Senator Laura Fine
SB 01674 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the Long-Term Stabilization Support Program and the Short-Term Stabilization Support Program, provides that an individual receiving program services may request alternate placement when the wants or needs of the individual, as reflected in the individual's personal plan, would be better served in another setting along the full spectrum of care. Provides that if an individual or other designated persons, if applicable, in conjunction with the independent service coordination agency, the provider, and clinical staff, believe the individual's wants or needs, as reflected in the individual's personal plan, would be better served in an alternate setting along the full spectrum of care, those opportunities shall be discussed as they are identified. Permits such a request to be made at any point during a specified time period or at the conclusion of that period, when assessing whether continued participation in the program would be appropriate for the individual. Removes provisions requiring the Department of Human Services to submit annual reports to the General Assembly and the Governor on the progress and effectiveness of the programs. Instead requires the Department to publish quarterly reports, beginning March 31, 2025, on the number of individuals participating in the programs and other data. Provides that the reports shall be submitted to the General Assembly.

70 ILCS 1005/10 from Ch. 111 1/2, par. 83

Amends the Mosquito Abatement District Act. Provides that the board of trustees of a mosquito abatement district shall have power to take all necessary or proper steps for the surveillance, monitoring, and extermination of mosquitoes, flies, ticks, and vectors within the district (rather than for the extermination of mosquitoes, flies and other insects within the district), and, subject to the paramount control of the municipal or other public authorities, to abate as nuisances all stagnant pools of water and other breeding places for mosquitoes, flies, ticks, and vectors (rather than mosquitoes and other insects) within the district. Provides that a district may annex territory by ordinance whenever a mosquito abatement district operating within territory predominantly in a municipality or 2 or more municipalities that would become coterminous or nearly coterminous with the municipality or municipalities upon the annexation of additional territory within the municipality or municipalities (rather than whenever a mosquito abatement district contains over 90% of territory of a specific city or village, the mosquito abatement district may annex additional adjacent and contiguous territory within that city or village). Senate Floor Amendment No. 2

Adds reference to:

70 ILCS 1005/8

from Ch. 111 1/2, par. 81

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions about the powers of the board of trustees of a mosquito abatement district, provides that the board has powers relating to the surveillance and monitoring of ticks and the surveillance, monitoring, and extermination of mosquitoes and rats (rather than, in the introduced bill, the surveillance, monitoring, and extermination of mosquitoes, flies, ticks, and vectors). Further amends the Mosquito Abatement District Act. Provides that the board of trustees of a mosquito abatement district, or its designee, for the limited purposes of cooperation with the Department of Public Health, shall conduct routine surveillance of Department-identified vectors (rather than mosquitoes) to detect the presence of vector-borne diseases (rather than mosquito-borne diseases) of public health significance. Limits the scope of the surveillance, and requires a mosquito abatement district, or its designee, to notify a forest preserve district or conservation district prior to or within 48 hours after accessing the respective forest preserve district's or conservation district's land for surveillance required by the Department. Requires the district to report to the Department of Public Health, in addition to the local certified public health department, the results of any positive mosquito, tick, or vector (rather than mosquito) samples infected with arboviral or bacterial infections (rather than arboviral infections). Requires the report to include the number of vectors (rather than mosquitoes) collected in the trapping device. Expands an illustrative list of arboviral or bacterial infections. Modifies the new definition of "vector" in the introduced bill and moves the definition into the provisions concerning surveillance of vectors.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as modified by Senate Amendment No. 2, with the following changes in the Illinois Police Training Act. In provisions requiring specified training to be completed before a full-time or part-time law enforcement or county corrections officer receives waiver approval, removes a requirement that the officer receive training for crimes motivated by bias. Provides that the Board must, within a reasonable time, update the course to conform with national trends and best practices (rather than the Board must review the approved course or courses every 3 years and update the approved courses). Encourages the Board to adopt model policies to assist law enforcement agencies in developing policies related to hate crimes and crimes motivated by violence, and allows the Board to consult with the Commission on Discrimination and Hate Crimes or other entities to develop the policies. Requires the Board to periodically conduct an educational conference to inform and sensitize chief law enforcement officers, community service providers, and other interested persons to the law enforcement issues associated with bias crimes (removing provisions relating to providing instructional materials to chief law enforcement officers and provisions requiring chief law enforcement officers to encourage law enforcement officers to complete the in-service training). Allows the Board to partner with other public or private entities to sponsor and conduct these conferences.

Amends the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code. Modifies factors used by a municipality to determine if an area is a blighted area or a conservation area to be included in the area of a redevelopment project area when establishing the area. Provides that a new redevelopment project area shall have a completion date no later than December 31st of the 20th year after the ordinance was adopted (rather than the 23rd year), and provides that the redevelopment project area may be extended, with the approval of each member of the joint review board, only 2 additional years (rather than extended to the 35th year and extended again to the 47th year). Provides that a municipality may not approve redevelopment project areas or expansions of redevelopment project areas that overlap with an existing redevelopment project area. Provides that 10% of moneys deposited into the special tax allocation fund shall be transferred to the local chamber of commerce or chambers of commerce representing the redevelopment project area for the chamber or chambers of commerce to use for grants to businesses that employ fewer than 50 full-time employees if the business moves within the redevelopment project area. Provides that moneys transferred to a chamber of commerce not used or pledged within one year of transfer of the moneys shall be returned to the municipality and are designated surplus funds of the redevelopment project area. Adds nonvoting members to joint review boards. Provides that, if a school district or community college district does not approve of the creation of a redevelopment project area, then the portion of the taxes attributable to the increase in the current equalized assessed valuation which would be payable to the nonconsenting district shall be paid to that district. Amends the Affordable Housing Planning and Appeal Act. In provisions requiring non-exempt local governments to approve an affordable housing plan, provides that, in addition to other requirements, the affordable housing plan must consist of a description of any housing market conditions, infrastructure limitations, local government ordinances, local policies or practices that do not affirmatively further fair housing as defined in the federal Fair Housing Act, and other local factors that constrain the local government's ability to create and preserve affordable housing. Requires the plan to also include potential strategies to eliminate or mitigate the specified constraints. Provides that the plan must set forth certain benchmark goals for new affordable housing developments or redevelopments; as well as proposed timelines, within the first 24 months after the date upon which the affordable housing plan was adopted, for actions to implement the components of the affordable housing plan. Provides that no later than 36 months after adopting or updating an affordable housing plan, the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Contains provisions concerning the review of affordable housing plans by the State Housing Appeals Board (Board); membership on the Board; and other matters.

Senate Floor Amendment No. 1

Senator Ann Gillespie
SB 01476 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning benchmarks a non-exempt local government must aim to accomplish under its affordable housing plan, provides that the local government shall aim to have a minimum of 15% (rather than 40%) of affordable housing within its jurisdiction. Removes a provision requiring affordable housing plans from local governments to be subject to review by the State Housing Appeals Board. Requires the Illinois Housing Development Authority (IHDA) to post each affordable housing plan submitted by a local government on the IHDA website. Restores a provision providing that a non-exempt local government may not enter into an intergovernmental agreement with any local government that contains more than 25% affordable housing. Changes the filing date from January 1, 2024 to January 1, 2026 upon which an affordable housing developer or municipal resident may appeal a municipality's decision to deny or impose conditions on a proposed affordable housing development. Replaces all references to "plaintiff" with "appellant". In provisions concerning the Housing Appeals Board, provides that on and after the effective date of the amendatory Act, the Housing Appeals Board shall consist of 5 members appointed by the Governor (rather than providing that prior to January 1, 2008, a Housing Appeals Board shall be created consisting of 7 members appointed by the Governor). In provisions concerning membership on the Board, provides that initial terms of 3 (rather than 4) members designated by the Governor under the amendatory Act shall be for 2 years; and that initial terms of 2 (rather than 3) members designated by the Governor under the amendatory Act shall be for one year. Provides that the terms of members serving on the Housing Appeals Board before the effective date of the amendatory Act expire on the effective date of the amendatory Act. In the definition of "affordable housing", removes language providing that the costs of parking, maintenance, or landlord-imposed fees, as provided by a municipality's regional planning commission, are to be included in the calculation of affordable housing. Redefines "exempt local government" to mean any local government in which at least 35% of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority or any municipality with a population under 2,500 (rather than "exempt local government" means any local government in which the percentage of its total year-round housing units that are affordable is greater than the 20th percentile of all local governments, as determined by the Illinois Housing Development Authority, or any municipality with a population under 1,000). Removes the definition of "high cost housing community" or "nonexempt local government".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that to comply with the Act's affordable housing plan requirements, no later than 4 years (rather than 36 months) after adopting or updating an affordable housing plan the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Restores the number of members on the State Housing Appeals Board to 7 (rather than reducing the number to 5). Provides that the Board shall include a retired circuit judge, a retired appellate judge, a current or retired administrative law judge, or a practicing or retired attorney with experience in the area of land use law or related field, who shall act as chairperson (rather than a current or retired circuit judge, appellate judge, administrative law judge, or attorney with experience in the area of land use law, who shall act as chairperson). Provides that 4 (rather than 3) of the Board members shall be selected from among certain categories. Includes an affordable housing developer among the possible selected members. Provides that at least 3 (rather than one) of the appointments shall be from a local government that is non-exempt under the Act. Provides that the initial terms of 4 (rather than 3 of the) members shall be for 2 years; and the initial terms of 3 (rather than 2 of the) members shall be for one year. Permits the following persons to file an appeal to the Board if a proposed affordable housing development was denied by a municipality or approved with conditions that in the appellant's judgment render the provision of affordable housing infeasible: (i) the affordable housing developer of the proposed affordable housing development; (ii) a person who would be eligible to apply for residency in the proposed affordable housing development; or (iii) a housing organization whose geographic focus area includes the municipality, or county if in an unincorporated area, where the proposed affordable housing development is located. Makes other changes.

730 ILCS 166/35
730 ILCS 167/35
730 ILCS 168/35

Amends the Criminal Identification Act. Provides that, in anticipation of the successful completion of a diversion program, a petitioner may file a petition for expungement at least 61 days before the anticipated dismissal of the case. Provides that, if a petition is filed, and upon the successful completion of the diversion program and dismissal of the case, the court shall review the petition and shall grant expungement if the petitioner meets all requirements. Amends the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act to make conforming changes.

Senate Committee Amendment No. 1

In provisions amending the Criminal Identification Act concerning time frames for filing a petition to expunge, provides that, in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, a petition for expungement may be filed 61 days or more before the anticipated dismissal of the case and, upon successful completion of the program and dismissal of the case, the court shall review the petition of the person graduating from the program and shall grant expungement if the petitioner meets all requirements as specified in any applicable statute. Makes grammatical changes and changes to cross-references. Adds an immediate effective date.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Corrects typographical errors in Senate Amendment No. 1 in the placement of provisions relating to the time frame for filing a petition to expunge in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, and provides that the petition may be filed 61 days before the anticipated dismissal of the case or any time thereafter (rather than 61 days or before the anticipated dismissal of the case). In the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act, provides that a participant may file a petition to expunge the associated records pursuant to the Criminal Identification Act, including filing a petition in advance of anticipated vacatur and dismissal (rather than file a petition to expunge vacated convictions and the associated underlying records under specified provisions of the Criminal Identification Act). Removes from those Acts a reference to filing the petition at least 61 days before the anticipated dismissal of a case. Effective immediately.

Amends the Children with Disabilities Article of the School Code. Provides that the State Board of Education shall maintain and operate, or contract for (instead of being empowered to establish, maintain, and operate or contract for) the operation of a permanent statewide residential education facility (instead of statewide service center), known as the Philip J. Rock Center and School. Provides that the State Board of Education shall include a line item in its budget to pay the costs of operating and maintaining the Philip J. Rock Center and School. Limits the specified services provided by the Philip J. Rock Center and School to eligible deaf-blind persons of all ages to being subject to appropriated funding for those specified services. Makes changes concerning provided services. Provides that for the purposes of employment, the Philip J. Rock Center and School shall be considered its own employer. Provides that the State Board of Education shall appoint a Chief Administrator of the Philip J. Rock Center and School who shall be employed by the Philip J. Rock Center and School. Specifies the duties of the Chief Administrator. Sets forth provisions concerning a student with an individualized education program at the Philip J. Rock Center and School. Makes changes concerning the Advisory Board for the Philip J. Rock Center and School. Makes other changes.

Makes changes concerning who qualifies as a person with deaf-blindness and who is eligible for deaf-blind services. Changes references of "auditory" to "hearing". Makes changes concerning the services the Philip J. Rock Center and School shall include.

Senate Floor Amendment No. 2

Senator Suzy Glowiak Hilton
SB 03768 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 1 with the following changes. Changes references of "deaf-blind" to "deafblind". Provides that the Philip J. Rock Center and School shall service eligible students between the ages of 3 and 21, unless the student's 22nd birthday occurs during the school year, in which case the student is eligible for such services through the end of the school year (instead of providing that the School serves eligible children between the ages of 3 and 22). Removes the requirement that, in accordance with a student's individualized education program, the Philip J. Rock Center and School make every attempt to provide a free appropriate public education pursuant to the federal Individuals with Disabilities Education Act of 2001 to a student placed in its residential educational facility either in its own program or within a local school district program that is appropriate to the child and contracted for by the Philip J. Rock Center and School. Makes typographical and grammatical corrections.

Deletes reference to:

215 ILCS 105/1

Adds reference to:

215 ILCS 120/10

from Ch. 73, par. 1260

Replaces everything after the enacting clause. Amends the Farm Mutual Insurance Company Act of 1986. Provides that, until the date that is 5 years after the effective date of the amendatory Act, a farm mutual insurance company insuring against the perils of wind or hail must have and maintain adequate catastrophic reinsurance (instead of catastrophic reinsurance which limits the company's exposure on any one loss occurrence to 20% of its policyholders' surplus). Defines "adequate catastrophic reinsurance" as reinsurance in an amount no less than that required for a 500-year event, based on an actuarially sound catastrophe model that limits the company's exposure on any one loss occurrence to (i) 20% of its policyholders' surplus or (ii) an amount authorized by the Director of Insurance. Provides that a farm mutual insurance company must additionally have and maintain aggregate reinsurance coverage in an amount no less than that required for a 250-year event, based on an actuarially sound catastrophe model. Provides that the reinsurance permitted or required under the provisions must be provided by (i) a farm mutual insurance company, (ii) an insurance company authorized to write the kinds of insurance described in the Illinois Insurance Code pertaining to casualty, fidelity, surety, fire, marine, and other types of insurance, or (iii) a reinsurer and reinsurance program meeting the standards set forth in the Illinois Insurance Code that permit a domestic company to take credit for reinsurance. Requires a farm mutual insurance company converting from unlimited catastrophic reinsurance to adequate catastrophic reinsurance to provide notice of the change to policyholders in a form approved by the Director of Insurance. Provides that the provisions of the amendatory Act become inoperative on and after the date that is 5 years after the effective date of the amendatory Act. Effective immediately.

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code. In a provision concerning service credit for accumulated unused sick leave, provides that if the employee was in the service of more than one employer or regional office of education (instead of more than one employer), then sick leave days from all such employers shall be credited. Amends the School Code. Provides that beginning July 1, 2023, all regional superintendents of schools shall receive the same salary regardless of the population of the region they serve. Provides that the salary for all regional superintendents shall be equal to the middle annual salary tier. Makes a change concerning the posting of information on the institute fund. Repeals a provision of the Code that prohibits regional superintendents from practicing or from holding themselves out as practicing any other profession. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

The fiscal impact of SB 1924 is not known, as the number of employees of regional offices of education who would receive pensionable service credit for unused, unpaid sick leave from multiple employers is not known. To the extent that service credit up to one year would be provided for employees who would have previously not been eligible to combine sick leave credit from multiple employers, there would be a slight negative impact to the IMRF employer that would assume the liability associated with the additional service credit being granted.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1924 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note ()

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1924, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

20 ILCS 505/1.1

Adds reference to:

Senator Don Harmon**SB 00860 (CONTINUED)**

20 ILCS 1705/15.4

Replaces everything after the enacting clause. Amends the Mental Health and Developmental Disabilities Administrative Act. In provisions requiring the Department of Human Services to develop a medication administration training program for authorized directed staff at certain facilities for individuals with a developmental disability, provides that non-licensed authorized direct care staff must (i) score 100% on the competency-based assessment demonstrating proficiency in the skill of administering medication and (ii) have received additional competency-based assessment by the nurse-trainer whenever it is determined that additional skill development and training is needed to administer a medication. Provides that to assist each individual in attaining the highest possible level of independent functioning, an individual's total health care program shall include individual training in preventive health and self-administration of medication procedures (rather than training in preventive health and self-medication procedures). Requires each program to adopt written policies and procedures for assisting individuals who choose to obtain preventative health and self-administration of medication skills in consultation with a registered professional nurse, advanced practice registered nurse, physician assistant, or licensed physician. For quality assurance, requires a registered professional nurse, advanced practice registered nurse, licensed practical nurse, licensed physician, physician assistant, or pharmacist to review medication labels, including medications listed on the medication administration record for individuals who are not self-administering medication. Adds auto-injectors (rather than epinephrine auto-injectors) to the definition of "medications". Defines "insulin in an injectable or auto-injectable form" (rather than "insulin in an injectable form"). Defines "GLP-1 receptor agonists in an injectable or auto-injectable form". Makes other changes.

Amends the Hospital Services Trust Fund Article of the Illinois Public Aid Code. Increases by 20% hospital reimbursement rates for dates of service on and after January 1, 2024, for specified services, including, but not limited to: inpatient general acute care services; inpatient psychiatric services for safety-net hospitals; general acute care hospitals that are not safety-net hospitals; and outpatient general acute care services. SB 02042 (CONTINUED)

Amends the Juvenile Court Act of 1987. Establishes procedures for determining whether a child is fit to stand trial. Provides that the procedures apply to a child under the age of 21, regardless of whether the person is subject to the Act or prosecuted under the criminal laws of the State. Provides that unfitness may result from the presence of any condition or confluence of conditions, including, but not limited to, mental illness, substance use disorder, developmental disability, chronological immaturity, relative immaturity, or child traumatic stress. Provides that a diagnosis is not required for a finding of unfitness. Provides that a child is unfit when the child either: (1) lacks sufficient present ability to consult with the child's attorney with a reasonable degree of rational understanding, as evidenced by lacking the ability to disclose to the attorney facts pertinent to the proceedings at issue and to assist in the child's defense; or (2) lacks a rational or a factual understanding of the proceedings against the child, as evidenced by certain specified factors. Provides that the issue of the child's fitness to stand trial, to plead, or to be sentenced may be raised by the child's attorney, the State, or the court at any time before a plea is entered or before, during, or after trial. Provides that in making determinations on the issue of a child's fitness, the following burdens of proof and presumptions shall apply: (1) when the court finds a bona fide doubt as to the fitness of a child, the State bears the burden of proving that the child is fit by clear and convincing evidence; and (2) a child who is receiving medication shall not be presumed to be fit or unfit to stand trial solely by virtue of the receipt of that medication. Provides that the Illinois Juvenile Justice Commission shall develop and recommend mechanisms to collect and analyze data, disaggregated by race, ethnicity, gender, geography, age, and socioeconomic status, resulting from the implementation of these provisions. Provides that the report and recommendations shall be submitted to the General Assembly on or before January 1, 2024. Contains a severability provision. Effective July 1, 2023.

Amends the School Code. Requires a non-public school to perform a check of the Statewide Murderer and Violent Offender Against Youth Database (in addition to the Statewide Sex Offender Database) of applicants and once every 5 years and persons employed by the school to determine whether the applicant has been adjudicated a sex offender, of a sex offense, or of a murder or other violent crime against youth. Extends the grants for preschool educational programs 2028-2029 school year (rather than the 2023-2024 school year). Provides that a school district may adopt a policy to waive tuition costs for a non-resident pupil if the pupil is a child of a district employee. Provides that, until June 30, 2028 (rather than June 30, 2023), applicants may apply to the State Board of Education for issuance of a 5-year Short-Term Substitute Teaching License. Makes conforming changes. Modifies the Alternative Educator Licensure Program by removing the requirement for a second year of residency (changing to only if recommended by the principal and program coordinator). Provides that, if the residency period is to be less than 2-years in length, the partner school districts must provide assurances that the district will provide intensive mentoring and supports through at least the end of the second full year of teaching for educators who completed the Program in less than 2 years. Effective immediately.

Senate Committee Amendment No. 2

Provides that the residency program for alternative educator licensure shall be comprised of 3 phases (instead of 4). Provides that in residency, the candidate must: be assigned an effective, fully licensed teacher by the principal or principal equivalent to act as a mentor and coach the candidate through residency. In provisions concerning the alternative educator endorsement, provides that the individual may complete a major in the content area of early childhood reading (instead of reading).

Amends the Illinois Power of Attorney Act. Makes it unlawful for a third party to unreasonably refuse to honor a statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution. Provides that it is unreasonable for a third party to refuse to honor a statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution, if the only reason for the refusal is any of the following: (1) the power of attorney is not on a form the third party receiving such power prescribes regardless of any form the terms of any account agreement between the account holder and third party requires; (2) there has been a lapse of time since the execution of the power of attorney; (3) on the face of the statutory short form power of attorney, there is a lapse of time between the date of acknowledgment of the signature of the principal and the date of the acceptance by the agent; (4) the document provided does not bear an original signature, original witness, or original notarization but is accompanied by an attorney-certified copy; or (5) the document appoints an entity as the agent.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the following. Amends the Illinois Power of Attorney Act. Provides that it is unreasonable for a third party to refuse to honor an Illinois statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution, if the only reason for the refusal is any of the following: (1) the power of attorney is not on a form required by the terms of any account agreement between the account holder and third party; (2) there has been a lapse of time since the execution of the power of attorney; (3) on the face of the statutory short form power of attorney, there is a lapse of time between the date of acknowledgment of the signature of the principal and the date of the acceptance by the agent; (4) the document provided does not bear an original signature, original witness, or original notarization but is accompanied by a properly executed Agent's Certification and Acceptance of Authority, Successor Agent's Certification and Acceptance of Authority, or Co-Agent's Certification and Acceptance of Authority bearing the original signature of the named agent; or (5) the document appoints an entity as the agent. Nothing in this Section shall be interpreted as prohibiting or limiting a third party from requiring the named agent to furnish a properly executed Agent's Certification and Acceptance of Authority, Successor Agent's Certification and Acceptance of Authority, or Co-Agent's Certification and Acceptance of Authority. Provides multiple reasons for which it shall be deemed reasonable cause for a third party to refuse to honor a power of attorney for property.

(Rep. Terra Costa Howard)

105 ILCS 5/14-11.02

from Ch. 122, par. 14-11.02

Amends the Children with Disabilities Article of the School Code. Provides that the State Board of Education shall maintain and operate, or contract for (instead of being empowered to establish, maintain, and operate or contract for) the operation of a permanent statewide residential education facility (instead of statewide service center), known as the Philip J. Rock Center and School. Provides that the State Board of Education shall include a line item in its budget to pay the costs of operating and maintaining the Philip J. Rock Center and School. Limits the specified services provided by the Philip J. Rock Center and School to eligible deaf-blind persons of all ages to being subject to appropriated funding for those specified services. Makes changes concerning provided services. Provides that for the purposes of employment, the Philip J. Rock Center and School shall be considered its own employer. Provides that the State Board of Education shall appoint a Chief Administrator of the Philip J. Rock Center and School who shall be employed by the Philip J. Rock Center and School. Specifies the duties of the Chief Administrator. Sets forth provisions concerning a student with an individualized education program at the Philip J. Rock Center and School. Makes changes concerning the Advisory Board for the Philip J. Rock Center and School. Makes other changes.

Senate Committee Amendment No. 1

Makes changes concerning who qualifies as a person with deaf-blindness and who is eligible for deaf-blind services. Changes references of "auditory" to "hearing". Makes changes concerning the services the Philip J. Rock Center and School shall include.

Senate Floor Amendment No. 2

Senator Don Harmon
SB 03768 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 1 with the following changes. Changes references of "deaf-blind" to "deafblind". Provides that the Philip J. Rock Center and School shall service eligible students between the ages of 3 and 21, unless the student's 22nd birthday occurs during the school year, in which case the student is eligible for such services through the end of the school year (instead of providing that the School serves eligible children between the ages of 3 and 22). Removes the requirement that, in accordance with a student's individualized education program, the Philip J. Rock Center and School make every attempt to provide a free appropriate public education pursuant to the federal Individuals with Disabilities Education Act of 2001 to a student placed in its residential educational facility either in its own program or within a local school district program that is appropriate to the child and contracted for by the Philip J. Rock Center and School. Makes typographical and grammatical corrections.

from Ch. 73, par. 1260

Senator Napoleon Harris, III
SB 00765 (CONTINUED)

Replaces everything after the enacting clause. Amends the Farm Mutual Insurance Company Act of 1986. Provides that, until the date that is 5 years after the effective date of the amendatory Act, a farm mutual insurance company insuring against the perils of wind or hail must have and maintain adequate catastrophic reinsurance (instead of catastrophic reinsurance which limits the company's exposure on any one loss occurrence to 20% of its policyholders' surplus). Defines "adequate catastrophic reinsurance" as reinsurance in an amount no less than that required for a 500-year event, based on an actuarially sound catastrophe model that limits the company's exposure on any one loss occurrence to (i) 20% of its policyholders' surplus or (ii) an amount authorized by the Director of Insurance. Provides that a farm mutual insurance company must additionally have and maintain aggregate reinsurance coverage in an amount no less than that required for a 250-year event, based on an actuarially sound catastrophe model. Provides that the reinsurance permitted or required under the provisions must be provided by (i) a farm mutual insurance company, (ii) an insurance company authorized to write the kinds of insurance described in the Illinois Insurance Code pertaining to casualty, fidelity, surety, fire, marine, and other types of insurance, or (iii) a reinsurer and reinsurance program meeting the standards set forth in the Illinois Insurance Code that permit a domestic company to take credit for reinsurance. Requires a farm mutual insurance company converting from unlimited catastrophic reinsurance to adequate catastrophic reinsurance to provide notice of the change to policyholders in a form approved by the Director of Insurance. Provides that the provisions of the amendatory Act become inoperative on and after the date that is 5 years after the effective date of the amendatory Act. Effective immediately.

SB 01476 (CONTINUED)

Amends the Affordable Housing Planning and Appeal Act. In provisions requiring non-exempt local governments to approve an affordable housing plan, provides that, in addition to other requirements, the affordable housing plan must consist of a description of any housing market conditions, infrastructure limitations, local government ordinances, local policies or practices that do not affirmatively further fair housing as defined in the federal Fair Housing Act, and other local factors that constrain the local government's ability to create and preserve affordable housing. Requires the plan to also include potential strategies to eliminate or mitigate the specified constraints. Provides that the plan must set forth certain benchmark goals for new affordable housing developments or redevelopments; as well as proposed timelines, within the first 24 months after the date upon which the affordable housing plan was adopted, for actions to implement the components of the affordable housing plan. Provides that no later than 36 months after adopting or updating an affordable housing plan, the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Contains provisions concerning the review of affordable housing plans by the State Housing Appeals Board (Board); membership on the Board; and other matters.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning benchmarks a non-exempt local government must aim to accomplish under its affordable housing plan, provides that the local government shall aim to have a minimum of 15% (rather than 40%) of affordable housing within its jurisdiction. Removes a provision requiring affordable housing plans from local governments to be subject to review by the State Housing Appeals Board. Requires the Illinois Housing Development Authority (IHDA) to post each affordable housing plan submitted by a local government on the IHDA website. Restores a provision providing that a non-exempt local government may not enter into an intergovernmental agreement with any local government that contains more than 25% affordable housing. Changes the filing date from January 1, 2024 to January 1, 2026 upon which an affordable housing developer or municipal resident may appeal a municipality's decision to deny or impose conditions on a proposed affordable housing development. Replaces all references to "plaintiff" with "appellant". In provisions concerning the Housing Appeals Board, provides that on and after the effective date of the amendatory Act, the Housing Appeals Board shall consist of 5 members appointed by the Governor (rather than providing that prior to January 1, 2008, a Housing Appeals Board shall be created consisting of 7 members appointed by the Governor). In provisions concerning membership on the Board, provides that initial terms of 3 (rather than 4) members designated by the Governor under the amendatory Act shall be for 2 years; and that initial terms of 2 (rather than 3) members designated by the Governor under the amendatory Act shall be for one year. Provides that the terms of members serving on the Housing Appeals Board before the effective date of the amendatory Act expire on the effective date of the amendatory Act. In the definition of "affordable housing", removes language providing that the costs of parking, maintenance, or landlord-imposed fees, as provided by a municipality's regional planning commission, are to be included in the calculation of affordable housing. Redefines "exempt local government" to mean any local government in which at least 35% of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority or any municipality with a population under 2,500 (rather than "exempt local government" means any local government in which the percentage of its total year-round housing units that are affordable is greater than the 20th percentile of all local governments, as determined by the Illinois Housing Development Authority, or any municipality with a population under 1,000). Removes the definition of "high cost housing community" or "nonexempt local government".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that to comply with the Act's affordable housing plan requirements, no later than 4 years (rather than 36 months) after adopting or updating an affordable housing plan the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Restores the number of members on the State Housing Appeals Board to 7 (rather than reducing the number to 5). Provides that the Board shall include a retired circuit judge, a retired appellate judge, a current or retired administrative law judge, or a practicing or retired attorney with experience in the area of land use law or related field, who shall act as chairperson (rather than a current or retired circuit judge, appellate judge, administrative law judge, or attorney with experience in the area of land use law, who shall act as chairperson). Provides that 4 (rather than 3) of the Board members shall be selected from among certain categories. Includes an affordable housing developer among the possible selected members. Provides that at least 3 (rather than one) of the appointments shall be from a local government that is non-exempt under the Act. Provides that the initial terms of 4 (rather than 3 of the) members shall be for 2 years; and the initial terms of 3 (rather than 2 of the) members shall be for one year. Permits the following persons to file an appeal to the Board if a proposed affordable housing development was denied by a municipality or approved with conditions that in the appellant's judgment render the provision of affordable housing infeasible: (i) the affordable housing developer of the proposed affordable housing development; (ii) a person who would be eligible to apply for residency in the proposed affordable housing development; or (iii) a housing organization whose geographic focus area includes the municipality, or county if in an unincorporated area, where the proposed affordable housing development is located. Makes other changes.

Amends the Illinois Vehicle Code. Provides that in a county having a population of 3,000,000 or more, the county sheriff shall establish with other law enforcement agencies a vehicle theft hotline to facilitate the location of stolen vehicles via their installed existing global positioning systems, collaborate with vehicle manufacturers and dealers to provide information and assistance to law enforcement officers in the investigation of vehicle theft, and ensure that consumers are provided with information concerning the hotline and any new or used vehicle manufactured with a global positioning system by publishing the information in a conspicuous location on the county sheriff's website. Provides that the manufacturer of any vehicle sold in this State shall establish a hotline available to State, county, and local law enforcement agencies exclusively for the purposes of law enforcement information sharing and the electronic tracking of vehicles stolen in vehicular hijacking incidents or that have been used in the commission of kidnapping, aggravated battery with a firearm, attempted homicide, or homicide. Provides that the manufacturer's hotline shall relay vehicle location information, including real-time vehicle location information whenever possible, to the 9-1-1 call center or designated dispatch center for the responding agency, to the best of the manufacturer's technical capability. Requires State, county, and local law enforcement agencies to use their respective 9-1-1 system call centers or designated dispatch centers for the purpose of verification of law enforcement officers' identities and bona fide incident report numbers related to incidents. Requires manufacturers to prepare written statements detailing tracking and disabling system capabilities and make them available to State, county, and local law enforcement agencies upon request. Requires that, if a vehicle is not subscribed to the manufacturer's tracking service, the manufacturer of any vehicle sold in this State shall waive all fees associated with initiating, renewing, reestablishing, or maintaining the location, disabling, or alert service with which the vehicle is equipped during a law enforcement response or investigation of specified offenses.

Amends the Child Labor Law. Provides that upon reaching the age of majority, any individual who was a minor engaged in the work of vlogging may request the permanent deletion of any video segment including the likeness, name, or photograph of the individual from any online platform that provided compensation to the individual's parent or parents in exchange for that video content. Provides that a vlogger who features a minor child in a specified amount of the vlogger's content shared on an online platform must set aside a specified amount of gross earnings on the video content in a trust account to be preserved for the benefit of the minor upon reaching the age of majority. Provides for the requirements of the trust account. Defines terms.

Senate Floor Amendment No. 1

Removes language permitting any minor engaged in the work of vlogging to request the permanent deletion of any video segment that includes the minor's likeness, name, or photograph from any online platform that provided compensation to the minor's parent in exchange for the video content. Removes language requiring contracts between a vlogger and an online platform for the use of video that features the vlogger's minor child to include notification of the minor's future rights. Removes a provision permitting a minor to engage in the work of vlogging if the minor is compensated and the minor's privacy rights are protected. Instead sets forth certain information a vlogger is required to annually report to the Department of Labor, including, but not limited to: (i) the name and documentary proof of the age of the minor engaged in the work of vlogging; (ii) the number of vlogs that generated compensation during the reporting period; and (iii) the total number of minutes each minor was featured in vlogs during the reporting period. Provides that the minor may commence a civil action if a vlogger fails to report the required information. Provides that if a vlogger knowingly or recklessly violates certain provisions that require a vlogger to set aside a minor's earnings from video content in an established trust account, the minor may commence an action to enforce those provisions and, if the minor prevails, the court may award the minor actual damages, punitive damages, and the costs of the action. Makes other changes. Makes the bill effective January 1, 2024.

House Floor Amendment No. 2

Amends the Recorder Division of the Counties Code. Removes a requirement that a recorder be commissioned by the Governor. Provides that the chief deputy recorder (rather than the deputy recorder) shall be the recorder when the elected recorder is in active military service and that the chief deputy recorder shall receive the same compensation as the recorder during this time unless already receiving higher compensation than the recorder. Allows storage of certain information or documents in databases rather than only in books. Removes provisions repealing a Section concerning a mechanics lien demand and referral pilot program that would have otherwise repealed on January 1, 2024. Provides that the recorder may accept facsimile or other photographic or photostatic copies of the signatures of parties executing documents without labeling those signatures as copies if they are digital signatures offered in compliance with federal or State law. In provisions relating to documents received stating that a mortgage or lien is to be filed but not recorded, provides that the document will be marked filed only upon payment of a fee equal to what would be charged if the document were to be recorded. Provides that a recorder may waive the fee for additional copies of certificates of discharge or release from active duty if the recorder deems collecting the fee to be a burden to the county and the fee is waived for all requesting copies of these documents. Removes and repeals provisions relating to the time for opening and closing the recorder's office. Increases the fee for violations relating to recording a map, plat, or subdivision of land to \$1,000 (rather than \$200). Replaces pronouns with gender-neutral terms. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Restores language requiring a recorder to be commissioned by the Governor. Restores a language repealing provisions on January 1, 2024 relating to mechanics lien demands and a referral pilot program. Provides that a recorder may waive the fee for reasonable requests for additional copies (rather than waive the fee for additional copies) if the recorder deems collecting the fee to be a burden to the county and waives the fee for all such requests. Provides that the recorder shall indorse on an instrument in writing that is recorded in the recorder's office the time when the instrument was accepted for recordation (rather than accepted or received for recordation). Makes other changes. Further amends the Counties Code. Adds nonstandard document predictable fees to the predictable fee schedules for recording deeds and other instruments. Makes changes relating to classification of documents for filing, procedures to increase a predictable fee, and certified and non-certified fees. Repeals the existing provisions regarding predictable fee schedules and nonstandard document fees. Effective January 1, 2024 (rather than immediately).

Senator Mattie Hunter**SB 00333 (CONTINUED)**

Amends the Criminal Identification Act. Creates procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In the new procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility, provides that the procedures are an exception to the other requirements of the existing provisions. In the procedure regarding notification of law enforcement of a sexual assault survivor, provides that the healthcare provider must advise the survivor about the options for timing of the law enforcement notification, ask the survivor if the survivor has been threatened, and offer to connect the survivor with a rape crisis center for safety planning, if appropriate, and provides that the documentation required to show a survivor's decision regarding notification of law enforcement must include confirmation that the healthcare provider asked the survivor if the survivor has been threatened. Moves language stating that the provisions do not change the obligations of mandated reporters under specified Acts. Amends the Nurse Practice Act. Provides that registered professional nursing practice is a scientific process founded on a professional body of knowledge. It is a learned profession based on the understanding of the human condition across the life span and environment, includes all nursing specialties, and means the performance of any nursing act based upon professional knowledge, judgment, and skills acquired by means of completion of an approved professional nursing education program. Provides that registered professional nurses may delegate nursing interventions and tasks (rather than nursing interventions) to other registered professional nurses and licensed practical nurses based on a comprehensive nursing assessment. Provides that registered professional nurses may delegate tasks to unlicensed personnel based on a comprehensive nursing assessment. Provides that a registered professional nurse is prohibited from delegating work requiring nursing knowledge, assessment, judgment, inference, decision making (including medication administration), the development of a plan of care, and the evaluation of a plan of care to unlicensed non-nurse personnel. New Act
820 ILCS 154/35 new

Senator Mattie Hunter
SB 02034 (CONTINUED)

Creates the Child Extended Bereavement Leave Act. Provides that the Act may be referred to as Zachary's Parent Protection Act. Provides that an employee of a large employer that employs 250 or more full-time employees is entitled to use a maximum of 12 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that an employee of a small employer that employs at least 50 but fewer than 250 full-time employees is entitled to use a maximum of 6 weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide. Provides that leave may be taken in a single continuous period or intermittently in increments of no less than 4 hours, but leave must be completed within one year after the employee notifies the employer of the loss. Permits an employer to require reasonable advance notice of the employee's intention to leave and reasonable documentation. Provides that an employee who takes leave under the Act is entitled to be restored to the position of employment held by the employee when the leave commenced or to be restored to an equivalent position. Provides that nothing in the Act shall be construed to entitle any restored employee the accrual of any seniority or employment benefits during any period of leave. Provides that the Act does not extend the maximum period of leave to which an employee is entitled under the federal Family and Medical Leave Act of 1993 or under any other paid or unpaid leave provided under federal, State or local law, a collective bargaining agreement, or an employment benefits program or plan. Prohibits an employer from taking any adverse action against an employee who exercises his or her rights under the Act. Requires the Department of Labor to enforce the Act. Provides that a person who uses leave under either the Child Bereavement Leave Act or the Child Extended Bereavement Leave Act may not take leave under the other Act, and amends the Child Bereavement Leave Act accordingly.

Senate Floor Amendment No. 1

Provides that after concluding its investigation concerning the administration and enforcement of the Act, the Director of Labor shall notify all parties of the determination. Provides that the Director shall issue a notice of violation when the investigation has established that a violation of any part of the Act occurred or is occurring. Provides that the Department of Labor shall serve notice on the parties by certified U.S. mail, postage prepaid, return receipt requested, addressed to the last known address of the parties. Provides that within 20 days after the date of service, a party may request a hearing by certified mail or personal delivery to the Department. Provides that an employee who believes his or her rights under the Act have been violated may, within one year (rather than 60 days) after the date of the last event constituting the alleged violation for which the action is brought, file a complaint with the Department or file a civil action. In the definition of "employee" removes a provision that excludes a salaried employee who is among the highest paid 10% of the employees employed by the employer.

House Floor Amendment No. 1

Provides that the "Employee" does not include full-time employees of the State of Illinois, except for those employees who are not otherwise eligible for family responsibility leave or a leave of absence without pay.

SB 02042 (CONTINUED)

Amends the Juvenile Court Act of 1987. Establishes procedures for determining whether a child is fit to stand trial. Provides that the procedures apply to a child under the age of 21, regardless of whether the person is subject to the Act or prosecuted under the criminal laws of the State. Provides that unfitness may result from the presence of any condition or confluence of conditions, including, but not limited to, mental illness, substance use disorder, developmental disability, chronological immaturity, relative immaturity, or child traumatic stress. Provides that a diagnosis is not required for a finding of unfitness. Provides that a child is unfit when the child either: (1) lacks sufficient present ability to consult with the child's attorney with a reasonable degree of rational understanding, as evidenced by lacking the ability to disclose to the attorney facts pertinent to the proceedings at issue and to assist in the child's defense; or (2) lacks a rational or a factual understanding of the proceedings against the child, as evidenced by certain specified factors. Provides that the issue of the child's fitness to stand trial, to plead, or to be sentenced may be raised by the child's attorney, the State, or the court at any time before a plea is entered or before, during, or after trial. Provides that in making determinations on the issue of a child's fitness, the following burdens of proof and presumptions shall apply: (1) when the court finds a bona fide doubt as to the fitness of a child, the State bears the burden of proving that the child is fit by clear and convincing evidence; and (2) a child who is receiving medication shall not be presumed to be fit or unfit to stand trial solely by virtue of the receipt of that medication. Provides that the Illinois Juvenile Justice Commission shall develop and recommend mechanisms to collect and analyze data, disaggregated by race, ethnicity, gender, geography, age, and socioeconomic status, resulting from the implementation of these provisions. Provides that the report and recommendations shall be submitted to the General Assembly on or before January 1, 2024. Contains a severability provision. Effective July 1, 2023.

Amends the Early Childhood Workforce Act. Creates the Early Childhood Workforce Standards Board (Board). Provides that Board members must be appointed within 60 days after the effective date of the amendatory Act. Sets forth the Board's membership. Provides that for State Fiscal Year 2025, and for each state fiscal year thereafter, the Board shall: (1) determine an hourly wage floor, and salaried equivalent, for workers in State-funded early childhood programs which the Board believes will serve to recruit and retain early childhood workers; and (2) determine minimum increments above the wage floor as may be necessary to retain workers in State-funded early childhood programs such as for years of experience or job title. Provides that subject to appropriation, beginning in State Fiscal Year 2025 the Department of Human Services shall implement and administer a program making grants to early childhood worker training programs that value experience, inclusion, equity, and racial justice; and center worker voices and needs such as mentorship, apprenticeships, and peer-led learning. Amends the School Code. Provides that in order to ensure the quality and continuity of services, within 6 months after the effective date of the amendatory Act, all grant agreements shall require each child care center to (i) comply with the wage floor and compensation policies set forth in the Early Childhood Workforce Act, (ii) report quarterly up-to-date contact information for staff to the Department to allow the State Board of Education to communicate with the workers about their rights and supports available to them, (iii) supply the State Board of Education with current copies of its wage scales for classroom and support staff and other matters, and (iv) reconcile expenses quarterly and annually submit a year-end comprehensive financial report in a form prescribed by the State Board of Education. Imposes similar requirements on child care centers in a purchase of service contract with the Department of Human Services under its Child Care Assistance Program.

Senate Floor Amendment No. 2

Senator Mattie Hunter
SB 02626 (CONTINUED)

Replaces everything after the enacting clause with the introduced bill, as amended by Senate Amendment No. 1, with the following changes. Corrects typographical errors in Senate Amendment No. 1 in the placement of provisions relating to the time frame for filing a petition to expunge in anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, and provides that the petition may be filed 61 days before the anticipated dismissal of the case or any time thereafter (rather than 61 days or before the anticipated dismissal of the case). In the Drug Court Treatment Act, the Veterans and Servicemembers Court Treatment Act, and the Mental Health Court Treatment Act, provides that a participant may file a petition to expunge the associated records pursuant to the Criminal Identification Act, including filing a petition in advance of anticipated vacatur and dismissal (rather than file a petition to expunge vacated convictions and the associated underlying records under specified provisions of the Criminal Identification Act). Removes from those Acts a reference to filing the petition at least 61 days before the anticipated dismissal of a case. Effective immediately.

Amends the Juvenile Court Act of 1987. Provides that in a proceeding under the Delinquent Minors Article of the Act, a minor who was under 18 (rather than under 15) years of age at the time of the commission of an act that if committed by an adult would be a violation of any offense under the Criminal Code of 1961 or the Criminal Code of 2012 (rather than a homicide offense or criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse) must be represented by counsel throughout the entire custodial interrogation of the minor. Provides that in custodial interrogations, a minor may not waive the right to the assistance of counsel. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, is presumed to be inadmissible when the statement is obtained from the minor while the minor is subject to custodial interrogation by a law enforcement officer, State's Attorney, juvenile officer, or other public official or employee prior to the officer, State's Attorney, public official, or employee ensuring that the minor is represented by counsel throughout the custodial interrogation. Provides that an oral, written, or sign language statement of a minor made without counsel present throughout the entire custodial interrogation of the minor shall be inadmissible as evidence against the minor in any juvenile court proceeding or criminal proceeding. Senator Mattie Hunter
SB 03630 (CONTINUED)

Amends the Abused and Neglected Child Reporting Act. Sets forth certain protections that must be provided to the parent or guardian of a child at the center of an abuse or neglect investigation whenever the Department of Children and Family Services refers a child to a board-certified child abuse pediatrician for a medical opinion. Provides that the board-certified child abuse pediatrician must explain to the parent or guardian of the child, whenever the pediatrician has direct contact with the child or the family of the child, that the pediatrician is completing the examination of the child at the request of the Department for the purpose of providing an opinion to the Department regarding whether the mechanism of injury is suspicious for child maltreatment. Provides that the parent or guardian of the child of the center of an investigation shall: (i) be informed of the referral and his or her right to request and receive a copy of the opinion; (ii) be notified that the parent or guardian of the child has the right to obtain, at his or her own expense, and submit to the Department a second medical opinion at any time; (iii) be informed that any second medical opinion submitted to the Department prior to the Department rendering a final determination in the investigation will be considered as inculpatory or exculpatory evidence; and (iv) be notified of the Department's time frames for the investigative process. Requires the Department to annually prepare and make available on the Department's Reports and Statistics webpage a report on the number of children or families referred by the Department to a board-certified child abuse pediatrician as part of an investigation of abuse or neglect by the Department. Sets forth the information that must be contained in the annual reports. Provides that the first report must be posted within 9 months after the effective date of the amendatory Act.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Replaces everything after the enacting clause. Creates the Department of Early Childhood Act. Creates the Department of Early Childhood to begin operation on July 1, 2024 and transfers to it certain rights, powers, duties, and functions currently exercised by various agencies of State Government. Provides that, beginning July 1, 2026 the Department of Early Childhood shall be the lead State agency for administering and providing early childhood education and care programs and services to children and families including: home-visiting services; early intervention services; preschool services; child care services; licensing for day care centers, day care homes, and group day care homes; and other early childhood education and care programs and administrative functions historically managed by the State Board of Education, the Department of Human Services, and the Department of Children and Family Services. Amends the Child Care Act of 1969. Provides that the Department of Early Childhood (rather than the Department of Children and Family Services) administers day care centers, day care homes, and group day care homes. Makes conforming changes to various Acts including the Department of Human Services Act, the Illinois Early Learning Council Act, the Illinois Procurement Code, the School Code, the Illinois Public Aid Code, the Early Intervention Services System Act and the Children and Family Services Act. Effective immediately, except the provisions amending the Child Care Act of 1969 take effect July 1, 2026.

Senate Floor Amendment No. 3

In a provision requiring the transfer of certain personnel from the Departments of Human Services and Children and Family Services to the Department of Early Childhood, provides that the status and rights of the employees and the State of Illinois or its transferring agencies under the Personnel Code, the Illinois Public Labor Relations Act, and applicable collective bargaining agreements, or under any pension, retirement, or annuity plan, shall not be affected by the Department of Early Childhood Act.

415 ILCS 170/20 new

Amends the PFAS Reduction Act. Requires the Environmental Protection Agency to adopt rules that require: (1) the owner or operator of each landfill in the State to establish and implement a plan to identify and address PFAS-contaminated leachate that is generated at the landfill before it migrates off site or is sent off site for treatment or disposal and (2) the owner or operator of each wastewater treatment facility in the State to establish and implement a plan to treat PFAS-contaminated wastewater prior to its discharge from the facility. Provides that owners or operators of landfills or wastewater treatment plants who violate the rules are subject to the same penalties as provided for manufacturers under other provisions of the Act. Authorizes these penalties to be recovered in a civil action brought in the name of the People of the State of Illinois by the State's Attorney of the county in which the violation occurred or by the Attorney General. Specifies that any penalties collected in an action in which the Attorney General has prevailed shall be deposited in the Environmental Protection Trust Fund, to be used in accordance with the provisions of the Environmental Protection Trust Fund Act.

Requires the plan to be submitted to the Governor and the General Assembly by July 1, 2024.

New Act

Senator Adriane Johnson
SB 01909 (CONTINUED)

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. Allows any party aggrieved by a violation of the Act to bring an action against any limited services pregnancy center that has committed such a violation, in which the court may award actual damages and any other relief the court deems proper.
