Amends the Criminal Identification Act. Provides that, if a petition is filed, and upon the successful completion of the diversion program and dismissal of the case, the court shall review the petition and shall grant expungement if the petitioner meets all requirements. Amends the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act to make conforming changes.

Senate Committee Amendment No. 1

In provisions amending the Criminal Identification Act concerning time frames for filing a petition to expunge, provides that, in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, a petition for expungement may be filed 61 days or more before the anticipated dismissal of the case and, upon successful completion of the program and dismissal of the case, the court shall review the petition of the person graduating from the program and shall grant expungement if the petitioner meets all requirements as specified in any applicable statute. Makes grammatical changes and changes to cross-references. Adds an immediate effective date.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Corrects typographical errors in Senate Amendment No. 1 in the placement of provisions relating to the time frame for filing a petition to expunge in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, and provides that the petition may be filed 61 days before the anticipated dismissal of the case or any time thereafter (rather than 61 days or before the anticipated dismissal of the case). In the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act, provides that a participant may file a petition to expunge the associated records pursuant to the Criminal Identification Act, including filing a petition in advance of anticipated vacatur and dismissal (rather than file a petition to expunge vacated convictions and the associated underlying records under specified provisions of the Criminal Identification Act). Removes from those Acts a reference to filing the petition at least 61 days before the anticipated dismissal of a case. Effective immediately.

(Rep. Jay Hoffman and Norine K. Hammond)

New Act

Creates the Illinois Dig Once Act. Provides that the Department of Transportation, the Illinois State Toll Highway Authority, and the Department of Commerce and Economic Opportunity shall jointly develop a policy to reduce the scale and number of repeated excavations related to roads, highways, tollways, and expressways for the installation and maintenance of broadband infrastructure and public utilities in rights of way. Provides that the Department of Transportation, the Illinois State Toll Highway Authority, and the Department of Commerce and Economic Opportunity shall jointly develop rules to implement the Act.

Senate Floor Amendment No. 1

Adds reference to:

30 ILCS 605/7.2 from Ch. 127, par. 133b10.2

Replaces everything after the enacting clause with provisions of the introduced bill, and makes the following changes:
Removes language concerning: (1) the costs and trenching and installing broadband infrastructure; and (2) rules ensuring that existing broadband infrastructure and underground utility facilities are not disadvantaged. Provides that the Department of Transportation, the Illinois State Toll Highway Authority, the Illinois Commerce Commission, and the Department of Commerce and Economic Opportunity shall consult with the State-Wide One-Call Notice System to jointly develop rules for the design and construction of road, highway, tollway, and expressway projects to reduce the need for the relocation of public water and wastewater infrastructure and to promote the deployment (rather than reduce the scale and number of repeated excavations of roads, highways, tollways, and expressways for the installation and maintenance) of broadband infrastructure and underground utility facilities in an efficient and competitively neutral process for all road, highway, tollway, and expressway projects. Provides that the rules adopted under the Act are not intended to delay the design or construction of road, highway, tollway, and expressway construction projects, and shall not be construed to provide authority to approve, deny, or delay broadband infrastructure projects or underground utility facilities projects.

Senate Floor Amendment No. 2

Provides that whenever a public utility makes an application for a grant or easement in, over, or upon real property of the State for purposes of locating and maintaining such utility, or such utility's wire, pipe, cable, fiber conduit, or other facility or equipment, the Administrator, with the consent of the agency having jurisdiction over the real property, may grant such an easement.

Adds reference to:

20 ILCS 3855/1-20

Adds reference to:

20 ILCS 3855/1-75

Replaces everything after the enacting clause. Amends the Illinois Power Agency Act. Changes the definitions of "community renewable generation project", "distributed renewable energy generation device", and "renewable energy resources". Defines "hydropower", "modernized", and "retooled". Provides that the Illinois Power Agency is authorized to oversee the procurement by electric utilities of renewable energy credits from newly modernized or retooled hydropower dams or dams that have been converted to support hydropower generation. Provides that in developing the long-term renewable resources procurement plan: the Agency shall also consider other approaches, in addition to competitive procurements, to procure renewable energy credits from new and existing hydropower facilities to support the development and maintenance of these facilities; and the Agency shall explore options to convert existing dams but shall not consider approaches to develop new dams where they do not already exist. Provides that on and after the effective date of the amendatory Act, for all procurements of renewable energy credits from hydropower facilities, the Agency shall establish contract terms designed to optimize existing hydropower facilities through modernization or retooling and establish new hydropower facilities at existing dams, and that such procurements shall prioritize projects located in or adjacent to designated environmental justice communities or in projects located in units of local government with median incomes that do not exceed 82% of the median income of the State. Provides that all new, modernized, or retooled hydropower facilities are subject to the prevailing wage requirements under the Prevailing Wage Act. Makes other changes. Amends the Public Utilities Act. Provides that the renewable energy access plan developed and adopted by the Illinois Commerce Commission shall make findings and policy recommendations based on analysis regarding the impact of converting non-powered dams to hydropower dams relative to the alternative renewable energy resources.

Senate Floor Amendment No. 2

In provisions concerning referrals, provides that a licensed occupational therapist or licensed occupational therapy assistant may evaluate, initiate, provide occupational therapy services, consult with, educate, evaluate, and monitor services for individuals, groups, and populations concerning occupational therapy needs without a referral. Provides that an occupational therapist shall refer a patient to the patient's treating health care professional of record, or to a health care professional of the patient's choosing if there is no health care professional of record, if: (1) the patient does not demonstrate measurable or functional improvement after 10 visits or 15 business days, whichever occurs first, and continued improvement thereafter; (2) the patient was under the care of an occupational therapist without a diagnosis established by a health care professional of a chronic disease that may benefit from occupational therapy and returns for services for the same or similar condition 30 calendar days after being discharged by the occupational therapist; or (3) the patient's medical condition, at the time of evaluation or services, is determined to be beyond the scope of practice of the occupational therapist. In provisions concerning grounds for discipline, provides that the Department of Financial and Professional Regulation may take disciplinary or nondisciplinary actions against a licensee for failing to refer a patient or individual whose medical condition should, at the time of evaluation or treatment, be determined to be beyond the scope of practice of the occupational therapist to an appropriate health care professional.

Senate Floor Amendment No. 2

Removes language that provides that programs provided with grant funds shall not replace quality classroom reading instruction. Provides that Program funds may be used for grades K through 6 to provide both evidence-based, high-quality core literacy curriculum materials that consider the unique needs of English learners for concurrent oral language practice and high-quality screening assessments designed to inform instruction in English language arts and literacy for students (instead of classroom reading materials for students). New Act

30 ILCS 105/5.1015 new

Creates the Local Food Infrastructure Grant Act. Requires the Department of Agriculture to develop and administer a Local Food Infrastructure Grant Program to enhance local food processing, aggregation, and distribution within the State through the award of annual grants. Specifies that eligible grant applicants include certain entities that store, process, package, aggregate, or distribute farm products raised in Illinois. Provides that grant awards shall be between \$1,000 and \$150,000. Describes match requirements for grant recipients. Describes allowable expenses. Requires the Department to create an independent Steering Committee to guide the implementation and evaluation of the grant program. Describes the Steering Committee's composition and responsibilities. Establishes various grant application requirements. Requires the Director of Agriculture to report certain information to the Governor and General Assembly each year. Limits the liability of program administrators. Contains provisions concerning termination of a grant agreement under the Act. Defines terms. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides for subcontracting agreements with certain Section 501(c)(3) nonprofit organizations as grant administrators. Provides that projects funded in one funding cycle may not be funded in the next funding cycle, but may apply in subsequent funding cycles. Provides for collaborative (\$1,000-\$250,000) and individual (\$1,000-\$75,000) grant awards. Makes changes to certain provisions regarding a comparable investment (rather than a percentage match), as well as regarding a "high need" exception to the requirement for a comparable investment. Provides that grant funding may not be used for the cost of production agriculture. Provides that the Steering Committee shall include one representative from the Illinois Stewardship Alliance Local Food Farmer Caucus (rather than the Department of Agriculture). Makes changes to the Steering Committee's responsibilities. Removes certain provisions relating to written form requirements, requests for waivers, and requests for modifications. Makes changes to preferences in the grant review process. Adds definitions. Makes technical and other changes.

Amends the Highway Advertising Control Act of 1971. Provides for updated procedures for the Department of Transportation to follow regarding signs permitted by the Act. Provides that upon change of sign ownership, the new owner of the sign shall notify the Department and supply the necessary information on a form provided by the Department to transfer the permit for such sign at no cost within 120 days (rather than 60 days) after the change of ownership. Provides that the Department shall acknowledge to the new sign owner the receipt of such request within 14 calendar days. Provides that when a sign owner intends to convert a legal conforming sign from a static sign face to a digital sign face, a new permit shall not be required. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Provides that within 90 days of July 1, 1972, or the owner being notified of a new controlled route subject to the Act being added, specified signs must be registered with the Department of Transportation by the owner of the sign, on forms obtained from the Department. Provides that the Department shall have up to 45 days to complete its review and approve the permit application or notify the applicant of any and all deficiencies necessary for the Department's approval. Provides that if a permit application is for a sign within an area subject to the Airport Zoning Act, the Department shall notify the applicant in writing that the review process will exceed specified timelines and shall complete its own review of the permit application pending approval under the Airport Zoning Act. Provides that upon a change of ownership of a sign permit or sign registration (instead of sign ownership), the new owner of the sign permit or sign registration shall notify the Department to confirm the change of ownership and supply the necessary information in writing or on a form provided by the Department to transfer (instead of to renew) the permit or registration for such sign at no cost within 120 days (instead of 60 days) after the change of ownership. Provides that when a sign owner intends to upgrade an existing legal permitted sign to a multiple message sign with a digital display, the Department shall not require a new sign permit. Removes language providing that any permit not so renewed shall become void. Sets forth provisions concerning permit addendum applications. Makes other changes concerning permit applications and permit renewal. Provides that a person aggrieved by any action of the Department in denying an application or revoking a permit or registration under this Act may, within 30 days after receipt of the notice of denial or revocation, apply to the Department for an administrative hearing pursuant to the Administrative Review Law. Amends the Highway Advertising Control Act of 1971. Defines "sign" as any outdoor sign, display, device, notice, figure painting, drawing, message, placard, poster, billboard, or other thing, which is operated or owned by a person or entity where any person or entity is paying or earning remuneration directly or indirectly for (i) the existence or placement of the outdoor sign or (ii) the placement of the message on the outdoor sign (rather than any outdoor sign which is designated, intended, or used to advertise or inform, and of which any part of the existing or intended advertising or informative content) is capable of being visible from any place on the main-traveled way of any portion of any Interstate or primary highway and which is within 660 feet of the nearest edge of the right-of-way of such highway. Provides that for purposes of the definition of "erect", attaching a vinyl substrate medium to a sign structure or wall surface shall constitute normal maintenance or repair of a sign or sign structure. Defines "remuneration". Removes the definitions of "on premise sign", "off premise sign", and "real estate sign". Removes language providing that registration must be made of each sign and shall be accompanied by a registration fee of \$5. Removes provisions concerning directional and other official signs, real estate signs, on premise signs, off premise signs, and signs affixed by public utilities. Makes corresponding changes. Effective immediately.

SB 00064 (CONTINUED)

Adds reference to:

225 ILCS 440/6.04 rep.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "sign" means any outdoor sign, display, device, notice, figure painting, drawing, message, placard, poster, billboard, or other thing, which is designed (rather than designated), intended, or used to advertise or inform, and of which any part of the existing or intended advertising or informative contents is or will be visible from any place on the main-traveled way of a controlled portion (rather than any portion) of an Interstate or primary highway and which is adjacent to and within 660 feet (rather than within 660 feet) of the nearest edge of the right-of-way of such highway, and where the sign is operated or owned by a person or entity earning remuneration directly or indirectly for (i) the existence or placement of the outdoor sign or (ii) the placement of the message on the outdoor sign. Provides that the definition of "erect" does not include the attachment of a vinyl substrate to a sign that was permitted or registered to display, in another medium, advertising or other information and that does not cause a substantial change or modification that would terminate nonconforming rights. Provides that the Department of Transportation shall accord lawful status to the registered sign at issue in the decision of the Illinois Appellate Court captioned as Image Media Advertising, Inc., v. Illinois Department of Transportation, No. 1-20-0830. Provides that the Department shall also allow for the continued usage of that sign by the owner of the building or its authorized agent without requiring a new permit or registration. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2

Provides that the Department of Transportation shall accord lawful status to a previously permitted or registered sign that was a painted display on a wall or wall surface (but not a separate wall structure) of a building and that lost its lawful status because a court of competent jurisdiction through a final and non-appealable order determined that the attachment of a vinyl substrate to the wall or wall surface constituted the erection of a new sign and not normal maintenance. Provides that the Department shall also allow for the continued usage of that sign by the owner of the building or its authorized agent without requiring a new permit or registration.

House Committee Amendment No. 1

Adds reference to:

225 ILCS 440/14.2 new

Provides that the definition of "erect" does not include the attachment of a vinyl substrate to a sign that was permitted or registered to display, in another medium, advertising or other information and such attachment does not cause a substantial change or modification that would terminate nonconforming rights. Provides that the changes to the definition of "erect" are intended to be retroactive and apply to any permitted or registered sign in operation on or after January 1, 1999, and in operation as of the effective date of the amendatory Act that attached a vinyl substrate to a sign that was permitted or registered to display, in another medium, advertising or other information. Further amends the Highway Advertising Control Act of 1971. Provides that a previously registered sign that was a painted display on a wall or wall surface (but not a separate wall structure) of a building and that lost its lawful status because an Illinois court of competent jurisdiction determined through a final and non-appealable order that the attachment of a vinyl substrate to the wall or wall surface constituted the erection of a new sign and not normal maintenance and repair is validated as a lawful registered sign under the Act, including all rights regarding size, spacing, illumination, and alienability. Provides that the Department of Transportation must accord lawful status to the registered sign and must allow for the continued operation of that sign by the owner of the sign or its successor in interest without requiring a new registration or permit.

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. Allows any party aggrieved by a violation of the Act to bring an action against any limited services pregnancy center that has committed such a violation, in which the court may award actual damages and any other relief the court deems proper. Amends the Juvenile Court Act of 1987. Changes all references in the General Provisions Article and the Abused, Neglected or Dependent Minors Article of the Act from "reasonable efforts" to "active efforts" in cases that involve reunification by the Department of Children and Family Services. Amends the Adoption Act. 20 ILCS 505/9.1 from Ch. 23, par. 5009.1

20 ILCS 505/9.3 from Ch. 23, par. 5009.3

Amends the Children and Family Services Act. In a provision concerning children accepted for care and training under the Juvenile Court Act of 1987 or through a voluntary placement agreement, provides that the parents or guardians of such children (rather than the parents or guardians of the estates of such children) shall only be liable for the sums representing the charges for such care and training. Requires the Department of Children and Family Services to establish a standard by which the ability of parents or guardians to pay for the care and training of the child shall be measured on an individual basis. Requires such standards and rules to provide: (i) that no liability exists if the family's annual income is under \$100,000 or 400% of the federal poverty guidelines, whichever is greater; and (ii) that any liability shall not be contrary to the best interests of the child and shall not negatively impact the family's ability to participate in services to achieve reunification or in parent or child visitation. Requires the Department to adopt rules no later than July 1, 2025. In a provision concerning the referral of Title IV-E foster care maintenance cases to the Department of Healthcare and Family Services for child support enforcement services, provides that such cases shall only be referred if the Department of Children and Family Services has conducted a thorough individualized review of the family's circumstances, including, but not limited to, the impact the referral may have on the child's best interest and the ability to achieve permanency or participate in visitation. In a provision concerning liability for parents or guardians who make false written declarations to the Department concerning their income or ability to pay for their children's Department-sponsored care and training, provides that such parents and guardians will be liable to Department to the extent liability is consistent with the standards and rules set forth in the amendatory Act.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Removes a provision making parents monetarily liable for the cost of care and training provided by the Department of Children and Family Services for children placed with the Department under a voluntary placement agreement. Instead provides that the Department shall adopt rules no later than January 1, 2026 regarding referral of Title IV-E foster care maintenance cases to the Department of Healthcare and Family Services for child support enforcement services under Title IV-D of the Social Security Act. Provides that it is the policy of the State that in order to preserve the financial security of a child's parent seeking reunification, the Department will not refer cases for child support enforcement services or seek an assignment of rights of child support regarding any child prior to the permanency goal of return home being ruled out by the court in accordance with the Juvenile Court Act of 1987. Permits the Department to refer cases for child support enforcement services, consistent with rules, after the permanency goal of return home has been ruled out by the court in accordance with the Juvenile Court Act of 1987. Requires the Department to adopt rules by January 1, 2026 establishing additional policies or criteria to consider to ensure compliance with this Section and federal law regarding referral for child support enforcement or assignment of rights of child support for children where a return home goal has been ruled out in accordance with the Juvenile Court Act of 1987. In a provision concerning liability for parents or guardians who make false written declarations to the Department concerning their income or ability to pay for their children's Department-sponsored care and training, provides that such parents and guardians will be liable to Department to the extent liability is consistent with the standards and rules set forth in the amendatory Act. Effective immediately.

215 ILCS 105/1

Adds reference to:

215 ILCS 120/10 from Ch. 73, par. 1260

Replaces everything after the enacting clause. Amends the Farm Mutual Insurance Company Act of 1986. Provides that, until the date that is 5 years after the effective date of the amendatory Act, a farm mutual insurance company insuring against the perils of wind or hail must have and maintain adequate catastrophic reinsurance (instead of catastrophic reinsurance which limits the company's exposure on any one loss occurrence to 20% of its policyholders' surplus). Defines "adequate catastrophic reinsurance" as reinsurance in an amount no less than that required for a 500-year event, based on an actuarially sound catastrophe model that limits the company's exposure on any one loss occurrence to (i) 20% of its policyholders' surplus or (ii) an amount authorized by the Director of Insurance. Provides that a farm mutual insurance company must additionally have and maintain aggregate reinsurance coverage in an amount no less than that required for a 250-year event, based on an actuarially sound catastrophe model. Provides that the reinsurance permitted or required under the provisions must be provided by (i) a farm mutual insurance company, (ii) an insurance company authorized to write the kinds of insurance described in the Illinois Insurance Code pertaining to casualty, fidelity, surety, fire, marine, and other types of insurance, or (iii) a reinsurer and reinsurance program meeting the standards set forth in the Illinois Insurance Code that permit a domestic company to take credit for reinsurance. Requires a farm mutual insurance company converting from unlimited catastrophic reinsurance to adequate catastrophic reinsurance to provide notice of the change to policyholders in a form approved by the Director of Insurance. Provides that the provisions of the amendatory Act become inoperative on and after the date that is 5 years after the effective date of the amendatory Act. Effective immediately.

Amends the Homeowners Energy Policy Statement Act. Requires any energy policy statement to explicitly include the minimum standards. Provides that a written energy policy statement may not condition approval of an application on approval by adjacent property owners. Restricts an association from inquiring into a property owner's energy usage, imposing conditions impairing the operation of a solar energy system, imposing conditions negatively impacting any component warranty, or requiring post-installation reporting. Provides that a property owner may not be denied permission to install a solar energy system based on system ownership or financing method chosen by the property owner. Allows an association's written energy policy statement to impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process and the maintenance, repair, replacement, and ultimate removal of damaged or inoperable systems. Provides that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Requires an application for approval to be made available in hard copy form at a property owner's request or, if the association maintains a website, through the website. Provides that an application shall be processed by the appropriate approving entity of the association within 30 (rather than 75) days of the submission of the application. Provides that if an association fails to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner may proceed with the installation or use of the proposed solar energy system notwithstanding any other policy or provision in the homeowners' common interest community or condominium unit owners' association declaration. Allows a property owner to resubmit an application for approval previously denied by an association, and requires any such resubmitted application shall be evaluated under the changes made by the amendatory Act. Makes conforming and other changes. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that a property owner may not be required to utilize specific technology, including, but not limited to, solar shingles rather than traditional solar panels, by any entity granted the power or right in any deed restriction, covenant, or similar binding agreement to approve, forbid, control, or direct alteration of property. Removes language providing that an association's written energy policy statement may impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process. Provides that an association's written energy policy statement may impose reasonable conditions so long as such conditions are not more onerous than the association's analogous conditions for nonsolar projects. Removes language providing that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Provides that any provision of a homeowners' common interest community or condominium unit owners' declaration or energy policy statement that conflicts with the Act shall be void and unenforceable as contrary to public policy. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB 1956, as amended by HA 001, would grant an annual 3% non-compounded cost-of-living adjustment (COLA) to all Tier 1 Chicago Police retirees who reach age 55 with 20 years of service. This change would have a significant fiscal impact upon the pension fund. An actuarial study would be required to determine the precise fiscal impact. As of December 31, 2021, the pension fund had an unfunded liability of approximately \$12 billion, and a funded ratio of 24.9%. Regarding the expansion of reciprocal service, CGFA staff has consulted with the systems most likely to have members who would receive reciprocal annuities comprised of service with the Chicago Police, Chicago Fire, and the Downstate Fire pension funds. IMRF and SERS do not anticipate a significant actuarial cost due to bringing these funds under the ambit of the Reciprocal Act. The Cook County Pension Fund says that some increased liability is possible, but the extent of the increase cannot be known as the number of members who would receive proportional annuities between the impacted funds is not known.

Fiscal Note (Department of Insurance)

This legislation poses no impact, fiscal or otherwise to the Department of Insurance.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Provides that no developer or declarant shall construct, create, or otherwise make parking units or limited common elements of accessible parking spaces. Provides that any rules or regulations adopted by the board of managers for the use of common element accessible parking spaces must provide that a unit owner who is a person with a disability who requires accessible parking has priority over non-disabled unit owners. Provides that if a disabled person purchases a parking unit or a residential unit to which a limited common element parking space is assigned, that unit owner who is a person with a disability who requires accessible parking may request use of a common element accessible parking space in exchange for permitting the association use of that disabled unit owner's parking unit or limited common element parking space.

New Act

Creates the Responsible Outdoor Lighting Control Act. Includes legislative findings. Defines terms. Provides that all new, renovated, or retrofitted luminaires purchased with State funds after the effective date of the Act or installed after the effective date of the Act on a structure or land that is owned, supported, funded, leased, or managed by the State must follow specified outdoor lighting control requirements. Includes various exceptions to compliance. Allows the Attorney General, a municipality, or a county to enforce the Act by filing an action for injunctive relief in a circuit court. Provides that the Department of Central Management Services shall make available a resource guide for the public to add lighting to homes and businesses consistent with the requirements for luminaires on a structure or land that is owned, supported, funded, leased, or managed by the State under the Act, and provides that the guide must include references to publicly accessible websites of advocacy groups approved by the State that provide education, guidance, and specifications relating to the implementation of responsible lighting principles. Provides that, if the Act conflicts with any other federal law, State law, or local ordinance controlling lighting, outdoor luminaries, signage, outdoor advertising, displays, or devices that is more stringent than the Act, then the federal law, State law, or local ordinance controls to the extent it is more stringent than the Act. Effective 60 days after becoming law.

Senate Committee Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that all new luminaires (rather than all new, renovated, or retrofitted luminaires) purchased with State funds after the effective date of the Act or installed after the effective date of the Act on a structure or land that is owned, leased, or managed by the Department of Natural Resources (rather than owned, supported, funded, leased, or managed by the State) must follow specified outdoor lighting control requirements. Changes the specified outdoor lighting control requirements. Removes a requirement that luminaires must be turned off or dimmed under certain conditions. Removes a provision that allows for the use of outdoor luminaires emitting fewer than 600 lumens if extinguished between the hours of 11:00 p.m. and sunrise. Removes all provisions regarding enforcement by filing an action for injunctive relief in a circuit court. Removes provisions regarding the Department of Central Management Services making available a resource guide for the public. Changes a technical term. Effective January 1, 2025.

Senate Floor Amendment No. 4

In a provision regarding outdoor lighting control, provides that all new luminaires purchased with State funds or installed on a structure or land owned and managed (rather than owned, leased, or managed) by the Department of Natural Resources with the intended purpose of outdoor illumination must follow certain outdoor lighting control requirements.

Amends the Criminal Code of 2012. Provides that it is unlawful for any person to store or leave a firearm outside of that person's immediate possession or control unless the firearm is unloaded and secured in a lock box or container in a manner that renders it inaccessible to anyone but the owner or another lawfully authorized user. Eliminates provisions that the offense only is applicable if the person knows or has reason to believe that a minor under the age of 14 years who does not have a Firearm Owner's Identification Card is likely to gain access to the firearm without the lawful permission of the minor's parent, guardian, or person having charge of the minor, and the minor causes death or great bodily harm with the firearm. Eliminates that the provisions concerning storage of firearms do not apply: (1) if the minor under 14 years of age gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor under the age of 14 because of an unlawful entry of the premises by the minor or another person. New Act

Creates the Electric Vehicle Charging Act. Provides that the Act applies to new single-family homes and newly constructed or renovated multi-unit residential buildings that have parking spaces and are constructed or renovated after the effective date of the Act. Defines terms. Provides that a new single-family residence or a small multifamily residence shall have at least one electric vehicle capable parking space for each residential unit that has dedicated parking, unless any subsequently adopted building code requires additional electric vehicle capable parking spaces or installed electric vehicle supply equipment. Includes electric vehicle parking space requirements for a new, large multifamily residential building or a large multifamily residential building being renovated by a developer converting the property to an association. Includes electric vehicle parking space requirements for affordable housing and for an existing multi-unit residential building subject to an association that undertakes renovation. Includes electric vehicle charging station policies for unit owners and for renters.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Provides that the Act applies to newly constructed single-family homes and multi-unit residential buildings (rather than new single-family homes and newly constructed or renovated multi-unit residential buildings). Removes the definitions of "electric vehicle charging station", "electric vehicle system", and "renovated". Changes the definitions of "EV-capable", "EV-ready", "level 1", and "level 2". Provides that the residential requirements for electric vehicle parking spaces apply to all building permits issued 90 days after the effective date of the Act. Provides that all building permits issued 90 days after the effective date of the Act shall require a new, large multifamily residential building or a large multifamily residential building being renovated by a developer converting the property to an association to have 100% of its total parking spaces EV-capable (rather than a specified percentage of EV-capable spaces based on the total amount of parking spaces available). Changes the residential requirements for electric vehicle parking spaces for permits issued 24 months after the effective date Provides that all building permits issued 24 months after the effective date of the Act to be as follows: (1) for permits issued 24 months after the effective date of this Act, a minimum of 40% EV-capable parking spaces; (2) for permits issued 5 years after the effective date of this Act, a minimum of 50% EV-capable parking spaces; and (3) for permits issued 10 years after the effective date of this Act, a minimum of 70% EV-capable parking spaces. Removes language providing that an existing multi-unit residential building subject to an association that undertakes a capital maintenance, repair, replacement, or improvement project related to electrical power infrastructure shall be required to upgrade or install electrical panel capacity for dedicated branch circuits sufficient to ensure that the residential building has the power capacity to become electric vehicle capable as it relates to the space requirements. Removes language providing that a renovated large multifamily residential building that qualifies as an affordable housing development is subject to certain requirements if more than 25% of parking spaces are substantially modified. Makes other changes.

Senate Floor Amendment No. 2

Changes the definitions of "level 1" and "level 2". Provides that a tenant may install, at the tenant's own expense for the tenant's own use, a level 1 or level 2 receptacle or outlet or a level 2 electric vehicle charging system (rather than a level 1 or level 2 electric vehicle charging system) on or in the leased premises.

Senate Floor Amendment No. 3

Provides that "EV capable" shall not be construed to require a developer or builder to install or run wire or cable from the electrical panel through the conduit or raceway to the terminus of the conduit. Provides that nothing in the Act shall be construed to require that in the case of a developer converting the property to an association, no EV-capable or EV-ready mandate shall apply if it would necessitate the developer having to excavate an existing surface lot or other parking facility in order to retrofit the parking lot or facility with the necessary conduit and wiring. Establishes that an association that willfully violates the provisions shall be liable to the unit owner for actual damages and shall pay a civil penalty to the unit owner for actual damages and shall pay a civil penalty to the unit owner not to exceed \$500 (rather than \$1,000). Provides that in any action by a unit owner requesting to have an electric vehicle installed and seeking to enforce compliance with the provisions, the court shall award reasonable attorney's fees to a prevailing party (rather than a prevailing plaintiff). Provides that a landlord shall not assess or charge a tenant any fees for the placement or use of an electric vehicles charging system, except that a landlord may charge a security deposit to cover costs to restore the property to its original condition if the tenant removes the electric vehicle charging system.

Replaces everything after the enacting clause. Creates the Interagency Children's Behavioral Health Services Act. Provides that the Act establishes a Children's Behavioral Health Transformation Officer (Officer). Requires the Officer to lead the State's comprehensive, interagency effort to ensure that youth with significant and complex behavioral health needs receive appropriate community and residential services and that the State-supported system is transparent and easier for youth and their families to navigate. Establishes the Interagency Children's Behavioral Health Services Team to find appropriate services, residential treatment, and support for children identified by each participating agency as requiring enhanced agency collaboration to identify and obtain treatment in a residential setting. Provides that the responsibilities of each participating agency shall be outlined in an interagency agreement. Requires the Department of Children of Family Services, and other specified agencies, to enter into an interagency agreement. Amends the Children and Family Services Act. Requires the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers to submit data if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services from specified State agencies. Contains provisions concerning temporary emergency placements for youth in crisis. Amends the School Code. Requires the Department of Human Services to expand its selection of individuals from the Prioritization of Urgency of Need for Services database to include individuals who receive services through the Children and Young Adults with Developmental Disabilities - Support Waiver. Contains provisions concerning mental health screenings for students in kindergarten through grade 12. Amends the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to obtain input from specified State agencies and providers on leading indicators of elevated behavioral health crisis risk for children. Amends the Juvenile Court Act of 1987. Provides that no minor who is taken into limited custody shall be sheltered in a temporary living arrangement for more than 21 days, with certain exceptions. Makes other changes. Effective immediately.

House Floor Amendment No. 4

Adds reference to:

20 ILCS 1705/11.4 new

Senator Sara Feigenholtz
SB 00724 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In the Interagency Children's Behavioral Health Services Act, removes a provision requiring the behavioral health interagency agreement to require the contracting State agencies to identify children with significant and complex behavioral health needs who meet certain criteria. Instead provides that the interagency agreement shall set criteria to identify children whose cases will be presented to the Interagency Children's Behavioral Health Services Team for prioritized review. Lists certain criteria that shall be included in the interagency agreement. Provides that all information collected, shared, or stored pursuant to the Act shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. Provides that nothing in the Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers in Illinois to submit data, if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services, provides that all information collected, shared, or stored pursuant to that provision shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. In a provision requiring the Department of Human Services to develop a Youth and Community Services Program, provides that the program is to ensure that youth who come into contact or may come into contact with either the child welfare system or the juvenile justice system (rather than who come into contact or may come into contact with the child welfare and the juvenile justice systems) have access to needed community, prevention, diversion, emergency and independent living services. In provisions listing the Department's duties under the program, removes the duty to develop a statewide adoption awareness campaign aimed at pregnant teenagers. Adds the duty to establish temporary emergency placements for youth in crisis as defined by the Children's Behavioral Health Transformation Team (rather than the Department) through comprehensive community-based youth services provider grants. Sets forth certain requirements that such temporary emergency placements must meet. Provides that, once sufficient capacity has been developed, temporary emergency placements must also include temporary emergency placement shelters provided under the Comprehensive Community-Based Youth Services program, shall be managed by Comprehensive Community-Based Youth Services provider organizations, and shall be available to house youth receiving interim 24/7 crisis intervention services. Provides that nothing in the amendatory Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Juvenile Court Act of 1987. Provides that no minor shall be sheltered in a temporary living arrangement for more than 21 business days (rather than 21 days). Provides that if at any time during the crisis intervention there is a concern that the minor has experienced abuse or neglect, the Comprehensive Community Based-Youth Services provider shall contact the Department of Children and Family Services as provided in the Abused and Neglected Child Reporting Act. Amends the Mental Health and Developmental Disabilities Administrative Act. Requires the Department of Human Services to establish and maintain a public-facing Care Portal to serve as a centralized resource for families with children who have significant and complex behavioral health needs. Effective immediately.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. Provides that temporary emergency placements for youth in crisis must be licensed through the Department of Children and Family Services or, in the case of a foster home or host home (rather than in the case of a foster home), by the supervising child welfare agency.

310 ILCS 67/50

Amends the Affordable Housing Planning and Appeal Act. In provisions requiring non-exempt local governments to approve an affordable housing plan, provides that, in addition to other requirements, the affordable housing plan must consist of a description of any housing market conditions, infrastructure limitations, local government ordinances, local policies or practices that do not affirmatively further fair housing as defined in the federal Fair Housing Act, and other local factors that constrain the local government's ability to create and preserve affordable housing. Requires the plan to also include potential strategies to eliminate or mitigate the specified constraints. Provides that the plan must set forth certain benchmark goals for new affordable housing developments or redevelopments; as well as proposed timelines, within the first 24 months after the date upon which the affordable housing plan was adopted, for actions to implement the components of the affordable housing plan. Provides that no later than 36 months after adopting or updating an affordable housing plan, the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Contains provisions concerning the review of affordable housing plans by the State Housing Appeals Board (Board); membership on the Board; and other matters.

Senator Sara Feigenholtz
SB 01476 (CONTINUED)

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning benchmarks a non-exempt local government must aim to accomplish under its affordable housing plan, provides that the local government shall aim to have a minimum of 15% (rather than 40%) of affordable housing within its jurisdiction. Removes a provision requiring affordable housing plans from local governments to be subject to review by the State Housing Appeals Board. Requires the Illinois Housing Development Authority (IHDA) to post each affordable housing plan submitted by a local government on the IHDA website. Restores a provision providing that a non-exempt local government may not enter into an intergovernmental agreement with any local government that contains more than 25% affordable housing. Changes the filing date from January 1, 2024 to January 1, 2026 upon which an affordable housing developer or municipal resident may appeal a municipality's decision to deny or impose conditions on a proposed affordable housing development. Replaces all references to "plaintiff" with "appellant". In provisions concerning the Housing Appeals Board, provides that on and after the effective date of the amendatory Act, the Housing Appeals Board shall consist of 5 members appointed by the Governor (rather than providing that prior to January 1, 2008, a Housing Appeals Board shall be created consisting of 7 members appointed by the Governor). In provisions concerning membership on the Board, provides that initial terms of 3 (rather than 4) members designated by the Governor under the amendatory Act shall be for 2 years; and that initial terms of 2 (rather than 3) members designated by the Governor under the amendatory Act shall be for one year. Provides that the terms of members serving on the Housing Appeals Board before the effective date of the amendatory Act expire on the effective date of the amendatory Act. In the definition of "affordable housing", removes language providing that the costs of parking, maintenance, or landlord-imposed fees, as provided by a municipality's regional planning commission, are to be included in the calculation of affordable housing. Redefines "exempt local government" to mean any local government in which at least 35% of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority or any municipality with a population under 2,500 (rather than "exempt local government" means any local government in which the percentage of its total year-round housing units that are affordable is greater than the 20th percentile of all local governments, as determined by the Illinois Housing Development Authority, or any municipality with a population under 1,000). Removes the definition of "high cost housing community" or "nonexempt local government".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that to comply with the Act's affordable housing plan requirements, no later than 4 years (rather than 36 months) after adopting or updating an affordable housing plan the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Restores the number of members on the State Housing Appeals Board to 7 (rather than reducing the number to 5). Provides that the Board shall include a retired circuit judge, a retired appellate judge, a current or retired administrative law judge, or a practicing or retired attorney with experience in the area of land use law or related field, who shall act as chairperson (rather than a current or retired circuit judge, appellate judge, administrative law judge, or attorney with experience in the area of land use law, who shall act as chairperson). Provides that 4 (rather than 3) of the Board members shall be selected from among certain categories. Includes an affordable housing developer among the possible selected members. Provides that at least 3 (rather than one) of the appointments shall be from a local government that is non-exempt under the Act. Provides that the initial terms of 4 (rather than 3 of the) members shall be for 2 years; and the initial terms of 3 (rather than 2 of the) members shall be for one year. Permits the following persons to file an appeal to the Board if a proposed affordable housing development was denied by a municipality or approved with conditions that in the appellant's judgment render the provision of affordable housing infeasible: (i) the affordable housing developer of the proposed affordable housing development; (ii) a person who would be eligible to apply for residency in the proposed affordable housing development; or (iii) a housing organization whose geographic focus area includes the municipality, or county if in an unincorporated area, where the proposed affordable housing development is located. Makes other changes.

Provides for the requirements of each program. Senate Floor Amendment No. 1

Provides that the purpose of the Stabilization Support Pilot Programs Article is to decrease the number of admissions to State developmental centers (rather than to decrease the number of admissions to and transitions from State developmental centers).

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the Long-Term Stabilization Support Program and the Short-Term Stabilization Support Program, provides that an individual receiving program services may request alternate placement when the wants or needs of the individual, as reflected in the individual's personal plan, would be better served in another setting along the full spectrum of care. Provides that if an individual or other designated persons, if applicable, in conjunction with the independent service coordination agency, the provider, and clinical staff, believe the individual's wants or needs, as reflected in the individual's personal plan, would be better served in an alternate setting along the full spectrum of care, those opportunities shall be discussed as they are identified. Permits such a request to be made at any point during a specified time period or at the conclusion of that period, when assessing whether continued participation in the program would be appropriate for the individual. Removes provisions requiring the Department of Human Services to submit annual reports to the General Assembly and the Governor on the progress and effectiveness of the programs. Instead requires the Department to publish quarterly reports, beginning March 31, 2025, on the number of individuals participating in the programs and other data. Provides that the reports shall be submitted to the General Assembly.

Amends the Hospital Services Trust Fund Article of the Illinois Public Aid Code. Increases by 20% hospital reimbursement rates for dates of service on and after January 1, 2024, for specified services, including, but not limited to: inpatient general acute care services; inpatient psychiatric services for safety-net hospitals; general acute care hospitals that are not safety-net hospitals; and outpatient general acute care services. Provides that the rates for the listed services shall be increased, beginning on January 1, 2025 and each January 1 thereafter, based on the annual increase in the national hospital market basket price proxies (DRI) hospital cost index from the midpoint of the calendar year 2 years prior to the current year, to the midpoint of the preceding calendar year. Provides that in no instance shall the adjustment result in a reduction to the rates in place at the time of the required adjustment. Provides that if the federal Centers for Medicare and Medicaid Services finds that the increases required under the amendatory Act would result in rates of reimbursement which exceed the federal maximum limits applicable to hospital payments, then the payments and assessment tax imposed on hospital providers shall be reduced as provided in the Hospital Provider Funding Article. Requires the Department of Healthcare and Family Services to promptly take all actions necessary to ensure the changes authorized in the amendatory Act are in effect for dates of service on and after January 1, 2024. Requires the Department to ensure that all necessary adjustments to the managed care organization capitation base rates necessitated by the adjustments in the amendatory Act are completed, published, and applied 90 days prior to the implementation date of the changes required under the amendatory Act. Provides that, by October 1, 2023, the Department shall by rule implement a methodology effective for dates of service beginning on and after January 1, 2024 to reimburse hospitals for extended stays in a hospital emergency department. Amends the Illinois Administrative Procedure Act. Grants the Department emergency rulemaking authority. Effective immediately.

New Act

30 ILCS 805/8.47 new

Creates the Government Zero Emission Vehicle Act. Defines terms. Provides that all vehicles owned by a governmental unit must either be a manufactured zero-emission vehicle or converted into a zero-emission vehicle no later than January 1, 2045. Requires the Environmental Protection Agency to adopt rules to implement the Act. Provides that the rules may include requirements for all governmental units to gradually reduce the percentage of vehicles that are not zero-emission vehicles up through January 1, 2045. Limits the concurrent exercise of home rule powers. Amends the State Mandates Act to require implementation without reimbursement.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that any vehicle owned by a governmental unit must either be a manufactured zero-emissions vehicle or converted into a zero-emissions vehicle no later than January 1, 2045. Establishes that all vehicles purchased or leased by a governmental unit after January 1, 2025, must be a zero-emissions vehicle or converted zero-emissions vehicle. Provides that a "zero-emissions" vehicle means a passenger (rather than a passenger and commercial) motor vehicle that produces zero exhaust emissions of any criteria pollutant, precursor pollutant, or greenhouse gas, but only produces water vapor, in any mode of operation or condition, as determined by the Agency. Requires the Environmental Protection Agency to adopt rules to implement and enforce the Act.

705 ILCS 405/2-3 from Ch. 37, par. 802-3
720 ILCS 5/12C-10 was 720 ILCS 5/12-21.5

Amends the Juvenile Court Act of 1987. Provides that a neglected minor includes any minor (rather than a minor under 14 years) whose parent or other person responsible for the minor's welfare leaves the minor without supervision for an unreasonable period of time without regard for the mental or physical health, safety, or welfare of that minor. Provides that a minor shall not be considered neglected for the sole reason that the minor was engaged in independent activities, except if the person responsible for the minor's health, safety, or welfare willfully disregards danger that the independent activity poses to the physical or mental health of the minor under circumstances when the danger is sufficiently obvious that no reasonable person would cause or permit the minor to be unsupervised in such a situation given the minor's level of maturity, physical condition, or mental abilities. Provides factors that must be considered in determining if a minor's needs can be sufficiently met during an independent activity. Amends the Criminal Code of 2012 to change the child abandonment statute. Deletes language providing that a person commits child abandonment by leaving a child who is under the age of 13 without supervision by a responsible person over the age of 14 for a period of 24 hours or more. Provides instead that a person commits child abandonment when he or she, as a parent, guardian, or other person having physical custody or control of a child, without regard for the mental or physical health, safety, or welfare of that child, knowingly permits a child to engage in independent activities that were unreasonable under the circumstances or for an unreasonable period of time without regard for the minor's mental or physical health, safety or well-being. Provides that no specific age shall be determinative of reasonableness, and that reasonableness shall be determined by the maturity of each individual child. Effective immediately.

Senate Committee Amendment No. 1

Provides that the definition of "neglected minor" includes any minor under 18 years of age or a minor 18 years of age or older for whom the court has made a finding of probable cause to believe that the minor is abused, neglected, or dependent prior to the minor's 18th birthday who is subject to the various conditions of neglect under the statute.

New Act

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. Allows any party aggrieved by a violation of the Act to bring an action against any limited services pregnancy center that has committed such a violation, in which the court may award actual damages and any other relief the court deems proper. 750 ILCS 50/10

from Ch. 40, par. 1512

Amends the Abandoned Newborn Infant Protection Act. Replaces all instances of "child-placing agency" or "child placing agency" with "child welfare agency". In provisions concerning the Department of Children and Family Services' State Central Registry of child welfare agencies willing to take legal custody of relinquished newborn infants, provides that within 3 business days after accepting a referral from the Department, the child welfare agency shall file a petition for custody and request that the agency be given the authority to place the infant in an adoptive home, foster home, child care facility, or other facility appropriate for the needs of the infant. Prohibits filing or appearance fees for the petitioner. Provides that any issued custody order shall grant the child welfare agency the authority to make medical and health-related decisions for the infant. Provides that any infant who receives emergency or medical care under the Act shall be deemed presumptively eligible for medicaid assistance under the Illinois Public Aid Code. Provides that any health care provider or child welfare agency that provides medical services to an infant under the Act shall send all bills related to those medical services directly to the Department of Healthcare and Family Services for reimbursement. Makes conforming changes to the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to submit for federal approval any waiver application or State Plan amendment as may be necessary to implement the presumptive eligibility provisions of the amendatory Act. Further amends the Abandoned Newborn Infant Protection Act by requiring a fire station or emergency medical facility that accepts a relinquished infant to inform the infant's parent of the name and location of the hospital to which the infant was transported if the parent returns to reclaim the infant within 30 days (rather than 72 hours) after relinquishing the infant. Amends the Immunization Data Registry Act, the Illinois Parentage Act of 2015, and the Adoption Act by replacing instances of "child-placing agency" or "child placing agency" with "child welfare agency".

Senate Committee Amendment No. 1

Further amends the Abandoned Newborn Infant Protection Act. In a provision setting forth the purpose of the Act, restores language providing that the Act is intended to provide a mechanism for the parents of a relinquished infant to remain anonymous if they choose.

SB 01999 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Further amends the Abandoned Newborn Infant Protection Act. In a provision concerning a relinquished newborn infant under the temporary custody of a hospital, provides that the hospital shall provide all available medical records and information to the Department of Children and Family Services and the child welfare agency that has accepted the referral of the infant. Removes a provision making relinquished infants presumptively eligible for medical assistance under Article V of the Illinois Public Aid Code. Provides that if the person who relinquished or a person claiming to be the parent of a newborn infant (rather than the parent of a newborn infant) returns to reclaim the infant (rather than child) within 30 days after the infant was relinquished to a fire station, emergency medical facility, or police station, then the fire station, emergency medical facility, or police station must inform such person (rather than the parent) of the name and location of the hospital to which the infant was transported. Requires a hospital, police station, fire station, or emergency medical facility that accepts a relinquished infant to offer the relinquishing person information about the relinquishment process and other information. Provides that the failure to provide such information or the failure of the relinquishing person to accept such information shall not invalidate the relinquishment under the Act. In a provision concerning relinquished infants eligibility for medical assistance under Article V of the Illinois Public Aid Code, requires a hospital to complete and submit an application for medical assistance on behalf of a relinquished infant and permits the Department of Healthcare and Family Services to adopt rules. Makes changes concerning searches of the Illinois Putative Father Registry, petitions for return of custody, and other matters. Defines "parent", "biological parent", and "birth parent". Removes amendatory changes made to the Medical Assistance Article of the Illinois Public Aid Code concerning presumptive eligibility under the medical assistance program for relinquished infants.

20 ILCS 505/8 from Ch. 23, par. 5008

Amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to award post-secondary education scholarships and fee waivers to eligible students, removes a provision that conditions the renewal of awarded scholarships and fee waivers on students continuing to work toward graduation. Instead provides that while students shall not be required to maintain a specified minimum grade point average to continue to receive scholarships and fee waivers, students must be making satisfactory progress toward completing their degree at a community college, university, or college. Requires the Department to adopt rules identifying the criteria for "satisfactory progress toward completing a degree" (rather than the criteria for "continuing to work toward graduation"). Removes a provision requiring a community college or public university that an applicant attends to waive any tuition and fee amounts that exceed the amounts paid to the applicant under the State's Monetary Award Program. Effective immediately.

Senate Committee Amendment No. 1

Deletes reference to:

415 ILCS 80/6 new

Adds reference to:

New Act

Adds reference to:

30 ILCS 500/45-26

Replaces everything after the enacting clause. Creates the State Entities Single-Use Plastic Reporting Act. Requires, beginning July 1, 2024, each State agency to (i) track the purchase of single-use plastics on behalf of the State agency that do not require procurement contracts for one year, (ii) establish goals on reducing single-use plastic purchases based on the information obtained from the purchase tracking, and (iii) submit a report of its findings to the Governor and the General Assembly on or before October 1, 2025. Defines terms. Amends the Illinois Procurement Code. In a provision regarding environmentally preferable procurement: Removes language providing that if contracting for an environmentally preferable supply or service would impose an undue economic or practical hardship on the contracting State agency, or if an environmentally preferable supply or service cannot be used to meet the requirements of the State agency, then the State agency need not contract for an environmentally preferable supply or service. Provides instead that when a State agency is to award a contract to the lowest responsible bidder, an otherwise qualified bidder who will fulfill the contract through the use of compostable foodware or recyclable foodware may be given preference over other bidders unable to do so, as long as the bid is not more than 5% greater than the cost of products that are single-use plastic disposable foodware.

Senate Floor Amendment No. 2

Deletes reference to:

30 ILCS 500/45-26

Senator Laura Fine
SB 00058 (CONTINUED)

Replaces everything after the enacting clause with the provisions of Senate Amendment No. 1 with the following changes. Removes the definition of "single-use food serviceware". Defines "single-use plastic disposable foodware" as containers, bowls, straws, plates, trays, cartons, cups, lids, forks, spoons, knives, and other items that are designed for one-time use for beverages, prepared food, or leftovers from meals and that are made of plastic, are not compostable, and are not accepted in residential curbside recycling pick up. Replaces the term "single-use plastics" with "single-use plastic disposable foodware". Provides that beginning July 1, 2024, each State agency shall (1) track its own purchases of single-use plastic disposable foodware that are less than \$2,000 or otherwise not reduced to writing, and (2) establish goals on reducing single-use plastic disposable foodware purchases based on the tracked purchases. Removes the changes made to the Illinois Procurement Code. Repeals the Act on October 1, 2026.

House Floor Amendment No. 1

Adds reference to:

20 ILCS 1005/1005-170 new

Adds reference to:

30 ILCS 500/45-24 new

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill. Adds provisions amending the Illinois Procurement Code. Provides that, after January 1, 2025, State agencies and departments may not procure disposable food service containers that are composed in whole or in part from polystyrene foam for use at the State agency or department. Adds provisions amending the Department of Employment Security Law of the Civil Administrative Code of Illinois. Provides that the Department of Employment Security shall conduct a study on the potential impact on the workforce of the State of legislation prohibiting the sale and distribution of disposable food service containers composed in whole or in part of polystyrene foam. Effective immediately.

House Floor Amendment No. 2

Provides that after January 1, 2026, or at the renewal of its next contract, whichever occurs later, no vendor contracted through a State agency or department may provide customers with disposable food service containers that are composed in whole or in part from polystyrene foam at any site owned or leased by the State, and instead shall offer only compostable foodware or recyclable foodware for use at sites owned or leased by the State.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Central Management Services)

SB 0058, HAM #1, will have a negligible fiscal impact on CMS. However, CMS as an agency does not purchase Styrofoam. The greater impact will come from other State Agencies (ex ... DOC, OHS), that often deal with these types of containers. Compostable Styrofoam could increase across 30-50%, depending on the item.

House Floor Amendment No. 3

Deletes reference to:

20 ILCS 1005/1005-170 new

Makes changes to the bill as amended by House Amendment No. 1 by removing provisions concerning the polystyrene job study.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 00724 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In the Interagency Children's Behavioral Health Services Act, removes a provision requiring the behavioral health interagency agreement to require the contracting State agencies to identify children with significant and complex behavioral health needs who meet certain criteria. Instead provides that the interagency agreement shall set criteria to identify children whose cases will be presented to the Interagency Children's Behavioral Health Services Team for prioritized review. Lists certain criteria that shall be included in the interagency agreement. Provides that all information collected, shared, or stored pursuant to the Act shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. Provides that nothing in the Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers in Illinois to submit data, if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services, provides that all information collected, shared, or stored pursuant to that provision shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. In a provision requiring the Department of Human Services to develop a Youth and Community Services Program, provides that the program is to ensure that youth who come into contact or may come into contact with either the child welfare system or the juvenile justice system (rather than who come into contact or may come into contact with the child welfare and the juvenile justice systems) have access to needed community, prevention, diversion, emergency and independent living services. In provisions listing the Department's duties under the program, removes the duty to develop a statewide adoption awareness campaign aimed at pregnant teenagers. Adds the duty to establish temporary emergency placements for youth in crisis as defined by the Children's Behavioral Health Transformation Team (rather than the Department) through comprehensive community-based youth services provider grants. Sets forth certain requirements that such temporary emergency placements must meet. Provides that, once sufficient capacity has been developed, temporary emergency placements must also include temporary emergency placement shelters provided under the Comprehensive Community-Based Youth Services program, shall be managed by Comprehensive Community-Based Youth Services provider organizations, and shall be available to house youth receiving interim 24/7 crisis intervention services. Provides that nothing in the amendatory Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Juvenile Court Act of 1987. Provides that no minor shall be sheltered in a temporary living arrangement for more than 21 business days (rather than 21 days). Provides that if at any time during the crisis intervention there is a concern that the minor has experienced abuse or neglect, the Comprehensive Community Based-Youth Services provider shall contact the Department of Children and Family Services as provided in the Abused and Neglected Child Reporting Act. Amends the Mental Health and Developmental Disabilities Administrative Act. Requires the Department of Human Services to establish and maintain a public-facing Care Portal to serve as a centralized resource for families with children who have significant and complex behavioral health needs. Effective immediately.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. 305 ILCS 65/15 new

Amends the Early Mental Health and Addictions Treatment Act. Requires the Department of Human Services to implement a 2-year pilot program to provide FDA-approved 8-milligram naloxone nasal spray kits to licensed community substance use providers and public health departments in Cook County, DuPage County, Winnebago County, Sangamon County, and St. Clair County. Requires the Department to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program. Provides that the data collected must also include the number of overdose reversals and deaths following the administration of the 8-milligram naloxone nasal spray. Requires the Department to prepare a report on the results of the 2-year pilot program and submit the report to the General Assembly by July 1, 2026. Effective January 1, 2024.

Senate Committee Amendment No. 1

In a provision requiring the Department of Human Services to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency service providers and bystanders during the 2-year pilot program, provides that the data must (i) include the number of individuals who survived as a result of the 8-milligram naloxone nasal spray intervention and those who became deceased and (ii) include the number of opioid overdose reversals attributed to the administration of the 8-milligram naloxone nasal spray intervention, by county (rather than requiring that the data collected must also include the number of individuals who survived an opioid overdose after receiving the 8-milligram naloxone nasal spray and the number of individuals who died of an opioid overdose after receiving the 8-milligram naloxone nasal spray).

House Floor Amendment No. 1

Removes a provision requiring the Department of Human Services to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program.
