Representative Carol Ammons
HB 01016 (CONTINUED)

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

Requires the Department to designate a statewide association that represents centers for independent living to serve as the lead agency to administer the Program. Requires the Department to provide funding for the Program. Requires the lead agency to distribute any moneys it receives from the Department to the State's 22 centers for independent living, covering all 102 counties. Provides that the lead agency shall ensure that each center for independent living has access to at least \$105,000 to use for home modification projects, with the excess funds subject to reallocation during the 4th fiscal quarter of each year. Contains provisions concerning eligibility requirements for applicants under the Program; standards and qualifications for home modification projects; the lead agency's establishment of a Home Modification Subcommittee to provide additional oversight of the home modification projects; and an administrative fee to the lead agency.

House Committee Amendment No. 1

Expands the list of findings to include the following: nearly 3,900,000 veterans receive disability compensation payments; these veterans have sacrificed in service to their country and defense of our freedoms; and home modifications will help Illinois veterans to regain and maintain their own freedom to utilize their homes and access the world around them. Provides that older adults and veterans who have a disability, as defined in the Act, qualify for financial assistance under the Home Modification Program. Requires program applicants to have proof of disability from an agency other than a center for independent living when a disability is not obvious or readily apparent. Provides that, in addition to other local, State, and federal requirements, all contractors must follow the requirements under the Illinois Accessibility Code. Expands the definition of "home modification" to include any change to the structure of a residential home or property to create universal design. Defines "universal design" to mean any dwelling unit designed and constructed that is safe and accessible for everyone, regardless of age, physical ability, or stature. Makes technical changes.

Changes the definition of "gender-related violence" to also mean domestic violence. Provides that an employer is only liable for gender-related violence committed in the work environment by an employee or agent of the employer. Amends the Administration Article of the Illinois Public Aid Code. Requires the Department of Human Services to track and collect data on the scope and frequency of SNAP benefits fraud in Illinois where a SNAP recipient's benefits are stolen from the recipient's electronic benefits transfer card by means of card skimming, card cloning, or some other similar fraudulent method. Requires the Department to report its findings to the General Assembly on a quarterly basis beginning in calendar year 2024. Provides that a SNAP recipient's personally identifiable information shall be excluded from the reports consistent with State and federal privacy protections; and that each quarterly report shall be posted on the Department's official website. Provides that if the Department determines that a SNAP recipient has made a substantiated report of stolen benefits due to card skimming, card cloning, or some other similar fraudulent method, the Department shall refer the matter to the Attorney General and shall provide any assistance to the Attorney General in the prosecution of the alleged theft or fraud.

House Floor Amendment No. 4

Permits the Department to adopt any rules necessary to implement these requirements, including rules on how to accept and substantiate recipient claims for stolen benefits. Provides that, where possible, the rules for accepting and substantiating claims shall be consistent with the State Plan for SNAP replacement submitted in accordance with the Consolidated Appropriations Act of 2023, Public Law 117-328. Requires the Department to track and collect data on the scope and frequency of SNAP benefits fraud in this State. Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that the State Librarian shall prescribe rules concerning the development of a written policy declaring the inherent authority of the public library or library system to prohibit the practice of banning specific books or resources. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Makes conforming changes.

Rep. Carol Ammons

325 ILCS 5/3 from Ch. 23, par. 2053

Amends the Abused and Neglected Child Reporting Act. In the definition of "blatant disregard", provides that "blatant disregard" is not present when an incident involving a failure to provide food, shelter, or clothing that otherwise would be characterized as "blatant disregard" is solely attributable to the financial inability of the child's parent or the other person responsible for the child's welfare. In the definition of "neglected child", adds that "neglected child" means any child who is not receiving care necessary for his or her well-being, including adequate food, clothing, and shelter, even when the parent or person responsible for the child is financially able to do so or has been offered financial or other means to do so. Provides that a child shall not be considered neglected for the sole reason that the parent or other person responsible for the child in need of supportive services is unable to provide the care necessary for his or her well-being based exclusively on the parent's, or other responsible person's, financial inability. Defines "child in need of supportive services". Sets forth certain requirements the Department of Children and Family Services must complete before considering a child to be a neglected child, including evaluating the family's financial circumstances and offering appropriate family preservation services or referring the family for a child welfare services referral.

New Act

Representative Carol Ammons
HB 03957 (CONTINUED)

Creates the Pharmaceutical and Health Affordability: Restrictions on Manufacturers' Amoral Behavior through Reasonable Oversight Act. Provides that a manufacturer or wholesale drug distributor shall not engage in price gouging in the sale of an essential off-patent or generic drug. Provides that the Director of Healthcare and Family Services or Director of Central Management Services may notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that whenever the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the Act, the Attorney General shall send a notice to the manufacturer or wholesale drug distributor requesting a specified statement. Provides that within 45 days after receipt of the request, the manufacturer or wholesale drug distributor shall submit the statement to the Attorney General. Provides that to accomplish the objectives and carry out the duties prescribed in the Act, the Attorney General may issue subpoenas or examine under oath any person to determine whether a manufacturer or wholesale drug distributor has violated the Act. Provides that upon petition of the Attorney General, a circuit court may issue specified orders against violations of the Act. Contains provisions concerning the disclosure of financial information provided by a manufacturer or wholesale drug distributor to the Attorney General. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Sets forth legislative findings. Provides that the Director of Healthcare and Family Services or Director of Central Management Services shall (rather than may) notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that a notice sent by the Attorney General to the manufacturer or wholesale drug distributor of an essential off-patent or generic drug shall serve as a litigation hold regarding documents and communications about that drug. Provides that upon petition of the Attorney General, a circuit court may issue an order imposing a civil penalty of up to \$10,000 per day (rather than only \$10,000) for each violation of the Act or providing for the Attorney General's recovery of costs and disbursements incurred in bringing an action against a manufacturer found to be in violation of the Act. Makes other changes. Effective January 1, 2024.

House Floor Amendment No. 2

Makes a change in the definition of "price gouging".

Senate Committee Amendment No. 1

Provides that if the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the provisions, then the Attorney General may (rather than shall) send a notice to the manufacturer or the wholesale drug distributor requesting a statement. Removes language providing that the Director of Central Management Services shall notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the State health plan that amounts to price gouging.

415 ILCS 5/9.20 new

Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Makes other changes.

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Amends the Build Illinois Act. Provides that the amount of small business loans made to minority persons, veterans, females, or persons with a disability under the Act shall not exceed \$2,000,000 (rather than \$400,000) or 50% of the business project costs unless the Director of Commerce and Economic Development determines that a waiver of these limits is required to meet the purposes of the Act. Provides that eligible projects under those provisions include refinancing current debt if the loan will refinance a loan previously made by a lender that is unaffiliated with the financial intermediary making the new loan and the proceeds of the refinance transaction are not used to finance an extraordinary dividend or other distribution.

Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part 1 (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

Amends the Laser System Act of 1997. Defines "laser installation operator", "laser safety officer", "temporary laser display", and "temporary laser display operator". Throughout the Act, refers to laser installation operators or temporary laser display operators (rather than just operators). Requires laser installations to employ a laser safety officer. Requires the Illinois Emergency Management Agency to adopt rules specifying minimum training and experience requirements for laser safety officers. Provides that, if a laser safety officer encounters noncompliance with the Act or rules adopted under the Act in the course of performing his or her duties as a laser safety officer, then the laser safety officer shall report that noncompliance to the Agency as soon as practical. Requires temporary laser display operators to ensure that each temporary laser display has a laser safety officer physically present at the setup, rehearsal, and performance to ensure that all laser systems in operation at the laser installation meet the requirements of the Act and any rules adopted by the Agency under the Act. Requires temporary laser displays and laser safety officers to maintain a policy of general liability insurance in an amount that is commercially reasonable, but not less than \$1,000,000, and that covers each temporary laser display and laser safety officer. Requires temporary laser display operators to register with the Agency prior to conducting a temporary laser display. Contains notification requirements. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the definition of "laser system" includes laser projectors and laser machines, but does not include any device, machine, equipment, or other apparatus used in the provision of communications through fiber optic cable. Deletes language requiring a laser installation operator to request blanket registration approval by the Illinois Emergency Management Agency. Provides that a laser display operator shall provide updated registration information as needed (rather than within 30 days after any change to the information). Makes other technical changes.

Senate Committee Amendment No. 1

Changes the definition of "laser safety officer". Provides that each laser installation whose function is for the use of a temporary laser display shall use a laser safety officer.

Amends the Illinois Vehicle Code. Defines "disablement technology" as any instrument, device, machine, or equipment, whether software or hardware, that can be used to disable the starter of a motor vehicle, prevent fuel from flowing to the engine, prevent electricity from flowing to the engine, or otherwise prevent the vehicle from being started or driven by a person. Provides that disablement technology shall not be used as an aid to the physical retrieval of a vehicle as part of repossession or as a consequence for nonpayment under a retail installment contract or other instrument. Provides that a violation is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that a consumer whose vehicle is subject to the activation of disablement technology may bring an action against an activating person or entity for damages of \$1,000 per month per violation plus actual damages and attorney's fees. Provides that disablement technology may be offered for sale or sold only for antitheft purposes, either on its own or for an additional fee in connection with the purchase of a motor vehicle. Requires a motor vehicle dealer that sells a motor vehicle containing disablement technology to comply with specified requirements. Provides that data generated or stored by disablement technology as the result of a consumer's vehicle usage is the personal property of the consumer, and the consumer is entitled to all profits and other benefits flowing from the sharing or sale of the data. Provides that data generated or stored by disablement technology that is installed in a consumer's vehicle, and data transmitted by or through the disablement technology that relates to the consumer or the consumer's use of a motor vehicle, may not be sold or otherwise shared with any third parties except as required by federal, State, or local law, or required by court order. Makes a corresponding change in the Consumer Fraud and Deceptive Business Practices Act.

Provides that an assignee or successor in interest to a retail installment contract or other instrument who did not install, authorize, or ratify the installation of the disablement technology in a consumer's vehicle may not be held liable for the prior contract holder's installation of disablement technology unless the technology is activated or the consumer is threatened with activation by the assignee or successor in interest. Provides that the required disclosure by any motor vehicle dealer that sells a motor vehicle containing disablement technology shall contain a statement that the disablement technology will not be used or activated by the motor vehicle dealer, lender, or any other party as part of a repossession or as a consequence of nonpayment of a retail installment contract or other instrument (rather than similar agreement).

(Sen. Ram Villivalam)

105 ILCS 5/29-6.1 from Ch. 122, par. 29-6.1

Amends the Transportation Article of the School Code. Provides that school boards may enter into contracts for any period of time deemed appropriate by those school boards (rather than for up to 3 years) for transportation of pupils to and from school, except that no contract, inclusive of any proposed renewals, may exceed 10 years (rather than allowing such contracts to be extended for up to 2 additional years by mutual agreement of the parties and thereafter extended on a year-to-year basis by mutual agreement of the parties, unless a school board receives a timely request from another interested contractor that a contract be let by bid). Requires all contracts for a period of time greater than 5 years that do not include the use of electric vehicles for pupil transportation to include a termination option after 5 years. Allows contract opener clauses for any purpose to be included in the contract. 105 ILCS 5/34-18.82 new

Amends the Chicago School District Article of the School Code. Provides that subsequent endorsements may be granted to employees licensed under the Educator Licensure Article of the Code through entitlement by the school district for specific content areas and grade levels, and authorizes the school district to entitle educators for subsequent endorsements on Professional Educator Licenses issued to applicants who meet all of the requirements for the endorsement or endorsements, including passing any required content area knowledge tests. Sets forth provisions concerning professional development sequences. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Provides that subsequent teaching endorsements may be granted to licensed employees for specific content areas and grade levels as part of a pilot program (instead of allowing subsequent endorsements to be granted to licensed employees through entitlement by the school district for specific content areas and grade levels); makes related changes. Requires the professional development sequences to be approved by the State Board of Education, in collaboration with the State Educator Preparation and Licensure Board (instead of approved by the State Educator Preparation and Licensure Board). Provides that the sequences shall (instead of may) include a comprehensive review. Removes the provision requiring the State Educator Preparation and Licensure Board to approve the sequences or, within 10 business days after the Board's meeting, return the sequences to the district with notes to amend the sequences. Provides that the State Board of Education shall adopt any rules necessary for implementation no later than June 30, 2024. Effective immediately.

Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. from Ch. 38, par. 26-1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

Senate Floor Amendment No. 2

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

New Act

5 ILCS 140/7.5

625 ILCS 5/3-400 from Ch. 95 1/2, par. 3-400

625 ILCS 5/11-612

625 ILCS 7/Act rep.

Creates the Highway Work Zone Safety Act. Establishes the Highway Work Zone Speed Control Pilot Program. Provides that the Program's purpose is to enforce the speed limits established for construction or maintenance speed zones. Requires the Department of Transportation to install and operate an automated traffic control system only when highway construction and maintenance is occurring and when workers are present. Requires the Department to conduct a public safety campaign and post signage to inform drivers about the use of an automated traffic control system that detects speeds in excess of a work zone speed limit. Requires an automated traffic control system used in the Program to undergo an annual calibration check performed by an independent calibration laboratory. Provides that the Department shall employ automated traffic control system operators to operate an automated traffic control system at a construction or maintenance speed zone. Enumerates the duties and training requirements of an automated traffic control system operator. Limits the use of a photograph or recorded image captured by an automated traffic control system. Creates a presumption that the owner of a motor vehicle that is the subject of a photograph or recorded image was operating the motor vehicle when the photograph or recorded image was obtained through an automated traffic control system. Allows the presumption to be rebutted if specified conditions are met. Grants rulemaking authority to the Department. Defines terms. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Makes conforming changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Illinois State Police (rather than the Department of Transportation) shall establish and administer the Highway Work Zone Speed Control Pilot Program. Provides that the Illinois State Police (rather than the Department of Transportation) shall install and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits (rather than when highway construction or maintenance is occurring and when workers are present). Provides that the Illinois State Police (rather than the Department of Transportation) shall conduct a public information campaign for the Program. Removes provisions regarding maintenance of automated traffic control systems. Provides that the Illinois State Police (rather than the Department of Transportation) shall employ automated traffic control system operators. Removes provisions regarding specified requirements, duties, and restrictions for automated traffic control system operators. Provides that the Illinois State Police may adopt rules to establish requirements, duties, or restrictions for automated traffic control system operators. Removes provisions regarding liability, defenses, and civil penalties for violations. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit is guilty of a civil law violation, with a fine of \$100 to \$200, with specifications regarding the fine. Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Removes the definitions of "Authority" and "Department". Makes technical and other changes. Effective January 1, 2027, except that provisions regarding procurement and rulemaking are effective immediately.

House Floor Amendment No. 2

Representative Jaime M. Andrade, Jr.
HB 05304 (CONTINUED)

Replaces everything after the enacting clause with the provisions of House Amendment No. 1 with the following changes. Creates the Highway Work Zone Speed Control Program (rather than Highway Work Zone Speed Control Pilot Program). Provides that the Illinois Department of Transportation, in coordination with the Illinois State Police (rather than only the Illinois State Police), shall establish the Highway Work Zone Speed Control Program. Provides that the Illinois Department of Transportation, in coordination with the Illinois State Police and Illinois State Toll Highway Authority (rather than the Illinois State Police in coordination with the Department of Transportation and Illinois State Toll Highway Authority), shall administer the Program. Provides that the Illinois Department of Transportation (rather than the Illinois State Police) may enter into an agreement with a third-party vendor to assist in the administration of the program. Provides that the Illinois State Police in conjunction with the Illinois Department of Transportation and the Illinois Tollway Authority shall install, set up, and operate automated traffic control systems in certain areas (rather than the Illinois State Police shall install and operate automated traffic control systems in certain areas). Provides that the Illinois State Police and the Illinois Department of Transportation may (rather than the Illinois State Police shall) conduct a public information campaign. Provides that signs indicating that work zone speeds are enforced by automated traffic control systems must be clearly posted in the areas where the systems are in use (rather than the Department of Transportation, in coordination with the Illinois State Police, shall post before the entrance to a construction or maintenance speed zone in which an automated traffic control system is in use signage indicating that the work zone speed limit is being monitored by an automated traffic control system). Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Provides that a civil law violation under this Act to a motor vehicle rental or leasing company shall be dismissed if the company responds to the civil law violation within 30 days of the mailing with an affidavit of non-liability and a copy of the driver's license number, name, and address of the renter or lessee.

House Floor Amendment No. 3

In a provision in House Amendment No. 2, provides that the Illinois State Police, in conjunction with the Illinois Department of Transportation and the Illinois State Toll Highway Authority, shall set up and operate (rather than install, set up, and operate) automated traffic control systems in highway construction and maintenance speed zones. Provides that certain tasks may or shall be completed before setting up (rather than installing) an automated traffic control system. Provides that the Illinois Department of Transportation or the Illinois State Police may (rather than the Illinois Department of Transportation shall) employ automated traffic control system operators.

Provides that the pilot program shall allow the Senior Services Center of Will County to designate an intake coordinator for Will County who shall help connect grandparents raising grandchildren to relevant services and resources provided by the various State agencies, including, but not limited to, services and resources provided by the Department of Children and Family Services, the Department of Human Services, the Department on Aging, the Department of Healthcare and Family Services, and the State Board of Education. Provides that the intake coordinator shall provide services at local Senior Services Centers located in Will County and shall work with the Department on Aging to create a public awareness campaign on the services and resources offered by each of the agencies. Provides that the intake coordinator must be knowledgeable in certain programs including, but not limited to, the Extended Family Support Program administered by the Department of Children and Family Services and the Child Only Grants assistance component of the Temporary Assistance for Needy Families program administered by the Department of Human Services. Provides that the intake coordinator must be given the contact information for the designated point of contact for each State agency listed in the amendatory Act. Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, with the following changes: Makes the establishment and implementation of the Grandparents Raising Grandchildren Pilot Program subject to appropriations. Provides that the program shall require (rather than allow) the Senior Services Center of Will County to designate a staff member as an intake coordinator for Will County (rather than designate an intake coordinator for Will County) who shall help connect grandparents raising grandchildren to existing relevant services (rather than relevant services). Requires the intake coordinator to maintain records regarding the number of families who received referrals, the specific services each family was referred to and received, and the frequency of calls and visits. Provides that the intake coordinator selected by the Senior Services Center of Will County (rather than by the Department on Aging) must be knowledgeable on certain State-operated programs. In a provision requiring the intake coordinator to be given the contact information for the designated point of contact for each State agency listed in the engrossed bill, provides that such information may be given within 14 days after the intake coordinator's selection by the Senior Services Center of Will County (rather than selection by the Department on Aging).

New Act

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. Allows any party aggrieved by a violation of the Act to bring an action against any limited services pregnancy center that has committed such a violation, in which the court may award actual damages and any other relief the court deems proper. 415 ILCS 5/9.20 new

Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Makes other changes.

- 30 ILCS 500/1-10

Representative Harry Benton
HB 04209 (CONTINUED)

Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

Fiscal Note (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

20 ILCS 3305/5

from Ch. 127, par. 1055

Amends the Illinois Emergency Management Agency Act of the Civil Administrative Code of Illinois. In provisions regarding security improvements that assist a not-for-profit organization in preventing, preparing for, or responding to acts of terrorism, requires the Illinois Emergency Management Agency to determine that an organization is at high risk of being subject to threats, attacks, or acts of terrorism based on the organization's profile, ideology, mission, or beliefs in order to be eligible for assistance under the provisions. Requires the Agency to post specified information on its website. Throughout the provisions, refers to threats, attacks, or acts of terrorism (rather than just acts of terrorism). Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that eligible security improvements shall not duplicate, in part or in whole, a project included under any awarded federal grant or in a pending federal application. Requires that any security improvements awarded remain at the physical property listed in the grant application, unless authorized by the Illinois Emergency Management Agency rule or approved by the Agency in writing.
Removes language providing that the Agency shall post on its website, and update prior to each funding opportunity, a list of actively licensed private security contractors maintained by the Department of Financial and Professional Regulation, a list of local law enforcement departments across the State, and a list of other entities that offer no-cost vulnerability assessments.

HB 02458 (CONTINUED)

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed. HB 02458 (CONTINUED)

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

Provides that an individual or a person, cemetery, crematory, funeral establishment, corporation, partnership, joint venture, voluntary organization, or other entity may reduce human remains only in a natural organic reduction facility operated by a disposition authority licensed for this purpose and only under the limitations provided in the Act. Provides for: grounds for denial or discipline; surrender of a license; license, display, transfer; authorizing agent; authorization for natural organic reduction; performance of natural organic reduction services, training; recordkeeping; natural organic reduction procedures; disposition of reduced human remains; limitation of liability; hazardous implants; penalties; failure to file an annual report; injunctive action, cease and desist order; service of notice; investigations, notice and hearing; compelling testimony; administrative review, venue, certification of record, costs; and preneed of natural organic reduction arrangements.

Specifies that certain chemical analyses are to be performed by a laboratory accredited by the Illinois Environmental Protection Agency's Environmental Laboratory Accreditation Program. Provides that, in the case of an event where the health of the public may be at risk or there are signs at a facility of a potential health hazard, the Illinois Department of Public Health shall be consulted to assess the natural organic reduction facility. New Act

Creates the Strengthening and Transforming Behavioral Health Crisis Care in Illinois Act. Requires the Department of Human Services, Division of Mental Health, to use an independent third-party expert to conduct a cost analysis and determine actuarially sound costs associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State, including crisis call centers, mobile crisis response team services, crisis receiving and stabilization centers, and other acute behavioral health services. Contains provisions concerning recommendations on multiple sources of funding that could potentially be utilized to support a sustainable and comprehensive continuum of behavioral health crisis response services; a behavioral health crisis workforce; an action plan; a stakeholder working group to develop recommendations to coordinate programming and strategies to support a cohesive behavioral health crisis response system; and other matters. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill but with the following changes: Makes subject to appropriation the requirement that the Department of Human Services use an independent third-party expert to conduct a cost analysis on developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Provides that the cost analysis shall include costs that are or can be reasonably attributed to: (i) staffing and technological infrastructure enhancements necessary to achieve operational and clinical standards and best practices set forth by the 9-8-8 Suicide and Crisis Lifeline (rather than costs that are or can be reasonably attributed to ensuring the efficient and effective routing of calls made to the 9-8-8 suicide prevention and behavioral health crisis hotline to the designated hotline center and community behavioral health centers); (ii) the need to develop staffing that is consistent with federal guidelines for (rather than staffing that is adequate for expedient) mobile crisis response times, based on call volume and the geography served; and (iii) the provision of call, text, and chat response; mobile crisis response; and follow-up and crisis stabilization services that are in response to the 9-8-8 Suicide and Crisis Lifeline. Removes all references to "Program 590" with "the Division of Mental Health's Crisis Care Continuum Program". Makes other technical changes. Effective immediately.

Senate Committee Amendment No. 1

Requires the Department of Human Services' Division of Mental Health to determine the sound costs (rather than the actuarially sound costs) associated with developing and maintaining a statewide initiative for the coordination and delivery of the continuum of behavioral health crisis response services in the State. Expands membership on the stakeholder working group to include labor unions that represent workers in the behavioral health workforce.

Amends the Illinois Marriage and Dissolution of Marriage Act. Excludes from the definition of "abuse" obtaining, seeking, or facilitating lawful health care for a minor child by a parent or person in loco parentis. Requires the court to consider in determining parental responsibilities and parenting time a parent's affirmation of the child's gender identity or gender expression in a way that promotes the child's overall health and well-being, including accessing lawful health care. Allows a court to modify an order restricting parental responsibilities if it finds persistent, continuing interference with the child's ability to access lawful health care. Declares it to be against the public policy of this State and shall not be enforced if a law of another state authorizes the removal of a child from the parent or acting as a parent for allowing a child to receive lawful health care. Amends the Uniform Child-Custody Jurisdiction and Enforcement Act. Provides that the presence of a child in this State for the purpose of obtaining lawful health care is sufficient to meet the jurisdiction of this State for an initial child custody determination for temporary emergency matters. Provides that this State is not an inconvenient forum if lawful health care to the child is at issue in which the law or policy of the other state that may take jurisdiction limits the ability of a parent or person acting as a parent to obtain lawful health care for the child. Effective immediately.

Representative Jonathan Carroll
HB 02245 (CONTINUED)

Amends the Illinois Vehicle Code. Provides that in a county having a population of 3,000,000 or more, the county sheriff shall establish with other law enforcement agencies a vehicle theft hotline to facilitate the location of stolen vehicles via their installed existing global positioning systems, collaborate with vehicle manufacturers and dealers to provide information and assistance to law enforcement officers in the investigation of vehicle theft, and ensure that consumers are provided with information concerning the hotline and any new or used vehicle manufactured with a global positioning system by publishing the information in a conspicuous location on the county sheriff's website. Provides that the manufacturer of any vehicle sold in this State shall establish a hotline available to State, county, and local law enforcement agencies exclusively for the purposes of law enforcement information sharing and the electronic tracking of vehicles stolen in vehicular hijacking incidents or that have been used in the commission of kidnapping, aggravated battery with a firearm, attempted homicide, or homicide. Provides that the manufacturer's hotline shall relay vehicle location information, including real-time vehicle location information whenever possible, to the 9-1-1 call center or designated dispatch center for the responding agency, to the best of the manufacturer's technical capability. Requires State, county, and local law enforcement agencies to use their respective 9-1-1 system call centers or designated dispatch centers for the purpose of verification of law enforcement officers' identities and bona fide incident report numbers related to incidents. Requires manufacturers to prepare written statements detailing tracking and disabling system capabilities and make them available to State, county, and local law enforcement agencies upon request. Requires that, if a vehicle is not subscribed to the manufacturer's tracking service, the manufacturer of any vehicle sold in this State shall waive all fees associated with initiating, renewing, reestablishing, or maintaining the location, disabling, or alert service with which the vehicle is equipped during a law enforcement response or investigation of specified offenses.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the county sheriff shall collaborate with vehicle manufacturers, dealers, and vehicle location vendors to provide information and assistance to law enforcement officers in the investigation of a vehicular hijacking or kidnapping incident and ensure that consumers are provided with information concerning the hotline, new or used vehicles manufactured with stolen vehicle locator capabilities, and how consumers can activate stolen vehicle locator services by publishing the information in a conspicuous location on the county sheriff's website. Provides that, if a vehicle is equipped with functioning vehicle location tracking capability, but the capability is not currently activated, the manufacturer or the vehicle location vendor, shall waive all fees associated with initiating, renewing, reestablishing, or maintaining the vehicle location service the vehicle is equipped with during the investigation of the vehicle being stolen in a vehicular hijacking incident or being used in the commission of kidnapping incident when law enforcement has confirmed that the situation involves a clear and present danger of death or great bodily harm to persons and requires disclosure of vehicle location information without delay. Provides that there shall be no cause of action or liability under the laws of this State for a vehicle manufacturer, its subsidiaries, or vendors, or any employee, officer, director, representatives, or contractor of the manufacturer, subsidiary, or vendor, that provides, or in good faith attempts to provide, information or assistance to a law enforcement agency, 9-1-1 call center, or designated dispatch center.

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

HB 01016 (CONTINUED)

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

from Ch. 73, par. 848

Amends the Illinois Insurance Code. Provides that an insurer or producer authorized to issue policies of insurance in the State may not make a distinction or otherwise discriminate between persons, reject an applicant, cancel a policy, or demand or require a higher rate of premium for reasons based solely upon the basis that an applicant or insured has been convicted of a felony.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

No land conveyances are included in House Bill 1068, HA 2; therefore, there are no appraisals to be filed.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 1068, as amended by HA 2, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 1068, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note, House Floor Amendment No. 2 (Department of Insurance)

If the Department of Insurance is responsible for fielding complaints of rate discrimination or denial, that would require personnel to field such calls. If an investigation of discrimination falls under the scope of the Department of Insurance, that would require personnel time as well. While it is not believed to require a singular dedicated employee, it will require additional hours and the possibility of increased staff depending on the influx of calls and complaints, but the impact is likely minimal.

Correctional Note, House Floor Amendment No. 2 (Dept of Corrections)

There is no corrections population impact on the Department of Corrections.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1068, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of HB1068 as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

HB 1068 HA #2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

HB 1068 HA #2 does not pre-empt home rule authority.

New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

Replaces everything after the enacting clause. Amends the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that a depicted individual has a cause of action against a person disseminating or threatening to disseminate a sexual image if the person recklessly disregarded the possibility that the depicted individual did not consent to the dissemination, the image was a private or intentionally digitally altered sexual image, and the depicted individual was identifiable. Provides that in the case of digitally altered sexual images, disclosing that the images were digitally altered is not a defense to liability. HB 02418 (CONTINUED)

Amends the Criminal Identification Act. Provides that a trafficking victim may petition for vacation and expungement of an offense (rather than shall be eligible to petition for immediate sealing) upon the completion of his or her last sentence if his or her participation in the underlying offense was proximately caused by the human trafficking (rather than a direct result of human trafficking). Provides that, if the offense is a crime of violence, the trafficking victim may petition for immediate sealing of the offense upon the completion of his or her last sentence. Provides that a petition may be prepared, signed, and filed electronically. Provides that the court may allow the petitioner to attend any required hearing remotely by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner, and provides that the court may allow a petition to be filed under seal if the public filing of the petition would constitute a risk of harm to the petitioner.

House Committee Amendment No. 1

Provides that a trafficking victim may petition for vacation and expungement or immediate sealing of his or her criminal record (rather than expungement of an offense) upon the completion of his or her last sentence under specified circumstances. Provides that, if the offense is a crime of violence that is not a misdemeanor offense (rather than a crime of violence), the trafficking victim may only petition for immediate sealing of the offense upon the completion of his or her last sentence.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by House Amendment No. 1, with the following changes. Replaces a requirement making an offense eligible for vacation and expungement or immediate sealing if it was proximately caused by human trafficking with a provision allowing vacation and expungement or immediate sealing if the offense was a result of human trafficking. Removes an exception providing that a trafficking victim may petition only for immediate sealing if the offense was a crime of violence other than a misdemeanor.

House Floor Amendment No. 3

Provides that a petition for the vacation and expungement or sealing of trafficking victims' crimes shall (rather than may) be prepared, signed, and filed in accordance with Supreme Court Rule 9 (rather than prepared, signed, and filed electronically). Provides that the court may allow the petitioner to attend any required hearing remotely in accordance with local rules (rather than by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner).

New Act

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. Allows any party aggrieved by a violation of the Act to bring an action against any limited services pregnancy center that has committed such a violation, in which the court may award actual damages and any other relief the court deems proper. Effective immediately.

Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that the State Librarian shall prescribe rules concerning the development of a written policy declaring the inherent authority of the public library or library system to prohibit the practice of banning specific books or resources. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Makes conforming changes.

Adds reference to:

20 ILCS 2705/2705-630 new

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Department of Transportation Law (rather than the Department of Central Management Services Law) of the Civil Administrative Code of Illinois. Provides that the Department of Transportation (rather than the Department of Central Management Services), in consultation and collaboration with the Department of Central Management Services and the Capital Development Board (rather than without express provisions for consultation or collaboration), shall develop standards (rather than shall establish a maximum Global Warming Potential standard) for State purchases of appliances, concrete, asphalt, steel, and other building materials (rather than State purchases of vehicles, appliances, and building materials for use in State-funded infrastructure projects), subject to appropriation or the award of grant funding for this purpose (rather than without express limitations based on funding). Provides that, in developing these standards, the establishment of a maximum acceptable Global Warming Potential standard, as well as ways to promote and facilitate the use of life cycle assessments and environmental product declarations, shall be considered when considering bids for State-funded infrastructure projects.
