HB 01068

Rep. Rita Mayfield-Kelly M. Cassidy and Anne Stava-Murray

215 ILCS 5/236 from Ch. 73, par. 848

Amends the Illinois Insurance Code. Provides that an insurer or producer authorized to issue policies of insurance in the State may not make a distinction or otherwise discriminate between persons, reject an applicant, cancel a policy, or demand or require a higher rate of premium for reasons based solely upon the basis that an applicant or insured has been convicted of a felony.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

No land conveyances are included in House Bill 1068, HA 2; therefore, there are no appraisals to be filed.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 1068, as amended by HA 2, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 1068, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note, House Floor Amendment No. 2 (Department of Insurance)

Representative Rita Mayfield
HB 01068 (CONTINUED)

If the Department of Insurance is responsible for fielding complaints of rate discrimination or denial, that would require personnel to field such calls. If an investigation of discrimination falls under the scope of the Department of Insurance, that would require personnel time as well. While it is not believed to require a singular dedicated employee, it will require additional hours and the possibility of increased staff depending on the influx of calls and complaints, but the impact is likely minimal.

Correctional Note, House Floor Amendment No. 2 (Dept of Corrections)

There is no corrections population impact on the Department of Corrections.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1068, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of HB1068 as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

HB 1068 HA #2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

HB 1068 HA #2 does not pre-empt home rule authority.

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Representative Rita Mayfield
HB 01124 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specified provisions concerning the nature of notification). Makes conforming changes.

Amends the School Code. With respect to the Reading Improvement Block Grant Program, removes language that provides that the State Board of Education may distribute an amount not to exceed 2% of the moneys appropriated for the Program for the purpose of providing teacher training and re-training in the teaching of reading. Provides that if the appropriation for the Program for a given fiscal year is less than \$15,000,000, then the State Board shall limit eligibility to certain school districts and shall impose additional eligibility criteria to limit the number of approved applicants to a cohort sufficient for each selected district to provide adequate training and ongoing coaching support to each teacher of students in grades K through 2 and special education teachers and evidence-based curriculum investments. Removes language that provides that programs provided with grant funds shall not replace quality classroom reading instruction. Provides that Program funds may be used for grades K through 6 to provide both evidence-based, high-quality core literacy curriculum materials that consider the unique needs of English learners for concurrent oral language practice and high-quality screening assessments designed to inform instruction in English language arts and literacy for students (instead of classroom reading materials for students). Sets forth other provisions concerning if the appropriation is less than \$15,000,000 or is at least \$15,000,000.

Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part I (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

Creates the Family Care Plans for Infants and Families Act. Requires the Department of Public Health, in consultation with specified agencies and entities, to develop guidelines for hospitals, birthing centers, medical providers, Medicaid managed care organizations, and private insurers on how to conduct a family needs assessment and create a family care plan for an infant who may exhibit clinical signs of withdrawal from a controlled substance or medication. Requires an infant's family care plan to include a family needs assessment performed by a social worker or any other appropriate and trained individual or agency. Requires a licensed health care professional or social worker to complete a family care plan that shall include supports and services to be provided to the infant and the infant's parent or caregiver. Contains provisions concerning information that must be provided under a family care plan; notice to the Department of Public Health when an infant's parent or caregiver fails to adhere to a family care plan; exceptions to a finding of nonadherence; educational materials and training for hospital employees and others on the difference between notification requirements to report the birth of a substance-exposed infant and notification requirements to report alleged child abuse and neglect; and other matters. Amends the Credit Services Organizations Act. Expands the list of prohibitions imposed on a credit services organization to include: (i) charging or receiving any money or other valuable consideration before providing services listed in the contract (rather than charging or receiving any money or other valuable consideration prior to full and complete performance of the services the credit services organization has agreed to perform); (ii) making a guarantee that a buyer's credit score or credit report will be improved through that buyer contracting with the credit services organization; (iii) adding an authorized user to a credit card account for payment of money or other valuable consideration; (iv) seeking an investigation by a third party of a trade line on a credit report without the authorization of the buyer; (v) failing to allow the buyer to cancel a contract with the credit services organization by phone call, email, text message, or a website; and other prohibitions as specified. In a provision concerning written statements a credit services organization must provide to a buyer before executing a contract or other agreement with the buyer, provides that, if a credit services organization agrees to provide services on a periodic basis, the organization must provide a detailed written description of those services that explains how the buyer will be billed in substantially equal periodic payments at fixed time intervals. Amends the Credit Services Organizations Act. Expands the list of prohibitions imposed on a credit services organization to include: (i) charging or receiving any money or other valuable consideration before providing services listed in the contract (rather than charging or receiving any money or other valuable consideration prior to full and complete performance of the services the credit services organization has agreed to perform); (ii) making a guarantee that a buyer's credit score or credit report will be improved through that buyer contracting with the credit services organization; (iii) adding an authorized user to a credit card account for payment of money or other valuable consideration; (iv) seeking an investigation by a third party of a trade line on a credit report without the authorization of the buyer; (v) failing to allow the buyer to cancel a contract with the credit services organization by phone call, email, text message, or a website; and other prohibitions as specified. In a provision concerning written statements a credit services organization must provide to a buyer before executing a contract or other agreement with the buyer, provides that, if a credit services organization agrees to provide services on a periodic basis, the organization must provide a detailed written description of those services that explains how the buyer will be billed in substantially equal periodic payments at fixed time intervals. In a provision requiring each written contract to include certain statements and information, provides that: (i) a statement alerting the buyer of the cancellation notice form attached to the contract must be written in at least 10-point boldface type; and (ii) the written contract must include a complete and detailed description of the services to be performed by the credit services organization and the total cost to the buyer for such services, including a detailed description on how a buyer will be billed for services provided by the credit services organization on a periodic basis. Amends the Department of Human Services Act. Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Provides that to be eligible to participate in the Child Care Collaboration Program a provider must meet certain eligibility requirements, including: (i) be a profit or nonprofit early childhood center or licensed family child care home; (ii) receive or be eligible to receive child care assistance funding; and (iii) be a part of an existing or pending collaborative arrangement with a Head Start or Early Head Start Program or with a pre-kindergarten program funded by the Illinois State Board of Education through the Early Childhood Block Grant. Sets forth approvable models of collaboration and application requirements for providers seeking approval of their existing or proposed child care collaboration program. Provides that each eligible provider that receives Department approval of its existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the program. Provides that a family's eligibility for collaboration services under the approved child care collaboration program shall be determined in accordance with all current child care rules, with certain exceptions, including, but not limited to: (1) a family's eligibility period for collaboration services shall be up to 36 months to coincide with the family's eligibility for a Head Start or Early Head Start Program or an early childhood or preschool program funded through the Early Childhood Block Grant; and (2) no child care co-payments shall be assigned or collected from the family. Effective immediately.

House Committee Amendment No. 1

Removes a provision providing that each eligible provider that receives approval from the Department of Children and Family Services of the provider's existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the existing or proposed program. Removes a provision exempting eligible families from child care co-payments for child care collaboration services. Instead provides that families eligible for collaboration services shall pay a monthly co-payment amount of up to \$1.

(Sen. Adriane Johnson)

105 ILCS 5/29-5

from Ch. 122, par. 29-5

Amends the Transportation Article of the School Code. In provisions claiming reimbursement by the State for transportation, provides that, for a State-authorized charter school, the State will pay the prorated allowable cost of transporting eligible pupils less the prior year prorated assessed valuation based on enrollment reported for the previous academic year in a State-authorized charter school proportionate to the State-authorized charter school's local school board's district enrollment for the previous academic year. Provides that a State-authorized charter school's qualifying rate shall be the same as the rate that applies to State-authorized charter school's local school board's district. Provides that if a State-authorized charter school does not have a Transportation Fund tax rate of at least .12% based upon the tax rate of its local school board's district, the State-authorized charter school shall be eligible to receive a reimbursement based on the proportion of students enrolled in the State-authorized charter school compared with the local school board's district enrollment.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Transportation Article of the School Code concerning reimbursement by the State for transportation. Provides that a State-authorized charter school shall be reimbursed by the State. Sets forth provisions concerning how much the State must pay. Provides that a charter school, other than a State-authorized charter school, that offers transportation to eligible students shall be eligible for reimbursement by the State at the same rate as its host district, unless the host district is the Chicago school district, in which case the charter school is eligible for reimbursement by the State at the rate set forth in the charter agreement. Sets forth how the charter school shall make a reimbursement claim. Provides that a charter school, other than a State-authorized charter school, that has previously received regular transportation grant funding from the State Board of Education or is in the process of receiving such funding approved in the same fiscal year as the effective date of the amendatory Act shall retain any awarded funding.

Requires the Department of Human Services to (i) establish a new intervention license category entitled "OPS Harm Reduction Services", (ii) establish standards for entities to become licensed under the OPS Harm Reduction Services category, and (iii) create a licensing application process. Provides that, notwithstanding any other law, ordinance, or regulation, any entity licensed as an OPS Harm Reduction Services provider may operate an overdose prevention site as authorized by the Department. Requires the Department to make a determination as to whether to approve an entity's application for an OPS Harm Reduction Services license within 4 weeks after the date upon which the entity submitted its application to the Department. Requires the Department to help educate local communities and public and private entities about overdose prevention sites and the evidence regarding the benefits of overdose prevention sites. Requires entities approved to operate an overdose prevention site to, at a minimum, provide a hygienic space where participants may consume pre-obtained substances, maintain a supply of naloxone and oxygen on-site, employ staff trained to administer first aid to participants who are experiencing an overdose, provide secure hypodermic needle and syringe disposal services, encourage drug checking or the use of fentanyl test strips, and other services. Requires licensed entities to submit a report to the Department on the number of participants who have received or are receiving services at the overdose prevention site and other matters. Grants immunity from civil or criminal liability to specified persons. Preempts home rule powers.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Substance Use Disorder Act. Requires the Department of Human Services to develop a pilot program aimed at saving the lives of people who use substances. Provides that the program shall include the establishment of at least one overdose prevention site. Provides that the pilot overdose prevention sites shall be exempt from the Act's intervention licensure requirements for harm reduction services until the Department has adopted rules for harm reduction services. Provides that overdose prevention sites shall offer people who are most likely to use drugs in public, unobserved, high-risk, and unsanitary locations a safe space to use pre-obtained substances and to connect with community supports or other existing treatment and recovery programs, harm reduction services, and health care. Sets forth principles that pilot overdose prevention sites shall abide by. Contains provisions concerning: staffing requirements at overdose prevention sites; designated locations for overdose prevention sites; program and service requirements for overdose prevention sites; civil immunity for overdose prevention sites and staff; and other matters. In provisions concerning licensure categories and services, creates a new harm reduction services category under the Act.

House Committee Amendment No. 2

Requires each pilot overdose prevention site to track and compile information on the success rate of persons who are referred to and receive additional treatment and recovery support services after utilizing the services provided at the overdose prevention site. Provides that each pilot overdose prevention site must monitor and collect the following data: (i) the number of persons who seek and receive services at the overdose prevention site; (ii) the number of persons identified in item (i) who are referred to other substance use and treatment and recovery support services offered by another provider; and (iii) the number of persons identified in item (ii) who receive and complete substance use treatment or a program of recovery support services offered by another provider. Requires each pilot overdose prevention site to compile the required data and information and submit an annual report on its findings to the Department of Human Services in a form and manner and on a date prescribed by the Department. Provides that all personally identifiable information shall be excluded from the reports consistent with State and federal privacy protections. Makes technical changes.

New Act

Representative Anna Moeller
HB 01222 (CONTINUED)

Creates the Home Modification Program Act. Provides that the purpose of the Act is to establish a home modification funding system that is streamlined, effective, and administered by experts within the disability community. Provides that, subject to appropriation, the Department of Human Services shall establish a Home Modification Program to provide financial assistance to persons with disabilities for home modification projects. Requires the Department to designate a statewide association that represents centers for independent living to serve as the lead agency to administer the Program. Requires the Department to provide funding for the Program. Requires the lead agency to distribute any moneys it receives from the Department to the State's 22 centers for independent living, covering all 102 counties. Provides that the lead agency shall ensure that each center for independent living has access to at least \$105,000 to use for home modification projects, with the excess funds subject to reallocation during the 4th fiscal quarter of each year. Contains provisions concerning eligibility requirements for applicants under the Program; standards and qualifications for home modification projects; the lead agency's establishment of a Home Modification Subcommittee to provide additional oversight of the home modification projects; and an administrative fee to the lead agency.

House Committee Amendment No. 1

Expands the list of findings to include the following: nearly 3,900,000 veterans receive disability compensation payments; these veterans have sacrificed in service to their country and defense of our freedoms; and home modifications will help Illinois veterans to regain and maintain their own freedom to utilize their homes and access the world around them. Provides that older adults and veterans who have a disability, as defined in the Act, qualify for financial assistance under the Home Modification Program. Requires program applicants to have proof of disability from an agency other than a center for independent living when a disability is not obvious or readily apparent. Provides that, in addition to other local, State, and federal requirements, all contractors must follow the requirements under the Illinois Accessibility Code. Expands the definition of "home modification" to include any change to the structure of a residential home or property to create universal design. Defines "universal design" to mean any dwelling unit designed and constructed that is safe and accessible for everyone, regardless of age, physical ability, or stature. Makes technical changes.

(Sen. Ann Gillespie and Laura M. Murphy)

Representative Anna Moeller
HB 02076

210 ILCS 45/3-304.2

Amends the Nursing Home Care Act. Requires the Department of Public Health to adopt criteria, by rule, to identify distressed facilities and to publish a list of distressed facilities quarterly. Provides that no facility shall be identified as a distressed facility unless it has committed a violation or deficiency that has harmed a resident. Removes existing language requiring the Department of Public Health to generate and publish quarterly a list of distressed facilities based on specified criteria.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions relating to designation of distressed facilities, provides that the Department of Public Health shall, by rule, create a timeframe and a procedure on how a facility can be removed from the list and the list may not contain more than 40 facilities per quarter. Provides that a facility has the right to appeal a designation and the procedure for appealing shall be outlined in rule. Removes provisions relating to temporary managers, and provides that a monitor (rather than a temporary manager) may apply to the Equity in Long-term Care Quality Fund on behalf of the facility for grant funds to implement the plan of improvement. Provides that the Department's mentor program is for owners and operators (rather than owners) of distressed facilities and that the program shall provide technical assistance and guidance to facilities. Provides that the Department's rule criteria for restricting the owners of a facility may not prohibit an owner who acquires ownership of a facility that is already on the distressed facility list before the owner's acquisition of the facility from acquiring additional skilled nursing facilities. Excludes from the provisions homes, institutions, or other places operated by or under the authority of the Illinois Department of Veterans' Affairs as those facilities are certified by the United States Department of Veterans Affairs and not the Centers for Medicare and Medicaid Services.

Provides that a person may not sell a clear aligner to a patient unless the person has received written or electronic confirmation from a dentist licensed in this State that the patient has received an intraoral or extraoral dental examination and has had a review of new or recently conducted x-rays, panoramic x-rays, computed tomography, bone imaging scans, or other appropriate diagnostic imaging sufficient to allow the dentist to detect conditions in the patient that would preclude or contraindicate the provision of safe orthodontic treatment. 215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

Representative Anna Moeller
HB 05142 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes other changes. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the amendatory Act may be referred to as the Health Care Consumer Access and Protection Act. Amends the Illinois Insurance Code. Provides that, unless prohibited under federal law, for plan year 2026 and thereafter, for each insurer proposing to offer a qualified health plan issued in the individual market through the Illinois Health Benefits Exchange, the insurer's rate filing must apply a cost-sharing reduction defunding adjustment factor within a range that is uniform across all insurers; is consistent with the total adjustment expected to be needed to cover actual cost-sharing reduction costs across all silver plans on the Illinois Health Benefits Exchange statewide; and makes certain assumptions. Provides that the rate filing must apply an induced demand factor based on a specified formula. Provides that certain provisions concerning filing of premium rates for group accident and health insurance for approval by the Department of Insurance do not apply to group policies issued to large employers. Removes language providing that certain provisions do not apply to the large group market. Provides that for large employer group policies issued, delivered, amended, or renewed on or after January 1, 2026, the premium rates and risk classifications must be filed with the Department annually for approval. Amends the Limited Health Service Organization Act to provide that pharmaceutical policies are subject to the provisions of the amendatory Act. Sets forth provisions concerning short-term, limited-duration insurance. Provides that no company shall issue, deliver, amend, or renew short-term, limited-duration insurance. Makes other changes. Further amends the Managed Care Reform and Patient Rights Act. Removes provisions concerning step therapy. Provides that only a clinical peer may make an adverse determination. Effective January 1, 2025.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

Changes references from "dental service contractor" and "insurer" to "dental carrier". Provides that beginning on the effective date of the amendatory Act, a dental carrier shall not deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Removes language providing that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Further amends the Illinois Insurance Code. In a provision requiring contracting entities to provide notification before any scheduled assignment or lease of the network to which the provider is a contracted provider, requires the notification to provide the specific URL address where the following are located: all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access (instead of the notification including all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access). Requires the notification to provide instructions for how the provider may obtain a copy of those materials. Amends the Limited Health Service Organization Act and Voluntary Health Services Plans Act to make conforming changes.

Provides that a municipality may not require a police officer to issue a specific number of citations, warnings, points of contact, stops, or arrests within a designated period of time (rather than may not require a police officer to issue a specific number of citations within a designated period of time). For purposes of evaluating a police officer's job performance, prohibits a municipality from comparing the average, percentage, or number of citations, warnings, points of contact, stops, or arrests to be issued on a daily, weekly, monthly, quarterly, or annual basis issued (rather than the number of citations issued) by the police officer to the average, percentage, or number of citations, warnings, points of contact, stops, or arrests issued by any other police officer who has similar job duties. Removes language allowing a municipality to evaluate a police officer based on the police officer's points of contact. Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Representative Bob Morgan
HB 05395 (CONTINUED)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

Amends the County Department of Corrections Law. In provisions about pregnant prisoners, modifies the definitions of "post-partum" and "correctional institution", including that "correctional institution" includes institutions in all counties (rather than only in counties more than 3,000,000 inhabitants). Modifies and removes provisions relating to security restraints on a prisoner who is pregnant or in postpartum recovery. Adds provisions relating to annual reports by sheriffs documenting the number of pregnant prisoners in custody each year and the number of people who deliver or miscarry while in custody, relating to county department of corrections providing informational materials concerning the laws pertaining to pregnant prisoners to any pregnant or postpartum prisoner, and relating to supplemental nutrition for prisoners who are pregnant or lactating. Amends the Unified Code of Corrections and the County Jail Act making similar changes. In the Unified Code of Corrections, also adds language relating to restraints of committed persons who are pregnant. Amends the Health Care Violence Prevention Act. In provisions relating to pregnant prisoners, removes a limitation on the provisions to pregnant prisoners in the custody of the Cook County. Provides that restraint of a pregnant prisoner shall comply with specified provisions of the Counties Code, the Unified Code of Corrections, and the County Jail Act (rather than only the Counties Code provisions).

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

House Floor Amendment No. 3

In provisions relating to informational materials that must be provided to pregnant committed persons, provides that the information must also include the procedure for obtaining information about guardianship or adoption resources, if so desired. Provides that, when a person with a uterus is committed to a facility, the person shall within 14 days be given a medical screening and offered a pregnancy test (rather than the person shall take a pregnancy test).

20 ILCS 3960/5.4

55 ILCS 5/5-21001 from Ch. 34, par. 5-21001

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Amends the Illinois Vehicle Code. Provides that the driver of a vehicle that is in any manner involved in any of the following types of crashes within the State shall, if no police officer is present, give notice of the crash by the fastest available means of communication to the specified law enforcement agency: (1) a crash that results in injury to or death of any person; (2) a crash that results in damage to the property of any person in excess of a specified amount; (3) a crash involving a school bus if the crash is caused by a collision, a sudden stop, or otherwise, and the crash results in any property damage, personal injury, or death; or (4) a crash that occurs within 50 feet of a school bus and results in personal injury to or death of any person who is awaiting or preparing to board the school bus or immediately after the person exits the school bus. Requires the Secretary of State to suspend the driver's license or non-resident's driving privileges of any person who violates those provisions. Provides that every law enforcement agency shall, by February 1 (rather than March 1) with regard to data collected during July through December of the previous calendar year, compile the data on the standardized law enforcement data compilation form provided by the Department of Transportation and transmit the data to the Department. Amends the DUI Prevention and Education Commission Act. Provides that moneys in the DUI Prevention and Education Fund shall be distributed by the Department with approval (rather than guidance) from the DUI Prevention and Education Commission for crash victim programs and materials, impaired driving prevention programs, law enforcement support, and other DUI-related programs (rather than as grants for those purposes). Makes related changes in the powers of the Commission.

HB 01124 (CONTINUED)

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specified provisions concerning the nature of notification). Makes conforming changes.

410 ILCS 620/3.15 from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

Provides that if violations are documented during the annual inspection and the Department is required to reinspect the mobile home park to ensure the violations have been corrected, the Department, at its discretion, may charge a reinspection fee of \$300 per site visit due at the time of license renewal. Provides that licensing fees and reinspection fees are nonrefundable. Provides that a mobile home park whose license has been voided, suspended, denied or revoked may be relicensed once the park is in substantial compliance, all delinquent licensing fees are paid, all reinspection fees are paid, and the mobile home park submits an application and application fee. Increases fees to be paid for the annual mobile home park license, individual mobile home spaces, and late charges.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Fiscal Note (Dept. of Public Health)

The Illinois Department of Public Health estimates an increase in revenue of \$424,600 from fees and \$250,000 in fines over the next 5 years.

House Floor Amendment No. 2

Adds reference to:

210 ILCS 115/21.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions regarding operating a mobile home park without a current license, provides that a late fee of \$50.00 for the first month shall be imposed for noncompliance and \$100.00 per day thereafter (rather than a fine of \$10 per day per site). Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

Amends the School Code. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, or parent handbook provided by the school district, charter school, or nonpublic school. In provisions concerning an employment history review, provides that a job applicant shall provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a substitute employee licensed by the State Board of Education and seeking employment in more than one school district, the employment history review shall be conducted by the regional office of education or intermediate service center in which the school districts are located. Provides for when this review is required and how the review remains valid, and provides for immunity for regional offices of education and intermediate service centers.

House Floor Amendment No. 1

Replaces everything after the enacting clause. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center may collect and share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district or school districts. Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. Makes corresponding changes.

HB 03140 (CONTINUED)

Creates the End Youth Solitary Confinement Act. Provides that a covered juvenile (any person under 18 years of age incarcerated in a correctional facility, jail, or detention facility of any kind operated by the Department of Juvenile Justice, a county, or a municipality) may be placed on an administrative hold and confined when temporarily being housed in a particular juvenile detention center or for administrative or security purposes as personally determined by the chief administrative officer. Provides that whenever a covered juvenile is on an administrative hold, the Department shall provide the covered juvenile with access to the same programs and services received by covered juveniles in the general population. Provides that any restrictions on movement or access to programs and services shall be documented and justified by the chief administrative officer. Provides that if a covered juvenile poses a serious and immediate risk of physical harm to any individual, including the juvenile, before a staff member of the facility places a covered juvenile in room confinement, the staff member shall attempt to use other less restrictive options, unless attempting those options poses a threat to the safety or security of any minor or staff. Provides that if a covered juvenile is placed in room confinement because the covered juvenile poses a serious and immediate risk of physical harm to himself or herself, or to others, establishes when the covered juvenile shall be released. Defines terms.

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

Amends the Illinois Works Job Program Act. Provides that contractors or subcontractors may be eligible to earn bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program (previously bid credits were available for public works contracted by the State). Provides that contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood that the contractor and the subcontractors are selected as the contractor for the public works project. Provides that, for contracts and grant agreements executed after the effective date of the amendatory Act, of a specified goal at least half of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program. Provides that the Department of Commerce and Economic Opportunity may grant a reduction or waiver upon a determination that the contractor or subcontractor has demonstrated that insufficient graduates of the Illinois Works Preapprenticeship Program are available to meet the requirements. Provides that contractors and subcontractors must submit a certification to the Department and the agency that is administering the contract, or the grant agreement funding the contract, demonstrating that the contractor or subcontractor has not complied with the labor hour goals and did not receive a reduction or waiver. Provides the penalties for failing to comply with the Illinois Works Apprenticeship Initiative. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning the Illinois Works Apprenticeship Initiative, provides that, for contracts and grant agreements executed after the effective date of the amendatory Act and before January 1, 2024 (in the engrossed bill, the effective date of the amendatory Act), of the stated goal, at least 25% (in the engrossed bill, half) of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program, the Illinois Climate Works Preapprenticeship Program, or the Highway Construction Careers Training Program (in the engrossed bill, only the Illinois Works Preapprenticeship Program) and, for contracts and grant agreements executed on or after January 1, 2024, of this goal, at least 50%. Provides that in order to earn bid credits, contractors and subcontractors shall provide the Department with certified payroll documenting the hours performed by apprentices who have completed the Illinois Works Preapprenticeship Program. In provisions concerning failure to comply with the Illinois Works Apprenticeship Initiative, provides that those provisions apply to intentional failure to comply (instead of failure to comply). Provides that the Department of Commerce and Economic Opportunity shall maintain a list of graduates of the Illinois Works Preapprenticeship Program for a period of not less than one year after the participant graduates from the Program, and contains other requirements of the list.

105 ILCS 5/10-22.6 from Ch. 122, par. 10-22.6

Amends the School Boards Article of the School Code. In provisions regarding suspension or expulsion of pupils, provides that, when expelling a student, the board shall notify the parents of the nature of the hearing and the option of retaining legal counsel. Provides that, when the suspension period is over, the pupil may return to school. Provides that for a pupil suspended due to gross disobedience or misconduct on a school bus, a written decision about whether the student can use a school bus shall be made within 15 days of the incident. Provides that a school shall offer written demonstration of remediation efforts excluding out of school suspensions. Provides that schools shall use data to track whether significant disproportionality based on race and ethnicity is occurring both in the State and in the district with respect to the incidence, duration, and type of disciplinary removals from placement, including suspensions and expulsions. Provides that, if it is determined that significant disproportionality is occurring, the school shall provide that determination for annual review and, if appropriate, revision of the policies, practices, and procedures used in disciplinary removals to ensure that the policies, practices, and procedures comply with the district's equity requirements. Provides that notice of suspension shall also include other evidence-based alternatives to suspension. Provides that when a student is suspended for more than 4 days, "appropriate and available support services" must include an option for automatically placing the student in an e-learning program or distance learning program through written materials if (1) the removal is for more than 5 consecutive school days; or (2) the child has been subjected to a series of removals that constitute a pattern, because the series of removals total more than 10 school days in a school year, because the child's behavior is substantially similar to the child's behavior in previous incidents that resulted in the series of removals, and because of the effects of additional factors such as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.

Amends the Illinois Public Aid Code. In provisions concerning the Department of Human Services' Health Local Food Incentives Program, expands the program to provide grants to farm stands, mobile markets, community-supported agriculture sites, grocery stores, and other direct food retailers that participate in the SNAP program (rather than providing grants to participating Illinois farmers markets and direct producer-to-consumer venues). Requires the Department to consult and cooperate with non-profit organizations to develop and implement rules to distribute grants under the program (rather than designating a single non-profit organization or agency to receive an annual \$500,000 grant to be distributed to participating Illinois farmers markets and direct producer-to-consumer venues). 625 ILCS 5/2-130 new

Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Makes a conforming change in the Freedom of Information Act.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that an automated license plate reader (ALPR) user shall not sell, share, allow access to, or transfer ALPR information to any state for the purpose of investigating or enforcing a law that: (1) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services; or (2) permits the detention or investigation of a person based on the person's immigration status. Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

Representative Cyril Nichols
HB 03326 (CONTINUED)

Provides that an ALPR user shall not sell, share, allow access to, or transfer ALPR information to any state or local jurisdiction for the purpose of investigating or enforcing a law that: (i) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services as defined by the Lawful Health Care Activity Act; or (ii) permits the detention or investigation of a person based on the person's immigration status. Provides that any ALPR user in this State, including any law enforcement agency of this State that uses ALPR systems, shall not share ALPR information with an out-of-state law enforcement agency without first obtaining a written declaration from the out-of-state law enforcement agency that it expressly affirms that ALPR information obtained shall not be used in a manner that violates the Act. Provides that if a written declaration of affirmation is not executed, the law enforcement agency shall not share the ALPR information with the out-of-state law enforcement agency. Restricts provisions as provided from limiting rights under the Reproductive Health Act. Defines terms.

HB 00676 (CONTINUED)

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Amends the Code of Civil Procedure. Changes the notice requirements in the Eviction Article for terminating tenancy. Deletes the current requirement that a notice to terminate tenancy from year to year may be given at any time within the last 4 months preceding the last 60 days of the year. Deletes the provisions that the tenant is required to surrender possession and no notice to quit or demand of possession is necessary if the tenancy is for a certain period and the term expires by the terms of the lease. Creates requirements for notice of termination of a residential lease. For any residential tenancy of less than 6 months, the landlord shall notify the tenant in writing at least 30 days before the stated termination date of the rental agreement of the landlord's intent to terminate a periodic tenancy, not renew a fixed-term rental agreement, or increase the rental rate. Provides that, if the landlord fails to give the required written notice, the tenant may remain in the dwelling unit for up to 60 days after the date on which written notice is given to the tenant. Provides that during this occupancy, the terms and conditions of the tenancy remain the same unless rent was waived or abated in the preceding month or months as part of the original rental agreement; if so, the rental amount during this 60-day period shall be at the rate established on the last date that a full rent payment was made. Makes similar changes to a tenancy of longer duration. Provides that the changes for notice of termination of a residential lease do not apply to any existing rental agreement that expires less than 90 days after the effective date of the amendatory Act. Amends the Landlord and Tenant Act. Provides that a tenant of a residential property may not be charged a nonrefundable fee as a condition for lawfully possessing a rental property. Requires a landlord of residential property to provide electronic or wire transfer as an option to a tenant for the return of the tenant's security deposit or the portion of the security deposit to which the tenant is entitled.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

New Act

Creates the Freelance Worker Protection Act. Provides that freelance workers must be compensated by hiring parties for their services in a timely manner. Provides that whenever a hiring party retains the services of a freelance worker, the contract between the hiring party and the freelance worker shall be reduced to writing. Provides that no hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to, or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Contains provisions concerning complaints to the Director of Labor; the powers and duties of the Director; civil actions brought by freelance workers; civil actions brought by the State; the scope of freelance worker contracts; a public awareness campaign; and surveys, information collection, and reporting requirements. Effective immediately.

Representative Aaron M. Ortiz
HB 01122 (CONTINUED)

Replaces everything after the enacting clause. Creates the Freelance Worker Protection Act. Provides that, except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount no later than 30 days after the freelance worker provides the product or completes the services under the contract. Provides that once a freelance worker has commenced preparation of the product or performance of the services under the contract, a contracting entity shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation. Requires written contracts for services or products provided by a freelance worker. Sets forth the information such written contracts must include. Provides that a contracting entity must retain its contract with a freelance worker for no less than 2 years and must make the contract available to the Department of Labor upon request. Requires the Department to make model contracts available on its website for use by the general public at no cost. Prohibits a contracting entity from taking any action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Sets for the procedure for freelance workers to file a complaint alleging a violation of the Act. Provides that complaints shall be reviewed by the Department to determine whether there is cause for the Department to initiate the process of facilitating the exchange of information between the parties. Contains provisions concerning notification and response requirements. Authorizes the Attorney General to initiate or intervene in a civil action if the Attorney General has reasonable cause to believe that any person or entity is engaged in a pattern and practice prohibited under the Act. Contains provisions concerning Attorney General investigations; civil penalties; and other enforcement matters. Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

Requires the Department to conduct an annual inspection of each mobile home park. Provides that if violations are documented during the annual inspection and the Department is required to reinspect the mobile home park to ensure the violations have been corrected, the Department, at its discretion, may charge a reinspection fee of \$300 per site visit due at the time of license renewal. Provides that licensing fees and reinspection fees are nonrefundable. Provides that a mobile home park whose license has been voided, suspended, denied or revoked may be relicensed once the park is in substantial compliance, all delinquent licensing fees are paid, all reinspection fees are paid, and the mobile home park submits an application and application fee. Increases fees to be paid for the annual mobile home park license, individual mobile home spaces, and late charges.

Housing Affordability Impact Note (Housing Development Authority)

House Floor Amendment No. 2

Adds reference to:

210 ILCS 115/21.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions regarding operating a mobile home park without a current license, provides that a late fee of \$50.00 for the first month shall be imposed for noncompliance and \$100.00 per day thereafter (rather than a fine of \$10 per day per site). Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.
