Provides that each disposition authority shall file an annual report with the Comptroller, accompanied with a \$25 fee plus \$5 (instead of \$15) for each natural organic reduction performed that calendar year. Specifies that the \$25 annual report fee shall be deposited into the Comptroller's Administrative Fund, and the \$5 fee for each natural organic reduction performed shall be deposited into the Cemetery Consumer Protection Fund. Removes language providing that the delivery of the reduced human remains may be made in person or by registered mail. Makes a grammatical correction.

Specifies that certain chemical analyses are to be performed by a laboratory accredited by the Illinois Environmental Protection Agency's Environmental Laboratory Accreditation Program. Provides that, in the case of an event where the health of the public may be at risk or there are signs at a facility of a potential health hazard, the Illinois Department of Public Health shall be consulted to assess the natural organic reduction facility. Provides that a bullying prevention policy must include procedures for informing parents or guardians of all students involved in the alleged incident of bullying within 24 hours after the school's administration is made aware of the incident (instead of procedures for promptly informing parents or guardians of all students involved in the alleged incident of bullying). Provides that the bullying prevention policy shall also require all individual instances of bullying, as well as all threats, suggestions, or instances of self-harm to be reported to the parents or legal guardians of those involved under the guidelines provided. Provides that the State Board of Education shall develop a template for a model bullying prevention policy. Provides that schools shall develop the bullying prevention policy for the school based on the model provided by the State Board of Education. Provides that school districts shall collect, maintain, and submit to the State Board of Education non-identifiable data regarding allegations and instances of bullying within the school district. Amends the State Finance Act to make a conforming change. Makes other changes.

House Committee Amendment No. 1

Requires a policy to be based on the State Board of Education's template for a model bullying preventing policy which includes the criteria set forth in the definition of "policy on bullying". Provides that school districts, charter schools, and non-public, non-sectarian elementary and secondary schools must submit data in an annual report due to the State Board of Education no later than August 15 of each year starting with the 2024-2025 school year (instead of requiring school districts to submit data in an annual report due to the State Board no later than June 1 of each year). Provides that the State Board of Education shall adopt rules regarding the submission of data that includes, but is not limited to: (i) a record of each verified allegation of bullying and action taken; and (ii) whether the instance of bullying was based on certain actual or perceived characteristics and, if so, lists the relevant characteristics. Provides that the State Board of Education's rules for the submission of data shall be consistent with federal and State laws and rules governing student privacy rights, including, but not limited to, the federal Family Educational Rights and Privacy Act of 1974 and the Illinois School Student Records Act. Removes provisions concerning recommendations for out-of-school suspensions, expulsions, or referrals to law enforcement. Amends the Illinois Identification Card Act and the Illinois Vehicle Code. Changes the term "non-compliant identification card" to "standard identification card". Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. Makes conforming changes in those Acts and the Consular Identification Document Act and the Election Code. Effective January 1, 2024.

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.

Representative Kelly M. Cassidy
HB 05541 (CONTINUED)

Amends the Sex Offender Registration Act. Provides that the Illinois State Police may (rather than shall) mail verification letters to registered sex offenders. Provides that the Illinois State Police may adopt rules to allow for the use of an electronic registration portal to comply with the verification letters. Provides that the Illinois State Police may (rather than shall) mail an annual nonforwardable verification letter, beginning one year from the date of his or her last registration. Requires that registration of a sex offender shall (rather than may) include a submission of the sex offender's fingerprints and may, subject to appropriation, include the palm prints, and a current photograph of the person which shall be updated at each registration (rather than annually). Deletes a provision that the registration information must include whether the person is a sex offender as defined in the Sex Offender Community Notification Law. Provides that the registering agency shall enter the information into the Illinois State Police Sex Offender database (rather than the Law Enforcement Agencies Data System (LEADS)). Provides that the Illinois State Police may, subject to appropriation for this purpose, establish an electronic registration portal to be used by sex offenders and law enforcement to comply with the Act. Provides that the Illinois State Police may, subject to appropriation for this purpose, establish an electronic registration portal to be utilized by sex offenders and law enforcement to comply with the Act. Deletes a provision that the Illinois State Police shall establish and promulgate rules and procedures regarding the administration of this Fund. Deletes a provision that 50% of the moneys in the Fund shall be allocated for sheriffs' offices and police departments and that the remaining moneys in the Fund received shall be allocated to the Illinois State Police for education and administration of the Act. Provides that moneys in the Offender Registration Fund shall be allocated pursuant to the registration and penalty provisions of the Act, respectively

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Sex Offender Registration Act. Reinserts the provisions of the introduced bill with the following changes. Provides that moneys in the Offender Registration Fund shall be allocated pursuant to the Sex Offender Registration Act and the Murderer and Violent Offender Against Youth Registration Act (rather than just the Sex Offender Registration Act). Provides that the verification letters may be sent electronically. Clarifies that the registration information must include a photograph of the sex offender which shall be updated at each registration rather than annually. Makes technical changes.

House Floor Amendment No. 2

Restores provision that the registration of a sex offender shall include a photograph of the sex offender to be updated annually (rather than at each registration).

Replaces everything after the enacting clause. Amends the Higher Education Student Assistance Act with respect to the AIM HIGH Grant Pilot Program. Removes language referring to the program as a pilot program. Requires each participating public university to indicate that grants under the program come from AIM HIGH and to use the words "AIM HIGH" in the name of any grant under the program and in any published or posted materials about the program. Provides that each public university campus shall allow qualified full-time undergraduate students to apply for a grant, but may choose to allow qualified part-time undergraduate students who are enrolling in their final semester at the public university campus to also apply. Provides that a public university in which an average of at least 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 35% (instead of 20%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that a public university in which an average of less than 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 70% (instead of 60%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that each public university campus must report to the Illinois Student Assistance Commission the total non-loan financial aid amount given by the public university campus to undergraduate students in the 2017-2018 academic year or the 2021-2022 academic year (instead of just the 2017-2018 academic year), not including the summer terms. Provides that, to be eligible to receive funds under the program, a public university campus may not decrease the total amount of non-loan financial aid it gives to undergraduate students, not including any funds received from the Commission or any funds used to match grant awards, to an amount lower than the amount reported for the 2017-2018 academic year or the 2021-2022 academic year, whichever is less (instead of just the 2017-2018 academic year), not including the summer terms. 765 ILCS 1075/35

Representative Sharon Chung
HB 04875 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Amends the Gender Violence Act. Defines "employee", "employer", "work environment", and "workplace". Changes the definition of "gender-related violence" to include domestic violence. Provides that an employer shall be liable only for gender-related violence committed in the work environment by an employee or agent of the employer. Provides specific instances in which an employer is liable for gender-related violence. Provides that no person shall have the power to waive any provisions of the Act as part of a dissolution of marriage agreement, dissolution of civil union agreement, dissolution of domestic partnership agreement, or custody agreement. Makes corresponding changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Gender Violence Act. Defines "employee", "employer", and "workplace". Changes the definition of "gender-related violence" to also mean domestic violence. Provides that an employer is only liable for gender-related violence committed in the work environment by an employee or agent of the employer. Provides that liability only extends to gender-related violence that occurs while the employee was directly performing the employee's job duties and the job duties were the proximate cause of the injury, or while agent of the employer was directly involved in the performance of the contracted work and the contracted work was the proximate cause of the injury. Provides that an employer is liable for gender-related violence if the employer: failed to supervise, train, or monitor the employee who engaged in the gender-related violence; or failed to investigate complaints or reports directly provided to a supervisor, manager, owner, or another person designated by the employer of similar conduct by an employee or agent of the employer and the employer failed to take remedial measures in response to the complaints or reports. Requires an action against an employer for gender-related violence to be commenced within 4 years after the cause of action accrued, except that if the person entitled to bring the action was a minor at the time the cause of action accrued, then within 4 years after the person reaches the age of 18. Provides that no person has the power to waive any provision of the Act as part of a dissolution of marriage agreement, civil union, domestic partnership, or custody agreement.

House Floor Amendment No. 2

Deletes reference to:

740 ILCS 82/25 new

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Provides that an employer is only liable for gender-related violence committed in the workplace (rather than work environment) by an employee or agent of the employer when the interaction giving rise to the gender-related violence arises out of and in the course of employment with the employer. Provides that nothing in the Act precludes a person who has been the victim of gender-related violence from pursuing any other right or cause of action created by statute or common law. Removes language providing that no person has the power to waive any of the provisions of the Act as part of a dissolution of marriage agreement, civil union, domestic partnership, or custody agreement. Makes other changes.

Senate Floor Amendment No. 1

Provides that liability only extends to an employer for gender-related violence that occurs: (i) while the employee was directly performing the employee's job duties and the gender-related violence (rather than the performance of the job duties) was the proximate cause of the injury; or (ii) while the agent of the employer was directly involved in the performance of the contracted work and the gender-related violence (rather than the performance of the contracted work) was the proximate cause of the injury. Provides that employer liability in other provisions are notwithstanding the requirements of items (i) and (ii) and other specified provisions.

Representative Lakesia Collins**HB 01569 (CONTINUED)**

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Code of Civil Procedure: Changes the definition of "impound" and "impoundment". Defines "seal" and "sealing". Removes language requiring the court to automatically order the impounding of any court file in a residential eviction action. Restores language regarding: the discretionary sealing of a court file, except a file shall be placed under seal if doing so is clearly in the interests of justice or (rather than and) that the interests of justice are not outweighed by the public's interest in knowing about the record; and the mandatory sealing of a court file, except that it shall be impounded (rather than sealed). Removes language providing that a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body may access all impounded files by filing a motion for individual cases or for a class of cases with the judge presiding over evictions in that judicial district or county. Removes language providing that a tenant is not required to report a court record that is sealed or impounded to a prospective landlord. Changes the period of time for notice requirements related to a plaintiff failing to further prosecute an eviction action from 180 days to 365 days. Provides that the form of the notice may be developed by each judicial circuit in accordance with its practice or the Administrative Office of the Illinois Courts may develop a standardized form. Allows a judicial court to adopt a rule to follow the notice procedure in a shorter amount of time than 365 days.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of HB1569 as amended by House Amendment 1, the legislation would not increase or decrease the number of judges needed in the state of Illinois.

Fiscal Note (Office of the Attorney General)

The proposed legislation, House Bill 1569, HA#1, would not have a significant fiscal impact on our Office as the work could be covered by an existing bureau within our Office.

Pension Note (Government Forecasting & Accountability)

HB 1569, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1569, [as amended by House Amendment 1] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in House Bill 1569, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

HB 1569, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

New Act

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. Allows any party aggrieved by a violation of the Act to bring an action against any limited services pregnancy center that has committed such a violation, in which the court may award actual damages and any other relief the court deems proper. HB 02784 (CONTINUED)

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that the minimum hourly rate for each school year thereafter shall equal the minimum salary rate for the previous school year increased by a percentage equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the previous school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that the court's finding that there is probable cause that the minor is abused or neglected cannot be based solely on domestic violence against the parent, guardian, or custodian, even if the domestic violence occurred in the presence of the minor. Provides that any probable cause determination must be supported by a factual basis that is unrelated to domestic violence against a parent, guardian, or custodian and that is sufficient to independently support a finding of probable cause of abuse or neglect under the Act. Provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of moderate to severe harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Provides that a bullying prevention policy must include procedures for informing parents or guardians of all students involved in the alleged incident of bullying within 24 hours after the school's administration is made aware of the incident (instead of procedures for promptly informing parents or guardians of all students involved in the alleged incident of bullying). Provides that the bullying prevention policy shall also require all individual instances of bullying, as well as all threats, suggestions, or instances of self-harm to be reported to the parents or legal guardians of those involved under the guidelines provided. Provides that the State Board of Education shall develop a template for a model bullying prevention policy. Provides that schools shall develop the bullying prevention policy for the school based on the model provided by the State Board of Education. Provides that school districts shall collect, maintain, and submit to the State Board of Education non-identifiable data regarding allegations and instances of bullying within the school district. Provides that upon the request of a parent or legal guardian of a child enrolled in a school district within the State, the State Board of Education must provide non-identifiable data of the number of bullying allegations and incidents in a given year at the school district to the requesting parent or legal guardian. Provides that school districts, charter schools, and non-public, non-sectarian elementary and secondary schools must submit data in an annual report due to the State Board of Education no later than August 15 of each year starting with the 2024-2025 school year (instead of requiring school districts to submit data in an annual report due to the State Board no later than June 1 of each year). Provides that the State Board of Education shall adopt rules regarding the submission of data that includes, but is not limited to: (i) a record of each verified allegation of bullying and action taken; and (ii) whether the instance of bullying was based on certain actual or perceived characteristics and, if so, lists the relevant characteristics. Provides that the State Board of Education's rules for the submission of data shall be consistent with federal and State laws and rules governing student privacy rights, including, but not limited to, the federal Family Educational Rights and Privacy Act of 1974 and the Illinois School Student Records Act. Removes provisions concerning recommendations for out-of-school suspensions, expulsions, or referrals to law enforcement. Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of moderate to severe harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. New Act

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. Allows any party aggrieved by a violation of the Act to bring an action against any limited services pregnancy center that has committed such a violation, in which the court may award actual damages and any other relief the court deems proper. Provides that access to court records and documents remotely over the Internet shall be as authorized by the Illinois Supreme Court Remote Access Policy. Provides definitions for case information and documents that are identified as public, impounded, confidential, sealed, and expunged. Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: In the Court Record and Document Accessibility Act, provides that the General Assembly encourages the Supreme Court to consider establishing a process for access to court files (rather than requiring the Supreme Court to establish a process for access to court files) that are limited by statute or court rule that includes standardized forms and provisions for requesting access to documents in court files that are restricted in any manner. Removes language requiring the Supreme Court to create a statewide standardized form to request access to documents in a court file that is restricted in any manner.

Amends the Counties Code. Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. Makes other changes.

20 ILCS 505/17a-11 rep.

Amends the Children and Family Services Act. In the definition of "child welfare services", provides that one of the purposes of the Department of Children and Family Services is to place children in suitable permanent family arrangements (rather than in suitable adoptive homes), in cases where restoration to the biological family is not safe, possible, or appropriate. Removes language providing that one of the purposes of the Department's child welfare services is to assure safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. Repeals a provision requiring the Department of Children and Family Services to establish the Governor's Youth Services Initiative.

105 ILCS 5/21B-20

Amends the Educator Licensure Article of the School Code. In provisions concerning Substitute Teaching Licenses, provides that if there is no licensed teacher under contract because of an emergency situation, then a district may employ a substitute teacher for no longer than 30 calendar days per each vacant position in the district if the district notifies the appropriate regional office of education within 5 business days after the employment of the substitute teacher in that vacant position (instead of employment of the substitute teacher in the emergency situation). Provides that a district may continue to employ that same substitute teacher in that same vacant position for one or more additional 30 calendar day periods if, prior to the expiration of the then-current 30 calendar day period, the district files a written request with the appropriate regional office of education for a 30 calendar day extension on the basis that the position remains vacant and the district continues to actively seek qualified candidates. Provides that each extension request shall be deemed granted unless denied in writing by the regional office of education. Provides that an emergency situation is one in which a vacancy has occurred (instead of an unforeseen vacancy has occurred) and (i) a teacher is unexpectedly unable to fulfill his or her contractual duties or (ii) teacher capacity needs of the district exceed previous indications or vacancies are unfilled due to a lack of qualified candidates, and the district is actively engaged in advertising to hire a fully licensed teacher for the vacant position (instead of (i) a teacher is unable to fulfill his or her contractual duties or (ii) teacher capacity needs of the district exceed previous indications, and the district is actively engaged in advertising to hire a fully licensed teacher for the vacant position).

Provides that a district may continue to employ that same substitute teacher in that same vacant position for 90 calendar days or until the end of the semester, whichever is greater, if, prior to the expiration of the 30-calendar-day period then current, the district files a written request with the appropriate regional office of education for a 30-calendar-day extension on the basis that the position remains vacant and the district continues to actively seek qualified candidates and provides documentation that it has provided training specific to the position, including training on meeting the needs of students with disabilities and English learners if applicable (instead of a district may continue to employ that same substitute teacher in that same vacant position for one or more additional 30 calendar day periods if, prior to the expiration of the then-current 30 calendar day period, the district files a written request with the appropriate regional office of education for a 30 calendar day extension on the basis that the position remains vacant and the district continues to actively seek qualified candidates). Provides that each extension request shall be granted in writing (instead of shall be deemed granted unless denied in writing) by the regional office of education. 105 ILCS 302/1

Amends the College and Career Success for All Students Act. Makes a technical change in a Section concerning the short title.

House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Representative Margaret Croke
HB 00303 (CONTINUED)

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Amends the Electronic Wills and Remote Witnesses Act. Changes the short title of the Act to the Electronic Wills, Electronic Estate Planning Documents, and Remote Witnesses Act. Defines "electronic", "information", "nontestamentary estate planning document", "person", "record", "security procedure", "settlor", "sign", "state", "terms of trust", "trust instrument", and "will". Creates the Electronic Nontestamentary Estate Planning Documents Article. Sets forth provisions related to: construction; scope; principles of law and equity; use of an electronic record or signature; recognition of an electronic nontestamentary estate planning document and electronic signature; attribution and effect of an electronic record and electronic signature; notarization and acknowledgment; witnessing and attestation; retention of an electronic record; certification of a paper copy; admissibility in evidence; relation to the Electronic Signatures in Global and National Commerce Act; application; and severability. Makes conforming changes in the Probate Act of 1975. Effective January 1, 2024.

Representative Margaret Croke
HB 02269 (CONTINUED)

Changes the definition of "nontestamentary estate planning document". Provides that the new Article does not apply to a nontestamentary estate planning document if a will or the terms of a trust governing the document expressly preclude use of an electronic record or electronic signature. Provides that if a will or the terms of a trust governing the nontestamentary estate planning document require a nontestamentary estate planning document to be in writing, an electronic record of the document satisfies the requirement. Provides that if other law of the State or a will or the terms of a trust (rather than only other law of the State) require or permit (rather than only requires) a signature or record to be notarized, acknowledged, verified, or made under oath, the requirement is satisfied with respect to an electronic nontestamentary estate planning document if an individual authorized to perform the notarization, acknowledgment, verification, or oath attaches or logically associates the individual's electronic signature on the document together with all other information required to be included. Provides that if a will or the terms of a trust base the validity of a nontestamentary estate planning document on whether it is signed, witnessed, or attested by another individual, the signature, witnessing, or attestation of that individual may be electronic.

Provides that a bullying prevention policy must include procedures for informing parents or guardians of all students involved in the alleged incident of bullying within 24 hours after the school's administration is made aware of the incident (instead of procedures for promptly informing parents or guardians of all students involved in the alleged incident of bullying). Provides that the bullying prevention policy shall also require all individual instances of bullying, as well as all threats, suggestions, or instances of self-harm to be reported to the parents or legal guardians of those involved under the guidelines provided. Provides that the State Board of Education shall develop a template for a model bullying prevention policy. Provides that schools shall develop the bullying prevention policy for the school based on the model provided by the State Board of Education. Provides that school districts shall collect, maintain, and submit to the State Board of Education non-identifiable data regarding allegations and instances of bullying within the school district. Amends the State Finance Act to make a conforming change. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Makes changes concerning the definition of "policy on bullying". Requires a policy to be based on the State Board of Education's template for a model bullying preventing policy which includes the criteria set forth in the definition of "policy on bullying". Provides that school districts, charter schools, and non-public, non-sectarian elementary and secondary schools must submit data in an annual report due to the State Board of Education no later than August 15 of each year starting with the 2024-2025 school year (instead of requiring school districts to submit data in an annual report due to the State Board no later than June 1 of each year). Provides that the State Board of Education shall adopt rules regarding the submission of data that includes, but is not limited to: (i) a record of each verified allegation of bullying and action taken; and (ii) whether the instance of bullying was based on certain actual or perceived characteristics and, if so, lists the relevant characteristics. Provides that the State Board of Education's rules for the submission of data shall be consistent with federal and State laws and rules governing student privacy rights, including, but not limited to, the federal Family Educational Rights and Privacy Act of 1974 and the Illinois School Student Records Act. Removes provisions concerning recommendations for out-of-school suspensions, expulsions, or referrals to law enforcement. Provides that the State Board of Education shall post on its Internet website a template for a model bullying prevention policy (instead of providing that the State Board of Education shall develop a template for a model bullying prevention policy). Makes other changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 1, with the following changes. 215 ILCS 124/35 new

Amends the Network Adequacy and Transparency Act. Provides that a network plan shall, at least annually, audit (instead of audit periodically) at least 25% of its provider directories for accuracy, make any corrections necessary, and retain documentation of the audit. Provides that the network plan shall submit the audit to the Department of Insurance (instead of to the Director of Insurance upon request). Provides that the Department shall make the audit publicly available. Provides that a network plan shall include in the print format provider directory (i) a detailed description of the process to dispute charges for out-of-network providers or facilities that were incorrectly listed as in-network prior to the provision of care and (ii) a telephone number and email address to dispute those charges. Makes changes to the information that must be provided in a network plan's electronic and print directory. Requires the Director to conduct random audits of the accuracy of provider directories for at least 10% of plans each year. Provides that a consumer who incurs a cost for inappropriate out-of-network charges for a provider, facility, or hospital that was listed as in-network prior to the provision of services may file a verified complaint with the Department, and the Department shall conduct an investigation of the verified complaint and determine whether the complaint is sufficient. Provides that, upon a finding of sufficiency, the Director shall have the authority to levy a fine for not less than the cost incurred by the consumer for inappropriate out-of-network charges for a provider, facility, or hospital that was listed in-network. Provides that the fines collected by the Director shall be remitted to the consumer.

30 ILCS 559/20-20

Amends the Illinois Works Job Program Act. Provides that contractors or subcontractors may be eligible to earn bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program (previously bid credits were available for public works contracted by the State). Provides that contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood that the contractor and the subcontractors are selected as the contractor for the public works project. Provides that, for contracts and grant agreements executed after the effective date of the amendatory Act, of a specified goal at least half of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program. Provides that the Department of Commerce and Economic Opportunity may grant a reduction or waiver upon a determination that the contractor or subcontractor has demonstrated that insufficient graduates of the Illinois Works Preapprenticeship Program are available to meet the requirements. Provides that contractors and subcontractors must submit a certification to the Department and the agency that is administering the contract, or the grant agreement funding the contract, demonstrating that the contractor or subcontractor has not complied with the labor hour goals and did not receive a reduction or waiver. Provides the penalties for failing to comply with the Illinois Works Apprenticeship Initiative. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning the Illinois Works Apprenticeship Initiative, provides that, for contracts and grant agreements executed after the effective date of the amendatory Act and before January 1, 2024 (in the engrossed bill, the effective date of the amendatory Act), of the stated goal, at least 25% (in the engrossed bill, half) of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program, the Illinois Climate Works Preapprenticeship Program, or the Highway Construction Careers Training Program (in the engrossed bill, only the Illinois Works Preapprenticeship Program) and, for contracts and grant agreements executed on or after January 1, 2024, of this goal, at least 50%. Provides that in order to earn bid credits, contractors and subcontractors shall provide the Department with certified payroll documenting the hours performed by apprentices who have completed the Illinois Works Preapprenticeship Program. In provisions concerning failure to comply with the Illinois Works Apprenticeship Initiative, provides that those provisions apply to intentional failure to comply (instead of failure to comply). Provides that the Department of Commerce and Economic Opportunity shall maintain a list of graduates of the Illinois Works Preapprenticeship Program for a period of not less than one year after the participant graduates from the Program, and contains other requirements of the list.

Rep. William "Will" Davis
(Sen. Napoleon Harris, III-Neil Anderson, Dan McConchie, Andrew S. Chesney and Meg Loughran Cappel)

15 ILCS 20/50-25

Amends the State Budget Law of the Civil Administrative Code of Illinois. Provides that, beginning in fiscal year 2025, the Governor shall consult with the Budgeting for Results Commission (rather than the appropriation committees of the General Assembly) to (i) identify statewide result areas (rather than prioritize outcomes) that are most important for each State agency of the executive branch under the jurisdiction of the Governor to achieve for the next fiscal year and (ii) identify outcome areas, which further define the statewide result areas, into which State programs and associated spending can be categorized (rather than set goals to accomplish those outcomes according to the priority of the outcome). Makes changes to the yearly commission that the Governor establishes (naming the commission the Budgeting for Results Commission) and makes other changes in how the Commission operates. Replaces instances of "statewide goals" with "statewide result and outcome areas". Makes other changes.

Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Amends the Illinois Works Job Program Act. Provides that contractors or subcontractors may be eligible to earn bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program (previously bid credits were available for public works contracted by the State). Provides that contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood that the contractor and the subcontractors are selected as the contractor for the public works project. Senate Committee Amendment No. 1

In provisions concerning the Illinois Works Apprenticeship Initiative, provides that, for contracts and grant agreements executed after the effective date of the amendatory Act and before January 1, 2024 (in the engrossed bill, the effective date of the amendatory Act), of the stated goal, at least 25% (in the engrossed bill, half) of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program, the Illinois Climate Works Preapprenticeship Program, or the Highway Construction Careers Training Program (in the engrossed bill, only the Illinois Works Preapprenticeship Program) and, for contracts and grant agreements executed on or after January 1, 2024, of this goal, at least 50%. Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Makes a conforming change in the Freedom of Information Act.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that an automated license plate reader (ALPR) user shall not sell, share, allow access to, or transfer ALPR information to any state for the purpose of investigating or enforcing a law that: (1) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services; or (2) permits the detention or investigation of a person based on the person's immigration status. Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

Senate Committee Amendment No. 1

Provides that an ALPR user shall not sell, share, allow access to, or transfer ALPR information to any state or local jurisdiction for the purpose of investigating or enforcing a law that: (i) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services as defined by the Lawful Health Care Activity Act; or (ii) permits the detention or investigation of a person based on the person's immigration status. Provides that any ALPR user in this State, including any law enforcement agency of this State that uses ALPR systems, shall not share ALPR information with an out-of-state law enforcement agency without first obtaining a written declaration from the out-of-state law enforcement agency that it expressly affirms that ALPR information obtained shall not be used in a manner that violates the Act. Provides that if a written declaration of affirmation is not executed, the law enforcement agency shall not share the ALPR information with the out-of-state law enforcement agency. Restricts provisions as provided from limiting rights under the Reproductive Health Act. Defines terms.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

20 ILCS 2310/2310-730 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Sets forth requirements for any State entity or hospital that receives funding from the National Institutes of Health to conduct clinical trials of drugs or medical devices. Provides that the Department of Public Health, in consultation with relevant research organizations, shall analyze and provide recommendations on: (i) the demographic groups and populations that are currently represented and underrepresented in clinical trials in the State, including representation of groups based on their geographic location; (ii) the barriers that prevent persons who are members of underrepresented demographic groups from participating in clinical trials in the State, including barriers related to transportation; and (iii) approaches for how clinical trials can successfully partner with others to provide outreach to underrepresented communities. Provides that the Department shall report to the General Assembly on the results of the study by July 1, 2025. Sets forth definitions of underrepresented community and underrepresented demographic group. Provides that the Department shall review guidance published by the United States Food and Drug Administration and use existing infrastructure to encourage participation in clinical trials of drugs and medical devices by persons who are members of underrepresented demographic groups. Authorizes the Department to apply for any grants related to the encouragement of underrepresented demographic groups related to the United Food and Drug Administration's guidance.

House Floor Amendment No. 1

Requires the policy to include specific strategies for trial enrollment and retention of diverse participants, including, but not limited to, site location and access, sustained community engagement, and reducing burdens due to trial design or conduct, as appropriate (rather than a requirement for investigators who are conducting the clinical trials to collaborate with community-based organizations). Requires a policy to provide information to trial participants in languages other than English in accordance with current federal requirements. Requires the Department of Public Health to consult with the University of Illinois Cancer Center in making recommendations.

Amends the Transportation Article of the School Code. In provisions claiming reimbursement by the State for transportation, provides that, for a State-authorized charter school, the State will pay the prorated allowable cost of transporting eligible pupils less the prior year prorated assessed valuation based on enrollment reported for the previous academic year in a State-authorized charter school proportionate to the State-authorized charter school's local school board's district enrollment for the previous academic year. New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

Amends the Crematory Regulation Act. Provides that a "temporary container" is, among other things, a single container of sufficient size to hold cremated remains only until an urn is acquired. Provides that a funeral director (rather than a crematory authority or authorizing agent) has responsibilities specified throughout the Act. Allows a sanitary district to enter into an intergovernmental agreement with a unit of local government for non-emergency construction, alteration, repair, improvement, or maintenance work on the public way in an amount no greater than \$500,000 (currently, \$100,000) to save taxpayer funds and eliminate duplication of government effort. 765 ILCS 165/30

765 ILCS 165/40

Amends the Homeowners Energy Policy Statement Act. Requires any energy policy statement to explicitly include the minimum standards. Provides that a written energy policy statement may not condition approval of an application on approval by adjacent property owners. Restricts an association from inquiring into a property owner's energy usage, imposing conditions impairing the operation of a solar energy system, imposing conditions negatively impacting any component warranty, or requiring post-installation reporting. Provides that a property owner may not be denied permission to install a solar energy system based on system ownership or financing method chosen by the property owner. Allows an association's written energy policy statement to impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process and the maintenance, repair, replacement, and ultimate removal of damaged or inoperable systems. Provides that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Requires an application for approval to be made available in hard copy form at a property owner's request or, if the association maintains a website, through the website. Provides that an application shall be processed by the appropriate approving entity of the association within 30 (rather than 75) days of the submission of the application. Provides that if an association fails to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner may proceed with the installation or use of the proposed solar energy system notwithstanding any other policy or provision in the homeowners' common interest community or condominium unit owners' association declaration. Allows a property owner to resubmit an application for approval previously denied by an association, and requires any such resubmitted application shall be evaluated under the changes made by the amendatory Act. Makes conforming and other changes. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that a property owner may not be required to utilize specific technology, including, but not limited to, solar shingles rather than traditional solar panels, by any entity granted the power or right in any deed restriction, covenant, or similar binding agreement to approve, forbid, control, or direct alteration of property. Removes language providing that an association's written energy policy statement may impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process. Provides that an association's written energy policy statement may impose reasonable conditions so long as such conditions are not more onerous than the association's analogous conditions for nonsolar projects. Removes language providing that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Provides that any provision of a homeowners' common interest community or condominium unit owners' declaration or energy policy statement that conflicts with the Act shall be void and unenforceable as contrary to public policy. Effective immediately.

Senate Floor Amendment No. 1

Provides that before a property owner may proceed with the installation or use of the proposed solar energy system based upon the association's failure to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner must first give the association written notice of the alleged failure and 10 business days to cure that alleged failure. Provides that during those 10 business days, the association may only adopt the policy statement or process the application; the association may not take other action, including, but not limited to, seeking injunctive relief, during those 10 business days.

Provides that, if a vehicle is equipped with functioning vehicle location tracking capability, but the capability is not currently activated, the manufacturer or the vehicle location vendor, shall waive all fees associated with initiating, renewing, reestablishing, or maintaining the vehicle location service the vehicle is equipped with during the investigation of the vehicle being stolen in a vehicular hijacking incident or being used in the commission of kidnapping incident when law enforcement has confirmed that the situation involves a clear and present danger of death or great bodily harm to persons and requires disclosure of vehicle location information without delay. Provides that there shall be no cause of action or liability under the laws of this State for a vehicle manufacturer, its subsidiaries, or vendors, or any employee, officer, director, representatives, or contractor of the manufacturer, subsidiary, or vendor, that provides, or in good faith attempts to provide, information or assistance to a law enforcement agency, 9-1-1 call center, or designated dispatch center.

Further amends the Public Utilities Act. Creates the Transmission Efficiency and Cooperation Law as a new Article in the Act. Provides that an incumbent electric transmission owner has the right to construct, own, and maintain an electric transmission line that has been approved for construction in a transmission plan and that will connect to facilities that are owned by that incumbent electric transmission owner and are or will be under the functional control of the Midcontinent Independent System Operator (MISO). Provides that the provisions do not limit the right of any incumbent electric transmission owner to construct, own, and maintain any transmission equipment or facilities that have a capacity of less than 100 kilovolts or of any entity otherwise qualified to own, operate, and maintain electric transmission facilities that are not approved for construction in a transmission plan or that will not connect to facilities under the functional control of a regional transmission operator. Provides that the provisions shall not be construed to impair, abridge, or diminish in any way the powers, rights, and privileges of municipal corporations that are not incumbent electric transmission owners to partner with an incumbent electric transmission owner on the development and ownership of an electric transmission line included in a transmission plan. Provides that within 90 days after the later of the effective date of the amendatory Act or approval of the construction of an electric transmission line by a regional transmission operator, an incumbent electric transmission owner otherwise authorized to engage in the construction may provide notice to the Commission and the applicable regional transmission operator indicating it will not construct any or all of the electric transmission line so approved, or it will assign any or all of the construction to a transmission affiliate. Provides that if the notice is given and indicates the notifying incumbent electric transmission owner or its transmission affiliate will not construct any or all of the electric transmission line so approved, the incumbent electric transmission owner shall indicate the reason for that election, and the commission may grant permission and approval for such construction to another entity otherwise qualified to own and operate the electric transmission line. Defines terms.

Amends the Homeowners Energy Policy Statement Act. Requires any energy policy statement to explicitly include the minimum standards. Provides that a written energy policy statement may not condition approval of an application on approval by adjacent property owners. Restricts an association from inquiring into a property owner's energy usage, imposing conditions impairing the operation of a solar energy system, imposing conditions negatively impacting any component warranty, or requiring post-installation reporting. Provides that a property owner may not be denied permission to install a solar energy system based on system ownership or financing method chosen by the property owner. Allows an association's written energy policy statement to impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process and the maintenance, repair, replacement, and ultimate removal of damaged or inoperable systems. Provides that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Requires an application for approval to be made available in hard copy form at a property owner's request or, if the association maintains a website, through the website. Provides that an application shall be processed by the appropriate approving entity of the association within 30 (rather than 75) days of the submission of the application. Provides that if an association fails to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner may proceed with the installation or use of the proposed solar energy system notwithstanding any other policy or provision in the homeowners' common interest community or condominium unit owners' association declaration. Allows a property owner to resubmit an application for approval previously denied by an association, and requires any such resubmitted application shall be evaluated under the changes made by the amendatory Act. Makes conforming and other changes. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that a property owner may not be required to utilize specific technology, including, but not limited to, solar shingles rather than traditional solar panels, by any entity granted the power or right in any deed restriction, covenant, or similar binding agreement to approve, forbid, control, or direct alteration of property. Removes language providing that an association's written energy policy statement may impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process. Provides that an association's written energy policy statement may impose reasonable conditions so long as such conditions are not more onerous than the association's analogous conditions for nonsolar projects. Removes language providing that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Provides that any provision of a homeowners' common interest community or condominium unit owners' declaration or energy policy statement that conflicts with the Act shall be void and unenforceable as contrary to public policy. Effective immediately.

Senate Floor Amendment No. 1

Provides that before a property owner may proceed with the installation or use of the proposed solar energy system based upon the association's failure to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner must first give the association written notice of the alleged failure and 10 business days to cure that alleged failure. Provides that during those 10 business days, the association may only adopt the policy statement or process the application; the association may not take other action, including, but not limited to, seeking injunctive relief, during those 10 business days.

Provides for the appointment of the members to the Task Force by the Director of the Illinois State Police. Provides that the Task Force shall meet at least monthly to assist the Illinois State Police in the development and implementation of an integrated software system for gathering and publishing crime data from all law enforcement agencies throughout the State. Requires submission, within one year after the effective date of the amendatory Act, of a final report and recommendations to the Director of the Illinois State Police with, at a minimum, the following information: progress on the development of the integrated software system, what the expected cost would be to implement the integrated software system, and what protocols on accessing and updating the information should be implemented. Dissolves the Task Force and repeals the provisions 2 years after the effective date of the amendatory Act.

20 ILCS 3930/7.11 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Moves the provisions to the Illinois Criminal Justice Information Act from the Illinois State Police Law of the Civil Administrative Code of Illinois. Provides that the Illinois Criminal Justice Information Authority (rather than the Illinois State Police) shall establish a Uniform Statewide Crime Statistics Task Force within 120 days (rather than 90 days) after the effective date of the amendatory Act and provide administrative and technical (rather than other) support to the Task Force. Provides that the members of the Task Force shall be appointed by the Executive Director of the Illinois Criminal Justice Information Authority (rather than the Director of the Illinois State Police), and modifies the membership of the Task Force. Requires the Task Force to meet at least quarterly (rather than monthly). Requires the Task Force to submit a report no later than 18 months after first convening (rather than one year after the effective date of the amendatory Act) to the Governor, General Assembly, and the Director of the Illinois State Police (rather than only to the Director). Modifies the requirements of the report. Further amends the Illinois Criminal Justice Information Act. Provides that the Authority may exercise any other powers that are reasonable and necessary to fulfill the responsibilities of the Authority under this Act and to comply with the requirements of applicable State or federal law (rather than federal law) or regulation.

Provides that the State Commission may suspend, revoke, or refuse to issue or renew a license to manufacture, distribute, or sell alcoholic liquor issued by the State Commission if the State Commission finds, after notice and an opportunity for an evidentiary hearing, that the person holding the license has shipped alcoholic liquor into another state in violation of that state's law. Amends the Right of Publicity Act. Grants additional enforcement rights and remedies to recording artists. Provides for the liability of any person who materially contributes to, induces, or otherwise facilitates a violation of a specified provision of the Act by another party after having reason to know that the other party is in violation. Defines "artificial intelligence" and "generative artificial intelligence". Changes the definition of "commercial purpose" and "identity".

House Committee Amendment No. 1

In a subsection concerning enforcement of rights and remedies by recording artists, limits reference to "enforcement of rights and remedies" (rather than "exercise and enforcement of rights and remedies").

House Floor Amendment No. 2

Adds reference to:

765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Creates the Solar-Ready Buildings Act. Requires all building permits issued 90 days after the effective date of this Act in a new, large multifamily residential building or a large multifamily residential building being renovated by a developer converting the property to an association to be built to accommodate the installation of a solar energy system on the roof. Requires all building permits issued 24 months after the effective date of this Act to accommodate the installation of a solar energy system on their roofs in new construction single-family residence or small multifamily residence that qualifies as an affordable housing development under the same project ownership and is located on a campus to be built to accommodate the installation of a solar energy system on their roofs. Requires that unless provided otherwise in this Act, all new residential and commercial buildings shall be built to accommodate the installation of an on-site solar energy system with preference for rooftop solar energy systems. Authorities shall develop and adopt amendments to their respective building codes within one year from the effective date of this Act to establish this requirement. Makes specific requirements for a solar energy system to produce electricity. Makes exemptions for developers in certain situations. Any person who fails to comply with or otherwise violates this Act is liable for a civil administrative penalty not to exceed \$10,000 for each violation, or twice the estimated additional cost that would have been incurred by constructing a building to meet the requirements of this Act, whichever is greater. Applies to new buildings constructed after the effective date of this Act.

Replaces everything after the enacting clause. Amends the Counties Code and the Illinois Municipal Code to prohibit a county or municipality from adopting any ordinance or resolution that prohibits or has the effect of prohibiting the installation of a solar energy system or low voltage solar powered device. A "low voltage solar powered device" means a piece of equipment designed for a particular purpose, including, but not limited to, doorbells, security systems, and illumination equipment, powered by a solar collector operating at less than 50 volts and located: (1) entirely within the lot or parcel owned by the property owner; or (2) within a common area without being permanently attached to common property. A "solar energy system" means: (1) a solar storage mechanism that uses solar energy for generating electricity or for heating or cooling gases, solids, liquids, or other materials; and (2) a supplemental conventional energy system designed or constructed to interface with a solar energy system. Provides that in any litigation arising under this Act or involving the application of this Act, the prevailing party shall be entitled to costs and reasonable attorney's fees. Exempts any building that: (1) is greater than 60 feet in height; or (2) has a shared roof and is subject to a homeowners' association, common interest community association, or condominium unit owners' association. Provides it may apply to a shared roof if (1) the solar energy system is located entirely within that portion of the shared roof owned and maintained by the property owner; and (2) if all property owners sharing the shared roof are in agreement to install a solar energy system. Amends the Homeowners' Energy Policy Statement Act to make the same changes. Amends the Public Utilities Act to provide that municipal utility systems and rural electric cooperatives must have a shared policy governing self-generation of renewable energy. A shared policy must be developed by the Illinois Municipal Electric Agency, the Illinois Municipal Utilities Association, and the Association of Illinois Electric Cooperatives and reviewed for compliance with this Section by the Illinois Commerce Commission. The initial shared policy must be drafted and received by the Illinois Commerce Commission within 90 days after the effective date of the amendatory Act. Provides what must be in the shared policy. Provides for civil penalties if a municipal electric utility system or electric cooperative violates or fails to comply with any provision of this Act or any order by the Illinois Commerce Commission issued under this Act. Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

New Act

Representative Marcus C. Evans, Jr.
HB 01122 (CONTINUED)

Creates the Freelance Worker Protection Act. Provides that freelance workers must be compensated by hiring parties for their services in a timely manner. Provides that whenever a hiring party retains the services of a freelance worker, the contract between the hiring party and the freelance worker shall be reduced to writing. Provides that no hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to, or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Contains provisions concerning complaints to the Director of Labor; the powers and duties of the Director; civil actions brought by freelance workers; civil actions brought by the State; the scope of freelance worker contracts; a public awareness campaign; and surveys, information collection, and reporting requirements. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Creates the Freelance Worker Protection Act. Provides that, except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount no later than 30 days after the freelance worker provides the product or completes the services under the contract. Provides that once a freelance worker has commenced preparation of the product or performance of the services under the contract, a contracting entity shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation. Requires written contracts for services or products provided by a freelance worker. Sets forth the information such written contracts must include. Provides that a contracting entity must retain its contract with a freelance worker for no less than 2 years and must make the contract available to the Department of Labor upon request. Requires the Department to make model contracts available on its website for use by the general public at no cost. Prohibits a contracting entity from taking any action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Sets for the procedure for freelance workers to file a complaint alleging a violation of the Act. Provides that complaints shall be reviewed by the Department to determine whether there is cause for the Department to initiate the process of facilitating the exchange of information between the parties. Contains provisions concerning notification and response requirements. Authorizes the Attorney General to initiate or intervene in a civil action if the Attorney General has reasonable cause to believe that any person or entity is engaged in a pattern and practice prohibited under the Act. Contains provisions concerning Attorney General investigations; civil penalties; and other enforcement matters. Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

House Floor Amendment No. 3

Adds reference to:

New Act

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes: Provides that except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount on or before the date the compensation is due under the terms of the contract. Provides that if the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which the date will be determined, compensation shall be due no later than 30 days after the completion of the freelance worker's services under the contract. In provisions concerning contracts for products and services of freelance workers, removes a provision that requires each party to the written contract to retain a copy for a period of 2 years after the products or services are provided. Provides that the definition of "freelance worker" does not include an individual performing construction services. Defines "construction". Makes other changes. Effective July 1, 2024.

Amends the Public Utilities Act. Provides that an electric utility subject to the requirements of the Illinois Solar for All Program may file a tariff with the Illinois Commerce Commission that creates a new rate for the supply of electric power and energy to low-income customers. Provides that the tariff shall allow for the developer of a community solar project that is the subject of a contract to sell its renewable energy credits executed pursuant to the Illinois Solar for All Program or the contract and payment terms of the renewable portfolio standard of the Illinois Power Agency Act to also enroll the project under the tariff. Provides for low-income customers the tariff shall automatically apply. Provides that the capacity and energy from the enrolled projects shall be used to serve the customers taking service under the rate authorized by these provisions. Provides that if an electric utility elects to file the tariff outside of a rate design filing, the Commission shall enter its order approving the tariff no later than 120 days after the date of the utility's filing. Provides that electric utilities that have a tariff, community solar projects enrolled in the program, and the customers taking service thereunder, shall be exempt from all application, contract, and disclosure requirements that may otherwise apply under the Illinois Power Agency Act. 105 ILCS 5/24-8.2 new

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that the minimum hourly rate for each school year thereafter shall equal the minimum salary rate for the previous school year increased by a percentage equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the previous school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.
