House Floor Amendment No. 1
Deletes reference to:
105 ILCS 302/1
Adds reference to:
105 ILCS 5/34-18.87 new

Representative Emanuel "Chris" Welch
HB 00303 (CONTINUED)

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

In provisions in the Sex Offender Registration Act relating to transferring the remaining balance from the Sex Offender Investigation Fund to the Offender Registration Fund, removes language providing that, subject to appropriation, moneys in the Offender Registration Fund received under the provisions shall be used by the Illinois State Police for purposes authorized under the provisions.

New Act

Creates the Pharmaceutical and Health Affordability: Restrictions on Manufacturers' Amoral Behavior through Reasonable Oversight Act. Provides that a manufacturer or wholesale drug distributor shall not engage in price gouging in the sale of an essential off-patent or generic drug. Provides that the Director of Healthcare and Family Services or Director of Central Management Services may notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that whenever the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the Act, the Attorney General shall send a notice to the manufacturer or wholesale drug distributor requesting a specified statement. Provides that within 45 days after receipt of the request, the manufacturer or wholesale drug distributor shall submit the statement to the Attorney General. Provides that to accomplish the objectives and carry out the duties prescribed in the Act, the Attorney General may issue subpoenas or examine under oath any person to determine whether a manufacturer or wholesale drug distributor has violated the Act. Provides that upon petition of the Attorney General, a circuit court may issue specified orders against violations of the Act. Contains provisions concerning the disclosure of financial information provided by a manufacturer or wholesale drug distributor to the Attorney General. Effective January 1, 2024.

Provides that a notice sent by the Attorney General to the manufacturer or wholesale drug distributor of an essential off-patent or generic drug shall serve as a litigation hold regarding documents and communications about that drug. Provides that upon petition of the Attorney General, a circuit court may issue an order imposing a civil penalty of up to \$10,000 per day (rather than only \$10,000) for each violation of the Act or providing for the Attorney General's recovery of costs and disbursements incurred in bringing an action against a manufacturer found to be in violation of the Act. Representative Emanuel "Chris" Welch
HB 04148 (CONTINUED)

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

New Act
720 ILCS 5/12C-50

Creates the Higher Education Violation Reporting Act. Provides that each public and private institution of higher education shall maintain a report publicly reporting actual findings of violations by any student organization, athletic team, or living group of the institution's code of conduct or anti-hazing policy or State or federal laws relating to hazing or alcohol, drugs, sexual assault, or physical assault. Provides that an institution of higher education shall provide hazing prevention education to employees. Provides that if an employee or volunteer at an institution of higher education has reasonable cause to believe that hazing has occurred, the employee or volunteer shall report the incident. Amends the Criminal Code of 2012. In provisions concerning hazing, provides that a person commits hazing when he or she knowingly requires the performance of any act by a student or other person in a school, college, university, or other educational institution of this State for the purpose of induction or admission into or maintenance of membership in (instead of only for the purpose of induction or admission into) any group, organization, or society associated or connected with that institution if the act meets certain requirements; makes changes to the requirements. Provides that an act may be considered hazing regardless of whether the student or other person is willing to participate in the act. Effective July 1, 2024.

House Committee Amendment No. 1

Replaces the provisions of the bill concerning the offense of hazing. Changes the elements of hazing. Provides that a person commits hazing when he or she knowingly requires the performance of any act by a student or other person in a school, college, university, or other educational institution of the State for the purpose of conferring, gaining, or maintaining acceptance, membership, office, or other status in (rather than induction or admission into) any group, organization, or society associated or connected with that institution, regardless of the student or other person's willingness to perform the act, if: (1) the act is neither sanctioned or authorized by that educational institution nor is a customary athletic event; and (2) the act either (i) subjects any person to a substantial risk of physical harm, mental harm, or degradation or (ii) causes any person to suffer physical harm, mental harm, or degradation (rather than results in bodily harm to any person).

New Act

Creates the Home Modification Program Act. Provides that the purpose of the Act is to establish a home modification funding system that is streamlined, effective, and administered by experts within the disability community. Provides that, subject to appropriation, the Department of Human Services shall establish a Home Modification Program to provide financial assistance to persons with disabilities for home modification projects. Requires the Department to designate a statewide association that represents centers for independent living to serve as the lead agency to administer the Program. Requires the Department to provide funding for the Program. Requires the lead agency to distribute any moneys it receives from the Department to the State's 22 centers for independent living, covering all 102 counties. Provides that the lead agency shall ensure that each center for independent living has access to at least \$105,000 to use for home modification projects, with the excess funds subject to reallocation during the 4th fiscal quarter of each year. Contains provisions concerning eligibility requirements for applicants under the Program; standards and qualifications for home modification projects; the lead agency's establishment of a Home Modification Subcommittee to provide additional oversight of the home modification projects; and an administrative fee to the lead agency.

House Committee Amendment No. 1

Expands the list of findings to include the following: nearly 3,900,000 veterans receive disability compensation payments; these veterans have sacrificed in service to their country and defense of our freedoms; and home modifications will help Illinois veterans to regain and maintain their own freedom to utilize their homes and access the world around them. Provides that older adults and veterans who have a disability, as defined in the Act, qualify for financial assistance under the Home Modification Program. Requires program applicants to have proof of disability from an agency other than a center for independent living when a disability is not obvious or readily apparent. Provides that, in addition to other local, State, and federal requirements, all contractors must follow the requirements under the Illinois Accessibility Code. Expands the definition of "home modification" to include any change to the structure of a residential home or property to create universal design. Defines "universal design" to mean any dwelling unit designed and constructed that is safe and accessible for everyone, regardless of age, physical ability, or stature. Makes technical changes.

Changes the short title of the Act to the 9-8-8 Suicide and Crisis Lifeline Workgroup Act. Provides that the Department of Human Services, Division of Mental Health, shall convene a working group that includes members of the General Assembly, representatives of State agencies, the State's Chief Behavioral Health Officer, the Director of the Children's Behavioral Health Transformation Initiative, service providers from the regional and statewide 9-8-8 call centers, representatives of organizations that represent people with mental health conditions or substance use disorders and that operate an Illinois social services helpline or crisis line other than 9-8-8, including veterans' crisis services, more than one individual with personal or family lived experience of a mental health condition or substance use disorder, experts in research and operational evaluation, and any other person or persons as determined by the Department of Human Services, Division of Mental Health. 410 ILCS 620/3.15 from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Representative Maurice A. West, II
HB 02086 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

House Floor Amendment No. 2

Deletes reference to:

225 ILCS 10/2.18

Adds reference to:

225 ILCS 10/7

from Ch. 23, par. 2217

Replaces everything after the enacting clause. Amends the Child Care Act of 1969. Directs the Department of Children and Family Services to amend its rules establishing licensing standards for group day care homes to provide a revised maximum authorized extended capacity for group day care homes that is applicable through July 1, 2025. Provides that the revised maximum extended capacity rules adopted by the Department shall, at a minimum, allow one caregiver and 2 assistants to have the option of caring for 2 additional children who are 30 months of age or older, as well as 2 additional children who are attending school full-time, notwithstanding any other provision of this Act. Requires the revised rules not only to provide that the second full-time assistant shall be present at all times when there are more than 12 children in the home, but also to prohibit the total capacity of the group day care home from exceeding 16 children. Effective immediately.

Senate Committee Amendment No. 1

Provides that as soon as practical after the effective date of the amendatory Act, the Department of Children and Family Services shall amend its rules establishing licensing standards for group day care homes to provide a revised maximum authorized extended capacity for group day care homes that is applicable through July 1, 2024 (rather than July 1, 2025).

Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part 1 (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

Urges the State Board of Education to conduct a study on the number of schools, school districts, and other public school associations across the State that currently utilize Native American names, logos, and mascots. Urges the State Board of Education, through conversations with local schools and school districts, to collect findings on what the cost would be for these individual schools and districts to remove and change Native American names, mascots, and logos. Urges the State Board of Education to include its findings in a written report to the General Assembly no later than December 31, 2024. Urges schools, school districts, and other public school associations to consider and plan for changing these harmful Native American names, mascots, and logos. 105 ILCS 302/1

Amends the College and Career Success for All Students Act. Makes a technical change in a Section concerning the short title.

House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Amends the Illinois Vehicle Code. Defines "disablement technology" as any instrument, device, machine, or equipment, whether software or hardware, that can be used to disable the starter of a motor vehicle, prevent fuel from flowing to the engine, prevent electricity from flowing to the engine, or otherwise prevent the vehicle from being started or driven by a person. Provides that disablement technology shall not be used as an aid to the physical retrieval of a vehicle as part of repossession or as a consequence for nonpayment under a retail installment contract or other instrument. Provides that a violation is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that a consumer whose vehicle is subject to the activation of disablement technology may bring an action against an activating person or entity for damages of \$1,000 per month per violation plus actual damages and attorney's fees. Provides that disablement technology may be offered for sale or sold only for antitheft purposes, either on its own or for an additional fee in connection with the purchase of a motor vehicle. Requires a motor vehicle dealer that sells a motor vehicle containing disablement technology to comply with specified requirements. Provides that data generated or stored by disablement technology as the result of a consumer's vehicle usage is the personal property of the consumer, and the consumer is entitled to all profits and other benefits flowing from the sharing or sale of the data. Provides that data generated or stored by disablement technology that is installed in a consumer's vehicle, and data transmitted by or through the disablement technology that relates to the consumer or the consumer's use of a motor vehicle, may not be sold or otherwise shared with any third parties except as required by federal, State, or local law, or required by court order. Makes a corresponding change in the Consumer Fraud and Deceptive Business Practices Act.

House Floor Amendment No. 2

Provides that knowingly installing or using disablement technology in violation of the Code is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that an assignee or successor in interest to a retail installment contract or other instrument who did not install, authorize, or ratify the installation of the disablement technology in a consumer's vehicle may not be held liable for the prior contract holder's installation of disablement technology unless the technology is activated or the consumer is threatened with activation by the assignee or successor in interest. Provides that the required disclosure by any motor vehicle dealer that sells a motor vehicle containing disablement technology shall contain a statement that the disablement technology will not be used or activated by the motor vehicle dealer, lender, or any other party as part of a repossession or as a consequence of nonpayment of a retail installment contract or other instrument (rather than similar agreement).

HB 03135 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that after filing a complaint under the Employment Article, Financial Credit Article, Public Accommodations Article, Elementary, Secondary, and Higher Education Article, or Additional Civil Rights Violations Article, the Department of Human Rights may petition and shall be permitted to intervene as a party in the proceeding if the Human Rights Commission determines that: the Department has an interest different from one or more of the parties; the expertise of the Department makes it better suited to articulate a particular point of view; or the representation of the Department's interest by existing parties is or may be inadequate and the Department will or may be bound by an order or judgment in the action. Provides that if the Department certifies that the case is of general public importance, the Attorney General may seek to intervene on behalf of the Department in a civil action filed by a complainant in State or federal court. Requires, in various situations, a complainant to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed in circuit court. Requires a complainant who chooses to file a complaint with the Commission without the Department's assistance to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed with the Commission. Provides that a petition for temporary relief shall contain a certification by the Director of the Department that the particular matter warrants temporary relief (rather than that the matter presents exceptional circumstances in which irreparable injury will result from a civil rights violation in the absence of temporary relief). Provides that the filing of a petition for temporary relief does not affect the initiation or continuation of other specified administrative proceedings. Removes language providing that when a petition for temporary relief is based upon a civil rights violation, the relief or restraining order shall not exceed 5 days. Provides that proceedings on requests for review shall toll the time limitation from the date on which the Department's notice of dismissal or default is issued until 30 days after (rather than issued to) the date on which the Human Rights Commission's order is served on the chief legal counsel of the Department (rather than when the order is entered). Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: In a provision regarding opting out of a Department of Human Rights investigation, requires a complainant to notify the Department (rather than the Department and the respondent) that a complaint has been filed with the appropriate circuit court (rather than with the appropriate circuit court or other appropriate court of competent jurisdiction) by serving (rather than mail) a copy of the complaint on the chief legal counsel of the Department (rather than the Department and the respondent) within 21 days from the date (rather than on the same date) that the complaint is filed with the appropriate circuit court. Provides that the 21-day period for service on the chief legal counsel shall not be construed to be jurisdictional.

Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

Fiscal Note (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

()

415 ILCS 5/7.5 from Ch. 111 1/2, par. 1007.5

Amends the Environmental Protection Act. Provides that the filing fees for specified petitions shall be \$250 (rather than \$75).

Fiscal Note (Illinois Pollution Control Board)

House Bill 4651 will have no impact on state expenditures but does have the potential to increase revenue. Since the per filing fee will increase from \$75 to \$250 each, this will increase the revenue collected per filing. Based on the current trend of ten(10) filings per year, the increase in the per filing fee would collect an additional \$1,750 in state revenue per fiscal year.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Representative Ann M. Williams
HB 05610 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. Makes other changes.

HB 04875 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

Fiscal Note (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

Representative Lance Yednock
HB 04209 (CONTINUED)

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

HB 05243 (CONTINUED)

Amends the Illinois Power Agency Act. Provides that in competitive procurements conducted by the Agency for utility-scale energy storage resources from owners of existing or retired fossil-fueled power plants, the Agency, in ranking the bids, shall apply a downward bid price adjustment to any project bid that is located or proposed to be located within a one mile radius of an existing substation that serves or has served as a point of interconnection for a fossil-fueled power plant and that meets one of 3 specific criteria. Provides that if the project meets 2 or more of the criteria, the Agency shall apply the bid price adjustment 2 times. Provides that the Agency shall develop a storage procurement plan that results in the electric utilities contracting for energy storage resources. Provides that, within 90 days after the effective date of the amendatory Act, the Agency shall develop an energy storage procurement plan. Provides that an owner of the energy storage resources must have entered into a project labor agreement for the construction of the energy storage resource and certify that not less than the prevailing wage was or will be paid to employees who are engaged in construction activities. Provides that, if the owner or owners of the energy storage resources own existing or retired fossil-fueled power plants, the owner shall commit to a job training and education program to provide the requisite skills, knowledge, and training required to operate and maintain energy storage resources and create employment opportunities for graduates of the program. Provides that the Agency shall conduct an analysis every 2 years to determine whether the contracted quantity of energy storage in energy storage capacity and energy storage duration is sufficient. Provides that the Agency shall retain an independent consultant to conduct the analysis. Sets forth requirements of the independent consultant and the analysis. Provides that the Agency is authorized to collect costs for conducting the analysis from electric utilities. The electric utilities are authorized to recover the cost of the analysis. Provides that if the Agency determines that the need for energy storage capacity or energy storage duration is greater than the energy storage resources already procured, the Agency shall establish and the Commission shall approve new energy storage resources targets to meet the identified need. Effective immediately.
