Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. 20 ILCS 2630/3.2 from Ch. 38, par. 206-3.2

Amends the Criminal Identification Act. Creates procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In the new procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility, provides that the procedures are an exception to the other requirements of the existing provisions. In the procedure regarding notification of law enforcement of a sexual assault survivor, provides that the healthcare provider must advise the survivor about the options for timing of the law enforcement notification, ask the survivor if the survivor has been threatened, and offer to connect the survivor with a rape crisis center for safety planning, if appropriate, and provides that the documentation required to show a survivor's decision regarding notification of law enforcement must include confirmation that the healthcare provider asked the survivor if the survivor has been threatened. Moves language stating that the provisions do not change the obligations of mandated reporters under specified Acts. Provides that nothing in the provisions require a delay in notification of law enforcement by the Department of Children and Family Services, Adult Protective Services, or any other agency receiving a mandated report.

Senate Floor Amendment No. 3

Amends the Illinois Torture Inquiry and Relief Commission Act. In the definition of "claim of torture": provides that it also means a third party was tortured into implicating a person for the crime for which the person was convicted; provides that it also means a witness statement was used to obtain the conviction; and removes language providing that the allegations of torture occur within a county of more than 3,000,000 inhabitants. Defines "torture" as: any act by which severe pain or suffering, whether physical or mental, is intentionally inflicted on a person; any pain or suffering that is intentionally inflicted on a person for such purposes as obtaining from that person a confession or information about a third party; any pain or suffering that is intentionally inflicted on a person for purposes of punishing a suspected act by that person; or any intimidation or coercion for any reason based on discrimination of any kind. Requires the Torture Inquiry and Relief Commission to determine the resources necessary to assess the credibility or lack thereof of each claim within 2 years after the date upon the claim was received, and to make a report of its findings to the Governor and the General Assembly. Repeals a provision providing that the Act applies to claims of torture filed not later than 10 years after the effective date of the Act (August 10, 2009). Makes conforming changes.

Senator Robert Peters
SB 01463 (CONTINUED)

Amends the Juvenile Court Act of 1987. Provides that the court shall not order any assessments, such as fees, fines, or administrative costs, except for assessments made in traffic, boating, or fish and game law, or municipal ordinance violations as provided in the Act, against a minor subject to the Minors Requiring Authoritative Intervention Article, Addicted Minors Article, or Delinquent Minors Article of the Act or against the minor's parent, guardian, or legal custodian. Provides that, except for assessments made in traffic, boating, or fish and game law, or municipal ordinance violations as provided in the Act, any judgment, order, agreement, or other legally enforceable encumbrance directing a minor or his or her parent, guardian, or legal custodian to pay assessments prior to the effective date of the amendatory Act is null, void, and not collectible if there remains a balance due, including interest, penalties, or collection fees. Provides that, if the court orders community service for the minor, community service shall not interfere with the school hours, school-related activities, or work commitments of the minor or the minor's parent, guardian, or legal custodian. Provides that, one year after the effective date of the amendatory Act, the Administrative Office of the Illinois Courts shall report to the General Assembly: (1) the number of judgments, orders, agreements, or other legally enforceable encumbrances vacated pursuant to this provision in each judicial district; and (2) the total balances of fees, fines, and administrative costs vacated in each judicial district. Makes other changes. Amends various other Acts to make conforming changes. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that if the minor or the minor's parent, guardian, or legal custodian is unable to cover the cost of a condition of the minor's continuance under supervision, the court shall not preclude the minor from receiving continuance under supervision based on the inability to pay. Provides that if the minor or the minor's parent, guardian, or legal custodian is unable to cover the cost of a condition of probation or conditional discharge, the court shall not preclude the minor from receiving probation, conditional discharge, or supervision based on the inability to pay. Provides that inability to pay shall not be grounds to object to the minor's placement on a continuance under supervision. Provides that the inability of a minor, or minor's parent, guardian, or legal custodian, to cover the costs associated with an appropriate sentencing order shall not be the basis for the court to enter a sentencing order incongruent with the court's findings regarding the offense on which the minor was adjudicated or the mitigating factors. Effective immediately.

House Committee Amendment No. 1

Adds reference to:

705 ILCS 405/1-8

Adds reference to:

730 ILCS 5/5-9-3

from Ch. 38, par. 1005-9-3

Provides that, except for restitution and assessments issued for adjudications of traffic, boating, or fish and game law, or a municipal or county ordinance, fines and assessments, such as fees or administrative costs, shall not be ordered or imposed on the following individuals as of the effective date of the amendatory Act: (1) a minor subject to the Minors Requiring Authoritative Intervention, Addicted Minors, or Delinquent Minors Articles of the Juvenile Court Act of 1987, or the minor's parent, guardian, or legal custodian; or (2) a minor under the age of 18 transferred to adult court or excluded from juvenile court jurisdiction under the delinquency Article of the Juvenile Court Act of 1987, or the minor's parent, guardian, or legal custodian. Deletes from the confidentiality provisions of the Juvenile Court Act of 1987 permitting access to juvenile court records by collection agencies, contracted or otherwise engaged by a governmental entity, to collect any debts due and owing to the governmental entity. In the fine default provisions of the Unified Code of Corrections, provides that the provisions do not apply against a minor or the minor's parent, guardian, or legal custodian in cases subject to the Minors Requiring Authoritative Intervention, Addicted Minors, or Delinquent Minors Articles of the Juvenile Court Act of 1987, or a minor under the age of 18 transferred to adult court or excluded from juvenile court jurisdiction under Article V of the Juvenile Court Act of 1987.

Correctional Note (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

Fiscal Note (Admin Office of the Illinois Courts)

Based on a review of SB1463, as amended by House Amendment 1, it is not possible to determine what fiscal impact, if any, the bill would have on state appropriations to the judicial branch or what fiscal impact, if any, the bill would have on local judicial budgets.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of SB1463, as amended by House Amendment 1, the legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

SB 1463 HA#1 does not create a State Mandate under the State Mandates Act.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1463, HA 1; therefore, there are no appraisals to be filed.

Senator Robert Peters
SB 01463 (CONTINUED)

State Debt Impact Note (Government Forecasting & Accountability)

SB 1463, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1463, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1463, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Home Rule Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1463 HA#1 does not pre-empt home rule authority.

Replaces everything after the enacting clause. Amends the Illinois Power Agency Act. Changes the definitions of "community renewable generation project", "distributed renewable energy generation device", and "renewable energy resources". Defines "hydropower", "modernized", and "retooled". Provides that the Illinois Power Agency is authorized to oversee the procurement by electric utilities of renewable energy credits from newly modernized or retooled hydropower dams or dams that have been converted to support hydropower generation. Provides that in developing the long-term renewable resources procurement plan: the Agency shall also consider other approaches, in addition to competitive procurements, to procure renewable energy credits from new and existing hydropower facilities to support the development and maintenance of these facilities; and the Agency shall explore options to convert existing dams but shall not consider approaches to develop new dams where they do not already exist. Provides that on and after the effective date of the amendatory Act, for all procurements of renewable energy credits from hydropower facilities, the Agency shall establish contract terms designed to optimize existing hydropower facilities through modernization or retooling and establish new hydropower facilities at existing dams, and that such procurements shall prioritize projects located in or adjacent to designated environmental justice communities or in projects located in units of local government with median incomes that do not exceed 82% of the median income of the State. Provides that all new, modernized, or retooled hydropower facilities are subject to the prevailing wage requirements under the Prevailing Wage Act. Makes other changes. SB 01999 (CONTINUED)

Amends the Abandoned Newborn Infant Protection Act. Replaces all instances of "child-placing agency" or "child placing agency" with "child welfare agency". In provisions concerning the Department of Children and Family Services' State Central Registry of child welfare agencies willing to take legal custody of relinquished newborn infants, provides that within 3 business days after accepting a referral from the Department, the child welfare agency shall file a petition for custody and request that the agency be given the authority to place the infant in an adoptive home, foster home, child care facility, or other facility appropriate for the needs of the infant. Prohibits filing or appearance fees for the petitioner. Provides that any issued custody order shall grant the child welfare agency the authority to make medical and health-related decisions for the infant. Provides that any infant who receives emergency or medical care under the Act shall be deemed presumptively eligible for medicaid assistance under the Illinois Public Aid Code. Provides that any health care provider or child welfare agency that provides medical services to an infant under the Act shall send all bills related to those medical services directly to the Department of Healthcare and Family Services for reimbursement. Makes conforming changes to the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to submit for federal approval any waiver application or State Plan amendment as may be necessary to implement the presumptive eligibility provisions of the amendatory Act. Further amends the Abandoned Newborn Infant Protection Act by requiring a fire station or emergency medical facility that accepts a relinquished infant to inform the infant's parent of the name and location of the hospital to which the infant was transported if the parent returns to reclaim the infant within 30 days (rather than 72 hours) after relinquishing the infant. Amends the Immunization Data Registry Act, the Illinois Parentage Act of 2015, and the Adoption Act by replacing instances of "child-placing agency" or "child placing agency" with "child welfare agency".

Senate Committee Amendment No. 1

Further amends the Abandoned Newborn Infant Protection Act. In a provision setting forth the purpose of the Act, restores language providing that the Act is intended to provide a mechanism for the parents of a relinquished infant to remain anonymous if they choose.

325 ILCS 2/65

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Further amends the Abandoned Newborn Infant Protection Act. In a provision concerning a relinquished newborn infant under the temporary custody of a hospital, provides that the hospital shall provide all available medical records and information to the Department of Children and Family Services and the child welfare agency that has accepted the referral of the infant. Removes a provision making relinquished infants presumptively eligible for medical assistance under Article V of the Illinois Public Aid Code. Provides that if the person who relinquished or a person claiming to be the parent of a newborn infant (rather than the parent of a newborn infant) returns to reclaim the infant (rather than child) within 30 days after the infant was relinquished to a fire station, emergency medical facility, or police station, then the fire station, emergency medical facility, or police station must inform such person (rather than the parent) of the name and location of the hospital to which the infant was transported. Requires a hospital, police station, fire station, or emergency medical facility that accepts a relinquished infant to offer the relinquishing person information about the relinquishment process and other information. Provides that the failure to provide such information or the failure of the relinquishing person to accept such information shall not invalidate the relinquishment under the Act. In a provision concerning relinquished infants eligibility for medical assistance under Article V of the Illinois Public Aid Code, requires a hospital to complete and submit an application for medical assistance on behalf of a relinquished infant and permits the Department of Healthcare and Family Services to adopt rules. Makes changes concerning searches of the Illinois Putative Father Registry, petitions for return of custody, and other matters. Defines "parent", "biological parent", and "birth parent". Removes amendatory changes made to the Medical Assistance Article of the Illinois Public Aid Code concerning presumptive eligibility under the medical assistance program for relinquished infants.

Amends the Juvenile Court Act of 1987. Establishes procedures for determining whether a child is fit to stand trial. Provides that the procedures apply to a child under the age of 21, regardless of whether the person is subject to the Act or prosecuted under the criminal laws of the State. Provides that unfitness may result from the presence of any condition or confluence of conditions, including, but not limited to, mental illness, substance use disorder, developmental disability, chronological immaturity, relative immaturity, or child traumatic stress. Provides that a diagnosis is not required for a finding of unfitness. Provides that the Illinois Juvenile Justice Commission shall develop and recommend mechanisms to collect and analyze data, disaggregated by race, ethnicity, gender, geography, age, and socioeconomic status, resulting from the implementation of these provisions. Provides that the report and recommendations shall be submitted to the General Assembly on or before January 1, 2024. Contains a severability provision. Effective July 1, 2023.

Amends the Unified Code of Corrections. Provides that any person imprisoned in the penitentiary may, after serving 10 years or more of his or her sentence or cumulative sentences, submit a petition for sentencing review in the circuit court of the county in which he or she was originally sentenced. Provides that upon receipt of the petition and assignment to a judge, the judge shall determine within 30 days if the petitioner has sought filing in the appropriate court and has served 10 or more years of his or her sentence. If the court determines that either of those factors are not satisfied, it shall dismiss the petition and notify the petitioner of the reason for the dismissal. Provides that the State's Attorney must be afforded an opportunity to respond to the petition and the court shall provide the petitioner with the opportunity to reply to the petition. Provides that within 90 days after the filing of the petition for sentencing review, the court shall set the matter for a hearing. Provides that this date may be extended by motion of either party and at the court's discretion for good cause shown. Provides that at the sentencing review hearing the court shall consider certain factors. Provides that following the hearing, the court may affirm or reduce the petitioner's sentence and shall be authorized to depart downward from any mandatory minimum or mandatory sentence enhancement, taking into consideration certain mitigating factors. Provides that notwithstanding any provisions to the contrary, any offender who has petitioned the circuit court for sentencing review shall not be eligible to submit a second petition until at least 5 years have elapsed since the date on which the circuit court ruled upon the initial petition. Provides that these provisions shall operate retroactively to provide any person incarcerated for a crime or crimes committed, before the effective date of the amendatory Act, with the opportunity to file a motion for resentencing under these provisions under the terms provided in these provisions. Provides that notwithstanding anything else to the contrary, nothing in these provisions shall be construed to delay parole or mandatory supervised release consideration for petitioners who, prior to the effective date of the amendatory Act, are or will be eligible for release earlier than these provisions.

Amends the Criminal Identification Act. Provides that, in anticipation of the successful completion of a diversion program, a petitioner may file a petition for expungement at least 61 days before the anticipated dismissal of the case. Provides that, if a petition is filed, and upon the successful completion of the diversion program and dismissal of the case, the court shall review the petition and shall grant expungement if the petitioner meets all requirements. Amends the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act to make conforming changes.

Senate Committee Amendment No. 1

In provisions amending the Criminal Identification Act concerning time frames for filing a petition to expunge, provides that, in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, a petition for expungement may be filed 61 days or more before the anticipated dismissal of the case and, upon successful completion of the program and dismissal of the case, the court shall review the petition of the person graduating from the program and shall grant expungement if the petitioner meets all requirements as specified in any applicable statute. Makes grammatical changes and changes to cross-references. Adds an immediate effective date.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Corrects typographical errors in Senate Amendment No. 1 in the placement of provisions relating to the time frame for filing a petition to expunge in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, and provides that the petition may be filed 61 days before the anticipated dismissal of the case or any time thereafter (rather than 61 days or before the anticipated dismissal of the case). In the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act, provides that a participant may file a petition to expunge the associated records pursuant to the Criminal Identification Act, including filing a petition in advance of anticipated vacatur and dismissal (rather than file a petition to expunge vacated convictions and the associated underlying records under specified provisions of the Criminal Identification Act). Removes from those Acts a reference to filing the petition at least 61 days before the anticipated dismissal of a case. Effective immediately.

Amends the Crime Victims Compensation Act. Expands the definition of "applicant" under the Act. Adds to the definition of "victim" to include a grandparent solely for the purpose of compensating for pecuniary loss incurred for psychological treatment of a mental or emotional condition caused or aggravated by the crime. Provides that a victim or applicant who has been convicted of a felony not related to the crime for which the individual is seeking compensation, may apply for assistance under this Act at any time but no award of compensation may be considered or granted while the victim or applicant is held in a correctional institution. Authorizes the Attorney General to issue subpoenas to compel production of law enforcement reports maintained by law enforcement agencies. Prohibits the Attorney General's office from disclosing to the public law enforcement reports obtained from an applicant or victim under this Act. Allows the Attorney General and the Court of Claims to extend the time for reporting to law enforcement (for most crimes of violence it is now required to be reported within 72 hours of the crime), if the Attorney General determines that the extension is justified by extraordinary circumstances. Provides that an application based on an allegation of police misconduct causing the injury or death may not be denied solely because a police report was not made by the victim. Amends the Juvenile Court. Provides that nothing in the Act prohibits law enforcement agencies from disclosing law enforcement reports and records to the Attorney General to comply with the Crime Victims compensation Act. Makes other changes. Effective immediately, except that some Sections are effective January 1, 2025.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 to provide that law enforcement agencies may disclose law enforcement reports and records to the Attorney General to comply with the Crime Victims Compensation Act. Amends the Crime Victims Compensation Act. Defines "applicant", "crime of violence", "victim", "pecuniary loss", "dating relationship", and other terms. Provides that no compensation may be granted to an applicant under the Act while the applicant is held in a correctional institution. Provides that an applicant who is held in a correctional institution may apply for assistance under this Act at any time, but no award of compensation may be considered until the applicant is released. Authorizes the Attorney General to issue subpoenas to compel the production of law enforcement reports maintained by the enforcement agencies. Provides that if the victim or applicant has obtained an order of protection, a civil no contact order, or a stalking no contact order or the crime was allegedly committed by law enforcement use of force, it is appropriate notification if the applicant or victim has been treated by the medical provider or mental health provider. Creates criteria to determine whether an applicant has cooperated with law enforcement. Provides that an applicant may provide notification by being treated by a mental health provider for psychological injuries for injuries arising from violations of the Criminal Code of 2012 for trafficking, sex crimes, and bodily harm. Requires the mental health provider to perform an independent medical evaluation and provide an opinion regarding causation of those injuries. Creates criteria for the Attorney General to use in evaluating an applicant's cooperation. Provides that an applicant's failure to respond to the Attorney General or Court of Claims may result in the claim being closed without compensation. Provides that an award shall be reduced or denied to the extent by which the victim's behavior posed an imminent threat of death or serious bodily injury to a law enforcement officer and the victim's behavior was direct and proximate cause of the victim's injury in claims that a law enforcement officer's use of force caused the victim's injury or death. Makes other changes. Effective immediately, except certain provisions take effect January 1, 2025.

Replaces everything after the enacting clause. Amends the Illinois Pension Code. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles, but only with respect to a person who, on or after the effective date of the amendatory Act, is entitled under those Articles or through a participating system under the Retirement Systems Reciprocal Act to begin receiving a retirement annuity or survivor's annuity and who elects to proceed under the Retirement Systems Reciprocal Act. In the Chicago Police Article of the Code, removes a birthdate restriction on eligibility at age 55 for a 3% automatic annual increase in retirement annuity that is not subject to a maximum increase of 30% and specifies the timing of an initial increase in retirement annuity for persons who have not received the initial increase before January 1, 2023. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB 1956, as amended by HA 001, would grant an annual 3% non-compounded cost-of-living adjustment (COLA) to all Tier 1 Chicago Police retirees who reach age 55 with 20 years of service. This change would have a significant fiscal impact upon the pension fund. An actuarial study would be required to determine the precise fiscal impact. As of December 31, 2021, the pension fund had an unfunded liability of approximately \$12 billion, and a funded ratio of 24.9%. Regarding the expansion of reciprocal service, CGFA staff has consulted with the systems most likely to have members who would receive reciprocal annuities comprised of service with the Chicago Police, Chicago Fire, and the Downstate Fire pension funds. IMRF and SERS do not anticipate a significant actuarial cost due to bringing these funds under the ambit of the Reciprocal Act. The Cook County Pension Fund says that some increased liability is possible, but the extent of the increase cannot be known as the number of members who would receive proportional annuities between the impacted funds is not known.

Fiscal Note (Department of Insurance)

This legislation poses no impact, fiscal or otherwise to the Department of Insurance.

SB 01999 (CONTINUED)

Amends the Abandoned Newborn Infant Protection Act. Replaces all instances of "child-placing agency" or "child placing agency" with "child welfare agency". In provisions concerning the Department of Children and Family Services' State Central Registry of child welfare agencies willing to take legal custody of relinquished newborn infants, provides that within 3 business days after accepting a referral from the Department, the child welfare agency shall file a petition for custody and request that the agency be given the authority to place the infant in an adoptive home, foster home, child care facility, or other facility appropriate for the needs of the infant. Prohibits filing or appearance fees for the petitioner. Provides that any issued custody order shall grant the child welfare agency the authority to make medical and health-related decisions for the infant. Provides that any infant who receives emergency or medical care under the Act shall be deemed presumptively eligible for medicaid assistance under the Illinois Public Aid Code. Provides that any health care provider or child welfare agency that provides medical services to an infant under the Act shall send all bills related to those medical services directly to the Department of Healthcare and Family Services for reimbursement. Makes conforming changes to the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to submit for federal approval any waiver application or State Plan amendment as may be necessary to implement the presumptive eligibility provisions of the amendatory Act. Further amends the Abandoned Newborn Infant Protection Act by requiring a fire station or emergency medical facility that accepts a relinquished infant to inform the infant's parent of the name and location of the hospital to which the infant was transported if the parent returns to reclaim the infant within 30 days (rather than 72 hours) after relinquishing the infant. Amends the Immunization Data Registry Act, the Illinois Parentage Act of 2015, and the Adoption Act by replacing instances of "child-placing agency" or "child placing agency" with "child welfare agency".

Senate Committee Amendment No. 1

Further amends the Abandoned Newborn Infant Protection Act. In a provision setting forth the purpose of the Act, restores language providing that the Act is intended to provide a mechanism for the parents of a relinquished infant to remain anonymous if they choose.

House Floor Amendment No. 1

325 ILCS 2/65

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Further amends the Abandoned Newborn Infant Protection Act. In a provision concerning a relinquished newborn infant under the temporary custody of a hospital, provides that the hospital shall provide all available medical records and information to the Department of Children and Family Services and the child welfare agency that has accepted the referral of the infant. Removes a provision making relinquished infants presumptively eligible for medical assistance under Article V of the Illinois Public Aid Code. Provides that if the person who relinquished or a person claiming to be the parent of a newborn infant (rather than the parent of a newborn infant) returns to reclaim the infant (rather than child) within 30 days after the infant was relinquished to a fire station, emergency medical facility, or police station, then the fire station, emergency medical facility, or police station must inform such person (rather than the parent) of the name and location of the hospital to which the infant was transported. Requires a hospital, police station, fire station, or emergency medical facility that accepts a relinquished infant to offer the relinquishing person information about the relinquishment process and other information. Provides that the failure to provide such information or the failure of the relinquishing person to accept such information shall not invalidate the relinquishment under the Act. In a provision concerning relinquished infants eligibility for medical assistance under Article V of the Illinois Public Aid Code, requires a hospital to complete and submit an application for medical assistance on behalf of a relinquished infant and permits the Department of Healthcare and Family Services to adopt rules. Makes changes concerning searches of the Illinois Putative Father Registry, petitions for return of custody, and other matters. Defines "parent", "biological parent", and "birth parent". Removes amendatory changes made to the Medical Assistance Article of the Illinois Public Aid Code concerning presumptive eligibility under the medical assistance program for relinquished infants.

from Ch. 85, par. 508.1

Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board shall conduct or approve training programs in crimes motivated by bias. Includes requirements for the training programs. Requires the training for new law enforcement officers and allows continuing education credits for current law enforcement officers who complete the training.

Senate Floor Amendment No. 2

Adds reference to:

20 ILCS 2605/2605-51

Amends the Illinois State Police Law of the Civil Administrative Code of Illinois. In provisions requiring the Division of the Academy and Training to provide training for State police officers in identifying, responding to, and reporting all hate crimes, (i) provides that "hate crimes" has the definition given to the term in a specified provision of the Criminal Code of 2012; (ii) provides that the training curriculum may include material to help officers distinguish hate crimes from other crimes, to help officers in understanding and assisting victims of hate crimes, and to ensure that hate crimes will be accurately reported; and (iii) requires the Illinois State Police to review the training curriculum biennially and allows the Illinois State Police to consult with the Commission on Discrimination and Hate Crimes to update the training curriculum as needed.

Senate Floor Amendment No. 3

Deletes reference to:

50 ILCS 705/8.1 from Ch. 85, par. 508.1

Deletes reference to:

50 ILCS 705/8.2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as modified by Senate Amendment No. 2, with the following changes in the Illinois Police Training Act. In provisions requiring specified training to be completed before a full-time or part-time law enforcement or county corrections officer receives waiver approval, removes a requirement that the officer receive training for crimes motivated by bias. Provides that training for crimes motivated by bias is also part of an officer's minimum in-service training requirements. In provisions requiring the Illinois Law Enforcement Training Standards Board to develop or approve the training course for crimes motivated by bias, provides that the Board must approve at least one training course (rather than develop or approve a course). Provides that the Board must, within a reasonable time, update the course to conform with national trends and best practices (rather than the Board must review the approved course or courses every 3 years and update the approved courses). Encourages the Board to adopt model policies to assist law enforcement agencies in developing policies related to hate crimes and crimes motivated by violence, and allows the Board to consult with the Commission on Discrimination and Hate Crimes or other entities to develop the policies. Requires the Board to periodically conduct an educational conference to inform and sensitize chief law enforcement officers, community service providers, and other interested persons to the law enforcement issues associated with bias crimes (removing provisions relating to providing instructional materials to chief law enforcement officers and provisions requiring chief law enforcement officers to encourage law enforcement officers to complete the in-service training). Allows the Board to partner with other public or private entities to sponsor and conduct these conferences.

20 ILCS 2630/3.2 from Ch. 38, par. 206-3.2

Amends the Criminal Identification Act. Creates procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In the new procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility, provides that the procedures are an exception to the other requirements of the existing provisions. In the procedure regarding notification of law enforcement of a sexual assault survivor, provides that the healthcare provider must advise the survivor about the options for timing of the law enforcement notification, ask the survivor if the survivor has been threatened, and offer to connect the survivor with a rape crisis center for safety planning, if appropriate, and provides that the documentation required to show a survivor's decision regarding notification of law enforcement must include confirmation that the healthcare provider asked the survivor if the survivor has been threatened. Moves language stating that the provisions do not change the obligations of mandated reporters under specified Acts. Provides that nothing in the provisions require a delay in notification of law enforcement by the Department of Children and Family Services, Adult Protective Services, or any other agency receiving a mandated report.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the language applies to sexual assault survivors age 13 or older (rather than all sexual assault survivors). In the new procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility, provides that the procedures are an exception to the other requirements of the existing provisions. In the procedure regarding notification of law enforcement of a sexual assault survivor, provides that the health care provider must advise the survivor about the options for timing of the law enforcement notification, ask the survivor if the survivor has been threatened, and offer to connect the survivor with a rape crisis center for safety planning, if appropriate, and provides that the documentation required to show a survivor's decision regarding notification of law enforcement must include confirmation that the health care provider asked the survivor if the survivor has been threatened. Replaces everything after the enacting clause. Creates the Interagency Children's Behavioral Health Services Act. Provides that the Act establishes a Children's Behavioral Health Transformation Officer (Officer). Requires the Officer to lead the State's comprehensive, interagency effort to ensure that youth with significant and complex behavioral health needs receive appropriate community and residential services and that the State-supported system is transparent and easier for youth and their families to navigate. Establishes the Interagency Children's Behavioral Health Services Team to find appropriate services, residential treatment, and support for children identified by each participating agency as requiring enhanced agency collaboration to identify and obtain treatment in a residential setting. Provides that the responsibilities of each participating agency shall be outlined in an interagency agreement. Requires the Department of Children of Family Services, and other specified agencies, to enter into an interagency agreement. Amends the Children and Family Services Act. Requires the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers to submit data if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services from specified State agencies. Contains provisions concerning temporary emergency placements for youth in crisis. Amends the School Code. Requires the Department of Human Services to expand its selection of individuals from the Prioritization of Urgency of Need for Services database to include individuals who receive services through the Children and Young Adults with Developmental Disabilities - Support Waiver. Contains provisions concerning mental health screenings for students in kindergarten through grade 12. Amends the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to obtain input from specified State agencies and providers on leading indicators of elevated behavioral health crisis risk for children. Amends the Juvenile Court Act of 1987. Provides that no minor who is taken into limited custody shall be sheltered in a temporary living arrangement for more than 21 days, with certain exceptions. Makes other changes. Effective immediately.

House Floor Amendment No. 4

Senator Mike Simmons
SB 00724 (CONTINUED)

Adds reference to:

20 ILCS 1705/11.4 new

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In the Interagency Children's Behavioral Health Services Act, removes a provision requiring the behavioral health interagency agreement to require the contracting State agencies to identify children with significant and complex behavioral health needs who meet certain criteria. Instead provides that the interagency agreement shall set criteria to identify children whose cases will be presented to the Interagency Children's Behavioral Health Services Team for prioritized review. Lists certain criteria that shall be included in the interagency agreement. Provides that all information collected, shared, or stored pursuant to the Act shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. Provides that nothing in the Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers in Illinois to submit data, if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services, provides that all information collected, shared, or stored pursuant to that provision shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. In a provision requiring the Department of Human Services to develop a Youth and Community Services Program, provides that the program is to ensure that youth who come into contact or may come into contact with either the child welfare system or the juvenile justice system (rather than who come into contact or may come into contact with the child welfare and the juvenile justice systems) have access to needed community, prevention, diversion, emergency and independent living services. In provisions listing the Department's duties under the program, removes the duty to develop a statewide adoption awareness campaign aimed at pregnant teenagers. Adds the duty to establish temporary emergency placements for youth in crisis as defined by the Children's Behavioral Health Transformation Team (rather than the Department) through comprehensive community-based youth services provider grants. Sets forth certain requirements that such temporary emergency placements must meet. Provides that, once sufficient capacity has been developed, temporary emergency placements must also include temporary emergency placement shelters provided under the Comprehensive Community-Based Youth Services program, shall be managed by Comprehensive Community-Based Youth Services provider organizations, and shall be available to house youth receiving interim 24/7 crisis intervention services. Provides that nothing in the amendatory Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Juvenile Court Act of 1987. Provides that no minor shall be sheltered in a temporary living arrangement for more than 21 business days (rather than 21 days). Provides that if at any time during the crisis intervention there is a concern that the minor has experienced abuse or neglect, the Comprehensive Community Based-Youth Services provider shall contact the Department of Children and Family Services as provided in the Abused and Neglected Child Reporting Act. Amends the Mental Health and Developmental Disabilities Administrative Act. Requires the Department of Human Services to establish and maintain a public-facing Care Portal to serve as a centralized resource for families with children who have significant and complex behavioral health needs. Effective immediately.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. Provides that temporary emergency placements for youth in crisis must be licensed through the Department of Children and Family Services or, in the case of a foster home or host home (rather than in the case of a foster home), by the supervising child welfare agency.

Amends the Juvenile Court Act of 1987. Provides that the court shall not order any assessments, such as fees, fines, or administrative costs, except for assessments made in traffic, boating, or fish and game law, or municipal ordinance violations as provided in the Act, against a minor subject to the Minors Requiring Authoritative Intervention Article, Addicted Minors Article, or Delinquent Minors Article of the Act or against the minor's parent, guardian, or legal custodian. Provides that, except for assessments made in traffic, boating, or fish and game law, or municipal ordinance violations as provided in the Act, any judgment, order, agreement, or other legally enforceable encumbrance directing a minor or his or her parent, guardian, or legal custodian to pay assessments prior to the effective date of the amendatory Act is null, void, and not collectible if there remains a balance due, including interest, penalties, or collection fees. Provides that, if the court orders community service for the minor, community service shall not interfere with the school hours, school-related activities, or work commitments of the minor or the minor's parent, guardian, or legal custodian. Provides that, one year after the effective date of the amendatory Act, the Administrative Office of the Illinois Courts shall report to the General Assembly: (1) the number of judgments, orders, agreements, or other legally enforceable encumbrances vacated pursuant to this provision in each judicial district; and (2) the total balances of fees, fines, and administrative costs vacated in each judicial district. Makes other changes. Amends various other Acts to make conforming changes. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that if the minor or the minor's parent, guardian, or legal custodian is unable to cover the cost of a condition of the minor's continuance under supervision, the court shall not preclude the minor from receiving continuance under supervision based on the inability to pay. Provides that if the minor or the minor's parent, guardian, or legal custodian is unable to cover the cost of a condition of probation or conditional discharge, the court shall not preclude the minor from receiving probation, conditional discharge, or supervision based on the inability to pay. Provides that inability to pay shall not be grounds to object to the minor's placement on a continuance under supervision. Provides that the inability of a minor, or minor's parent, guardian, or legal custodian, to cover the costs associated with an appropriate sentencing order shall not be the basis for the court to enter a sentencing order incongruent with the court's findings regarding the offense on which the minor was adjudicated or the mitigating factors. Effective immediately.

Adds reference to:

730 ILCS 5/5-9-3 from Ch. 38, par. 1005-9-3

Provides that, except for restitution and assessments issued for adjudications of traffic, boating, or fish and game law, or a municipal or county ordinance, fines and assessments, such as fees or administrative costs, shall not be ordered or imposed on the following individuals as of the effective date of the amendatory Act: (1) a minor subject to the Minors Requiring Authoritative Intervention, Addicted Minors, or Delinquent Minors Articles of the Juvenile Court Act of 1987, or the minor's parent, guardian, or legal custodian; or (2) a minor under the age of 18 transferred to adult court or excluded from juvenile court jurisdiction under the delinquency Article of the Juvenile Court Act of 1987, or the minor's parent, guardian, or legal custodian. SB 1463 HA#1 does not create a State Mandate under the State Mandates Act.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1463, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1463, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1463, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1463, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Home Rule Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1463 HA#1 does not pre-empt home rule authority.

Amends the Election Code. Allows the State Board of Elections to receive voter registration information provided by applicants using electronic voter registration portals (rather than the Board's website). Provides that, notwithstanding any other provision of law, a person who is otherwise qualified to vote may preregister to vote on or after that person's 16th birthday, with the registration held in abeyance by the appropriate election authority until that individual attains the required age to vote. Requires preregistration to be completed using the online voter registration system or an electronic voter registration portal. Provides that, for the purposes of the Code, an individual who is 16 years of age or older (rather than who is 17 years of age and who will be 18 years of age on the date of the general or consolidated election) shall be deemed competent to execute and attest to any voter registration forms.

(Rep. Hoan Huynh-Abdelnasser Rashid-Martin J. Moylan-Kevin John Olickal, Daniel Didech and Joyce Mason)

Senator Mike Simmons
SB 01710 (CONTINUED)

Amends the Illinois Vehicle Code. Provides that the Department of Transportation along with local authorities or any responsible entity of a publicly owned bicycle trail in the State shall erect permanent signage alerting pedestrians or cyclists of vehicle crossings at least 250 feet before the crossing. In the event of an emergency or safety hazard, requires the Department, local authority, or responsible entity to erect temporary signage alerting pedestrians or cyclists of damage to the trail, maintenance being performed on the trail, or other temporary hazards along the trail.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that the authority having maintenance jurisdiction over publicly owned bicycle trails in the State shall erect permanent regulatory or warning signage alerting pedestrians or cyclists of a vehicle crossing. Provides that in the event of an emergency or safety hazard, the authority having maintenance jurisdiction over publicly owned bicycle trails shall erect temporary signage alerting pedestrians or cyclists of damage to the trail, maintenance being performed on the trail, or other temporary hazards along the trail. Requires the Department of Transportation with reference to State highways under its jurisdiction, and the local authority with reference to other highways under its jurisdiction, to erect permanent signage warning vehicular traffic in advance of bicycle trail crossings. Provides that signage erected shall conform with the State manual and permanent advanced warning signage shall be located at least 150 feet in advance of the crossing.

House Floor Amendment No. 3

Replaces everything after the enacting clause with provisions of the engrossed bill, and makes the following changes: Provides that "paved bicycle trails" includes trails accommodating bicycle traffic composed of aggregate, asphalt, bituminous treatment, concrete, crushed limestone, or any combination thereof. Provides that the authority having maintenance jurisdiction over publicly owned paved bicycle trails in the State shall erect permanent regulatory or warning signage alerting pedestrians or cyclists of highway (rather than vehicle) crossings. Establishes that if the authority having maintenance jurisdiction over publicly owned paved bicycle trails has actual knowledge of an emergency or safety hazard that creates a dangerous condition on a publicly owned paved bicycle trail, the authority shall take reasonable steps to erect temporary signage alerting pedestrians or cyclist of the dangerous condition (rather than damage to the trail, maintenance being performed on the trail, or other temporary hazards along the trail). Provides that the Department of Transportation with reference to State highways under its jurisdiction, and the local authority with reference to other highways under its jurisdiction, shall erect or install permanent signage or markings warning vehicular traffic in advance of bicycle trail crossings. Provides that the permanent signage erected or installed shall conform with the State manual and permanent advanced warning signage shall be located at least 150 feet in advance of the crossing. Provides that paved bicycle trail signage is not required on a rustic or primitive trail.

Fiscal Note (Office of the Comptroller)

IDOT's costs will include installing warning signs along highways in advance of bike trail crossings. IDOT predicts a maximum of \$50,000.

Pension Note, House Floor Amendment No. 3 (Government Forecasting & Accountability)

SB 1710, as amended by HA 3, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note, House Floor Amendment No. 3 (Government Forecasting & Accountability)

SB 1710, as amended by House Amendment 3, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note, House Floor Amendment No. 3 (Admin Office of the Illinois Courts)

Based on a review of SB1710 as amended by House Amendment 3, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Housing Affordability Impact Note, House Floor Amendment No. 3 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Home Rule Note, House Floor Amendment No. 3 (Dept. of Commerce & Economic Opportunity)

It is in the opinion of DCEO that SB 1710 HA # 3 does not pre-empt home rule authority as it involves traffic, an area of statewide concern that the state already heavily regulates.

Correctional Note, House Floor Amendment No. 3 (Dept of Corrections)

There is no corrections population impact on the Department of Corrections.

SB 01769 (CONTINUED)

Creates the Government Zero Emission Vehicle Act. Defines terms. Provides that all vehicles owned by a governmental unit must either be a manufactured zero-emission vehicle or converted into a zero-emission vehicle no later than January 1, 2045. Requires the Environmental Protection Agency to adopt rules to implement the Act. Provides that the rules may include requirements for all governmental units to gradually reduce the percentage of vehicles that are not zero-emission vehicles up through January 1, 2045. Limits the concurrent exercise of home rule powers. Amends the State Mandates Act to require implementation without reimbursement.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that any vehicle owned by a governmental unit must either be a manufactured zero-emissions vehicle or converted into a zero-emissions vehicle no later than January 1, 2045. Establishes that all vehicles purchased or leased by a governmental unit after January 1, 2025, must be a zero-emissions vehicle or converted zero-emissions vehicle. Provides that a "zero-emissions" vehicle means a passenger (rather than a passenger and commercial) motor vehicle that produces zero exhaust emissions of any criteria pollutant, precursor pollutant, or greenhouse gas, but only produces water vapor, in any mode of operation or condition, as determined by the Agency. Requires the Environmental Protection Agency to adopt rules to implement and enforce the Act.

Senate Floor Amendment No. 6

Deletes reference to:

30 ILCS 805/8.47 new

Replaces everything after the enacting clause with the provisions of Senate Amendment No. 5, and makes the following change: Removes the changes made to the States Mandates Act.

Senate Floor Amendment No. 7

Provides that, notwithstanding any other provision of law, beginning on January 1, 2030, all passenger vehicles, except law enforcement vehicles, purchased or leased by a governmental unit must either be a manufactured zero-emissions vehicle or a converted zero-emissions vehicle.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that "passenger vehicle" does not include vehicles purchased by the Department of Transportation as part of their consolidated vehicle procurement program.

New Act
820 ILCS 154/35 new

Senator Mike Simmons
SB 02034 (CONTINUED)

Creates the Child Extended Bereavement Leave Act. Provides that the Act may be referred to as Zachary's Parent Protection Act. Provides that an employee of a large employer that employs 250 or more full-time employees is entitled to use a maximum of 12 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that an employee of a small employer that employs at least 50 but fewer than 250 full-time employees is entitled to use a maximum of 6 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that leave may be taken in a single continuous period or intermittently in increments of no less than 4 hours, but leave must be completed within one year after the employee notifies the employer of the loss. Permits an employer to require reasonable advance notice of the employee's intention to leave and reasonable documentation. Provides that an employee who takes leave under the Act is entitled to be restored to the position of employment held by the employee when the leave commenced or to be restored to an equivalent position. Provides that nothing in the Act shall be construed to entitle any restored employee the accrual of any seniority or employment benefits during any period of leave. Provides that the Act does not extend the maximum period of leave to which an employee is entitled under the federal Family and Medical Leave Act of 1993 or under any other paid or unpaid leave provided under federal, State or local law, a collective bargaining agreement, or an employment benefits program or plan. Prohibits an employer from taking any adverse action against an employee who exercises his or her rights under the Act. Requires the Department of Labor to enforce the Act. Provides that a person who uses leave under either the Child Bereavement Leave Act or the Child Extended Bereavement Leave Act may not take leave under the other Act, and amends the Child Bereavement Leave Act accordingly.

Senate Floor Amendment No. 1

Provides that after concluding its investigation concerning the administration and enforcement of the Act, the Director of Labor shall notify all parties of the determination. Provides that the Director shall issue a notice of violation when the investigation has established that a violation of any part of the Act occurred or is occurring. Provides that the Department of Labor shall serve notice on the parties by certified U.S. mail, postage prepaid, return receipt requested, addressed to the last known address of the parties. Provides that within 20 days after the date of service, a party may request a hearing by certified mail or personal delivery to the Department. Provides that an employee who believes his or her rights under the Act have been violated may, within one year (rather than 60 days) after the date of the last event constituting the alleged violation for which the action is brought, file a complaint with the Department or file a civil action. In the definition of "employee" removes a provision that excludes a salaried employee who is among the highest paid 10% of the employees employed by the employer.

House Floor Amendment No. 1

Provides that the "Employee" does not include full-time employees of the State of Illinois, except for those employees who are not otherwise eligible for family responsibility leave or a leave of absence without pay.

SB 02175

Sen. Mike Simmons-Christopher Belt-Adriane Johnson, Elgie R. Sims, Jr., Mary Edly-Allen, Rachel Ventura and Karina Villa-Mattie Hunter
(Rep. Justin Slaughter-Rita Mayfield)

Senator Mike Simmons
SB 02175 (CONTINUED)

Amends the Code of Criminal Procedure of 1963. Provides that during the first 180 days following a person's release from a penal institution, a court shall not order the person to pay any outstanding fines, taxes, or costs arising from a criminal proceeding involving the person.

Judicial Note (Dept. of Human Services)

Based on a review of SB2175, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Correctional Note (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

SB 2175 does not create a State Mandate under the State Mandates Act.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 2175; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 2175, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 2175 will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 2175 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

SB 2175 does not pre-empt home rule authority.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or before December 31, 2025 that provides coverage for prescription drugs may not deny or limit coverage for prescription inhalers (instead of prescription inhalants) based upon any restriction on the number of days before an inhaler refill may be obtained if, contrary to those restrictions, the inhalants have been ordered or prescribed by the treating physician and are medically appropriate. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or after January 1, 2026 that provides coverage for prescription drugs shall limit the total amount that a covered person is required to pay for a covered prescription inhaler to an amount not to exceed \$25 per 30-day supply, and provides that nothing in the provisions prevents a group or individual policy of accident and health insurance or managed care plan from reducing a covered person's cost sharing to an amount less than the cap. Amends the Juvenile Court Act of 1987. Provides that a neglected minor includes any minor (rather than a minor under 14 years) whose parent or other person responsible for the minor's welfare leaves the minor without supervision for an unreasonable period of time without regard for the mental or physical health, safety, or welfare of that minor. Provides that a minor shall not be considered neglected for the sole reason that the minor was engaged in independent activities, except if the person responsible for the minor's health, safety, or welfare willfully disregards danger that the independent activity poses to the physical or mental health of the minor under circumstances when the danger is sufficiently obvious that no reasonable person would cause or permit the minor to be unsupervised in such a situation given the minor's level of maturity, physical condition, or mental abilities. Provides factors that must be considered in determining if a minor's needs can be sufficiently met during an independent activity. Amends the Criminal Code of 2012 to change the child abandonment statute. Deletes language providing that a person commits child abandonment by leaving a child who is under the age of 13 without supervision by a responsible person over the age of 14 for a period of 24 hours or more. Provides instead that a person commits child abandonment when he or she, as a parent, guardian, or other person having physical custody or control of a child, without regard for the mental or physical health, safety, or welfare of that child, knowingly permits a child to engage in independent activities that were unreasonable under the circumstances or for an unreasonable period of time without regard for the minor's mental or physical health, safety or well-being. Provides that no specific age shall be determinative of reasonableness, and that reasonableness shall be determined by the maturity of each individual child. Effective immediately.

Senate Committee Amendment No. 1

Provides that the definition of "neglected minor" includes any minor under 18 years of age or a minor 18 years of age or older for whom the court has made a finding of probable cause to believe that the minor is abused, neglected, or dependent prior to the minor's 18th birthday who is subject to the various conditions of neglect under the statute.

SB 03136 (CONTINUED)

Creates the Family Recovery Plans Implementation Task Force Act. Provides that it is the General Assembly's intent to require a coordinated, public health, and service-integrated response by various agencies within the State's health and child welfare systems to address the substance use treatment needs of infants born with prenatal substance exposure, as well as the treatment needs of their caregivers and families, by requiring the development, provision, and monitoring of family recovery plans. Creates the Family Recovery Plans Implementation Task Force within the Department of Human Services. Sets forth the duties of the Task Force, including reviewing models of family recovery plans that have been implemented in other states; and reviewing and developing recommendations to replace punitive policies with notification policies for health care professionals reporting a positive toxicology screen of a newborn. Contains provisions concerning Task Force membership, meetings, reporting requirements, and other matters. Amends the Abused and Neglected Child Reporting Act. Requires the Department of Children and Family Services to develop a standardized CAPTA notification form that is separate and distinct from the form for written confirmation reports of child abuse or neglect. Provides that a CAPTA notification shall not be treated as a report of suspected child abuse or neglect, shall not be recorded in the State Central Registry, and shall not be discoverable or admissible as evidence in any juvenile court or adoption proceeding unless the named party waives, in writing, his or her right to confidentiality. Repeals a provision requiring the Department to report to the State's Attorney every report of a newborn infant whose blood, urine, or meconium contains a prohibited controlled substance. Amends the Juvenile Court Act of 1987. Removes newborn infants whose blood, urine, or meconium contains any amount of a controlled substance from the list of children presumed neglected or abused under the Act. Makes corresponding changes to a provision listing the types of evidence that constitute prima facie evidence of neglect and to relevant provisions under the Adoption Act. Effective immediately, except that some parts take effect January 1, 2025.

New Act

820 ILCS 154/35 new

Creates the Child Extended Bereavement Leave Act. Provides that the Act may be referred to as Zachary's Parent Protection Act. Provides that an employee of a large employer that employs 250 or more full-time employees is entitled to use a maximum of 12 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that an employee of a small employer that employs at least 50 but fewer than 250 full-time employees is entitled to use a maximum of 6 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that leave may be taken in a single continuous period or intermittently in increments of no less than 4 hours, but leave must be completed within one year after the employee notifies the employer of the loss. Permits an employer to require reasonable advance notice of the employee's intention to leave and reasonable documentation. Provides that an employee who takes leave under the Act is entitled to be restored to the position of employment held by the employee when the leave commenced or to be restored to an equivalent position. Provides that nothing in the Act shall be construed to entitle any restored employee the accrual of any seniority or employment benefits during any period of leave. Provides that the Act does not extend the maximum period of leave to which an employee is entitled under the federal Family and Medical Leave Act of 1993 or under any other paid or unpaid leave provided under federal, State or local law, a collective bargaining agreement, or an employment benefits program or plan. Prohibits an employer from taking any adverse action against an employee who exercises his or her rights under the Act. Requires the Department of Labor to enforce the Act. Provides that a person who uses leave under either the Child Bereavement Leave Act or the Child Extended Bereavement Leave Act may not take leave under the other Act, and amends the Child Bereavement Leave Act accordingly.

Provides that the Department of Labor shall serve notice on the parties by certified U.S. mail, postage prepaid, return receipt requested, addressed to the last known address of the parties. Provides that within 20 days after the date of service, a party may request a hearing by certified mail or personal delivery to the Department. Replaces everything after the enacting clause. Amends the Mobile Home Landlord and Tenant Rights Act. Requires a mobile home park owner to provide written notice to the officers of the homeowners' association if the park is offered for sale including in the notice the price and terms and conditions of the sale. Provides that the mobile home owners, through their association, have the right to purchase the park if the association meets the terms of the contract within 60 days of the notice. Provides that if a contract has not been executed within that 60-day period, the park owner has no further obligations under this Act unless the owner thereafter offers the park for sale at a materially lower price than the price specified in the notice. Defines "materially lower price" as 20% or more lower than the initial offer of sale. Provides that the homeowners have 10 days to meet the terms of this lower offer. Makes a number of exemptions to this requirement. Authorizes the park owner to record in the county in which the park is located an affidavit that the owner has complied with the Act's requirements. Requires that if the homeowners wish to exercise the rights under this Act, they must form an association that must be a corporation or a not-for-profit corporation with the written consent of two-thirds of all of the mobile home owners. Makes requirements for matters to be included in the homeowners' association's articles of incorporation, bylaws, and power and duties. Makes other changes.

20 ILCS 2905/5 new

Amends the State Fire Marshal Act. Defines "fire-resistant material" and "fire-resistant material applicator". Provides that it is unlawful for a person to engage in business as a fire-resistant material applicator in this State without being certified by the Office of the State Fire Marshal. Establishes a civil penalty of up to \$250 for each violation of this prohibition. Requires the Office to regulate fire-resistant material applicators by developing and implementing a certification and certification renewal process, developing training requirements, and adopting necessary rules. Allows the Office to charge a certification fee and a certification renewal fee. Provides that registration as a fire-resistant material applicator must be renewed annually. Requires the Office to develop a list of grounds for revoking certification as a fire-resistant material applicator. Permits the Office to investigate allegations of actions that constitute grounds for revocation and may revoke certification if, in the Office's determination, a violation has occurred. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Changes the definition of "fire-resistant material". Changes the requirements of the Office of the State Fire Marshal. Removes language allowing the Office to charge a certification fee and a certification renewal fee for persons seeking certification. Removes language requiring the Office to adopt rules to implement and administer the provisions. Provides that if a person satisfactorily completes the training, the Office shall accept (rather than issue the person a certificate indicating) that he or she is certified to apply fire-resistant material. Requires a fire-resistant material applicator to renew his or her registration every 3 years (rather than annually). Removes language providing that the Office shall develop a list of grounds for revoking certification as a fire-resistant material applicator, and that the Office may investigate allegations of actions that constitute grounds for revocation and may revoke certification if a violation has occurred. Effective immediately.

Amends the Emergency Medical Services (EMS) Systems Act. Requires the Department of Public Health, within one year after the effective date of the amendatory Act, to adopt rules requiring all EMS personnel to be equipped by their employers with body cameras that record the interactions of those personnel with patients, emergency responders, and members of the public during service calls and to adopt rules requiring all ambulances, SEMSVs, and medical carriers to be equipped by their owners with dashboard cameras that record the operation of those vehicles by EMS personnel during service calls. Specifies that the rules adopted by the Department shall require the body cameras and dashboard cameras to be operational during all service calls and shall ensure that all recordings made by the body cameras and dashboard cameras are retained by employers and owners for at least 6 months after the date of the recording and are not capable of being modified or deleted during that retention period. Provides that recordings made with a body camera or dashboard camera are exempt from disclosure under the Freedom of Information Act except when requested by the person who made the service call or that person's attorney or personal representative or a law enforcement official. SB 01352 (CONTINUED)

Amends the Employment of Teachers Article of the School Code. In provisions concerning the termination of contractual continued service by a teacher, provides that a resignation submitted after the completion of the school year must be submitted a minimum of 30 calendar days prior to the first student attendance day of the following school year. With respect to the referral of a teacher to the State Superintendent of Education for terminating service not in accordance with these provisions, provides that if a school district intends to submit a referral to the State Superintendent, the district shall submit the referral to the State Superintendent within 10 business days after the school board denies acceptance of the resignation. Provides that the district shall notify the teacher that it submitted the referral to the State Superintendent within 5 business days after submitting the referral to the State Superintendent. Provides that the teacher shall receive a summary of the State Superintendent's evidentiary hearing no later than 14 days after the hearing is completed. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Defines "teaching assignment". Removes provisions allowing a teacher who has entered into contractual continued service to resign at any time by serving at least 30 days' written notice upon the secretary of the school board. Provides that outside of a school term, a resignation submitted by any teacher after the completion of the school year must be submitted in writing to the secretary of the board a minimum of 30 calendar days prior to the first student attendance day of the following school year or else the teacher will be deemed to have resigned during the school term (instead of providing that a resignation submitted after the completion of the school year must be submitted a minimum of 30 calendar days prior to the first student attendance day of the following school year). Provides that the State Superintendent of Education shall convene a hearing no later than 90 days after receipt of the required documentation from the school district (instead of no later than 90 days after receipt of a resolution by the board). Provides that the teacher shall receive a written determination from the State Superintendent or his or her designee no later than 14 days after the hearing is completed (instead of the teacher shall receive a summary of the State Superintendent's hearing no later than 14 days after the hearing is completed). Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill but specifies that the amendatory provisions apply to the termination of service by a teacher (instead of the termination of contractual continued service by a teacher).

Amends the Early Mental Health and Addictions Treatment Act. Requires the Department of Human Services to implement a 2-year pilot program to provide FDA-approved 8-milligram naloxone nasal spray kits to licensed community substance use providers and public health departments in Cook County, DuPage County, Winnebago County, Sangamon County, and St. Clair County. Requires the Department to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program. Provides that the data collected must also include the number of overdose reversals and deaths following the administration of the 8-milligram naloxone nasal spray. Requires the Department to prepare a report on the results of the 2-year pilot program and submit the report to the General Assembly by July 1, 2026. Effective January 1, 2024.

Senate Committee Amendment No. 1

In a provision requiring the Department of Human Services to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency service providers and bystanders during the 2-year pilot program, provides that the data must (i) include the number of individuals who survived as a result of the 8-milligram naloxone nasal spray intervention and those who became deceased and (ii) include the number of opioid overdose reversals attributed to the administration of the 8-milligram naloxone nasal spray intervention, by county (rather than requiring that the data collected must also include the number of individuals who survived an opioid overdose after receiving the 8-milligram naloxone nasal spray and the number of individuals who died of an opioid overdose after receiving the 8-milligram naloxone nasal spray).

House Floor Amendment No. 1

Removes a provision requiring the Department of Human Services to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program.

New Act

Creates the Firefighter Training Leave of Absence Act. Defines terms. Provides that a State employee shall be granted leave from his or her State employment for firefighter training as follows: (1) on one occasion, for up to 200 hours, to participate in training necessary to obtain Basic Operations Firefighter certification from the State Fire Marshal while attending a State Fire Marshal-approved fire academy; and (2) special or advanced training annually, not to exceed 80 hours, after obtaining Basic Operations Firefighter certification from the State Fire Marshal for courses that will lead to additional certification by the State Fire Marshal. Provides that, during leaves for basic, special, or advanced training, the State employee shall continue to receive his or her regular compensation as a State employee, but, if the State employee receives compensation for basic, special, or advanced training, the State employee shall receive his or her regular compensation as a State employee minus the amount of his or her compensation for basic, special, or advanced training. Provides that a State employee who wishes to obtain a leave of absence under this Act shall request in advance for the leave of absence and may take the leave of absence only after obtaining approval from the State employee's agency.

Senate Floor Amendment No. 1

Senator Doris Turner
SB 01611 (CONTINUED)

Provides that a leave of absence may not be denied to a State employee who requests leave under the Act and who has provided notification of the leave at least 14 calendar days prior to the requested leave date. Provides that a State employee who provides less than 14 calendar days' notice of the leave may be denied leave if the State employee's agency demonstrates that the leave would create a health or safety hazard in the workplace. Provides that, if the leave is denied, written notification must be provided to the employee within 24 hours after the employee's request for leave. Provides that, once the leave has been approved, approval for the leave may not be rescinded.

Pension Note (Government Forecasting & Accountability)

Under SB 1611, as engrossed, state employees who avail themselves of a leave of absence for firefighter training will continue to receive compensation, and thus, pensionable service credit in SERS for such periods of leave. The bill states that the employee's agency can reduce his or her compensation by the amount the member is paid for the training; thus, SERS states that situations may arise where members may wish to purchase "earnings credits." The SERS Article of the Pension Code requires members wishing to establish earnings credits to pay to SERS an amount equal to the employee contribution based upon the rate of compensation paid immediately prior to the leave, plus interest at the actuarially assumed rate, from the beginning of the leave of absence to the date of payment.

Under current law, an employee who receives no compensation during a leave of absence may establish service credit in SERS by paying the aforementioned amounts, plus the employer's normal cost for the period of the leave. Inasmuch as state employees would be compensated during firefighter training leaves of absence under SB 1611, and thus would not be required to pay the employer's normal cost for the period of the leave, there would be a very minor fiscal impact upon SERS commensurate with the number of state employees who avail themselves of such periods of leave.

Fiscal Note (Dept. of Central Management Services)

SB 1611, as engrossed, will have a fiscal impact to CMS but this impact cannot be identified at present. The maximum time allowance for training is approximately 37 days. CMS cannot gauge the participation this would generate in the state. There is the obvious loss of productivity and expertise from the employee's absence that will need to be compensated for through overtime, temporaries, etc.. Finally, it will take some time and additional resources to develop and effectuate rules for the Act and allow for software and programming changes.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1611; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1611, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1611, as amended by Senate Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Judicial Note (Admin Office of the Illinois Courts)

The legislation will not increase or decrease the number of judges needed in the state of Illinois.

Amends the State Finance Act. Adds uses for which the Partners for Conservation Fund and the Partners for Conservation Projects Fund may be used, and adds amounts that will be transferred from the General Revenue Fund to the Partners for Conservation Fund until 2033 (rather than ending in 2023). Provides that the Partners for Conservation Fund is eligible to receive grants, gifts, and awards from any public or private entity for the purpose of expanding financial and technical assistance in order to advance nutrient loss reduction efforts within priority watersheds. Amends the Soil and Water Conservation Districts Act. Changes the definition of "soil health", and adds other definitions. Creates the Illinois Healthy Soils and Watersheds Initiative to improve the health of soils and the function of watersheds through efforts that support the implementation of the State's Nutrient Loss Reduction Strategy, reduce nutrient loss, improve soil and water quality, protect drinking water, increase the resilience of ecosystems to extreme weather events, protect and improve agricultural productivity, and support aquatic and wildlife habitat. Provides that the Department of Agriculture shall adopt and revise guidelines to assist soil and water conservation districts in determining local goals and needs for implementing soil health and watershed conservation projects consistent with the Nutrient Loss Reduction Strategy and, after adoption, water conservation districts shall develop its own goals and needs assessment. Includes provisions about compliance and standards cost sharing, Nutrient Loss Reduction Strategy alignment for State-owned, State-managed, and State-leased agricultural lands, and Nutrient Loss Reduction Strategy reports. 30 ILCS 708/45

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes the following changes in the provisions regarding the Partners for Conservation Fund and the Partners for Conservation Projects Fund in the State Finance Act: provides that the Funds may be used to support (rather than implement) the State's Nutrient Loss Reduction Strategy; removes new purposes that the Funds may be used for relating to the Nutrient Loss Reduction Strategy, grants to support soil and water conservation districts, and development of a Healthy Soils and Watersheds AmeriCorps program; provides that the use of moneys of the Funds for implementation of a crop insurance premium discount program must be used for a State-level implementation; removes added amounts that would have been transferred from the General Revenue Fund to the Partners for Conservation Fund; and removes provisions allowing the Fund to receive grants, gifts, and awards from any public or private entity for the purpose of expanding financial and technical assistance in order to advance nutrient loss reduction efforts within priority watersheds. Makes the following changes in the provisions amending the Soil and Water Conservation Districts Act: changes the Initiative to the Illinois Health Soils Initiative (rather than the Illinois Healthy Soils and Watersheds Initiative); removes references to watersheds and nutrient loss reduction from the Initiative; provides that the Department of Agriculture shall report on progress of the Initiative annually (rather than as a component of biennial reporting for the Illinois Nutrient Loss Reduction Strategy); changes a goals and needs assessment to a soil health assessment; makes changes to the goals and needs for soil health assessments that the Department shall consider in the Initiative; removes provisions providing that the Initiative should seek to leverage funding and resources from local, State, federal, and private entities and that the Initiative may be coordinated with research and pilot projects directed by the Nutrient Research and Education Council; and makes conforming and other changes. Amends the Grant Accountability and Transparency Act. Provides that the Act does not apply to the Department of Agriculture's Soil and Water Conservation District Grants Program. Effective immediately.

Senate Committee Amendment No. 3

Deletes reference to:

30 ILCS 708/45

Removes provisions amending the Grant Accountability and Transparency Act providing that the Act does not apply to the Department of Agriculture's Soil and Water Conservation District Grants Program.

Senate Floor Amendment No. 4

In the provisions regarding the Partners for Conservation Fund and the Partners for Conservation Projects Fund in the State Finance Act, provides that the Funds may be used to provide capacity grants to support soil and water conservation districts, including lab analysis (rather than professional development), and to implement a crop insurance premium discount program at the State level (rather than to implement a crop insurance premium discount program at the State level for practices that improve soil health). Makes the following changes to the provisions amending the Soil and Water Conservation Districts Act. Modifies the definition of "soil health assessment". Provides that soil health assessments shall be used to identify opportunities to access (rather than access and leverage) financial and technical assistance from local, State, and federal sources to guide resources to their best potential use. Provides that the Illinois Healthy Soils Initiative shall complement and improve coordination of existing resources and processes and shall not replace existing, local, State, or federal (removing private) funding or technical assistance programs. Provides that the information collected through the development of the Department of Agriculture's guidelines for soil health assessments shall be compiled (rather than summarized) and provided to the soil and water conservation districts annually (rather than by July 1) to inform the development of local soil health assessments. Provides that the soil health assessment that each soil and water conservation district shall develop shall be developed annually. Provides that, upon the request of a district, the Department may (rather than shall) assist in the preparation of the district's soil health assessment. Makes a grammatical change.

House Floor Amendment No. 1

Provides that the Partners for Conservation Fund and the Partners for Conservation Projects Fund may be used to provide capacity grants to support soil and water conservation districts, including, among other things, for development and travel stipends for meetings and educational events (instead of travel stipends for meetings and educational events). Removes implementation of a crop insurance premium discount program at the State level as a use of the Partners for Conservation Fund and the Partners for Conservation Projects Fund. Provides that "health soil practices" includes practices related to conservation. Provides that, subject to appropriation, the Illinois Health Soils Initiative shall be administered by the Director of Agriculture with consultation from specified entities (adding that the administration is subject to appropriation). Provides that, in developing its guidelines to assist soil and water conservation districts in determining local goals and needs for soil health assessments, the Department of Agriculture shall consider availability of State and federal financial and technical assistance programs (rather than State, federal, and private financial and technical assistance programs) to soil and water conservation districts, local governments, and conservation partners.

Amends the Adult Protective Services Act. Provides that any person may report information about the suspicious death of an eligible adult to an agency designated to receive such reports or to the Department on Aging. Provides that if a mandated reporter has reason to believe that the death of an eligible adult is the result of abuse or neglect, the matter shall be reported to the agency designated to receive such reports or to the Department for subsequent referral to the appropriate law enforcement agency and coroner or medical examiner. Prohibits employers from discriminating against any employee who makes a good faith oral or written report concerning information about the suspicious death of an eligible adult. Contains provisions concerning the required testimony of a mandated reporter at an administrative hearing concerning the suspicious death of an eligible adult; the referral of evidence to the appropriate law enforcement agency; access to records concerning reports of suspicious deaths due to abuse, neglect, or financial exploitation; and other matters. Makes changes to the definitions of "abuse", "abuser", and "mandated reporter". Defines "investment advisor". Effective January 1, 2024.

Senate Committee Amendment No. 1

Further amends the Adult Protective Services Act. In a provision granting specified persons access to records related to reports of abuse or neglect or the suspicious deaths of persons protected under the Act, provides that a probate court with jurisdiction over the guardianship of an alleged victim shall have access to such records, upon request, for an in camera inspection (rather than a court or a guardian ad litem, upon its or his or her finding that access to such records may be necessary for the determination of an issue before the court). Removes language granting a guardian ad litem access to such records in cases regarding self-neglect and instead grants access to a guardian ad litem, unless such guardian ad litem is the abuser or alleged abuser.

105 ILCS 5/24-11 from Ch. 122, par. 24-11

Amends the Employment of Teachers Article of the School Code. Makes changes to the probationary periods pertaining to attaining contractual continued service. For the first probationary period, requires the teacher to be employed for 3 (rather than 4) consecutive school terms of service in which the teacher receives overall annual evaluation ratings of at least "Proficient" in the second and third school terms (rather than overall annual evaluation ratings of at least "Proficient" in the last school term and at least "Proficient" in either the second or third school term). For the second probationary period, requires the teacher to serve for 2 (rather than 3) consecutive school terms of service in which the teacher receives 2 (rather than 3) overall annual evaluations of "Excellent". Effective July 1, 2023.

Senate Floor Amendment No. 1

Adds reference to:

105 ILCS 5/24-12 from Ch. 122, par. 24-12

Senator Doris Turner
SB 01872 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill, but makes the following changes. Provides for a teacher to enter upon contractual continued service unless the teacher is given a written notice of dismissal on or before April 15 (instead of at least 45 days before the end of any school term within the probationary period); makes a related change in provisions concerning the removal or dismissal of teachers in contractual continued service. Provides that the specified probationary periods are for teachers who hold a Professional Educator License. Changes certain references from "4 consecutive school terms of service" to "3 consecutive school terms of service", "4 consecutive school terms" to "3 consecutive school terms", and "fourth probationary year" to "third probationary year". In provisions concerning the appointment and promotion of teachers in the Chicago School District Article of the School Code, provides that the probationary period shall be 3 (instead of 4) years for full-time teachers employed on or after January 1, 2024. Provides that for a probationary-appointed teacher in full-time service who has not entered into contractual continued service after 2 or 3 school terms of full-time service, the probationary period shall be 3 (instead of 4) school terms of full-time service if the teacher holds a Professional Educator License (instead of not specifying that the teacher hold a Professional Educator License). Makes related changes. Effective July 1, 2023.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill with the following changes. Provides that the amendatory changes regarding probationary periods only apply to any teacher who is first employed as a full-time teacher in a school district or program on or after July 1, 2023. In provisions concerning the appointment and promotion of teachers in the Chicago School District Article of the School Code, provides that the probationary period shall be 3 years for full-time teachers employed on or after July 1, 2023 (instead of January 1, 2024). Corrects a typographical error.

House Committee Amendment No. 1

Provides that any full-time teacher who does not receive written notice from the employing board on or before April 15 (instead of at least 45 days before the end of any school term) and whose performance does not require dismissal after the third or fourth probationary year pursuant to specified provisions shall be re-employed for the following school term.

625 ILCS 5/12-803 from Ch. 95 1/2, par. 12-803

Amends the Illinois Vehicle Code. Provides that any person convicted of violating provisions related to approaching, overtaking, or passing a school bus, or similar provisions of a local ordinance, shall be subject to a mandatory fine of \$500 (rather than \$300) for a first violation. Provides that a person who observes a violation related to approaching, overtaking, or passing a school bus or making contact with a stopped school bus may file a written or oral complaint with the county sheriff's office, and at the sheriff's discretion, the report may be transferred to the Illinois State Police or municipal police department. Requires the report to be investigated by a peace officer, and the investigating officer to contact the reporting party within 30 days to provide an update on the status or outcome of the investigation. Requires that no later than July 1, 2024, a school bus must be equipped with an extended stop arm that partially obstructs the roadway if the school bus has a route that includes a bus stop which requires a school child to cross a roadway. Establishes that each extended stop arm must be equipped with additional flashing red lights. Provides that the side extension arm must be capable of extending up to 72 inches, measured from the side of the bus to the furthest part of the extension arm, and at a height not less than 36 inches from the ground. Provides that the rear extension arm must meet the same specification as the side extension arm, except that it may not extend more than 32 inches from the side of the school bus. Prohibits a driver of a motor vehicle from making contact with any portion of a stopped school bus or with a school child within 30 feet of the school bus, and the violation of such is a misdemeanor and punishable by a fine of not more than \$500. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

Deletes reference to:

625 ILCS 5/11-1414

Replaces everything after the enacting clause with provisions of the introduced bill, and makes the following changes:

Removes language allowing a person who observes a violation related to approaching, overtaking, and passing a school bus to file a complaint with the county sheriff's office. Removes language requiring a school bus to be equipped with an extended stop arm that partially obstructs the roadway if the school bus has a route that includes a bus stop which requires a school child to cross a roadway. Provides that a maximum of 2 extensions to the required stop arm may be installed on the driver's side of the school bus. Prohibits a driver of a motor vehicle from making contact with any portion of a stopped school bus or with a school child within 30 feet of the school bus, and a driver who violates such provision shall be subject to the current statutory 3-month suspension of driving privileges (rather than being charged with a misdemeanor and receiving a \$500 fine). Effective immediately.
