Amends the Compassionate Use of Medical Cannabis Program Act. Provides that the Department of Financial and Professional Regulation shall adopt rules to create a registration process for Adult Use Dispensing Organization Social Equity Licenses, as defined in the Cannabis Regulation and Tax Act, to sell cannabis under the Act. Provides that the registration process shall be available to all Adult Use Dispensing Organization Social Equity Licenses within 30 days of the issuance of the Adult Use Dispensing Organization Social Equity License. Amends the Cannabis Regulation and Tax Act. Defines "Adult Use Dispensing Organization Social Equity License". In the findings provisions of the Social Equity in the Cannabis Industry Article of the Act, provides that the General Assembly also finds and recognizes that the dispensaries established under the Compassionate Use of Medical Cannabis Program Act enacted in 2014 have inadvertently placed those dispensaries with an Adult Use Dispensing Organization Social Equity License at a competitive disadvantage. Provides that this competitive imbalance stems primarily from the established dispensaries' existing market presence and their capacity to sell cannabis to a well-established medical patient base at lower prices, a benefit derived from the exemption of certain taxes applicable to medical cannabis sales.

New Act

Creates the Firefighter Training Leave of Absence Act. Defines terms. Provides that a State employee shall be granted leave from his or her State employment for firefighter training as follows: (1) on one occasion, for up to 200 hours, to participate in training necessary to obtain Basic Operations Firefighter certification from the State Fire Marshal while attending a State Fire Marshal-approved fire academy; and (2) special or advanced training annually, not to exceed 80 hours, after obtaining Basic Operations Firefighter certification from the State Fire Marshal for courses that will lead to additional certification by the State Fire Marshal. Provides that, during leaves for basic, special, or advanced training, the State employee shall continue to receive his or her regular compensation as a State employee, but, if the State employee receives compensation for basic, special, or advanced training, the State employee shall receive his or her regular compensation as a State employee minus the amount of his or her compensation for basic, special, or advanced training. Provides that a State employee who wishes to obtain a leave of absence under this Act shall request in advance for the leave of absence and may take the leave of absence only after obtaining approval from the State employee's agency.

Senate Floor Amendment No. 1

Provides that a leave of absence may not be denied to a State employee who requests leave under the Act and who has provided notification of the leave at least 14 calendar days prior to the requested leave date. Provides that a State employee who provides less than 14 calendar days' notice of the leave may be denied leave if the State employee's agency demonstrates that the leave would create a health or safety hazard in the workplace. Provides that, if the leave is denied, written notification must be provided to the employee within 24 hours after the employee's request for leave. Provides that, once the leave has been approved, approval for the leave may not be rescinded.

Pension Note (Government Forecasting & Accountability)

Under SB 1611, as engrossed, state employees who avail themselves of a leave of absence for firefighter training will continue to receive compensation, and thus, pensionable service credit in SERS for such periods of leave. The bill states that the employee's agency can reduce his or her compensation by the amount the member is paid for the training; thus, SERS states that situations may arise where members may wish to purchase "earnings credits." The SERS Article of the Pension Code requires members wishing to establish earnings credits to pay to SERS an amount equal to the employee contribution based upon the rate of compensation paid immediately prior to the leave, plus interest at the actuarially assumed rate, from the beginning of the leave of absence to the date of payment.

Under current law, an employee who receives no compensation during a leave of absence may establish service credit in SERS by paying the aforementioned amounts, plus the employer's normal cost for the period of the leave. Inasmuch as state employees would be compensated during firefighter training leaves of absence under SB 1611, and thus would not be required to pay the employer's normal cost for the period of the leave, there would be a very minor fiscal impact upon SERS commensurate with the number of state employees who avail themselves of such periods of leave.

Fiscal Note (Dept. of Central Management Services)

SB 1611, as engrossed, will have a fiscal impact to CMS but this impact cannot be identified at present. The maximum time allowance for training is approximately 37 days. CMS cannot gauge the participation this would generate in the state. There is the obvious loss of productivity and expertise from the employee's absence that will need to be compensated for through overtime, temporaries, etc.. Finally, it will take some time and additional resources to develop and effectuate rules for the Act and allow for software and programming changes.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1611; therefore, there are no appraisals to be filed.

Senator Patrick J. Joyce
SB 01611 (CONTINUED)

State Debt Impact Note (Government Forecasting & Accountability)

SB 1611, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1611, as amended by Senate Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Judicial Note (Admin Office of the Illinois Courts)

The legislation will not increase or decrease the number of judges needed in the state of Illinois.

Senator David Koehler**SB 00380 (CONTINUED)**

Replaces everything after the enacting clause. Creates the Illinois Fertility Fraud Act. Allows the following individuals to bring an action against any health care provider, embryologist, or any other person involved in any stage of the treatment who knowingly or intentionally used the health care provider's, embryologist's, or person's own human reproductive material without the patient's informed written consent to treatment using the health care provider's, embryologist's, or person's human reproductive material: a woman who gives birth to a child after receiving assisted reproductive treatment or any other artificial means used to cause pregnancy; the spouse of the woman; the surviving spouse of the woman; or a child born as a result of the treatment. Allows a donor of human reproductive material to bring an action against a health care provider under certain circumstances. Provides that a plaintiff who prevails in an action is entitled to reasonable attorney's fees and compensatory and punitive damages or liquidated damages of \$50,000. Provides that any child born as a result of the fertility fraud is entitled to a qualified protective order allowing the child access to the personal medical records and health history of the health care provider, embryologist, or other person who committed the fraud. Amends the Illinois Income Tax Act. Includes in the list of modifications of a taxpayer's adjusted gross income for the taxable year, to the extent includible in gross income for federal income tax purposes, any amount awarded or paid to the taxpayer as a result of a judgment or settlement for fertility fraud. Amends the Code of Civil Procedure. Provides that an action for fertility fraud must be commenced within the later of 20 years after specified events.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: In the Illinois Fertility Fraud Act: Changes the definition of "assisted reproductive treatment". Defines "embryologist", "intended parent", and "laboratory". Provides that the intended parent of the child born as a result of the assisted reproductive treatment (rather than the spouse of a woman who gives birth to a child after receiving assisted reproductive treatment or any other artificial means used to cause pregnancy) may bring an action against any health care provider, embryologist, or any other person involved in any stage of the treatment who knowingly or intentionally used the health care provider's, embryologist's, or person's own human reproductive material without the patient's informed written consent to treatment using the health care provider's, embryologist's, or person's human reproductive material. Allows a donor of human reproductive material to bring an action against a health care provider, embryologist, or any other person involved in any stage of the treatment (rather than only a health care provider). In the Illinois Income Tax Act: Includes in the list of modifications of a taxpayer's adjusted gross income for the taxable year, to the extent includible in gross income for federal income tax purposes, any amount awarded or paid to the taxpayer as a result of a judgment or settlement for donor fertility fraud.

New Act

Creates the Illinois Dig Once Act. Provides that the Department of Transportation, the Illinois State Toll Highway Authority, and the Department of Commerce and Economic Opportunity shall jointly develop a policy to reduce the scale and number of repeated excavations related to roads, highways, tollways, and expressways for the installation and maintenance of broadband infrastructure and public utilities in rights of way. Provides that the Department of Transportation, the Illinois State Toll Highway Authority, and the Department of Commerce and Economic Opportunity shall jointly develop rules to implement the Act.

from Ch. 127, par. 133b10.2

Provides that the Department of Transportation, the Illinois State Toll Highway Authority, the Illinois Commerce Commission, and the Department of Commerce and Economic Opportunity shall consult with the State-Wide One-Call Notice System to jointly develop rules for the design and construction of road, highway, tollway, and expressway projects to reduce the need for the relocation of public water and wastewater infrastructure and to promote the deployment (rather than reduce the scale and number of repeated excavations of roads, highways, tollways, and expressways for the installation and maintenance) of broadband infrastructure and underground utility facilities in an efficient and competitively neutral process for all road, highway, tollway, and expressway projects. Provides that the rules adopted under the Act are not intended to delay the design or construction of road, highway, tollway, and expressway construction projects, and shall not be construed to provide authority to approve, deny, or delay broadband infrastructure projects or underground utility facilities projects.

Amends the Child Labor Law. Provides that upon reaching the age of majority, any individual who was a minor engaged in the work of vlogging may request the permanent deletion of any video segment including the likeness, name, or photograph of the individual from any online platform that provided compensation to the individual's parent or parents in exchange for that video content. Provides that a vlogger who features a minor child in a specified amount of the vlogger's content shared on an online platform must set aside a specified amount of gross earnings on the video content in a trust account to be preserved for the benefit of the minor upon reaching the age of majority. Provides for the requirements of the trust account. Defines terms.

Senate Floor Amendment No. 1

Removes language permitting any minor engaged in the work of vlogging to request the permanent deletion of any video segment that includes the minor's likeness, name, or photograph from any online platform that provided compensation to the minor's parent in exchange for the video content. Removes language requiring contracts between a vlogger and an online platform for the use of video that features the vlogger's minor child to include notification of the minor's future rights. Removes a provision permitting a minor to engage in the work of vlogging if the minor is compensated and the minor's privacy rights are protected. Instead sets forth certain information a vlogger is required to annually report to the Department of Labor, including, but not limited to: (i) the name and documentary proof of the age of the minor engaged in the work of vlogging; (ii) the number of vlogs that generated compensation during the reporting period; and (iii) the total number of minutes each minor was featured in vlogs during the reporting period. Provides that the minor may commence a civil action if a vlogger fails to report the required information. Provides that if a vlogger knowingly or recklessly violates certain provisions that require a vlogger to set aside a minor's earnings from video content in an established trust account, the minor may commence an action to enforce those provisions and, if the minor prevails, the court may award the minor actual damages, punitive damages, and the costs of the action. Makes other changes. Makes the bill effective January 1, 2024.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that the definition of "vlogger" does not include any person under the age of 16 who produces his or her own vlogs. 105 ILCS 5/24-14 from Ch. 122, par. 24-14

Amends the Employment of Teachers Article of the School Code. In provisions concerning the termination of contractual continued service by a teacher, provides that a resignation submitted after the completion of the school year must be submitted a minimum of 30 calendar days prior to the first student attendance day of the following school year. With respect to the referral of a teacher to the State Superintendent of Education for terminating service not in accordance with these provisions, provides that if a school district intends to submit a referral to the State Superintendent, the district shall submit the referral to the State Superintendent within 10 business days after the school board denies acceptance of the resignation. Provides that the district shall notify the teacher that it submitted the referral to the State Superintendent within 5 business days after submitting the referral to the State Superintendent. Provides that the teacher shall receive a summary of the State Superintendent's evidentiary hearing no later than 14 days after the hearing is completed. Effective immediately.

Senate Floor Amendment No. 1

Senator Kimberly A. Lightford
SB 01352 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes.
Defines "teaching assignment". Removes provisions allowing a teacher who has entered into contractual continued service to resign at any time by serving at least 30 days' written notice upon the secretary of the school board. Provides that outside of a school term, a resignation submitted by any teacher after the completion of the school year must be submitted in writing to the secretary of the board a minimum of 30 calendar days prior to the first student attendance day of the following school year or else the teacher will be deemed to have resigned during the school term (instead of providing that a resignation submitted after the completion of the school year must be submitted a minimum of 30 calendar days prior to the first student attendance day of the following school year). Provides that the State Superintendent of Education shall convene a hearing no later than 90 days after receipt of the required documentation from the school district (instead of no later than 90 days after receipt of a resolution by the board). Provides that the teacher shall receive a written determination from the State Superintendent or his or her designee no later than 14 days after the hearing is completed (instead of the teacher shall receive a summary of the State Superintendent's hearing no later than 14 days after the hearing is completed).
Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill but specifies that the amendatory provisions apply to the termination of service by a teacher (instead of the termination of contractual continued service by a teacher).

105 ILCS 5/24-11 from Ch. 122, par. 24-11

Amends the Employment of Teachers Article of the School Code. Makes changes to the probationary periods pertaining to attaining contractual continued service. For the first probationary period, requires the teacher to be employed for 3 (rather than 4) consecutive school terms of service in which the teacher receives overall annual evaluation ratings of at least "Proficient" in the second and third school terms (rather than overall annual evaluation ratings of at least "Proficient" in the last school term and at least "Proficient" in either the second or third school term). For the second probationary period, requires the teacher to serve for 2 (rather than 3) consecutive school terms of service in which the teacher receives 2 (rather than 3) overall annual evaluations of "Excellent". Effective July 1, 2023.

Senate Floor Amendment No. 1

Adds reference to:

105 ILCS 5/24-12 from Ch. 122, par. 24-12

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill, but makes the following changes. Provides for a teacher to enter upon contractual continued service unless the teacher is given a written notice of dismissal on or before April 15 (instead of at least 45 days before the end of any school term within the probationary period); makes a related change in provisions concerning the removal or dismissal of teachers in contractual continued service. Provides that the specified probationary periods are for teachers who hold a Professional Educator License. Changes certain references from "4 consecutive school terms of service" to "3 consecutive school terms of service", "4 consecutive school terms" to "3 consecutive school terms", and "fourth probationary year" to "third probationary year". In provisions concerning the appointment and promotion of teachers in the Chicago School District Article of the School Code, provides that the probationary period shall be 3 (instead of 4) years for full-time teachers employed on or after January 1, 2024. Provides that for a probationary-appointed teacher in full-time service who has not entered into contractual continued service after 2 or 3 school terms of full-time service, the probationary period shall be 3 (instead of 4) school terms of full-time service if the teacher holds a Professional Educator License (instead of not specifying that the teacher hold a Professional Educator License). Makes related changes. Effective July 1, 2023.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill with the following changes. Provides that the amendatory changes regarding probationary periods only apply to any teacher who is first employed as a full-time teacher in a school district or program on or after July 1, 2023. In provisions concerning the appointment and promotion of teachers in the Chicago School District Article of the School Code, provides that the probationary period shall be 3 years for full-time teachers employed on or after July 1, 2023 (instead of January 1, 2024). Corrects a typographical error.

House Committee Amendment No. 1

Provides that any full-time teacher who does not receive written notice from the employing board on or before April 15 (instead of at least 45 days before the end of any school term) and whose performance does not require dismissal after the third or fourth probationary year pursuant to specified provisions shall be re-employed for the following school term.

Sen. Kimberly A. Lightford-Doris Turner
(Rep. Carol Ammons)

105 ILCS 5/10-17a from Ch. 122, par. 10-17a

Amends the School Code. Adds specified information concerning high schools that must be included in the school report cards prepared by the State Superintendent of Education. For the school district report cards prepared by the State Superintendent, provides that indicators from the school report card shall be aggregated at the course level, department level, and school level, and the course-level indicators shall be collected from each course.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. By October 31, 2024 and October 31 each subsequent year, requires the State Board of Education, through the State Superintendent of Education, to prepare a report covering school districts and schools, to be referred to as the Expanded School Snapshot Report. Sets forth how the Report is to be made available. Requires the Report to include (i) a listing of all standard coursework or programs offered by a school, (ii) a listing of all advanced-track coursework or programs offered by a school, (iii) a listing of all English learner coursework or programs offered by a school, (iv) a listing of all special education coursework or programs offered by a school, (v) data tables and graphs comparing advanced-track coursework or programs with standard coursework or programs according to specified parameters, and (vi) specified data for each race and ethnicity category and gender category, as defined by the most recent federal decennial census.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of Senate Amendment No. 1 but changes the name of the report from "Expanded School Snapshot Report" to "Expanded High School Snapshot Report". Makes conforming changes by changing references of "school" to "high school" and other related changes.

House Floor Amendment No. 1

Provides that the State Board of Education shall prepare the initial Expanded High School Snapshot Report by October 31, 2027 (instead of October 31, 2025).

Amends the Juvenile Court Act of 1987. Establishes procedures for determining whether a child is fit to stand trial. Provides that the procedures apply to a child under the age of 21, regardless of whether the person is subject to the Act or prosecuted under the criminal laws of the State. Provides that unfitness may result from the presence of any condition or confluence of conditions, including, but not limited to, mental illness, substance use disorder, developmental disability, chronological immaturity, relative immaturity, or child traumatic stress. Provides that a diagnosis is not required for a finding of unfitness. Provides that a child is unfit when the child either: (1) lacks sufficient present ability to consult with the child's attorney with a reasonable degree of rational understanding, as evidenced by lacking the ability to disclose to the attorney facts pertinent to the proceedings at issue and to assist in the child's defense; or (2) lacks a rational or a factual understanding of the proceedings against the child, as evidenced by certain specified factors. Provides that the issue of the child's fitness to stand trial, to plead, or to be sentenced may be raised by the child's attorney, the State, or the court at any time before a plea is entered or before, during, or after trial. Provides that in making determinations on the issue of a child's fitness, the following burdens of proof and presumptions shall apply: (1) when the court finds a bona fide doubt as to the fitness of a child, the State bears the burden of proving that the child is fit by clear and convincing evidence; and (2) a child who is receiving medication shall not be presumed to be fit or unfit to stand trial solely by virtue of the receipt of that medication. Provides that the Illinois Juvenile Justice Commission shall develop and recommend mechanisms to collect and analyze data, disaggregated by race, ethnicity, gender, geography, age, and socioeconomic status, resulting from the implementation of these provisions. Provides that the report and recommendations shall be submitted to the General Assembly on or before January 1, 2024. Contains a severability provision. Effective July 1, 2023.

Provides that if the appropriation for the Program for a given fiscal year is less than \$15,000,000, then the State Board shall limit eligibility to certain school districts and shall impose additional eligibility criteria to limit the number of approved applicants to a cohort sufficient for each selected district to provide adequate training and ongoing coaching support to each teacher of students in grades K through 2 and special education teachers and evidence-based curriculum investments. Removes language that provides that programs provided with grant funds shall not replace quality classroom reading instruction. Provides that Program funds may be used for grades K through 6 to provide both evidence-based, high-quality core literacy curriculum materials that consider the unique needs of English learners for concurrent oral language practice and high-quality screening assessments designed to inform instruction in English language arts and literacy for students (instead of classroom reading materials for students). 325 ILCS 5/7.4

Amends the Abused and Neglected Child Reporting Act. Sets forth certain protections that must be provided to the parent or guardian of a child at the center of an abuse or neglect investigation whenever the Department of Children and Family Services refers a child to a board-certified child abuse pediatrician for a medical opinion. Provides that the board-certified child abuse pediatrician must explain to the parent or guardian of the child, whenever the pediatrician has direct contact with the child or the family of the child, that the pediatrician is completing the examination of the child at the request of the Department for the purpose of providing an opinion to the Department regarding whether the mechanism of injury is suspicious for child maltreatment. Provides that the parent or guardian of the child of the center of an investigation shall: (i) be informed of the referral and his or her right to request and receive a copy of the opinion; (ii) be notified that the parent or guardian of the child has the right to obtain, at his or her own expense, and submit to the Department a second medical opinion at any time; (iii) be informed that any second medical opinion submitted to the Department prior to the Department rendering a final determination in the investigation will be considered as inculpatory or exculpatory evidence; and (iv) be notified of the Department's time frames for the investigative process. Requires the Department to annually prepare and make available on the Department's Reports and Statistics webpage a report on the number of children or families referred by the Department to a board-certified child abuse pediatrician as part of an investigation of abuse or neglect by the Department. Sets forth the information that must be contained in the annual reports. Provides that the first report must be posted within 9 months after the effective date of the amendatory Act.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Sets forth certain protections that must be provided to the parent or guardian of a child at the center of an abuse or neglect investigation whenever the Department of Children and Family Services refers a child to a medical professional (rather than to a board-certified child abuse pediatrician). Provides that the medical professional must explain to the parent or guardian of the child, whenever the medical professional has direct contact with the child or the family of the child, that the medical professional is involved for the purpose of providing an opinion to the Department regarding whether the child's injury or condition is suspicious for child maltreatment. Makes other corresponding changes.

SR 00551

Urges the United States Congress to take immediate action to clarify and amend the U.S. tax code to prevent the misuse of Puerto Rican tax incentives. Urges any amendments to the tax code to preserve the original intent of promoting economic growth in Puerto Rico while preventing potential misuse and addressing the negative economic impacts on the local population. Encourages collaboration between federal, state, and local governments, as well as with Puerto Rican authorities, to ensure that tax policies are fair, transparent, and effective. Recommends the implementation of educational campaigns to inform the public about the proper use of tax incentives and the potential consequences of misuse in Puerto Rico.

Replaces everything after the enacting clause. Creates the Interagency Children's Behavioral Health Services Act. Provides that the Act establishes a Children's Behavioral Health Transformation Officer (Officer). Requires the Officer to lead the State's comprehensive, interagency effort to ensure that youth with significant and complex behavioral health needs receive appropriate community and residential services and that the State-supported system is transparent and easier for youth and their families to navigate. Establishes the Interagency Children's Behavioral Health Services Team to find appropriate services, residential treatment, and support for children identified by each participating agency as requiring enhanced agency collaboration to identify and obtain treatment in a residential setting. Provides that the responsibilities of each participating agency shall be outlined in an interagency agreement. Requires the Department of Children of Family Services, and other specified agencies, to enter into an interagency agreement. Amends the Children and Family Services Act. Requires the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers to submit data if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services from specified State agencies. Contains provisions concerning temporary emergency placements for youth in crisis. Amends the School Code. Requires the Department of Human Services to expand its selection of individuals from the Prioritization of Urgency of Need for Services database to include individuals who receive services through the Children and Young Adults with Developmental Disabilities - Support Waiver. Contains provisions concerning mental health screenings for students in kindergarten through grade 12. Amends the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to obtain input from specified State agencies and providers on leading indicators of elevated behavioral health crisis risk for children. Amends the Juvenile Court Act of 1987. Provides that no minor who is taken into limited custody shall be sheltered in a temporary living arrangement for more than 21 days, with certain exceptions. Makes other changes. Effective immediately.

House Floor Amendment No. 4

Senator Meg Loughran Cappel
SB 00724 (CONTINUED)

Adds reference to:

20 ILCS 1705/11.4 new

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In the Interagency Children's Behavioral Health Services Act, removes a provision requiring the behavioral health interagency agreement to require the contracting State agencies to identify children with significant and complex behavioral health needs who meet certain criteria. Instead provides that the interagency agreement shall set criteria to identify children whose cases will be presented to the Interagency Children's Behavioral Health Services Team for prioritized review. Lists certain criteria that shall be included in the interagency agreement. Provides that all information collected, shared, or stored pursuant to the Act shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. Provides that nothing in the Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers in Illinois to submit data, if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services, provides that all information collected, shared, or stored pursuant to that provision shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. In a provision requiring the Department of Human Services to develop a Youth and Community Services Program, provides that the program is to ensure that youth who come into contact or may come into contact with either the child welfare system or the juvenile justice system (rather than who come into contact or may come into contact with the child welfare and the juvenile justice systems) have access to needed community, prevention, diversion, emergency and independent living services. In provisions listing the Department's duties under the program, removes the duty to develop a statewide adoption awareness campaign aimed at pregnant teenagers. Adds the duty to establish temporary emergency placements for youth in crisis as defined by the Children's Behavioral Health Transformation Team (rather than the Department) through comprehensive community-based youth services provider grants. Sets forth certain requirements that such temporary emergency placements must meet. Provides that, once sufficient capacity has been developed, temporary emergency placements must also include temporary emergency placement shelters provided under the Comprehensive Community-Based Youth Services program, shall be managed by Comprehensive Community-Based Youth Services provider organizations, and shall be available to house youth receiving interim 24/7 crisis intervention services. Provides that nothing in the amendatory Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Juvenile Court Act of 1987. Provides that no minor shall be sheltered in a temporary living arrangement for more than 21 business days (rather than 21 days). Provides that if at any time during the crisis intervention there is a concern that the minor has experienced abuse or neglect, the Comprehensive Community Based-Youth Services provider shall contact the Department of Children and Family Services as provided in the Abused and Neglected Child Reporting Act. Amends the Mental Health and Developmental Disabilities Administrative Act. Requires the Department of Human Services to establish and maintain a public-facing Care Portal to serve as a centralized resource for families with children who have significant and complex behavioral health needs. Effective immediately.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. Provides that temporary emergency placements for youth in crisis must be licensed through the Department of Children and Family Services or, in the case of a foster home or host home (rather than in the case of a foster home), by the supervising child welfare agency.

40 ILCS 5/15-134.1 from Ch. 108 1/2, par. 15-134.1

40 ILCS 5/15-198

Amends the State Universities Article of the Illinois Pension Code. Provides that for the purposes of computing service for academic years for any participant, one month of service means a calendar month during which the participant qualifies as an employee for any fraction of the month (instead of at least 15 or more days). Provides that the change applies to all service periods of a member who is a participant on or after January 1, 2024, except for certain service periods subject to purchases of service credit, repayment of a refund or distribution, or transfers of service if payment for such purchase, repayment, or transfer commenced prior to January 1, 2024. Provides that a provision concerning calculating a retirement annuity for a participant who has been employed at 1/2 time or less for 3 or more years shall not apply to a member who is a participant on or after January 1, 2024. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". Makes conforming changes. Effective immediately.

Senator Robert F. Martwick
SB 01235 (CONTINUED)

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of SB1235 as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Senate Floor Amendment No. 1

Provides that for the purposes of computing service for academic years for any participant, one month of service means a calendar month during which the participant qualifies as an employee and contributes to the System (instead of qualifies as an employee for any fraction of the month).

Senate Floor Amendment No. 2

Changes references from January 1, 2024 to September 1, 2024.

Pension Note (Government Forecasting & Accountability)

According to SURS, the system's actuary does not recognize the actuarial liabilities associated with part-time employees; the actuary assumes all employees are full-time. SURS reports approximately 24% of active members (73,307) have some part-time service. In addition, approximately 16% of retirement claims have a part-time adjustment, and the adjustment typically impacts the final pension amount in 10% of retirement claims. Thus, while there will be no change to SURS' liabilities due to the new service accrual schedule and the elimination of the part-time adjustment (for the aforementioned reason that the actuary assumes all employees are FT employees), SURS claims more assets will be necessary to pay enhanced benefits due to the new accrual schedule and the elimination of the part-time adjustment. The amount by which payouts will increase as a result of these changes has not been provided by SURS.

House Floor Amendment No. 2

Adds reference to:

40 ILCS 5/15-112

from Ch. 108 1/2, par. 15-112

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.

Further amends the State Universities Article of the Illinois Pension Code. Provides that beginning September 1, 2024, a provision excluding specified earnings in the determination of the final rate of earnings applies to an employee who has been employed at 1/2 time or less for 3 or more years. Adds an inseverability provision. Effective immediately.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1235, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1235, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1235, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepm-ed only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of SB1235 as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1235 HA#1 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1235 HA #1 does not pre-empt home rule authority.

Amends the Criminal Code of 2012. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Senator Robert F. Martwick
SB 01692 (CONTINUED)

Amends the Illinois Pension Code. In provisions authorizing certain persons to transfer service credit from IMRF to a downstate police pension fund, makes technical and combining changes to conform the changes made by Public Act 102-857 and Public Act 102-1061. Removes a restrictive date on the transfer of that service credit. Authorizes investigators for the Secretary of State and conservation police officers to transfer that service credit. In the State Employee Article, provides that beginning on the effective date of the amendatory Act through the end of the 60th month after the effective date of the amendatory Act, a State policeman who earns a retirement annuity equal to the limitation specified under the alternative retirement annuity provisions may elect to begin his or her retirement annuity effective on the month he or she first earned that retirement annuity at the amount so limited or the effective date of the amendatory Act, whichever is later. Provides that a State policeman who makes such an election must first pay to the System an amount equal to the increase in the present value of the future benefits resulting from the State policeman's election to retire in accordance with the provisions. Provides that a State policeman or conservation police officer may elect to convert service credit earned under the Article or, for certain types of service, elect to establish eligible creditable service under the alternative retirement annuity provisions by filing a written election with the board and paying to the System a specified amount. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Senator Robert F. Martwick
SB 01956 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Pension Code. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles, but only with respect to a person who, on or after the effective date of the amendatory Act, is entitled under those Articles or through a participating system under the Retirement Systems Reciprocal Act to begin receiving a retirement annuity or survivor's annuity and who elects to proceed under the Retirement Systems Reciprocal Act. In the Chicago Police Article of the Code, removes a birthdate restriction on eligibility at age 55 for a 3% automatic annual increase in retirement annuity that is not subject to a maximum increase of 30% and specifies the timing of an initial increase in retirement annuity for persons who have not received the initial increase before January 1, 2023. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB 1956, as amended by HA 001, would grant an annual 3% non-compounded cost-of-living adjustment (COLA) to all Tier 1 Chicago Police retirees who reach age 55 with 20 years of service. This change would have a significant fiscal impact upon the pension fund. An actuarial study would be required to determine the precise fiscal impact. As of December 31, 2021, the pension fund had an unfunded liability of approximately \$12 billion, and a funded ratio of 24.9%. Regarding the expansion of reciprocal service, CGFA staff has consulted with the systems most likely to have members who would receive reciprocal annuities comprised of service with the Chicago Police, Chicago Fire, and the Downstate Fire pension funds. IMRF and SERS do not anticipate a significant actuarial cost due to bringing these funds under the ambit of the Reciprocal Act. The Cook County Pension Fund says that some increased liability is possible, but the extent of the increase cannot be known as the number of members who would receive proportional annuities between the impacted funds is not known.

Fiscal Note (Department of Insurance)

This legislation poses no impact, fiscal or otherwise to the Department of Insurance.

SB 03789 (CONTINUED)

Amends the State Universities Article of the Illinois Pension Code. Provides that the System shall require that the deferred compensation recordkeeper agree that, in performing services with respect to the deferred compensation plan, the recordkeeper: (i) will not use information received as a result of providing services with respect to the deferred compensation plan or the participants in the deferred compensation plan to solicit the participants in the deferred compensation plan for the purpose of cross-selling nonplan products and services, unless in response to a request by a participant in the deferred compensation plan or a request by the System (currently, a request by a participant in the deferred compensation plan); and (ii) will not promote, recommend, endorse, or solicit participants in the deferred compensation plan to purchase any financial products or services outside of the deferred compensation plan, except that links to parts of the recordkeeper's or the recordkeeper's affiliate's (currently, recordkeeper's) website that are generally available to the public, are about commercial products, and may be encountered by a participant in the regular course of navigating the recordkeeper's or the recordkeeper's affiliate's website (currently, recordkeeper's) does not constitute a violation of the prohibition. Amends the University Employees Custodial Accounts Act. Makes similar changes. In a provision prohibiting a defined contribution plan recordkeeper from promoting credit cards, life insurance, or banking products, provides an exception if a request to provide those products is made by the governing board of the public institution of higher education or its authorized delegate. Effective immediately.

Urges that adjuncts/non-tenure/part-time instructors in institutions of higher education be treated with the same respect, recognition, value, and standards as full-time instructors. Affirms these professionals have the same credentials as the full-time instructors and are being underpaid to do the same job. Pledges to seek solutions that include, but are not limited to, legislated salary parity, mandated access to health benefits, and full and fair pension reporting and accountability for all part-time/contingent/adjunct Illinois public teachers, librarians, counselors, and educational support personnel.

415 ILCS 80/6 new

Amends the Degradable Plastic Act. Provides that, on or before July 1, 2025, each State agency shall establish and implement a plan to reduce the quantity of single-use plastics used or purchased by that State agency by 50% on or before 2031 and by 75% on or before 2036. Exempts specified single-use plastics from the provisions. Provides that on or before May 1, 2026, and on or before May 1 of each year thereafter, each State agency shall deliver to the Department of Central Management Services a status report on its single-use plastics reduction efforts. Requires the Department to compile a report with specified information and submit it to the General Assembly and the public. Provides that each State agency must post specified information on its website. Exempts State agencies that ban their own use or purchase of single-use plastics from the requirements. Defines "single-use plastic" and "State agency". Contains other provisions.

Senate Committee Amendment No. 1

Deletes reference to:

415 ILCS 80/6 new

Adds reference to:

New Act

Adds reference to:

30 ILCS 500/45-26

Replaces everything after the enacting clause. Creates the State Entities Single-Use Plastic Reporting Act. Requires, beginning July 1, 2024, each State agency to (i) track the purchase of single-use plastics on behalf of the State agency that do not require procurement contracts for one year, (ii) establish goals on reducing single-use plastic purchases based on the information obtained from the purchase tracking, and (iii) submit a report of its findings to the Governor and the General Assembly on or before October 1, 2025. Defines terms. Amends the Illinois Procurement Code. In a provision regarding environmentally preferable procurement: Removes language providing that if contracting for an environmentally preferable supply or service would impose an undue economic or practical hardship on the contracting State agency, or if an environmentally preferable supply or service cannot be used to meet the requirements of the State agency, then the State agency need not contract for an environmentally preferable supply or service. Provides instead that when a State agency is to award a contract to the lowest responsible bidder, an otherwise qualified bidder who will fulfill the contract through the use of compostable foodware or recyclable foodware may be given preference over other bidders unable to do so, as long as the bid is not more than 5% greater than the cost of products that are single-use plastic disposable foodware.

Senate Floor Amendment No. 2

Deletes reference to:

30 ILCS 500/45-26

Replaces everything after the enacting clause with the provisions of Senate Amendment No. 1 with the following changes. Removes the definition of "single-use food serviceware". Defines "single-use plastic disposable foodware" as containers, bowls, straws, plates, trays, cartons, cups, lids, forks, spoons, knives, and other items that are designed for one-time use for beverages, prepared food, or leftovers from meals and that are made of plastic, are not compostable, and are not accepted in residential curbside recycling pick up. Replaces the term "single-use plastics" with "single-use plastic disposable foodware". Provides that beginning July 1, 2024, each State agency shall (1) track its own purchases of single-use plastic disposable foodware that are less than \$2,000 or otherwise not reduced to writing, and (2) establish goals on reducing single-use plastic disposable foodware purchases based on the tracked purchases. Removes the changes made to the Illinois Procurement Code. Repeals the Act on October 1, 2026.

House Floor Amendment No. 1

Adds reference to:

30 ILCS 500/45-24 new

Senator Julie A. Morrison
SB 00058 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill. Adds provisions amending the Illinois Procurement Code. Provides that, after January 1, 2025, State agencies and departments may not procure disposable food service containers that are composed in whole or in part from polystyrene foam for use at the State agency or department. Adds provisions amending the Department of Employment Security Law of the Civil Administrative Code of Illinois. Provides that the Department of Employment Security shall conduct a study on the potential impact on the workforce of the State of legislation prohibiting the sale and distribution of disposable food service containers composed in whole or in part of polystyrene foam. Effective immediately.

House Floor Amendment No. 2

Provides that after January 1, 2026, or at the renewal of its next contract, whichever occurs later, no vendor contracted through a State agency or department may provide customers with disposable food service containers that are composed in whole or in part from polystyrene foam at any site owned or leased by the State, and instead shall offer only compostable foodware or recyclable foodware for use at sites owned or leased by the State.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Central Management Services)

SB 0058, HAM #1, will have a negligible fiscal impact on CMS. However, CMS as an agency does not purchase Styrofoam. The greater impact will come from other State Agencies (ex ... DOC, OHS), that often deal with these types of containers. Compostable Styrofoam could increase across 30-50%, depending on the item.

House Floor Amendment No. 3

Deletes reference to:

20 ILCS 1005/1005-170 new

Makes changes to the bill as amended by House Amendment No. 1 by removing provisions concerning the polystyrene job study.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 01674 (CONTINUED)

Amends the Developmental Disability and Mental Disability Services Act. Provides that the Department of Human Services shall establish the Long-Term Stabilization Support Program consisting of at least 8 homes across the State and the Short-Term Stabilization Support Program consisting of at least 10 homes across the State. Provides for the requirements of each program. Provides that the Department shall submit an annual report to the General Assembly and Governor that outlines the progress and effectiveness of the programs beginning December 31, 2025. Provides that the Department shall adopt rules to develop and implement the programs. Provides for the repeal of the Article on January 1, 2028.

Senate Floor Amendment No. 1

Provides that the purpose of the Stabilization Support Pilot Programs Article is to decrease the number of admissions to State developmental centers (rather than to decrease the number of admissions to and transitions from State developmental centers).

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the Long-Term Stabilization Support Program and the Short-Term Stabilization Support Program, provides that an individual receiving program services may request alternate placement when the wants or needs of the individual, as reflected in the individual's personal plan, would be better served in another setting along the full spectrum of care. Provides that if an individual or other designated persons, if applicable, in conjunction with the independent service coordination agency, the provider, and clinical staff, believe the individual's wants or needs, as reflected in the individual's personal plan, would be better served in an alternate setting along the full spectrum of care, those opportunities shall be discussed as they are identified. Permits such a request to be made at any point during a specified time period or at the conclusion of that period, when assessing whether continued participation in the program would be appropriate for the individual. Removes provisions requiring the Department of Human Services to submit annual reports to the General Assembly and the Governor on the progress and effectiveness of the programs. Instead requires the Department to publish quarterly reports, beginning March 31, 2025, on the number of individuals participating in the programs and other data. Provides that the reports shall be submitted to the General Assembly.

SB 01763 (CONTINUED)

Amends the Hospital Services Trust Fund Article of the Illinois Public Aid Code. Increases by 20% hospital reimbursement rates for dates of service on and after January 1, 2024, for specified services, including, but not limited to: inpatient general acute care services; inpatient psychiatric services for safety-net hospitals; general acute care hospitals that are not safety-net hospitals; and outpatient general acute care services. Provides that the rates for the listed services shall be increased, beginning on January 1, 2025 and each January 1 thereafter, based on the annual increase in the national hospital market basket price proxies (DRI) hospital cost index from the midpoint of the calendar year 2 years prior to the current year, to the midpoint of the preceding calendar year. Provides that in no instance shall the adjustment result in a reduction to the rates in place at the time of the required adjustment. Provides that if the federal Centers for Medicare and Medicaid Services finds that the increases required under the amendatory Act would result in rates of reimbursement which exceed the federal maximum limits applicable to hospital payments, then the payments and assessment tax imposed on hospital providers shall be reduced as provided in the Hospital Provider Funding Article. Requires the Department of Healthcare and Family Services to promptly take all actions necessary to ensure the changes authorized in the amendatory Act are in effect for dates of service on and after January 1, 2024. Requires the Department to ensure that all necessary adjustments to the managed care organization capitation base rates necessitated by the adjustments in the amendatory Act are completed, published, and applied 90 days prior to the implementation date of the changes required under the amendatory Act. Provides that, by October 1, 2023, the Department shall by rule implement a methodology effective for dates of service beginning on and after January 1, 2024 to reimburse hospitals for extended stays in a hospital emergency department. Amends the Illinois Administrative Procedure Act. Grants the Department emergency rulemaking authority. Effective immediately.
