Grant Alerts

Archives Collaboratives (CFDA No. 89.003)
Purpose: To fund Archives Collaboratives that will make small and under-represented collections more accessible by sharing best tools and practices, assessing institutional strengths and opportunities, and promoting management structures to improve long-term sustainability and growth.
Eligibility: Native American tribal governments; public, state, and private institutions of higher education; state, county, special district, city, or township governments; and nonprofits with 501(c)(3) status with the IRS (other than institutions of higher education).
Funding: $100,000.
Contact: Jeff de la Concepcion, jeff.delaconcepcion@nara.gov.

Digital Projects for the Public (CFDA No. 45.164)
Purpose: To support projects that analyze and interpret humanities content on mainly digital platforms and formats, such as websites, digital tours, mobile applications, and digital games.
Eligibility: Native American tribal governments; public, state, and private institutions of higher education; state, county, special district, city, or township governments; and nonprofits with 501(c)(3) status with the IRS (other than institutions of higher education).
Funding: $1.5 million; awards of up to $400,000.
Contact: (202) 606-8269, publicpgms@neh.gov.

Farm Business Management and Benchmarking Competitive Grant Program (FBMB) (CFDA No. 10.319)
Purpose: To improve agricultural producers’ farm management knowledge and skills by maintaining and expanding a national, publicly available farm financial management database.
Eligibility: State agricultural experiment stations; colleges and universities; university research foundations; other research institutions and organizations; federal agencies; national laboratories; private organizations or corporations; individuals; and groups consisting of one or more of the above entities.
Funding: $1.85 million; awards between $100,000 and $500,000.
Contact: (202) 401-5048, electronic@nifa.usda.gov.

Humanities Collection and Reference Resources (CFDA No. 45.149)
Purpose: To (1) support projects that provide support for scholarship, education, and public programming in the humanities and extend the life and access of collections (including digitally); and (2) create reference resources that will improve the use of cultural materials, from providing basic information to enabling in-depth analysis.
Eligibility: Native American tribal governments; public, state, and private institutions of higher education; state, county, special district, city, or township governments; and nonprofits with 501(c)(3) status with the IRS (other than institutions of higher education).
Funding: $7.5 million; awards of up to $350,000.
Contact: (202) 606-8570, preservation@neh.gov.

Innovative Prosecution Solutions for Combatting Violent Crime, BJA FY 2020 (CFDA No. 16.825)
Purpose: To provide training and technical assistance in order to help develop effective strategies and programs that will address and prosecute individuals who commit violent crimes.
Eligibility: State and local governments; state and local prosecuting agencies; and Native American tribal governments that perform prosecution functions.
Funding: $7 million; awards of up to $340,000.
Contact: (800) 851-3420, grants@ncjrs.gov.

Nurse Education, Practice, Quality, and Retention (NEPQR) Simulation Education Training (SET) Program (CFDA No. 93.359)
Purpose: To expand experiential learning opportunities for nurses (including simulation-based technology) in order to improve the health of patients in rural and medically underserved areas and strengthen nurse education and the nursing workforce.
Eligibility: Accredited schools of nursing; health care facilities; and partnerships between such schools and facilities.
Funding: $2 million; awards of up to $500,000.
Contact: Kirk Koyama, (301) 443-4926, kkoyama@hrsa.gov.

Nursing Workforce Diversity-Eldercare Enhancement (NWD-E2) Program (CFDA No. 93.178)
Purpose: To increase nursing education opportunities for individuals from disadvantaged backgrounds (including underrepresented racial and ethnic minorities) in order to strengthen the eldercare workforce in rural communities.
Eligibility: Schools of nursing; nursing centers; academic health centers; state or local governments; and other eligible private or public nonprofit organizations, including faith- and community-based organizations, and Native American tribes and tribal organizations.
Funding: $1 million; awards of up to $500,000.
Contact: Aja H. Williams, (301) 945-9658, awilliams4@hrsa.gov.
