Creates the Transportation Benefits Program Act. Requires all covered employers to provide a program that allows a covered employee to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, up to a maximum level allowed by federal tax law. Provides that all transit agencies shall market the existence of this program and the Act to their riders in order to inform affected employees and their employers. Provides that nothing in the Act shall be deemed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers or affect the validity or change the terms of bona fide collective bargaining agreements in force on the effective date of the Act. Defines terms. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "covered employer" includes an employer that employs 50 or more covered employees (rather than an average of 25 or more full-time employees) in a specified geographic area at an address that is located within one mile of regularly scheduled transit service. Provides that the pre-tax commuter benefit shall allow employees to use pre-tax dollars for the purchase of a transit pass or qualified parking, via payroll deduction, such that the costs for such purchases may be excluded from the employee's taxable wages and compensation up to the maximum amount permitted by federal tax law. Provides that the Regional Transportation Authority shall make publicly available a searchable database of addresses that are located within one mile of regularly scheduled transit service. Removes provisions concerning compensation for qualified parking. Makes other changes. Effective January 1, 2024.

Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the transportation benefits program, removes a provision that allows employees to use pre-tax dollars for the purchase of qualified parking. Provides that the Regional Transportation Authority shall make publicly available a searchable map (rather than database) of addresses that are located within one mile of fixed-route transit service (rather than regularly scheduled transit service). 410 ILCS 620/3.15 from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

New Act

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes: Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

Senate Committee Amendment No. 1

Requires the Department of Human Services' Division of Mental Health to determine the sound costs (rather than the actuarially sound costs) associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Expands membership on the stakeholder working group to include labor unions that represent workers in the behavioral health workforce.

New Act

Creates the Consumer Reciprocal Attorney's Fees Act. Defines "consumer contract" as any contract in which the money, property, or service that is the subject of the transaction is primarily for personal, family, or household purposes. Provides that if a consumer contract allows for the recovery of attorney's fees in an action brought to enforce the contract, the court may award reasonable attorney's fees to the defendant if the defendant prevails in the action. Provides that the Act applies to any action filed on or after the effective date of the Act where the amount claimed does not exceed the maximum amount of a judgment allowable for a small claim under the Illinois Supreme Court Rules, but does not apply if the plaintiff does not request attorney's fees in the complaint or if each party to the consumer contract was represented by counsel in the negotiation of the contract. Provides that nothing in the Act shall be construed to apply to or limit the rights of any party to attorney's fees under any other contract or other provisions of State law.

Provides that an employer shall not include the imputed costs of time spent duplicating the information, purchasing or renting a copying machine, purchasing or renting computer equipment, or purchasing, renting, or licensing software in a fee for providing a copy of the documents. Provides that an employee may bring an action in circuit court regardless of whether that employee has filed a complaint concerning the same violation with the Department of Labor. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Requires an employee to make a written request to the employer before having a legal right to inspect, copy, and receive copies of specified documents, including any employment-related contracts or agreements that employer maintains are legally binding on the employee (rather than any contracts or agreements that the employee signed or that the employer maintains the manifested intent of the employee to be bound or that the employer maintains are legally binding on the employee). Removes other types of documents to which an employee has the right to inspect, copy, and receive copies. Modifies how requests must be made and the requirements of written requests. Removes changes made to how an employee may obtain copies of information requested. Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

Creates the Freelance Worker Protection Act. Provides that freelance workers must be compensated by hiring parties for their services in a timely manner. Provides that whenever a hiring party retains the services of a freelance worker, the contract between the hiring party and the freelance worker shall be reduced to writing. Provides that no hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to, or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Contains provisions concerning complaints to the Director of Labor; the powers and duties of the Director; civil actions brought by freelance workers; civil actions brought by the State; the scope of freelance worker contracts; a public awareness campaign; and surveys, information collection, and reporting requirements. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Creates the Freelance Worker Protection Act. Provides that, except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount no later than 30 days after the freelance worker provides the product or completes the services under the contract. Provides that once a freelance worker has commenced preparation of the product or performance of the services under the contract, a contracting entity shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation. Requires written contracts for services or products provided by a freelance worker. Sets forth the information such written contracts must include. Provides that a contracting entity must retain its contract with a freelance worker for no less than 2 years and must make the contract available to the Department of Labor upon request. Requires the Department to make model contracts available on its website for use by the general public at no cost. Prohibits a contracting entity from taking any action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Sets for the procedure for freelance workers to file a complaint alleging a violation of the Act. Provides that complaints shall be reviewed by the Department to determine whether there is cause for the Department to initiate the process of facilitating the exchange of information between the parties. Contains provisions concerning notification and response requirements. Authorizes the Attorney General to initiate or intervene in a civil action if the Attorney General has reasonable cause to believe that any person or entity is engaged in a pattern and practice prohibited under the Act. Contains provisions concerning Attorney General investigations; civil penalties; and other enforcement matters. Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

House Floor Amendment No. 3

Adds reference to:

New Act

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes: Provides that except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount on or before the date the compensation is due under the terms of the contract. Provides that if the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which the date will be determined, compensation shall be due no later than 30 days after the completion of the freelance worker's services under the contract. In provisions concerning contracts for products and services of freelance workers, removes a provision that requires each party to the written contract to retain a copy for a period of 2 years after the products or services are provided. Provides that the definition of "freelance worker" does not include an individual performing construction services. Defines "construction". Makes other changes. Effective July 1, 2024.

Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. 750 ILCS 60/214 from Ch. 40, par. 2312-14

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Representative Barbara Hernandez
HB 01569 (CONTINUED)

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Code of Civil Procedure: Changes the definition of "impound" and "impoundment". Defines "seal" and "sealing". Removes language requiring the court to automatically order the impounding of any court file in a residential eviction action. Restores language regarding: the discretionary sealing of a court file, except a file shall be placed under seal if doing so is clearly in the interests of justice or (rather than and) that the interests of justice are not outweighed by the public's interest in knowing about the record; and the mandatory sealing of a court file, except that it shall be impounded (rather than sealed). Removes language providing that a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body may access all impounded files by filing a motion for individual cases or for a class of cases with the judge presiding over evictions in that judicial district or county. Removes language providing that a tenant is not required to report a court record that is sealed or impounded to a prospective landlord. Changes the period of time for notice requirements related to a plaintiff failing to further prosecute an eviction action from 180 days to 365 days. Provides that the form of the notice may be developed by each judicial circuit in accordance with its practice or the Administrative Office of the Illinois Courts may develop a standardized form. Allows a judicial court to adopt a rule to follow the notice procedure in a shorter amount of time than 365 days.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of HB1569 as amended by House Amendment 1, the legislation would not increase or decrease the number of judges needed in the state of Illinois.

Fiscal Note (Office of the Attorney General)

The proposed legislation, House Bill 1569, HA#1, would not have a significant fiscal impact on our Office as the work could be covered by an existing bureau within our Office.

Pension Note (Government Forecasting & Accountability)

HB 1569, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1569, [as amended by House Amendment 1] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in House Bill 1569, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

HB 1569, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. Amends the Illinois Identification Card Act and the Illinois Vehicle Code. Changes the term "non-compliant identification card" to "standard identification card". Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. Makes conforming changes in those Acts and the Consular Identification Document Act and the Election Code. Effective January 1, 2024.

House Floor Amendment No. 1

Deletes reference to:

15 ILCS 335/8

Deletes reference to:

625 ILCS 5/6-115

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.

House Floor Amendment No. 1

Representative Elizabeth "Lisa" Hernandez
HB 04148 (CONTINUED)

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Rep. Lindsey LaPointe-Will Guzzardi-Mary Beth Canty-Lilian Jiménez-Norma Hernandez
(Sen. Laura Fine, Robert F. Martwick, Mary Edly-Allen, Laura M. Murphy and Rachel Ventura)

New Act

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Representative Norma Hernandez
HB 03230 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes:
Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

Senate Committee Amendment No. 1

Requires the Department of Human Services' Division of Mental Health to determine the sound costs (rather than the actuarially sound costs) associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Expands membership on the stakeholder working group to include labor unions that represent workers in the behavioral health workforce.

HB 04896 (CONTINUED)

Replaces everything after the enacting clause. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center may collect and share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district or school districts. Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. Makes corresponding changes.

New Act

Creates the Tenants' Right to Organize Act. Provides that tenants receiving tenant-based rental assistance in the form of partial rent subsidy from any county, municipal, State, or federal source have the right to establish, operate, and participate in a resident organization for the purpose of addressing issues related to their living environment, which includes the terms and conditions of their tenancy as well as activities related to housing and community development. Provides that tenants may not be retaliated against for asserting these rights. Requires housing authorities to: (i) recognize legitimate tenant organizations; (ii) solicit comments from all legitimate tenant organizations not less than once each year; and (iii) meaningfully respond in writing no later than 60 days after receiving a comment from a legitimate tenant organization. Requires each owner of a rental housing development that receives federal low-income housing tax credits (LIHTC) to: (1) recognize legitimate resident organizations; and (2) not retaliate against any tenant because of his or her association with a legitimate resident organization. Requires housing authorities and owners of LIHTC rental housing developments to allow tenants and tenant organizers to conduct, without having to obtain prior permission, certain activities related to the establishment or operation of a tenant organization, including distributing leaflets, convening regularly scheduled tenant organization meetings in a space on-site and accessible to tenants, and other activities. Provides that if a housing authority or owner of a LIHTC rental housing development takes adverse action against a tenant who is a member of a tenant organization, there shall be a rebuttable presumption that such adverse action is an act of retaliation. Requires the Illinois Housing Development Authority to establish enforcement protocols and annually submit reports to the General Assembly with data summarizing the number of outstanding tenant complaints and the average close time for tenant complaints. Provides that implementation of the Act is contingent on the enactment of the federal Tenants' Right to Organize Act.

HB 00676 (CONTINUED)

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

105 ILCS 5/24-8.2 new

Representative Maura Hirschauer
HB 02784 (CONTINUED)

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that the minimum hourly rate for each school year thereafter shall equal the minimum salary rate for the previous school year increased by a percentage equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the previous school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that the State Librarian shall prescribe rules concerning the development of a written policy declaring the inherent authority of the public library or library system to prohibit the practice of banning specific books or resources. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Makes conforming changes.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Amends the Laser System Act of 1997. Defines "laser installation operator", "laser safety officer", "temporary laser display", and "temporary laser display operator". Throughout the Act, refers to laser installation operators or temporary laser display operators (rather than just operators). Requires laser installations to employ a laser safety officer. Requires the Illinois Emergency Management Agency to adopt rules specifying minimum training and experience requirements for laser safety officers. Provides that, if a laser safety officer encounters noncompliance with the Act or rules adopted under the Act in the course of performing his or her duties as a laser safety officer, then the laser safety officer shall report that noncompliance to the Agency as soon as practical. Requires temporary laser display operators to ensure that each temporary laser display has a laser safety officer physically present at the setup, rehearsal, and performance to ensure that all laser systems in operation at the laser installation meet the requirements of the Act and any rules adopted by the Agency under the Act. Requires temporary laser displays and laser safety officers to maintain a policy of general liability insurance in an amount that is commercially reasonable, but not less than \$1,000,000, and that covers each temporary laser display and laser safety officer. Requires temporary laser display operators to register with the Agency prior to conducting a temporary laser display. Contains notification requirements. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the definition of "laser system" includes laser projectors and laser machines, but does not include any device, machine, equipment, or other apparatus used in the provision of communications through fiber optic cable. Deletes language requiring a laser installation operator to request blanket registration approval by the Illinois Emergency Management Agency. Provides that a laser display operator shall provide updated registration information as needed (rather than within 30 days after any change to the information). Makes other technical changes.

Senate Committee Amendment No. 1

Changes the definition of "laser safety officer". Provides that each laser installation whose function is for the use of a temporary laser display shall use a laser safety officer.

Makes changes in provisions concerning single prime procurement methods; the Illinois business bid preference; the veteran bid preferences; small business set-aside reporting; the award of contracts to not-for-profit agencies for persons with significant disabilities; the duration of contracts; public education programming; the application of the Code to public institutions of higher education; and not-for-profit agencies for persons with significant disabilities. Adds provisions concerning software licensing contracts. Amends the Governmental Joint Purchasing Act. Authorizes chief procurement officers to approve the award of a contract on a non-competitive basis to a not-for-profit agency for persons with significant disabilities. Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois. Makes changes in provisions concerning facility leases. Creates the Reimagining Hotel Florence Act. Provides that, notwithstanding any provision of law to the contrary, the Department of Natural Resources on behalf of the State may, pursuant to a competitive request for proposals process governed by the Illinois Procurement Code and rules adopted under that Code and the Act, enter into a public-private agreement to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State. Provides for home rule preemption. Amends the Business Corporation Act of 1983. Adds provisions concerning contractor diversity reporting. Amends the State Fair Act. Exempts from the requirements of the Illinois Procurement Code procurement expenditures necessary to provide artistic or musical services, performances, events, or productions under the Act at the State Fairgrounds in Springfield. Amends the Transportation Sustainability Act. Specifies that the State's solicitations for the procurement of freight, small package delivery, and other cargo shipping and transportation services shall be subject to the Illinois Procurement Code or the Governmental Joint Purchasing Act (rather than only the Illinois Procurement Code). Amends the Public-Private Partnerships for Transportation Act. Replaces references to "transportation agency" with "responsible public entity". Defines "responsible public entity". Makes changes concerning public construction bonding requirements. Makes other changes. Effective January 1, 2024.

Senate Floor Amendment No. 3

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

Requires an application for the implementation of the total return distribution method to be submitted to the Comptroller at least 120 days before the effective date of the election to receive total return distribution. Allows, where no receiver is available, a circuit court to order a willing local municipality, township, county, or city to take over the cemetery. Repeals a provision regarding the use of care funds. Makes other changes.

Amends the Public Utilities Act. Provides that no electric utility shall establish or maintain any unreasonable difference as to rates or other charges, services, contractual terms, or facilities for access to or the use of its utility infrastructure by another person or for any other purpose. Amends the Electric Service Customer Choice and Rate Relief Law of 1997. Prohibits an electric utility in a county with a population of 3,000,000 or more from authorizing any other person or granting any other person the right, by agreement, lease, license, or otherwise, to access, control, use, or operate any electric utility's infrastructure, facilities, or assets of any kind or to deliver or provide to the electric utility's retail customers or any other person's customers, broadband services, Voice over Internet Protocol (VoIP) services, telecommunications services, or cable or video programming services. Specifies, however, that an electric utility in a county with a population of 3,000,000 or more may authorize or grant another person the right to access or use the electric utility's infrastructure, facilities, or assets, including, but not limited to, middle mile infrastructure, to facilitate the delivery of broadband services to Illinois residential and commercial customers on the condition that the access to and use of that electric utility's infrastructure, facilities, and assets (A) be granted on a non-discriminatory, non-exclusive, and competitively neutral basis; and (B) comply with all other State and federal laws, rules, and regulations, including, but not limited to, all applicable safety codes and requirements. Provides that, if there is any dispute regarding the terms, rates, or conditions of access to or use of the electric utility's infrastructure, facilities, and assets to facilitate the delivery of broadband services to Illinois residential and commercial customers, then the Commission shall hear and decide the dispute upon petition of any party. Provides that nothing in the amendatory Act shall be construed to alter or diminish the rights or obligations of any person nor shall it be deemed to conflict with the federal Pole Attachment Act. Specifies that these prohibitions become inoperative after December 31, 2027. Defines terms. Effective immediately.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

30 ILCS 750/9-4.3 from Ch. 127, par. 2709-4.3

Amends the Build Illinois Act. Provides that the amount of small business loans made to minority persons, veterans, females, or persons with a disability under the Act shall not exceed \$2,000,000 (rather than \$400,000) or 50% of the business project costs unless the Director of Commerce and Economic Development determines that a waiver of these limits is required to meet the purposes of the Act. Provides that eligible projects under those provisions include refinancing current debt if the loan will refinance a loan previously made by a lender that is unaffiliated with the financial intermediary making the new loan and the proceeds of the refinance transaction are not used to finance an extraordinary dividend or other distribution.

Representative Hoan Huynh
HB 02068 (CONTINUED)

Creates the Transportation Benefits Program Act. Requires all covered employers to provide a program that allows a covered employee to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, up to a maximum level allowed by federal tax law. Provides that all transit agencies shall market the existence of this program and the Act to their riders in order to inform affected employees and their employers. Defines terms. Effective January 1, 2024.

House Floor Amendment No. 1

Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "covered employer" includes an employer that employs 50 or more covered employees (rather than an average of 25 or more full-time employees) in a specified geographic area at an address that is located within one mile of regularly scheduled transit service. Provides that the pre-tax commuter benefit shall allow employees to use pre-tax dollars for the purchase of a transit pass or qualified parking, via payroll deduction, such that the costs for such purchases may be excluded from the employee's taxable wages and compensation up to the maximum amount permitted by federal tax law. Provides that the Regional Transportation Authority shall make publicly available a searchable database of addresses that are located within one mile of regularly scheduled transit service. Removes provisions concerning compensation for qualified parking. Makes other changes. Effective January 1, 2024.

HB 03135 (CONTINUED)

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that after filing a complaint under the Employment Article, Financial Credit Article, Public Accommodations Article, Elementary, Secondary, and Higher Education Article, or Additional Civil Rights Violations Article, the Department of Human Rights may petition and shall be permitted to intervene as a party in the proceeding if the Human Rights Commission determines that: the Department has an interest different from one or more of the parties; the expertise of the Department makes it better suited to articulate a particular point of view; or the representation of the Department's interest by existing parties is or may be inadequate and the Department will or may be bound by an order or judgment in the action. Provides that if the Department certifies that the case is of general public importance, the Attorney General may seek to intervene on behalf of the Department in a civil action filed by a complainant in State or federal court. Requires, in various situations, a complainant to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed in circuit court. Requires a complainant who chooses to file a complaint with the Commission without the Department's assistance to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed with the Commission. Provides that a petition for temporary relief shall contain a certification by the Director of the Department that the particular matter warrants temporary relief (rather than that the matter presents exceptional circumstances in which irreparable injury will result from a civil rights violation in the absence of temporary relief). Provides that the filing of a petition for temporary relief does not affect the initiation or continuation of other specified administrative proceedings. Removes language providing that when a petition for temporary relief is based upon a civil rights violation, the relief or restraining order shall not exceed 5 days. Provides that proceedings on requests for review shall toll the time limitation from the date on which the Department's notice of dismissal or default is issued until 30 days after (rather than issued to) the date on which the Human Rights Commission's order is served on the chief legal counsel of the Department (rather than when the order is entered). Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: In a provision regarding opting out of a Department of Human Rights investigation, requires a complainant to notify the Department (rather than the Department and the respondent) that a complaint has been filed with the appropriate circuit court (rather than with the appropriate circuit court or other appropriate court of competent jurisdiction) by serving (rather than mail) a copy of the complaint on the chief legal counsel of the Department (rather than the Department and the respondent) within 21 days from the date (rather than on the same date) that the complaint is filed with the appropriate circuit court. Provides that the 21-day period for service on the chief legal counsel shall not be construed to be jurisdictional.

Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. HB 02174 (CONTINUED)

Amends the Homeowners Energy Policy Statement Act. Requires any energy policy statement to explicitly include the minimum standards. Provides that a written energy policy statement may not condition approval of an application on approval by adjacent property owners. Restricts an association from inquiring into a property owner's energy usage, imposing conditions impairing the operation of a solar energy system, imposing conditions negatively impacting any component warranty, or requiring post-installation reporting. Provides that a property owner may not be denied permission to install a solar energy system based on system ownership or financing method chosen by the property owner. Allows an association's written energy policy statement to impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process and the maintenance, repair, replacement, and ultimate removal of damaged or inoperable systems. Provides that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Requires an application for approval to be made available in hard copy form at a property owner's request or, if the association maintains a website, through the website. Provides that an application shall be processed by the appropriate approving entity of the association within 30 (rather than 75) days of the submission of the application. Provides that if an association fails to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner may proceed with the installation or use of the proposed solar energy system notwithstanding any other policy or provision in the homeowners' common interest community or condominium unit owners' association declaration. Allows a property owner to resubmit an application for approval previously denied by an association, and requires any such resubmitted application shall be evaluated under the changes made by the amendatory Act. Makes conforming and other changes. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that a property owner may not be required to utilize specific technology, including, but not limited to, solar shingles rather than traditional solar panels, by any entity granted the power or right in any deed restriction, covenant, or similar binding agreement to approve, forbid, control, or direct alteration of property. Removes language providing that an association's written energy policy statement may impose reasonable conditions concerning the location of on-site storage of materials and equipment during the installation process. Provides that an association's written energy policy statement may impose reasonable conditions so long as such conditions are not more onerous than the association's analogous conditions for nonsolar projects. Removes language providing that no energy policy statement shall be valid unless recorded as required by applicable law in the office of the recorder of deeds in the county where the property is located. Provides that any provision of a homeowners' common interest community or condominium unit owners' declaration or energy policy statement that conflicts with the Act shall be void and unenforceable as contrary to public policy. Effective immediately.

Senate Floor Amendment No. 1

Provides that before a property owner may proceed with the installation or use of the proposed solar energy system based upon the association's failure to adopt a written solar energy policy statement or process an application for approval within the specified time, the property owner must first give the association written notice of the alleged failure and 10 business days to cure that alleged failure. Provides that during those 10 business days, the association may only adopt the policy statement or process the application; the association may not take other action, including, but not limited to, seeking injunctive relief, during those 10 business days.

New Act

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes: Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

New Act

Creates the Limited-Equity Housing Cooperative Task Force Act. Provides that the purpose of the Act is to establish the Illinois Limited-Equity Housing Cooperative Task Force to collect data and qualitative experiences regarding the needs of limited-equity housing cooperatives with the goal of analyzing their potential to (i) increase the supply of affordable ownership housing across Illinois and (ii) further home ownership and build wealth among lower-income and moderate-income Illinoisans, especially those locked out of the traditional homeownership market. Provides that the Task Force is created within the Illinois Housing Development Authority to study: (1) opportunities to expand the number of limited-equity housing cooperatives statewide, including the number of properties that could be developed as limited-equity housing cooperatives; (2) the use of limited-equity housing cooperatives as a tool to create permanently affordable ownership housing; (3) the impact that substantial investments in limited-equity housing cooperatives would have on closing the racial wealth gap in Illinois; and other matters. Requires the Task Force to prepare and submit a final report, on or before December 31, 2024, to the Governor and the General Assembly making specific recommendations of legislative and budgetary action that supports the mission of limited-equity housing cooperatives to foster permanently affordable ownership housing and homeownership among lower-income and moderate-income Illinois residents. Contains provisions concerning Task Force membership; meetings; vacancies; and other matters. Provides that the Task Force is dissolved and the Act is repealed on December 31, 2024. 305 ILCS 5/12-4.7b

Amends the Department of Human Services Act. In provisions concerning the Women, Infants, and Children (WIC) Nutrition Program, removes a provision requiring the Department of Human Services to report quarterly to the Governor and the General Assembly on the status of obligations and expenditures of the WIC nutrition program appropriation and make recommendations on actions necessary to expend all available federal funds. Amends the Administration Article of the Illinois Public Aid Code. In provisions requiring the Department of Human Services to enter into intergovernmental agreements with the Illinois Department of Corrections, the Cook County Department of Corrections, and the office of the sheriff of every other county, removes a requirement that the Department conduct monthly exchanges of information with the specified agencies in order to determine if an assistance unit receiving public aid includes an individual who is an inmate of a correctional institution, facility, or jail. Removes a requirement that the Department of Human Services exchange information with the office of the sheriff of every county and instead requires the Department to exchange information with the office of the sheriff to the extent available. Requires the Department to review each individual prior to authorizing benefits at application and redetermination to verify eligibility for benefits under the Code (rather than requiring the Department to review each month the entire list of individuals generated by the monthly exchange and verify the eligibility for benefits under the Code for each individual on the list).

House Committee Amendment No. 1

In the Administration Article of the Illinois Public Aid Code, permits the Department of Human Services to purchase incarceration data through a third-party resource to conduct data matches of incarcerated individuals.

New Act

Creates the Tenants' Right to Organize Act. Provides that tenants receiving tenant-based rental assistance in the form of partial rent subsidy from any county, municipal, State, or federal source have the right to establish, operate, and participate in a resident organization for the purpose of addressing issues related to their living environment, which includes the terms and conditions of their tenancy as well as activities related to housing and community development. Provides that tenants may not be retaliated against for asserting these rights. Requires housing authorities to: (i) recognize legitimate tenant organizations; (ii) solicit comments from all legitimate tenant organizations not less than once each year; and (iii) meaningfully respond in writing no later than 60 days after receiving a comment from a legitimate tenant organization. Requires each owner of a rental housing development that receives federal low-income housing tax credits (LIHTC) to: (1) recognize legitimate resident organizations; and (2) not retaliate against any tenant because of his or her association with a legitimate resident organization. Requires housing authorities and owners of LIHTC rental housing developments to allow tenants and tenant organizers to conduct, without having to obtain prior permission, certain activities related to the establishment or operation of a tenant organization, including distributing leaflets, convening regularly scheduled tenant organization meetings in a space on-site and accessible to tenants, and other activities. Provides that if a housing authority or owner of a LIHTC rental housing development takes adverse action against a tenant who is a member of a tenant organization, there shall be a rebuttable presumption that such adverse action is an act of retaliation. Requires the Illinois Housing Development Authority to establish enforcement protocols and annually submit reports to the General Assembly with data summarizing the number of outstanding tenant complaints and the average close time for tenant complaints. Provides that implementation of the Act is contingent on the enactment of the federal Tenants' Right to Organize Act.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

New Act
775 ILCS 5/6-102

Creates the Prevention of Gender-Based Discrimination in Service Industries Act. Prohibits a service business from discriminating on the basis of gender. Defines "service business" as a commercial enterprise that focuses on providing various services to customers and has no tangible, physical characteristics or products. This includes, but is not limited to, hairstylists, barbers, tailors, dry cleaners, and laundries. Provides that nothing in the Act prohibits price differences based specifically upon the amount of time, difficulty, or cost of providing the services. Requires these service businesses (tailors or businesses providing aftermarket clothing alterations, barbershops or hair salons, dry cleaners and laundries providing services to individuals) to post a notice that states they don't discriminate on prices charged for services of similar or like kind on the basis of the person's gender and that a complete price list is available upon request. Amends the Illinois Human Rights Act to provide that a person who violates the Prevention of Gender-Based Discrimination in Service Industries Act commits a civil rights violation within the meaning of the Illinois Human Rights Act, except as otherwise specified.

Expresses support for the right of the people of Puerto Rico to pursue self-determination. Expresses opposition to the Puerto Rico Status Act due to concerns over its inadequacy in facilitating a fair and democratic process for Puerto Ricans to determine their future given the lack of critical information over status definitions, the controlling language of government operations, transitions, taxes, Puerto Rico's separate Olympic representation, citizenship, and other key matters. Endorses the Puerto Rico Self-Determination Act as a constructive approach towards enabling the people of Puerto Rico to explore and decide upon their future political status through a democratic and participatory process. Encourages our federal representatives to support legislation and initiatives that align with the principles of self-determination and democracy for Puerto Rico.

Amends the Illinois Public Labor Relations Act. Modifies the definitions of "supervisor" and "unit". In the definition of "supervisor", specifies that the authority to assign is not an indication of supervisory status. In the definition of "unit", prohibits a unit from including (i) employees and managerial employees or (ii) managerial employees only. Provides, with respect to bargaining units in existence on the amendatory Act's effective date, that the Illinois Labor Relations Board shall, in describing the unit found appropriate for purposes of collective bargaining, describe the unit in terms of job functions rather than job titles. Provides that, for those units, descriptions may also include the currently existing job titles that perform the job functions. Deletes reference to:

20 ILCS 2305/6.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Deletes references to the role of HIV Treatment Innovation Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Amends the AIDS Confidentiality Act. Defines "conditional approval" to mean Illinois ADAP approval within one business day after submission of documentation of Illinois residency, Program Agreement form, and attestation of remaining eligibility requirements (instead of approval within 24 hours after submission of the materials). Deletes requirement that an applicant seeking conditional approval must document resident in the State. Provides that the Department of Public Health shall establish one Rapid Start for HIV Treatment pilot site per HIV Care Connect Region (instead of 8 pilot sites throughout the State). Provides that the Department may implement the pilot program in accordance with industry standards informed by the most current Health Resources and Services Administration guidance on HIV care and treatment (in addition to the most current Centers for Disease Control and Prevention guidance). Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.
