In the list of persons authorized to prescribe any interferon-free therapy for the treatment of the hepatitis C virus to a recipient of medical assistance, changes the list of authorized persons to include "any physician licensed to practice medicine in all its branches with a current license who has received a written consultation report" from a board-certified gastroenterologist or specialist in a relevant sub-specialty or from an infectious disease specialist (rather than any physician holding a current unrestricted license to practice medicine who, within 6 months prior to submitting a prior approval request as prescribed by the Department, has (i) completed a course in Illinois with a 3-year certification period that is provided by a program which aims to build the healthcare system's capacity to diagnose and cure persons with the hepatitis C virus or (ii) received a written consultation report from a board-certified gastroenterologist or specialist in a relevant sub-specialty or from an infectious disease specialist). Provides that a formal request for prior approval to administer to a medical assistance recipient any interferon-free therapy for the treatment of the hepatitis C virus shall not be submitted to the Department without a written consultation report (rather than a formal request for prior approval to administer to a medical assistance recipient any interferon-free therapy for the treatment of the hepatitis C virus shall not be submitted before the Department receives either documentation that the physician has satisfied the 3-year certification period of an eligible program or a written consultation report).

55 ILCS 5/3-5010.7 new

Amends the Counties Code. Provides that the recorder of deeds in a county with a population of more than 3,000,000 shall establish a pilot program that permits documents to be recorded against a property in foreclosure by judicial order only. Provides that the pilot program shall last from January 1, 2016 to January 1, 2019. Adds provisions concerning: the procedures for limiting the recording of documents; erroneous recording of documents; immunity of the recorder; and premature termination of the pilot program. Repeals the new provisions on January 1, 2019.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that an order relating to nonrecord claimants shall expire on the date of the court order confirming the judicial sale of the property pursuant to a judgment of foreclosure (currently, 2 years after the date of recordation of the notice of foreclosure) unless renewed by order of the judge. Further provides that a unit of local government shall not be required to obtain a certified court order in order to record a document that is the subject of a foreclosure action. Deletes a provision concerning initial foreclosures found to be in error or when the wrong institution files the foreclosure.

SENATE FLOOR AMENDMENT NO. 2

Provides that a unit of government (instead of a unit of local government), or any duly appointed persons or entities acting as agents for a unit of government or judicial body, shall not be required to obtain a certified court order in order to record a document on the property that is the subject of a foreclosure action.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the engrossed bill with these changes: provides that the owner of the property in foreclosure is prohibited from recording documents without judicial approval except for certain court orders; exempts mechanic lien claimants; provides that the prohibition does not apply to a mortgagee or its agent (rather than a bank or financial institution); and provides that the recorder shall provide notice to persons who file documents that are recorded in error and indicate that the filing has been voided and, if feasible, watermark the erroneous recording as voided using the word "voided".

225 ILCS 725/6 from Ch. 96 1/2, par. 5409

Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and

evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.

Amends the Health Care Right of Conscience Act. Makes changes in the Section concerning findings and policy. Defines "access to care and information protocols" and "material information". Provides that notwithstanding any other law, a health care facility, or any physician or health care personnel working in the facility, may refuse to permit, perform, assist in, counsel about, suggest, recommend, refer for, or participate in health care services because of a conscience-based objection only if the refusal occurs in accordance with written access to care and information protocols designed to ensure that (1) the patient receives material information in a timely fashion; and (2) the refusal will not impair the patient's health by causing delay of or inability to access the refused health care service. Provides that nothing in the Act shall be construed to prevent a health care facility from requiring that physicians or

health care personnel working in the facility comply with access to care and information protocols. Makes other changes in Sections concerning: (i) discrimination by employers or institutions; and (ii) liability.

SENATE COMMITTEE AMENDMENT NO. 2

Makes a change in the Section concerning findings and policy. Provides that the amendatory provisions are applicable notwithstanding other provisions of the Health Care Right of Conscience Act or any other law (rather than "notwithstanding any other law").

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

745 ILCS 70/7

Adds reference to:

745 ILCS 70/6

from Ch. 111 1/2, par. 5306

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, but with the following changes: In a provision defining terms: (i) removes the terms "access to care and information protocols" and "material information" and their corresponding definitions; and (ii) defines "undue delay" as unreasonable delay that causes impairment of the patient's health. Makes changes to a provision concerning the duty of physicians and other health care personnel. Removes a provision concerning the duty to enact and comply with access to care and information protocols and instead provides that all health care facilities shall adopt written access to care and information protocols that are designed to ensure that conscience-based objections do not cause impairment of patients' health and that explain how conscience-based objections will be addressed in a timely manner to facilitate patient health care services. Provides that certain protections under the Act only apply if conscience-based refusals occur in accordance with these protocols. Provides that the protocols must, at a minimum, address certain matters. Removes changes made to a provision concerning discrimination by employers or institutions. Adds a January 1, 2016 effective date.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Does not create a State mandate.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with SB 1564. The bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in SB 1564; therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

SB 1564 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 1564 as Engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will not have a fiscal impact to the State.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Dept. of Public Health)

SB 1564 has zero fiscal impact on the Department of Public Health.

FISCAL NOTE (Dept. of Healthcare & Family Services)

It is unclear if the passage of SB 1564 would jeopardize federal funding for the Illinois Medical Assistance Program. The Church Amendment codified at 42 U.S.C. § 300a-7, stipulates that for healthcare services funded in whole or in part by a program administered by the U.S. Department of Health and Human Services (HHS), no person may be required to "perform or assist in the performance of any sterilization procedure or abortion if his performance or assistance in the performance of such procedure or abortion would be contrary to his religious beliefs or moral convictions." The requirement in SB 1564 that the provider refer individuals to other providers who perform the procedure, especially if abortion or sterilization, violates the Church amendment; such referral could be interpreted as assistance with a morally objectionable procedure.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOUSE FLOOR AMENDMENT NO. 1

Removes the effective date Section.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1564 as amended by HA1; therefore, there are no appraisals to be filed.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with SB 1564 HA#1. The bill would have no fiscal or population impact on the Department.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

Would not affect the affect the level of State indebtedness.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

Requires the Illinois Student Assistance Commission to award grants to students in financial need who are enrolled for at least 15 credit hours in an institution of higher learning. Provides that the Commission shall receive funding for the grants through appropriations; the amount to be appropriated for the grant program each fiscal year shall equal the total amount appropriated for higher education from the General Revenue Fund for the 2015 fiscal year; no amounts may be appropriated for higher education from the General Revenue Fund beginning with the 2016 fiscal year other than amounts appropriated for these grants; and the amount of each grant shall equal the amount appropriated for the grant program for a given fiscal year divided by the number of applicants who qualify for a grant. Requires each grant recipient to sign an agreement under which the recipient agrees to the following terms: (1) if a grant recipient graduates from an institution in 4 years or less, he or she must repay one-half of the total amount of grants received; (2) if a grant recipient does not graduate from an institution in 4 years or less, he or she must repay the total amount of grants received; and (3) if the grant recipient resides in this State immediately following graduation from an institution, the Commission shall forgive, for each year of residency, one-eighth of the remaining grant amount owed.  725 ILCS 5/115-6.1 new

Amends the Criminal Code of 2012. Provides that it is an affirmative defense to a charge of prostitution that the accused engaged in or performed prostitution as a result of being a victim of involuntary servitude or trafficking in persons as defined in the Code, or was a victim of trafficking as defined in the federal Trafficking Victims Protection Act of 2000. Amends the Code of Criminal Procedure of 1963. Provides that in prosecutions for prostitution, when the accused intends to raise at trial the affirmative defense of being a victim of involuntary servitude or trafficking in persons as defined in the Code, or was a victim of trafficking as defined in the federal Trafficking Victims Protection Act of 2000 and has reason to believe that the evidence presented in asserting that defense may jeopardize the safety of the accused, courtroom personnel, or others impacted by human trafficking, the accused may file under seal a motion for an in camera hearing to review the accused's safety concerns. Upon receipt of the motion and notice to the parties, the court shall conduct an in camera hearing, with counsel present, limited to review of potential safety concerns. Provides that the court shall not consider the merits of the affirmative defense during the in camera review. Provides that if the court finds that the assertion of an affirmative defense by the accused in open court could jeopardize the safety of the accused, court personnel, or other persons, the court may clear the courtroom with the agreement of the accused, order additional in camera hearings, seal the records, prohibit court personnel from disclosing the proceedings without prior court approval, or take any other appropriate measure that in the court's discretion will enhance the safety of the proceedings and ensure the accused a full and fair opportunity to assert his or her affirmative defense. Provides that statements made by the accused during the in camera hearing to review safety concerns shall not be admissible against the accused for the crimes charged. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes from the new affirmative defense to a charge of prostitution that the accused engaged in or performed prostitution as a result of being a victim of trafficking as defined in the federal Trafficking Victims Protection Act of 2000. In the new amendatory changes to the Code of Criminal Procedure of 1963, provides that if an in camera hearing on the accused's safety concerns is held, the court shall cause an official record of the in camera hearing to be made, which shall be kept under seal. Provides that the court's determination of safety concerns must be by a preponderance of the evidence and that the assertion that presenting the affirmative defense to a charge of prostitution by the accused in open court would likely (rather than could) jeopardize the safety of the accused, court personnel, or other persons.

Permits the State Board to enter into a reciprocity agreement with other states for the purpose of authorizing and approving high quality providers and courses for the Program and the operation of the Catalog. Specifies the responsibilities of the State Board and the local school district. Provides per-course tuition and the payment of tuition to course providers based upon student success. Amends the Charter Schools Law of the School Code to make a corresponding change. Effective January 1, 2016.

305 ILCS 5/5-30.2 new

305 ILCS 5/11-5.1

Amends the Illinois Public Aid Code. Provides that beginning July 1, 2015, the Department of Healthcare and Family Services shall publish monthly reports on its website on the enrollment of persons in the State's medical assistance program, and the enrollment of recipients of medical assistance into a Medicaid Managed Care Entity contracted by the Department. Provides that the monthly reports shall include certain information for the medical assistance program generally and, separately, for each Medicaid Managed Care Entity contracted by the Department, including: (i) total enrollment and (ii) the number of persons enrolled in the medical assistance program pursuant to the Patient Protection and Affordable Care Act. Requires the Department to annually publish on its website every Medicaid Managed Care Entity's quality metrics outcomes and to make public an independent annual quality review report on the State's Medicaid managed care delivery system. Requires the Department to compile on a monthly basis data on eligibility redeterminations of beneficiaries of medical assistance. Requires the data to be posted on the Department's website and to include certain information, including: (a) the total number of redetermination decisions made in a month and, of that total number, the number of decisions to continue benefits, the number of decisions to change benefits, and the number of decisions to cancel benefits; and (b) if a vendor is procured to assist the Department in the redetermination process, the total number of redetermination decisions made in a month with the involvement of the vendor and without the involvement of the vendor. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Changes the date upon which the Department of Healthcare and Family Services shall publish the monthly reports required under the introduced bill from "beginning July 1, 2015" to "as soon as practical if the data is reasonably available, but no later than January 1, 2017". In the list of information the monthly reports are required to contain, provides that the reports shall include the number of persons enrolled in the medical assistance program under specified provisions of the Illinois Public Aid Code (rather than the number of persons enrolled in the medical assistance program pursuant to the Patient Protection and Affordable Care Act (Public Law 111-148)). In a provision concerning the percentage of persons enrolled in each Medicaid Managed Care Entity using an auto-assignment algorithm, provides that such percentages shall also report the type of enrollee assigned using an auto-assignment algorithm, including, but not limited to, persons enrolled in the medical assistance program in each of the groups listed in a specified provision of the introduced bill (rather than persons enrolled in the medical assistance program pursuant to the Patient Protection and Affordable Care Act (Public Law 111-148)). Provides that as soon as practical if the data is reasonably available, but no later than January 1, 2017, monthly enrollment reports for each Medicaid Managed Care Entity shall include a breakdown of language preference for enrollees by English, Spanish, and the next 4 most commonly used languages (rather than monthly enrollment reports for each Medicaid Managed Care Entity shall include a breakdown of language preference for enrollees). In a provision concerning compiled and reported data on eligibility redeterminations, provides that such data shall include, "if a vendor is utilized to provide services in support of the Department's redetermination decision process," the total number of redetermination decisions made in a month and, of that total number, the number of decisions to continue "or change" benefits, and the number of decisions to cancel benefits (i) with the involvement of the vendor and (ii) without the involvement of the vendor (rather than if a vendor is procured to assist the Department in the redetermination process, the total number of redetermination decisions made in a month and, of that total number, the number of decisions to continue benefits, the number of decisions to change benefits, and the number of decisions to cancel benefits (i) with the involvement of the vendor and (ii) without the involvement of the vendor). Makes other changes.

Defines "agency" as a child care facility licensed under the Child Care Act of 1969 and includes a transitional living program that accepts children and adult residents for placement who are in the guardianship of the Department. Provides that the Department is authorized and required to release information from unfounded reports, upon request by a person who has access to the unfounded report, as necessary in its determination to protect children and adult residents who are in child care facilities licensed by the Department under the Child Care Act of 1969. Effective January 1, 2016, except that certain provisions effective June 1, 2016.

SENATE FLOOR AMENDMENT NO. 3

In the changes made to the Children and Family Services Act, delays the date upon which the Department of Children and Family Services is required to implement a 5-year pilot program of multi-dimensional treatment foster care to June 1, 2016 (rather than January 1, 2016). Removes a provision requiring the Department to contract with licensed private child welfare agencies to administer the program. In the changes made to the Child Care Act of 1969, provides that the Department of Children and Family Services' rules and procedures shall include provisions for when the Department learns of the child care facility's staff's failure to report suspected abuse or neglect of children and the actions the Department will take to (i) ensure that the child care facility takes immediate action with the individual staff involved and (ii) investigate whether the failure to report suspected abuse and neglect was a single incident or part of a larger incident involving additional staff members who failed to report, or whether the failure to report suspected abuse and neglect is a system-wide problem within the child care facility or child welfare agency (rather than the rules and procedures shall include provisions for

when the Department learns of the child care facility's staff's failure to report suspected abuse or neglect of children and the actions the Department will take to ensure the child care facility takes immediate action with the individual staff involved, if the failure to report suspected abuse and neglect was a single incident or part of a larger incident involving additional staff members who failed to report, or if the failure to report suspected abuse and neglect is a system-wide problem within the child care facility or child welfare agency).

Creates the Rail Crossing Blocking Act. Requires the Illinois Commerce Commission and the Department of Transportation to annually study railroad crossings in municipalities of 100,000 or more to identify crossings which if blocked for longer than 10 minutes would pose significant public safety concerns by impeding emergency, fire, and police. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Open Meetings Act by exempting those meetings or portions of meetings of the peer review subcommittee created under the Illinois Controlled Substances Act. Further amends the Alcoholism and Other Drug Abuse and Dependency Act as follows: Provides that the Director of the Division of Alcoholism and Substance Abuse shall (rather than may) publish annually a report on drug overdose trends statewide that reviews State death rates from available data to ascertain changes in the causes or rates of fatal and nonfatal drug overdose (rather than from available data to ascertain changes in the causes or rates of fatal and nonfatal drug overdose for the preceding period of not less than 5 years). Requires the report to include an analysis of drug overdose information reported to the Department of Public Health pursuant to the Counties Code and the Hospital Licensing Act. Provides that the report may include a description of efforts undertaken to educate the public about unused medication and about how to properly dispose of unused medication, including the number of registered collection receptacles in this State, mail-back programs, and drug take-back events. Defines "Opioid antagonist" (rather than "opioid antidote"). Changes all instances of "opioid antidote" to "opioid antagonist" and makes corresponding changes in various Acts and Codes. Exempts health care professionals who prescribe or dispense an opioid antagonist in certain situations from criminal liability, except for willful and wanton misconduct. Adds pharmacists to the list of persons the Director of the Division of Alcoholism and Substance Abuse shall consult with when developing and disseminating to health care professionals information on drug overdose prevention and recognition and other matters. Provides that every publicly or privately owned ambulance, special emergency medical services vehicle, non-transport vehicle, or ambulance assist vehicle, as described in the Emergency Medical Services (EMS) Systems Act, which responds to requests for emergency services or transports patients between hospitals in emergency situations must possess opioid antagonists (rather than requiring every publicly or privately owned provider of pre-hospital and inter-hospital emergency medical services to possess opioid antagonists and to establish a policy to control the acquisition, storage, transportation, and administrations of such opioid antagonists and to provide training in the administration of opioid antagonists). Makes changes to a provision concerning immunity from prosecution. Amends the Department of Human Services Act. Provides that the Illinois Environmental Protection Agency shall establish, by rule, a medication take-back program to allow for the collection and disposal of unused controlled substances (rather than unused medications); and makes other changes. Further amends the Illinois Fire Protection Training Act. Provides that the Office of the State Fire Marshal shall distribute (rather than conduct or approve) an in-service training program for fire fighters in the administration of opioid antagonists that is developed by the Department of Human Services. Amends the Illinois Criminal Justice Information Act. Provides that moneys in the Prescription Pill and Drug Disposal Fund shall be used for grants by the Illinois Criminal Justice Information Authority to municipalities or organizations that establish containers designated for the collection and disposal of unused controlled substances and that conduct the collection of unused controlled substances through mail-back programs. Further amends the School Code. Changes the definition of "asthma medication" to include a physician assistant who has been delegated prescriptive authority (rather than the authority to prescribe asthma medications) by his or her supervising physician to the list of asthma medication prescribers. Defines "opioid antagonist" (rather than "opioid antidote"). Makes a change to the definitions of "standing protocol" and "undesigned epinephrine auto-injector". Requires the State Board of Education to submit a report to the General Assembly and the Department of Public Health (rather than the General Assembly) identifying the frequency and circumstances of opioid antagonist administration during the preceding academic year. Makes changes to the Hospital Licensing Act

Removes changes made to the Medical Practice Act of 1987 concerning mandatory continuing education hours on the abuse of controlled substances for licensed physicians. Further amends the Emergency Medical Services (EMS) Systems Act by requiring the EMS Medical Directors Committee to address regional standing medical orders for the administration of opioid antagonists and by granting the Department of Public Health the authority to prescribe education and training requirements in the administration and use of opioid antagonists for all levels of EMS personnel based on the National EMS Educational Standards and any modifications to those curricula specified by the Department through rules adopted pursuant to the Act (rather than the Department shall have the authority to prescribe education and training requirements for EMT and EMR personnel in the administration of opioid antagonists). Further amends the Illinois Insurance Code. Provides that coverage for opioid antagonists must include refills for expired or utilized opioid antagonists. Makes changes to the definition of "opioid antagonist". Provides that an individual or group health benefit plan amended, delivered, issued, or renewed on or after the effective date of the amendatory Act shall offer (rather than provide) coverage for medically necessary acute treatment services and medically necessary clinical stabilization services (rather than coverage for medically necessary acute treatment services and medically necessary clinical stabilization services for up to a total of 21 days before initiating utilization review procedure and shall not require preauthorization prior to obtaining acute treatment services or clinical stabilization services). Removes amendatory changes concerning external independent review decisions and appeals; uncertainty or disagreement with the enforcement of the provisions of a parity law; annual reports on the percentages of premiums spent on reimbursement for clinical service; annual reports on the percentage of capitated payments for mental health and substance use disorder services; and other matters. Adds provision concerning the availability of plan information. Makes changes to the definition of "treatment limitation". Amends the Pharmacy Practice Act. Provides that notwithstanding any general or special law to the contrary, a licensed pharmacist may dispense an opioid antagonist in accordance with written, standardized procedures or protocols developed by the Department of Financial and Professional Regulation with the Department of Public Health and the Department of Human Services if the procedures or protocols are filed at the pharmacy before implementation and are available to the Department of Financial and Professional Regulation upon request. Requires a pharmacist to complete a training program approved by the Department of Human Services before dispensing an opioid antagonist. Further amends the Illinois Public Aid Code. Provides that notwithstanding any other provision of the Code to the contrary, on or after July 1, 2015, injectable naltrexone prescribed for the treatment of alcohol dependence or the prevention of a relapse to opioid dependence (rather than prescribed by a physician for the treatment of alcohol dependence or the prevention of a relapse to opioid dependence) shall be covered under the medical assistance program. Provides that on or after July 1, 2015, methadone prescribed for the treatment of opioid dependence (rather than prescribed by a physician for the treatment of opioid dependence) shall be covered under the medical assistance program. Provides that on or after July 1, 2015, opioid antagonists prescribed for the treatment of an opioid overdose (rather than opioid antidotes prescribed by a physician for the treatment of an opioid overdose) shall be covered under the medical assistance program. Provides that all moneys and sale proceeds of property forfeited and seized under specified provisions of the Code may be used to provide to the Department of Human Services funds to develop and implement the educational programs required pursuant to certain provisions under the Alcoholism and Other Drug Abuse and Dependency Act and the School Code. Further amends the Criminal Code of 2012 by renumbering certain provisions, removing amendatory changes concerning criminal or civil forfeitures, and removing an amendatory change extending the repeal date of the Illinois Street Gang and Racketeer Influenced and Corrupt Organizations Law Article to June 11, 2022. Further amends the Cannabis Control Act. Provides that before a person is (rather than may be) sentenced to probation, the court may (rather than shall) refer the person to drug court. Provides that if the drug court team finds that the person suffers from a substance abuse problem (rather than a severe substance abuse problem) that makes him or her substantially unlikely to successfully complete a sentence of probation, then the drug court shall set forth its findings in the form of a written order, and the person shall not be sentenced to probation, but may be considered for the drug court program. Makes similar changes in the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Unified Code of Corrections. Removes language imposing a \$25 monthly fee on the person sentenced to probation. Further amends the Illinois Controlled Substances Act as follows: (i) make a change to the definition of "prescription"; (ii) removes a provision concerning pain

clinic registration and licensing; (iii) adds a provision requiring a physician to document in the medical record of a patient the medical necessity for the amount and duration of the 3 sequential 30-day prescriptions for Schedule II narcotics; (iv) removes a provision permitting pharmacies to fill a 10-day supply of a Schedule II controlled substance at one time subject to prescriber authorization and removes a provision requiring a prescriber to conduct an assessment of the patient regarding possible addiction tendencies and predisposition for substance abuse before issuing the first prescription in a single course of treatment for a Schedule II controlled substance; (v) removes language concerning certain actions a prescriber must take upon receipt of an unsolicited report issued by the Prescription Monitoring Program; (vi) adds a provision prohibiting the use of patient feedback as the basis of any adverse action, evaluation, or any other type of negative credentialing, contracting, licensure, or employment action taken against a prescriber or dispenser; (vii) restores language providing that nothing shall create a requirement that any prescriber, dispenser, or pharmacist request any patient medication disclosure, report any patient activity, or prescribe or refuse to prescribe or dispense any medications; (viii) removes a provision requiring the Department of Financial and Professional Regulation to adopt rules on or before January 1, 2016 regarding the oversight of prescriber practices as reported to the Prescription Monitoring Program; (ix) makes changes to provisions concerning the prescription monitoring program and the central repository for the collection of certain information transmitted under the Act; (x) adds provisions requiring the Prescription Monitoring Program to automatically create a log-in to the inquiry system when a prescriber or dispenser obtains or renews his or her controlled substance license; to maintain an Internet website in conjunction with its prescriber and dispenser inquiry system; and to regularly send electronic updates to the registered users of the Program; (xi) requires the Department of Financial and Professional Regulation to adopt rules concerning certain matters; (xii) creates the Prescription Monitoring Program Advisory Committee to assist the Department of Human Services in implementing the Prescription Monitoring Program (rather than the Secretary of the Department of Human Services must appoint an advisory committee to assist the Department Financial and Professional Regulation in implementing the controlled substance prescription monitoring program); (xiii) in a provision requiring the Clinical Director of the Prescription Monitoring Program to select 5 members to serve on a peer review subcommittee, requires the peer review subcommittee to prepare an annual report starting on July 1, 2017; (xiv) makes it a Class A misdemeanor to knowingly withhold information requested from a practitioner, with the intent to obtain a controlled substance that has not be prescribed, by misrepresentation, fraud, forgery, deception, subterfuge, or concealment of a material fact; and (xv) makes other changes. Further amends the Unified Code of Corrections by increasing the fee amount for certain drug and methamphetamine related offenses. Further amends the Good Samaritan Act in a provision exempting pharmacists from civil liability for the dispensing of an opioid antagonist to individuals who may or may not be at risk for an opioid overdose. connection therewith, shall be in accordance with rules; (2) a party shall not be required to furnish the names or addresses of his or her witnesses, except that upon motion of any party disclosure of the identity of expert witnesses shall be made to all parties and the court in sufficient time in advance of trial so as to insure a fair and equitable preparation of the case by all parties; (3) whenever the defendant in any litigation in this State has the right to demand a physical or mental examination of the plaintiff pursuant to statute or Supreme Court Rule, relative to the occurrence and extent of injuries or damages for which claim is made, or in connection with the plaintiff's capacity to exercise any right plaintiff has, or would have but for a finding based upon such examination, the plaintiff has the right to have his or her attorney, or such other person as the plaintiff may wish, present at such physical or mental examination; and (4) no person or organization shall be required to furnish claims, loss or risk management information held or provided by an insurer described in a specified Section of the Illinois Insurance Code.

HB-0096 THAPEDI.

Amends the Civil Practice Law of the Code of Civil Procedure. In provisions requiring persons or entities named as respondents in discovery to respond to discovery in the same manner as defendants, adds language providing that discovery includes a request for admission of facts or of genuineness of documents. Provides that respondents in discovery may, on motion of the plaintiff, be added as defendants if a preponderance of the evidence discloses cause for such action (instead of "if the evidence discloses the existence of probable cause for such action"). Makes corresponding changes in the statutory summons to a respondent in discovery.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Dept. of Public Health)

The fiscal impact on the Illinois Department of Public Health for implementing the provisions of HB 127 would be primarily related to staff time to establish the pilot program and the development of guidelines, training materials, and the review and approval of a provider for the sudden cardiac arrest training course required for all coaches annually. The estimated staff time allocation would be 1/2 FTE or approximately \$75,000 annually. An additional \$10,000 is estimated to collect and analyze data from the pilot program. The bill does not provide any funding resources for implementation of the pilot program by the Department or by the Illinois State Board of Education. The Department does not currently have staff or fiscal resources to implement the proposed pilot program.

HB-0133 THAPEDI, ANDRADE AND DAVIS, MONIQUE.

410 ILCS 620/12.2 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that any label of fresh, frozen, or processed fish or shellfish, wild or farm raised, offered for sale at wholesale or retail shall clearly identify (1) the species of fish or shellfish by its common name, (2) whether the fish or shellfish was farm raised or wild caught, and (3) whether the fish or shellfish was caught domestically or imported. Provides that a retail food facility that sells or offers for sale any fresh, frozen, or processed fish or shellfish, wild or farm raised, may not knowingly misidentify or misbrand (1) the country of origin of the fish or shellfish or (2) whether the fish or shellfish was farm raised or wild caught. Sets forth provisions concerning misbranding and the presumption of knowledge.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: removes processed fish from the provisions of the amendatory Act. Defines "market name" instead of "common name" to mean the market name for any seafood species identified in the Seafood List issued by the federal Food and Drug Administration. Requires any label of fresh or frozen fish or shellfish to include the country of origin of the fish or shellfish. Defines "farm raised" and "wild caught" fish and shellfish. Adds a penalty provision. Provides that the provisions of the amendatory Act shall become operative 18 months after the effective date.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This bill will have a significant fiscal impact on the State of Illinois budget. The Department of Public Health has the ability to levy fines for non compliance with the bill, but the upfront costs of developing rules, procedures, and initial testing before any fines are collected will require significant resources that the Department and State of Illinois do not have. The Department of Public Health and the Governor's Office of Management and Budget estimate that it will cost approximately \$150 per sample of fish tested but current estimates of the amount of samples that will need to be genetically tested are not available at this time.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

State.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)
HB 133 (H-AM 1) would have a significant fiscal impact to the Illinois Department of Public Health even with the collection of fees for permits and fines for violations.

New Act

30 ILCS 105/5.866 new

Creates the Family Leave Insurance Program Act. Requires the Department of Labor to establish and administer a Family Leave Insurance Program that provides family leave insurance benefits to eligible employees who take unpaid family leave to care for a newborn child, a newly adopted or newly placed foster child, or a family member with a serious health condition. Sets forth eligibility requirements for benefits under the Act including that the employee must (i) establish that he or she has been employed for at least 680 hours in employment during the employee's qualifying year and (ii) document that he or she has provided the employer with written notice of the employee's intention to take family leave. Defines "employer" to mean (a) any person, partnership, corporation, association, or other business entity that employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the year in which the leave is to be taken or in the year immediately preceding the year in which the leave is to be taken; and (b) the State of Illinois and any other unit of local government. Contains provisions concerning disqualification from benefits; premium payments; the amount and duration of benefits; the recovery of erroneous payments; hearings; defaulted premium payments; elective coverage; employment protection;

coordination of family leave; defined terms; and other matters. Amends the State Finance Act. Creates the Family Leave Insurance Account Fund.

HOUSE COMMITTEE AMENDMENT NO. 3

Excludes the State from the scope to the term "employer". Provides for the Act to be administered by only the Department of Employment Security.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 3
(Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 3 (Dept. of Employment Security)

Initial Start-Up Costs: Estimated at \$75 million to \$100 million, based on startup experience of our IBIS (Illinois Benefit Information System) which serves as the Illinois Department of Employment Security's benefit management platform for unemployment insurance. IBIS took multiple years to set up at a total cost of \$125 million. It would be reasonable to expect a similar time frame for the UI-like benefit aspect of the FLIP program. Unlike the prior IBIS work, however, development of FLIP would also entail a revenue collection component. Cost incurred would also include the efforts of an estimated 5 to 10 full-time equivalents for the creation and establishment of rules, policies, procedures, etc. for reporting, claims-taking, adjudication and appeals. Ongoing Costs: Expected to be at least \$46 million annually. Roughly 400 full time equivalents would be needed to administer the program, based on the staffing levels for similar programs as reported by New Jersey and California. The vast majority of the ongoing costs would be for the salary, benefits and administrative overhead for these positions. A significant amount of these costs (\$6 million) are the estimated annual system-related costs. Two other cost categories of significance that are NOT included above are the costs of any new equipment and the postage costs for the program. Specific cost estimates for those components are difficult to estimate without a more specific program structure.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept. of Commerce & Economic Opportunity)

Does not create a State Mandate under the State Mandates Act.

Amends the Juvenile Court Act of 1987. Eliminates provisions that require automatic prosecution of minors as adults. Eliminates mandatory and presumptive transfers to adult criminal prosecution. Provides that all transfers to adult criminal prosecution are discretionary transfers. Provides that if a petition alleges commission by a minor 13 years of age or over of

an act that constitutes a crime under the laws of the State and, on motion of the State's Attorney to permit prosecution of the minor under the criminal laws, a Juvenile Judge assigned by the Chief Judge of the Circuit to hear and determine those motions, after hearing but before commencement of the trial, finds that there is probable cause to believe that the allegations in the motion are true and that it is not in the best interests of the public to proceed under the Act, the court may enter an order permitting prosecution under the criminal laws. Provides that the factors that the court must consider for discretionary transfer apply to any act that if committed by an adult would constitute a crime that would subject a minor to juvenile jurisdiction if not transferred for adult criminal prosecution. Provides that the changes made to this provision by the amendatory Act apply to a minor who has been arrested or taken into custody on or after the effective date of the amendatory Act. Amends the Code of Criminal Procedure of 1963 to make a conforming change.

105 ILCS 5/2-3.64a-5

Amends the School Code. With respect to the administration of State assessments, provides that a student is not required to take a particular State assessment if that student's parent or guardian requests, in writing, that the student be excused from taking the State assessment. Requires the State Board of Education, by rule, to (i) determine the form of the request, (ii) ensure that no student, teacher, school, or school district is negatively impacted, through grades or evaluations, due to a student being excused from taking a State assessment, and (iii) ensure that students who are excused from taking a State assessment are offered supervised instructional or enrichment opportunities during the time the State assessment is being administered. Effective immediately.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (State Board of Education)

HB 306 will have a minimal fiscal impact to the State. Cost may include but are not limited to: staff time to develop a form, promulgate rules, and ensure that students who are excused are offered supervised instructional or enrichment opportunities. The legislation may cause the State to lose over \$1 billion in federal funds if less than 95% of students participate in State assessments.

PENSION NOTE (Government Forecasting & Accountability)

There is no discernible fiscal impact of any pension system associated with HB 306.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have minimal impact to the State of Illinois. There could be a potential loss in federal funds by not meeting certain requirements through State assessments.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes. Requires the State Board of Education to ensure that the State Board, regional superintendents of schools, and school boards take no negative action against a student, school, school district, or district employee (rather than ensuring that no student, teacher, school, or school district is negatively impacted), through grades or evaluations, due to a student being excused from taking a State assessment. Provides that once each school year, before any State assessments are administered, a school district shall communicate with the parents and guardians of students to explain the right to opt out of a particular State assessment and shall make opt-out forms available. Provides that neither the school district, nor any teacher or school in the district, may issue additional official correspondence to students or their parents or guardians about the right to opt out. Requires a school district to accept any letter expressing a parent's or guardian's intent for his or her child to be excused from taking a particular State assessment in lieu of the opt-out form as long as the letter is signed by the parent or guardian. Prohibits a school district and its teachers, principals, and other administrators from encouraging or discouraging students or their parents or guardians, either individually or collectively, to opt out of State assessments. Requires the State Board to determine appropriate sanctions for a violation of this prohibition. Effective immediately.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

HB 306 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

HB 306 (H-AM 2) will not impact any public pension fund or retirement system in Illinois.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

This bill will have a minimal impact to the State of Illinois. There could be a potential loss in federal funds by not meeting certain requirements through State assessments.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois State Board of Education)

HB 306 (H-AM 2) will have an unknown fiscal impact to the State. Costs may include but are not limited to: staff time to develop a form, promulgate rules, and ensure that students who are excused are offered supervised instructional or enrichment opportunities and costs associated with enforcement and monitoring of the requirements. School districts will incur costs for supervision of students that opt-out and for providing supervised instruction and enrichment opportunities. Additionally, the legislation may cause the State to lose over \$1 billion in federal funds if less than 95% of students participate in State assessments.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

Removes provisions allowing the State Charter School Commission to reverse a school board's decision to deny, revoke, or not renew a charter; makes related changes. In a provision concerning a charter school proposed to be jointly authorized by 2 or more school districts and the school boards unanimously denying the charter school proposal with a statement that the school boards are not opposed to the charter school, but that they yield to the Commission in light of the complexities of joint administration, allows the charter applicant to submit the proposal to the Commission and requires the Commission to follow the same process and be subject to the same timelines for review as a school board.

Provide that the Commission may condition approval of an application on the acceptance of funding in an amount less than requested. Provides that if the Commission approves an application for a charter, then the Commission shall act as the authorized chartering entity. Provides that if the Commission is the authorized chartering entity, then the Commission shall execute a charter agreement (instead of approve the charter agreement). 625 ILCS 5/18c-7402 from Ch. 95 1/2, par. 18c-7402

Creates the Rail Crossing Blocking Act. Requires the Illinois Commerce Commission and the Department of Transportation to annually study railroad crossings in municipalities of 100,000 or more to identify crossings which if blocked for longer than 10 minutes would pose significant public safety concerns by impeding emergency, fire, and police. A municipality, under 100,000, may petition to have a crossing included in the study. The Commission shall use the study to designate Essential Rail Crossings. Provides a person or entity may not physically block an Essential Rail Crossing in a manner which obstructs traffic for a period longer than 10 minutes or in excess of a total of 10 minutes during a 30 minute period in a municipality in a county of more than 1,000,000, unless the blocking of the crossing is by reason of circumstances over which the person or entity has no reasonable control, is necessary for maintenance of the crossing, or is otherwise allowed or required under State or federal law, rule, or regulation. Provides exemptions and a petty offense penalty for blocking 15 minutes or less and a business offense penalty for blocking exceeding 15 minutes. Provides graduated fines and that all fines collected shall be deposited into the Rail Crossing Blocking Fund. Amends the Department of Transportation Law of the Civil Administrative Code of Illinois. Allows the Department to grant funds to any railroad, rail user, or owner or lessee of a railroad right-of-way for improvement or construction of railroad crossings, but only those not in violation of the Rail Crossing Blocking Act or those agreeing to reduce violations of the Act. 225 ILCS 25/18.1 new

Replaces everything after the enacting clause. Reinserts provisions of the engrossed bill with the following changes: Removes provisions concerning licensure of dental hygienists, licensing applicants for dental licenses from other states, temporary authorization of applicants from other jurisdictions, and temporary permits for free dental care. Removes certain changes in provisions concerning the performance of services by dental assistants. Further amends the Illinois Dental Practice Act. Provides that dental assistants may perform certain additional services when the dental assistant has completed a training program offered by the Department of Financial and Professional Regulation. Provides that a licensed dental hygienist may become certified as a public health dental hygienist if the hygienist satisfies certain educational and clinical requirements. Provides that a public health dental hygienist may provide certain dental services to patients, without a dentist first examining the patient and being present in the facility during treatment, (1) who are eligible for Medicaid or (2) who are uninsured and whose household income is not greater than 200% of the federal poverty level. Limits the services provided by a public health dental hygienist to a public health setting. Requires a public health dental hygienist to practice pursuant to a public health supervision agreement with a dentist or a local or State governmental agency or institution. Requires a public health dental hygienist to submit a summary report to the Department of Public Health's Division of Oral Health. Provides that certain provisions concerning public health dental hygienists and dental assistants are inoperative on and after January 1, 2021 or are repealed on January 1, 2021. Changes the effective date from immediate to December 31, 2015.

SENATE FLOOR AMENDMENT NO. 5

Requires that dental assistants have at least 2,000 hours of clinical experience before undergoing the training program for coronal scaling of certain patients and intracoronar temporization of a tooth. Requires the training programs to include courses on certain subjects. Requires the supervising dentist of a dental assistant to observe and approve the completion of 6 full mouth supragingival scaling procedures. Requires a dental assistant to successfully complete an approved coronal polishing course prior to taking the coronal scaling course (rather than allowing dental assistants who have completed a coronal polishing course to reduce the hours of didactic training for coronal scaling needed).
