Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Includes electric vehicle parking space requirements for affordable housing and for an existing multi-unit residential building subject to an association that undertakes renovation. Includes electric vehicle charging station policies for unit owners and for renters.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Provides that the Act applies to newly constructed single-family homes and multi-unit residential buildings (rather than new single-family homes and newly constructed or renovated multi-unit residential buildings). Removes the definitions of "electric vehicle charging station", "electric vehicle system", and "renovated". Changes the definitions of "EV-capable", "EV-ready", "level 1", and "level 2". Provides that the residential requirements for electric vehicle parking spaces apply to all building permits issued 90 days after the effective date of the Act. Provides that all building permits issued 90 days after the effective date of the Act shall require a new, large multifamily residential building or a large multifamily residential building being renovated by a developer converting the property to an association to have 100% of its total parking spaces EV-capable (rather than a specified percentage of EV-capable spaces based on the total amount of parking spaces available). Changes the residential requirements for electric vehicle parking spaces for permits issued 24 months after the effective date. Provides that all building permits issued 24 months after the effective date of the Act to be as follows: (1) for permits issued 24 months after the effective date of this Act, a minimum of 40% EV-capable parking spaces; (2) for permits issued 5 years after the effective date of this Act, a minimum of 50% EV-capable parking spaces; and (3) for permits issued 10 years after the effective date of this Act, a minimum of 70% EV-capable parking spaces. Removes language providing that an existing multi-unit residential building subject to an association that undertakes a capital maintenance, repair, replacement, or improvement project related to electrical power infrastructure shall be required to upgrade or install electrical panel capacity for dedicated branch circuits sufficient to ensure that the residential building has the power capacity to become electric vehicle capable as it relates to the space requirements. Removes language providing that a renovated large multifamily residential building that qualifies as an affordable housing development is subject to certain requirements if more than 25% of parking spaces are substantially modified. Makes other changes.

Senate Floor Amendment No. 2

Changes the definitions of "level 1" and "level 2". Provides that a tenant may install, at the tenant's own expense for the tenant's own use, a level 1 or level 2 receptacle or outlet or a level 2 electric vehicle charging system (rather than a level 1 or level 2 electric vehicle charging system) on or in the leased premises.

Senate Floor Amendment No. 3

Provides that "EV capable" shall not be construed to require a developer or builder to install or run wire or cable from the electrical panel through the conduit or raceway to the terminus of the conduit. Provides that nothing in the Act shall be construed to require that in the case of a developer converting the property to an association, no EV-capable or EV-ready mandate shall apply if it would necessitate the developer having to excavate an existing surface lot or other parking facility in order to retrofit the parking lot or facility with the necessary conduit and wiring. Establishes that an association that willfully violates the provisions shall be liable to the unit owner for actual damages and shall pay a civil penalty to the unit owner for actual damages and shall pay a civil penalty to the unit owner not to exceed \$500 (rather than \$1,000). Provides that in any action by a unit owner requesting to have an electric vehicle installed and seeking to enforce compliance with the provisions, the court shall award reasonable attorney's fees to a prevailing party (rather than a prevailing plaintiff). Provides that a landlord shall not assess or charge a tenant any fees for the placement or use of an electric vehicles charging system, except that a landlord may charge a security deposit to cover costs to restore the property to its original condition if the tenant removes the electric vehicle charging system.

Replaces everything after the enacting clause with provisions of the introduced bill, and makes the following changes:

Removes language concerning: (1) the costs and trenching and installing broadband infrastructure; and (2) rules ensuring that existing broadband infrastructure and underground utility facilities are not disadvantaged. Provides that the Department of Transportation, the Illinois State Toll Highway Authority, the Illinois Commerce Commission, and the Department of Commerce and Economic Opportunity shall consult with the State-Wide One-Call Notice System to jointly develop rules for the design and construction of road, highway, tollway, and expressway projects to reduce the need for the relocation of public water and wastewater infrastructure and to promote the deployment (rather than reduce the scale and number of repeated excavations of roads, highways, tollways, and expressways for the installation and maintenance) of broadband infrastructure and underground utility facilities in an efficient and competitively neutral process for all road, highway, tollway, and expressway projects. Provides that the rules adopted under the Act are not intended to delay the design or construction of road, highway, tollway, and expressway construction projects, and shall not be construed to provide authority to approve, deny, or delay broadband infrastructure projects or underground utility facilities projects.

Senate Floor Amendment No. 2

Provides that whenever a public utility makes an application for a grant or easement in, over, or upon real property of the State for purposes of locating and maintaining such utility, or such utility's wire, pipe, cable, fiber conduit, or other facility or equipment, the Administrator, with the consent of the agency having jurisdiction over the real property, may grant such an easement.

Replaces everything after the enacting clause. Amends the Illinois Power Agency Act. Changes the definitions of "community renewable generation project", "distributed renewable energy generation device", and "renewable energy resources". Defines "hydropower", "modernized", and "retooled". Provides that the Illinois Power Agency is authorized to oversee the procurement by electric utilities of renewable energy credits from newly modernized or retooled hydropower dams or dams that have been converted to support hydropower generation. Provides that in developing the long-term renewable resources procurement plan: the Agency shall also consider other approaches, in addition to competitive procurements, to procure renewable energy credits from new and existing hydropower facilities to support the development and maintenance of these facilities; and the Agency shall explore options to convert existing dams but shall not consider approaches to develop new dams where they do not already exist. Provides that on and after the effective date of the amendatory Act, for all procurements of renewable energy credits from hydropower facilities, the Agency shall establish contract terms designed to optimize existing hydropower facilities through modernization or retooling and establish new hydropower facilities at existing dams, and that such procurements shall prioritize projects located in or adjacent to designated environmental justice communities or in projects located in units of local government with median incomes that do not exceed 82% of the median income of the State. SB 01476 (CONTINUED)

Amends the Affordable Housing Planning and Appeal Act. In provisions requiring non-exempt local governments to approve an affordable housing plan, provides that, in addition to other requirements, the affordable housing plan must consist of a description of any housing market conditions, infrastructure limitations, local government ordinances, local policies or practices that do not affirmatively further fair housing as defined in the federal Fair Housing Act, and other local factors that constrain the local government's ability to create and preserve affordable housing. Requires the plan to also include potential strategies to eliminate or mitigate the specified constraints. Provides that the plan must set forth certain benchmark goals for new affordable housing developments or redevelopments; as well as proposed timelines, within the first 24 months after the date upon which the affordable housing plan was adopted, for actions to implement the components of the affordable housing plan. Provides that no later than 36 months after adopting or updating an affordable housing plan, the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Contains provisions concerning the review of affordable housing plans by the State Housing Appeals Board (Board); membership on the Board; and other matters.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning benchmarks a non-exempt local government must aim to accomplish under its affordable housing plan, provides that the local government shall aim to have a minimum of 15% (rather than 40%) of affordable housing within its jurisdiction. Removes a provision requiring affordable housing plans from local governments to be subject to review by the State Housing Appeals Board. Requires the Illinois Housing Development Authority (IHDA) to post each affordable housing plan submitted by a local government on the IHDA website. Restores a provision providing that a non-exempt local government may not enter into an intergovernmental agreement with any local government that contains more than 25% affordable housing. Changes the filing date from January 1, 2024 to January 1, 2026 upon which an affordable housing developer or municipal resident may appeal a municipality's decision to deny or impose conditions on a proposed affordable housing development. Replaces all references to "plaintiff" with "appellant". In provisions concerning the Housing Appeals Board, provides that on and after the effective date of the amendatory Act, the Housing Appeals Board shall consist of 5 members appointed by the Governor (rather than providing that prior to January 1, 2008, a Housing Appeals Board shall be created consisting of 7 members appointed by the Governor). In provisions concerning membership on the Board, provides that initial terms of 3 (rather than 4) members designated by the Governor under the amendatory Act shall be for 2 years; and that initial terms of 2 (rather than 3) members designated by the Governor under the amendatory Act shall be for one year. Provides that the terms of members serving on the Housing Appeals Board before the effective date of the amendatory Act expire on the effective date of the amendatory Act. In the definition of "affordable housing", removes language providing that the costs of parking, maintenance, or landlord-imposed fees, as provided by a municipality's regional planning commission, are to be included in the calculation of affordable housing. Redefines "exempt local government" to mean any local government in which at least 35% of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority or any municipality with a population under 2,500 (rather than "exempt local government" means any local government in which the percentage of its total year-round housing units that are affordable is greater than the 20th percentile of all local governments, as determined by the Illinois Housing Development Authority, or any municipality with a population under 1,000). Removes the definition of "high cost housing community" or "nonexempt local government".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that to comply with the Act's affordable housing plan requirements, no later than 4 years (rather than 36 months) after adopting or updating an affordable housing plan the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Restores the number of members on the State Housing Appeals Board to 7 (rather than reducing the number to 5). Provides that the Board shall include a retired circuit judge, a retired appellate judge, a current or retired administrative law judge, or a practicing or retired attorney with experience in the area of land use law or related field, who shall act as chairperson (rather than a current or retired circuit judge, appellate judge, administrative law judge, or attorney with experience in the area of land use law, who shall act as chairperson). Provides that 4 (rather than 3) of the Board members shall be selected from among certain categories. Includes an affordable housing developer among the possible selected members. Provides that at least 3 (rather than one) of the appointments shall be from a local government that is non-exempt under the Act. Provides that the initial terms of 4 (rather than 3 of the) members shall be for 2 years; and the initial terms of 3 (rather than 2 of the) members shall be for one year. Permits the following persons to file an appeal to the Board if a proposed affordable housing development was denied by a municipality or approved with conditions that in the appellant's judgment render the provision of affordable housing infeasible: (i) the affordable housing developer of the proposed affordable housing development; (ii) a person who would be eligible to apply for residency in the proposed affordable housing development; or (iii) a housing organization whose geographic focus area includes the municipality, or county if in an unincorporated area, where the proposed affordable housing development is located. Makes other changes.

815 ILCS 505/2z.6 new

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

Replaces everything after the enacting clause. Creates the Interagency Children's Behavioral Health Services Act. Provides that the Act establishes a Children's Behavioral Health Transformation Officer (Officer). Requires the Officer to lead the State's comprehensive, interagency effort to ensure that youth with significant and complex behavioral health needs receive appropriate community and residential services and that the State-supported system is transparent and easier for youth and their families to navigate. Establishes the Interagency Children's Behavioral Health Services Team to find appropriate services, residential treatment, and support for children identified by each participating agency as requiring enhanced agency collaboration to identify and obtain treatment in a residential setting. Provides that the responsibilities of each participating agency shall be outlined in an interagency agreement. Requires the Department of Children of Family Services, and other specified agencies, to enter into an interagency agreement. Amends the Children and Family Services Act. Requires the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers to submit data if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services from specified State agencies. Contains provisions concerning temporary emergency placements for youth in crisis. Amends the School Code. Requires the Department of Human Services to expand its selection of individuals from the Prioritization of Urgency of Need for Services database to include individuals who receive services through the Children and Young Adults with Developmental Disabilities - Support Waiver. Contains provisions concerning mental health screenings for students in kindergarten through grade 12. Amends the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to obtain input from specified State agencies and providers on leading indicators of elevated behavioral health crisis risk for children. Amends the Juvenile Court Act of 1987. Provides that no minor who is taken into limited custody shall be sheltered in a temporary living arrangement for more than 21 days, with certain exceptions. Makes other changes. Effective immediately.

House Floor Amendment No. 4

Adds reference to:

20 ILCS 1705/11.4 new

Senator Karina Villa**SB 00724 (CONTINUED)**

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In the Interagency Children's Behavioral Health Services Act, removes a provision requiring the behavioral health interagency agreement to require the contracting State agencies to identify children with significant and complex behavioral health needs who meet certain criteria. Instead provides that the interagency agreement shall set criteria to identify children whose cases will be presented to the Interagency Children's Behavioral Health Services Team for prioritized review. Lists certain criteria that shall be included in the interagency agreement. Provides that all information collected, shared, or stored pursuant to the Act shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. Provides that nothing in the Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to adopt rules to establish a process for all licensed residential providers in Illinois to submit data, if they contract or receive reimbursement for children's mental health, substance use, and developmental disability services, provides that all information collected, shared, or stored pursuant to that provision shall be handled in accordance with all State and federal privacy laws and accompanying regulations and rules, including without limitation the federal Health Insurance Portability and Accountability Act of 1996 and the Mental Health and Developmental Disabilities Confidentiality Act. In a provision requiring the Department of Human Services to develop a Youth and Community Services Program, provides that the program is to ensure that youth who come into contact or may come into contact with either the child welfare system or the juvenile justice system (rather than who come into contact or may come into contact with the child welfare and the juvenile justice systems) have access to needed community, prevention, diversion, emergency and independent living services. In provisions listing the Department's duties under the program, removes the duty to develop a statewide adoption awareness campaign aimed at pregnant teenagers. Adds the duty to establish temporary emergency placements for youth in crisis as defined by the Children's Behavioral Health Transformation Team (rather than the Department) through comprehensive community-based youth services provider grants. Sets forth certain requirements that such temporary emergency placements must meet. Provides that, once sufficient capacity has been developed, temporary emergency placements must also include temporary emergency placement shelters provided under the Comprehensive Community-Based Youth Services program, shall be managed by Comprehensive Community-Based Youth Services provider organizations, and shall be available to house youth receiving interim 24/7 crisis intervention services. Provides that nothing in the amendatory Act shall be construed or applied in a manner that would conflict with, diminish, or infringe upon, any State agency's obligation to comply fully with requirements imposed under a court order or State or federal consent decree applicable to that agency. Further amends the Juvenile Court Act of 1987. Provides that no minor shall be sheltered in a temporary living arrangement for more than 21 business days (rather than 21 days). Provides that if at any time during the crisis intervention there is a concern that the minor has experienced abuse or neglect, the Comprehensive Community Based-Youth Services provider shall contact the Department of Children and Family Services as provided in the Abused and Neglected Child Reporting Act. Amends the Mental Health and Developmental Disabilities Administrative Act. Requires the Department of Human Services to establish and maintain a public-facing Care Portal to serve as a centralized resource for families with children who have significant and complex behavioral health needs. Effective immediately.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. Provides that temporary emergency placements for youth in crisis must be licensed through the Department of Children and Family Services or, in the case of a foster home or host home (rather than in the case of a foster home), by the supervising child welfare agency.

Senator Karina Villa**SB 01476 (CONTINUED)**

Amends the Affordable Housing Planning and Appeal Act. In provisions requiring non-exempt local governments to approve an affordable housing plan, provides that, in addition to other requirements, the affordable housing plan must consist of a description of any housing market conditions, infrastructure limitations, local government ordinances, local policies or practices that do not affirmatively further fair housing as defined in the federal Fair Housing Act, and other local factors that constrain the local government's ability to create and preserve affordable housing. Requires the plan to also include potential strategies to eliminate or mitigate the specified constraints. Provides that the plan must set forth certain benchmark goals for new affordable housing developments or redevelopments; as well as proposed timelines, within the first 24 months after the date upon which the affordable housing plan was adopted, for actions to implement the components of the affordable housing plan. Provides that no later than 36 months after adopting or updating an affordable housing plan, the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Contains provisions concerning the review of affordable housing plans by the State Housing Appeals Board (Board); membership on the Board; and other matters.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning benchmarks a non-exempt local government must aim to accomplish under its affordable housing plan, provides that the local government shall aim to have a minimum of 15% (rather than 40%) of affordable housing within its jurisdiction. Removes a provision requiring affordable housing plans from local governments to be subject to review by the State Housing Appeals Board. Requires the Illinois Housing Development Authority (IHDA) to post each affordable housing plan submitted by a local government on the IHDA website. Restores a provision providing that a non-exempt local government may not enter into an intergovernmental agreement with any local government that contains more than 25% affordable housing. Changes the filing date from January 1, 2024 to January 1, 2026 upon which an affordable housing developer or municipal resident may appeal a municipality's decision to deny or impose conditions on a proposed affordable housing development. Replaces all references to "plaintiff" with "appellant". In provisions concerning the Housing Appeals Board, provides that on and after the effective date of the amendatory Act, the Housing Appeals Board shall consist of 5 members appointed by the Governor (rather than providing that prior to January 1, 2008, a Housing Appeals Board shall be created consisting of 7 members appointed by the Governor). In provisions concerning membership on the Board, provides that initial terms of 3 (rather than 4) members designated by the Governor under the amendatory Act shall be for 2 years; and that initial terms of 2 (rather than 3) members designated by the Governor under the amendatory Act shall be for one year. Provides that the terms of members serving on the Housing Appeals Board before the effective date of the amendatory Act expire on the effective date of the amendatory Act. In the definition of "affordable housing", removes language providing that the costs of parking, maintenance, or landlord-imposed fees, as provided by a municipality's regional planning commission, are to be included in the calculation of affordable housing. Redefines "exempt local government" to mean any local government in which at least 35% of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority or any municipality with a population under 2,500 (rather than "exempt local government" means any local government in which the percentage of its total year-round housing units that are affordable is greater than the 20th percentile of all local governments, as determined by the Illinois Housing Development Authority, or any municipality with a population under 1,000). Removes the definition of "high cost housing community" or "nonexempt local government".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that to comply with the Act's affordable housing plan requirements, no later than 4 years (rather than 36 months) after adopting or updating an affordable housing plan the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Restores the number of members on the State Housing Appeals Board to 7 (rather than reducing the number to 5). Provides that the Board shall include a retired circuit judge, a retired appellate judge, a current or retired administrative law judge, or a practicing or retired attorney with experience in the area of land use law or related field, who shall act as chairperson (rather than a current or retired circuit judge, appellate judge, administrative law judge, or attorney with experience in the area of land use law, who shall act as chairperson). Provides that 4 (rather than 3) of the Board members shall be selected from among certain categories. Includes an affordable housing developer among the possible selected members. Provides that at least 3 (rather than one) of the appointments shall be from a local government that is non-exempt under the Act. Provides that the initial terms of 4 (rather than 3 of the) members shall be for 2 years; and the initial terms of 3 (rather than 2 of the) members shall be for one year. Permits the following persons to file an appeal to the Board if a proposed affordable housing development was denied by a municipality or approved with conditions that in the appellant's judgment render the provision of affordable housing infeasible: (i) the affordable housing developer of the proposed affordable housing development; (ii) a person who would be eligible to apply for residency in the proposed affordable housing development; or (iii) a housing organization whose geographic focus area includes the municipality, or county if in an unincorporated area, where the proposed affordable housing development is located. Makes other changes.

Amends the Nursing Home Care Act. Provides that "emergency" means a situation, physical condition, or one or more practices, methods, or operations that present imminent danger of death or serious physical or mental harm to residents of a facility and that are clinically documented in the resident's medical record (rather than only a situation, physical condition or one or more practices, methods or operations that present imminent danger of death or serious physical or mental harm to residents of a facility). Requires the need for positioning devices to be demonstrated and documented in the resident's care plan. Requires that assessment to be revisited in every comprehensive assessment of the resident. Provides that psychotropic medication shall be administered to a resident only if clinical documentation in the resident's medical record supports the benefit of the psychotropic medication over contraindications related to other prescribed medications and supports the diagnosis of the resident. Provides that, notwithstanding any other provision of law, if a resident is in a state of emergency, the emergency shall be clinically documented in the resident's medical record.

Senate Committee Amendment No. 1

Deletes reference to:

210 ILCS 45/3-615

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that devices used for positioning, including, but not limited to, bed rails, gait belts, and cushions, shall not be considered to be physical restraints for purposes of the Act unless the device is used to restrain or otherwise limit the patient's freedom to move. Provides that the need for a device used for positioning must be physically demonstrated by the resident and documented in the resident's care plan. Specifies that the physically demonstrated need of the resident for a device used for positioning must be revisited in every comprehensive assessment of the resident. Provides that psychotropic medication shall only be given in both emergency and nonemergency situations if the diagnosis of the resident supports the benefit of the medication and clinical documentation in the resident's medical record supports the benefit of the medication over the contraindications related to other prescribed medications. Removes a provision requiring a resident's medical emergencies to be documented.

New Act

820 ILCS 154/35 new

Creates the Child Extended Bereavement Leave Act. Provides that the Act may be referred to as Zachary's Parent Protection Act. Provides that an employee of a large employer that employs 250 or more full-time employees is entitled to use a maximum of 12 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that an employee of a small employer that employs at least 50 but fewer than 250 full-time employees is entitled to use a maximum of 6 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that leave may be taken in a single continuous period or intermittently in increments of no less than 4 hours, but leave must be completed within one year after the employee notifies the employer of the loss. Permits an employer to require reasonable advance notice of the employee's intention to leave and reasonable documentation. Provides that an employee who takes leave under the Act is entitled to be restored to the position of employment held by the employee when the leave commenced or to be restored to an equivalent position. Provides that nothing in the Act shall be construed to entitle any restored employee the accrual of any seniority or employment benefits during any period of leave. Provides that the Act does not extend the maximum period of leave to which an employee is entitled under the federal Family and Medical Leave Act of 1993 or under any other paid or unpaid leave provided under federal, State or local law, a collective bargaining agreement, or an employment benefits program or plan. Prohibits an employer from taking any adverse action against an employee who exercises his or her rights under the Act. Requires the Department of Labor to enforce the Act. Provides that a person who uses leave under either the Child Bereavement Leave Act or the Child Extended Bereavement Leave Act may not take leave under the other Act, and amends the Child Bereavement Leave Act accordingly.

Senate Floor Amendment No. 1

Provides that after concluding its investigation concerning the administration and enforcement of the Act, the Director of Labor shall notify all parties of the determination. Provides that the Director shall issue a notice of violation when the investigation has established that a violation of any part of the Act occurred or is occurring. Provides that the Department of Labor shall serve notice on the parties by certified U.S. mail, postage prepaid, return receipt requested, addressed to the last known address of the parties. Provides that within 20 days after the date of service, a party may request a hearing by certified mail or personal delivery to the Department. Provides that an employee who believes his or her rights under the Act have been violated may, within one year (rather than 60 days) after the date of the last event constituting the alleged violation for which the action is brought, file a complaint with the Department or file a civil action. In the definition of "employee" removes a provision that excludes a salaried employee who is among the highest paid 10% of the employees employed by the employer.

House Floor Amendment No. 1

Provides that the "Employee" does not include full-time employees of the State of Illinois, except for those employees who are not otherwise eligible for family responsibility leave or a leave of absence without pay.

Amends the Juvenile Court Act of 1987. Establishes procedures for determining whether a child is fit to stand trial. Provides that the procedures apply to a child under the age of 21, regardless of whether the person is subject to the Act or prosecuted under the criminal laws of the State. Provides that unfitness may result from the presence of any condition or confluence of conditions, including, but not limited to, mental illness, substance use disorder, developmental disability, chronological immaturity, relative immaturity, or child traumatic stress. Provides that a diagnosis is not required for a finding of unfitness. Provides that a child is unfit when the child either: (1) lacks sufficient present ability to consult with the child's attorney with a reasonable degree of rational understanding, as evidenced by lacking the ability to disclose to the attorney facts pertinent to the proceedings at issue and to assist in the child's defense; or (2) lacks a rational or a factual understanding of the proceedings against the child, as evidenced by certain specified factors. Provides that the issue of the child's fitness to stand trial, to plead, or to be sentenced may be raised by the child's attorney, the State, or the court at any time before a plea is entered or before, during, or after trial. Provides that in making determinations on the issue of a child's fitness, the following burdens of proof and presumptions shall apply: (1) when the court finds a bona fide doubt as to the fitness of a child, the State bears the burden of proving that the child is fit by clear and convincing evidence; and (2) a child who is receiving medication shall not be presumed to be fit or unfit to stand trial solely by virtue of the receipt of that medication. Provides that the Illinois Juvenile Justice Commission shall develop and recommend mechanisms to collect and analyze data, disaggregated by race, ethnicity, gender, geography, age, and socioeconomic status, resulting from the implementation of these provisions. Provides that the report and recommendations shall be submitted to the General Assembly on or before January 1, 2024. Contains a severability provision. Effective July 1, 2023.

SB 03629 (CONTINUED)

Amends the Code of Criminal Procedure of 1963. Provides that a defendant who, prior to the effective date of the amendatory Act, had been barred by time limitations from filing a motion to vacate because the court failed to advise the defendant and the defendant shows that conviction of the offense to which the defendant pleaded guilty, guilty but mentally ill, or nolo contendere may have the consequence for the defendant of deportation, exclusion from admission to the United States, or denial of naturalization under the laws of the United States, may pursue the following remedies. Provides that any person, regardless of criminal custody status, may file a petition to vacate a conviction or sentence if the person asserts any of the following reasons: (1) the conviction or sentence is legally invalid due to prejudicial error damaging the petitioner's ability to meaningfully understand, defend against, or knowingly accept the actual or potential adverse immigration consequences of a conviction or sentence; or (2) newly discovered evidence of actual innocence exists that requires vacation of the conviction or sentence as a matter of law or in the interests of justice. Establishes time periods for filing the petition and establishes when the petitions are not timely filed. Provides that there is a presumption of legal invalidity if the petitioner pleaded guilty or nolo contendere under a statute that provided that, upon completion of specific requirements, the arrest and conviction shall be deemed never to have occurred, if the petitioner complied with these requirements, and if the disposition under the statute has been, or potentially could be, used as a basis for adverse immigration consequences. Provides that crime victims shall be given notice by the State's Attorney's office of petitions filed under this provision as required in the Rights of Crime Victims and Witnesses Act. Provides that remedies under this provision shall apply to convictions and sentences in existence prior to the effective date of the amendatory Act.

Provides that the court shall not order any assessments, such as fees, fines, or administrative costs, except for assessments made in traffic, boating, or fish and game law, or municipal ordinance violations as provided in the Act, against a minor subject to the Minors Requiring Authoritative Intervention Article, Addicted Minors Article, or Delinquent Minors Article of the Act or against the minor's parent, guardian, or legal custodian. Provides that, except for assessments made in traffic, boating, or fish and game law, or municipal ordinance violations as provided in the Act, any judgment, order, agreement, or other legally enforceable encumbrance directing a minor or his or her parent, guardian, or legal custodian to pay assessments prior to the effective date of the amendatory Act is null, void, and not collectible if there remains a balance due, including interest, penalties, or collection fees. Provides that, if the court orders community service for the minor, community service shall not interfere with the school hours, school-related activities, or work commitments of the minor or the minor's parent, guardian, or legal custodian. Provides that, one year after the effective date of the amendatory Act, the Administrative Office of the Illinois Courts shall report to the General Assembly: (1) the number of judgments, orders, agreements, or other legally enforceable encumbrances vacated pursuant to this provision in each judicial district; and (2) the total balances of fees, fines, and administrative costs vacated in each judicial district. Makes other changes. Amends various other Acts to make conforming changes. Effective immediately.

Provides that if the minor or the minor's parent, guardian, or legal custodian is unable to cover the cost of a condition of probation or conditional discharge, the court shall not preclude the minor from receiving probation, conditional discharge, or supervision based on the inability to pay. Provides that inability to pay shall not be grounds to object to the minor's placement on a continuance under supervision. Provides that the inability of a minor, or minor's parent, guardian, or legal custodian, to cover the costs associated with an appropriate sentencing order shall not be the basis for the court to enter a sentencing order incongruent with the court's findings regarding the offense on which the minor was adjudicated or the mitigating factors. Effective immediately.

Correctional Note (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

Fiscal Note (Admin Office of the Illinois Courts)

Based on a review of SB1463, as amended by House Amendment 1, it is not possible to determine what fiscal impact, if any, the bill would have on state appropriations to the judicial branch or what fiscal impact, if any, the bill would have on local judicial budgets.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of SB1463, as amended by House Amendment 1, the legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

SB 1463 HA#1 does not create a State Mandate under the State Mandates Act.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1463, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1463, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1463, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1463, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Home Rule Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1463 HA#1 does not pre-empt home rule authority.

Senator Celina Villanueva
SB 01907 (CONTINUED)

Creates the Public Higher Education Act. Provides that the intent of the Act is for the requirements of the Act to apply equally to the governing board of each public institution of higher education in this State. Defines "governing board of each public institution of higher education" and "public institution of higher education". Adds provisions requiring each public institution of higher education to make emergency contraception available for purchase through at least one vending machine located on each campus under its jurisdiction; defines "emergency contraception". Sets forth minimum requirements concerning the packaging, storage, cost, and dispensing of the emergency contraception. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Defines "wellness kiosk". Replaces references to "vending machine" with "wellness kiosk". Makes related changes. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1907, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (IL Community College Board)

SB 1907 has no fiscal impact on the Illinois Community College Board.

Balanced Budget Note (Office of Management and Budget)

Senate Bill 1907, as amended by Senate Amendment 1, is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

SB 1907 does not create a State Mandate under the State Mandates Act.

New Act

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. Allows any party aggrieved by a violation of the Act to bring an action against any limited services pregnancy center that has committed such a violation, in which the court may award actual damages and any other relief the court deems proper. 820 ILCS 154/35 new

Creates the Child Extended Bereavement Leave Act. Provides that the Act may be referred to as Zachary's Parent Protection Act. Provides that an employee of a large employer that employs 250 or more full-time employees is entitled to use a maximum of 12 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that an employee of a small employer that employs at least 50 but fewer than 250 full-time employees is entitled to use a maximum of 6 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that leave may be taken in a single continuous period or intermittently in increments of no less than 4 hours, but leave must be completed within one year after the employee notifies the employer of the loss. Permits an employer to require reasonable advance notice of the employee's intention to leave and reasonable documentation. Provides that an employee who takes leave under the Act is entitled to be restored to the position of employment held by the employee when the leave commenced or to be restored to an equivalent position. Provides that nothing in the Act shall be construed to entitle any restored employee the accrual of any seniority or employment benefits during any period of leave. Provides that the Act does not extend the maximum period of leave to which an employee is entitled under the federal Family and Medical Leave Act of 1993 or under any other paid or unpaid leave provided under federal, State or local law, a collective bargaining agreement, or an employment benefits program or plan. Prohibits an employer from taking any adverse action against an employee who exercises his or her rights under the Act. Requires the Department of Labor to enforce the Act. Provides that a person who uses leave under either the Child Bereavement Leave Act or the Child Extended Bereavement Leave Act may not take leave under the other Act, and amends the Child Bereavement Leave Act accordingly.

Senate Floor Amendment No. 1

Provides that after concluding its investigation concerning the administration and enforcement of the Act, the Director of Labor shall notify all parties of the determination. Provides that the Director shall issue a notice of violation when the investigation has established that a violation of any part of the Act occurred or is occurring. Provides that the Department of Labor shall serve notice on the parties by certified U.S. mail, postage prepaid, return receipt requested, addressed to the last known address of the parties. Provides that within 20 days after the date of service, a party may request a hearing by certified mail or personal delivery to the Department. Provides that an employee who believes his or her rights under the Act have been violated may, within one year (rather than 60 days) after the date of the last event constituting the alleged violation for which the action is brought, file a complaint with the Department or file a civil action. In the definition of "employee" removes a provision that excludes a salaried employee who is among the highest paid 10% of the employees employed by the employer.

House Floor Amendment No. 1

Provides that the "Employee" does not include full-time employees of the State of Illinois, except for those employees who are not otherwise eligible for family responsibility leave or a leave of absence without pay.

Senate Floor Amendment No. 4

In the provisions regarding the Partners for Conservation Fund and the Partners for Conservation Projects Fund in the State Finance Act, provides that the Funds may be used to provide capacity grants to support soil and water conservation districts, including lab analysis (rather than professional development), and to implement a crop insurance premium discount program at the State level (rather than to implement a crop insurance premium discount program at the State level for practices that improve soil health). Makes the following changes to the provisions amending the Soil and Water Conservation Districts Act. Modifies the definition of "soil health assessment". Provides that soil health assessments shall be used to identify opportunities to access (rather than access and leverage) financial and technical assistance from local, State, and federal sources to guide resources to their best potential use. Provides that the Illinois Healthy Soils Initiative shall complement and improve coordination of existing resources and processes and shall not replace existing, local, State, or federal (removing private) funding or technical assistance programs. Provides that the information collected through the development of the Department of Agriculture's guidelines for soil health assessments shall be compiled (rather than summarized) and provided to the soil and water conservation districts annually (rather than by July 1) to inform the development of local soil health assessments. Provides that the soil health assessment that each soil and water conservation district shall develop shall be developed annually. Provides that, upon the request of a district, the Department may (rather than shall) assist in the preparation of the district's soil health assessment. Makes a grammatical change.

House Floor Amendment No. 1

Provides that "health soil practices" includes practices related to conservation. Provides that, subject to appropriation, the Illinois Health Soils Initiative shall be administered by the Director of Agriculture with consultation from specified entities (adding that the administration is subject to appropriation). Provides that, in developing its guidelines to assist soil and water conservation districts in determining local goals and needs for soil health assessments, the Department of Agriculture shall consider availability of State and federal financial and technical assistance programs (rather than State, federal, and private financial and technical assistance programs) to soil and water conservation districts, local governments, and conservation partners.

Amends the Illinois Public Labor Relations Act. Provides that the Illinois Labor Relations Board shall determine whether refusing to bargain collectively in good faith with a labor organization that is the exclusive representative of public employees in an appropriate unit, including, but not limited to, the discussing of grievances with the exclusive representative, was of a serious enough nature that it may undermined or significantly impact the collective bargaining process such that other traditional remedies may not remedy the violation if the Board is unable to order a make-whole remedy. Sets forth standards to make the determination and the option to order impasse arbitration. Provides that parties continue to have a duty to engage in good faith bargaining during the pendency of impasse arbitration procedures. Provides that the Board shall have authority to order make-whole relief, including, but not limited to, consequential damages and front pay for injuries suffered by employees or a labor organization as a result of an unfair labor practice. SB 03775 (CONTINUED)

Amends the Illinois Vehicle Code. Provides that the driver of a vehicle that is in any manner involved in any of the following types of crashes within the State shall, if no police officer is present, give notice of the crash by the fastest available means of communication to the specified law enforcement agency: (1) a crash that results in injury to or death of any person; (2) a crash that results in damage to the property of any person in excess of a specified amount; (3) a crash involving a school bus if the crash is caused by a collision, a sudden stop, or otherwise, and the crash results in any property damage, personal injury, or death; or (4) a crash that occurs within 50 feet of a school bus and results in personal injury to or death of any person who is awaiting or preparing to board the school bus or immediately after the person exits the school bus. Requires the Secretary of State to suspend the driver's license or non-resident's driving privileges of any person who violates those provisions. Provides that every law enforcement agency shall, by February 1 (rather than March 1) with regard to data collected during July through December of the previous calendar year, compile the data on the standardized law enforcement data compilation form provided by the Department of Transportation and transmit the data to the Department. Amends the DUI Prevention and Education Commission Act. Provides that moneys in the DUI Prevention and Education Fund shall be distributed by the Department with approval (rather than guidance) from the DUI Prevention and Education Commission for crash victim programs and materials, impaired driving prevention programs, law enforcement support, and other DUI-related programs (rather than as grants for those purposes). Makes related changes in the powers of the Commission.
