In Car Camera Report

To whom it may concern,

The Toluca Police received 2 cameras from the grant and both cameras were installed in our 2 patrol vehicles.

The camera systems are set to run whenever the vehicle is turned on and are used to document traffic stops. The chief of police or his designee down loads the video from the vehicle cameras to a secure evidence library when needed or when the camera hard drive gets full. The videos are reviewed monthly or when needed by the chief of police or his designee.

Please see the attached form for the list of events related to the camera's use.

Respectfully Submitted,

Nathan Guest
