Amends the School Code. Repeals provisions of the Code concerning concussions and head injuries and student athletes. Sets forth provisions concerning the prevention, treatment, and oversight of concussions affecting student athletes instead. Requires the governing body of each school district and charter school with students enrolled who participate in an interscholastic athletic activity to appoint or approve a concussion oversight team. New Act

Amends the Park District Code to provide that park districts are subject to the Act. Amends the School Code. Repeals provisions of the Code concerning concussions and head injuries and student athletes. Instead, sets forth provisions concerning concussions and head injuries and student athletes that apply to public and private elementary and secondary schools, including charter schools. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 3

Provides that a park district is subject to and shall comply with the Youth Sports Concussion Safety Act if the park district is directly responsible for organizing and providing a sponsored youth sports activity as a youth sports league by registering the players and selecting the coaches (instead of if the park district offers a sponsored youth sports activity as a youth sports league).

SENATE COMMITTEE AMENDMENT NO. 4

Removes a reference to a "licensed healthcare professional" otherwise holding a professional license from the Department of Financial and Professional Regulation in the field of healthcare. With respect to a student and the student's parent or guardian or another person with legal authority providing consent, adds a reference to an athletic trainer's written statement being disclosed to the appropriate persons. Makes other changes concerning athletic trainers.

SENATE FLOOR AMENDMENT NO. 5

Amends the Day and Temporary Labor Services Act. In the Section containing legislative findings, adds a finding that temporary laborers are vulnerable to discriminatory practices. Defines "day or temporary labor applicant". In a Section concerning recordkeeping, provides that the day and temporary labor service agency shall keep a record of the race, ethnicity, and gender of each day or temporary laborer or day or temporary labor applicant, as provided by the person who requests employment with or is contracted by the day and temporary labor service agency (instead of "the race and gender of each day or temporary laborer sent by the day and temporary labor service agency"). Provides that the day and temporary labor service agency shall provide each day or temporary labor applicant with and retain a copy of a written notice signed by an employee of the day and temporary labor agency and specifying the date, time, and location the applicant requested employment. Provides that at the time of annual registration, the day and temporary labor service agency shall submit to the Department of Labor, on a form created by the Department, a report containing the information required by the new provisions, grouped by branch office, in the aggregate for all day or temporary laborers assigned within this State in the prior year. Provides that in the case of a health and safety or notice violation, a private right of action exists for compensatory damages and an amount between \$50 and \$500 for each violation (instead of "up to \$500 for the violation"). Changes the penalty for violation of the Act from a Class B misdemeanor to a business offense with a fine of more than \$500 but not more than \$1,000. Replaces provisions concerning the application of the Smart Phone Theft Protection Act to provide that the Act does not apply with respect to a wireless communications device returned pursuant to the return policies of the wireless communications device dealer, wireless telephone service provider, manufacturer, or retailer from whom it was originally purchased, to a wireless telephone service provider who acquires wireless communications devices as part of a trade-in or a repair and refurbishment program, to a manufacturer who acquires wireless communications devices as part of a trade-in program, or to wireless communications device dealers regulated under the Pawnbroker Regulation Act. SENATE FLOOR AMENDMENT NO. 3

Provides the Act does not apply to a retailer who has 25 or more locations in this State who acquires wireless communications devices as part of a trade-in or repair and refurbishment program or to an entity that complies with the requirements of the Resale Dealers Act and purchases used wireless communications devices for the purpose of recycling and refurbishment.

110 ILCS 947/62 new

Replaces everything after the enacting clause. Amends the Higher Education Student Assistance Act. Provides for the issuance of grants to exonerated persons, subject to appropriation. Provides that recipients of grants issued by the Illinois Student Assistance Commission need not be Illinois residents at the time of enrollment in order to be eligible for a grant. Provides that recipients are entitled to either payment for the course of study needed for them to obtain a high school equivalency certificate or 8 semesters or 12 quarters of full payment of tuition and mandatory fees, provided that the recipients are maintaining satisfactory academic progress. Allows the funds from the grant to be used for obtaining a high school equivalency certificate or pursuing undergraduate or graduate study. Provides that benefits shall be administered by and paid out of funds available to the Commission and shall accrue to the bona fide applicant for a grant without the requirement of demonstrating financial need to qualify for the benefits.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 2 with the following changes: defines "exonerated person" as an individual who has received a pardon from the Governor of the State of Illinois (rather than the Governor) stating that such a pardon is issued on the grounds of innocence of the crime for

which he or she was imprisoned or an individual who has received a certificate of innocence from a circuit court. Defines "satisfactory academic progress" as the qualified applicant's maintenance of minimum standards of academic performance, consistent with requirements for maintaining federal financial aid eligibility (rather than the qualified applicant's maintenance of minimum grade levels), as determined by the institution of higher learning. Removes a provision providing that recipients need not be Illinois residents at the time of enrollment in order to be eligible for a grant. Provides for the payment of tuition and fees only at a public university or community college. Makes changes to provide that an exonerated person who has not yet received a high school diploma or a high school equivalency certificate and completes a high school equivalency preparation course through an Illinois Community College Board-approved provider may use grant funds to pay costs associated with obtaining a high school equivalency certificate, including payment of the cost of the high school equivalency test and up to one retest on each test module, and any additional fees that may be required in order to obtain an Illinois High School Equivalency Certificate or an official transcript of test scores after successful completion of the high school equivalency test. Removes a provision requiring funds for the grant to be paid out of funds available to the Commission.

from Ch. 122, par. 7-6

105 ILCS 5/7-14

from Ch. 122, par. 7-14

Replaces everything after the enacting clause. Amends the School Code. With respect to a petition for a proposed change of school district boundaries, provides that the regional board of school trustees or regional boards of school trustees in cases of a joint hearing shall hear evidence as to the effect detachment will have on the school needs and conditions of the territory in the area within and adjacent thereto and shall determine whether it is to the best interests of the schools of the area and the direct educational welfare (instead of educational welfare) of the pupils that such change in boundaries be granted. Provides that in the instance of a change of boundaries through detachment, (1) when considering the effect the detachment will have on the direct educational welfare of the pupils, the regional board or regional boards shall consider a comparison of the school report cards for the schools of the affected districts and the school district report cards for the affected districts only if there is no more than a 3% difference in the minority, low socio-economic, and non-English speaking student populations of the relevant schools of the districts; (2) the community of interest of the petitioners and their children and the effect detachment will have on the whole child may be considered only if the regional board or regional boards first determine that there would be a significant direct educational benefit to the petitioners' children if the change in boundaries were allowed; (3) the regional board or regional boards may consider the difference in the distances from the petitioning area to the current schools and the petitioned-for schools only if the difference is no less than 10 miles shorter to one of the petitioned-for corresponding current grade centers than it is to the corresponding current grade center; (4) the regional board or regional boards may not grant a petition if doing so will increase the percentage of minority, low socio-economic, or non-English speaking students at the school or the district from which the petitioning territory will be detached and will decrease the percentage of those students at the school or district to which the territory will be annexed; and (5) the regional board or regional boards may not consider whether changing the boundaries will increase the property values of the petitioners' property. Makes changes concerning the assumption of bonded indebtedness and financial obligations to the Capital Development Board and the tax rate for bonded indebtedness in cases in which the boundaries of a school district are changed by the attachment or detachment of territory.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the engrossed bill with the following changes: With respect to detachment, makes changes to provide that when petitioners cite an annexing district attendance center or centers in the petition or during testimony, the regional board of school trustees or the regional boards of school trustees may consider the difference in the distances from the detaching area to the current attendance centers and the cited annexing district attendance centers only if the difference is no less than 10 miles shorter to one of the cited annexing district attendance centers than it is to the corresponding current attendance center. Makes changes to provide that the regional board of school trustees or the regional boards of school trustees may not grant a petition if doing so will increase the percentage of minority or low-income students or English learners by more than 3% at the attendance center where students in the detaching territory currently attend, provided that if the percentage of any one of those groups also decreases at that attendance center, the regional board or boards may grant the petition upon consideration of other factors. Removes provisions providing that the annexing school district shall be liable for its financial obligations to the Capital Development Board. Makes other changes.

235 ILCS 5/6-14 rep.	

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with the following changes: Provides that certain requirements for the preparation of an infusion apply to a retail licensee (instead of licensee). Further amends the Liquor Control Act of 1934. Prohibits the Illinois Liquor Control Commission from enforcing any trade practice policy or other rule that was not adopted in accordance with the Illinois Administrative Procedure Act. Provides that certain locations within or adjacent to a hotel shall be considered part of the hotel's licensed premises if those locations are owned and managed by the hotel operator and that those locations may be maintained and managed pursuant to a single retailer's license issued by the State Commission. In a provision that prohibits the issuance of a license within 100 feet of churches, schools, hospitals, or certain other buildings, provides that a local liquor control commissioner may grant an exemption to that prohibition if a local rule or ordinance authorizes the local liquor control commissioner to grant that exemption. In a provision of the Act that prohibits happy hours, removes certain prohibitions and requirements. Prohibits the sale of more than one drink of alcoholic liquor for the price of one drink of alcoholic liquor. Adds provisions concerning happy hours, meal packages, party packages, and entertainment packages. Repeals a provision that prohibits the sale of liquor on Sundays, except under certain circumstances, and makes a conforming change. Requires all alcohol servers (instead of only alcohol servers in Cook County) to complete responsible alcohol service server training and provides certain dates by which alcohol servers in certain counties must complete the training. Makes changes in provisions concerning product sampling. Makes other changes. Effective immediately.

Amends the General Assembly Organization Act. Makes a technical change in a Section concerning the deposit of books, bills, documents, and papers with the Secretary of State.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

25 ILCS 5/3

Adds reference to:

305 ILCS 5/9A-11 from Ch. 23, par. 9A-11

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. In a provision concerning eligibility for child care benefits under the Department of Human Services' child care assistance program, requires the State to serve all children who fall within the eligibility criteria established by the Department regarding income eligibility and meet the required work or school activity. Deletes a provision that (1) authorizes the Department of Human Services to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year as are necessary to ensure that paid child care benefits do not exceed the amounts appropriated for those child care benefits and (2) permits such changes to be accomplished by emergency rule. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

Though the fiscal impact is indeterminable at this time, the amendment would provide the Department with little or no flexibility to manage the Child Care Program and live within established appropriations.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Provides that the Department of Human Services shall provide specified child care services (rather than providing those services to the extent resources permit). Adds, to the categories of families to which the Department of Human Services shall provide child care services, families that are income-eligible for child care assistance, are not recipients of TANF, and need child care assistance to participate in education and training activities. Provides that the eligibility requirements for child care assistance services shall be no more restrictive than the eligibility requirements in effect on June 30, 2015. Provides that the Department shall not condition eligibility for child care assistance services upon cooperation in establishing paternity of a child or cooperation with child support collection or enforcement for a child. Provides that, until the Department of Human Services establishes a new co-payment scale by rule, co-payments shall be equal to those in effect on June 30, 2015. Provides that co-payments for child care services may not be increased more than once every 6 months and may not be increased at a rate that exceeds the percentage increase in the Consumer Price Index for all Urban Consumers during the prior calendar year or 5%, whichever is less. Provides that co-payments shall not exceed 10% of family income. Provides that the Department may not adopt emergency rules relating to child care assistance services provided under

specified provisions of the Code. Deletes language regarding: an income threshold for FY2007; a test program for certain families to participate in education and training activities; development of a plan to revise the child care assistance program's co-payment scale by February 1, 2008; and authorization to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or other actions to ensure that child care benefits do not exceed the amounts appropriated for those benefits. Makes other changes. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

Though the fiscal impact is indeterminable at this time, the amendment would provide the Department with little or no flexibility to manage the Child Care Program and live within established appropriations.

New Act

Creates the Hepatitis C Screening Act. Provides that every individual born between the years of 1945 and 1965 who receives health services from a hospital as an inpatient or in the emergency department of a hospital or who receives primary care services in an outpatient department of a hospital or who receives health services from a health care practitioner providing primary care shall be offered a hepatitis C-related test, unless the health care practitioner providing the services reasonably believes that certain conditions are present. Effective January 1, 2016.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

New Act

5 ILCS 375/6.11

55 ILCS 5/5-1069.3

65 ILCS 5/10-4-2.3

105 ILCS 5/10-22.3f

215 ILCS 5/356z.23 new

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

215 ILCS 165/10

from Ch. 32, par. 604

305 ILCS 5/5-16.8

Replaces everything after the enacting clause with the introduced bill with the following changes: Provides that hepatitis C testing requirements do not apply when the health care practitioner reasonably believes that testing is contraindicated for the patient, that it would interfere with appropriate care, or if the patient is being seen for an acute ailment, illness, or condition. Amends the Illinois Insurance Code. Provides that on and after the effective date of this amendatory Act of the 99th General Assembly, every insurer that amends, delivers, issues, or renews a group or individual major medical policy of accident and health insurance in this State providing coverage for hospital or medical treatment shall provide coverage for hepatitis C screening and confirmatory testing consistent with reasonable medical standards. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the bill as amended by Senate Amendment No. 1, but removes provisions requiring the Department of Public Health to conduct a public education campaign concerning hepatitis C.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will likely have a significant fiscal impact to the State's Medicaid and Group Health Insurance programs due to increased screening and treatment of Hepatitis C. The anticipated costs are not available at this time. Passage of this bill without an accompanying source of revenue will result in an unbalanced budget.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with SB 661. The bill would have no fiscal or population impact on the Department of Corrections.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 0661 as Engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

SB 661, as engrossed, will have no impact on any public pension fund or retirement system in Illinois.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in SB 661; therefore, there are no appraisals to be filed.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Dept. of Healthcare & Family Services)

For purposes of this analysis, it is assumed that primary care providers are offering and/or recommending testing to at-risk populations based on sound medical reasoning. However, there may be an indirect impact to the Department from the publicity of hepatitis C legislation and the new hepatitis C drugs. Increased awareness of those in an at-risk population coupled with a mandate is likely to increase testing utilization. In FY14 and FY15, the Department did and is estimated to spend about \$1.5 million for testing. A 10% increase in FY16 testing utilization would increase liability by \$150,000 thousand. Additional testing would potentially double the population receiving treatment. This would result in an added pharmaceutical cost of \$8.5 million annualized.

Amends the Rental Housing Support Program Act. In a provision concerning the Rental Housing Support Program, provides that the Illinois Housing Development Authority shall distribute amounts for the Program solely from annual receipts on deposit in the Rental Housing Support Program Fund that are appropriated in each year for distribution by the Authority for the Program, and not from any other source of funds for the Authority (rather than the Authority shall distribute amounts appropriated for the Program from the Rental Housing Support Program Fund and any other appropriations provided for the Program). Defines "annual receipts" to mean revenue derived from the Rental Housing Support Program State surcharge from July 1 to June 30. Provides that the Authority shall perform annual reconciliations of all distributions made in connection with the Program and may offset future distributions to balance geographic distribution requirements. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision requiring the Authority to distribute amounts for the Rental Housing Support Program solely from annual receipts on deposit in the Rental Housing Support Program Fund that are appropriated in each year for distribution by the Authority for the Program, and not from any other source of funds for the Authority, provides (i) that a proportionate share of annual receipts on deposit appropriated to the Fund each year (rather than a proportionate share of annual receipts) shall be distributed to municipalities with a population greater than 2,000,000; (ii) that of the remaining annual receipts on deposit appropriated to the Fund each year (rather than of the remaining annual receipts) the Authority shall designate at least 10% in areas of the State not covered as specified under the Rental Housing Support Program Act; and (iii) that the remaining annual receipts on deposit appropriated to the Fund each year (rather than the remaining annual receipts) after the distributions in the previous provisions shall be distributed in areas of the State not covered as specified under the Act. Provides that in order to plan for periodic fluctuations in annual receipts on deposit appropriated to the Fund each year (rather than for periodic fluctuations in annual receipts), the Authority shall establish by rule a mechanism for establishing a reserve fund and the level of funding that shall be held in reserve either by the Authority or by local administering agencies. 110 ILCS 205/3 from Ch. 144, par. 183

Amends the Board of Higher Education Act. Makes a technical change in a Section concerning terms.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

110 ILCS 205/3

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the Career and Workforce Transition Act. Requires a public community college district to accept up to 30 credit hours transferred from a non-degree granting institution (regulated and approved by the Board of Higher Education under the Private Business and Vocational Schools Act of 2012 and nationally accredited by an accreditor approved by the U.S. Department of Education) that has been approved by the Board as an institution from which credits may be transferred if a student has completed a medical assisting program, a medical coding program, a dental assisting program, a heating, ventilation, and air conditioning program, a welding program, or a pharmacy technician program. Provides that the program must, at a minimum, be a 9-month program and use a credit-hour system. Contains provisions conditioning Board approval.

SENATE FLOOR AMENDMENT NO. 2

Requires an institution to have successfully completed a full term of national accreditation without probation (instead of without probation, a warning, or the denial of a substantive change in an application) in order to be approved as an institution from which credits may be transferred. Makes a grammatical change.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as engrossed, with the following changes. Provides that "Board" means the Illinois Community College Board instead of the Board of Higher Education. With respect to Board approval, (i) requires an institution to submit all application materials that the Board requests, (ii) removes the requirement that the institution pay a fee to the Board, and (iii) removes the requirement that the institution complete all of the necessary requirements to be approved by the Board of Higher Education under the Private Business and Vocational Schools Act of 2012 (but defines "institution" in part as a non-degree granting institution that is regulated and approved by the Board of Higher Education under the Private Business and Vocational Schools Act of 2012).

Requires the Department of Public Health to issue an annual Freestanding Emergency Center (FEC) license to a facility located within a municipality with a population in excess of 1,000,000 inhabitants if the facility has, by January 1, 2016, filed a letter of intent to establish a Freestanding Emergency Center and meets certain requirements. Adds services delivered by facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 to the list of services covered under the Medical Assistance Program. Permits the Department to contract with a third-party vendor to supply durable medical equipment in a more cost effective manner. In provisions concerning kidney transplantation coverage for noncitizens with end-stage renal disease, restricts coverage to persons receiving emergency renal dialysis services covered by the Department for at least 2 years. In a provision concerning payments to nursing facilities, permits the Department to contract with a third-party auditor to perform auditing to determine the accuracy of resident assessment information transmitted in the MDS that is relevant to the determination of reimbursement rates. In a provision concerning care coordination, provides that for Accountable Care Entities (ACEs) with a contract with the Department as of January 1, 2015, their 18 month period of operation shall begin on January 1, 2015 and the Department shall pay a care coordination fee on a per member per month basis at a rate no less than the amount paid as of January 1, 2015.

Requires the Department to evaluate the ACE readiness to accept capitation. Adds provisions concerning care coordination enrollment choices for children with complex medical needs; and care coordination fees for care coordination entities for seniors and persons with disabilities and for pediatric care coordination entities for children with complex medical needs. Provides that notwithstanding any other provision of the Code to the contrary, and subject to rescission if not federally approved, providers of certain services shall have their reimbursement rates or dispensing fees reduced for State fiscal year 2016 by an amount no greater than the equivalent to a 2.25% reduction in State fiscal year 2015 appropriations from the General Revenue Fund, with certain exceptions. Requires the Department to seek a waiver from the federal Centers for Medicare and Medicaid Services to allow wards of the Department of Children and Family Services access to mandatory Medicaid managed care. Requires the Department to, by January 1, 2016, make available on its website a managed care policy manual for providers that must be updated no less than annually. In a provision concerning certain annual assessments on inpatient services, provides that in lieu of a reduction in the reimbursement rates paid to hospitals, for State fiscal year 2016, the amount of \$218.38 used to calculate a specified assessment shall, by emergency rule, be increased by a uniform percentage to generate \$20,250,000 annually in the aggregate from all hospitals subject to the annual assessment. Makes other changes to provisions concerning hospital access payments; the aggregate amount of all increased capitation payments to managed care organizations (MCOs); adjustments to the capitation payments made to MCOs for adults eligible for medical assistance pursuant to the Affordable Care Act; and emergency rules. In a provision concerning an annual assessment imposed on supportive living facilities, provides that the Department must contest the interpretation of federal regulations on permissible provider taxes made by the federal Centers for Medicare and Medicaid Services as stated in correspondence dated January 20, 2015 and that the Department shall submit a report to the General Assembly no later than January 1, 2016 detailing all actions taken. In a provision concerning the Inspector General, provides that the Office of Inspector General must realign its resources toward activities with the greatest potential to reduce or avoid unnecessary, wasteful, or fraudulent expenditures. Changes a provision concerning the recoupment of advance payments made to nursing facilities with significant outstanding Medicaid liability. Adds a provision concerning temporary medical assistance coverage for long-term care services when an individual's application for such services is not timely processed under State and federal law and the individual did not cause the delay. Adds a provision requiring the Department to convene a working group in consultation with the Office of the Governor to discuss the development of a revised proposal for the research and demonstration project waiver proposal submitted to the U.S. Department of Health and Human Services on June 4, 2014. Makes changes to a provision concerning payments authorized under the Illinois Administrative Code and initially paid out to hospitals in State fiscal year 2015. Provides that the Governor's Office shall direct the Department of Healthcare and Family Services, in conjunction with other specified agencies, to initiate a review of all case management, care coordination programs, and public health programs for potential duplication of services; that each agency shall provide the Department with a copy of its internal review by October 1, 2015; that the Department shall provide the Governor and the General Assembly with a report of its findings by January 1, 2016; and that if duplicative services are identified, the Department shall work in conjunction with the agencies providing duplicative services to develop a policy or policies to ensure efficient expenditure of State resources, to be completed by December 31, 2016. New Act

30 ILCS 805/8.39 new

Creates the Student Transfer Achievement Reform Act. Provides that a public community college student who earns an associate degree for transfer granted pursuant to the Act is deemed eligible for transfer into the baccalaureate program of a State university if the student (1) completes 60 semester units or 90 quarter units that are eligible for transfer to a State university and (2) obtains a minimum grade point average of 2.0 on a 4.0 scale. Requires a community college district to develop and grant associate degrees for transfer that meet the requirements of the Act. Requires a State university to guarantee admission with junior status to any community college student who meets all of the requirements of the Act. Provides that a State university shall grant a local community college student priority admission and admission to a program or major that is similar to his or her community college major or area of emphasis. Provides that a student admitted under the Act shall receive priority over all other community college transfer students. Sets forth provisions concerning coursework, reviews and reports by the Board of Higher Education, and implementation of the Act. Amends the State Mandates Act to require implementation without reimbursement.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill

with the following changes: Provides that a community college student who earns an associate degree for transfer, an Associate of Arts, or an Associate of Science that is consistent with degree requirements of the Illinois Community College Board and the Board of Higher Education and aligned with the policies and procedures of the Illinois Articulation Initiative (rather than an associate degree for transfer), is deemed eligible for transfer. Removes provisions providing that a community college student is deemed eligible for transferring into the baccalaureate program of a State university upon completion of 60 semester hours or 90 quarter units and a minimum of 18 semester units or 27 quarter units in a major or area of emphasis. Provides that without the approval of the Illinois Community College Board and the Board of Higher Education, a community college district may not impose any requirements for a student to be eligible for an associate degree for transfer and subsequent admission to a State university. Provides that non-transfer coursework must not be counted as part of the transferrable units required. Provides that a State university shall admit and grant junior status in a program, subject to available program capacity, to any Illinois community college student who meets Act requirements, who has completed all lower-division prerequisites, and who meets the admission requirements of the State university's program or major (rather than a State university shall guarantee admission with junior status to any community college student who meets Act requirements). Removes provisions providing that a State university shall grant a local community college student priority admission and admission to a program or major that is similar to his or her community college major or area of emphasis. Provides that a State university may not require a transferring student to take more than 60 additional semester units beyond the lower-division major requirements for majors requiring 120 semester units, provided that the student remains enrolled in the same program of study and has completed university major transfer requirements. Removes provisions providing that a State university may require a transferring student to take additional courses at the State university so long as the student is not required to take any more than 60 additional semester units or 90 quarter units at the State university. Provides that a State university may not require transferring students to repeat courses that are articulated with (instead of similar to) those taken at the community college and counted toward an associate degree for transfer. Provides that the General Assembly encourages State universities and community colleges to facilitate the seamless transfer of credits toward a baccalaureate degree.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

210 ILCS 45/2-217

210 ILCS 85/6.22

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes: In a provision under the Nursing Home Care Act concerning ambulance transportation orders for nursing home residents, and in a provision under the Hospital Licensing Act concerning ambulance transportation arrangements for hospital patients: (i) provides that, beginning for dates of service no later than 90 days after the effective date of the amendatory Act, the nursing facility or hospital shall utilize the uniform certification of medical necessity for non-emergency ambulance transportation pursuant to the Illinois Public Aid Code for all non-emergency ambulance transportation, regardless of whether the payer for the transport is a governmental payer or a non-governmental payer and regardless of the type of health care program or insurance the individual participates in; (ii) provides that the State action exemption shall be available to the Department in relation to federal and State antitrust statutes; (iii) provides that it is the policy of the State that certain powers may be exercised by the

Department of Public Health, its vendors, agents, designees, and facilities, and all employees, officers, subsidiaries, and designees thereof, notwithstanding the effects on competition and notwithstanding any displacement of competition; (iv) requires the Department to supervise the authorized activities of certain non-Department individuals or entities; and (v) removes all references to "Physician Certification Statement or equivalent form" under the Hospital Licensing Act and instead uses the term "uniform certification of medical necessity for non-emergency ambulance transportation". Further amends the Illinois Public Aid Code. Makes changes to the definitions of "ground ambulance services", "ground ambulance services provider", and "payment principles of Medicare". Deletes "rural county" and its definition. Defines "medi-car services provider", "medi-car services", "service care services", and "emergency and urgently needed services". Provides that for ground ambulance services and medi-car services provided to recipients covered by a medical assistance program administered by the Department, payment shall be based upon the zip code of the point of pick-up of the recipient by the ground ambulance services provider or medi-car services provider (rather than for ground ambulance services provided to a recipient of aid under the Medical Assistance Article on or after January 1, 2016, the Department shall provide payment to ground ambulance services providers for base charges and mileage charges based upon the lesser of the provider's charge, as reflected on the provider's claim form, or the Illinois Medicaid Ambulance Fee Schedule payment rates calculated in accordance with a specified provision of the Code; and that the Department shall establish the transition from the current payment system to the Illinois Medicaid Ambulance Fee Schedule by implementing certain payment rates adjusted for the 4 Medicare Localities in Illinois). Provides that due to the unique mobile nature of ambulance and medi-car services, ground ambulance services providers and medi-car services providers are required to only submit enrollment applications for the primary office location where the provider's business is headquartered. Adds language concerning payments for emergency and urgently needed services. Deletes a provision concerning payments for ground ambulance services provided to a recipient enrolled in a Medicaid managed care plan by a ground ambulance services provider that is not a contracted provider to the Medicaid managed care plan in question. Makes changes concerning Department rules by which ground ambulance services providers (rather than ground ambulance service providers) and medi-car services providers of non-emergency medical transportation may appeal any decision by the Department or its agent for which certain denials were not received prior to the time of transport. Adds provisions concerning (1) uniform certification of medical necessity for non-emergency ambulance transportation of patients covered by a medical assistance program administered by the Department or by the federal Medicare program; (2) certain powers that may be exercised by the Department; (3) the Department's supervision of certain activities of non-Departmental individuals; (4) the Department's exemption from State and federal antitrust statutes; and (5) the Department's establishment of a technical advisory group to collaborate with and assist in the development of the regulations, policies, or procedures necessary to implement this amendatory Act. Changes the effective date to immediate (rather than effective July 1, 2015).

Provides that the structured settlement obligor and the annuity issuer shall, as to all parties except the transferee or an assignee designated by the transferee, be discharged and released from any and all liability for the transferred payments, and the discharge and release shall not be affected by the failure of any other party to the transfer to comply with the Act or with the order of the court approving the transfer (rather than the structured settlement obligor and the annuity issuer shall, as to all parties except the transferee or an assignee designated by the transferee, be discharged and released from any and all liability for complying with the court order and from any and all liability to the payee for the transferred payments, and the structured settlement obligor and the annuity issuer shall comply with the court order and shall not have or incur any liability to the payee, transferee, or assignee as a result of the failure of the court order, transfer agreement, disclosure statement, or the transfer proceeding to comply with the Act or another applicable State or federal statute relating to structured settlement transfers or any other law). Makes changes to the procedure for approval of transfers of structured settlement payment rights. Provides that for applications for transfer of structured settlement payments brought by payees not domiciled in the State, the application shall be filed in the court in the State that approved the structured settlement agreement or in the court in which the structured settlement obligor or annuity issuer has its principal place of business (rather than in the county in which the structured settlement obligor or annuity issuer is domiciled or has its principal place of business). Adds a requirement for a hearing to be held on the approval of a transfer of structured settlement payment rights, and requires certain documentation to be filed not less than 20 days prior to the hearing. Allows a court to hold a hearing on the merits of the application even in spite of certain terms (rather than allowing a court to review and approve applications despite the existence of certain terms). Makes other changes.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

215 ILCS 153/10

Replaces everything after the enacting clause with the bill as amended by Senate Amendment No. 1 with the following changes: In provisions concerning the effects of transfer of structured settlement payment rights, provides that the discharge and release shall not be affected by the failure of any party (rather than other party) to the transfer to comply with the Act. Provides that certain information shall (rather than should) be submitted with the application for transfer of structured settlement payments to the court. Further amends the Structured Settlement Act. Provides that certain required disclosures must be made at least 10 days (rather than 3) in advance of the date on which a payee signs a separate disclosure agreement. Provides that those required disclosures shall include the effective annual interest rate. Makes other changes. Effective immediately.

Provides that following a foreclosure sale, consent foreclosure, common law strict foreclosure, or the delivery of a deed in lieu of foreclosure, the mortgagee shall have the duty to pay to the association all moneys due to satisfy the lien held by the association, except for the 9 months of unpaid regular monthly assessments and associated attorney's fees which may be collected from the purchaser. Amends the Children and Family Services Act. Provides that beginning January 1, 2016, the Department of Children and Family Services shall implement a 5-year pilot program of multi-dimensional treatment foster care, or a substantially similar evidence-based program of professional foster care, for (i) children entering care with severe trauma histories, with the goal of returning the child home or maintaining the child in foster care instead of placing the child in congregate care or a more restrictive setting or placement, (ii) children who require placement in foster care when they are ready for discharge from a residential treatment facility, and (iii) children who are identified for residential or group home care and who, based on a determination made by the Department, could be placed in a foster home if higher level interventions are provided. 105 ILCS 5/27-8.1 from Ch. 122, par. 27-8.1

Amends the School Code. Requires the State Board of Education to publish on its Internet website the exemption from immunization data it receives from schools. Provide that parents or legal guardians who object to health, dental, or eye examinations or immunizations on religious grounds must present to the appropriate local school authority a Department of Public Health objection form, detailing the grounds for the objection and signed by the parent or legal guardian, as well as a religious official attesting to a bona fide religious objection whose signature must be notarized (instead of presenting a signed statement of objection detailing the grounds for the objection). Requires the Department of Public Health to develop and publish a uniform objection form for this particular use. Provides that if the physical condition of a child is such that any one or more of the immunizing agents should not be administered, the child's parent or legal guardian must present to the appropriate local school authority a statement signed by the child's regular examining physician, advanced practice nurse, or physician assistant attesting to that fact. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the School Code. With respect to the Section requiring health examinations and immunizations, removes a provision concerning parents or legal guardians who object to the health, dental, or eye examinations or to immunizations on religious grounds. Provides instead that children of parents or legal guardians who object to health, dental, or eye examinations, or any part thereof, to immunizations, or to vision and hearing screening tests on religious grounds shall not be required to undergo the examinations, tests, or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed Certificate of Religious Exemption, created by the Department of Public Health, detailing the grounds for objection and the specific immunizations,

tests, or examinations to which they object. Provides that the grounds for objection must set forth the specific religious belief that conflicts with the examination, test, immunization, or other medical intervention. Specifies other requirements for the signed certificate, and requires parents or legal guardians to submit the certificate to their local school authority annually for each child for which they are requesting an exemption. Contains provisions concerning the religious objection. Requires the local school authority to inform the parent or legal guardian of exclusion procedures, in accordance with the Department's rules, at the time the objection is presented. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Specifies that the health care provider's signature on the certificate reflects only that education was provided and does not allow a health care provider grounds to determine a religious exemption. Provides that those receiving immunizations shall be provided with the relevant vaccine information statements prior to administering a vaccine. Provides that a healthcare provider may consider including nationally accepted recommendations from federal agencies, the information outlined in the relevant vaccine information statement, and vaccine package inserts, along with the healthcare provider's clinical judgment, to determine whether any child may be more susceptible to experiencing an adverse vaccine reaction than the general population, and if so, the healthcare provider may exempt the child from an immunization or adopt an individualized immunization schedule. Requires parents or legal guardians to submit the certificate to their local school authority, prior to the dates of entering kindergarten, sixth grade, and ninth grade (instead of annually), for each child for which they are requesting an exemption.

Amends the Public Utilities Act. Provides that any residential or small commercial retail customer of an electric utility that on December 31, 2005 provided electric service to at least 2,000,000 customers in Illinois that has returned to that electric utility's bundled utility tariffed service offering may elect delivery services of electric power and energy supply service from an alternative retail electric supplier after at least 6 continuous monthly billing periods of electric power and supply service from that utility; however, the residential or small commercial retail customer shall not be permitted to return to the same alternative retail electric supplier within 2 billing cycles after the customer returned to that electric utility's bundled utility tariffed service other than in situations where the return was in error, inadvertent, or the result of any other unintended operational consequence. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Public Utilities Act. Allows electric utilities to impose the condition that customers may not be permitted to return to an alternative retail electric supplier within 2 billing cycles after the customer returned to bundled utility customer service if the customer has not elected delivery services within 2 billing cycles after returning to the electric utility's bundled utility tariffed service offering. Strikes language allowing the customer to return to the alternative retail electric supplier if their return to bundled utility tariffed service was in error, inadvertent, or the result of any other unintended operational consequence. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the engrossed bill with the following changes: provides that, notwithstanding any other obligation of an electric utility, the electric utility shall be entitled, but not required, to impose the condition that a customer who has left delivery service for the electric utility's bundled service not be permitted (rather than to impose the condition that the customer may not be permitted) to return to the same alternative retail electric supplier within up to 2 billing cycles (rather than within 2 billing cycles) after the customer returned to bundled utility tariff service other than in situations, including, but not limited to, where the return was in error, inadvertent, or the result of any other unintended operational consequence. Effective immediately.

220 ILCS 5/16-115

Amends the Public Utilities Act. Provides that alternative retail electric suppliers may file commercially or financially sensitive information or trade secrets contained in specified reports or filings with the Commission without also filing a formal petition with the Chief Clerk of the Commission seeking a Commission order granting confidential treatment. Provides that, if an alternative retail electric supplier elects not to file a formal petition with the Chief Clerk of the Commission seeking such a Commission order, but still desires confidential treatment for the commercially or financially sensitive information or trade secrets submitted to the Commission, it must (1) provide the Commission contemporaneously with its filing an affidavit that sets forth both the reasons for the confidentiality and a public synopsis of the information for which confidential treatment is sought; and (2) provide the Commission contemporaneously with its filing both a "confidential" and a "public" version of the report, filing, or document for which it seeks confidential treatment with all confidential information marked "Confidential". Provides that the information identified as confidential by the alternative retail electric supplier shall be afforded proprietary treatment and shall be accessible only by the Commission and the Commission staff for a 2-year period from the date of submission to the Commission. Provides that nothing prevents the Commission (A) on its own motion, after reviewing the submittal of an alternative retail electric supplier pursuant to this subsection, from requiring the alternative retail electric supplier to file a formal petition with the Chief Clerk seeking confidential treatment; (B) from entering an order expanding the list of recurring reports or filings eligible for the confidential treatment process; or (C) from entering an order adjusting the time period information may be treated by the Commission as confidential. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

220 ILCS 5/19-110

Provides that alternative retail electric suppliers must file with the Illinois Commerce Commission both a confidential and public version of any report, filing, or document in which it has proprietary information it wishes to keep confidential. Provides that information marked as confidential shall be afforded proprietary treatment for a 2-year period from the date of submission to the Commission. Provides that the public version of the report, filing, or document shall be made available to the public upon request, subject to a case-by-case determination by the Commission. Further amends the Public Utilities Act. Provides that for certain routine reports filed by alternative gas suppliers, the gas suppliers need not also file a formal petition with the Chief Clerk of the Commission seeking a Commission order granting confidential treatment. Provides for certain requirements in order for an alternative gas supplier to file commercially or financially sensitive information or trade secrets with the Commission, including the filing of both a confidential and public version of the report. Provides that any confidential information submitted pursuant to the Act shall be afforded proprietary treatment for a 2-year period from the date of submission. Provides that public versions of the report, filing, or document shall be made available to the public upon request, subject to a case-by-case determination by the Commission. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Public Utilities Act. Provides that an alternative retail electric supplier may seek confidential treatment for the following information by filing an affidavit with the Commission: (1) the total annual kilowatt-hours delivered and sold by an alternative retail electric supplier to retail customers within each utility service territory and the total annual kilowatt-hours delivered and sold by an alternative retail electric supplier to retail customers in all utility service territories in the preceding calendar year; (2) the total peak demand supplied by an alternative retail electric supplier during the previous year in each utility service territory; and (3) an estimate of the amount an alternative retail electric supplier expects to be obliged to pay the utility under single billing tariffs during the next 12 months and the amount of any bond or letter of credit used to demonstrate credit worthiness to provide single billing services. Provides that an alternative gas supplier may seek confidential treatment for the reporting to the Commission of its total annual dekatherms delivered and sold by it to residential and small commercial customers by utility service territory during the preceding year via the filing of an affidavit. Requires that the affidavits must be filed contemporaneously with the information for which confidential treatment is sought and must clearly state that the affiant seeks confidential treatment and the information for which confidential treatment is sought must be clearly identified on the confidential version of the

document filed with the Commission and that the affidavit be accompanied by a "confidential" and a "public" version of the document or documents containing the information for which confidential treatment is sought. Provides that the confidential treatment shall be afforded for a period of 2 years. Contains provisions concerning proceedings with the Commission. Effective immediately.
