Amends the Illinois Insurance Code. Defines terms. Provides that a group policy of accident and health insurance that provides coverage for hospital or medical treatment or services for illness on an expense-incurred basis and that is amended, delivered, issued, or renewed after January 1, 2025 shall provide coverage, without imposing any cost-sharing requirement, for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer that is recommended by a health care professional; and evidence-based cancer imaging for individuals with an increased risk of cancer as recommended by National Comprehensive Cancer Network clinical practice guidelines. Provides that the requirements do not apply to coverage of genetic testing or evidence-based cancer imaging to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account pursuant to the Internal Revenue Code.

Amends the State Officials and Employees Money Disposition Act. Provides that examiners of unclaimed property which is reported and remitted to the State Treasurer and custodians contracted by the State of Illinois to hold presumptively abandoned securities or virtual currency may deduct fees prior to remittance in accordance with the Revised Uniform Unclaimed Property Act. Amends the Revised Uniform Unclaimed Property Act. Changes the definition of property presumed to be abandoned to a corporate bond (rather than a state or municipal bond.) If a holder cannot liquidate virtual currency and cannot otherwise cause virtual currency to be liquidated, requires the holder to promptly notify the administrator in writing. The administrator may direct the holder to either (1) transfer the virtual currency that cannot be liquidated to a custodian selected by the administrator, or (2) continue to hold the virtual currency until the administrator or the holder determines that the virtual currency can be liquidated pursuant to this Act or there is an indication of apparent owner interest. Provides that the sole administrative and legal procedure for claiming property is under this Act. Requires compliance with this Act before exercising the exclusive judicial remedy. Any appeal from the administrator's decision under the Illinois Administrative Procedure Act must be taken under the provisions of the Administrative Review Law. In governing void agreements, provides that this Section does not apply to an apparent owner's agreement with a CPA firm licensed under the Illinois Public Accounting Act or with an affiliate of such firm under certain conditions. Makes other changes.

20 ILCS 2305/6.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Deletes references to the role of HIV Treatment Innovation Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Amends the AIDS Confidentiality Act. Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

Creates the United States Marine Corps Semper Fidelis Memorial Highway Act. Designates the portion of Interstate 80 that is located in the State of Illinois as the United States Marine Corps Semper Fidelis Memorial Highway.

House Floor Amendment No. 1

Designates the portion of Interstate 80 in Illinois from mile marker 26 to 51 (rather than the entirety of Interstate 80 in Illinois) as the U.S. Marine Corps Highway "Semper Fidelis" (rather than the United States Marine Corps Semper Fidelis Memorial Highway) to honor and mark the 250th anniversary of the United States Marine Corps. Provides that appropriate plaques may be erected by the Department of Transportation along Interstate 80 and in rest areas along this route (rather than only in rest areas).

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

Replaces everything after the enacting clause. Amends the Illinois Procurement Code. Creates a bid preference for firms that employ former coal mine employees. Makes changes in provisions concerning single prime procurement methods; the Illinois business bid preference; the veteran bid preferences; small business set-aside reporting; the award of contracts to not-for-profit agencies for persons with significant disabilities; the duration of contracts; public education programming; the application of the Code to public institutions of higher education; and not-for-profit agencies for persons with significant disabilities. Adds provisions concerning software licensing contracts. Amends the Governmental Joint Purchasing Act. Authorizes chief procurement officers to approve the award of a contract on a non-competitive basis to a not-for-profit agency for persons with significant disabilities. Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois. Makes changes in provisions concerning facility leases. Creates the Reimagining Hotel Florence Act. Provides that, notwithstanding any provision of law to the contrary, the Department of Natural Resources on behalf of the State may, pursuant to a competitive request for proposals process governed by the Illinois Procurement Code and rules adopted under that Code and the Act, enter into a public-private agreement to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State. Provides for home rule preemption. Amends the Business Corporation Act of 1983. Adds provisions concerning contractor diversity reporting. Amends the State Fair Act. Exempts from the requirements of the Illinois Procurement Code procurement expenditures necessary to provide artistic or musical services, performances, events, or productions under the Act at the State Fairgrounds in Springfield. Amends the Transportation Sustainability Act. Specifies that the State's solicitations for the procurement of freight, small package delivery, and other cargo shipping and transportation services shall be subject to the Illinois Procurement Code or the Governmental Joint Purchasing Act (rather than only the Illinois Procurement Code). Amends the Public-Private Partnerships for Transportation Act. Replaces references to "transportation agency" with "responsible public entity". Defines "responsible public entity". Makes changes concerning public construction bonding requirements. Makes other changes. Effective January 1, 2024.

Senate Floor Amendment No. 3

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

Sets forth principles that pilot overdose prevention sites shall abide by. Contains provisions concerning: staffing requirements at overdose prevention sites; designated locations for overdose prevention sites; program and service requirements for overdose prevention sites; civil immunity for overdose prevention sites and staff; and other matters. In provisions concerning licensure categories and services, creates a new harm reduction services category under the Act.

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Senate Committee Amendment No. 5

Adds reference to:

35 ILCS 155/6 new

Replaces everything after the enacting clause. Amends the Automobile Renting Occupation and Use Tax Act. Provides that the taxes imposed under the Act do not apply to any amounts paid or received for peer-to-peer car sharing, as defined in the Car-Sharing Program Act, or the privilege of sharing a shared vehicle through a car-sharing program, as defined in the Car-Sharing Program Act, if the shared vehicle owner paid applicable taxes upon the purchase of the automobile. Defines "applicable taxes". Provides that the car-sharing program shall collect and remit any retailers' occupation tax or use tax due with respect to any proceeds from any shared vehicle upon the purchase of which applicable taxes were not paid. Further amends the Illinois Vehicle Code. Provides that a person who rents a motor vehicle to another may hold the renter liable for physical or mechanical damage to the rented motor vehicle that occurs during the time the motor vehicle is under the rental agreement. Creates limits on liability due to theft based on the MSRP of the stolen vehicle. Provides that, beginning on the effective date and for 6 months after, a person who rents a motor vehicle to another shall provide notice to the renter of the motor vehicle of the changes reflected in the amendatory Act. Requires the notice to be posted in a conspicuous and unobscured place that is separate and apart from any other information. Effective immediately.

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Code of Civil Procedure: Changes the definition of "impound" and "impoundment". Defines "seal" and "sealing". Removes language requiring the court to automatically order the impounding of any court file in a residential eviction action. Restores language regarding: the discretionary sealing of a court file, except a file shall be placed under seal if doing so is clearly in the interests of justice or (rather than and) that the interests of justice are not outweighed by the public's interest in knowing about the record; and the mandatory sealing of a court file, except that it shall be impounded (rather than sealed). Removes language providing that a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body may access all impounded files by filing a motion for individual cases or for a class of cases with the judge presiding over evictions in that judicial district or county. Removes language providing that a tenant is not required to report a court record that is sealed or impounded to a prospective landlord. Changes the period of time for notice requirements related to a plaintiff failing to further prosecute an eviction action from 180 days to 365 days. Provides that the form of the notice may be developed by each judicial circuit in accordance with its practice or the Administrative Office of the Illinois Courts may develop a standardized form. Allows a judicial court to adopt a rule to follow the notice procedure in a shorter amount of time than 365 days.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Representative La Shawn K. Ford
HB 01569 (CONTINUED)

Based on a review of HB1569 as amended by House Amendment 1, the legislation would not increase or decrease the number of judges needed in the state of Illinois.

Fiscal Note (Office of the Attorney General)

The proposed legislation, House Bill 1569, HA#1, would not have a significant fiscal impact on our Office as the work could be covered by an existing bureau within our Office.

Pension Note (Government Forecasting & Accountability)

HB 1569, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1569, [as amended by House Amendment 1] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in House Bill 1569, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

HB 1569, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

30 ILCS 559/20-20

Amends the Illinois Works Job Program Act. Provides that contractors or subcontractors may be eligible to earn bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program (previously bid credits were available for public works contracted by the State). Provides that contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood that the contractor and the subcontractors are selected as the contractor for the public works project. Provides that, for contracts and grant agreements executed after the effective date of the amendatory Act, of a specified goal at least half of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program. Provides that the Department of Commerce and Economic Opportunity may grant a reduction or waiver upon a determination that the contractor or subcontractor has demonstrated that insufficient graduates of the Illinois Works Preapprenticeship Program are available to meet the requirements. Provides that contractors and subcontractors must submit a certification to the Department and the agency that is administering the contract, or the grant agreement funding the contract, demonstrating that the contractor or subcontractor has not complied with the labor hour goals and did not receive a reduction or waiver. Provides the penalties for failing to comply with the Illinois Works Apprenticeship Initiative. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning the Illinois Works Apprenticeship Initiative, provides that, for contracts and grant agreements executed after the effective date of the amendatory Act and before January 1, 2024 (in the engrossed bill, the effective date of the amendatory Act), of the stated goal, at least 25% (in the engrossed bill, half) of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program, the Illinois Climate Works Preapprenticeship Program, or the Highway Construction Careers Training Program (in the engrossed bill, only the Illinois Works Preapprenticeship Program) and, for contracts and grant agreements executed on or after January 1, 2024, of this goal, at least 50%. Provides that in order to earn bid credits, contractors and subcontractors shall provide the Department with certified payroll documenting the hours performed by apprentices who have completed the Illinois Works Preapprenticeship Program. In provisions concerning failure to comply with the Illinois Works Apprenticeship Initiative, provides that those provisions apply to intentional failure to comply (instead of failure to comply). Provides that the Department of Commerce and Economic Opportunity shall maintain a list of graduates of the Illinois Works Preapprenticeship Program for a period of not less than one year after the participant graduates from the Program, and contains other requirements of the list.

Provides that the data provided in the report shall include an aggregate chart at the Department level and individual reports by each correctional institution or facility of the Department of Corrections. Provides that on or before September 1 of the year following the effective date of the Act and each subsequent September 1, each college and university that provides academic programs for committed persons shall report to the Board of Higher Education on enrollment, retention, completion, and student demographics, including race, ethnicity, age, and gender of committed students. Provides that the Board of Higher Education shall compile the information and, within 60 days after receipt of such information, issue a report reflecting the information for each institution required to report. Provides that the report must be filed with the Governor and General Assembly and made publicly available on the Board of Higher Education's Internet website.

Provides that the information provided to the Board of Higher Education and the Illinois Community College Board shall include HEP enrollment and completion data disaggregated by variables, including but not limited to, race, ethnicity, gender, age, and type of degree or certificate. Provides that the Board of Higher Education and the Illinois Community College Board shall annually make HEP program data publicly available on their Internet websites.

Representative La Shawn K. Ford
HB 04728 (CONTINUED)

Amends the Department of Human Services Act. Requires the Department of Human Services to implement a Child Care Collaboration Program by no later than July 1, 2024 to facilitate high quality collaborative programming between child care and other early care and education providers and funding streams in order to increase, through collaboration, the quality and quantity of early care and education for families in Illinois who are eligible to receive child care assistance under the Department's Child Care Assistance Program. Provides that to be eligible to participate in the Child Care Collaboration Program a provider must meet certain eligibility requirements, including: (i) be a profit or nonprofit early childhood center or licensed family child care home; (ii) receive or be eligible to receive child care assistance funding; and (iii) be a part of an existing or pending collaborative arrangement with a Head Start or Early Head Start Program or with a pre-kindergarten program funded by the Illinois State Board of Education through the Early Childhood Block Grant. Sets forth approvable models of collaboration and application requirements for providers seeking approval of their existing or proposed child care collaboration program. Provides that each eligible provider that receives Department approval of its existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the program. Provides that a family's eligibility for collaboration services under the approved child care collaboration program shall be determined in accordance with all current child care rules, with certain exceptions, including, but not limited to: (1) a family's eligibility period for collaboration services shall be up to 36 months to coincide with the family's eligibility for a Head Start or Early Head Start Program or an early childhood or preschool program funded through the Early Childhood Block Grant; and (2) no child care co-payments shall be assigned or collected from the family. Effective immediately.

House Committee Amendment No. 1

Removes a provision providing that each eligible provider that receives approval from the Department of Children and Family Services of the provider's existing or proposed child care collaboration program shall receive an annual contract from the Department that allows for the advance payment of child care services at a rate that is based on the license capacity of the existing or proposed program. Removes a provision exempting eligible families from child care co-payments for child care collaboration services. Instead provides that families eligible for collaboration services shall pay a monthly co-payment amount of up to \$1.

Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.

HB 05450 (CONTINUED)

Amends the State Universities Retirement System Article of the Illinois Pension Code. With respect to a Section concerning reports on cost reduction, removes provisions requiring that on or before November 15th of each year, the Board of Higher Education, in conjunction with the Governor's Office of Management and Budget, prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the System. Amends the Higher Education Veterans Service Act. In provisions concerning reporting, provides that each October 15, each public college and university shall report to the Board of Higher Education, in collaboration with the Illinois Community College Board, on the expenditures for the prior fiscal year for the programs and services related to the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel (instead of providing that each September 1, each college and university that is required to have a Coordinator of Veterans and Military Personnel Student Services shall report to the Board of Higher Education on the fiscal impact of the programs and services related to the requirements of the Act and on the efforts of the public college or university in attracting, recruiting, and retaining veterans and military personnel). Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

Representative La Shawn K. Ford
HB 05537 (CONTINUED)

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Amends the Compassionate Use of Medical Cannabis Program Act. In the definition of "excluded offense", specifies that the registering Department shall (instead of may) waive the restriction if the person demonstrates to the registering Department's satisfaction that his or her conviction was for the possession, cultivation, transfer, or delivery of a reasonable amount of cannabis intended for medical or recreational use (instead of medical use). Provides that the Department of Agriculture shall follow specified requirements of the Cannabis Regulation and Tax Act regarding the administration of cultivation center agent identification cards. Repeals provisions regarding cultivation center agent identification cards and dispensing organization agent identification cards. Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part 1 (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

HB 02296 (CONTINUED)

Amends the Regulatory Sunset Act. Provides for the repeal of the Illinois Public Accounting Act on January 1, 2029 (rather than January 1, 2024). Amends the Illinois Public Accounting Act. Provides that all applicants and registrants shall: (1) provide a valid address and email address to the Department of Financial and Professional Regulation, which shall serve as the address of record and email address of record, respectively, at the time of application for registration or renewal of a registration and (2) inform the Department of any change of address of record or email address of record within 14 days after such change either through the Department's website or by contacting the Department's licensure maintenance unit. Provides that a license application shall have an applicant's federal individual taxpayer identification number. Provides that all CPA firms or sole practitioners required to undergo a peer review shall submit to the Department peer review reports; letters of response, if applicable; acceptance letters; letters signed by the reviewed CPA firm accepting the peer review documents with the understanding that the CPA firm agrees to take certain actions, if applicable; and letters notifying the reviewed CPA firm that certain required actions have been completed, if applicable. Provides that the Secretary of Financial and Professional Regulation shall appoint a full-time CPA Coordinator. Provides that the hearing officer shall report the hearing officer's findings of fact, conclusions of law, and recommendations to the Committee (rather than to the Committee and the Secretary). Removes a provision providing that exhibits shall be certified without cost. Makes corresponding and other changes. Specifies that the changes made to the Regulatory Sunset Act take effect immediately.

House Floor Amendment No. 1

Changes references from "federal individual taxpayer identification number" to "individual taxpayer identification number".

Senate Committee Amendment No. 1

In provisions concerning the service of notice for an administrative proceeding, provides that written notice and any notice in the subsequent proceeding may be served by registered or certified mail (rather than regular mail) to the licensee's address of record. Provides that, if in the course of the administrative proceeding the party has previously designated a specific email address at which to accept electronic service for that specific proceeding, notice may be served by sending a copy by email to an email address on record.

Senate Floor Amendment No. 2

HB 04148 (CONTINUED)

Creates the Legislative Employee Labor Relations Act. Authorizes legislative employees to bargain collectively through the representatives of their choosing on questions of wages, hours, and other conditions of employment. Specifies that the General Assembly is not required to bargain on specified matters of inherent managerial policy. Establishes the Office of State Legislative Labor Relations. Directs the Office of State Legislative Labor Relations to manage the interests of the General Assembly in collective bargaining with legislative employees. Grants the State Panel of the Illinois Labor Relations Board jurisdiction over collective bargaining matters between employee organizations and the General Assembly of the State of Illinois. Contains additional provisions concerning the following topics: the duty to bargain collectively; fair-share agreements; grievance procedures; election and recognition of labor organizations as exclusive representatives; unfair labor practices; mediation; fact-finding; exhaustion of nonjudicial remedies; strikes during session periods; and multiyear collective bargaining agreements. Specifies that the Open Meetings Act does not apply to collective bargaining negotiations and grievance arbitration proceedings under the Act. Sets forth definitions. Amends the Criminal Code of 2012, the State Lawsuit Immunity Act, and the Workplace Violence Prevention Act to make conforming changes. Effective July 1, 2026.

House Floor Amendment No. 1

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

HB 04977

Rep. Robyn Gabel and Dagmara Avelar

305 ILCS 5/5-30.1

Representative Robyn Gabel
HB 04977 (CONTINUED)

Amends the Medical Assistance Article of the Illinois Public Aid Code. Makes changes to provisions requiring Medicaid managed care organizations (MCO) to make payments for emergency services. Requires an MCO to pay any provider of emergency services, including inpatient stabilization services provided during the inpatient stabilization period, that does not have in effect a contract with the MCO. Defines "inpatient stabilization period" to mean the initial 72 hours of inpatient stabilization services, beginning from the date and time of the order for inpatient admission to the hospital. Provides that when determining payment for all emergency services, including inpatient stabilization services provided during the inpatient stabilization period, the MCO shall: (i) not impose any service authorization requirements, including, but not limited to, prior authorization, prior approval, pre-certification, concurrent review, or certification of admission; (ii) have no obligation to cover emergency services provided on an emergency basis that are not covered services under the MCO's contract with the Department of Healthcare and Family Services; and (iii) not condition coverage for emergency services on the treating provider notifying the MCO of the enrollee's emergency medical screening examination and treatment within 10 days after presentation for emergency services. Provides that the determination of the attending emergency physician, or the practitioner responsible for the enrollee's care at the hospital, of whether an enrollee requires inpatient stabilization services, can be stabilized in the outpatient setting, or is sufficiently stabilized for discharge or transfer to another facility, shall be binding on the MCO. Provides that an MCO shall not reimburse inpatient stabilization services billed on an inpatient institutional claim under the outpatient reimbursement methodology and shall not reimburse providers for emergency services in cases of fraud. Requires the Department to impose sanctions on an MCO for noncompliance, including, but not limited to, financial penalties, suspension of enrollment of new enrollees, and termination of the MCO's contract with the Department. Effective immediately.

HB 04978

Rep. Robyn Gabel and Dagmara Avelar

305 ILCS 5/14-13

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to by rule implement a methodology to reimburse hospitals for inpatient stays extended beyond medical necessity due to the inability of the Department, the managed care organization (MCO) in which a medical assistance recipient is enrolled in, or the hospital discharge planner to find an appropriate placement after discharge from the hospital to the next level of care. Requires the Department to by rule implement a methodology effective for dates of service January 1, 2025 and later to reimburse hospitals for emergency department stays extended beyond medical necessity due to the inability of the Department, the MCO, or the hospital discharge planner to find an appropriate placement after discharge from the hospital setting to the next appropriate level of care. Provides that both methodologies shall provide reasonable compensation for the services provided attributable to the hours of the extended stay for which the prevailing rate methodology provides no reimbursement. Contains provisions concerning the rate for inpatient days of care; hourly rates of reimbursement for emergency department stays; a prohibition on MCOs restricting coverage due to delays caused by the Department or the MCOs in completing the pre-admission screening and resident review process; a prohibition on MCOs imposing authorization or documentation requirements and other conditions of reimbursement that are more restrictive than standards under the fee-for-service medical assistance program; sanctions on MCOs for noncompliance; and administrative rules. Effective immediately.

305 ILCS 5/5-30.18 new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to adopt rules, by no later than January 1, 2025, to establish a process under which any provider meeting certain performance standards outlined in the amendatory Act shall be certified for a service authorization exemption from all service authorization programs for a period of no less than one year. Provides that qualification for a service authorization exemption shall be determined by the Department, or its contracted utilization review organization (URO), and shall be binding on a managed care organization (MCO) or the MCO's contracted URO. Provides that a provider shall be eligible for a service authorization exemption if the provider submitted at least 25 service authorization requests to a service authorization program in the preceding calendar year and the service authorization program approved at least 80% of the service authorization requests. Provides that no later than December 1 of each calendar year, each service authorization program shall provide written notification to all providers who qualify for a service authorization exemption for the subsequent calendar year. Requires the Department to adopt rules by January 1, 2025 to establish: (i) a standard method the Department, or its contracted URO, shall use to evaluate whether a provider meets the criteria to qualify for a service authorization exemption; (ii) a standard method the Department, or its contracted URO, shall use to accept and process provider appeals of denied or rescinded exemptions; and (iii) a standard method the MCOs shall use to accept and process professional claims and facility claims, as billed by the provider, for a health care service that is rendered, prescribed, or ordered by a provider granted a service authorization exemption, except in cases of fraud. Contains provisions concerning annual reviews by the Department of service authorization denials made under each service authorization program; quarterly reports issued by the Department that detail the performance of each service authorization program; sanctions on MCOs for noncompliance with any provision of the amendatory Act. Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

Defines "perinatal doula" and "lactation consultant". Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

730 ILCS 125/17.11 new

Amends the County Department of Corrections Law. In provisions about pregnant prisoners, modifies the definitions of "post-partum" and "correctional institution", including that "correctional institution" includes institutions in all counties (rather than only in counties more than 3,000,000 inhabitants). Modifies and removes provisions relating to security restraints on a prisoner who is pregnant or in postpartum recovery. Adds provisions relating to annual reports by sheriffs documenting the number of pregnant prisoners in custody each year and the number of people who deliver or miscarry while in custody, relating to county department of corrections providing informational materials concerning the laws pertaining to pregnant prisoners to any pregnant or postpartum prisoner, and relating to supplemental nutrition for prisoners who are pregnant or lactating. Amends the Unified Code of Corrections and the County Jail Act making similar changes. In the Unified Code of Corrections, also adds language relating to restraints of committed persons who are pregnant. Amends the Health Care Violence Prevention Act. In provisions relating to pregnant prisoners, removes a limitation on the provisions to pregnant prisoners in the custody of the Cook County. Provides that restraint of a pregnant prisoner shall comply with specified provisions of the Counties Code, the Unified Code of Corrections, and the County Jail Act (rather than only the Counties Code provisions).

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

House Floor Amendment No. 3

In provisions relating to informational materials that must be provided to pregnant committed persons, provides that the information must also include the procedure for obtaining information about guardianship or adoption resources, if so desired. Provides that, when a person with a uterus is committed to a facility, the person shall within 14 days be given a medical screening and offered a pregnancy test (rather than the person shall take a pregnancy test).

Amends the Illinois Emergency Management Agency Act of the Civil Administrative Code of Illinois. In provisions regarding security improvements that assist a not-for-profit organization in preventing, preparing for, or responding to acts of terrorism, requires the Illinois Emergency Management Agency to determine that an organization is at high risk of being subject to threats, attacks, or acts of terrorism based on the organization's profile, ideology, mission, or beliefs in order to be eligible for assistance under the provisions. New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides that the amount of wages that may be applied toward a judgment is limited to the lesser of 10% (rather than 15%) of gross weekly wages or the amount by which disposable earnings for a week exceed the total of 80 (rather than 45) times the State minimum hourly wage or the federal minimum hourly wage, whichever is greater. Provides that the amount of payment owed to or received by the judgment debtor under an independent contractor relationship that may be applied toward a judgment is limited to the lesser of 10% of gross weekly wages or the amount by which disposable earnings for a week exceed the total of 100 times the State minimum hourly wage or the federal minimum hourly wage, whichever is greater. Provides that when assets or income of the judgment debtor not exempt from the satisfaction of a judgment, deduction order, or garnishment are discovered, the court may order the unfreezing or return of wages or assets to the debtor under specified circumstances. Provides that a consumer debt judgment may not (rather than may) be revived and shall expire after 7 years from the date of entry. New Act

Creates the Civil Liability for Doxing Act. Provides that an individual engages in the act of doxing when that individual intentionally publishes another person's personally identifiable information without the consent of the person whose information is published and: (1) the information is published with the intent that it be used to harm or harass the person whose information is published and with knowledge or reckless disregard that the person whose information is published would be reasonably likely to suffer death, bodily injury, or stalking; and (2) the publishing of the information: (i) causes the person whose information is published to suffer significant economic injury or mental anguish or to fear serious bodily injury or death of the person or a family or household member to the person; or (ii) causes the person whose information is published to suffer a substantial life disruption. Allows a person who is aggrieved by a violation of the Act to bring a civil action against the individual who committed the offense to recover damages and obtain any other appropriate relief. Provides that an individual who is found liable under the Act shall be jointly and severally liable with each other individual, if any, who is found liable under the Act for damages arising from the same violation of the Act. Allows a court to issue a temporary restraining order, emergency order of protection, or preliminary or permanent injunction to restrain and prevent the disclosure or continued disclosure of a person's personally identifiable information or sensitive personal information. Allows a civil action to be brought in any county in which an element of the offense occurred, or in which a person resides who is the subject of the personally identifiable information or sensitive personal information published in violation of the Act.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds a definition of "emotional distress". Replaces references to "mental anguish" with "emotional distress". Makes changes to the definitions of "family or household member", "publish", "stalk", and "substantial life disruption". Authorizes a court to issue an order to prevent the publication of personally identifiable information or sensitive personal information if certain requirements are met. Requires any injunctive relief that is granted to contain specified elements. Deletes a provision which specified that the Act was to be construed liberally.

Amends the Abandoned Newborn Infant Protection Act. Provides that there is a presumption that by relinquishing a newborn infant in accordance with the Act, the infant's parent waives notice of any legal proceeding to terminate his or her parental rights. Requires a hospital to complete and submit, on behalf of a relinquished newborn infant, an application for medical assistance benefits provided under the Illinois Public Aid Code and to provide all available medical information and records regarding the infant to the Department of Children and Family Services and to the child welfare agency (rather than child-placing agency) that has accepted the referral of the infant. Provides that if the person (rather than parent) who relinquished a newborn infant, or a person claiming to be the parent of the infant, returns to reclaim the infant within 30 days (rather than 72 hours) after the infant was relinquished to a police station, the police station must inform such person of the name and location of the hospital to which the infant was transported. Makes changes to provisions concerning information for a relinquishing person on the relinquishment process; a child welfare agency's authority to make medical and health related decisions for a relinquished infant; notice to the infant's biological parents of legal proceedings to terminate their parental rights; the appointment of a guardian ad litem to represent the infant's interests; the alternative to relinquishment that results in the adoption of a relinquished infant under 30 (rather than 7) days of age; and other matters. Amends the Abandoned Newborn Infant Protection Act, the Immunization Data Registry Act, the Illinois Parentage Act of 2015, and the Adoption Act by replacing all references to "child placing agency" with "child welfare agency".

765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specified provisions concerning the nature of notification). Makes conforming changes.

Provides that contractors and subcontractors can use bid credits toward future bids for public works projects contracted or funded by the State or an agency of the State in order to increase the likelihood that the contractor and the subcontractors are selected as the contractor for the public works project. Provides that, for contracts and grant agreements executed after the effective date of the amendatory Act, of a specified goal at least half of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program. Provides that the Department of Commerce and Economic Opportunity may grant a reduction or waiver upon a determination that the contractor or subcontractor has demonstrated that insufficient graduates of the Illinois Works Preapprenticeship Program are available to meet the requirements. Provides that contractors and subcontractors must submit a certification to the Department and the agency that is administering the contract, or the grant agreement funding the contract, demonstrating that the contractor or subcontractor has not complied with the labor hour goals and did not receive a reduction or waiver. Provides the penalties for failing to comply with the Illinois Works Apprenticeship Initiative. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning the Illinois Works Apprenticeship Initiative, provides that, for contracts and grant agreements executed after the effective date of the amendatory Act and before January 1, 2024 (in the engrossed bill, the effective date of the amendatory Act), of the stated goal, at least 25% (in the engrossed bill, half) of the labor hours of each prevailing wage classification performed by apprentices shall be performed by graduates of the Illinois Works Preapprenticeship Program, the Illinois Climate Works Preapprenticeship Program, or the Highway Construction Careers Training Program (in the engrossed bill, only the Illinois Works Preapprenticeship Program) and, for contracts and grant agreements executed on or after January 1, 2024, of this goal, at least 50%. Provides that in order to earn bid credits, contractors and subcontractors shall provide the Department with certified payroll documenting the hours performed by apprentices who have completed the Illinois Works Preapprenticeship Program. In provisions concerning failure to comply with the Illinois Works Apprenticeship Initiative, provides that those provisions apply to intentional failure to comply (instead of failure to comply). Provides that the Department of Commerce and Economic Opportunity shall maintain a list of graduates of the Illinois Works Preapprenticeship Program for a period of not less than one year after the participant graduates from the Program, and contains other requirements of the list.

House Floor Amendment No. 1

Representative Jehan Gordon-Booth
HB 04148 (CONTINUED)

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

765 ILCS 1075/5
765 ILCS 1075/20
765 ILCS 1075/30

Amends the Right of Publicity Act. Grants additional enforcement rights and remedies to recording artists. Provides for the liability of any person who materially contributes to, induces, or otherwise facilitates a violation of a specified provision of the Act by another party after having reason to know that the other party is in violation. Defines "artificial intelligence" and "generative artificial intelligence". Changes the definition of "commercial purpose" and "identity".

House Committee Amendment No. 1

In a subsection concerning enforcement of rights and remedies by recording artists, limits reference to "enforcement of rights and remedies" (rather than "exercise and enforcement of rights and remedies").

House Floor Amendment No. 2

Adds reference to:

765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

105 ILCS 5/34-18.82 new

Amends the Chicago School District Article of the School Code. Provides that subsequent endorsements may be granted to employees licensed under the Educator Licensure Article of the Code through entitlement by the school district for specific content areas and grade levels, and authorizes the school district to entitle educators for subsequent endorsements on Professional Educator Licenses issued to applicants who meet all of the requirements for the endorsement or endorsements, including passing any required content area knowledge tests. Sets forth provisions concerning professional development sequences. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Provides that subsequent teaching endorsements may be granted to licensed employees for specific content areas and grade levels as part of a pilot program (instead of allowing subsequent endorsements to be granted to licensed employees through entitlement by the school district for specific content areas and grade levels); makes related changes. Requires the professional development sequences to be approved by the State Board of Education, in collaboration with the State Educator Preparation and Licensure Board (instead of approved by the State Educator Preparation and Licensure Board). Provides that the sequences shall (instead of may) include a comprehensive review. Removes the provision requiring the State Educator Preparation and Licensure Board to approve the sequences or, within 10 business days after the Board's meeting, return the sequences to the district with notes to amend the sequences. Provides that the State Board of Education shall adopt any rules necessary for implementation no later than June 30, 2024. Effective immediately.

Amends the Illinois Vehicle Code. Provides that a resident of this State who purchases a vehicle in another state and transports the vehicle to Illinois shall apply for registration and certificate of title as soon as practicable, but in no event less than 45 days after the purchase of the vehicle. Provides that the owner of such a vehicle shall display any temporary permit or registration issued in accordance with the provisions of the Code. Restricts the issuance of a temporary registration permit to the holder of a valid Illinois driver's license.

House Floor Amendment No. 1

In provisions concerning vehicles purchased out-of-state, requires that person to apply for registration and certificate of title no more than 45 days (rather than no less than 45 days) after the purchase of the vehicle. Provides that if an Illinois motorist who purchased a vehicle from an out-of-state licensed dealer is unable to meet the 45-day deadline due to a delay in paperwork from the seller, that motorist may obtain an Illinois temporary registration plate with: (i) proof of purchase; (ii) proof of meeting the Illinois driver's license or identification card requirement; and (iii) proof that Illinois title and registration fees have been paid. If fees have not been paid, provides that the motorist may pay the fees in order to obtain the temporary registration plate. Changes provisions concerning temporary permits to provide that the Secretary of State may grant a temporary permit or placard to operate a vehicle for which application for registration and certificate of title has been made where such application is made by the holder of a valid Illinois driver's license or identification card, or equivalent documentation (rather than made by the holder of a valid Illinois driver's license), and accompanied by the proper fee, pending action upon the application by the Secretary of State. Provides that If the person making the application is primarily a resident of a state other than the State of Illinois, that person shall provide a valid driver's license or identification card, or equivalent documentation, of that primary state of residence, accompanied by the proper fee, and one or more of the following: (i) proof of ownership or lease agreement for a residence in Illinois; (ii) proof of enrollment in an Illinois college, university, or other institution of higher education; or (iii) proof of active duty military status.

HB 03940 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

Senate Floor Amendment No. 2

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

Amends the Gender Violence Act. Defines "employee", "employer", "work environment", and "workplace". Changes the definition of "gender-related violence" to include domestic violence. Provides that an employer shall be liable only for gender-related violence committed in the work environment by an employee or agent of the employer. Provides that no person shall have the power to waive any provisions of the Act as part of a dissolution of marriage agreement, dissolution of civil union agreement, dissolution of domestic partnership agreement, or custody agreement. Makes corresponding changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Gender Violence Act. Defines "employee", "employer", and "workplace". Changes the definition of "gender-related violence" to also mean domestic violence. Provides that an employer is only liable for gender-related violence committed in the work environment by an employee or agent of the employer. Provides that liability only extends to gender-related violence that occurs while the employee was directly performing the employee's job duties and the job duties were the proximate cause of the injury, or while agent of the employer was directly involved in the performance of the contracted work and the contracted work was the proximate cause of the injury. Provides that an employer is liable for gender-related violence if the employer: failed to supervise, train, or monitor the employee who engaged in the gender-related violence; or failed to investigate complaints or reports directly provided to a supervisor, manager, owner, or another person designated by the employer of similar conduct by an employee or agent of the employer and the employer failed to take remedial measures in response to the complaints or reports. Requires an action against an employer for gender-related violence to be commenced within 4 years after the cause of action accrued, except that if the person entitled to bring the action was a minor at the time the cause of action accrued, then within 4 years after the person reaches the age of 18. Provides that no person has the power to waive any provision of the Act as part of a dissolution of marriage agreement, civil union, domestic partnership, or custody agreement.

House Floor Amendment No. 2

Provides that nothing in the Act precludes a person who has been the victim of gender-related violence from pursuing any other right or cause of action created by statute or common law. Removes language providing that no person has the power to waive any of the provisions of the Act as part of a dissolution of marriage agreement, civil union, domestic partnership, or custody agreement. Makes other changes.

New Act

Creates the 9-8-8 Suicide and Crisis Lifeline Task Force Act. Provides that the 9-8-8 Suicide and Crisis Lifeline Task Force shall be composed of 12 appointed members and the State's Chief Behavioral Health Officer, or the Officer's representative. Provides that the 2 Task Force co-chairs shall appoint experts to contribute and participate in the Task Force as nonvoting members. Provides for meetings of the Task Force and responsibilities relating to examination of the first year of implementation and use of the 9-8-8 Suicide and Crisis Lifeline in Illinois. Requires the development of an action plan with specified recommendations to be filed with the Governor and General Assembly by December 31, 2023. Includes legislative findings. Repeals the Act on January 1, 2025. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the short title of the Act to the 9-8-8 Suicide and Crisis Lifeline Workgroup Act. Provides that the Department of Human Services, Division of Mental Health, shall convene a working group that includes members of the General Assembly, representatives of State agencies, the State's Chief Behavioral Health Officer, the Director of the Children's Behavioral Health Transformation Initiative, service providers from the regional and statewide 9-8-8 call centers, representatives of organizations that represent people with mental health conditions or substance use disorders and that operate an Illinois social services helpline or crisis line other than 9-8-8, including veterans' crisis services, more than one individual with personal or family lived experience of a mental health condition or substance use disorder, experts in research and operational evaluation, and any other person or persons as determined by the Department of Human Services, Division of Mental Health. Requires the Department of Human Services, Division of Mental Health, to submit a report to the General Assembly regarding the Workgroup's findings related to the 9-8-8 call system. Modifies the Workgroup's responsibilities, including removing requirements to review the recommendations and decisions of previous State-led workgroups on transforming the mental health crisis response system and that the action plan must include a plan to sustainably fund a statewide 9-8-8 call center network in fiscal year 2025 and beyond. Effective immediately.

Amends the Community Emergency Services and Support Act. Changes "responder" to "mobile mental health relief provider" throughout the Act. Provides that the Department of Human Services, Division of Mental Health's guidance for 9-1-1 PSAPs and emergency services dispatched through 9-1-1 PSAPs for coordinating the response to individuals who appear to be in a mental or behavioral health emergency while engaging in conduct alleged to constitute a non-violent misdemeanor shall promote diversion from further criminal justice involvement, including prioritization of referrals to a pre-arrest or pre-booking case management unit in any areas served by pre-arrest or pre-booking case management. Requires the Statewide Advisory Committee to continue to meet until the Act has been fully implemented and mobile mental health relief providers are available in all parts of Illinois, and allows the Division of Mental Health to reconvene the Statewide Advisory Committee at its discretion after full implementation of the Act. Provides that, if no person is willing or available to fill a member's seat for one of the required areas of representation on a Regional Advisory Committee, the Secretary of Human Services shall adopt procedures to ensure that a missing area of representation is filled once a person becomes willing and available to fill that seat. Requires the Division of Mental Health to establish a clear plan and regular courses of action to engage, recruit, and sustain areas of established participation. Requires each Regional Advisory Committee to identify regional resources and supports for use by the mobile mental health relief providers as they respond to the requests for services. Provides that each 9-1-1 PSAP and emergency service dispatched through a 9-1-1 PSAP must begin coordinating its activities with the mobile mental and behavioral health services established by the Division of Mental Health once specified conditions are met, but not later than July 1, 2024 (rather than July 1, 2023). Requires the Division of Mental Health to submit a report to the General Assembly on or before July 1, 2023 and on a quarterly basis thereafter on its progress in implementing the Act. 735 ILCS 5/9-121

735 ILCS 5/9-123 new

815 ILCS 505/2z.6 new

Amends the Eviction Article of the Code of Civil Procedure. Repeals language regarding the discretionary sealing of court files and the mandatory sealing of court files. Requires the court to automatically order the impounding of any court file in a residential eviction action when: the parties agree to impound the court file; the court dismisses the case; either party files a satisfaction of judgment; the court enters judgment in favor of the tenant; or the court enters an eviction order against the tenant, but the complaint does not allege a material violation of the lease. Requires the court to order the impounding of any court file in a residential eviction action if the interests of justice in impounding the court file outweigh the public interest in maintaining a public record. Requires court files relating to the termination of bona fide leases in residential real estate in foreclosure and the right to possession to be impounded or placed under seal. Sets forth impounding requirements for residential eviction cases initiated prior to the effective date of the amendatory Act. Allows a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body to access all impounded files. Provides that any person who disseminates a sealed or impounded court file is liable for a civil penalty of \$2,000 or twice the actual and consequential damages, whichever is greater. Allows the Attorney General to enforce a violation of the provisions under the Consumer Fraud and Deceptive Business Practices Act. Sets forth notice requirements for the court when a plaintiff has not further prosecuted an eviction action for a period of 180 days. Allows for the dismissal of such a case if the plaintiff fails to take further action after such notice is received. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Code of Civil Procedure: Changes the definition of "impound" and "impoundment". Defines "seal" and "sealing". Removes language requiring the court to automatically order the impounding of any court file in a residential eviction action. Restores language regarding: the discretionary sealing of a court file, except a file shall be placed under seal if doing so is clearly in the interests of justice or (rather than and) that the interests of justice are not outweighed by the public's interest in knowing about the record; and the mandatory sealing of a court file, except that it shall be impounded (rather than sealed). Removes language providing that a scholarly, public policy, or court reform agency or educational, journalistic, or governmental body may access all impounded files by filing a motion for individual cases or for a class of cases with the judge presiding over evictions in that judicial district or county. Removes language providing that a tenant is not required to report a court record that is sealed or impounded to a prospective landlord. Changes the period of time for notice requirements related to a plaintiff failing to further prosecute an eviction action from 180 days to 365 days. Provides that the form of the notice may be developed by each judicial circuit in accordance with its practice or the Administrative Office of the Illinois Courts may develop a standardized form. Allows a judicial court to adopt a rule to follow the notice procedure in a shorter amount of time than 365 days.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

Based on a review of HB1569 as amended by House Amendment 1, the legislation would not increase or decrease the number of judges needed in the state of Illinois.

Fiscal Note (Office of the Attorney General)

The proposed legislation, House Bill 1569, HA#1, would not have a significant fiscal impact on our Office as the work could be covered by an existing bureau within our Office.

Pension Note (Government Forecasting & Accountability)

HB 1569, as amended by HA 1, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1569, [as amended by House Amendment 1] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in House Bill 1569, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

HB 1569, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.
