Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Upon receipt of the motion and notice to the parties, the court shall conduct an in camera hearing, with counsel present, limited to review of potential safety concerns. Provides that the court shall not consider the merits of the affirmative defense during the in camera review. Provides that if the court finds that the assertion of an affirmative defense by the accused in open court could jeopardize the safety of the accused, court personnel, or other persons, the court may clear the courtroom with the agreement of the accused, order additional in camera hearings, seal the records, prohibit court personnel from disclosing the proceedings without prior court approval, or take any other appropriate measure that in the court's discretion will enhance the safety of the proceedings and ensure the accused a full and fair opportunity to assert his or her affirmative defense. Provides that statements made by the accused during the in camera hearing to review safety concerns shall not be admissible against the accused for the crimes charged. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes from the new affirmative defense to a charge of prostitution that the accused engaged in or performed prostitution as a result of being a victim of trafficking as defined in the federal Trafficking Victims Protection Act of 2000. In the new amendatory changes to the Code of Criminal Procedure of 1963, provides that if an in camera hearing on the accused's safety concerns is held, the court shall cause an official record of the in camera hearing to be made, which shall be kept under seal. Provides that the court's determination of safety concerns must be by a preponderance of the evidence and that the assertion that presenting the affirmative defense to a charge of prostitution by the accused in open court would likely (rather than could) jeopardize the safety of the accused, court personnel, or other persons.

House Bill 0133
410 ILCS 620/12.2 new
Amends the Illinois Food, Drug and Cosmetic Act. Provides that any label of fresh, frozen, or processed fish or shellfish, wild or farm raised, offered for sale at wholesale or retail shall clearly identify (1) the species of fish or shellfish by its common name, (2) whether the fish or shellfish was farm raised or wild caught, and (3) whether the fish or shellfish was caught domestically or imported. Provides that a retail food facility that sells or offers for sale any fresh, frozen, or processed fish or shellfish, wild or farm raised, may not knowingly misidentify or misbrand (1) the country of origin of the fish or shellfish or (2) whether the fish or shellfish was farm raised or wild caught. Sets forth provisions concerning misbranding and the presumption of knowledge.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: removes processed fish from the provisions of the amendatory Act. Defines "market name" instead of "common name" to mean the market name for any seafood species identified in the Seafood List issued by the federal Food and Drug Administration. Requires any label of fresh or frozen fish or shellfish to include the country of origin of the fish or shellfish. Defines "farm raised" and "wild caught" fish and shellfish. Adds a penalty provision. Provides that the provisions of the amendatory Act shall become operative 18 months after the effective date.

Correctional Note (Dept of Corrections)
There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)
There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

Balanced Budget Note, House Committee Amendment No. 1 (Office of Management and Budget)
This bill will have a significant fiscal impact on the State of Illinois budget. The Department of Public Health has the ability to levy fines for non compliance with the bill, but the upfront costs of developing rules, procedures, and initial testing before any fines are collected will require significant resources that the Department and State of Illinois do not have. The Department of Public Health and the Governor's Office of Management and Budget estimate that it will cost approximately $150 per sample of fish tested but current estimates of the amount of samples that will need to be genetically tested are not available at this time.

Home Rule Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

JUDICIAL NOTE (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)
HB 133 (H-AM 1) would have a significant fiscal impact to the Illinois Department of Public Health even with the collection of fees for permits and fines for violations.

Amends the Juvenile Court Act of 1987. Eliminates provisions that require automatic prosecution of minors as adults. Eliminates mandatory and presumptive transfers to adult criminal prosecution. Provides that all transfers to adult criminal prosecution are discretionary transfers. Provides that if a petition alleges commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of the State and, on motion of the State's Attorney to permit prosecution of the minor under the criminal laws, a Juvenile Judge assigned by the Chief Judge of the Circuit to hear and determine those motions, after hearing but before commencement of the trial, finds that there is probable cause to believe that the allegations in the motion are true and that it is not in the best interests of the public to proceed under the Act, the court may enter an order permitting prosecution under the criminal laws. Provides that the factors that the court must consider for discretionary transfer apply to any act that if committed by an adult would constitute a crime that would subject a minor to juvenile jurisdiction if not transferred for adult criminal prosecution. Provides that the changes made to this provision by the amendatory Act apply to a minor who has been arrested or taken into custody on or after the effective date of the amendatory Act. Creates the Rail Crossing Blocking Act. Requires the Illinois Commerce Commission and the Department of Transportation to annually study railroad crossings in municipalities of 100,000 or more to identify crossings which if blocked for longer than 10 minutes would pose significant public safety concerns by impeding emergency, fire, and police. Provides that when foreign nationals are arrested or detained, they must be advised of their right to have their consular officials notified, and if an individual chooses to exercise that right, a law enforcement official is required to notify the consulate. Provides that at the initial appearance of a defendant in any criminal proceeding, the court must advise the defendant in open court that any foreign national who is arrested or detained has the right to have notice of the arrest or detention given to his or her country's consular representatives and the right to communicate with those consular representatives if the notice has not already been provided. Provides that the court must make a written record of so advising the defendant. Provides that if consular notification is not provided to a defendant before his or her first appearance in court, the court shall grant any reasonable request for a continuance of the proceedings to allow contact with the defendant's consulate. Amends the Rental Housing Support Program Act. In a provision concerning the Rental Housing Support Program, provides that the Illinois Housing Development Authority shall distribute amounts for the Program solely from annual receipts on deposit in the Rental Housing Support Program Fund that are appropriated in each year for distribution by the Authority for the Program, and not from any other source of funds for the Authority (rather than the Authority shall distribute amounts appropriated for the Program from the Rental Housing Support Program Fund and any other appropriations provided for the Program). Provides that in order to plan for periodic fluctuations in annual receipts on deposit appropriated to the Fund each year (rather than for periodic fluctuations in annual receipts), the Authority shall establish by rule a mechanism for establishing a reserve fund and the level of funding that shall be held in reserve either by the Authority or by local administering agencies.
