HB 04475 (CONTINUED)

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

Makes a change to one of the qualifications for state charter status. Provides that a veteran service organization must have been formed by and for veterans, have a board where at least two-thirds of its members are veterans, and have annual expenditures that demonstrate that at least 51% of the organization's expenses reflect support for veterans, service members, and their families (rather than have been formed by and for veterans with a board composition of mostly veterans or have annual expenditures that demonstrate that the majority of the organization's expenses reflect support for veterans, service members, and their families). Removes, from the list of qualifications, a requirement that the veteran service organization provide responsible aid, assistance, or services to the veteran community. In a provision concerning the duration of state charter status, provides that state charter status shall be valid for 3 (rather than 5) years. Requires a veteran service organization to reapply for state charter status at least 120 days before the expiration of its current state charter status. Makes technical changes.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that, in addition to other requirements, to qualify for state charter status, a veteran service organization must (i) have a board where a majority of its members are veterans and have annual expenditures that demonstrate that a majority of the organization's expenses reflect support for veterans and (ii) comply with the methods and criteria set forth under the Military Veterans Assistance Act if the veteran service organization has delegates and alternates or is in the process of selecting and submitting delegates and alternates to a county Veterans Assistance Commission at the time of application for State charter status. Removes, from the list of qualifications, a requirement that the veteran service organization provide responsible aid, assistance, or services to the veteran community. In a provision concerning the duration of state charter status, provides that state charter status shall be valid for 3 (rather than 5) years. Requires a veteran service organization to reapply for state charter status at least 120 days before the expiration of its current state charter status. Provides that in addition to any other remedies, a court may assess a civil penalty not to exceed \$5,000 for each violation of the Act. Makes technical changes.

HB 03097 (CONTINUED)

Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. Makes other changes.

Further amends the Public Utilities Act. Creates the Transmission Efficiency and Cooperation Law as a new Article in the Act. Provides that an incumbent electric transmission owner has the right to construct, own, and maintain an electric transmission line that has been approved for construction in a transmission plan and that will connect to facilities that are owned by that incumbent electric transmission owner and are or will be under the functional control of the Midcontinent Independent System Operator (MISO). Provides that the provisions do not limit the right of any incumbent electric transmission owner to construct, own, and maintain any transmission equipment or facilities that have a capacity of less than 100 kilovolts or of any entity otherwise qualified to own, operate, and maintain electric transmission facilities that are not approved for construction in a transmission plan or that will not connect to facilities under the functional control of a regional transmission operator. Provides that the provisions shall not be construed to impair, abridge, or diminish in any way the powers, rights, and privileges of municipal corporations that are not incumbent electric transmission owners to partner with an incumbent electric transmission owner on the development and ownership of an electric transmission line included in a transmission plan. Provides that within 90 days after the later of the effective date of the amendatory Act or approval of the construction of an electric transmission line by a regional transmission operator, an incumbent electric transmission owner otherwise authorized to engage in the construction may provide notice to the Commission and the applicable regional transmission operator indicating it will not construct any or all of the electric transmission line so approved, or it will assign any or all of the construction to a transmission affiliate. Provides that if the notice is given and indicates the notifying incumbent electric transmission owner or its transmission affiliate will not construct any or all of the electric transmission line so approved, the incumbent electric transmission owner shall indicate the reason for that election, and the commission may grant permission and approval for such construction to another entity otherwise qualified to own and operate the electric transmission line. Defines terms.

HB 03520 (CONTINUED)

Amends the Illinois Pension Code. Provides that a security employee of the Department of Corrections or the Department of Juvenile Justice under the Tier 2 provisions is entitled to an annuity calculated under the alternative retirement formula, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55 (instead of age 60). With regard to Tier 2 members and participants under the Illinois Municipal Retirement Fund (IMRF), Chicago Municipal, Cook County, State Employees, and State Universities Article: changes the retirement age to age 60 with 20 years of service or age 67 with 10 years of service; rescinds an election for certain benefits for persons under the Chicago Municipal Article; provides that any retirement annuity or supplemental annuity shall be subject to annual increases on January 1 in the manner and with the same eligibility requirements provided for members or participants under the applicable Article who first became members or participants in that Article before January 1, 2011; and makes other changes. Provides that the changes made by the amendatory Act are intended to be retroactive to January 1, 2011 and are applicable without regard to whether a member or participant was in active service on or after the effective date. Authorizes SLEP status under IMRF for a person who is a county correctional officer or probation officer. Amends the State Mandates Act to require implementation without reimbursement.

Pension Note (Government Forecasting & Accountability)

According to the State Employees Retirement System (SERS), reducing the Tier 2 alternative formula retirement age from 60 to 55 for security employees of the Departments of Corrections and Juvenile Justice would cause the overall accrued liability to increase by \$1.9 billion, with a corresponding increase to the State's annual contribution of \$84 million/year. A comprehensive actuarial study would be needed to assess the impact of the other components of the bill: granting the Tier 2 COLA after one year of retirement, regardless of age; lowering the normal (non-police) Tier 2 retirement age; and adding Tier 1 and 2 county correctional officers and probation officers to the IMRF SLEP program.

Amends the General Provisions, Downstate Police, Downstate Firefighter, and State Employees Articles of the Illinois Pension Code. Provides that a security employee of the Department of Corrections or the Department of Juvenile Justice or a security employee of the Department of Human Services subject to the Tier 2 provisions is entitled to an annuity calculated under the alternative retirement annuity provisions, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55, regardless of whether the attainment of age 55 occurs while the person is still in service. New Act

Creates the United States Marine Corps Semper Fidelis Memorial Highway Act. Designates the portion of Interstate 80 that is located in the State of Illinois as the United States Marine Corps Semper Fidelis Memorial Highway.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be cited as the U.S. Military Highways Designations Act (rather than the United States Marine Corps Semper Fidelis Memorial Highway Act). Designates the portion of Interstate 80 in Illinois from mile marker 26 to 51 (rather than the entirety of Interstate 80 in Illinois) as the U.S. Marine Corps Highway "Semper Fidelis" (rather than the United States Marine Corps Semper Fidelis Memorial Highway) to honor and mark the 250th anniversary of the United States Marine Corps. Provides that appropriate plaques may be erected by the Department of Transportation along Interstate 80 and in rest areas along this route (rather than only in rest areas).

Amends the Human Remains Protection Act. Provides that if the grave is damaged or destroyed, the veterans' organization may fix, add, install, or refurbish the grave or replace a broken or damaged headstone. Before the veterans' organization may repair, refurbish, place a marker, or otherwise repair a broken headstone on the grave, the veterans' organization must make a good faith effort to contact the next of kin of the person whose grave has been identified and receive no response from the next of kin within a reasonable period of time as determined by the Department, by rule. HB 04934 (CONTINUED)

Replaces everything after the enacting clause. Amends the Cemetery Protection Act. Defines "veteran" and "veterans' organization". Provides that if a veterans' organization has identified human remains of a veteran that are more than 100 years old and wishes to have a marker placed to designate the grave as that of a veteran, a cemetery authority may allow such memorialization without permission of the decedent's heirs. Provides that all costs for memorialization including the marker, its installation, and any removal of or repair to a previous marker that is damaged shall be entirely borne by the veterans' organization. Prohibits human remains from being disturbed in this process. Requires permission from the cemetery authority and compliance with the rules and regulations and any collective bargaining agreement of the involved cemetery. Requires the veterans' organization to first make a good faith effort to contact the decedent's next of kin, and if there is no response within 120 days, the process may proceed. Provides that if any heir of a decedent later objects to memorialization, the sole remedy is the removal of the involved marker at the expense of the involved veterans' organization unless the veterans' organization no longer exists or is without funds, in which case removal shall be at the expense of the heir. Prohibits any monetary damages or any other equitable relief or penalties against the cemetery authority, cemetery, or veterans' association.

5 ILCS 100/5-45.55 new

215 ILCS 5/370c.3 new

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

HB 01364 (CONTINUED)

Amends the Community Emergency Services and Support Act. Changes "responder" to "mobile mental health relief provider" throughout the Act. Provides that the Department of Human Services, Division of Mental Health's guidance for 9-1-1 PSAPs and emergency services dispatched through 9-1-1 PSAPs for coordinating the response to individuals who appear to be in a mental or behavioral health emergency while engaging in conduct alleged to constitute a non-violent misdemeanor shall promote diversion from further criminal justice involvement, including prioritization of referrals to a pre-arrest or pre-booking case management unit in any areas served by pre-arrest or pre-booking case management. Requires the Statewide Advisory Committee to continue to meet until the Act has been fully implemented and mobile mental health relief providers are available in all parts of Illinois, and allows the Division of Mental Health to reconvene the Statewide Advisory Committee at its discretion after full implementation of the Act. Provides that, if no person is willing or available to fill a member's seat for one of the required areas of representation on a Regional Advisory Committee, the Secretary of Human Services shall adopt procedures to ensure that a missing area of representation is filled once a person becomes willing and available to fill that seat. Requires the Division of Mental Health to establish a clear plan and regular courses of action to engage, recruit, and sustain areas of established participation. Requires each Regional Advisory Committee to identify regional resources and supports for use by the mobile mental health relief providers as they respond to the requests for services. Provides that each 9-1-1 PSAP and emergency service dispatched through a 9-1-1 PSAP must begin coordinating its activities with the mobile mental and behavioral health services established by the Division of Mental Health once specified conditions are met, but not later than July 1, 2024 (rather than July 1, 2023). Requires the Division of Mental Health to submit a report to the General Assembly on or before July 1, 2023 and on a quarterly basis thereafter on its progress in implementing the Act. Makes other changes.

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Creates the Mental Health and Wellness Act (rather than the Mental Health Equity Access and Prevention Act). In provisions concerning coverage of no-cost mental health prevention and wellness visits, provides that a mental health prevention and wellness visit shall be in addition to an annual physical examination. Provides that the Department of Insurance shall update current procedural terminology codes through adoption of rules if the codes listed in the provisions are altered, amended, changed, deleted, or supplemented. Provides that a mental health prevention and wellness visit may be incorporated into and reimbursed within any type of integrated primary care service delivery method. Provides that the Department shall adopt any rules necessary to implement the provisions by no later than October 31, 2024 (rather than 2023). Removes provisions concerning coverage of out-of-network mental health care, provisions concerning coverage of medically necessary mental health care for individuals not diagnosed with a mental health disorder, and provisions concerning analysis of mental health care coverage on insurance premiums. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code. Makes other changes. Effective immediately.

House Floor Amendment No. 3

In provisions concerning coverage of no-cost mental health prevention and wellness visits, provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 shall provide coverage for one annual mental health prevention and wellness visit (rather than 2 annual mental health prevention and wellness visits) for children and for adults. Makes a grammatical correction.

New Act

Creates the Veterans I.O.U. Act. Provides that the General Assembly finds that veterans are owed a debt of gratitude for their service; that there is a known and large gap between veterans and their awareness of the resources, services, and benefits available to them, especially in times of need; and that closing this gap begins with being able to identify a veteran, which can eliminate the disconnect between a veteran and the resources, services, and benefits the veteran may need. Requires the Department of Veterans' Affairs to develop, by rule, standards for identifying veterans and making them aware of resources, services, and benefits that veterans may need. Provides that the rules shall require State agencies, local government agencies, as well as licensed individuals and entities, to ask an individual at the point of initial contact if the individual has ever served in any branch of the military of the United States, including the National Guard, reserve, or active duty. Defines "points of contact" to include, but not be limited to, stops by law enforcement, arrest and booking, emergency room visits, visits to food pantries, and visits to homeless shelters. Provides that if an individual affirmatively answers at the point of contact that the individual is a veteran, the veteran shall be offered information and outreach in accordance with the Department's standards. Requires outreach by the Department to commence within 48 hours after the initial contact and to include, but not be limited to: information regarding available resources, services, and benefits; assistance in contacting providers of the resources, services, and benefits; assistance in enrolling in the resources, services, and benefits; and where available, support for the veteran's family. Provides that outreach regarding resources, services, and benefits shall not be limited to resources of the U.S. Department of Veterans Affairs. Requires State agencies, local government agencies, and licensed individuals and entities to comply with the Department's standards that apply to them. Grants the Department rulemaking authority and requires State agencies, local government agencies, and licensed individuals and entities to comply with those rules.

New Act

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes: Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

Senate Committee Amendment No. 1

Requires the Department of Human Services' Division of Mental Health to determine the sound costs (rather than the actuarially sound costs) associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Expands membership on the stakeholder working group to include labor unions that represent workers in the behavioral health workforce.

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

HB 00793 (CONTINUED)

Replaces everything after the enacting clause. Amends the Department of Human Services Act. Requires the Department of Human Services, in partnership with other specified State agencies, to eliminate on July 1, 2027 the use of active or pending 14(c) certificates authorized under the federal Fair Labor Standards Act of 1938, as well as authorizations permitted under the Minimum Wage Law to pay an employee with a disability less than the minimum wage otherwise required for employees under the Minimum Wage Law. Creates the Transition Grant Fund as a special fund in the State treasury to provide funds, subject to appropriation, to community agencies with active or pending 14(c) certificates to aid in the transition away from subminimum wages for employees with disabilities. Amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. Requires the Employment and Economic Opportunity for Persons with Disabilities Task Force (Task Force) to create, by no later than July 1, 2025, a multi-year plan of recommended actions, outcomes, and benchmarks to help the State meet its goal to eliminate the use of 14(c) certificates on and after July 1, 2027. Sets forth certain information and data that shall be included in the multi-year plan to inform the work of the Task Force. Requires the Task Force to include in the multi-year plan certain recommendations aimed at facilitating the elimination of 14(c) certificates. Requires the Task Force to submit the multi-year plan to the Governor and the General Assembly by no later than July 1, 2025 and to provide annual reports on implementation through January 1, 2030. Amends the Illinois Procurement Code. In a provision listing the type of not-for-profit agencies whose supplies and services may be procured without advertising or calling for bids, revises the list to include a not-for-profit agency that is (i) certified as a community rehabilitation provider by the Department of Human Services and (ii) accredited by a nationally-recognized accrediting organization or certified as a day services provider by the Department. Amends the Business Enterprise for Minorities, Women, and Persons with Disabilities Act. In the definition of "business owned by a person with a disability", removes from the definition a not-for-profit agency for persons with disabilities that is exempt from taxation under the Internal Revenue Code of 1986. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, beginning January 1, 2024, the personal needs allowance for a qualifying medical assistance recipient who is a resident in a facility licensed under the Community-Integrated Living Arrangements Licensure and Certification Act shall equal \$100. Provides that beginning January 1, 2025, the personal needs allowance shall increase annually at the same rate as the Social Security cost-of-living adjustment to take effect on January 1 of each year. Amends the Minimum Wage Law. In a provision permitting the Director of Labor to issue regulations providing for the employment of workers with disabilities at wages lower than the wage rate applicable under the Act, provides that the provision is inoperative on and after July 1, 2027. HB 02068

New Act

Creates the Transportation Benefits Program Act. Requires all covered employers to provide a program that allows a covered employee to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, up to a maximum level allowed by federal tax law. Provides that all transit agencies shall market the existence of this program and the Act to their riders in order to inform affected employees and their employers. Provides that nothing in the Act shall be deemed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers or affect the validity or change the terms of bona fide collective bargaining agreements in force on the effective date of the Act. Defines terms. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the definition of "covered employer" includes an employer that employs 50 or more covered employees (rather than an average of 25 or more full-time employees) in a specified geographic area at an address that is located within one mile of regularly scheduled transit service. Provides that the pre-tax commuter benefit shall allow employees to use pre-tax dollars for the purchase of a transit pass or qualified parking, via payroll deduction, such that the costs for such purchases may be excluded from the employee's taxable wages and compensation up to the maximum amount permitted by federal tax law. Provides that the Regional Transportation Authority shall make publicly available a searchable database of addresses that are located within one mile of regularly scheduled transit service. Removes provisions concerning compensation for qualified parking. Makes other changes. Effective January 1, 2024.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions concerning the transportation benefits program, removes a provision that allows employees to use pre-tax dollars for the purchase of qualified parking. Provides that the Regional Transportation Authority shall make publicly available a searchable map (rather than database) of addresses that are located within one mile of fixed-route transit service (rather than regularly scheduled transit service). Effective January 1, 2024.

New Act

Creates the Limited-Equity Housing Cooperative Task Force Act. Provides that the purpose of the Act is to establish the Illinois Limited-Equity Housing Cooperative Task Force to collect data and qualitative experiences regarding the needs of limited-equity housing cooperatives with the goal of analyzing their potential to (i) increase the supply of affordable ownership housing across Illinois and (ii) further home ownership and build wealth among lower-income and moderate-income Illinoisans, especially those locked out of the traditional homeownership market. Provides that the Task Force is created within the Illinois Housing Development Authority to study: (1) opportunities to expand the number of limited-equity housing cooperatives statewide, including the number of properties that could be developed as limited-equity housing cooperatives; (2) the use of limited-equity housing cooperatives as a tool to create permanently affordable ownership housing; (3) the impact that substantial investments in limited-equity housing cooperatives would have on closing the racial wealth gap in Illinois; and other matters. Requires the Task Force to prepare and submit a final report, on or before December 31, 2024, to the Governor and the General Assembly making specific recommendations of legislative and budgetary action that supports the mission of limited-equity housing cooperatives to foster permanently affordable ownership housing and homeownership among lower-income and moderate-income Illinois residents. Contains provisions concerning Task Force membership; meetings; vacancies; and other matters. Provides that the Task Force is dissolved and the Act is repealed on December 31, 2024. Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. Makes conforming changes in those Acts and the Consular Identification Document Act and the Election Code. Effective January 1, 2024.

House Floor Amendment No. 1

Deletes reference to:

15 ILCS 335/8

Deletes reference to:

625 ILCS 5/6-115

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, with the following changes: Makes the establishment and implementation of the Grandparents Raising Grandchildren Pilot Program subject to appropriations. Provides that the program shall require (rather than allow) the Senior Services Center of Will County to designate a staff member as an intake coordinator for Will County (rather than designate an intake coordinator for Will County) who shall help connect grandparents raising grandchildren to existing relevant services (rather than relevant services). Requires the intake coordinator to maintain records regarding the number of families who received referrals, the specific services each family was referred to and received, and the frequency of calls and visits. Provides that the intake coordinator selected by the Senior Services Center of Will County (rather than by the Department on Aging) must be knowledgeable on certain State-operated programs. In a provision requiring the intake coordinator to be given the contact information for the designated point of contact for each State agency listed in the engrossed bill, provides that such information may be given within 14 days after the intake coordinator's selection by the Senior Services Center of Will County (rather than selection by the Department on Aging).

Amends the Laser System Act of 1997. Defines "laser installation operator", "laser safety officer", "temporary laser display", and "temporary laser display operator". Throughout the Act, refers to laser installation operators or temporary laser display operators (rather than just operators). Requires laser installations to employ a laser safety officer. Requires the Illinois Emergency Management Agency to adopt rules specifying minimum training and experience requirements for laser safety officers. Provides that, if a laser safety officer encounters noncompliance with the Act or rules adopted under the Act in the course of performing his or her duties as a laser safety officer, then the laser safety officer shall report that noncompliance to the Agency as soon as practical. Requires temporary laser display operators to ensure that each temporary laser display has a laser safety officer physically present at the setup, rehearsal, and performance to ensure that all laser systems in operation at the laser installation meet the requirements of the Act and any rules adopted by the Agency under the Act. Requires temporary laser displays and laser safety officers to maintain a policy of general liability insurance in an amount that is commercially reasonable, but not less than \$1,000,000, and that covers each temporary laser display and laser safety officer. Requires temporary laser display operators to register with the Agency prior to conducting a temporary laser display. Contains notification requirements. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the definition of "laser system" includes laser projectors and laser machines, but does not include any device, machine, equipment, or other apparatus used in the provision of communications through fiber optic cable. Deletes language requiring a laser installation operator to request blanket registration approval by the Illinois Emergency Management Agency. Provides that a laser display operator shall provide updated registration information as needed (rather than within 30 days after any change to the information). Makes other technical changes.

HB 02309 (CONTINUED)

Amends the Early Mental Health and Addictions Treatment Act. Requires the Department of Human Services to implement a 2-year pilot program to provide FDA-approved 8-milligram naloxone nasal spray kits to licensed community substance use providers and public health departments in Cook County, DuPage County, Winnebago County, Sangamon County, and St. Clair County. Requires the Department to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program. Provides that the data collected must also include the number of overdose reversals and deaths following the administration of the 8-milligram naloxone nasal spray. Requires the Department to prepare a report on the results of the 2-year pilot program and submit the report to the General Assembly by July 1, 2026. Effective January 1, 2024.

New Act

Creates the Pharmaceutical and Health Affordability: Restrictions on Manufacturers' Amoral Behavior through Reasonable Oversight Act. Provides that a manufacturer or wholesale drug distributor shall not engage in price gouging in the sale of an essential off-patent or generic drug. Provides that the Director of Healthcare and Family Services or Director of Central Management Services may notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that whenever the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the Act, the Attorney General shall send a notice to the manufacturer or wholesale drug distributor requesting a specified statement. Provides that within 45 days after receipt of the request, the manufacturer or wholesale drug distributor shall submit the statement to the Attorney General. Provides that to accomplish the objectives and carry out the duties prescribed in the Act, the Attorney General may issue subpoenas or examine under oath any person to determine whether a manufacturer or wholesale drug distributor has violated the Act. Provides that upon petition of the Attorney General, a circuit court may issue specified orders against violations of the Act. Contains provisions concerning the disclosure of financial information provided by a manufacturer or wholesale drug distributor to the Attorney General. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Sets forth legislative findings. Provides that the Director of Healthcare and Family Services or Director of Central Management Services shall (rather than may) notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that a notice sent by the Attorney General to the manufacturer or wholesale drug distributor of an essential off-patent or generic drug shall serve as a litigation hold regarding documents and communications about that drug. Provides that upon petition of the Attorney General, a circuit court may issue an order imposing a civil penalty of up to \$10,000 per day (rather than only \$10,000) for each violation of the Act or providing for the Attorney General's recovery of costs and disbursements incurred in bringing an action against a manufacturer found to be in violation of the Act. Makes other changes. Effective January 1, 2024.

House Floor Amendment No. 2

Makes a change in the definition of "price gouging".

Senate Committee Amendment No. 1

Provides that if the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the provisions, then the Attorney General may (rather than shall) send a notice to the manufacturer or the wholesale drug distributor requesting a statement. Removes language providing that the Director of Central Management Services shall notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the State health plan that amounts to price gouging.

215 ILCS 5/356g from Ch. 73, par. 968g

Amends the Illinois Insurance Code. In a provision concerning coverage for mammograms, provides that if a woman's physician has ordered the patient to receive breast tomosynthesis because it has been determined that high breast density will make low-dose mammography inaccurate or ineffective, the insurer shall not require the physician to order an additional low-dose mammography as a precondition to breast tomosynthesis, nor shall an insurer require the patient to receive a low-dose mammography as a precondition to breast tomosynthesis. Provides that if the results of a woman's first 2-dimensional mammogram screening determine that the patient has high breast density, coverage of breast tomosynthesis shall be provided at no cost to the insured, regardless of whether the breast tomosynthesis and 2-dimensional mammogram occurs within the same calendar year, coverage year, or 365-day period.

Calls upon elected officials at local, state, and federal levels to stand with the UPS Teamsters in their efforts to collectively bargain for fair wages, safe working conditions, affordable healthcare, and the dignified retirement that they rightfully have earned while working for UPS. Calls on the federal government to respect the UPS Teamsters rights to collectively bargain, including the right to withhold their labor. Calls on elected officials at local, state, and federal levels to demonstrate their support by signing on to an open letter to rank-and-file Teamsters at UPS expressing that government has no role to play in collective bargaining between workers and their employer and therefore no elected individual or government entity should attempt to insert themselves into the collective bargaining process or participate in any attempted resolution of a new contract that is not first voted upon and ratified by rank-and-file UPS Teamsters prior to such government-related intervention.

House Committee Amendment No. 1

Provides that a trafficking victim may petition for vacation and expungement or immediate sealing of his or her criminal record (rather than expungement of an offense) upon the completion of his or her last sentence under specified circumstances. Provides that, if the offense is a crime of violence that is not a misdemeanor offense (rather than a crime of violence), the trafficking victim may only petition for immediate sealing of the offense upon the completion of his or her last sentence.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by House Amendment No. 1, with the following changes. Replaces a requirement making an offense eligible for vacation and expungement or immediate sealing if it was proximately caused by human trafficking with a provision allowing vacation and expungement or immediate sealing if the offense was a result of human trafficking. Removes an exception providing that a trafficking victim may petition only for immediate sealing if the offense was a crime of violence other than a misdemeanor.

House Floor Amendment No. 3

Provides that a petition for the vacation and expungement or sealing of trafficking victims' crimes shall (rather than may) be prepared, signed, and filed in accordance with Supreme Court Rule 9 (rather than prepared, signed, and filed electronically). Provides that the court may allow the petitioner to attend any required hearing remotely in accordance with local rules (rather than by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner).

Provides that the State Board of Education shall adopt rules regarding the submission of data that includes, but is not limited to: (i) a record of each verified allegation of bullying and action taken; and (ii) whether the instance of bullying was based on certain actual or perceived characteristics and, if so, lists the relevant characteristics. Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.
