee or volunteer at an institution of higher education has reasonable cause to believe that hazing has occurred, the employee or volunteer shall report the incident. Amends the Criminal Code of 2012. In provisions concerning hazing, provides that a person commits hazing when he or she knowingly requires the performance of any act by a student or other person in a school, college, university, or other educational institution of this State for the purpose of induction or admission into or maintenance of membership in (instead of only for the purpose of induction or admission into) any group, organization, or society associated or connected with that institution if the act meets certain requirements; makes changes to the requirements. Provides that an act may be considered hazing regardless of whether the student or other person is willing to participate in the act. Effective July 1, 2024.

House Committee Amendment No. 1

Replaces the provisions of the bill concerning the offense of hazing. Changes the elements of hazing. Provides that a person commits hazing when he or she knowingly requires the performance of any act by a student or other person in a school, college, university, or other educational institution of the State for the purpose of conferring, gaining, or maintaining acceptance, membership, office, or other status in (rather than induction or admission into) any group, organization, or society associated or connected with that institution, regardless of the student or other person's willingness to perform the act, if: (1) the act is neither sanctioned or authorized by that educational institution nor is a customary athletic event; and (2) the act either (i) subjects any person to a substantial risk of physical harm, mental harm, or degradation or (ii) causes any person to suffer physical harm, mental harm, or degradation (rather than results in bodily harm to any person).

Removes language providing that process may be served by a person who is licensed or registered as a private detective or by a registered employee of a private detective agency in counties with a population of less than 2,000,000 (and instead allows process to be served in such a manner statewide). Deletes reference to:

30 ILCS 105/5.1012 new

Replaces everything after the enacting clause. Reinserts the provisions of the original bill with the following changes:  
Provides that a person operating a motor vehicle shall not stop or stand the person's vehicle on a shoulder of a highway along traffic routes within a one-half mile radius of: (1) the eastern entrance to O'Hare International Airport; and (2) the intersection of Interstate 90 and Interstate 294 (rather than a 2-mile radius surrounding O'Hare International Airport). Requires the Illinois Toll Highway Authority to install and maintain automated traffic safety systems along traffic routes within a one-half mile radius of: (1) the eastern entrance to O'Hare International Airport; and (2) the intersection of Interstate 90 and Interstate 294 (rather than a 2-mile radius surrounding O'Hare International Airport). Provides that language prohibiting stopping or standing within one-half mile of O'Hare International Airport do not apply if the driver of the vehicle received a Uniform Traffic Citation from a police officer at the time of the violation for the same offense. Provides that recorded images made by an automated traffic safety system are confidential and shall be made available only (i) to the alleged violator and governmental and law enforcement agencies; or (ii) in response to a lawful subpoena. Provides that a recorded image evidencing a violation of this Act may be admissible in a proceeding resulting from the issuance of a citation. Provides that proceeds from fines shall be deposited into the State Police Law Enforcement Administration Fund (rather than the Illinois State Police Highway Enforcement Fund). Removes provisions creating the Illinois State Police Highway Enforcement Fund as a special fund in the State treasury. Makes other changes.

New Act

Creates the Home Modification Program Act. Provides that the purpose of the Act is to establish a home modification funding system that is streamlined, effective, and administered by experts within the disability community. Provides that, subject to appropriation, the Department of Human Services shall establish a Home Modification Program to provide financial assistance to persons with disabilities for home modification projects. Requires the Department to designate a statewide association that represents centers for independent living to serve as the lead agency to administer the Program. Requires the Department to provide funding for the Program. Requires the lead agency to distribute any moneys it receives from the Department to the State's 22 centers for independent living, covering all 102 counties. Provides that the lead agency shall ensure that each center for independent living has access to at least \$105,000 to use for home modification projects, with the excess funds subject to reallocation during the 4th fiscal quarter of each year. Contains provisions concerning eligibility requirements for applicants under the Program; standards and qualifications for home modification projects; the lead agency's establishment of a Home Modification Subcommittee to provide additional oversight of the home modification projects; and an administrative fee to the lead agency.

House Committee Amendment No. 1

Expands the list of findings to include the following: nearly 3,900,000 veterans receive disability compensation payments; these veterans have sacrificed in service to their country and defense of our freedoms; and home modifications will help Illinois veterans to regain and maintain their own freedom to utilize their homes and access the world around them. Provides that older adults and veterans who have a disability, as defined in the Act, qualify for financial assistance under the Home Modification Program. Requires program applicants to have proof of disability from an agency other than a center for independent living when a disability is not obvious or readily apparent. Provides that, in addition to other local, State, and federal requirements, all contractors must follow the requirements under the Illinois Accessibility Code. Expands the definition of "home modification" to include any change to the structure of a residential home or property to create universal design. Defines "universal design" to mean any dwelling unit designed and constructed that is safe and accessible for everyone, regardless of age, physical ability, or stature. Makes technical changes.

410 ILCS 620/3.15                      from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

**Representative Maurice A. West, II**  
**HB 02086 (CONTINUED)**

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:  
Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

Replaces everything after the enacting clause. Amends the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that a depicted individual has a cause of action against a person disseminating or threatening to disseminate a sexual image if the person recklessly disregarded the possibility that the depicted individual did not consent to the dissemination, the image was a private or intentionally digitally altered sexual image, and the depicted individual was identifiable. Provides that in the case of digitally altered sexual images, disclosing that the images were digitally altered is not a defense to liability. Removes language providing that nothing in the Act shall be construed to impose liability on an interactive computer service for content provided by another person. Provides that the dissemination of or a threat to disseminate a private sexual image is not a matter of public concern solely because the image is accompanied by a political message. 105 ILCS 125/2.3 new

Amends the School Breakfast and Lunch Program Act. Provides that, subject to appropriation, for State Fiscal Year 2024 only and in addition to other amounts provided for school breakfast and lunch programs, the State Board of Education shall provide supplemental nutrition aid to participants in the national school breakfast and lunch programs. Provides that a participant's supplemental nutrition aid shall equal the participant's State Fiscal Year 2023 actual expenditures for providing school breakfast and lunch programs, minus the participant's State Fiscal Year 2023 State reimbursement, minus the participant's State Fiscal Year 2023 federal contribution. Repeals these provisions on January 1, 2026. Effective immediately.

House Floor Amendment No. 1

Adds reference to:

105 ILCS 125/2

from Ch. 122, par. 712.2

Replaces everything after the enacting clause. Amends the School Breakfast and Lunch Program Act. In provisions concerning reimbursement of sponsors, provides that the State Board of Education shall reimburse not less than \$0.15 or the actual cost, whichever is less, to non-profit welfare centers for each free breakfast and lunch. Provides that the State Board of Education shall establish the Healthy School Meals for All Program to begin on July 1, 2023. Provides that each school board of a school district or governing body of a nonpublic school that chooses to participate in the Healthy School Meals for All Program shall offer eligible meals, without charge, to all students enrolled in schools that participate in the National School Breakfast Program and National School Lunch Program. Sets forth provisions regarding eligibility for the Healthy School Meals for All Program, program requirements, reimbursement (subject to appropriation), federal and other funding, State Board support and technical assistance, and the federal Local Food for Schools Cooperative Agreement Program. Provides that if the United States Department of Agriculture creates the option for the State, as a whole, to participate in the Community Eligibility Provision, then the State Board of Education shall evaluate whether that option is anticipated to require less State funding than the Healthy School Meals for All Program and provide at least as many free meals to students. Sets forth requirements concerning that option. Effective immediately.

Senate Committee Amendment No. 1

Provides that the requirement that the State Board of Education establish the Healthy School Meals for All Program is subject to appropriation (instead of the requirement that a participating school board receive reimbursement is subject to appropriation).

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. from Ch. 111 1/2, par. 1411.2

Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. **Representative Maurice A. West, II**  
**HB 04475 (CONTINUED)**

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

Provides that, upon a finding of sufficiency, the Director shall have the authority to levy a fine for not less than the cost incurred by the consumer for inappropriate out-of-network charges for a provider, facility, or hospital that was listed in-network. Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part 1 (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

105 ILCS 302/1

Amends the College and Career Success for All Students Act. Makes a technical change in a Section concerning the short title.

House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Amends the Illinois Vehicle Code. Defines "disablement technology" as any instrument, device, machine, or equipment, whether software or hardware, that can be used to disable the starter of a motor vehicle, prevent fuel from flowing to the engine, prevent electricity from flowing to the engine, or otherwise prevent the vehicle from being started or driven by a person. Provides that disablement technology shall not be used as an aid to the physical retrieval of a vehicle as part of repossession or as a consequence for nonpayment under a retail installment contract or other instrument. Provides that a violation is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that a consumer whose vehicle is subject to the activation of disablement technology may bring an action against an activating person or entity for damages of \$1,000 per month per violation plus actual damages and attorney's fees. Provides that disablement technology may be offered for sale or sold only for antitheft purposes, either on its own or for an additional fee in connection with the purchase of a motor vehicle. Requires a motor vehicle dealer that sells a motor vehicle containing disablement technology to comply with specified requirements. Provides that data generated or stored by disablement technology as the result of a consumer's vehicle usage is the personal property of the consumer, and the consumer is entitled to all profits and other benefits flowing from the sharing or sale of the data. Provides that data generated or stored by disablement technology that is installed in a consumer's vehicle, and data transmitted by or through the disablement technology that relates to the consumer or the consumer's use of a motor vehicle, may not be sold or otherwise shared with any third parties except as required by federal, State, or local law, or required by court order. Makes a corresponding change in the Consumer Fraud and Deceptive Business Practices Act.

House Floor Amendment No. 2

Provides that knowingly installing or using disablement technology in violation of the Code is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that an assignee or successor in interest to a retail installment contract or other instrument who did not install, authorize, or ratify the installation of the disablement technology in a consumer's vehicle may not be held liable for the prior contract holder's installation of disablement technology unless the technology is activated or the consumer is threatened with activation by the assignee or successor in interest. Provides that the required disclosure by any motor vehicle dealer that sells a motor vehicle containing disablement technology shall contain a statement that the disablement technology will not be used or activated by the motor vehicle dealer, lender, or any other party as part of a repossession or as a consequence of nonpayment of a retail installment contract or other instrument (rather than similar agreement).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: In a provision regarding opting out of a Department of Human Rights investigation, requires a complainant to notify the Department (rather than the Department and the respondent) that a complaint has been filed with the appropriate circuit court (rather than with the appropriate circuit court or other appropriate court of competent jurisdiction) by serving (rather than mail) a copy of the complaint on the chief legal counsel of the Department (rather than the Department and the respondent) within 21 days from the date (rather than on the same date) that the complaint is filed with the appropriate circuit court. Provides that the 21-day period for service on the chief legal counsel shall not be construed to be jurisdictional.

5 ILCS 140/7

625 ILCS 5/2-130 new

Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Makes a conforming change in the Freedom of Information Act.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that an automated license plate reader (ALPR) user shall not sell, share, allow access to, or transfer ALPR information to any state for the purpose of investigating or enforcing a law that: (1) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services; or (2) permits the detention or investigation of a person based on the person's immigration status. Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

Senate Committee Amendment No. 1

Provides that an ALPR user shall not sell, share, allow access to, or transfer ALPR information to any state or local jurisdiction for the purpose of investigating or enforcing a law that: (i) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services as defined by the Lawful Health Care Activity Act; or (ii) permits the detention or investigation of a person based on the person's immigration status. Provides that any ALPR user in this State, including any law enforcement agency of this State that uses ALPR systems, shall not share ALPR information with an out-of-state law enforcement agency without first obtaining a written declaration from the out-of-state law enforcement agency that it expressly affirms that ALPR information obtained shall not be used in a manner that violates the Act. Provides that if a written declaration of affirmation is not executed, the law enforcement agency shall not share the ALPR information with the out-of-state law enforcement agency. Restricts provisions as provided from limiting rights under the Reproductive Health Act. Defines terms.

Amends the Illinois Vehicle Code. Requires a contractor or person employed to deliver goods from a store or restaurant through a third-party delivery service to use a non-carbon emitting mode of transportation while making such deliveries. Provides that a contractor or person who fails to comply with the provisions may be subject to a fine of \$250 or suspension of the contractor's or person's driving privileges. Restricts the provisions to counties with a population of 3,000,000 or more. Limits the concurrent exercise of home rule powers.

Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

Fiscal Note (Dept. of Natural Resources)

**Representative Ann M. Williams**  
**HB 04209 (CONTINUED)**

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

Amends the Environmental Protection Act. Provides that the filing fees for specified petitions shall be \$250 (rather than \$75).

Fiscal Note (Illinois Pollution Control Board)

House Bill 4651 will have no impact on state expenditures but does have the potential to increase revenue. Since the per filing fee will increase from \$75 to \$250 each, this will increase the revenue collected per filing. Based on the current trend of ten(10) filings per year, the increase in the per filing fee would collect an additional \$1,750 in state revenue per fiscal year.

Amends the School Code. In provisions concerning radon testing, provides that every school building of a school district that is occupied or will be occupied shall be tested by January 1, 2028 and shall be tested every 5 years thereafter for radon (instead of recommending that every occupied school building of a school district be tested every 5 years for radon). Provides that all new schools of a school district shall be built using radon resistant new construction techniques in accordance with the American National Standards Institute/American Association of Radon Scientists and Technologists CC-1000, Soil Gas Control Systems in New Construction of Multifamily, School, Commercial and Mixed-Use Buildings standard or a successor standard (instead of recommending that new schools of a school district be built using radon resistant new construction techniques, as shown in the United States Environmental Protection Agency document, Radon Prevention in the Design and Construction of Schools and Other Large Buildings). Removes a provision allowing a person to perform radon screening tests without a license. Makes changes concerning the exemption. Provides that if radon is found to exceed specified levels, then the school district shall (instead of may) hire a licensed radon professional to perform confirmatory measurements (instead of to perform measurements before any mitigation decisions are made). Sets forth provisions concerning mitigation. Provides that a school district may use life safety funds, if available, for radon testing and mitigation. Preempts home rule powers.

**New Act**

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

**House Committee Amendment No. 1**

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. Makes other changes.

Provides for the liability of any person who materially contributes to, induces, or otherwise facilitates a violation of a specified provision of the Act by another party after having reason to know that the other party is in violation. House Floor Amendment No. 2

Adds reference to:

765 ILCS 1075/35

**Representative Jawaharial Williams**  
**HB 04875 (CONTINUED)**

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the engrossed bill, with these changes. Restores the definition of "commercial purpose" to current law. Defines "digital replica" to mean a newly created, electronic representation of the voice, image or likeness of an actual individual created using a computer algorithm, software tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear, and which a reasonable person would believe is the individual's voice, image or likeness of the person being imitated. Defines "service provider" to mean any entity offering broadband services as used in the Broadband Advisory Council Act, a wireless carrier as defined by a specified federal law, or a telecommunications carrier as defined in the Public Utilities Act. Defines "person" to mean a natural or juristic person and a service provider may only constitute a person under this Act if the service provider created the unauthorized digital replica. Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date.

Amends the Courses of Study Article of the School Code. In provisions relating to bullying prevention and the definition of "policy on bullying", provides that bullying shall also include bullying based off of physical appearance, socioeconomic status, academic status, pregnancy, parenting status, homelessness. Provides that a bullying prevention policy must include procedures for informing parents or guardians of all students involved in the alleged incident of bullying within 24 hours after the school's administration is made aware of the incident (instead of procedures for promptly informing parents or guardians of all students involved in the alleged incident of bullying). Provides that the bullying prevention policy shall also require all individual instances of bullying, as well as all threats, suggestions, or instances of self-harm to be reported to the parents or legal guardians of those involved under the guidelines provided. Provides that the State Board of Education shall develop a template for a model bullying prevention policy. Provides that schools shall develop the bullying prevention policy for the school based on the model provided by the State Board of Education. Provides that school districts shall collect, maintain, and submit to the State Board of Education non-identifiable data regarding allegations and instances of bullying within the school district. Provides that upon the request of a parent or legal guardian of a child enrolled in a school district within the State, the State Board of Education must provide non-identifiable data of the number of bullying allegations and incidents in a given year at the school district to the requesting parent or legal guardian. Amends the State Finance Act to make a conforming change. Makes other changes.

House Committee Amendment No. 1

**Representative Janet Yang Rohr**  
**HB 03425 (CONTINUED)**

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Makes changes concerning the definition of "policy on bullying". Requires a policy to be based on the State Board of Education's template for a model bullying preventing policy which includes the criteria set forth in the definition of "policy on bullying". Provides that school districts, charter schools, and non-public, non-sectarian elementary and secondary schools must submit data in an annual report due to the State Board of Education no later than August 15 of each year starting with the 2024-2025 school year (instead of requiring school districts to submit data in an annual report due to the State Board no later than June 1 of each year). Provides that the State Board of Education shall adopt rules regarding the submission of data that includes, but is not limited to: (i) a record of each verified allegation of bullying and action taken; and (ii) whether the instance of bullying was based on certain actual or perceived characteristics and, if so, lists the relevant characteristics. Provides that the State Board of Education's rules for the submission of data shall be consistent with federal and State laws and rules governing student privacy rights, including, but not limited to, the federal Family Educational Rights and Privacy Act of 1974 and the Illinois School Student Records Act. Removes provisions concerning recommendations for out-of-school suspensions, expulsions, or referrals to law enforcement. Provides that the State Board of Education shall post on its Internet website a template for a model bullying prevention policy (instead of providing that the State Board of Education shall develop a template for a model bullying prevention policy). Makes other changes.

**HB 05355 (CONTINUED)**

Creates the Nonopioid Alternatives for Pain Act. Requires the Department of Public Health to develop and publish an educational pamphlet regarding the use of nonopioid alternatives for pain treatment. Provides that a health care practitioner shall exercise professional judgment in selecting appropriate treatment modalities for pain in accordance with specified Centers for Disease Control and Prevention guidelines, including the use of nonopioid alternatives whenever nonopioid alternatives exist. Requires a health care practitioner who prescribes an opioid drug to provide certain information to the patient, discuss certain topics, and document the reasons for the prescription. Requires the Department to develop a nonopioid directive form for patients. Sets forth provisions concerning exceptions, execution of a nonopioid directive, opioid administration to a patient with a nonopioid directive, and limitations of liability. Amends the Illinois Insurance Code. Provides that when a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, it shall be unlawful for a health insurance issuer to deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or to require the patient to try an opioid prescription drug before providing coverage. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that whenever a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, neither the Department of Healthcare and Family Services nor a managed care organization shall deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or require a patient to try an opioid prescription drug prior to providing coverage of the nonopioid prescription drug. 20 ILCS 2310/2310-730 new

Removes all of the provisions of the Nonopioid Alternatives for Pain Act except for the provisions requiring the Department of Public Health to develop and publish on its website an educational pamphlet regarding the use of nonopioid alternatives for the treatment of acute nonoperative, acute perioperative, subacute, or chronic pain. Moves those provisions to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. In provisions amending the Illinois Insurance Code and the Illinois Public Aid Code, removes language providing that the provisions apply to a nonopioid drug immediately upon its approval by the U.S. Food and Drug Administration. Provides that the Department of Healthcare and Family Services shall ensure that nonopioid drugs preferred on the Department's preferred drug list, and approved by the U.S. Food and Drug Administration, for the treatment or management of pain shall not be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain (instead of with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization). Removes language concerning the applicability of the provisions to drugs provided under a contract between the Department and a managed care organization. Provides that the changes to the Illinois Insurance Code and the Illinois Public Aid Code are effective January 1, 2026.

Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

**Fiscal Note (Dept. of Natural Resources)**

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

**Representative Lance Yednock**

**HB 04209 (CONTINUED)**

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.
