HB 03940 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

Senate Floor Amendment No. 2

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

Provides that an employee shall not be required to meet a quota that prevents compliance with meal or rest periods or use of bathroom facilities, including reasonable travel time to and from bathroom facilities. Requires employers to post a notice of employees' rights under the Act and to comply with certain recordkeeping requirements. Establishes civil penalties for noncompliance with the Act. 105 ILCS 5/24-8.2 new

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that the minimum hourly rate for each school year thereafter shall equal the minimum salary rate for the previous school year increased by a percentage equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the previous school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Representative Justin Slaughter
HB 01016 (CONTINUED)

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

Provides that a committed person who has attained the age of 55 years and served at least 25 consecutive years of incarceration shall be eligible to submit a petition to the Prisoner Review Board seeking parole. New Act

Representative Justin Slaughter
HB 02954 (CONTINUED)

Creates the Civil Liability for Doxing Act. Provides that an individual engages in the act of doxing when that individual intentionally publishes another person's personally identifiable information without the consent of the person whose information is published and: (1) the information is published with the intent that it be used to harm or harass the person whose information is published and with knowledge or reckless disregard that the person whose information is published would be reasonably likely to suffer death, bodily injury, or stalking; and (2) the publishing of the information: (i) causes the person whose information is published to suffer significant economic injury or mental anguish or to fear serious bodily injury or death of the person or a family or household member to the person; or (ii) causes the person whose information is published to suffer a substantial life disruption. Allows a person who is aggrieved by a violation of the Act to bring a civil action against the individual who committed the offense to recover damages and obtain any other appropriate relief. Provides that an individual who is found liable under the Act shall be jointly and severally liable with each other individual, if any, who is found liable under the Act for damages arising from the same violation of the Act. Allows a court to issue a temporary restraining order, emergency order of protection, or preliminary or permanent injunction to restrain and prevent the disclosure or continued disclosure of a person's personally identifiable information or sensitive personal information. Allows a civil action to be brought in any county in which an element of the offense occurred, or in which a person resides who is the subject of the personally identifiable information or sensitive personal information published in violation of the Act.

Replaces references to "mental anguish" with "emotional distress". Makes changes to the definitions of "family or household member", "publish", "stalk", and "substantial life disruption". Authorizes a court to issue an order to prevent the publication of personally identifiable information or sensitive personal information if certain requirements are met. Requires any injunctive relief that is granted to contain specified elements. Deletes a provision which specified that the Act was to be construed liberally.

HB 03323

Rep. Justin Slaughter

705 ILCS 405/5-401.5
725 ILCS 5/103-2.1

Amends the Juvenile Court Act of 1987. Deletes provision that if, during the course of an electronically recorded custodial interrogation of a minor who, at the time of the commission of the offense was under the age of 18 years, the minor makes a statement that creates a reasonable suspicion to believe the minor has committed an act that if committed by an adult would be an offense other than an offense required to be recorded, the interrogators may, without the minor's consent, continue to record the interrogation as it relates to the other offense notwithstanding any provision of law to the contrary. Deletes provision that any oral, written, or sign language statement of a minor made as a result of an interrogation under this provision shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, unless the recording is substantially accurate and not intentionally altered. Amends the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of an accused made as a result of a custodial interrogation conducted at a police station or other place of detention shall be presumed to be inadmissible as evidence against the accused in any felony (rather than homicide) criminal proceeding unless: (1) an electronic recording is made of the custodial interrogation; and (2) the recording is substantially accurate and not intentionally altered. Makes other changes.

HB 03420 (CONTINUED)

Amends the Code of Criminal Procedure of 1963. Provides that evidence of a defendant's creative or artistic expression, whether original or derivative, may not be received into evidence against that defendant in a criminal proceeding unless the evidence is determined by the court to be relevant and admissible, after an offer of proof by the proponent of the evidence outside the hearing of the jury, or the hearing as the court may require, and an on-the-record statement by the court of the findings of fact essential to its determination. Provides that in order to overcome the presumption of inadmissibility of evidence of defendant's creative or artistic expression, the proffering party must affirmatively prove by clear and convincing evidence: (1) literal, rather than figurative or fictional, meaning and, where the work is derivative, that the defendant intended to adopt the literal meaning of the work as the defendant's own thought or statement; (2) a strong factual nexus indicating that the creative or artistic expression refers to the specific facts of the crime alleged; (3) relevance to an issue of fact that is disputed; and (4) distinct probative value not provided by other admissible evidence. Provides that if the court admits creative or artistic expression as criminal evidence, the court has a duty to apply careful redactions, provide limiting instructions, and consider the least prejudicial means of presenting the creative or artistic expression to the fact finder.

HB 03819 (CONTINUED)

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

HB 03901 (CONTINUED)

Amends the Unified Code of Corrections. Provides that a prisoner who is serving a sentence for first degree murder, other than serving a term of natural life imprisonment, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment (rather than serve the entire sentence imposed by the court). Changes certain sentence credits for a prisoner from no more than 4.5 to no more than 7.5 days of sentence credit for each month of his or her sentence of imprisonment. Provides that the Director of Corrections or the Director of Juvenile Justice may award earned sentence credits if the credits do not reduce the sentence by a specified amount (rather than award up to 180 days of earned sentence credit for prisoners serving a sentence or incarcerating of less than 5 years, and up to 365 days of earned sentence credit for prisoners serving a sentence of 5 years or longer). Provides that the Department of Corrections or the Department of Juvenile Justice shall award sentence credit accumulated prior to the effective date of the amendatory Act in an amount specified to an inmate serving a sentence for an offense committed on or after June 19, 1998, if the Department determines that the inmate is entitled to this sentence credit based upon specified documentation.

Amends the Juvenile Court Act of 1987. Changes all references in the General Provisions Article and the Abused, Neglected or Dependent Minors Article of the Act from "reasonable efforts" to "active efforts" in cases that involve reunification by the Department of Children and Family Services. Defines "active efforts" as efforts that are affirmative, active, thorough, timely and intended to maintain or reunite a child with the child's family and represent a higher standard of conduct than reasonable efforts. In the court review provisions, provides that if the court makes findings that the Department of Children and Family Services has failed to make active efforts to provide services as provided in the service plan, the court's order shall specify each party that failure applies to and the applicable time period. Amends the Adoption Act. Provides that a person shall not be considered an unfit person for the sole reason that the Department of Children and Family Services or its assign has been found to have not made active efforts as defined in the Juvenile Court Act of 1987 during any period during the pendency of the case at hand. Provides that a parent shall not be found unfit for failure to make reasonable efforts or reasonable progress for any 9-month period during which a court, hearing a case under the Abused, Neglected or Dependent Minors Article of the Juvenile Court Act of 1987, found that the Department failed to make active efforts, as defined in the Juvenile Court Act of 1987 with respect to that parent. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.

New Act

30 ILCS 105/5.990 new

Creates the Public Empowerment and Community Act and provides that the Act may be referred to as the PEACE Act. Requires the Department of Human Services to establish and administer the PEACE Grant Pilot Program, subject to appropriation. Requires the Department to award annual grants to eligible grantees to create and strengthen community-based alternatives to law enforcement to lessen the reliance on law enforcement agencies as first responders to crisis situations unrelated to fire department or emergency medical service response. Provides that each grantee shall receive a minimum award of \$250,000 per year and that the community-based alternatives may include, but are not limited to, mobile crisis response teams or community paramedicine programs. Requires the Department to prioritize grantees that propose interventions that serve historically marginalized populations and that serve communities with a demonstrated need for community-based alternatives to law enforcement. Contains provisions on grantee requirements and reports; a stakeholder workgroup; a public report by the Department; the Public Empowerment and Community Engagement Program Fund; and other matters. Provides that the Act is repealed on December 31, 2028. Amends the State Finance Act to include the Public Empowerment and Community Engagement Program Fund as a special fund. Effective immediately.

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

20 ILCS 3930/7 from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed. Each agency may establish a lower ratio for hiring of family liaison officers. Establishes the duties and training for family liaison officers. Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

410 ILCS 620/3.15

from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that the State Librarian shall prescribe rules concerning the development of a written policy declaring the inherent authority of the public library or library system to prohibit the practice of banning specific books or resources. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Makes conforming changes.

HB 03293 (CONTINUED)

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to provide individuals who are noncitizens or are legally admitted permanent residents the same medical assistance coverage for family planning and family planning-related services and supplies that is provided to eligible persons who are United States citizens, if they meet all other eligibility qualifications under the family planning benefits program established in accordance with the State's Family Planning State Plan Amendment as approved by the federal Centers for Medicare and Medicaid Services. Requires the Department to ensure parity of male contraceptive services provided under the family planning benefits program with a carve-out from the prospective payment system rate that allows encounter rate clinics, federally qualified health centers, and rural health centers to bill under the fee-for-service payment methodology based on the most current practitioner fee schedule for the vasectomy procedure (55250) with patient consultation services and any post-operative visits covered at the usual prospective payment system rate. Requires the Department to adopt reproductive justice-aligned measures of contraceptive access and quality as part of the Department's core set of health care quality measures for medical assistance and to annually report and post on its website the success of such measures beginning in calendar year 2024. Provides that if national measures of contraceptive access and quality are adopted by the U.S. Department of Health and Human Services, the Department may consider aligning State quality measures for contraceptive access and quality with such national recommendations. Provides that the Department, in conjunction with a statewide association representing Medicaid managed care health plans that are contracted with the Department and the organizers of a statewide contraceptive access initiative, shall develop a process to collect the patient centered contraceptive counseling measure endorsed by the National Quality Forum and shall annually report and post on its website the outcomes. Effective immediately.

House Floor Amendment No. 1

Provides that any person 18 years of age or older who knowingly and intentionally transmits obscene material by computer or other electronic means to the computer or electronic communication device of another person 18 years of age or older commits a trespass and is liable to the recipient of the obscene material for actual damages or \$500, whichever is greater, in addition to reasonable attorney's fees and costs, if the person who receives the obscene material has not consented to the receipt of the obscene material or has expressly forbidden the receipt of the obscene material and if a reasonable person who receives the obscene material would suffer emotional distress as a result of the receipt of the obscene material. Authorizes the court to enjoin and restrain the defendant from committing such further acts. "Obscene material" means material, including, but not limited to, images depicting a person engaging in an act of sexual intercourse, sodomy, oral copulation, sexual penetration, or masturbation, or depicting the exposed genitals or anus of any person, taken as a whole, that to the average person, applying contemporary statewide standards, appeals to the prurient interest, that, taken as a whole, depicts or describes sexual conduct in a patently offensive way, and that, taken as a whole, lacks serious literary, artistic, political, or scientific value. Provides that the Act does not apply to (i) any Internet service provider, mobile data provider, or operator of an online or mobile application, to the extent that such entity is transmitting, routing, or providing connections for electronic communications initiated by or at the direction of another, (ii) any service that transmits material, including an on-demand, subscription, or advertising-supported service, (iii) a health care provider that transmits material for a legitimate medical purpose, or (iv) any transmission of commercial email. Provides that, notwithstanding any other provision of law, any multiple-occupancy restroom may be identified as an all-gender multiple-occupancy restroom and designated for use by any person of any gender. Requires that an all-gender multiple-occupancy restroom must include specified signage, stall dividers, and partitions for urinals. Provides that any multiple-occupancy restroom may be converted into an all-gender multiple-occupancy restroom. 305 ILCS 5/5-16.8

Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2024 and that provides coverage for prescription drugs shall provide coverage for vaginal estrogen, and that coverage for vaginal estrogen shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Medical Assistance Article of the Illinois Public Aid Code.

House Floor Amendment No. 2

Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 (rather than January 1, 2024) and that provides coverage for prescription drugs shall include coverage for one or more therapeutic equivalent versions of vaginal estrogen in its formulary.

Senate Committee Amendment No. 1

Provides that if (rather than if an individual's attending provider recommends) a particular vaginal estrogen product or its therapeutic equivalent version approved by the United States Food and Drug Administration is determined to be medically necessary (rather than based on the provider's determination), the issuer must cover that service or item pursuant to the cost-sharing requirement in specified provisions (rather than without cost sharing). Provides that a policy subject to the provisions shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement that exceeds any deductible, coinsurance, copayment, or any other cost-sharing requirement imposed on any prescription drug authorized for the treatment of erectile dysfunction covered by the policy (rather than on the coverage provided). Removes language providing that a policy is not required to include all therapeutic equivalent versions of vaginal estrogen in its formulary so long as at least one is included and covered without cost sharing and in accordance with the provisions.

In a provision granting specified persons access to records related to reports of abuse or neglect or the suspicious deaths of persons protected under the Act, provides that a probate court with jurisdiction over the guardianship of an alleged victim shall have access to such records, upon request, for an in camera inspection (rather than a court or a guardian ad litem, upon its or his or her finding that access to such records may be necessary for the determination of an issue before the court). Amends the Election Code. For specified applications, change of address forms, or recertifications of a driver's license or State identification card, provides that the application, form, or recertification shall serve as a dual-purpose application when the applicant presents specified identification (rather than meets the requirements of the federal REAL ID Act of 2005). HB 04186 (CONTINUED)

Amends the Courses of Study Article of the School Code. In the provisions concerning required high school courses, allows a pupil to take one year of a foreign language course (rather than 2 years), if, upon completing one year of foreign language coursework, the pupil, the pupil's parent or guardian, and the school counselor meet to discuss the pupil's postsecondary education or career goals, and, at that meeting, it is determined (i) that the pupil will take one year of career and technical education coursework, (ii) that a second year of foreign language coursework will limit the pupil's access to career and technical education coursework, and (iii) that the pupil does not need a second year of foreign language coursework to meet the pupil's postsecondary education and career goals. Provides that, following this meeting, the pupil's parent or guardian may opt the pupil out of a second year of foreign language coursework in a form and manner that is prescribed by the State Board of Education. Amends various Acts relating to the governance of public universities in this State. Provides that a university may not require a public high school student to have completed 2 years of foreign language coursework while in high school if it was determined in high school that the student was not required to and the student's parent or guardian opted the student out. Provides that if the student completed only one year of foreign language coursework in high school, the university may require the student to take no less than one year of foreign language coursework while enrolled in an undergraduate degree program at the university. Effective immediately.

HB 05142 (CONTINUED)

Amends the Illinois Insurance Code. Provides that insurers shall cover all services for pregnancy, postpartum, and newborn care that are rendered by perinatal doulas or licensed certified professional midwives, including home births, home visits, and support during labor, abortion, or miscarriage. Provides that the required coverage includes the necessary equipment and medical supplies for a home birth. Provides that coverage for pregnancy, postpartum, and newborn care shall include home visits by lactation consultants and the purchase of breast pumps and breast pump supplies, including such breast pumps, breast pump supplies, breastfeeding supplies, and feeding aids as recommended by the lactation consultant. Provides that coverage for postpartum services shall apply for at least one year after birth. Provides that certain pregnancy and postpartum coverage shall be provided without cost-sharing requirements. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that the medical assistance program shall cover home visits for lactation counseling and support services. Provides that the medical assistance program shall cover counselor-recommended or provider-recommended breast pumps as well as breast pump supplies, breastfeeding supplies, and feeding aids. Provides that nothing in the provisions shall limit the number of lactation encounters, visits, or services; breast pumps; breast pump supplies; breastfeeding supplies; or feeding aids a beneficiary is entitled to receive under the program. Makes other changes. Effective January 1, 2026.

House Committee Amendment No. 1

Deletes reference to:

305 ILCS 5/5-18.10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. New Act

10 ILCS 5/13-10 from Ch. 46, par. 13-10

Creates the Educational Credit for Election Judges Act. Provides that each institution of higher education shall adopt a policy regarding its awarding of academic credit for election judges. Provides that the policy shall apply to any individual who has been an election judge while enrolled in the institution of higher education. Provides that each institution of higher education shall submit its policy for awarding academic credit for election judges to the Board of Higher Education and the Illinois Community College Board, if applicable, before June 30, 2024 and before June 30 of every other year thereafter. Amends the Election Code. Provides that if an election judge receives academic credit, the judge may not be compensated under the Election Code.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Requires each institution of higher education to adopt a policy regarding its awarding of academic credit or a non-credit alternative (instead of just academic credit) for election judges. Provides that each institution of higher education shall submit its policy for awarding academic credit or a non-credit alternative for election judges to the Board of Higher Education or the Illinois Community College Board, as appropriate, before June 30, 2024 and within 60 days after any changes to the policy thereafter (instead of each institution of higher education shall submit its policy for awarding academic credit for election judges to the Board of Higher Education and the Illinois Community College Board, if applicable, before June 30, 2024 and before June 30 of every other year thereafter). New Act

Representative Nabeela Syed
HB 02123 (CONTINUED)

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

Replaces everything after the enacting clause. Amends the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that a depicted individual has a cause of action against a person disseminating or threatening to disseminate a sexual image if the person recklessly disregarded the possibility that the depicted individual did not consent to the dissemination, the image was a private or intentionally digitally altered sexual image, and the depicted individual was identifiable. Provides that in the case of digitally altered sexual images, disclosing that the images were digitally altered is not a defense to liability. Removes language providing that nothing in the Act shall be construed to impose liability on an interactive computer service for content provided by another person. Provides that the dissemination of or a threat to disseminate a private sexual image is not a matter of public concern solely because the image is accompanied by a political message. House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes the definition of "unplanned disruption event in a public water supply." Allows a public water distribution entity to use contact information in its possession obtained before or after (rather than only before) a planned or unplanned disruption event (rather than only an unplanned disruption event) in a public water supply in order to inform its customers of the disruption event. Includes in the definition of "disruption event" planned or unplanned (rather than only unplanned) work on or damage to a water main.

765 ILCS 705/25 new

Amends the Landlord and Tenant Act. Provides that a landlord, lessor, sublessor, or grantor may charge a fee or fees to reimburse costs associated with conducting a background check and credit check if the cumulative fee or fees for such checks are no more than the actual cost of the background check and credit check or \$20, whichever is less. Allows this fee or fees if the potential tenant provides a copy of a background check or credit check conducted within the past 30 days. Prohibits a landlord from imposing a move-in fee that is in excess of the reasonable cost to the landlord of obtaining or providing the product or service for which the fee is imposed. Unless provided by law elsewhere, a landlord may not demand any charge for the processing, reviewing, or accepting of an application, or demand any other payment, fee, or charge before or at the beginning of the tenancy. Exempts entrance fees charged by nursing homes as defined by Nursing Home Care Act or similar institutions. Prohibits a landlord from renaming a fee or charge to avoid application of these provisions. Limits fees for the late payment of rent in certain situations. Any provision of a lease, rental agreement, contract, or any similar document purporting to waive or limit these provisions is void and unenforceable as against public policy.

Amends the Criminal Code of 2012. Provides that the Public Act may be referred to as the Safe Firearm Storage Act. Provides that it is unlawful for any person to store or leave a firearm outside of that person's immediate possession or control (rather than within premises under his or her control if the person knows or has reason to believe that a minor under the age of 14 years who does not have a Firearm Owners Identification Card is likely to gain access to the firearm without the lawful permission of the minor's parent, guardian, or person having charge of the minor, and the minor causes death or great bodily harm with the firearm) unless the firearm is secured in a manner that renders it inaccessible to anyone but the owner or another lawfully authorized user: (1) by a device or mechanism, other than the firearm safety, designed to render a firearm temporarily inoperable; or (2) locked box or container. 105 ILCS 302/1

Amends the College and Career Success for All Students Act. Makes a technical change in a Section concerning the short title.

House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

HB 00351 (CONTINUED)

730 ILCS 5/5-5-5

Replaces everything after the enacting clause. Amends the Election Code. Creates the Task Force to Review Eligibility to Hold Public Office to review what criminal conduct precludes a person from holding public office in the State and to make recommendations as to what criminal conduct should preclude an individual from holding public office. Includes language relating to Task Force membership, administrative support by the Illinois Sentencing Policy Advisory Council, meetings, submission of a report of its findings and recommendations to the General Assembly and the Governor by May 1, 2024, and repealing the provisions on January 1, 2025. Amends the Unified Code of Corrections. Provides that, notwithstanding any other provision of law, a person convicted of a felony, bribery, perjury, or other infamous crime for an offense committed on or after the effective date of the amendatory Act and committed while he or she was serving as a public official in the State is ineligible to hold any local public office or any office created by the Constitution of the State unless the person's conviction is reversed, the person is again restored to such rights by the terms of a pardon for the offense, the person has received a restoration of rights by the Governor, or the person's rights are otherwise restored by law. Effective immediately.

House Floor Amendment No. 2

Provides that 2 State Representatives shall be appointed by the Minority Leader of the House of Representatives to the Task Force (rather than one State Representative) and 2 State Senators shall be appointed by the Minority Leader of the Senate to the Task Force (rather than one State Senator). P.A. 102-160, Sec. 99

Further amends the Election Code. Extends by one year the date by which the Task Force to Review Eligibility to Hold Public Office must submit its report to the General Assembly. Specifies that the provision creating the Task Force is to be repealed on January 1, 2026 (rather than January 1, 2025). Replaces on the Task Force representatives from the State Board of Elections with representatives from the Illinois Sentencing Policy Advisory Council. Provides that the State Board of Elections, rather than the Illinois Sentencing Policy Advisory Council, will provide administrative support to the Task Force. Provides that the Executive Director of the State Board of Elections, rather than the Executive Director of the Illinois Sentencing Policy Advisory Council, shall designate the day, time, and place for each meeting of the Task Force. Amends the Illinois Notary Public Act. Provides that neither a notary public nor an electronic notary public is required to keep a journal of or to otherwise record in a journal a notarial act or an electronic notarial act if that act is performed on specified electoral documents to be filed by or on behalf of a candidate for public office. Provides that this exemption from the Act's ordinarily applicable journaling requirement applies without regard to whether the notarial act is performed before, on, or after the effective date of the amendatory Act. Defines "public office". Makes a change to the effective date of Public Act 102-160. Effective immediately.

Provides that the amendatory Act may be referred to as the Large Event Waste Law. Amends the Solid Waste Planning and Recycling Act. Provides that, on and after January 1, 2025, an owner or operator of an event facility that has a maximum legal capacity or occupancy of at least 3,000 persons and that receives funding from the State of Illinois shall participate in the recycling program established by the county in which the event facility is located and shall send recyclable materials to a recycling center. Defines "event facility".

House Floor Amendment No. 1

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Large Event Waste Law. Amends the Solid Waste Planning and Recycling Act. Provides that, on and after January 1, 2025, an owner or operator of an event facility that has a maximum legal capacity or occupancy of at least 3,500 persons shall provide for (i) the recycling of items, including, but not limited to, glass, aluminum cans, cardboard, paper, and plastic beverage cups or bottles that are generated at a public meeting or public event held at the event facility, (ii) the transfer of these recyclable materials to a recycling center for processing, and (iii) the composting of organic waste. Defines "event facility".

House Floor Amendment No. 2

Amends the Illinois Human Rights Commission Article of the Illinois Human Rights Act. Removes language providing that: the Governor shall appoint a special temporary panel of commissioners comprised of 3 members; the members shall hold office until the Human Rights Commission determines that the caseload of requests for review has been reduced sufficiently to allow cases to proceed in a timely manner, or for a term of 18 months from the date of appointment by the Governor, whichever is earlier; each of the 3 members shall have only such rights and powers of a commissioner necessary to dispose of the cases assigned to the special panel; each of the 3 members appointed to the special panel shall receive the same salary as other commissioners for the duration of the panel; and the panel shall have the authority to hire and supervise a staff attorney who shall report to the panel of commissioners. HB 02878 (CONTINUED)

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

New Act

Creates the Consumer Reciprocal Attorney's Fees Act. Defines "consumer contract" as any contract in which the money, property, or service that is the subject of the transaction is primarily for personal, family, or household purposes. Provides that if a consumer contract allows for the recovery of attorney's fees in an action brought to enforce the contract, the court may award reasonable attorney's fees to the defendant if the defendant prevails in the action. Provides that the Act applies to any action filed on or after the effective date of the Act where the amount claimed does not exceed the maximum amount of a judgment allowable for a small claim under the Illinois Supreme Court Rules, but does not apply if the plaintiff does not request attorney's fees in the complaint or if each party to the consumer contract was represented by counsel in the negotiation of the contract. Provides that nothing in the Act shall be construed to apply to or limit the rights of any party to attorney's fees under any other contract or other provisions of State law.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Defines "commercial party" and "debt buyer". Sets forth the ways a defendant can prevail in an action under the Act. Provides that if the commercial party filing the action is a debt buyer, the Act applies irrespective of when the consumer contract was made or acquired by the debt buyer. Provides that the Act does not apply if each party to the consumer contract was represented by counsel in the negotiation of the consumer contract.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

HB 02054

40 ILCS 5/14-110 from Ch. 108 1/2, par. 14-110
730 ILCS 5/3-2.5-15

Amends the Unified Code of Corrections. Provides that Department of Juvenile Justice personnel who are hired by the Department and who participate or assist in the rehabilitative and vocational training of delinquent youths, supervise the daily activities involving direct and continuing responsibility for the youth's security, welfare and development, or participate in the personal rehabilitation of delinquent youth by training, supervising, and assisting lower level personnel who perform these duties must be over the age of 21 and have either a bachelor's or advanced degree from an accredited college or university or have 2 or more years of experience providing direct care to youth in the form of residential care, counseling, case management, or mentoring (rather than just any bachelor's or advanced degree from an accredited college or university). Amends the Illinois Pension Code to make conforming changes. Effective immediately.

Pension Note (Government Forecasting & Accountability)

HB 2054 expands employment requirements for Department of Juvenile Justice personnel to include prospective employees who have 2 or more years of experience providing direct care to youth, in lieu of having a bachelor's or advanced degree. The bill makes technical changes to the SERS article of the Pension Code to track with the updated educational and work requirements that are being made in the Unified Code of Corrections.

According to SERS, the proposed legislation would provide eligibility for the Alternative Formula for 150 employees in certain job titles with the Department of Juvenile Justice that currently participate in the Regular Formula. SERS claims this change would result in an increase to the accrued liability of between \$35 to \$40 million, with an estimated annual increase in State contributions of approximately \$2 million per year through FY 2045.

House Floor Amendment No. 1

Provides that Department of Juvenile Justice personnel who are hired by the Department and who participate or assist in the rehabilitative and vocational training of delinquent youths, supervise the daily activities involving direct and continuing responsibility for the youth's security, welfare and development, or participate in the personal rehabilitation of delinquent youth by training, supervising, and assisting lower level personnel who perform these duties must: (1) be over the age of 21 and (2) have a high school diploma or equivalent and either a bachelor's or advanced degree from an accredited college or university or 2 or more years of experience providing direct care to youth in the form of residential care, coaching, case management, or mentoring (rather than just being over the age of 21 and having any bachelor's or advanced degree from an accredited college or university).

Fiscal Note (Dept. of Juvenile Justice)

According to SERS, the proposed legislation would provide eligibility for the Alternative Formula for 150 employees in certain job titles with the Department of Juvenile Justice that currently participate in the Regular Formula. SERS claims this change would result in an increase to the accrued liability of between \$35 to \$40 million, with an estimated annual increase in State contributions of approximately \$2 million per year through FY 2045.

Senate Committee Amendment No. 1

730 ILCS 5/3-2.5-100

Provides that, upon the discharge of a youth, the Department of Juvenile Justice may continue to provide services to the youth for up to 12 months to allow the youth to participate in vocational, rehabilitative, or supportive programs. Provides that the continuance of services may be requested by the youth, the youth's parent or guardian, or the Director of Juvenile Justice.

Creates the Highway Work Zone Safety Act. Establishes the Highway Work Zone Speed Control Pilot Program. Provides that the Program's purpose is to enforce the speed limits established for construction or maintenance speed zones. Requires the Department of Transportation to install and operate an automated traffic control system only when highway construction and maintenance is occurring and when workers are present. Requires the Department to conduct a public safety campaign and post signage to inform drivers about the use of an automated traffic control system that detects speeds in excess of a work zone speed limit. Requires an automated traffic control system used in the Program to undergo an annual calibration check performed by an independent calibration laboratory. Provides that the Department shall employ automated traffic control system operators to operate an automated traffic control system at a construction or maintenance speed zone. Enumerates the duties and training requirements of an automated traffic control system operator. Limits the use of a photograph or recorded image captured by an automated traffic control system. Creates a presumption that the owner of a motor vehicle that is the subject of a photograph or recorded image was operating the motor vehicle when the photograph or recorded image was obtained through an automated traffic control system. Allows the presumption to be rebutted if specified conditions are met. Grants rulemaking authority to the Department. Defines terms. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Makes conforming changes.

Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Removes the definitions of "Authority" and "Department". Makes technical and other changes. Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Provides that a civil law violation under this Act to a motor vehicle rental or leasing company shall be dismissed if the company responds to the civil law violation within 30 days of the mailing with an affidavit of non-liability and a copy of the driver's license number, name, and address of the renter or lessee.

HB 02473 (CONTINUED)

Amends the Regulatory Sunset Act. Repeals the Veterinary Medicine and Surgery Practice Act of 2004 on January 1, 2029 (rather than January 1, 2024). Amends the Veterinary Medicine and Surgery Practice Act of 2004. Adds provisions concerning an email address of record and for electronic delivery of certain notices to an email address of records. Provides for instances in which telehealth may be used. Provides that a veterinarian shall not substitute telehealth, teleadvice, telemedicine, or teletriage when a physical examination is warranted or necessary for an accurate diagnosis of any medical condition or creation of an appropriate treatment plan. Makes changes to provisions concerning: application for licensure; reports; procedures for refusal to license or issue certificate; and hearing officers, reports, and review. Removes provisions concerning: refusing to issue or renew, or revoking, suspending, placing on probation, reprimanding, or taking other disciplinary or non-disciplinary action for a conviction by any court of competent jurisdiction, either within or outside this State, of any violation of any law governing the practice of veterinary medicine; and certifying exhibits without cost. Repeals a provision requiring the Department of Financial and Professional Regulation to maintain a roster. Makes corresponding and other changes. Provisions amending the Regulatory Sunset Act are effective immediately.

House Floor Amendment No. 1

Changes references from "federal individual taxpayer identification number" to "individual taxpayer identification number".

Senate Committee Amendment No. 1

In provisions concerning the service of notice for an administrative proceeding, provides that written notice and any notice in the subsequent proceeding may be served by registered or certified mail (rather than regular mail) to the licensee's address of record. Provides that, if in the course of the administrative proceeding the party has previously designated a specific email address at which to accept electronic service for that specific proceeding, notice may be served by sending a copy by email to an email address on record.

Senate Committee Amendment No. 2

Provides that "veterinary specialist" means a veterinarian: (1) who has been awarded and maintains certification from a veterinary specialty organization recognized by the American Board of Veterinary Specialties; (2) who has been awarded and maintains certification from a veterinary certifying organization whose standards have been found by the Board to be equivalent to or more stringent than those of American Board of Veterinary Specialties-recognized veterinary specialty organizations; or (3) who otherwise meets criteria that may be established by the Board to support a claim to be a veterinary specialist (instead of meaning that a veterinarian is a diplomate within an AVMA-recognized veterinary specialty organization). Changes references from "telehealth" to "telemedicine" and "writing prescriptions" to "prescribing".

Amends the State Treasurer Act. Provides that the State Treasurer may establish and administer a non-profit investment pool to supplement and enhance investment opportunities otherwise available to not-for-profit corporations in the State. Provides that the Treasurer may receive funds paid into the pool for the purpose of holding and investing those funds. Provides for surety bonds payable to not-for-profit corporations who participate in the pool. Makes changes to provisions concerning the direct deposit of State payments. Amends the Accountability for the Investment of Public Funds Act. Provides that the Treasurer shall adopt rules for the efficient administration of the pool. Provides that each State agency shall make available on the Internet, and update at least monthly, no later than the end of each month (rather than by the 15th of the month), sufficient information concerning the investment of any public funds held by that State agency to identify specified information. Effective immediately.

House Committee Amendment No. 1

Provides that the State Treasurer may establish and administer a non-profit investment pool and an electronic payments processing program (rather than a non-profit investment pool). Provides that the Treasurer may receive funds paid into the non-profit investment pool by a not-for-profit corporation that is exempt from taxation under Section 501(c)(3) or 501(c)(12) of the Internal Revenue Code (rather than Section 501(c) of the Internal Revenue Code). Corrects a grammatical error.

Fiscal Note (Office of the Treasurer)

The Treasurer's Office does not anticipate the need for additional staff for the investment pool for 501(c) non-profit organizations. The costs for the investment pool will be paid for entirely by fees. Start-up costs will be absorbed by the existing budget. No dollar amount estimate is possible but is believed to be minimal.

House Committee Amendment No. 1

Deletes reference to:

20 ILCS 1205/18.4 new

In provisions concerning general powers and duties, removes language that provides certain powers and duties to the Division of Financial Institutions of the Department of Financial and Professional Regulation. Provides that the Secretary may, in accordance with the Illinois Administrative Procedure Act, adopt reasonable rules with respect to the administration and enforcement of any Act the administration of which is vested in the Division (rather than providing the Division and the Secretary of the Department of Financial and Professional Regulation with certain rulemaking authority). In provisions requiring the Governor to appoint a Director of the Division, adds language requiring the advice and consent of the Senate. Deletes provisions concerning character and fitness. In provisions concerning charges permitted, provides that every licensee may lend a principal amount not exceeding \$40,000 and may charge, contract for and receive thereon an annual percentage rate of no more than 36% (rather than charges at an annual percentage rate of no more than 36%), subject to the provisions of the Act.

Further amends the Public Utilities Act. Creates the Transmission Efficiency and Cooperation Law as a new Article in the Act. Provides that an incumbent electric transmission owner has the right to construct, own, and maintain an electric transmission line that has been approved for construction in a transmission plan and that will connect to facilities that are owned by that incumbent electric transmission owner and are or will be under the functional control of the Midcontinent Independent System Operator (MISO). Provides that the provisions do not limit the right of any incumbent electric transmission owner to construct, own, and maintain any transmission equipment or facilities that have a capacity of less than 100 kilovolts or of any entity otherwise qualified to own, operate, and maintain electric transmission facilities that are not approved for construction in a transmission plan or that will not connect to facilities under the functional control of a regional transmission operator.
