Dear Mr. Fornoff:

I thank the Commission for complying with the *subpoena duces tecum* for the "Report created by the Office of the Executive Inspector General related to case number 04-00034 and/or dated September 9, 2004." As you said in your letter, the power to subpoena is a broad power granted to the General Assembly, particularly when exercised during an impeachment investigation.

As the Commission requested, I reviewed the report *in camera* and I believe the report does contain information relevant to the inquiry of the Special Investigative Committee. The members of the Committee will receive a copy of the report after I redact the home address of one individual named in the report. The report will be added to the Committee's record during our hearing on Tuesday, January 6, 2009.

Sincerely,

A handwritten signature in cursive script, appearing to read "Barbara Flynn Currie".

Chairperson
Special Investigative Committee
